THE HON'BLE RAJESH BINDAL, C.J.

Arbitration & Conciliation Application U/S 11(4)
No. 109 of 2021

M.J.S. Construction & Ors. ...Applicants
Versus
U.O.I. & Ors. ...Respondents

Counsel for the Applicants:
Sri Bharat Kishore Srivastava, Sri Vimal Dharm Yadav

Counsel for the Respondents:
Sri Prashant Mathur, Sri Prabhakar Tripathi, A.S.G.I.

A. Civil Law - Arbitration and Conciliation Act,1996-Sections 11(4), (6),(8) & (12)-Appointment of arbitrator-Clause 25(ii) of General Conditions of Contract providing for appointment of Arbitrator found to be clearly in teeth of section 12(5) of Act-As alleged authorities falling under category-1 of seventh Schedule of Act and thereby being ineligible to be appointed as Arbitrator were also ineligible to nominate Arbitrator for resolution of dispute between parties- In considered view of Court sub-clause (ii) of Clause 25 of General Conditions of Contract to the extent it provides for appointment of Arbitrator is liable to be skipped-Arbitrator for resolution of dispute between parties needed to be appointed by High Court-A retired Judge of High Court Mr. Arun Tandon was appointed as Arbitrator subject to his consent-Matter referred to Arbitrator for resolution of dispute between the parties.(Para 25 to 29)

The application is disposed of. (E-6)

(Delivered by Hon'ble Rajesh Bindal, C.J.)

1. The prayer made in the present application filed under Section 11(6) of the Arbitration and Conciliation Application Act, 1996 (hereinafter referred to as the "Act") is for appointment of an Arbitrator for resolution of dispute between the parties.

2. The arguments, raised by learned counsel for the applicant, are that upon participating in the tender, the applicant-firm was issued Work Order No. 15 dated August 18, 2015 for construction of 30 bedded hospital in Cantt. General Hospital, Kanpur. As per applicant-firm, when after completion of the work final bill amounting ₹3,17,98,239.70 was produced for payment, an amount of ₹53,60,466.51/- remained unpaid. The applicant kept on requesting the respondents to release the balance payment, however, when for quite long time, the payment was not made despite repeated requests made by the applicant-firm, the applicant invoked arbitration clause as contained in Clause 25 of General Conditions of Contract for Central P.W.D. Works, 2014 seeking appointment of an Arbitrator for resolution of dispute between the parties, for the purpose notice dated July 9, 2021 was issued. However, respondents vide letter dated October 8, 2021 refused to appoint Arbitrator stating that there is no need for appointment of Arbitrator as Clause-16 of the contract agreement dated December 26, 2014 excludes the dispute from the purview of arbitration and it shall be decided by the Board which shall be conclusive and binding on the contractor.

3. He further submitted that rejection of request of the applicant for appointment of Arbitrator placing reliance on Clause 16 of agreement is totally illegal as in terms of the Clause-16 of the agreement, the

decision taken by the respondent is final and thus no remedy is left with the applicant. Any such condition would be in violation of Section 28 of the Contract Act, as the applicant cannot be made remediless for resolution of his grievance.

4. On the other hand, learned counsel for the respondent submitted that entire amount due to the applicant has already been paid, hence there is no dispute pending for which Arbitrator need be appointed.

5. He further submitted that there was no sanction granted for the additional work allegedly executed by the applicant, hence, no payment could be made. Regarding application of Clause-16 of the agreement dated December 26, 2014, he submitted that 25 of General Conditions of Contract provides that the same shall be applicable except where otherwise provided in the contract. In the case in hand, Clause-16 of the agreement dated December 26, 2014 clearly provides that the decision on the issue by the Board/CEO will be final and thus no arbitrator can be appointed.

6. Heard learned counsel for the parties and perused the record.

7. Clause 25 of General Conditions of Contract provides for an arbitration clause. It reads as under:

Clause 25

Except where otherwise provided in the contract, all questions and disputes relating to the meaning of the specifications, design, drawings and instructions here-in before mentioned and as to the quality of workmanship or materials used on the work or as to any other question, claim, right, matter or thing whatsoever in any way arising out of or relating to the contract, designs, drawings, specifications, estimates, instructions, orders or these conditions or otherwise concerning the works or the execution or failure to execute the same whether arising during the progress of the work or after the cancellation, termination, completion or abandonment thereof shall be dealt with as mentioned hereinafter:

(i) If the contractor considers any work demanded of him to be outside the requirements of the contract, or disputes any drawings, record or decision given in writing by the Engineer-in-Charge on any matter in connection with or arising out of the contract or carrying out of the work, to be unacceptable, he shall promptly within 15 days request the Superintending Engineer in writing for written instruction or decision. Thereupon, the Superintending Engineer shall give his written instructions or decision within a period of one month from the receipt of the contractor's letter.

If the Superintending Engineer fails to give his instructions or decision in writing within the aforesaid period or if the contractor is dissatisfied with the instructions or decision of the Superintending Engineer, the contractor may, within 15 days of the receipt of Superintending Engineer's decision, appeal to the Chief Engineer who shall afford an opportunity to the contractor to be heard, if the latter so desires, and to offer evidence in support of his appeal. The Chief Engineer shall give his decision within 30 days of receipt of contractor's appeal.

If the contractor is dissatisfied with the decision of the Chief Engineer, the contractor may within 30 days from the receipt of the Chief Engineer decision, appeal before the Dispute Redressal Committee (DRC) along with a list of disputes with amounts claimed in respect of

each such dispute and giving reference to the rejection of his disputes by the Chief Engineer. The Dispute Redressal Committee (DRC) shall give his decision within a period of 90 days from the receipt of Contractor's appeal. The constitution of Dispute Redressal Committee (DRC) shall be as indicated in Schedule "F'.

If the Dispute Redressal Committee (DRC) fails to give his decision within the aforesaid period or any party is dissatisfied with the decision of Dispute Redressal Committee (DRC), then either party may within a period of 30 days from the receipt of the decision of Dispute Redressal Committee (DRC), give notice to the Chief Engineer for appointment of arbitrator on prescribed proforma as per Appendix XV, failing which the said decision shall be final binding and conclusive and not referable to adjudication by the arbitrator.

(ii) Except where the decision has become final, binding and conclusive in terms of Sub Para (i) above, disputes or difference shall be referred for adjudication through arbitration by a sole arbitrator appointed by the Chief Engineer, CPWD, in charge of the work or if there be no Chief Engineer, the Additional Director General of the concerned region of CPWD or if there be no Additional Director General, the Director General of Works, CPWD. If the arbitrator so appointed is unable or unwilling to act or resigns his appointment or vacates his office due to any reason whatsoever, another sole arbitrator shall be appointed in the manner aforesaid. Such person shall be entitled to proceed with the reference from the stage at which it was left by his predecessor.

It is a term of this contract that the party invoking arbitration shall give a list of disputes with amounts claimed in respect of each such dispute along with the notice for appointment of arbitrator and giving reference to the rejection by the Chief Engineer of the appeal.

It is also a term of this contract that no person, other than a person appointed by such Chief Engineer CPWD or Additional Director General or Director General, CPWD, as aforesaid, should act as arbitrator and if for any reason that is not possible, the matter shall not be referred to arbitration at all.

It is also a term of this contract that if the contractor does not make any demand for appointment of arbitrator in respect of any claims in writing as aforesaid within 120 days of receiving the intimation from the Engineer-in-charge that the final bill is ready for payment, the claim of the contractor shall be deemed to have been waived and absolutely barred and the Government shall be discharged and released of all liabilities under the contract in respect of these claims.

The arbitration shall be conducted in accordance with the provisions of the Arbitration and Conciliation Act, 1996 (26 of 1996) or any statutory modifications or re-enactment thereof and the rules made thereunder and for the time being in force shall apply to the arbitration proceeding under this clause.

It is also a term of this contract that the arbitrator shall adjudicate on only such disputes as are referred to him by the appointing authority and give separate award against each dispute and claim referred to him and in all cases where the total amount of the claims by any party exceeds Rs. 1,00,000/-, the arbitrator shall give reasons for the award.

It is also a term of the contract that if any fees are payable to the arbitrator, these shall be paid equally by both the parties.

It is also a term of the contract that the arbitrator shall be deemed to have entered on the reference on the date he

issues notice to both the parties calling them to submit their statement of claims and counter statement of claims. The venue of the arbitration shall be such place as may be fixed by the arbitrator in his sole discretion. The fees, if any, of the arbitrator shall, if required to be paid before the award is made and published, be paid half and half by each of the parties. The cost of the reference and of the award (including the fees, if any, of the arbitrator) shall be in the discretion of the arbitrator who may direct to any by whom and in what manner, such costs or any part thereof shall be paid and fix or settle the amount of costs to be so paid."

8. The fact that the aforesaid clause is applicable to the contract in question was not a matter of dispute as the same was neither denied by the respondent in reply to the notice issued by the applicant seeking appointment of Arbitrator referring to that clause nor even in the counter affidavit filed to the application. The only ground raised for rejection of the prayer of the applicant for appointment of arbitrator was Clause 16 of the agreement dated December 26, 2014 in terms whereof for specification and the quality of materials, the decision of the Board/CEO shall be final. The same reads as under:

"16. If and whenever any dispute hereinafter arise relating to the meaning of specification and the quality of materials of the work or any other matter relating to the contractor, the decision of the Board/CEO shall be conclusive, and, binding on the contractor."

9. In **Bharat Sanchar Nigam Ltd. and others Vs. Motorola India Pvt. Ltd. (2009) 2 SCC 337,** the judgment of the Kerala High Court appointing the Arbitrator was challenged before Hon'ble the Supreme Court in appeal by BSNL. While upholding the appointment of the Arbitrator by the High Court, the appeal preferred by the BSNL was dismissed.

10. In the aforesaid case, the contract between the parties was executed in respect of turn key solution of supply, installation and commissioning of Indian Mobile Communications System. Clause 16.2 of the contract provided that in case the delayed portion of the delivery materially hampers effective user of the system, liquidated damages shall be levied on the total value of concerned package of the purchase order. It further provided that the quantum of liquidated damages assessed and levied by the purchaser shall be final and not challengeable by the supplier. The said clause 16.2 reads as under:

"16.2. Should the tenderer fail to deliver the goods and services on turn key basis within the period prescribed, the purchaser shall be entitled to recover 0.5% of the value of the delayed quantity of the goods & services, for each week of delay or part thereof, for a period upto 10 weeks and thereafter at the rate of 0.7% of the value of the delayed quantity of the goods and services for each week of delay or part thereof for another 10 weeks of delay. In the present case of turn key solution of supply, installation and commissioning, where the delayed portion of the delivery and provisioning of services materially hampers effective user of the systems, Liquidated Damages charged shall be levied as above on the total value of the concerned package of the purchase order. Quantum of liquidated damages assessed and levied by the purchaser shall be final and not challengeable by the supplier."

11. The arbitration clause in the agreement provided that any question, dispute or difference arising under the agreement or in connection therewith (except as to the matters, the decision to which is specifically provided under this agreement), shall be referred to the sole arbitrator. The said clause 20.1 is reproduced hereinunder:

"20.1 In the event of any question, dispute or difference arising under this agreement or in connection there-with (except as to the matters, the decision to which is specifically provided under this agreement), the same shall be referred to the sole arbitration of the CGM, Kerala Telecom Circle, BSNL or in case his designation is changed or his office is abolished, then in such cases to the sole arbitration of the officer for the time being entrusted (whether in addition to his own duties or otherwise) with the functions of the CGM, Kerala Telecom Circle, BSNL or by whatever designation such an officer may be called (hereinafter referred to as the said officer), and if the CGM Kerala Telecom Circle or the said officer is unable or unwilling to act as such, then to the sole arbitration of some other person appointed by the CGM, Kerala Telecom Circle or the said officer. The agreement to appoint an arbitrator will be in accordance with the Arbitration and Conciliation Act, 1996.

There will be no objection to any such appointment on the ground that the arbitrator is a Government Servant or that he has to deal with the matter to which the agreement relates or that in the course of his duties as a government servant he has expressed his views on all or any of the matters in dispute. The award of the arbitrator shall be final and binding on both the parties to the agreement. In the event of such an arbitrator to whom the matter is originally referred, being transferred or vacating his office or being unable to act for any reason whatsoever, the CGM, Kerala Telecom Circle, BSNL or the said officer shall appoint another person to act as an arbitrator in accordance with the terms of the agreement and the person so appointed shall be entitled to proceed from the stage at which it was left out by his predecessors....."

12. The Supreme Court held that the clause with respect to quantification of liquidated damages being final and not amenable to judicial scrutiny is clearly in restraint of legal proceedings under Section 28 of the Indian Contract Act, 1872 (hereinafter referred to as the "Contract Act"). Accordingly, the Court held the clause to be bad in the eyes of law. Relevant para-17 is extracted below:

"38. The provision under clause 16.2 that quantification of the Liquidated Damages shall be final and cannot be challenged by the supplier Motorolla is clearly in restraint of legal proceedings under section 28 of the Indian Contracts Act. So the provision to this effect has to be held bad."

13. In **ICOMM Tele Ltd. Vs. Punjab State Water Supply Sewerage Board and others (2019) 4 SCC 401,** the Punjab State Water Supply and Sewerage Board, Bhatinda issued notice inviting tender for extension and augmentation of water supply, sewerage scheme etc. for various towns on a turn key basis. The appellant-company was awarded tender and a formal contract was executed between the parties. Clause -25 (viii) of the contract is set out as follows:

"viii. It shall be an essential term of this contract that in order to avoid frivolous claims the party invoking

arbitration shall specify the dispute based on facts and calculations stating the amount claimed under each claim and shall furnish a "deposit-at-call" for ten percent of the amount claimed, on a schedule bank in the name of the Arbitrator by his official designation who shall keep the amount in deposit till the announcement of the award. In the event of an award in favour of the claimant, the deposit shall be refunded to him in proportion to the amount awarded w.r.t the amount claimed and the balance, if any, shall be forfeited and paid to the other party."

14. The Supreme Court, while striking out the aforesaid condition holding it to be arbitrary, observed as under:

"24. Further, it is also settled law that arbitration is an important alternative dispute resolution process which is to be encouraged because of high pendency of cases in courts and cost of litigation. Any requirement as to deposit would certainly amount to a clog on this process. Also, it is easy to visualize that often a deposit of 10% of a huge claim would be even greater than court fees that may be charged for filing a suit in a civil court.

X X X X

27. Deterring a party to an arbitration from invoking this alternative dispute resolution process by a pre-deposit of 10% would discourage arbitration, contrary to the object of de-clogging the Court system, and would render the arbitral process ineffective and expensive."

15. In **Bharat Sanchar Nigam Ltd.'s (supra)**, a clause in the agreement, in terms whereof liquidated damages levied was to be final and not challengeable by the supplier, was held to be in violation of Section 28 of the Contract Act. It was also held that it would also defeat the notions laid down under the principles of natural justice wherein it has been recognized that a party cannot be a judge of its own cause ("nemo judex in causa sua'). Any decision unilaterally taken by the Board or CEO would fall in the same category. Instead of promoting the alternative dispute resolution mechanism, the respondent-Board herein became judge of his own cause.

16. In **ICOMM Tele Ltd.'s case (supra)**, even a clause in the agreement providing that before invoking the arbitration clause, a pre-deposit of ten per cent is required, was held to be arbitrary.

17. For the reasons mentioned above, in my opinion, Clause-16 of the agreement in question providing for decision of the Board/CEO on certain issues to be final is clearly violative of Section 28 of Contract Act. If that clause is taken out of the agreement executed between the parties, Clause-25 of General Conditions of Contract comes into picture.

18. In Clause 25 of General Conditions of Contract, a detailed procedure has been provided for resolution of dispute. Initially a request is to be made to the Superintending Engineer. On his failure to give decision, an appeal is maintainable to the Chief Engineer whereafter the matter can be considered by Dispute Redressal Committee. Any of the party dissatisfied with the order of Dispute Redressal Committee can give notice to the Chief Engineer for appointment of Arbitrator. The matter is required to be referred to sole Arbitrator to be appointed by Chief Engineer.

19. However, in the case in hand, the applicant, in the notice dated July 9, 2021,

while invoking the arbitration clause, has clearly stated therein absence of the aforesaid authorities and the Dispute Redressal Committee in the respondent-Department. This fact having not been controverted by the respondent, in my view, the applicant has rightly invoked the arbitration clause directly seeking appointment of Arbitrator for resolution of dispute between the parties.

20. Now I come to the aspect regarding appointment of Arbitrator by Chief Engineer, as provided under Clause 25, or any other authority of the respondent. The Supreme Court in **Perkins Eastman Architects DPC and another Vs. HSCC (India) Limited AIR 2020 SC 59**, considering the issue as to whether an ineligible persons can nominate an arbitrator, quoted the following from **TRF Ltd. vs. Energo Engineering Projects Ltd (2017) 8 SCC 377:**

"By our analysis, we are obligated to arrive at the conclusion that once the arbitrator has become ineligible by operation of law, he cannot nominate another as an arbitrator. The arbitrator becomes ineligible as per prescription contained in Section 12(5) of the Act."

21. Referring to and relying on the above authority on the issue in **TRF Ltd.' case (supra)** The Court in **Perkins Eastman Architects' case (supra)** held:

"But, in our view that has to be the logical deduction from TRF Limited (2017) 8 SCC 377. Paragraph 50 of the decision shows that this Court was concerned with the issue, "whether the Managing Director, after becoming ineligible by operation of law, is he still eligible to nominate an Arbitrator" The ineligibility referred to therein, was as a result of operation of law, in that a person having an interest in the dispute or in the outcome or decision thereof, must not only be ineligible to act as an arbitrator but must also not be eligible to appoint anyone else as an arbitrator and that such person cannot and should not have any role in charting out any course to the dispute resolution by having the power to appoint an arbitrator. The next sentences in the paragraph, further show that cases where both the parties could nominate respective arbitrators of their choice were found to be completely a different situation. The reason is clear that whatever advantage a party may derive by nominating an arbitrator of its choice would get counter balanced by equal power with the other party. But, in a case where only one party has a right to appoint a sole arbitrator, its choice will always have an element of exclusivity in determining or charting the course for dispute resolution. Naturally, the person who has an interest in the outcome or decision of the dispute must not have the power to appoint a sole arbitrator."

(emphasis supplied)

22. In order to examine the application of the above exposition of law to the case in hand, it would be appropriate to go through the relevant provision of the Act.

23. Section 12(5) of the Act is quoted below:

"12.(5) Notwithstanding any prior agreement to the contrary, any person whose relationship, with the parties or counsel or the subject-matter of the dispute, falls under any of the categories specified in the Seventh Schedule shall be ineligible to be appointed as an arbitrator:

Provided that parties may, subsequent to disputes having arisen between them, waive the applicability of this sub-section by an express agreement in writing."

24. The Seventh Schedule of the Act is quoted below:

"Arbitrator's relationship with the parties or counsel

1. The arbitrator is an employee, consultant, advisor or has any other past or present business relationship with a party.

X X X X

5. The arbitrator is a manager, director or part of the management, or has a similar controlling influence, in an affiliate of one of the parties if the affiliate is directly involved in the matters in dispute in the arbitration.

X X X X

12. The arbitrator is a manager, director or part of the management, or has a similar controlling influence in one of the parties."

25. In the case in hand, Clause 25(ii) of the General Conditions of Contract providing for appointment of an Arbitrator Chief Engineer, CPWD, in charge of the work or if there be no Chief Engineer, the Additional Director General of the concerned region of CPWD or if there be no Additional Director General, the Director General of Works is clearly in the teeth of Section 12(5) of the Act, as I am clearly of the view that the above authorities, falling under category-1 of the Seventh Schedule of the Act and thereby being ineligible to be appointed as Arbitrator, are also ineligible to nominate an Arbitrator for resolution of dispute between the parties.

26. Therefore, in my considered view, Sub-clause (ii) of Clause 25 of General Conditions of Contract, to the extent it provides for appointment of an Arbitrator by the Chief Engineer, or Additional Director General or Director General is liable to skipped. If the aforesaid provision, to the above extent, is taken out of the general conditions of contract, in my view, the Arbitrator for resolution of dispute between the parties needs to be appointed by this Court.

27. Accordingly, this Court appoints Hon'ble Mr. Justice Arun Tandon, a retired Judge of this Court as Arbitrator, subject to His Lordship's consent in terms of provisions contained in Section 11(8) read with Section 12(1) of the Act by sending a request letter to him. His Lordship's address is 3, Patrika Marg, Civil Lines, Allahabad, mobile number is 9415214462 and e-mail is "tandonarun30@gmail.com".

28. The matter is referred to the Arbitrator for resolution of the dispute between the parties. The Arbitrator shall be paid fees as per the schedule attached to the Act.

29. The present application is disposed of.

30. In case, the Arbitrator recuses, the matter shall be listed before the Court itself for further orders.

2. St. of Haryana & ors.. Vs Bhajan Lal & ors. (2006) 6 SCC 736

3. St. of Karnataka Vs L. Muniswamy & ors. (1977) 2 SCC 699

4. Anand Kumar Mohatta & anr. Vs St. (NCT of Delhi), Deptt. of Home & anr. (2019) 11 SCC 706

(Delivered by Hon'ble Suneet Kumar, J.)

1. Heard Sri Anurag Khanna, learned Senior Advocate, assisted by Sri Kartikeya Saran and Ms. Suchita Mehrotra, learned counsels appearing for the petitioner and Mrs. Manju Thakur, learned A.G.A. for the State.

2. By the instant writ petition, petitioner is seeking quashing of the First Information Report1 dated 26 January 2019, bearing Case Crime No. 0208 under Sections 406, 420, 467, 468, 471, 474 and 474-A IPC, registered at Police Station Kavi Nagar, District Ghaziabad.

3. Petitioner is a Company incorporated under the Companies Act, 19562, having its registered office at Bengaluru (hereinafter referred to as "Company").

4. The fourth respondent, claims to be a practising lawyer at Ghaziabad, filed an application under Section 156(3) Code of Criminal Procedure, 19733 on which the learned Magistrate vide order dated 14 January 2019, directed the concerned police station to register a case in terms of the application and investigate into it, wherein, it is alleged that complainant regularly purchases products from the sellers on the website of the petitioner-Company knowing to be of quality goods provided by the Company. The fourth respondent on 12 October 2018, placed an order for purchase of a Laptop being H.P. 15 A.P.U., Dual Core, A-6 (4GB/I TB HDD/Windows 10 Home) 15" B.W. Model, accordingly, made payment at Rs. 17,990/- through online payment for the product. The booking ID generated for the said purchase being OD 113621553490664000.

5. Grievance of the fourth respondent is that the Laptop delivered on 22 October 2018, was having processor of brand

"A.M.D' instead of brand "Intel', thus, according to the fourth respondent, delivery of the product was not as per the specifications for which order was placed. Aggrieved, complainant-fourth respondent registered a complaint with the petitioner-Company regarding the alleged discrepancy of the product.

6. The complaint was taken up by the Company as per their Dispute Redressal Policy, with the Seller i.e. Tech Connect Retail Private Limited, but Seller declined to replace or refund the consideration of the product, stating that the product was dispatched as per specifications purchased by the fourth respondent.

7. Thereafter, fourth respondent lodged a criminal complaint against the petitioner-Company directly with the Senior Superintendent of Police, Ghaziabad. It appears that nothing was done on the complaint, accordingly, fourth respondent filed an application under Section 156(3), Cr.P.C. before the Chief Judicial Magistrate, Ghaziabad, being Application No. 6474 of 2018. On the said complaint the Magistrate passed an order dated 14 January 2019, in terms of the application directing the concerned police station to register a case for the offence disclosed in the application.

8. In the impugned F.I.R. the fourth respondent reiterated that he is a long time user of the Company's website and had placed order on down payment for the purchase of H.P. Laptop from the market place Seller (petitioner-Company). It is alleged that the product received by the fourth respondent was not as per the specification for which the order was placed. The matter was raised by a complaint with the petitioner-Company, but, the Seller declined to replace the product and refund the consideration stating that the product is as per the specifications for which the order was placed. It is further alleged that the product delivered to the fourth respondent was having brand "A.M.D.' processor as against brand "Intel' for which order was placed as per the specification of the product displayed by the Seller on the Company's website on the date of purchase.

9. The petitioner-Company has raised challenge to the impugned F.I.R. seeking its quashing, *inter alia*, on the ground that petitioner-Company is an e-commerce Marketplace/Platform that provides access to Buyers and Sellers through their website www.flipkart.com. Buyers and Sellers meet and interact to execute purchase and sale transaction, subject to terms and condition as set out in the Buyers/Sellers Terms of Use (Flipkart Terms of Use). The relevant conditions of the Terms of Use, *inter alia*, includes:

a. The website of the petitioner-Company is a platform that users, i.e. buyers, and/or, sellers, utilize to meet and interact with one another for their transactions. As such, the Company merely provides a platform for the transactions of its users and petitioner-Company is not a party to or in control of any such transaction between its users.

b. All commercial/contractual terms (including the price, shipping costs, payment methods, payment terms, date, period and mode of delivery, warranties related to products and services and after sales services related to the products and services are offered by and agreed to between the Buyers and Sellers alone, as such, the petitioner-Company does not have any control or does not determine or

advise or in any way involve itself in the offering or acceptance of such commercial/contractual terms between the Buyers and Sellers.

c. All discounts and offers on the website are provided by the sellers/brands and not by the petitioner-Company.

d. The petitioner-Company does not make any representation or warranty as to specifics of the products or services (such as quality, value, salability) proposed to be sold or offered to be sold or purchased on the website, as such, the petitioner-Company does not explicitly or even impliedly support or endorse the sale or purchase of any products or services on the website.

e. The website is only a platform that can be utilized by users to reach a larger base to buy and sell products or services and the petitioner-Company is only providing a platform for communication; the actual contract for sale of any of the products or services is strictly between the Seller and the Buyer of such product.

f. The product offered for sale and the related content including the product description, prices, images, texts, graphics, user interfaces, visual interfaces, photographs, trademarks, logos, sounds, music and artwork on the website of the petitioner is a third party user generated content and the petitioner-Company has no control over such third party user generated content. Therefore, the website of the petitioner-Company operates as a neutral e-commerce platform which serves as a mere conduit for Buyers and Sellers to conduct their business.

10. In this backdrop, it is submitted by the learned counsel for the petitioner-Company that in terms of functionality, the petitioner-Company is an "intermediary' as defined under Section 2(1)(w) of The Information Technology Act, 20004 providing an online platform. The transactions between the Buyers and Sellers on the platform are completely independent. No criminal offence whatsoever is made out against the petitioner-Company, the fourth respondent being an aware citizen was fully aware of the marketplace model and had voluntarily signed the Buyers Terms of Use; the fourth respondent has ex-facie made contradictory averments that the Laptop was purchased from the petitioner-Company and that petitioner-Company hatched a criminal conspiracy with the marketplace Seller. It is further submitted that expressions like "conspiracy', "cheating' and "forgery' has been employed in the impugned F.I.R. but the ingredients thereof has not been asserted or detailed in the impugned F.I.R. It is further submitted that the impugned F.I.R. has been lodged maliciously to extract money from the petitioner-Company and to damage its goodwill, reputation and customer base. The Company claims protection under Section 79 of the I.T. Act, 2000. In this backdrop, it is submitted that the F.I.R. be quashed.

11. Learned State Counsel on specific query submits that the State does not intend to file counter affidavit to the writ petition. As per their instructions police report (closure) under Section 173(2) of Cr.P.C. has been filed by the Investigating Officer, hence, it is submitted that nothing remains for the State to submit.

12. Learned counsel for the fourth respondent despite putting in appearance has not filed counter affidavit to the averments made in the writ petition.

13. The petitioner-Company is governed by the provisions of the I.T. Act, 2000, petitioner-Company is an

"intermediary' and the role being that of a facilitator or a conduit. It is an e-commerce platform where Sellers and Buyers can interact and select and purchase products and items offered by the seller. The facts, inter se, parties are not in dispute that petitioner-Company is an e-commerce intermediary where the platform does not take title to the goods being sold on their marketplace platform. Intermediary stands on a different footing being only facilitator of exchange of information or sales under the I.T. Act, 2000. Intermediaries are not liable for the goods put up for sale by the Seller on the platform. Such e-commerce networks are exempted from liability under the I.T. Act, 2000, Rules or Regulations made thereunder concerning any third party. As per the impugned F.I.R. the date of alleged offence is 22 October 2018 i.e. on the date when the defective laptop purchased by the fourth respondent was received.

14. "Intermediary" is defined under Section 2(1)(w) of the I.T. Act, 2000, which reads as follows:

2(1)(w) —intermediary, with respect to any particular electronic records, means any person who on behalf of another person receives, stores or transmits that record or provides any service with respect to that record and includes telecom service providers, network service providers, internet service providers, web-hosting service providers, search engines, online payment sites, online- auction sites, online-market places and cyber cafes.

15. In other words, the obligation of the intermediary is to observe due diligence and follow the guidelines that may be prescribed by the Government in this behalf. Therefore, reference will have to be made to the Information Technology (Intermediaries Guidelines) Rules, 20115. The I.T. Guidelines was enacted under Section 87 of I.T. Act, 2000, and came to force in 2011. What is due diligence to be observed by the intermediary has been provided under Rule 3(1), which, *inter alia*, reads as follows:

3. Due diligence to be observed by intermediary -- The intermediary shall observe following due diligence while discharging his duties, namely: --

(1) The intermediary shall publish the rules and regulations, privacy policy and user agreement for access-or usage of the intermediary's computer resource by any person.

(2) xxx xxx xxx

(d) infringes any patent, trademark, copyright or other proprietary rights;

(e) to (i) xxx xxx (3) The intermediary shall not knowingly host or publish any information or shall not initiate the transmission, select the receiver of transmission, and select or modify the information contained in the transmission as specified in sub-rule (2):

provided that the following actions by an intermediary shall not amount to hosing, publishing, editing or storing of any such information as specified in sub-rule: (2) --

(a) xxx xxx

(b) removal of access to any information, data or communication link by an intermediary after such information, data or communication link comes to the actual knowledge of a person authorised by the intermediary pursuant to any order or direction as per the provisions of the Act;

(4) The intermediary, on whose computer system information is stored or hosted or published, upon obtaining

knowledge by itself or been brought to actual knowledge by an affected person in writing or through email signed with electronic signature about any such information as mentioned in sub-rule (2) above, shall act within thirty six hours and where applicable, work with user or owner of such information to disable such information that is in contravention of sub-rule (2). Further the intermediary shall preserve such information and associated records for at least ninety days for investigation purposes;

(5) The Intermediary shall inform its users that in case of non-compliance with rules and regulations, user agreement and privacy policy for access or usage of intermediary computer resource, the Intermediary has the right to immediately terminate the access or usage lights of the users to the computer resource of Intermediary and remove non-compliant information.

(6) to (11) xxx xxx xxx‖

16. I.T. Guidelines Rules, 2011, has since been superseded by the Information Technology (Intermediaries Guidelines and Digital Media Ethics Code) Rules, 2021. The subsequent Guidelines does not apply to the facts of the instant case, having regard to the fact that the offence is alleged to have been committed on 22 October 2018 i.e. the date of purchase of the defective product.

17. Intermediary is obliged to publish the Guidelines, Rules, Regulations, Privacy Policy, and User/Buyer Agreement. However, non-compliance of these Guidelines/Rules have not been declared to be an offence under the I.T. Act, 2000. Chapter-XII of I.T. Act, 2000, provides for Offences, Penalties and Procedures.

18. The present matter relates to criminal liability and petitioner-Company claims protection under Section 79, further, it is submitted on behalf of petitioner-Company that the ingredients of the offence, taking the allegations on face value as alleged in the impugned FIR is not made out.

19. Section 79 of I.T. Act, 2000, as it earlier stood, came to be amended by the Information Technology (Amendment Act 2008), it came into force on 27 October 2009. In the given facts the amended Section 79 would be applicable and not the provisions as it stood prior to the date of amendment. Section 79 as it stands after amendment reads thus:

"79 Exemption from liability of intermediary in certain cases:

(1) Notwithstanding anything contained in any law for the time being in force but subject to the provisions of sub-sections (2) and (3), an intermediary shall not be liable for any third party information, data, or communication link hosted by him.

(2) The provisions of sub-section (1) shall apply if-

(a) the function of the intermediary is limited to providing access to a communication system over which information made available by third parties is transmitted or temporarily stored; or

(b) the intermediary does not-

(i) initiate the transmission,

(ii) select the receiver of the transmission, and

(iii) select or modify the information contained in the transmission

(c) the intermediary observes due diligence while discharging his duties under this Act and also observes such other guidelines as the Central Government may

prescribe in this behalf (Inserted Vide ITAA 2008)

(3) The provisions of sub-section (1) shall not apply if-

(a) the intermediary has conspired or abetted or aided or induced whether by threats or promise or otherwise in the commission of the unlawful act (ITAA 2008)

(b) upon receiving actual knowledge, or on being notified by the appropriate Government or its agency that any information, data or communication link residing in or connected to a computer resource controlled by the intermediary is being used to commit the unlawful act, the intermediary fails to expeditiously remove or disable access to that material on that resource without vitiating the evidence in any manner.

Explanation:- For the purpose of this section, the expression "third party information" means any information dealt with by an intermediary in his capacity as an intermediary."

20. Section 79 accordingly is a safe harbour provision. Internet intermediaries give access to host, disseminate and index content, products and services originated by third parties on the internet which include e-commerce intermediaries where the platforms do not take title of the goods being sold. Examples of such intermediaries include Amazon India, Myntra, AJIO etc.

21. The I.T. Act, 2000, has an overriding effect. Section 81 of I.T. Act, 2000, is extracted:

"81. Act to have overriding effect: The provisions of this Act shall have effect notwithstanding anything inconsistent therewith contained in any other law for the time being in force."

22. Intermediaries stand on a different footing being only facilitator of the exchange of information or sales. Prior to the amendment the exemption provision under Section 79 did not exist, therefore, an intermediary would have been liable for any third party information or data made available by it. The 2008 amendment introduced Chapter XII to the I.T. Act, 2000. The amendment purportedly was in the backdrop of the decision of the Delhi High Court rendered in **Avnish Bajaj vs. State (NCT of Delhi).** After the amendment, intermediary is not liable under any Act if it satisfied certain requirements as detailed in Section 79 of I.T. Act, 2000.

23. Petitioner-Company does not follow inventory based model of e-commerce, where inventory of goods and services is owned by e-commerce entity and is sold to the consumers directly. Petitioner-Company claims, it is an intermediary between Buyer and Seller within the meaning of Section 2(1)(w) of the I.T. Act, 2000 and does not control the transaction between the two parties. It only acts as a neutral platform to allow sellers to interact with the buyers/customers, without exercising ownership over any goods or indulging in the manufacture or dealing of any goods. Petitioner-Company claims, it only receives and stores the information on behalf of the seller/ buyer and acts as a facilitator/ intermediary.

24. The question is as to whether an intermediary as defined under Section 2(1)(w) of the I.T. Act, 2000, would be liable for any action or inaction by a party or a vendor/seller making use of the

facilities provided by the intermediary in terms of Buyers/Sellers Terms of Use of the Company.

25. It is stated that petitioner-Company has established a marketplace on the World Wide Web, more popularly known as the internet, enabling a Seller to upload, sell or even 'offer for sale' any product on the Company platform. For this purpose, a Seller has to create an account with the Company and contractually agree to Company's Buyers/Seller Terms of Use, Policies, Seller Agreement, which contains the basic terms and conditions of selling products over Company marketplace which every Seller/Buyer has to agree with.

26. Company being an intermediary cannot be disputed, it comes with the meaning and definition of "intermediary' under Section 2(1)(w) of the I.T. Act, 2000, as amended by the Information Technology (Amendment) Act, 2008. Company would be entitled to the exemption from liability in terms of Section 79 I.T. Act, 2000, read with Section 81, if the requirements thereof are met.

27. Company admittedly is not the Seller, it is the Sellers registered with Company who are the sellers of products and services on its platform, it is the Sellers who are solely responsible to the purchaser/customer.

28. The Seller Agreement as per Terms of Use, details out the terms and conditions relevant to the transaction, which has been brought on record. (Flipkart Terms of Use)

29. It cannot be expected that the provider or enabler of the online marketplace is aware of all the products sold on its Website/marketplace. It is only required that such provider or enabler put in place a robust system to inform all Sellers on its platform of their responsibilities and obligations under applicable laws in order to discharge its role and obligation as an intermediary. If the same is violated by the Seller of goods or service such Seller can be proceeded against but not the intermediary.

30. The manner in which the documents (Buyer/Seller Terms of Use) have been executed, contents thereof, as also the obligation of the parties stated therein establishes the due diligence exercised by the petitioner-Company, to be in accordance with and compliance of Section 79(2)(c) of the I.T. Act, 2000, read in conjunction with the Information Technology (Intermediaries Guidelines) Rules, 2011, in ensuring that Vendors/Sellers who register on its Website conduct themselves in accordance with and in compliance with the applicable laws.

31. The Consumer Protection (E-Commerce) Rules, 2020, makes a distinction between marketplace e-commerce websites and inventory e-commerce websites. As such the petitioner-Company would come within the meaning of a marketplace e-commerce website, thereby, affording the above exemption to the Company so long as the requirements under Section 79 are followed by the petitioner-Company.

32. In the present case, as detailed above, petitioner-Company has complied with the requirements of sub-sections (2) and (3) of Section 79, as well as, the Information Technology (Intermediaries Guidelines) Rules, 2011.

33. In our considered opinion Company has exercised 'due diligence' under Section 79(2)(c) of the Information

Technology Act, 2000, read in conjunction with the Information Technology (Intermediaries Guidelines) Rules, 2011.

34. The petitioner-Company is exempted from any liability under Section 79 of the I.T. Act, 2000, no violation can ever be attributed or made out against the directors or officers of the intermediary, as the same would be only vicarious, and such proceedings as initiated against them would be unjust and bad in law.

35. The only liability of an intermediary under Section 79(3)(b) of the I.T. Act, 2000, is to take down third-party content upon receipt of either a court order or a notice by an appropriate government authority and not otherwise. As per complaint filed by the complainant indicates that the petitioner-Company, raised the grievance of the complainant with the Seller.

36. In terms of Section 79 of the I.T. Act, 2000, there does not appear to be any distinction between passive and active intermediaries in so far as the availability of the safe harbour provisions are concerned. An intermediary is not liable for any third-party (Seller) information, data or communication link made available or posted by it, as long as it complies with Sections 79(2) or (3) of the I.T. Act, 2000. The exemption under Section 79(1) from liability applies when the intermediaries fulfil the criteria laid down in either Section 79(2)(a) or Section 79(2)(b), and Section 79(2)(c). Where the intermediary merely provides access, it has to comply with Section 79(2)(a), whereas, in instances where it provides services in addition to access, it has to comply with Section 79(2)(b). The case of petitioner-Company is that they fulfil these conditions to qualify as intermediaries. The factum that the petitioner-Company is an intermediary providing merely access to Sellers/Buyers is not under challenge nor disputed. The ingredients of the offence under Section 406, 467, 468, 471, 474 and 474-A IPC, in sofar, it relates to the petitioner-Company is not made out taking the allegations made in the impugned FIR on face value.

37. In State of **Haryana and Ors. v. Bhajan Lal and Ors.,** Supreme Court has set out the categories of cases in which the inherent power can be exercised. Para 102 of the judgment reads as follows: -

"102. In the backdrop of the interpretation of the various relevant provisions of the Code under Chapter XIV and of the principles of law enunciated by this Court in a series of decisions relating to the exercise of the extraordinary power under Article 226 or the inherent powers under Section 482 of the Code which we have extracted and reproduced above, we give the following categories of cases by way of illustration wherein such power could be exercised either to prevent abuse of the process of any court or otherwise to secure the ends of justice, though it may not be possible to lay down any precise, clearly defined and sufficiently channelised and inflexible guidelines or rigid formulae and to give an exhaustive list of myriad kinds of cases wherein such power should be exercised.

(1) Where the allegations made in the first information report or the complaint, even if they are taken at their face value and accepted in their entirety do not prima facie constitute any offence or make out a case against the accused.

(2) .....

(3) .....

(4) .....

(5) .....

(6) Where there is an express legal bar engrafted in any of the provisions of the Code or the concerned Act (under which a criminal proceeding is instituted) to the institution and continuance of the proceedings and/or where there is a specific provision in the Code or the concerned Act, providing efficacious redress for the grievance of the aggrieved party.

(7) Where a criminal proceeding is manifestly attended with mala fide and/or where the proceeding is maliciously instituted with an ulterior motive for wreaking vengeance on the accused and with a view to spite him due to private and personal grudge."

38. Earlier the Supreme Court in **State of Karnataka v. L. Muniswamy and others** held as follows: -

"7. .....In the exercise of this wholesome power, the High Court is entitled to quash a proceeding if it comes to the conclusion that allowing the proceeding to continue would be an abuse of the process of the Court or that the ends of justice require that the proceeding ought to be quashed. The saving of the High Court's inherent powers, both in civil and criminal matters, is designed to achieve a salutary public purpose which is that a court proceeding ought not to be permitted to degenerate into a weapon of harassment or persecution. In a criminal case, the veiled object behind a lame prosecution, the very nature of the material on which the structure of the prosecution rests and the like would justify the High Court in quashing the proceeding in the interest of justice....."

(Principle reiterated in **Anand Kumar Mohatta and another vs. State (NCT of Delhi), Department of Home and another.)**

39. Having regard to the law enunciated herein above and the facts and circumstances of the case, the writ petition is liable to succeed. Accordingly, the writ petition stands allowed. The impugned FIR and the consequent police report is set aside and quashed.

THE HON'BLE SUNEET KUMAR, J.
THE HON'BLE SYED WAIZ MIAN, J.

Criminal Misc. Writ Petition No. 14672 of 2020

Devend Kumar @ Devendra Kumar ...Petitioner

Versus

State of U.P. & Ors. ...Respondents

Counsel for the Petitioner:
Sri Pavan Kumar Mishra

Counsel for the Respondents:
A.G.A.

A. Criminal Law - Constitution of India, 1950-Article 226- UP Police Regulation – Rule 231 - Quashing of history-sheet-Petitioner categorically pleaded that he has been acquitted in one matter and discharged in other case too-Continuing the history-sheet of the petitioner in view of Regulation 231 of the Police Regulations, has not been justified by the State as the petitioner has not indulged in any repetitive criminal activity-No other case has been lodged after 2007-the approach in not reviewing the history-sheet of the petitioner by stating that petitioner is 'of criminal mind' clearly shows the highhandedness of the state respondents-Hence, the history sheet is quashed.(Para 1 to 9)

The writ petition is allowed. (E-6)

List of Cases cited:

1. Sanjay Karnwal Vs St. of U.P. & ors. (2010) 70 ACC 507

2. Guru Bux Singh Bakshi Vs St. of U.P. (1994) LAWS(ALL) 185

(Delivered by Hon'ble Suneet Kumar, J.
&
Hon'ble Syed Waiz Mian, J.)

1. Heard learned counsel for the petitioner and Sri Ratnendu Kumar Singh, learned A. G. A. for the State.

2. The petitioner claims to be working as Estate Manager in Modi Pon Limited Hapur Road, Modi Nagar, Ghaziabad; by means of the present writ petition he is seeking quashing of the history-sheet 31A, dated 20.8.2007, Police Station-Modi Nagar, district-Ghaziabad.

3. The petitioner has categorically pleaded that in Case Crime No. 527 of 2007, under Sections-147, 323, 342, 452, 448, 427 and 511 I. P. C., Police Station-Modi Nagar, district-Ghaziabad he has been acquitted by the court concerned vide judgement and order dated 4.9.2009. The certified copy of the order has been placed on record. In Case Crime No. 126 of 1986, under Sections-147, 148, 323, 324 and 307 I. P. C., Police Station-Bhojpur, district-Ghaziabad petitioner, after investigation came to be discharged, and police report was not filed against him.

4. In this backdrop, it is submitted that the history-sheet no. 31 A opened on 20.8.2007, has not been reviewed in view of the provisions of Regulation 231 of U. P. Police Regulations, which reads as under:

"(231) The subjects of history sheets of class A will unless they are "starred' remain under surveillance for at least two consecutive year of which they have spent no part in jail. When the subject of a history sheet of class A whose name has not been "starred' who has never been convicted of cognizable offence and has not been in jail or suspected of any offence or absented himself in suspicious circumstances for two consecutive years his surveillance will be discontinued, unless for special reasons to be recorded in the inspection book of the police station the Superintendent decides that it should continue.

When the subject of a history sheet of class A is "starred' he will remain starred for at least consecutive years during which he has not been in jail or been suspected of a cognizable offence or had any suspicious absence recorded against him. At the end of that period, if he is believed to have reformed he will cease to be "starred' but will remain subject to surveillance will be discontinued only if during that period no complaints have been recorded against him.

In closing the history sheets of any "unstarring' ex-convicts and especially ex-convicts dacoits great care should be exercised."

5. From the above, it is apparent that surveillance in respect of a person whose history sheet of Class-A has been opened, is to be continued for two consecutive years subject to his not having been in jail for any part of said two years. It is also clear from above that history sheet beyond two years cannot continue except by a special order or unless he has been found to have been convicted in any cognizable offence and has been in jail or was suspected for any offence or absented himself in suspicious

circumstances during said two consecutive years.

6. In the counter affidavit filed on behalf of the State the averments made in the writ petition have not been denied. In para 7 of the counter affidavit it is stated that since the petitioner is a criminal minded man, he may again indulge in criminal activity, therefore, history-sheet has not been reviewed. Relevant part of para 7 of the counter affidavit is extracted below:

" ..... It is further submitted that the petitioner is man of criminal mind and he may again indulge in criminal activities. All the averments to the contrary made in paragraphs under reply are wrong and denied. Photocopies of the D. C. R. C. and C. C. T. N. S. reports of the petitioner is being filed herewith and marked as Annexure No. CA 1 to this affidavit."

7. Further the case of the petitioner is that the record relating to the petitioner for review of the continuance of the history-sheet was not placed before the competent authority.

8. In view of the decisions rendered by the Division Bench of this Court in *Sanjay Karnwal Vs. State of U.P. and others, [2010 (70) ACC 507] and Guru Bux Singh Bakshi Vs. State of Uttar Pradesh, LAWS(ALL) 1994 1 85,* we hold that continuing the history-sheet of the petitioner of Class-A in view of Regulation 231 of the Police Regulations, has not been justified by the State as the petitioner thereafter has not indulged in any repetitive criminal activity. No other case has been lodged or reported against the petitioner after 2007.

9. The approach in not reviewing the history-sheet of the petitioner by stating that petitioner is 'of criminal mind' clearly shows the highhandedness of the State respondents. They have given go by to the statutory Regulations.

10. Having regard to the facts and circumstances of the case, the writ petition is allowed and history-sheet No. 31A, dated 20.8.2007 opened at Police Station-Modinagar, district-Ghaziabad is quashed.

11. The approach of the State has been casual. Further, there is dereliction of the duty on the part of the Superintendent of Police, Ghaizabad, for not reviewing the history-sheet even when no criminal case is pending against the petitioner since the year, 2007 and not following the mandate of the U. P. Police Regulations. Second respondent is saddled with a cost at Rs. 20,000/- to be deposited with the High Court Legal Services Committee, Allahabad, within eight weeks from the date of order.

12. Learned A. G. A. to communicate the order and ensure compliance.

G.A., A.P. Mishra

A. Criminal Law - Criminal Procedure Code, 1973-Section 397/401 - Indian Penal Code, 1860 - Sections 147, 148, & 302/149-Challenge to-acquittal- delay in FIR-PW-1/ informant has only named four accused and two unknown persons while the two unknown persons were known to the informant-PW-2 stated that her house is away from the place of occurrence and she is more than 100 years old lady she hardly move 2 -3 steps and her house is not shown in the site plan-Both PW-1 and PW-2 has not witnessed the incident, their presence on the place of occurrence is doubtful-Hence, no conviction can be recorded on the basis of ocular testimony-In the present case revision preferred against the acquittal-revision court cannot convert acquittal to conviction in view of Section 401(3) Cr.P.C.-The judgment of the court below is based on right appreciation of evidence.(Para 1 to 27)

B. It is settled principles of law that if two views of possible, one favoring to the prosecution and other favoring to the accused, the view favoring to the accused should be adopted. The paramount consideration of the court is to ensure that miscarriage of justice is prevented. A miscarriage of justice which may arise from acquittal of the guilty is no less than from the conviction of an innocent. (Para 19,20)

The revision is dismissed. (E-6)

List of Cases cited:

1. Shyam Deo Pandey Vs St. of Bih. (1971) AIR SC 1606

2. Mool Chand Vs Jagdish Singh & ors. (1993) Supp(2) SCC 714

(Delivered by Hon'ble Mohd. Aslam, J.)

1. Heard Sri Sanjay Srivastava, learned A.G.A. for the State-opposite party no.1, Sri A.P. Misra, learned counsel for the accused-opposite party nos.2 to 6 and perused the record. None present for the informant-revisionist.

2. The instant revision has been preferred by informant-revisionist Surendra Kumar Chaturvedi under Section 397 read with Section 401 Cr.P.C. against the impugned judgement and order dated 26.5.2008 passed by learned Sessions Judge, Sultanpur in Sessions Trial No.218 off 1996 (State Vs. Triveni Singh and others), arising out of Crime No.63 of 1994, under Sections 147, 148, 302/149 I.P.C., P.S. Jamo, District Sultanpur, by which the accused-opposite party nos.3 to 6 were acquitted from the charges of offence punishable under Sections 147, 302/149 I.P.C. as well as accused-opposite party no.2 was acquitted from the charges of offence punishable under Sections 148, 302/149 I.P.C.

3. The brief facts necessary for disposal of this revision is that the informant-revisionist Surendra Kumar Chaturvedi son of Prayag Prasad, resident of village Pure Ganesh Chaube lodged a first information report at Police Station Jamo, District Sultanpur on 18.8.1994 at 14:30 p.m. on the basis of application addressed to Superintendent of Police, Sultanpur dated 18.3.1994, which is Ex.Ka-1 alleging therein that his brother Shashi Bhal Chaturvedi (deceased) and Vidya Shankar Shukl (not examined) had gone to see his maternal grandmother on 17.3.1994 at around 07:00 p.m. They were coming back to their home from there in the night at about 10:00 p.m. and on the way at about 20 paces from the house of his maternal grandmother, the accused Triveni Singh armed with lathi and

ballam, Ram Sahay, Virender Singh and two other unknown persons, to whom he can recognise on seeing them, armed with lathi were sitting in ambush. They have enmity with him because of election of co-operative. They attacked on his brother with deadly weapon and assaulted upon him with lathi and spade. His brother's condition became very critical. In order to save the life of his brother, he sent the information to the police station regarding the incident and got him admitted directly to the hospital at Musafirkhana. The condition of his brother was still very bad and he was referred to Sadar Hospital, Sultanpur. He was fighting for life and not yet regained consciousness. The informant-revisionist raised alarm at the place of occurrence, thereupon, Vidya Shankar Shukl and other villagers arrived there and seen the occurrence. The accused persons ran away thinking that his brother was dead.

4. The chik report Ex.Ka-9 was scribed by Head Constable Bhanu Pratap Singh (PW-6) on 18.3.1994. Constable Virendra Bahadur by making entry in GD Report No.24 (Ex.Ka-11) on 18.3.1994 at 14:30 p.m. registered the Case Crime No.Nil/1994, under Sections 147, 148, 323, 324, 308 I.P.C. at Police Station Jamo, District Sultanpur. Injured Shashi Bhal was medically examined by Dr. R.P. Pandey (PW-4) at Musafirkhana on 18.3.1994 at 02:30 a.m. (night). At the time of medical examination of injured Shashi Bhal, his age was found 49 years and the following injuries were found on his body:-

"1. Incised wound 6 cm x 0.5 cm x bone deep on left side of the skull, 7 cm above left ear. Advised x-ray of skull A/P

2. Incised wound 6 cm x 1 cm x bone deep on front of forehead left side above left eyebrow. Advised x-ray of skull.

3. Lacerated wound 4 cm x 0.5 cm x bone deep on forehead, 3 cm above right eye.

4. Lacerated wound 1 cm x 0.5 cm x bone deep on forehead above eyebrow.

5. Lacerated wound 3 cm x 0.5 cm x bone deep, 2 cm above right eye.

6. Lacerated wound 1 cm x 0.5 cm x muscle deep on right lip.

7. Contusion 7 cm x 2 cm on posterior side of hand.

8. Traumatic swelling 7 cm x 5 cm on the posterior side of the left hand.

9. Lacerated wound 1 cm x 0.5 cm x bone deep on right side of chest.

10. Lacerated wound 1.5 cm x 0.5 cm x bone deep on left foot.

11. Abraded contusion 2 cm x 1 cm on front of right foot.

12. Lacerated wound 1 cm x 0.3 cm skin deep on right ear.

Dr. R.P. Pandey (PW-4) advised x-ray for injury nos.1 to 5 and 8. He opined that injury nos.1 and 2 were caused by sharp edged weapon and rest by blunt object. The injuries were found fresh at the time of medical examination. The injured was semiconscious stage and was vomiting. He referred the injured to the district hospital. He prepared injury report Ex.Ka-4 in his own handwriting."

5. The investigation of the case was entrusted to SI R.N. Mishra. On 20.3.1994, a memo was received from KGMC at 07:20 p.m. at Police Station Jamo regarding death of Shashi Bhal Chaturvedi, which was entered in G.D. Report No.4 at 07:20 p.m. SI Naamwar Singh (PW-5) at that time was posted at Outpost Yahiaganj, Police Station Chowk, Lucknow. On obtaining copy of GD Report No.4 and memo of death of the deceased, he proceeded to mortuary KGMC, Lucknow. Constable Kunwar Naresh Singh

of outpost KGMC, who was assigned for post-mortem duty, met him at mortuary. Shravan Kumar Pathak, Surendra Kumar Chaturvedi, Gaya Prasad Chaturvedi, Hanuman Dutta and Bhagwan Dutta Tripathi were appointed as witness of the inquest. The witnesses of the inquest opined that the deceased died during treatment as a result of ante-mortem injuries, which he sustained at the place of occurrence. They have also opined that for ascertaining the actual cause of death, post-mortem is needed. He prepared inquest report Ex.Ka-5, letter to CMO Ex.Ka-6, Photo Lash Ka-7, sealed the dead body and prepared challan lash Ex.Ka-8 and handed over the dead body to the Constable Kunwar Naresh Singh for carrying out the post-mortem. The post-mortem of the dead body of the deceased Shashi Bhal Chaturvedi was conducted by Dr L.S. Sanyal (PW-3) on 20.3.1994. At the time of post-mortem, the age of the deceased was found 26 years. He died on 19.3.1994 at 03:10 hours at KGMC during treatment. The deceased was man of average height and body built. The rigor mortis was not present on the upper part of the body while the same was found on the lower part of the body. At the time of post-mortem, the following ante-mortem injuries were found on the body of the deceased:-

"1. Stitched wound with 5 stitches on the left side of skull.

2. Stitched wound 5 cm in length with 3 stitches on the mid of skull.

3. Stitched wound with 2 stitches on the right part of the skull.

4. Stitched wound 4 cm long with 3 stitches on left side of the skull 8 cm above left ear.

5. Abraded contusion 8 cm x 4.5 cm on right side of the face and skull.

6. Abraded contusion 7 cm x 1.5 cm on the back of right hand.

7. Abraded contusion in area 16 cm x 6 cm on the lower side of the stomach.

8. Abraded contusion in area 6 cm x 3 cm on front part of left foot.

9. Abraded contusion in area 8 cm x 4 cm on the front part of right foot.

On internal examination, fracture was found in skull. The membrane of the brain was found torn. 90 ml liquid substance was found in stomach. The gas and fecal matters were found in the small intestine. Doctor has opined that the deceased died due to ante-mortem head injury. He has further opined that the ante-mortem head injuries were sufficient to cause death in ordinary course of nature. He prepared the post-mortem report Ex.Ka-3 in his own handwriting."

6. The Investigating Officer SI Ravindra Nath Mishra (PW-9) copied the check report and GD registering the case and recorded the statements of scriber of GD and of informant-revisionist and inspected the place of occurrence on 20.3.1994. He has taken in possession the plain soil and blood-stained soil, blood stained bed-sheet, scarf, a pair of leather sleeper of the deceased from the place of occurrence and prepared memo of it Ex.Ka-13 & 14 and sealed it separately. He also prepared site plan Ex.Ka-15. On 22.3.1994, he arrested the accused Ram Sahai, Virendra Bahadur and recorded their statements and amended the Section 304 I.P.C. vide GD report no.12 Ex.Ka-16. Thereafter, the investigation was transferred to SI Vijayanand (PW-7) on 23.3.1994, who has recorded the statement of witness Vidya Shankar Shukl. On 31.3.1994, he recorded the statements of witnesses and copied the post-mortem report in case diary. On the same day, he has also recorded the statements of witnesses Shiv Prasad and Ishrat. On

30.4.1994, he has recorded the statement of accused Triveni Singh and sent the charge-sheet on 30.4.1994 Ex.Ka-10. Thereafter, on the application of informant, the investigation was transferred to CBCID. The charge-sheet Ex.Ka-10 was cancelled by Station Officer and the investigation was handed over to CBCID for re-investigation. Inspector Shamsher Singh CBCID was entrusted the investigation on 25.8.1994, who copied the application of Gurudev Kumar Dwivedi and tehrir of informant-revisionist Surendra Kumar Chaturvedi in the case diary. On 2.3.1995, he recorded the statement of ASI Ravindra Nath Mishra. On 13.3.1995, he recorded the statements of informant-revisionist Surendra Kumar Chaturvedi, Dr. R.P. Pandey and other witnesses. He has also recorded the statements of Smt. Lakhpati Devi and other witnesses and the statements of accused Vishambhar Prasad Mishra, Ram Abhilash Singh, Triveni Singh, Ram Sahai and Virender Singh and also recorded the statements of witnesses of inquest. On 15.3.1995, he has recorded the statement of scriber of the chik report. On 26.4.1995, he has recorded the statement of witness Vidya Shankar Shukl and has submitted the charge-sheet Ex.Ka-12 by amending Section 302 I.P.C.

7. The cognizance of offence was taken after complying the provision of Section 207 of Cr.P.C. and the case was committed to the court of session. The charges for offence punishable under Sections 147, 148, 302/149 I.P.C. were framed against accused-opposite party no.2 Triveni Singh, opposite party no.3 Ram Sahai, opposite party no.4 Virendra Singh, opposite party no.5 Ram Abhilash and opposite party no.6 Vishambhar Prasad to which they have not pleaded guilty and claimed to be tried.

8. In order to prove its case, the prosecution has examined informant-revisionist Surendra Kumar Chaturvedi as PW-1, Smt. Lakhpati as PW-2 as eyewitnesses. PW-1 has proved the written complaint Ex.Ka-1. Prosecution has also examined Dr. L.S. Sanyal as PW-3 to prove the post-mortem report of the deceased Ex.Ka-3, Dr. R.P. Pandey as PW-4 to prove injury report of the deceased Ex.Ka-4, SI Namwar Singh as PW-5 to prove panchayatnama Ex.Ka-5, letter to CMO Ex.Ka-6, photo lash Ex.Ka-7, challan lash Ex.Ka-8 and handed over the dead body to Constable Kunwar Naresh Singh for carrying out the post-mortem. Constable Bhanu Pratap Singh as PW-6 was also examined to prove chik report Ex.Ka-9 and GD registering the case Ex.Ka-11. Prosecution has also examined Investigating Officer/Sub Inspector Vijayanand Singh as PW-7 to prove the steps taken in investigation and has filed charge-sheet Ex.Ka-10 against the accused. Later on, the investigation was conducted by CBCID on the application of informant-revisionist after cancelling the charge-sheet Ex.Ka-10. Prosecution has also examined Inspector Shamsher Singh (CBCID) to prove the steps taken in investigation and after investigation he has submitted the charge-sheet Ex.Ka-12 and Sub Inspector Ravindra Nath Mishra to prove site plan Ex.Ka-15 as well as plain soil and blood-stained soil collected from the place of occurrence and sealed in separate containers and prepared the memo in this regard Ex.Ka-13 and Ex.Ka-14. He has also amended the section of the investigation into 304 I.P.C.

9. The statements of the accused were recorded under Section 313 Cr.P.C. to which they have denied their participation in occurrence and have stated that they

have been falsely implicated in the case. In defence, the accused-opposite parties have examined Ram Lakhan Shukla as DW-1, Ram Pyarey Pandey as DW-2 and Chhotey Lal as DW-3 and has closed the evidence.

10. Learned court below after hearing the learned counsel for the parties and appreciating the evidence of informant Surendra Kumar Chaturvedi (PW-1) held that the informant-revisionist has taken the name of only four accused persons in his written complaint and two unknown persons to whom he can recognize when they come before him. After four months of the occurrence, on 25.7.1994, an application has been moved from the side of informant for investigation of case by CBCID and later on the investigation was transferred to CBCID. He has not named the accused Vishambhar Prasad Mishra and Ram Abhilash Singh in his written complaint. Even in application moved for investigation by CBCID, he has not named the accused Vishambhar Prasad Mishra and Ram Abhilash Singh. Witness PW-2 has deposed that the accused Vishambhar Prasad Mishra and Ram Abhilash Singh were known to her since their childhood because they are resident of her village. The informant Surendra Kumar Chaturvedi (PW-1) has not disclosed the name of accused Vishambhar Prasad Mishra and Ram Abhilash Singh in his statement under Section 161 Cr.P.C. recorded by Investigating Officer. On appreciation of evidence, learned court below has held that the first information report was lodged after due deliberation and during investigation the name of the accused Vishambhar Prasad Mishra and Ram Abhilash Singh was deliberately added to falsely implicate them. Learned court below has also held that the alleged independent eyewitness Vidya Shankar has not been produced by the prosecution. In this case, PW-1 Surendra Kumar Chaturvedi and PW-2 Smt. Lakhpati are the alleged eyewitnesses. The eyewitness Vidya Shankar, whose name is mentioned in the first information report, has not been produced by prosecution before lower court during trial. It has also held that PW-1 Surendra Kumar Chaturvedi has admitted in his cross-examination that the accused Vishambhar Prasad Mishra and Ram Abhilash Singh are brothers of accused Triveni Singh and were known to him before lodging of the F.I.R. It has further held that PW-1 has admitted that the occurrence has taken place at the door of Fulesara and the house of the maternal grandmother of informant is not shown in the site plan. PW-2 Smt. Lakhpati in her statement has stated that her age was about hundred years at the time of examination in the court. She has also admitted that on the day of occurrence she was ill and was suffering from high fever. She has further admitted that she could not see beyond 2-3 paces. The occurrence was taken place at 10:00 p.m. in the night and her house was away from place of occurrence and she can hardly move 2 or 3 steps. Learned lower court has also held that the deposition of alleged eyewitnesses PW-1 Surendra Kumar Chaturvedi and PW-2 Smt. Lakhpati do not inspire confidence and no conviction can be recorded on the basis of their ocular testimony and has acquitted the accused-opposite party nos.2 to 6 from the charges. Feeling aggrieved by it, the informant-revisionist has preferred this revision.

11. Learned counsel for the informant-revisionist in memo of revision has stated that the impugned judgement of acquittal recorded by learned lower court is against fact and law. It is further stated that learned lower court has wrongly

disbelieved the statement of informant-revisionist PW-1 and his maternal grandmother PW-2 in the impugned judgement and has illegally acquitted the accused-opposite party nos.2 to 6. It is further stated that the four accused persons were named in the first information report and two accused were not named. It is further stated that during investigation the name of the accused not named also came into light. It is further stated that the informant-revisionist PW-1 Surendra Kumar Chaturvedi and his maternal grandmother PW-2 Smt. Lakhpati were the eyewitnesses of the occurrence and are corroborated by the first information report and the post-mortem report. It is further stated that the learned court below has not appreciated the evidence available on record in right prospective and the judgement of acquittal recorded by learned court below is perverse and illegal and is liable to be set aside. It is further stated that the charges against accused-opposite party nos.2 to 6 is proved beyond reasonable doubt and judgement of acquittal recorded by learned lower court is liable to be reversed and accused-opposite party nos.2 to 6 are liable to be convicted for offence punishable under Sections 147, 148, 302/149 I.P.C. and sentenced to undergo rigorous imprisonment for life and fine also.

12. Learned A.G.A. has supported the judgement of the court below and has submitted that all the accused-opposite party nos.2 to 6 were known to the informant-revisionist, but he has only named four accused and two unknown persons. He has further submitted that the above fact establishes that the informant-revisionist has not witnessed the incident and his presence on the place of occurrence is doubtful. He has further submitted that PW-2 Smt. Lakhpati is maternal grandmother of informant-revisionist and her house has not been shown in the site plan. She in her statement has stated that her age was about hundred years at the time of examination before the court. She has also admitted that on the day of occurrence she was ill and was suffering from high fever. She has further admitted that she could not see anything beyond 2-3 paces. The occurrences has taken place at 10:00 p.m. in the night and her house is away from the place of occurrence and she can hardly move 2-3 steps. Therefore, learned lower court has rightly held that she has not witnessed the occurrence and has rightly acquitted the accused-opposite party nos.2 to 6 from the charges.

13. I have given thoughtful consideration to the contentions raised by learned counsel for the informant-revisionist in the memo of revision as well as contention raised by learned A.G.A. for the State and have gone through the record. Now the question arises whether the revision can be heard and decided in absence of the revisionist. The procedure for hearing of the revision is analogous to hearing of the appeal with the exception as mentioned in Section 401 Cr.P.C. Section 401 Cr.P.C. speaks as follows:-

"Section 401. (1) In the case of any proceeding the record of which has been called for by itself or which otherwise comes to its knowledge, the High Court may, in its discretion, exercise any of the powers conferred on a Court of Appeal by sections 386, 389, 390 and 391 or on a Court of Session by section 307 and, when the Judges composing the Court of revision are equally divided in opinion, the case shall be disposed of in the manner provided by section 392.

(2) No order under this section shall be made to the prejudice of the accused or other person unless he has had an opportunity of being heard either personally or by pleader in his own defence.

(3) Nothing in this section shall be deemed to authorize a High Court to convert a finding of acquittal into one of conviction.

(4) Where under this Code an appeal lies and no appeal is brought, no proceeding by way of revision shall be entertained at the instance of the party who could have appealed.

(5) Where under this Code tan appeal lies but an application for revision has been made to the High Court by any person and the High Court Is satisfied that such application was made under the erroneous belief that no appeal lies thereto and that it is necessary in the interests of justice so to do, the High Court may treat the application for revision as a petition of appeal and deal with the same accordingly."

14. From perusal of Section 401 Cr.P.C., it is abundantly clear that High Court may exercise any of the power conferred on a Court of Appeal by sections 386, 389, 390 and 391 or on a Court of Session by section 307. It is further provided in sub-section (2) that no order under this section shall be made to the prejudice of the accused or other person unless he has had an opportunity of being heard either personally or by pleader in his own defence.

15. Sub-section (2) of section 401 Cr.P.C. cast duty upon the revision court to hear opposite party if order is made in revision prejudiced to the accused or other person. Meaning thereby, where impugned order is liable to be set aside and prejudicial to the opposite party, the opposite party must be heard.

16. Section 386 of the Code of Criminal Procedure provides the procedure to be followed in hearing of the appeal and also provides the power of appellate court. That is also applicable in revision also in view of the Section 401 Cr.P.C. with exception that if the order to be made in revision is prejudicial to the accused or other person (opposing party), opportunity of hearing must be given to opposite party. The proviso appended with Section 386(e) provides that the sentence shall not be enhanced unless the accused has been given an opportunity of showing cause against the such enhancement. Therefore, from the perusal of provision of Section 386 Cr.P.C., it is mandatory that the accused should be heard if order is made in revision prejudicial to the accused.

17. The Hon'ble Apex Court in the case of ***"Shyam Deo Pandey Vs. State of Bihar, AIR 1971 SC 1606"*** has held that if the court decided not to dismiss the appeal summarily, it must take the step mentioned in Section 385 and proceed to hear the parties on merit. At this stage also it has the power to dismiss the appeal, if it considered that there is no sufficient ground for interfering, but such consideration must be based on the merit of the appeal. After the records are before the court and the appeal is listed for hearing [s.385 (2)], whether the appellants appear or not in response to the notice, the appellate court dispose of the appeal only after reasoning and finding of the trial court as recorded in its judgement on tested in the light of record of the case for this purpose the appellate court must- (a) peruse such record: (b) hear the appellants or his

pleader, if he appears and (c) hear the public prosecutor, if he appears. It is abundantly clear that the procedure followed in hearing of the appeal will be followed in hearing the revision with certain exceptions. Therefore, the revision can be heard in absence of the revisionist also on merit.

18. Sub-section (3) of section 401 Cr.P.C. speaks as follows:-

"Nothing in this section shall be deemed to authorize High Court to convert of finding of acquittal to conviction."

19. Even in case of appeal against acquittal the Hon'ble Apex Court in the case of ***"Mool Chand Vs. Jagdish Singh and others"*** reported in ***1993 Supp (2) Supreme Court Case 714*** has held in paragraph 18, which reads as follows:-

"....in appeal against the order of acquittal by the High Court was to be considered as whether the approach by the High Court is wrong or the view taken by the High Court is unreasonable. If that evidence is of such nature that two views are possible and one view in favour of the accused with the High Court in acquitting them, the Supreme Court will be slow to interfere with the order of acquittal. If only the High Court has committed grave error in appreciation of evidence and misread itself by ignoring legal principle and arrived at the conclusion, the decision can be characterized as perverse and illegal requiring interference by the court under Article 136."

20. Even in appeal against the acquittal if the judgement of the trial court is not perverse and is not based on misreading of the evidence and two views are possible, one favouring the accused, the acquittal is not liable to be interfered in appeal. In present case, the revision has been preferred against the acquittal and the revision court cannot convert acquittal to conviction in view of sub-section (3) of section 401 Cr.P.C. The judgement of the court below is based on right appreciation of evidence and cannot be said to be perverse, therefore, the case is not liable to remanded for pre-trial. Keeping in view the facts and circumstances of the case and reasons enumerated by court below, the instant revision is liable to be dismissed.

21. In this case, the appeal has not been preferred by the State against the acquittal recorded by trial court under the circumstances. This revision has been preferred against the acquittal by informant Surendra Kumar Chaturvedi.

22. In this case revisionist Surendra Kumar Chaturvedi as PW-1 deposed that his brother Shashi Bhal Chaturvedi and Vidya Shankar Shukl had gone to see his maternal grandmother on 17.3.1994 at around 07:00 p.m. and while they were coming back to their home in the night at about 10:00 p.m. and reached about 20 paces from the house of his maternal grandmother, the accused Triveni Singh armed with lathi and ballam, Ram Sahay, Virender Singh and two other unknown persons, to whom he can recognize on seeing them, armed with lathi were sitting in ambush. He has further deposed that they have enmity with him because of election of co-operative. He has also deposed that they attacked on his brother with deadly weapon and assaulted upon him with lathi and spade. His brother's condition became very critical. In order to save the life of his brother, he sent the information to the police station regarding

the incident and got him admitted directly to the hospital at Musafirkhana. He has next deposed that the condition of his brother was still very bad and he was referred to Sadar Hospital, Sultanpur, where he was fighting for his life and not yet regained consciousness. He has also deposed that when he raised alarm, Vidya Shankar Shukl and other villagers arrived there at the spot and saw the occurrence, then the accused persons ran away thinking that his brother was dead. Later on his brother Shashi Bhal succumbed to death.

23. In his cross-examination, the informant-revisionist Surendra Kumar Chaturvedi (PW-1) has admitted that he has only named four accused in the written complaint and two unknown persons to whom he can recognize when they come before him. He has also admitted that after four months of the occurrence, on 25.7.1994, an application was moved from his side for investigation of case by CBCID and later on the investigation was transferred to CBCID. He has not named in his written complaint the name of the accused Vishambhar Prasad Mishra and Ram Abhilash Singh. Even in application moved for investigation by CBCID he has not named the accused Vishambhar Prasad Mishra and Ram Abhilash Singh. PW-1 informant Surendra Kumar Chaturvedi has not disclosed the name of accused Vishambhar Prasad Mishra and Ram Abhilash Singh in his statement under Section 161 Cr.P.C. recorded by Investigating Officer

24. PW-2 Smt. Lakhpati has deposed that the accused Vishambhar Prasad Mishra and Ram Abhilash Singh were known to her since their childhood because they are resident of her village.

25. On appreciation of evidence, learned court below has held that the first information report was lodged after due deliberation and during investigation the name of the accused Vishambhar Prasad Mishra and Ram Abhilash Singh was deliberately added to falsely implicate them. In this case, the independent eyewitness Vidya Shankar mentioned in first information report, not produced by prosecution, which cast doubt on prosecution case. In this case PW-1 Surendra Kumar Chaturvedi and PW-2 Smt. Lakhpati are the alleged eyewitnesses. PW-1 has admitted in his cross-examination that the accused Vishambhar Prasad Mishra and Ram Abhilash Singh are brothers of accused Triveni Singh and were known to him before lodging of the F.I.R. PW-1 has admitted that the occurrence has taken place at the door of Fulesara. The house of the maternal grandmother of informant-revisionist has not been shown in the site plan. PW-2 Smt. Lakhpati in her statement has stated that her age was about hundred years at the time of examination before the court. She has also admitted that on the day of occurrence she was ill as she was suffering from high fever. She has further admitted that she could not see beyond 2-3 paces. The occurrences has taken place at 10:00 p.m. in the night and her house is away from the place of occurrence and she can hardly move 2-3 steps. Therefore, the deposition of eyewitness PW-1 Surendra Kumar Chaturvedi does not inspire confidence and is not of such quality that can be acted upon.

26. From the appreciation of evidence of PW-2 Smt. Lakhpati, it is proved that she can only see anything at the distance of 2-3 paces and her presence at the place of occurrence is not established. Her

deposition does not inspire confidence and no conviction can be recorded on the basis of ocular testimony of PW-1 and PW-2 and learned court below has rightly acquitted the accused-opposite party nos.2 to 6 from the charges of offence punishable under Sections 147, 148, 302 read with 149 I.P.C.

27. In such circumstances, the instant revision lacks merit and is, accordingly, hereby ***dismissed***.

Govt. Advocate, Devika Singh, Harish Pandey, Rajendra Kumar Dwivedi, Sarvajeet Dubey, Suyash Bajpai

A. Criminal Law - Code of Criminal Procedure, 1973-Section 397/401 - Indian Penal Code, 1860-Sections 305 & 306-In the present case, the Investigating Agency failed to establish mens rea on the part of the revisionists leading to commission of suicide by the deceased-the deceased was only scolded by the revisionists for getting into road accident-In fact the deceased was not hit or slapped by the revisionists-no eye witness that the deceased was beaten by revisionists-FIR has been lodged with a motion of vengeance-The Court below has not discussed the material and no finding has been recorded, the operative portion of the Court is non-speaking and no reason has been assigned-The decision is taken in mechanical manner-Thus, the matter is remanded back to the Court below with a direction to take a fresh decision.(Para 1 to 89)

B. To prove the offence of abetment, as specified under section 107 IPC, the state of mind to commit a particular crime must be visible, to determine the culpability. In order to prove mens rea, there has to be something on record to establish or show that the appellant herein had a guilty mind and in furtherance of that state of mind, abetted the suicide of the deceased. (Para 51)

The revision is allowed. (E-6)

(Delivered by Hon'ble Brij Raj Singh, J.)

1. Heard Sri D.D. Chopra, learned Senior Advocate assisted by Sri Anurag Shukla, learned counsel for the revisionists. Sarvajeet Dubey learned counsel for O.P. No.2, learned AGA and perused records.

2. This criminal revision under Section 397 CrPC read with 401 CrPC has been filed by the revisionists with prayer to set aside the order dated 14.3.2019 passed by the Additional Sessions Judge-Ist, Lucknow in S.T. No.34 of 2019 (State. Vs. Father Melvin Saldanha and another) consequently, with further prayer to acquit the revisionists of the charges levelled against them under Section 305 IPC after summoning the lower Court record.

Brief facts of the case:-

3. Brief facts of the case are that FIR was lodged on 4.12.2016 in Case Crime No.1121/2016 under Section 306 IPC, PS Madiyaon, district Lucknow later on, converted under Section 305 IPC on 21.3.2017.

4. As per FIR, the deceased Lalit Yadav son of O.P. No.2 was a regular student of Class-XII in Cathedral Senior Secondary School, Hazratganj, Lucknow. It has been stated in the FIR by the father of the deceased that his son used to attend the school regularly but he was making regular complaints to father and mother regarding the harassment done by the revisionist No.1, Melvin Saldanha (Father Melvil Saldanha) and the revisionist No.2 James John (P.T. Teacher James John). On 3.12.2016 the complainant's son Lalit Yadav had gone to school and he was beaten by the revisionist No.1 and 2 andthey threatened to expel him from the school. There was call on the mobile phone of the complainant at 7.58 a.m. by the revisionist No.2 to bring his son from the school on which he made contact to his wife and asked her to bring his son from the school. When the wife of the complainant reached the school, she came to know that without waiting for her arrival, the revisionist No.2 PT Teacher had dropped his son Lalit Yadav to the home.

His wife was told by the children that after prayer assembly, the revisionist No.1 and 2 had beaten, mentally harassed the deceased and threatened him to expel from the school. The wife of the complainant was coming back to home and she was informed by the revisionist No.2 P.T. Teacher that her son was dropped by him to her home. The wife reached the house and saw that her son had committed suicide by licensed revolver which was kept in almirah. She brought the son to Trauma Centre with the help of neighbours but her son died during medical treatment. The revisionists have challenged the FIR in the High Court by filing Writ Petition No.5269 (M/B) of 2018 and this Court vide order dated 20.2.2018, dismissed the writ petition on the ground that investigation was completed and chargesheet was likely to be filed.

5. The revisionists again challenged the sanctity of investigation by filing Writ Petition No.17509 (M/B) of 2018 requesting for free, fair, truth and logical investigation and to transfer the case to some other investigating agency in which notices were issued on 20.4.2018.

6. Chargesheet was filed in the case on 14.3.2018 under Section 305 IPC. The same was challenged by filing Application U/S 482 being Case U/S 482/378/407 No. - 2653 of 2018 renumbered as Application U/S 482 No.2653 of 2018 (Melvin Saldanha & another Vs. State of U.P. & Another) which was disposed of on 22.5.2018 and liberty was granted to revisionists to move application for discharge.

7. The revisionists approached the Supreme Court in Special Leave Petition (Crl.) No.5071 of 2018 (Melvin Saldanha & another. Vs. State of U.P. and others.) wherein Supreme Court, vide order dated 19.8.2018 was pleased to issue notice and directed that the revisionists shall not be arrested.

8. In the meantime, the revisionists preferred application for discharge under Section 227 CrPC before the learned District and Sessions Judge, Lucknow. The District and Sessi9ons Judge, Lucknow dismissed the application on 14.3.2019 for discharge moved by the revisionists. The order dated 14.3.2019 has been challenged before this Court in the present revision.

9. In the meantime, the SLP (Crl.) No.5071 of 2018 preferred by the revisionists against the order of High Court was disposed of vide order dated 28.4.2022. Supreme Court observed and has taken note of the fact that application for discharge filed by the revisionists before the Court below was rejected and the same was under challenge in the High Court in the present revision. The Supreme Court has lastly observed that the interim order dated 6.1.2020 passed in SLP will operate and the same will continue for a period of six months and the order of High Court will be final. Further direction is issued that contention raised by the parties are left open to be decided in accordance with law.

Submissions of the Revisionists:-

The revisionists have made their following submissions before this Court:-

10. Learned counsel for the revisionists has submitted that on the basis of FIR bearing case no.1121 of 2016 under section 306 IPC (converted to section 305 by Additional Sessions Judge) filed by the

Opposite Party No.2, who is the father deceased Late Lalit Yadav the Investigating Agency Police has filed its completion of Investigation Report (Chargesheet) under Section 173 of the CrPC before Additional Sessions Judge-I, Lucknow.

11. In accordance with liberty given to the Revisionists by Hon'ble High Court, Lucknow vide order dated 22.05.2018 in Case under Section 482/378/407 No.2653 of 2018, the present Revisionists had filed Discharge Application under Section 227 of CrPC bearing No.34/2019, State. Vs. Father Melvin Saldanha & another before Additional Sessions Judge-I and the same has been dismissed vide order dated 14.03.2019 by the Additional Sessions Judge-I, Lucknow.

12. That the Revisionists have filed the present Criminal Revision against above order dated 14.3.2019 passed by the Additional Sessions Judge-I dismissing the Discharge Application filed by the present Revisionist.

13. That the case of the Investigating Agency (Prosecution) proceeds on the premise that the Revisionists Melvin Saldahna and James John are responsible for the commissioning of suicide by Lalit Yadav as they had humiliated the deceased after mercilessly thrashing him alongwith Anshul Gupta in consequence of road accident caused by the deceased Lalit Yadav while Anshul Gupta was the pillion rider of the motorcycle driven by deceased.

14. For better understanding, Section 305 of IPC is reproduced hereinbelow:-

305. Abetment of suicide of child or insane person.--If any person under eighteen years of age, any insane person, any delirious person, any idiot, or any person in a state of intoxication, commits suicide, whoever abets the commission of such suicide, shall be punished with death or [imprisonment for life], or imprisonment for a term not exceeding ten years, and shall also be liable to fine.

From the perusal of the above it is apparent that the person abetting the commission of suicide would be prosecuted and punished as per provision of section 305 of Indian Penal Code, meaning thereby that the person who abets any other person under 18 years of age in the commissioning of suicide by such person shall be held responsible for the commissioning of suicide and shall be punished accordingly. The essential condition to charge and prosecute a person is abetment by such person to the commission of suicide.

15. The provision of abetment as contained under Section 107 of Indian Penal Code and for better understanding same is reproduced hereinbelow:

107. Abetment of a thing.--A person abets the doing of a thing, who--

First.--Instigates any person to do that thing; or

Secondly.--Engages with one or more other person or persons in any conspiracy for the doing of that thing, if an act or illegal omission takes place in pursuance of that conspiracy, and in order to the doing of that thing; or

Thirdly.--Intentionally aids, by any act or illegal omission, the doing of that thing. Explanation 1.--A person who, by wilful misrepresentation, or by wilful concealment of a material fact which he is bound to disclose, voluntarily causes or procures, or attempts to cause or procure, a

thing to be done, is said to instigate the doing of that thing.

16. That from the conjoint reading of above two sections it is evident that abetment under section 107 is sine qua non before prosecuting a person under section 305 and in the absence of the necessary ingredients of abetment as provided under section 107 IPC, the accused cannot be charged under section 305 IPC. The Investigating Agency is therefore, under obligation to investigate and establish that the persons against whom FIR has been lodged under section 305 IPC is responsible for the commissioning of suicide by abating the person to do so.

17. That the essential three conditions that are necessarily required to be present individually in the sequence leading to the commissioning of suicide by a person are as below:

i. Instigation to commit suicide.
ii. Conspiracy leading to person committing suicide
iii. Intentionally aiding by an act or omission to commit suicide.

18. That if any of the condition is found present against the person sought to be prosecuted under Section 305 IPC, such person shall be held responsible for abetting commissioning of suicide. Per contra in the absence of the any of the above 3 conditions, a person cannot be held responsible for committing crime under section 305 IPC.

19. That in all three cases of institution, conspiracy or aid, direct and active involvement of the accused is essential to convict him for abetment of suicide. The term "instigation' is not defined in IPC. The instigation on the part of the accused should be active and proximate to the incident. It has been held in number of cases that to constitute "instigation", the person who instigates another person has to provoke, incite, urge or encourage doing of an act by the other by "goading" or "urging forward". A mere statement of suggesting the deceased to end his life without any *mens rea* would not come under the purview of abetment to suicide. *Mens rea* is a necessary ingredient of instigation and the abetmentn to suicide would be constituted only when such abetment is found intentional.

20. That Supreme Court in **Geo Varghese v. State of Rajasthan, 2021 SCC Online SC 873,** while dealing with the matter wherein a 9th standard student committed suicide and left a note alleging that his PTI teacher harassed and insulted him in front of everyone. The court emphasised two essentials for conviction under Sec. 306. Firstly, there should be a direct or indirect act of incitement. A mere allegation of harassment of the deceased by another would not be sufficient. Secondly, there must be reasonableness. If the deceased was hypersensitive and if the allegations imposed upon the accused are not otherwise sufficient to induce another person in similar circumstances to commit suicide, it would not be fair to hold the accused guilty for abetment of suicide. Thus, Supreme Court quashed the FIR in the lack of any specific allegation and material on record as the essentials to prove the allegation under Section 306 were not satisfied.

21. That in the case of Sanju alias Sanjai Singh Sengar vs. State of M.P. 2002 AIR SC 1998, the Hon'ble Apex Court has acquitted the person and quashed the

chargesheet filed under section 306 of IPC inter alia holding therein that mere say of the prosecution version will not subserve the purpose for slapping the charges under section 306 of IPC. The presence of *mens rea* is vital and indefeasible ingredient for to swing the criminal proceeding into the motion. It is a common knowledge that some of the words uttered during the altercation or scuffle cannot be assumed to have been uttered with with *mens rea*.

22. That the Delhi High court has quashed FIR filed under Section 306 IPC in Roop Kishore Madan v. State, while mentioning that even though the suicide note clearly mentions that the deceased committed suicide because of the accused but there is no material on record to show that the ingredients of the offence of abetment had been satisfied and, therefore the offence under Section 306 IPC cannot be said to have been committed. The instigation when not direct has to be gathered from the circumstances of the case.

23. That in the present case, it is most respectfully submitted that the Investigating Agency has failed to establish *mens rea* on the part of the Revisionists leading to the commissioning of suicide by the deceased Lalit Yadav.

24. That in the present case deceased was only scolded by the Revisionists for getting into road accident while riding bike that too without helmet and valid driving license, which was against the Code of Conduct of the Cathedral Sr. Secondary School where Revisionists are posted as Principal and P.T. Teacher. It is bounded duty of the revisionist to ensure proper discipline of students in and outside the school premises.

25. That Code of Conduct of the Cathedral Sr. Secondary School provides that students who misconducts and breaks the rules will be suspended from attending classed/school and may be expelled/rusticated from the school.

26. The above fact is also evident from the Statement Anshul Gupta who was the pillion rider on the bike of the deceased when the deceased got into accident and eye witness of the same. In fact Anshul Gupta I his Statement recorded u/s 161 CrPC had categorically stated that on the fateful day he was slapped by the Principal viz. Melvin Saldahna, the Revisionist after he tried to explain the reasons and the aftermath incidents of the

27. That from the reading of the statement of Anshul Gupta it is also clear that deceased was afraid of his father and was assuming that he would be scolded once his father gets to know that he has been suspended from the School. It is further clarified from the statement of Anshul Gupta that the deceased was further afraid that due to the above incident he may get expelled from the school or may be barred from writing the exams which further indicated that the deceased was hypersensitive.

28. That in the present case FIR has been filed by the complainant who happens to be the father of the deceased and is serving as Sub-Inspector in U.P. Police and is in a position to influence the investigation against the Revisionists. The trial court while considering the discharge application has completely overlooked this particular fact.

29. That in the present case there is no eye witness corroborating that the deceased

was mercilessly beaten by the Revisionists. Simultaneous consideration of the First Information Report as well as the statement of the Father of deceased Amar Nath Yadav made under section 161 of the CrPC shows that FIR has been lodged with a motion of vengeance.

30. That an unsuccessful attempt has been made to create a fictitious grievance about the harsh behaviour of revisionist towards the deceased however not even a single complaint was ever made not even a personal approach was made nor even any letter was sent to the authorities in this regard. Therefore, the alleged allegations are nothing but reveals the vengeant behaviour of the father of deceased against the Revisionists.

31. That Burden of proof always lies on the prosecution and it never shifts. In view of the crux of the judgments of Hn'ble the Apex court as well as various High Courts if in the present matter the prosecution version even if accepted for a while (though not conceded) does not whisper any component of mental intention of crime pertaining to abetment to commit suicide by the deceased. Nor there happens to be any active or passive motive for the Revisionists for doing so because they are the Principal and Teacher and every teacher wants to see his pupil to reach peak of success.

32. That Section 227 of CrPC provides that the Court should be satisfied that the accusation made against the accused person is not frivolous and there is some material for proceeding against him. Section 227 statutorily binds the trial Judge to discharge an accused in cases exclusively triable by Court of Sessions after making compliance of under-mentioned four mandatory requirements;

(1)Consideration of the record of the case and the documents submitted therewith;

(2) Hearing the submissions of the accused and the prosecution in that behalf;

(3) Consideration that there is no ground for proceeding against the accused;

(4) Recording reasons for discharge

For better understanding Section 227 of CrPC is reproduced hereinbelow:

227. Discharge. If, upon consideration of the record of the case and the documents submitted therewith, and after hearing the submissions of the accused and the prosecution in this behalf, the Judge considers that there is not sufficient ground for proceeding against the accused, he shall discharge the accused and record his reasons for so doing.

33. That the parameters that govern the exercise of this jurisdiction (Discharge Application) have found expression in several decisions of the Supreme Court. The Hon'ble Supreme Court in **(State of Karnataka Lokayukta Vs. M.R. Hiremath, 2019 (7) SCC 515,** have observed that at the stage of considering an application for discharge, the Court must proceed on the assumption that the material which has been brought on record by the prosecution should be true and the Court should evaluate the material in order to determine whether the facts emerging from the material taken on its face value discloses the existence of the ingredients necessary to constitute the offence.

34. That Free, Fair and Transparent justice is inevitable & happens to be a fundamental right of every citizen guaranteed under Article 21 of the Constitution of India. This issue is well

settled that free and fair investigation happens to be the integral part of free trial. Here I n the present matter the investigating officer has not been able to collect or demonstrate an iota of evidence which may even prima facie show that there was any mental intention of either of the revisionists in commissioning of the offence.

Learned counsel for the revisionists has relied on various judgments. They are:-

35. That Hon'ble High Court of Madhya Pradesh at Jabalpur in the case of **Sunil Kumar Sen. Vs. State of Madhya Pradesh in Writ Petition No.11763/2018 (MP HC)** has held that:

"10. From the narrative in the petition, it appears that the deceased was leaving school before the end of school hours and upon being so discovered in the act by the Respondent No.4, was allegedly slapped and admonished by the Respondent No.4. However, to hold that there must be an investigation against the Respondent No.4 for an offence u/s. 306 IPC based upon the above allegations is uncalled for. Such an investigation would expose the Respondent No.4 to an arrest and would send a loud message to all those involved in the imparting of education that there are perils of personal inconvenience and legal proceedings to be faced if students are admonished and chastised.

11. Thus, looking at the nature of the allegations, where there is a subsequent improvisation that the deceased was taken back to the school, in a van by the respondent No. 4, where she was again beaten is of suspicious authenticity and credence on account of the fact, that the first complaint that 10 was preferred by the same petitioner to the police authority, this fact is conspicuous by its absence. Therefore, this court is of the opinion that it would be a travesty of justice to hang the proverbial sword of Damocles over the Respondent No. 4, who is the Principal of Government Higher Secondary School and imperil him with police investigation, where even the allegations levelled by the petitioner herein, do not disclose the commission of a cognizable offence much less one under Section 306 of the IPC. Under the circumstances, the petition is dismissed."

36. That Hon'ble Madras High Court in **P. Rajamohan Versus State & others in Cri. O.P.(MD) No.19293/2014** vide order dated 28.09.2018 while dealing with similar issue related to section 306 IPC has held that:

"13. The word "instigate" denotes incitement or urging to do some drastic or inadvisable action or to stimulate or incite. The presence of mens rea, therefore, is the necessary concomitant of instigation. It is common knowledge that the words uttered in a quarrel or in a spur of the moment cannot be taken to be uttered with mens rea. Secondly, the said abusive words is said to have been uttered to the deceased by the Petitioners, when they had come to know that the deceased had stolen the money from the bag of the Anganvadi Teacher and money was also recovered from her. Thirdly, the deceased had her lunch in the School and attended the post lunch session classes and left the School only after it was over and she had committed suicide only after reaching the home. All these factors would clearly point out that it could not be a direct result of the utterances made by the Petitioners.

14. .....

15. One important thing to be noted in this case is that the Petitioners being the Teachers of the Government School in the interest of the Institution

correct any mistake done by the student in order to cultivate good habits and get rid of bad habits, such as stealing money. In fact, the father of the deceased girl had been summoned and it is stated that he gave a letter of apology for the conduct of his daughter and also undertook that the same would not recur again. In such view of the matter, the act of the petitioners cannot be said that it would amount to abetment of suicide.

16. In the case of Sashi Prabha Devi Vs. State of Assam [2006-Cri.LJ-1762], the allegation is that the accused, a Head Mistress of a School wrongly struck off the name of the deceased from the Register of the Students in Class X, which induced the deceased to commit suicide and the High Court of Gujarat has held that there was no evidence showing that the accused had acted at any point of time, suggested or hinted for commission of suicide and when the accused was entitled to correct any wrong order, as in fact deceased had not passed her class IX examination, no case of instigation or abetment of suicide was made out against the accused.

17. In the case of Nettai Dutta Vs. State of will be [2005-2-SCC-659], the Honourable Supreme Court upholding the order of the High Court, quashed the charge sheet filed under Section 306 of IPC on the ground that the offence under Section would stand only if there is an abetment for the commission of crime.

18. In a very recent decision rendered in the case of Sonti Ramakrishna Vs. Sonti Shanthi Shree and another [2009-1- SCC-554], the Honourable Supreme Court has held that though normally threshold interference should not be made under Section 482 Code of Criminal Procedure, quashing of the complaint on facts was just and necessary. It has also held that words uttered in a fit of anger or emotion without any intention cannot be termed as instigation.

12.By applying the above said well settled principles guided by the Hon'ble Supreme Court of India, in a catena of decisions cited supra to the present case, on looking into the words uttered by the petitioner http://www.judis.nic.in cannot be said to be instigation. In the said circumstances, certainly it cannot be said that the petitioner had in any way instigated the deceased to commit suicide or was responsible for the commission of suicide by the deceased boy.

13.Taking into consideration of the totality of the materials on record and facts and circumstances of the case, this Court is of the view that the petitioner cannot be held responsible for the commission of suicide committed by the deceased boy as there was no instigation or abetment on the part of the petitioner in the commission of suicide by the deceased boy.

37. That Hon'ble High Court of Chhattisgarh at Bilaspur in the case of **Raj Shekhar Paliwal Vs. State of Chhattisgarh & another,** reported in **2020 SCC Online CHH 37** while dealing with similar issue related to Section 306 IPC has held that:-

"14. On perusal of the statement of witnesses under Section 161 of Cr.P.C., it is found that there had been occasions and reasons for which the deceased was taken to task by the applicants, it does not appear that the applicants had acted on any false pretext, there had been reasons for their acting or reacting with respect to the activity or any failure on the part of the deceased which is mentioned in the statements of the witnesses- Karambir

Shashtri and Sukanti Shashtri. It appears that the deceased was very much sensitive and she used to become upset after such occasions when she taken to task by the applicants. By taking into consideration, the whole circumstances that occurred before the deceased committed suicide, it can be said that the applicants have acted when they found some kind of fault on the part of the deceased. Being Principal and teacher of the school, the applicants have authority to keep their students under discipline. Imparting education is a serious business and the Principal and the teachers cannot overlook the mistakes or lapses committed by any student and they have to be straight forward and show strictness so that the students takes care to remain in discipline and obey the command of the Principal and teacher. I am of this view that the applicants have not done anything otherwise than what was required to be done.

15.....

16.....

17.....

18. In this particular case, this applicant have acted when they had reasons to do so. The deceased used to become upset because of these incidents, there is nothing to suggest that the applicants had intended that the deceased would go and commit suicide, hence, it cannot be said that there had been any mens-rea on their part, neither it can be said that the applicants had created any circumstance from which the deceased could not come out and she was compelled to commit suicide.

19. Apart from that, the other things that are present in the evidence of this case are these, that the date written on the suicide note is 10.02.2018 and the suicide has been committed by the deceased on 20.02.2018. The acts alleged against the applicants are of previous dates and the last date mentioned is of 16.01.2018, which is about one month prior to the date of incident. Therefore, there appears to be difficulty in connecting all the incidents that have taken place between the applicants and the deceased with the incident of commission of suicide. Hence, I am of this view that in this case, the allegations are though against the applicants but there is nothing to suggest that these applicants have given any kind of abetment to the deceased to commit suicide. Hence, the framing of charge against these applicants under Section 306 read with Section 34 of I.P.C. is erroneous which is liable to be set aside. Hence, the revision petition is allowed and the impugned order framing charge against the applicant is set aside. The applicants are discharged."

38. That the Hon'ble Supreme Court vide order dated 01.10.2020 in the case of **Gurcharan Singh. Vs. The State of Punjab (Criminal Appeal No.40 of 2011)** while dealing with the issue related to section 306 IPC has held that:

13. Section 107 IPC defines "abetment" and in this case, the following part of the section will bear consideration: -

*"107. Abetment of a thing - A person abets the doing of a thing, who - First-Instigates any person to do that thing; or **** **** **** **** **** Thirdly - Intentionally aids, by any act or illegal omission, the doing of that thing."*

14. The definition quoted above makes it clear that whenever a person instigates or intentionally aids by any act or illegal omission, the doing of a thing, a person can be said to have abetted in doing that thing.

15. As in all crimes, mens rea has to be established. To prove the offence of abetment, as specified under Sec 107 of the IPC the state of mind to commit a particular crime must be visible, to determine the culpability. In order to prove mens rea, there has to be something on record to establish or show that the appellant herein had a guilty mind and in furtherance of that state of mind, abetted the suicide of the deceased. The ingredient of mens rea cannot be assumed to be ostensibly present but has to be visible and conspicuous. However, what transpires in the present matter is that both the Trial Court as well as the High Court never examined whether appellant had the mens rea for the crime, he is held to have committed. The conviction of Appellant by the Trial Court as well as the High Court on the theory that the woman with two young kids might have committed suicide, possibly because of the harassment faced by her in the matrimonial house, is not at all borne out by the evidence in the case. Testimonies of the PWs do not show that the wife was unhappy because of the appellant and she was forced to take such a step on his account.

16. The necessary ingredients for the offence under section 306 IPC was considered in the case SS Chheena Vs. Vijay Kumar Mahajan1 where explaining the concept of abetment, Justice Dalveer Bhandari wrote as under:-

"25. Abetment involves a mental process of instigating a person or intentionally aiding a 1 (2010) 12 SCC 190 person in doing of a thing. Without a positive act on the part of the accused to instigate or aid in committing suicide, conviction cannot be sustained. The intention of the legislature and the ratio of the cases decided by this Court is clear that in order to convict a person under Section 306 IPC there has to be a clear mens rea to commit the offence. It also requires an active act or direct act which led the deceased to commit suicide seeing no option and that act must have been intended to push the deceased into such a position that he committed suicide."

17. While dealing with a case of abetment of suicide in Amalendu Pal alias Jhantu vs. State of West Bengal2, Dr. Justice M.K. Sharma writing for the Division Bench explained the parameters of Section 306 IPC in the following terms:

"12. Thus, this Court has consistently taken the view that before holding an accused guilty of an offence under Section 306 IPC, the court must scrupulously examine the facts and circumstances of the case and also assess the evidence adduced before it in order to find out whether the cruelty and harassment meted out to the victim had left the victim with no other alternative but to put an end to her life. It is also to be borne in mind that in cases of alleged abetment of suicide there must be proof of direct or indirect acts of incitement to the commission of suicide."

39. That Allahabad High Court at Lucknow Bench in the case of **Dr. J.P. Bhargava and anr. Vs. State of U.P. (Application u/s 482 No.6195 of 2016)** vide order dated 06.07.2022, while dealing with the abetment to suicide under Section 306 IPC has held that:

"18. Abetment involves a mental process of instigating a person or intentionally aiding a person in doing of a thing. There has to be a positive act on the part of the accused to instigate or aid in committing suicide. If there is no positive act on behalf of the accused to instigate or aid in committing suicide, offence under

Section 306 cannot be said to be made out. In order to convict a person under Section 306 IPC, there has to be a clear *mens rea* to commit the offence. There should be an active act or direct act, which led the deceased to commit suicide. The overt act must be such a nature that the deceased must find himself having no option but to an end to his life. That act must have been intended to push the deceased into such a position that he/she commit suicide. In the suicide-note, only allegation is that the deceased was being frequently transferred and he was being harassed by the applicants. For demanding bribe, the deceased never made any complaint to any authority and the same could not be believed. The facts disclose that the deceased himself was not handing over the charge despite numerous reminders and he was not joining the place of his transfer. The deceased himself was guilty of dereliction of duty. For performing official acts, without there being any intention to push the deceased to commit suicide, the offence under Section 306 IPC against the applicants cannot be said to be attracted. On a plain reading of the suicide-note itself reflects that there was no abetment on the part of the applicants for committing suicide by the deceased.

19.....

20.....

21.....

22.....

23. From the aforesaid discussions, it is evident that the deceased perceived harassment by the applicants as he was transferred in frequent successions on administrative grounds. There is nothing on record to suggest any mens-rea for instigating or abetting the suicide by the applicants. The suicide-note, as has been extracted herein above even does not remotely suggest that the accused-applicants had any intention to aid, instigate or abet the deceased to commit suicide. Transferring the deceased, asking him to handover the charge and not sanctioning earned leave by itself would not constitute the offence of abetment to commit suicide. There is no evidence collected by the CBI to suggest that the applicants intended by such act to instigate the deceased to commit suicide. This Court is of the view that all ingredients of instigation of abetment to commit suicide are completely absent in the material collected during the course of investigation and, therefore, it cannot be said that the accused-applicants have committed any offence under Section 306 IPC. There is no offending action proximate to the time of occurrence on the part of the applicants, which would have led or compelled the deceased to commit suicide. Perceived of harassment by the deceased in the hands of the accused-applicants cannot be a ground for invoking the offence under Section 306 IPC as it cannot be said that the accused-applicants have abetted the commission of suicide by playing any active role or by an act of instigation or doing certain acts to facilitate commission of suicide."

40. That Hon'ble Supreme Court in the case of **Kanchan Kumar. Vs. State of Bihar in Criminal Appeal No.1562 of 2022 vide order dated 14.09.2022** has held that:

"13. The threshold of scrutiny required to adjudicate an application under Section 227 of the Cr.P.C., is to consider the broad probabilities of the case and the total effect of the material on record, including examination of any infirmities appearing in the case. In Prafulla Kumar Samal (supra), it was noted that: (1) That the Judge while considering the question of

framing the charges under Section 227 of the Code has the undoubted power to sift and weigh the evidence for the limited purpose of finding out whether or not a prima facie case against the accused has been made out.

(2) Where the materials placed before the Court disclose grave suspicion against the accused which has not been properly explained the Court will be fully justified in framing a charge and proceeding with the trial.

(3) The test to determine a prima facie case would naturally depend upon the facts of each case and it is difficult to lay down a rule of universal application. By and large however if two views are equally possible and the Judge is satisfied that the evidence produced before him while giving rise to some suspicion but not grave suspicion against the accused, he will be fully within his right to discharge the accused.

(4) That in exercising his jurisdiction under Section 227 of the Code the Judge which under the present Code is a senior and experienced court cannot act merely as a Post Office or a mouthpiece of the prosecution, but has to consider the broad probabilities of the case, the total effect of the evidence and the documents produced before the Court, any basic infirmities appearing in the case and so on. This however does not mean that the Judge should make a roving enquiry into the pros and cons of the matter and weigh the evidence as if he was conducting a trial."

"10. Thus, on a consideration of the authorities mentioned above, the following principles emerge:

(emphasis supplied)

14. In Sajan Kumar v. Central Bureau of Investigation, the Court cautioned against accepting every document produced by the prosecution on face value, and noted that it was important to sift the evidence produced before the Court. It observed that:

i. At the time of framing of the charges, the probative value of the material on record cannot be gone into but before framing a charge the court must apply its judicial mind on the material placed on record and must be satisfied that the commission of offence by the accused was possible.

ii. At the stage of Section 227 and 228, the court is required to evaluate the material and documents on record with a view to find out if the facts emerging therefrom taken at their face value disclose the existence of all the ingredients constituting the alleged offence. For this limited purpose, sift the evidence as it cannot be expected even at that initial stage to accept all that the prosecution states as gospel truth even if it is opposed to common sense or the broad probabilities of the case..."

"21. On consideration of the authorities about the scope of Section 227 and 228 of the Code, the following principles emerge:

(emphasis supplied)

15. Summarising the principles on discharge underSection 227 of the Cr.P.C, in Dipakbhai Jagdishchandra Patel v. State of Gujarat, this Court recapitulated:

"23. At the stage of framing the charge in accordance with the principles which have been laid down by this Court, what the court is expected to do is, it does not act as a mere post office. The court must indeed sift the material before it. The material to be sifted would be the material which is produced and relied upon by the prosecution. The sifting is not to be meticulous in the sense that the court dons the mantle of the trial Judge hearing

arguments after the entire evidence has been adduced after a fullfledged trial and the question is not whether the prosecution has made out the case for the conviction of the accused. All that is required is, the court must be satisfied that with the materials available, a case is made out for the accused to stand trial. A strong suspicion suffices. However, a strong suspicion must be founded on some material. The material must be such as can be translated into evidence at the stage of trial. The strong suspicion cannot be the pure subjective satisfaction based on the moral notions of the Judge that here is a case where it is possible that the accused has committed the offence. Strong suspicion must be the suspicion which is premised on some material which commends itself to the court as sufficient to entertain the prima facie view that the accused has committed the offence."

(emphasis supplied)

16.....

17.....

18. The conclusions that we have drawn are based on materials placed before us, which are part of the case record. This is the same record that was available with the Special Judge (Vigilance) when the application under Section 227 of the Cr.P.C. was taken up. Despite that, the Special Judge (Vigilance) dismissed the discharge application on the simple ground that a roving inquiry is not permitted at the stage of discharge. What we have undertaken is not a roving inquiry, but a simple and necessary inquiry for a proper adjudication of an application for discharge. The Special Judge (Vigilance) was bound to conduct a similar inquiry for coming to a conclusion that a prima facie case is made out for the Appellant to stand trial. Unfortunately, the High Court committed the same mistake as that of the Special Judge (Vigilance)."

41. That the parameters that govern the exercise of this jurisdiction (Discharge Application) have found expression in several decisions of the Supreme Court. The Hon'ble Supreme Court in **State of Karnataka Lokayukta Vs. M.R. Hiremath, 2019 (7) SCC 515,** have observed that at the state of considering an application for discharge, the Court must proceed on the assumption that the material which has been brought on record by the provision should be true and the Court should evaluate the material in order to determine whether the facts emerging from the material taken on its face value discloses the existence of the ingredients necessary to constitute the offence.

42. That the Hon'ble Supreme Court in the case of **Ajay Singh Vs. State of Chhattisgarh in Criminal Appeal no.32-33 of 2017** vide **order dated 06.01.2017** has held that:

"9. Chapter XVIII of CrPC provides for trial before a court of session. Section 227 empowers the trial judge to discharge the accused after hearing the submissions of the accused and the prosecution and on being satisfied that there is no sufficient ground for proceeding against the accused. The key words of the Section are "not sufficient ground for proceeding against the accused". Interpreting the said provision, the Court in P Vijayan v. State of Kerala and another has held that the Judge is not a mere post office to frame the charge at the behest of the prosecution, but has to exercise his judicial mind to the facts of the case in order to determine whether a case for trial has been made out by the prosecution. In assessing this fact, it is not necessary for the court to enter into the pros and cons of the matter or into a weighing and balancing of evidence and probabilities which is really the

function of the court, after the trial starts. At the stage of Section 227, the Judge has merely to sift the evidence in order to find out whether or not there is sufficient ground for proceeding against the accused. In other words, the sufficiency of ground would take within its fold the nature of the evidence recorded by the police or the documents produced before the court which ex facie disclose that there are suspicious circumstances against the accused so as to frame a charge against him."

43. Sri Anurag Shukla, learned counsel for the revisionists has further relied on the judgment in the case of **Harish Dahiya @ Harish & anr. Vs. The State of Punjab & others, (2019 18 SCC 69; Criminal Appeal No.472 of 2021 (Sanjay Kumar Rai.Vs. State of Uttar Pradesh & anr.; Prasanta Kumar Dey. Vs. State of W.B. and another, (2002) 9 SCC 630;** and judgment dated 16.3.2022 passed by this Court in **Application U/S 482 No.16386 of 2021 (Smt. Shila Devi. Vs. State of U.P. and another.).**

44. Learned counsel for the revisionists has submitted that while deciding the discharge application, the Court below has not applied its mind and the question of abetment has not been dealt with because in the present case, the revisionists have not committed any offence and in any manner, they have not abetted or instigated the deceased to commit suicide. As a Principal and Teacher, after the incident, they had taken the necessary measures to send Lalit Yadav to his house but he committed suicide for which they were not responsible in any manner.

45. Learned counsel for the respondent No.2 Sri Sarvjeet Dubey has submitted that this Court has limited scope in revisional jurisdiction and once the material evidence has been collected against the revisionists, the Court cannot do mini-trial and, the pros and cons cannot be looked into, therefore, the revision is liable to be dismissed.

46. It has been further submitted by Sri D.D. Chopra, learned Senior Advocate for the revisionists that the application for discharge under section 227 CrPC was submitted before the Court with several decisions of Supreme Court but while taking the decisions of the case, the Court below did not consider the various aspects and pronouncements of Supreme Court and the order has been passed mechanically. It is argued that the impugned order indicates that the Court has noted the facts of the chargesheet, the arguments of the revisionists and the arguments of the opposite parties but while passing the impugned order, the Court below has not discussed the issues in facts in light of judgments of Supreme Court.

47. Learned counsel for the revisionists has relied on the judgment in the case of Geo Varghese (supra). In the said judgment Supreme Court has postulated that if a student is simply reprimanded by a teacher in the act of indiscipline and the student in emotional state, commits suicide, a teacher cannot be held responsible for abeting the charge. The relevant paragraph-31, 32 and 33 of the said judgment is reproduced hereinbelow:-

"30. Thus, the appellant having found the deceased boy regularly bunking classes, first reprimanded him but on account of repeated acts, brought this fact to the knowledge of the Principal, who called the parents on telephone to come to

the school. No further overt act has been attributed to the appellant either in the First Information Report or in the statement of the complainant, nor anything in this regard has been stated in the alleged suicide note. The alleged suicide note only records insofar as, the appellant is concerned, "THANKS GEO (PTI) OF MY SCHOOL'. Thus, even the suicide note does not attribute any act or instigation on the part of the appellant to connect him with the offence for which he is being charged.

31. If, a student is simply reprimanded by a teacher for an act of indiscipline and bringing the continued act of indiscipline to the notice of Principal of the institution who conveyed to the parents of the student for the purposes of school discipline and correcting a child, any student who is very emotional or sentimental commits suicide, can the said teacher be held liable for the same and charged and tried for the offence of abetment of suicide under Section 306 IPC.

31. Our answer to the said question is 'No'."

48. Learned counsel for the revisionists has further relied on the judgment of Madhya Pradesh High Court at Jabalpur in Writ PetitionNo.11763 of 2018 decided on 20.6.2018. Paragraph-8 of the said judgment is quoted below:-

"8. Nowhere in this petition, has it been alleged, either directly or by necessary implication, that the Respondent No. 4 ever asked the deceased to commit suicide. It has also not been alleged that the Respondent No.4 has such knowledge, that his act would in all probability than not, compel the deceased to commit suicide. The allegation that the Respondent No.4 slapped the deceased, if at all true, only constitutes an offence Section 323 of IPC, which is a non-cognizable offence, where cognizance can only a taken on the basis of a complaint made under Section 200 Cr.P.C."

49. Learned counsel for revisionists has further relied o the judgment of Madras High Court, Madurai Bench, **P. Rajmohan. Vs. State, 2018 0 Supreme (Mad) 3697**, and paragraph-15 of the said judgment clearly points out that father of the deceased girl was summoned by the teacher and he was asked to give apology for the conduct of his daughter; thus, for the abetment of girl deceased, teacher could not be held responsible. For convenience, paragraph-15 of the said judgment is reproduced hereinbelow:-

"15. One important thing to be noted in this case is that the Petitioners being the Teachers of the Government School in the interest of the Institution correct any mistake done by the student in order to cultivate good habits and get rid of bad habits, such as stealing money. In fact, the father of the deceased girl had been summoned and it is stated that he gave a letter of apology for the conduct of his daughter and also undertook that the same would not recur again. In such view of the matter, the act of the petitioners cannot be said that it would amount to abetment of suicide."

50. Similarly, the judgment of Chhattisgarh High Court in the case of Raj **Shekhar Paliwal and another. Vs. State of Chhattisgarh and another, 2020 SCC OnLine Chh 37,** has been relied on by the learned counsel for the revisionists wherein, it has been held that the deceased student was sensitive and she committed suicide. The relevant paragraph-14 of the said judgment is quoted below for convenience:-

"14. On perusal of the statement of witnesses under Section 161 of Cr.P.C., it is found that there had been occasions and reasons for which the deceased was taken to task by the applicants, it does not appear that the applicants had acted on any false pretext, there had been reasons for their acting or reacting with respect to the activity or any failure on the part of the deceased which is mentioned in the statements of the witnesses- Karambir Shashtri and Sukanti Shashtri. It appears that the deceased was very much sensitive and she used to become upset after such occasions when she taken to task by the applicants. By taking into consideration, the whole circumstances that occurred before the deceased committed suicide, it can be said that the applicants have acted when they found some kind of fault on the part of the deceased. Being Principal and teacher of the school, the applicants have authority to keep their students under discipline. Imparting education is a serious business and the Principal and the teachers cannot overlook the mistakes or lapses committed by any student and they have to be straight forward and show strictness so that the students takes care to remain in discipline and obey the command of the Principal and teacher. I am of this view that the applicants have not done anything otherwise than what was required to be done."

51. Learned counsel for the revisionists has further relied on the judgment in the case of **Gurcharan Singh. Vs. State of Punjab, (2020) 10 SCC 200,** and in paragraph-15 thereof, Supreme Court has dealt with the issue of *mens rea* and held that there was no evidence regarding persistent guilt or harassment from the husband. Therefore, the requirement of Section 107 IPC for abetment is not fulfilled. For convenience, paragraph-15 of the said judgment is quoted below:-

"15. As in all crimes, *mens rea* has to be established. To prove the offence of abetment, as specified under Sec 107 of the IPC, the state of mind to commit a particular crime must be visible, to determine the culpability. In order to prove *mens rea*, there has to be something on record to establish or show that the appellant herein had a guilty mind and in furtherance of that state of mind, abetted the suicide of the deceased. The ingredient of *mens rea* cannot be assumed to be ostensibly present but has to be visible and conspicuous. However, what transpires in the present matter is that both the Trial Court as well as the High Court never examined whether appellant had the *mens rea* for the crime, he is held to have committed. The conviction of Appellant by the Trial Court as well as the High Court on the theory that the woman with two young kids might have committed suicide, possibly because of the harassment faced by her in the matrimonial house, is not at all borne out by the evidence in the case. Testimonies of the PWs do not show that the wife was unhappy because of the appellant and she was forced to take such a step on his account."

52. Learned counsel for revisionists has further relied on the judgment in the case of **Sanju @ Sanjay Singh Sengar. Vs. State of Madhya Pradesh, (2002) 5 SCC 371, paragraph-13,** which is quoted below:-

"A plain reading of the suicide note would clearly show that the deceased was in great stress and depressed. One plausible reason could be that the deceased was without any work

or avocation and at the same time indulged in drinking as revealed from the statement of the wife Smt. Neelam Sengar. He was a frustrated man. Reading of the suicide note will clearly suggest that such a note is not a handy work of a man with sound mind and sense. Smt. Neelam Sengar, wife of the deceased, made a statement under Section 161 Cr.P.C. before the Investigation Officer. She stated that the deceased always indulged in drinking wine and was not doing any work. She also stated that on 26th July, 1998 her husband came to them in an inebriated condition and was abusing her and other members of the family. The prosecution story, if believed, shows that the quarrel between the deceased and the appellant had taken place on 25th July, 1998 and if the deceased came back to the house again on 26th July, 1998, it cannot be said that the suicide by the deceased was the direct result of the quarrel that had taken pace on 25th July, 1998. Viewed from the aforesaid circumstances independently, we are clearly of the view that the ingredients of 'abetment' are totally absent in the instant case for an offence under Section 306 I.P.C. It is in the statement of the wife that the deceased always remained in a drunkened condition. It is a common knowledge that excessive drinking leads one to debauchery. It clearly appeared, therefore, that the deceased was a victim of his own conduct unconnected with the quarrel that had ensued on 25th July, 1998 where the appellant is stated to have used abusive language. Taking the totality of materials on record and facts and circumstances of the case into consideration, it will lead to irresistible conclusion that it is the deceased and he alone, and none else, is responsible for his death."

53. He further relied on the judgment Delhi High Court in the case of **Roop Kishore Madan. Vs. State,** reported in **2001 CriLJ 1219,** paragraph-17 of which reads as under:-

"17. The law on the subject has been discussed at length in various judgments of the High Courts and the Supreme Court in Hira Lal Jain. v. State, 2000 III AD (Crl.) DHC 121. It was held that on reading of clause 'First' of Section 107 IPC, it is clear that a person who instigates other to do a thing, abets him to do that thing. A person is said to instigate another when he incites or otherwise encourages another to commit a crime. In the present case, a reading of the so-called, suicide note does not remotely suggest that the petitioner had incited the deceased to commit suicide. There is no material on record to show that the ingredients of offence of abetment had been satisfied and, therefore the offence under Section 306 IPC cannot be said to have been committed. In Taposi Chakervarti v. State, 2000 III AD (Cr.) DHC 233, this Court has elaborately gone into what are the ingredients necessary to satisfy an offence under Section 304 IPC."

54. Learned counsel for the revisionists has further relied on the Allahabad High Court Lucknow Bench judgment in the case of **Dr. J.P. Bhargav and another. Vs. State of U.P. (Application U/S 482 No.6195 of 2016)** with other connected matters, decided on 6.7.2022, paragraph-18 and 23. He has submitted that abetment involves a mental process in which it has come out that abetment involves a mental process of instigating a person or intentionally aiding a person in doing of a thing. There has to be a clear *mens rea* to commit the offence and it has been held that all ingredients of instigation of abetment to commit suicide are completely absent in the material collected during investigation and

55. Learned counsel for the revisionists further relied upon the judgment in the case of **Kanchan Kumar.**

Vs. The State of Bihar, 2022 LiveLaw (SC) 763, wherein Supreme Court has laid down thelaw that roving inquiry is not permitted at the stage of discharge. What has to be seen is that a simple and necessary inquiry for proper adjudication of application for discharge is required. The relevantn paragraph-18 of the said judgment is quoted below:-

"18. The conclusions that we have drawn are based on materials placed before us, which are part of the case record. This is the same record that was available with the Special Judge (Vigilance) when the application under Section 227 of the Cr.P.C. was taken up. Despite that, the Special Judge (Vigilance) dismissed the discharge application on the simple ground that a roving inquiry is not permitted at the stage of discharge. What we have undertaken is not a roving inquiry, but a simple and necessary inquiry for a proper adjudication of an application for discharge. The Special Judge (Vigilance) was bound to conduct a similar inquiry for coming to a conclusion that a prima facie case is made out for the Appellant to stand trial. Unfortunately, the High Court committed the same mistake as that of the Special Judge (Vigilance)."

56. Similarly, another judgment on the post of discharge, has been cited by the learned counsel for the revisionists in the case of **State of Karnataka Lokayukta, Police Station, Bengaluru. Vs. M.R. Hiremath, (2019) 7 SCC 515**, where Supreme Court has given dictum that while taking decision in discharge proceedings, the Court must proceed on the assumption that material which has been brought on record by the prosecution is true and evaluate the material in order to determine whether the facts emerging from the material, taken on the face value, discloses the existence of ingredients necessary to commit the offence. Relevant paragraph-24 and 25 of the said judgment are quoted below:-

"24. The High Court has in the present case erred on all the above counts. The High Court has erred in coming to the conclusion that in the absence of a certificate under Section 65B when the charge sheet was submitted, the prosecution was liable to fail and that the proceeding was required to be quashed at that stage. The High Court has evidently lost sight of the other material on which the prosecution sought to place reliance. Finally, no investigation as such commenced before the lodging of the first information report. The investigating officer had taken recourse to a preliminary inquiry. This was consistent with the decision in Lalita Kumari.

25. The High Court ought to have been cognizant of the fact that the trial court was dealing with an application for discharge under the provisions of Section 239 of the CrPC. The parameters which govern the exercise of this jurisdiction have found expression in several decisions of this Court. It is a settled principle of law that at the stage of considering an application for discharge the court must proceed on the assumption that the material which has been brought on the record by the prosecution is true and evaluate the material in order to determine whether the facts emerging from the material, taken on its face value, disclose the existence of the ingredients necessary to constitute the offence. In the *State of Tamil Nadu v N Suresh Rajan, (2014) 11 SCC 709* adverting to the earlier decisions on the subject; this Court held : (SCC pp 721-22, para 29)

"29...At this stage, probative value of the materials has to be gone into

and the court is not expected to go deep into the matter and hold that the materials would not warrant a conviction. In our opinion, what needs to be considered is whether there is a ground for presuming that the offence has been committed and not whether a ground for convicting the accused has been made out. To put it differently, if the court thinks that the accused might have committed the offence on the basis of the materials on record on its probative value, it can frame the charge; though for conviction, the court has to come to the conclusion that the accused has committed the offence. The law does not permit a mini trial at this stage."

57. Similarly, to support his arguments, learned counsel for revisionists has relied on the judgment in the case of **Ajay Singh and another. Etc. Vs. State of Chhattisgarh and another, (2017) 3 SCC 330**, paragraph-9 which reads as under:-

"9. Chapter XVIII of CrPC provides for trial before a court of session. Section 227 empowers the trial judge to discharge the accused after hearing the submissions of the accused and the prosecution and on being satisfied that there is no sufficient ground for proceeding against the accused. The key words of the Section are "not sufficient ground for proceeding against the accused". Interpreting the said provision, the Court in **P. Vijayan Vs.State of Kerala and another (2010) 2 SCC 398** has held that the Judge is not a mere post office to frame the charge at the behest of the prosecution, but has to exercise his judicial mind to the facts of the case in order to determine whether a case for trial has been made out by the prosecution. In assessing this fact, it is not necessary for the court to enter into the pros and cons of the matter or into a weighing and balancing of evidence and probabilities which is really the function of the court, after the trial starts. At the stage of Section 227, the Judge has merely to sift the evidence in order to find out whether or not there is sufficient ground for proceeding against the accused. In other words, the sufficiency of ground would take within its fold the nature of the evidence recorded by the police or the documents produced before the court which ex facie disclose that there are suspicious circumstances against the accused so as to frame a charge against him."

58. Learned counsel for revisionists has also cited various judgments to make his submissions that while considering the question of framing charge under Section 227 CrPC, the Judge has any doubt due to sift and waive evidence for limited purpose of finding out whether or a prima facie case against the accused has been made out, whether, material placed before the Court discloses grave suspicion against the accused which has not been properly explained.

He has also relied judgment in the case of **Union of India. Vs. Prafulla Kumar Samal and another, (1979) 3 SCC 4; Saranya. Vs. Bharathi and another, (2921) 8 SCC 583; K. Kala Vs. Secretary, Educational Department, 2022 LiveLaw (Mad) 452; M. E. Shivalingamurthy. Vs. Central Bureau of Investigation, Bengaluru, (2020) 2 SCC 768.**

59. He has further relied upon various judgments and has submitted that this Court in exercise of its inherent jurisdiction, can prevent the abuse of process to secure the ends of justice. The discharge application of the revisionists should be decided with compliance of

mandatory statutory provisions of Section 226, 227 and 228 CrPC. He referred to the judgments of *Harish Dahiya* (supra) and *Sanjay Kumar Rai* (supra), *Prashanta Kumar Dey* (supra) and *Smt. Shila Devi* (supra) whicih have been annexed with the application for taking rejoinder affidavit on record dated 16.11.2022.

Submissions of learned counsel for the O.P. No.2 Complainant.

60. That the revisionists upon coming to know about lodging of FIR, approached the High Court by filing Writ Petition No.5269 (M/B) of 2018, which was dismissed on 20.2.2018 on the basis of the statement given by AGA that the investigation has been completed. Later on the revisionists came to know that the investigation was still going on. They preferred another Writ Petition No.1150 (M/B) of 2018 invoking their fundamental right of fair investigation, upon which notice was issued to the I.O.

61. That the revisionists also prayed for quashing of the charge sheet on the extraneous ground that the opposite party No.2 who is the father of the deceased, manipulated the police investigation and using his influence, got the investigation transferred to crime branch since opposite party No.2 is serving in the police department and is posted in the office of S.P. Lakhimpur Kheri thereby insinuating that the investigation was conducted under the influence of opposite party No.2.

62. That on the date of incident i.e., on 3.12.2016 when the deceased went to the school, he was mercilessly and unreasonably, physically assaulted by the revisionists and was also threatened to be ousted from the school for a mere accident which neither resulted in any injury nor was substantial enough for any complaint to be made as verified by the eye-witnesses yet the revisionists made it grave enough to justify their ill-treatment towards the deceased child. Thereafter, the child was forcibly sent to his home alongwith the revisionist No.2 despite knowing that the former's mother is coming to fetch him. Moreover, in spite of the child's mother requesting the revisionist No.2 to stay with the child until she returns home, the revisionist No.2 left him unaccompanied and went back. When Lalit's mother returned home, she found that he had shot himself with the licensed revolver of his father, putting an end to his life.

63. The fact that the revisionists have harassed the deceased in the name of disciplinary action is well-settled by their harsh conduct and hasty steps taken and it was the consequence of their actions which ultimately culminated into the suicide of the child, a plot cleverly crafted on the ground of a mishap, to induce an innocent child to the ill-thought of suicide and commit so, unfailingly. Moreover, it is pertinent to reiterate the statements made by the classmates of deceased Lalit Yadav, duly filed in the chargesheet, that the revisionists have always had an insensitive attitude towards the children, reprimanding the students frequently and unnecessarily. It is undisputable that in order to regulate a child, rebukes by teacher, parents or any elder are must, for instead of being a harsh word to the child, they are strict moral instructions which psychologically leaves a better mark on the child's mind and in turn, encourages the child to be obedient and upright. But, if such a rebuke is made with an intention to lower the self-esteem of a child, to frighten him/her so as not to go against the person chastising, the same

rebuke can mentally paralyze a child thereby making him/her oblivion of rationality.

64. That after the unfortunate incident of Lalit's suicide, around 100-150 students of the said school protested against the revisionists, demanding justice for Lalit and strict action against revisionist No.2. However, the students were suppressed by bouncers and police deployed by revisionist No.1. Such steps indicate and make it undeniable that the revisionists were ruthless and merciless and it was this conduct which created such a mental condition that was enough to abet the suicide of an innocent child that day.

65. That the counsel for revisionists have relied on the judgment of Supreme Court in **Geo Varghese. Vs. State of Rajasthan** (supra in paragraph-4.11) where the appellant Geo Varghese was a PT Teacher I n St. Xavier's School, Nevta, Jaipur. He was also a member of the Disciplinary Committee for maintaining overall discipline by the students of the School. One student of Class 9th of the institution, unfortunately, committed suicide in the morning at about 04.00 a.m. on 26.2.2018. The mother of the deceased-student lodged the FIR on 02.05.2018 before the concerned Police Station under Section 306 IPC after about 7 days of the suicide, alleging that her son committed suicide due to mental harassment meted out by the appellant. The Hon'ble Court in the aforesaid judgment pronounced the acquittal of the appellant. The counsel for revisionists have tried to equate both the cases although there are significant dissimilarities. The respondent in the case cited was habitually disobedient towards the rules and code of conduct of the school, bunking classes frequently and disregarding the warnings given by the appellant. The son of opposite party No.2 in this case had never shown any instance of defiance or disrespect for the code of conduct prescribed by the school and was rather a child of calm and obedient demeanour as affirmed by revisionist No.1 himself. The reprimand given to the child in the case cited was verbal and more of a moralizing nature against the wrongs done unlike the corporal punishment and mental trauma meted out to the child Lalit Yadav I n this case for a mere accident which took place outside the premises of the school and for which no formal complaint, of any kind, was ever made by anybody. The child in the case cited was at home along with his parents when the unfortunate incident of suicide took place while Lalit Yadav was left alone by the revisionist No.2 totally ignoring the request of Lalit's mother to stay with him. The school authorities in the case cited had informed the parents to meet the Principal afraid of which the child committed suicide. In the present case, the revisionists despite calling Lalit's mother to the school had refused to meet her. Moverover, Lalit Yadav had himself informed about the accident to his father before the revisionist No.2 called and re-apprised about the same. Thus the case of Geo Varghese Vs. State of Rajasthan is in no way parallel to the case in hand.

66. That besides the case of Geo Verghese Vs. State of Rajasthan, the counsel for revisionists have cited a whole array of cases equating them with the present case. However, there are marked dissimilarities which do not set a precedent for the case in hand.

i. That in the case of **Sunil Kumar Sen. Vs. State of Madhya Pradesh,** for instance, the deceased

violated the rule of school by sneaking out of the premises before school hours for which she was justifiably admonished.

ii. That in the case of **N. Anjali Devi Vs. The Superintendent of Police,** the deceased was scolded by the Anganwadi teacher who in a fit of rage uttered "go and die" after discovering the stolen money from the bag of deceased; here the Hon'ble Court has highlighted that words uttered in a fit of rage do not amount nto abetment of suicide. Moreover, the deceased was reprimanded for her conduct which itself was immoral. However, in the present case the reprimand meted out to the deceased Lalit Yadav was unnecessary in the light of a minor accident for which the revisionists, in particular, had no authority to admonish since the accident neither took place in the premises nor was it formally reported by anyone.

iii. That in the case of **Sashi Prabha Devi.Vs. State of Assam,** the accused was alleged of having wrongfully struck down the name of the deceased from the student register of Class Xth, owing to which the deceased committed suicide. However, the action was justified against the deceased since she hadn't passed her class Ixth examination and so no case of abetment to suicide could be established.

iv That in the case of **P.Rajamohan Vs. State of Madras,** the deceased was asked to stand outside the class for not bringing the maths testbook and later meet the Headmaster regarding that. There was no evidence of physical assault or mental agony meted out to the deceased, which, it must be reaffirmed, is quite perceptible in the case in hand.

v. That in the case of **Gurucharan Singh Vs. State of Punjab,** it is to be noted that the Apex Court has strongly mentioned that "contignuity, continuity, culpability and complicity of the indictable acts or omissions are the concomitant indices of abetment", and all the key elements are overtly present in this case. The child was neither hypersensitive to get perturbed enough to commit suicide on the spur of the moment nor was dealing with any past distress which could have moved him to such a drastic step. On the day of the unfortunate incident, the child was constantly in the custody of either of the revisionists, who mistreated him firstly in the school premises and later took him back home and left him adequately alarmed about the future damage. Thus the proximity, connection, liability and involvement of the revisionists cannot be repudiated.

67. That the essential ingredient of *mens rea* which the counsel for revisionists argue to be absent, is very well present and is starkly evident from the misconduct of the revisionists towards the deceased Lalit Yadav. The eye-witnesses of the said mishap outside the school has confirmed the maltreatment of revisionist No.2 with the deceased Lalit Yadav and his fried Anshul Gupta, on the road itself. Further, instead of bringing the said matter before the disciplinary committee to decide the further course of action, the revisionists chose to punish the deceased and his fried on their own accord. After sufficiently harassing the students. Anshul was sent back home with a lab assistant whereas the deceased, Lality Yadav was taken home by revisionist No.2 who did not wait back either to inform Lalit's mother as instructed by revisionist No.1 or to consider the request of Lalit's mother to stay with him till she returns. It is therefore clear that the revisionists actively instigated the deceased to commit suicide by instilling a feat of spoiling his career through "disciplinary actions' and "future harm'. And the

argument of the revisionists that the child committed suicide under the apprehension of his father, is thus absolutely baseless and a mere attempt to shift the blame for had it been so the deceased would not have informed about the said accident to his father himself, in the first place.

68. That the revisionists' plea for discharge under Section 227 CrPC is wholly irrelevant in the light of the presence of strong evidence of abetment on their part.

69. That there is the presence of ample evidence against the revisionists which has been duly considered by the learned Court below and thus, the revisionists are liable to be tried.

70. That since the outset, the revisionists have shrewdly concealed the facts and have abused the due process of law seemingly to their advantage. The case has been maliciously prolonged by the revisionists as an attempt to evade from the proceedings by approaching the Hon'ble Supreme Court seeking EX-PARTE STAY on arrest, dated 19.06.2018 and later a stay on trial, dated 06.01.2020, instead of complying with the order dated 22.05.2018 which explicitly mentioned filing of a discharge application, if decisions, within two weeks. The present criminal revision was also filed only with a prospect to extent the case furthermore.

71. Taking into account the arbitrary handling of the accident done by the revisionists, by unreasonably admonishing and physically assaulting the deceased Lality Yadav and giving an added mental pressure of rusticating from the school, and haphazard series of actions from calling the child's mother to school to sending him home with revisionist No.2 without informing the mother beforehand and thereafter leaving him alone, all without any just and fair reason, not to mention the tactics employed by the revisionists since the initiation of this case to protract it for 6 long years simply to deny justice to opposite party, unambiguously sum up the mala fide intent of the revisionists which should be heavily dealt with. Besides, the charges having been framed against the revisionists at this stage call for a fair trial without any further ado since there is prima facie enough evidence to proceed against them and interference of any nature, which defers the proceedings any longer, must not be entertained.

72. That Hon'ble Supreme Court in the case of **State of Bihar Vs. Ramesh Singh (1977 AIR 2018)** which explaining the scope of the sections 227 and 228 CrPC observed:

"Reading the two provisions together in juxtaposition, as they have got to be, it would be clear that at the beginning and the initial stage of the trial the truth, veracity and effect of the evidence which the Prosecutor proposes to adduce are not to be meticulously judged. Nor is any weight to be attached to the probable defence of the accused. It is not obligatory for the Judge at that stage of the trial to consider in any detail and weigh in a sensitive balance whether the facts, if proved, would be incompatible with the innocence of the accused or not. The standard of test and judgment which is to be finally applied before recording a finding regarding the guilt or otherwise of the accused is not exactly to be applied at the stage of deciding the matter under Section 227 or Section 228 of the Code. At that stage the Court is not to 'see whether

there is sufficient ground for conviction of the accused or whether the trial is sure to end in his conviction. Strong suspicion against the accused, if the matter remains in the region of suspicion, cannot take the place of proof of his guilt at the conclusion of the trial. But at the initial stage if there is a strong suspicion which leads the Court to think that there is ground for presuming that the accused has committed an offence then it is not open to the Court to say that there is no sufficient ground for proceeding against the accused."

73. That the essential principles of Section 227 CrPC were duly summarized by the Hon'ble Supreme Court in the case of **Union of India Vs. Prafulla Kumar Samal & another, 1979 AIR 366,:**

"(1) That the Judge while considering the question of framing the charges under Section 227 of the Code has the undoubted power to sift and weigh the evidence for the limited purpose of finding out whether or not a prima facie case against the accused has been made out:

(2) Where the materials placed before the Court disclose grave suspicion against the accused which has not been properly explained the Court will be, fully justified in framing a charge and proceeding with the trial.

(3) The test to determine a prima facie case would naturally depend upon the facts of each case and it is difficult to lay down a rule of universal application. By and large however if two views are equally possible and the Judge is satisfied that the evidence produced before him while giving rise to some suspicion but not grave suspicion against the accused, he will be fully within his right to discharge the accused."

74. That the Hon'ble Supreme Court has elaborated the scope of enquiry under Section 227 CrPC in the case of **Stree Atyachar Virodhi Parishad.Vs. Dilip Nathumal Chordia & anr., 1989 SCC (1) 715,** which says:-

"Sec. 227 itself contains enough guidelines as to the scope of enquiry for the purpose of discharging an accused. It provides that "the Judge shall discharge when he considers that there is no sufficient ground for proceeding against the accused". The 'ground' in the context is not a ground for conviction, but a ground for putting the accused on trial. It is in the trial, the guilt or the innocence of the accused will be determined and not at the time of framing of charge. The Court, therefore, need not undertake an elaborate enquiry in sifting and weighing the material. Nor it is necessary to delve deep into various aspects. All that the Court has to consider is whether the evidenciary material on record if generally accepted, would reasonably connect the accused with the crime. No more need be enquired into."

75. That the Hon'ble Supreme Court in the aforementioned case further says:

"We wish to add a word regarding interference by the High court against a charge framed by the Sessions Court. Section 227 which confers power to discharge an accused was designed to prevent harassment to an innocent person by the arduous trial or the ordeal of prosecution. How that intention is to be achieved is reasonably clear in the section itself. The power has been entrusted to the Sessions Judge who brings to bear his knowledge and experience in criminal trials. Be- sides, he has the assistance of counsel for the accused and Public

Prosecutor. He is required to hear both sides before framing any charge against the accused or for discharging him. If the Sessions Judge after hearing the parties frames a charge and also makes an order in support thereof, the law must be allowed to take its own course. Self restraint on the part of the High Court should be the rule unless there is a glaring injustice stares the Court in the face. The opinion on any matter may differ depending upon the person who views it. There may be as many opinions on a particular matter as there are courts but it is no ground for the High Court to interdict the trial. It would be better for the High Court to allow the trial to proceed."

76. On the other hand, Sri Sarvajeet Dubey, learned counsel for respondent No.2 has relied on the judgment of Supreme Court in the case of **Mahendra Prasad Tiwari. Vs. Amit Kumar Tiwari and another, Criminal Appeal No.1216 of 2022.** According to his submission in application under Section 482 CrPC or revision under Section 397 CrPC while passing the order on the application for discharge, the correctness and sufficiency of evidence cannot be gone into by this Court and this Court should apply the principle if the entire evidence produced by the prosecution is to be believed, would it constitute an offence or not. Relevant paragraph-21, 22, 24, 25 and 26 of the said judgment are reproduced hereinbelow:-

"21. The law is well settled that although it is open to a High Court entertaining a petition under Section 482 of the CrPC or a revision application under Section 397 of the CrPC to quash the charges framed by the trial court, yet the same cannot be done by weighing the correctness or sufficiency of the evidence. In a case praying for quashing of the charge, the principle to be adopted by the High Court should be that if the entire evidence produced by the prosecution is to be believed, would it constitute an offence or not. The truthfulness, the sufficiency and acceptability of the material produced at the time of framing of a charge can be done only at the stage of trial. To put it more succinctly, at the stage of charge the Court is to examine the materials only with a view to be satisfied that prima facie case of commission of offence alleged has been made out against the accused person. It is also well settled that when the petition is filed by the accused under Section 482 CrPC or a revision Petition under Section 397 read with Section 401 of the CrPC seeking for the quashing of charge framed against him, the Court should not interfere with the order unless there are strong reasons to hold that in the interest of justice and to avoid abuse of the process of the Court a charge framed against the accused needs to be quashed. Such an order can be passed only in exceptional cases and on rare occasions. It is to be kept in mind that once the trial court has framed a charge against an accused the trial must proceed without unnecessary interference by a superior court and the entire evidence from the prosecution side should be placed on record. Any attempt by an accused for quashing of a charge before the entire prosecution evidence has come on record should not be entertained sans exceptional cases. [see State of Delhi Vs. Gyan Devi, (2000) 8 SCC 239].

22. The scope of interference and exercise of jurisdiction under Section 397 of CrPC has been time and again explained by this Court. Further, the scope of interference under Section 397 CrPC at a stage, when charge had been framed, is also well settled. At the stage of framing of a

charge, the court is concerned not with the proof of the allegation rather it has to focus on the material and form an opinion whether there is strong suspicion that the accused has committed an offence, which if put to trial, could prove his guilt. The framing of charge is not a stage, at which stage the final test of guilt is to be applied. Thus, to hold that at the stage of framing the charge, the court should form an opinion that the accused is certainly guilty of committing an offence, is to hold something which is neither permissible nor is in consonance with the scheme of Code of Criminal Procedure.

24. It is useful to refer to judgment of this Court in Amit Kapoor and Ramesh Chander, (2012) 9 SCC 460, where the scope of Section 397 CrPC has been succinctly considered and explained. Para 12 and 13 resply are as follows:

"12. Section 397 of the Code vests the court with the power to call for and examine the records of an inferior court for the purposes of satisfying itself as to the legality and regularity of any proceedings or order made in a case. The object of this provision is to set right a patent defect or an error of jurisdiction or law. There has to be a well-founded error and it may not be appropriate for the court to scrutinize the orders, which upon the face of it bears a token of careful consideration and appear to be in accordance with law. If one looks into the various judgments of this Court, it emerges that the revisional jurisdiction can be invoked where the decisions under challenge are grossly erroneous, there is no compliance with the provisions of law, the finding recorded is based on no evidence, material evidence is ignored or judicial discretion is exercised arbitrarily or perversely. These are not exhaustive classes, but are merely indicative. Each case would have to be determined on its own merits.

"13. Another well-accepted norm is that the revisional jurisdiction of the higher court is a very limited one and cannot be exercised in a routine manner. One of the inbuilt restrictions is that it should not be against an interim or interlocutory order. The Court has to keep in mind that the exercise of revisional jurisdiction itself should not lead to injustice ex facie. Where the Court is dealing with the question as to whether the charge has been framed properly and in accordance with law in a given case, it may be reluctant to interfere in exercise of its revisional jurisdiction unless the case substantially falls within the categories aforestated. Even framing of charge is a much advanced stage in the proceedings under the CrPC."

25. The Court in para 27 has recorded its conclusion and laid down the principles to be considered for the exercise of jurisdiction under Section 397 particularly in the context of quashing of charge framed under Section 228 CrPC. Paras 27, 27(1), (2), (3), (9), (13) resply are extracted as follows:

"27. Having discussed the scope of jurisdiction under these two provisions, i.e., Section 397 and Section 482 of the Code and the fine line of jurisdictional distinction, now it will be appropriate for us to enlist the principles with reference to which the courts should exercise such jurisdiction. However, it is not only difficult but is inherently impossible to state with precision such principles. At best and upon objective analysis of various judgments of this Court, we are able to cull out some of the principles to be considered for proper exercise of jurisdiction, particularly, with regard to quashing of charge either in exercise of jurisdiction under Section 397 or Section 482 of the Code or together, as the case may be:

27.1. Though there are no limits of the powers of the Court under Section 482 of the Code but the more the power, the more due care and caution is to be exercised in invoking these powers. The power of quashing criminal proceedings, particularly, the charge framed in terms of Section 228 of the Code should be exercised very sparingly and with circumspection and that too in the rarest of rare cases.

27.2. The Court should apply the test as to whether the uncontroverted allegations as made from the record of the case and the documents submitted therewith prima facie establish the offence or not. If the allegations are so patently absurd and inherently improbable that no prudent person can ever reach such a conclusion and where the basic ingredients of a criminal offence are not satisfied then the Court may interfere.

27.3. The High Court should not unduly interfere. No meticulous examination of the evidence is needed for considering whether the case would end in conviction or not at the stage of framing of charge or quashing of charge.

X X X 27.9. Another very significant caution that the courts have to observe is that it cannot examine the facts, evidence and materials on record to determine whether there is sufficient material on the basis of which the case would end in a conviction; the Court is concerned primarily with the allegations taken as a whole whether they will constitute an offence and, if so, is it an abuse of the process of court leading to injustice.

X X X 27.13. Quashing of a charge is an exception to the rule of continuous prosecution. Where the offence is even broadly satisfied, the Court should be more inclined to permit continuation of prosecution rather than its quashing at that initial stage. The Court is not expected to marshal the records with a view to decide admissibility and reliability of the documents or records but is an opinion formed prima facie...."

26. This Court in the case of Chitresh Kumar Chopra v. State (Government of NCT of Delhi), reported in (2009) 16 SCC 605, observed in para 25 as under:-

"25. It is trite that at the stage of framing of charge, the court is required to evaluate the material and documents on record with a view to finding out if the facts emerging therefrom, taken at their face value, disclose the existence of all the ingredients constituting the alleged offence or offences. For this limited purpose, the court may sift the evidence as it cannot be expected even at the initial stage to accept as gospel truth all that the prosecution states. At this stage, the court has to consider the material only with a view to find out if there is ground for "presuming" that the accused has committed an offence and not for the purpose of arriving at the conclusion that it is not likely to lead to a conviction. (See: Niranjan Singh Karam Singh Punjabi & Ors. Vs. Jitendra Bhimraj Bijja & Ors, (1990) 4 SCC 76)."

77. Learned counsel for respondent No.2 has further relied on the judgment of Supreme Court in the case of **State of Rajasthan. Vs. Ashok Kumar Kashyap, Criminal appeal No.407 of 2021, para 9.1, 9.2 and 13.** He has submitted that probative value of evidence cannot be waived by the Court and once, the material has been collected, it should be presumed that the offence has been committed and the Court cannot become trial Court while exercising the power under Section 227 CrPC. Paragraph 9.1, 9.2 and 11 of the said judgment are quoted below:-

"9.1 In the case of P. Vijayan (supra), this Court had an occasion to consider Section 227 of the Cr.P.C. What is

required to be considered at the time of framing of the charge and/or considering the discharge application has been considered elaborately in the said decision. It is observed and held that at the stage of Section 227, the Judge has merely to sift the evidence in order to find out whether or not there is sufficient ground for proceeding against the accused. It is observed that in other words, the sufficiency of grounds would take within its fold the nature of the evidence recorded by the police or the documents produced before the Court which ex facie disclose that there are suspicious circumstances against the accused so as to frame a charge against him. It is further observed that if the Judge comes to a conclusion that there is sufficient ground to proceed, he will frame a charge under Section 228 Cr.P.C., if not, he will discharge the accused. It is further observed that while exercising its judicial mind to the facts of the case in order to determine whether a case for trial has been made out by the prosecution, it is not necessary for the court to enter into the pros and cons of the matter or into a weighing and balancing of evidence and probabilities which is really the function of the court, after the trial starts.

9.2 In the recent decision of this Court in the case of M.R. Hiremath (supra), one of us (Justice D.Y. Chandrachud) speaking for the Bench has observed and held in paragraph 25 as under:

"25. The High Court ought to have been cognizant of the fact that the trial court was dealing with an application for discharge under the provisions of Section 239 CrPC. The parameters which govern the exercise of this jurisdiction have found expression in several decisions of this Court. It is a settled principle of law that at the stage of considering an application for discharge the court must proceed on the assumption that the material which has been brought on the record by the prosecution is true and evaluate the material in order to determine whether the facts emerging from the material, taken on its face value, disclose the existence of the ingredients necessary to constitute the offence. In State of T.N. Vs. N. Suresh Rajan [State of T.N. v. N. Suresh Rajan, (2014) 11 SCC 709, adverting to the earlier decisions on the subject, this Court held: (SCC pp. 721-22, para 29)

"29. ... At this stage, probative value of the materials has to be gone into and the court is not expected to go deep into the matter and hold that the materials would not warrant a conviction. In our opinion, what needs to be considered is whether there is a ground for presuming that the offence has been committed and not whether a ground for convicting the accused has been made out. To put it differently, if the court thinks that the accused might have committed the offence on the basis of the materials on record on its probative value, it can frame the charge; though for conviction, the court has to come to the conclusion that the accused has committed the offence. The law does not permit a mini trial at this stage."

"11. Having considered the reasoning given by the High Court and the grounds which are weighed with the High Court while discharging the accused, we are of the opinion that the High Court has exceeded in its jurisdiction in exercise of the revisional jurisdiction and has acted beyond the scope of Section 227/239 Cr.P.C. While discharging the accused, the High Court has gone into the merits of the case and has considered whether on the basis of the material on record, the accused is likely to be convicted or not. For the aforesaid, the High Court has considered in detail the transcript of the conversation

between the complainant and the accused which exercise at this stage to consider the discharge application and/or framing of the charge is not permissible at all. As rightly observed and held by the learned Special Judge at the stage of framing of the charge, it has to be seen whether or not a prima facie case is made out and the defence of the accused is not to be considered. After considering the material on record including the transcript of the conversation between the complainant and the accused, the learned Special Judge having found that there is a prima facie case of the alleged offence under Section 7 of the PC Act, framed the charge against the accused for the said offence. The High Court materially erred in negating the exercise of considering the transcript in detail and in considering whether on the basis of the material on record the accused is likely to be convicted for the offence under Section 7 of the PC Act or not. As observed hereinabove, the High Court was required to consider whether a prima facie case has been made out or not and whether the accused is required to be further tried or not. At the stage of framing of the charge and/or considering the discharge application, the mini trial is not permissible. At this stage, it is to be noted that even as per Section 7 of the PC Act, even an attempt constitutes an offence. Therefore, the High Court has erred and/or exceeded in virtually holding a mini trial at the stage of discharge application."

78. He has also relied on the judgment of Rajasthan High Court at Jabalpur Bench in the case of **Mohan Ram. Vs. State of Rajasthan and another. Criminal Revision Petition No.229 of 2022, dated on 1.4.2022.** The issue of framing of charge is mentioned in para 11.8 of the judgment, the relevant portion of which is quoted below:-

"11.8 .... The above-stated principles clearly show that inherent as well as revisional jurisdiction should be exercised cautiously. If the jurisdiction under Section 482 of the Code in relation to quashing of an FIR is circumscribed by the factum and caution afore-noticed, in that event, the revisional jurisdiction, particularly while dealing with framing of a charge, has to be even more limited. Framing of a charge is an exercise of jurisdiction by the trial court in terms of Section 228of the Code, unless the accused is discharged under Section 227 of the Code. Under both these provisions, the court is required to consider the 'record of the case' and documents submitted therewith and, after hearing the parties, may either discharge the accused or where it appears to the court and in its opinion there is ground for presuming that the accused has committed an offence, it shall frame the charge. Once the facts and ingredients of the Section (27 of 32) [CRLR-229/2022] exists, then the Court would be right in presuming that there is ground to proceed against the accused and frame the charge accordingly. This presumption is not a presumption of law as such. The satisfaction of the court in relation to the existence of constituents of an offence and the facts leading to that offence is a sine qua non for exercise of such jurisdiction. It may even be weaker than a prima facie case. There is a fine distinction between the language of Section 227 and 228 228 of the Code. Section 227 is expression of a definite opinion and judgment of the Court while Section 228 is tentative. Thus, to say that at the stage of framing of charge, the Court should form an opinion that the accused is certainly guilty of committing an offence, is an approach which is impermissible in terms of Section 228 of the Code. It may also be

noticed that the revisional jurisdiction exercised by the High Court is in a way final and no inter court remedy is available in such cases. of course, it may be subject to jurisdiction of this Court under Article 136 of the Constitution of India. Normally, a revisional jurisdiction should be exercised on a question of law. However, when factual appreciation is involved, then it must find place in the class of cases resulting in a perverse finding. Basically, the power is required to be exercised so that justice is done and there is no abuse of power by the court. Merely an apprehension or suspicion of the same would not be a sufficient ground for interference in such cases."

To support his argument, learned counsel for respondent No.2 has further relied on the judgment of Allahabad High Court, Lucknow Bench in **Criminal Revision No.1116 of 2019, Rakesh Kumar Pandey and another. Vs. State of U.P. and another,** decided on 15.2.2022. In the said judgment, the cases of Sanjay Kumar Rai (supra) and Ashok Kumar Kashyap (supra) have been dealt with which have already been discussed in the foregoing paragraphs of this judgment.

Facts and Evidence for consideration:-

79. After lodging FIR, the Investigating Officer has recorded statement of witnesses under Section 161 CrPC. Statement of revisionist No.1 was recorded under Section 161 CrPC by the Investigating Officer and he stated before the Investigating Officer that he had instructed PT Teacher revisionist No.2 to inform the occurrence to the parents and he also asked him to call his parents so that the deceased Lalit Yadav could have been given handed over to parents. He was informed by the PT Teacher about the incident which had taken place. The Principal revisionist No.1 had stated that he did not make any physical assault against the deceased Lalit Yadav. The friend of deceased Lalit Yadav was slapped by him because he became rash when he was asked to come inside the Office. It was further stated by the revisionist No.1 under Section 161 CrPC that the motorcycle of Anshul andn Lalit Yadav was collided with rickshaw and people were beating Lalit; therefore, he was called by him in the School. He further informed the parents after prayer assembly was over. He asked certain questions from Anshul Gupta who was talking in an exciting manner, therefore, he slapped him. On the same time he told both of them i.e., Anshul Gupta and Lalit Yadav that he would call their parents. He further instructed PT Teacher James John to send Lalit Yadav to his house and Anshul Gupta along with Teacher Luis James. He further told they they would inform their parents that they would be suspended. They were suspended till Monday.

80. Similarly, revisionist No.2 James John also got recorded his statement under Section 161 CrPC and he admitted that Lalit Yadav was dropped by him to his house and parents of Lalit Yadav were informed regarding the occurrence which had taken place. He narrated the facts that how the motorcycle driven by Anshul Gupta and Lalit Yadav collided with rickshaw and he had also come to the place of occurrence and took them inside the School.

81. Statement of Amar Nath Yadav father of deceased Lalit Yadav was recorded under Section 161 CrPC He stated that his son Lalit Yadav was studying in

Class-XII-A in Cathedral School, Hazratganj, Lucknow. He had gone to school on 3.12.2016 at about 7.45 a.m. He received call on 7.58 in the morning from PT Teacher that the revisionist No.2 who told him that the motorcycle of his son was collided with rickshaw due to which the wheel of the rickshaw was damaged. The PT Teacher told him that he would present his son to the Father (Principal). He told the PT Teacher that he was posted in Lakhimpur Kheri, therefore, he was unable to come and asked him not to harass him. His son Lalit Yadav informed him that his motorcycle had collided with rickshaw and he provided Rs.150/- to the rickshaw puller. In the meantime, the PT Teacher revisionist No.2 snatched his phone and he could not talk further. He informed his wife on her cell phone and asked her to bring her son to home. His wife asked him to send his cousin brother along with vehicle so that Lalit Yadav could be brought to home. The wife proceeded to school and she was told that motorcycle and mobile of his son were deposited in the school and after rustication, his son was sent to home along with PT Teacher revisionist No.2. His wife was returning to the house from the school and in the meantime, she was informed by the PT Teacher that his son was brought to her home by himself (PT Teacher). His wife asked him not to leave his son alone but the PT Teacher after dropping his son, came back to the school. His wife reached the house and also contacted the PT Teacher on phone as to where her son was and he told her that he had already dropped him on the gate. His wife knocked the door but no one replied. Ajay Yadav the cousin brother anyhow came inside the house through balcony and when his wife went in the upper room of the son, she saw that he had committed suicide by licensed revolver. The deceased son was brought to the trauma centre where he died during medical treatment. It has been further stated by the father of the deceased that PT Teacher and Father the revisionist No.1 and 2 had beaten and harassed mentally and physically and had threatened to rusticate him that is why, his son committed suicide.

82. Smt. Shiv Devi wife of Amar Nath Yadav mother of the deceased was also examined by the Police and her statement was recorded under Section 161 CrPC. She narrated almost the same facts as stated by her husband Amar Nath Yadav. She stated that when the motorcycle of Lalit Yadav was collided with rickshaw his son was called by the Father of the School and the PT Teacher, and he was asked not to leave the school unless his parents could come to the School. She was informed that she should take away her son from the School and she reached the School but she was told that her son was taken away by the PT Teacher to her house and he was rusticated. The Father of the School revisionist No.1 refused to meet her; therefore, she returned back to her home and when she was coming to house, the PT Teacher revisionist No.2 informed her that he had brought her son to her house. She asked him not to leave his son. When she reached the house, the house was locked and anyhow, Ajay Yadav cousin brother of her husband went inside the house through window and the gate was opened and she saw that her son had shot fire by licensed revolver. Her son was breathing, therefore, he was brought to trauma centre along with help of neighbours but lastly her son succumbed during treatment.

83. Anshul Gupta, friend of deceased Lalit Yadav, who was present with the deceased at the time of occurrence in the school, was also examined by Police. He

stated before the Investigating Officer that on 2.1.2016, he was called by the deceased Lalit Yadav in the night and asked him that they would take tea tomorrow. ON the next day, they met in front of the parking of the school. Deceased Lalit Yadav asked him to park his vehicle inside the school and asked him to come along with his motorcycle and he desired to take tea. After taking tea, they were coming back to School. It was delay, therefore, the prayer assembly could not be attended by them and they were standing outside the gate. While coming towards the gate, his motorcycle was collided with rickshaw due to which an old lady passenger sitting in the rickshaw, fell down. Many parents/guardians already standing there and passersby came to the place of incident and they had scolded Lalit and Anshul Gupta. Some one slapped him. In the meantime, the PT Teacher revisionist No.2 came to the place of incident. He asked about the incident which was told by him. Rs.150/0 was given to the rickshaw puller. PT Teacher brought them inside the School and the prayer was already over. In the meantime, deceased Lalit Yadav had taken out his cell phone and told entire incident to his father but the PT Teacher, revisionist No.2 snatched the phone and switched it off and it was handed over to the Father. The PT Teacher narrated all the facts to the Father which took place outside the School. Father asked him to control the crowd outside the School and they were taken to School. The Father stated that they will be suspended and their parents will be informed. They also expressed their sorry before the Father. The Father had slapped Anshul Gupta. Again Anshul Gupta stated before the Father that it was not so big incident; therefore, they should be pardoned. Again, the Father slapped Anshul Gupta. He further stated that Lalit Yadav was very much perturbed and he was saying that his career was finished. He will not be allowed to attend the examination and his parents would definitely scold him. On such statement made by Lalit Yadav, Anshul Gupta told him that everything will be alright. Lalit Yadav was sent to his house by the PT Teacher.

Finding of the Court

84. The argument advanced by the learned counsel for the respondent o.2 is that at the stage of framing of charge, the Court has to consider the material only with a view to find out if there is a ground for presuming that the accused has committed the offence. The Court has to evaluate the material and documents on record with a view to find out the facts emerging therefrom at their face value, disclose the existence of all the ingredients constituting the alleged offence or offences. If the Court finds that the order passed by the Court below is without application of mind and the issue in fact and law is not decided, certainly the Court has power under Section 397/401 CrPC to interfere in the matter. The Court has to exercise its power to prevent the abuse of process or to secure the ends of justice. The argument of learned counsel for the respondent NO.2 has no force so far as the power to secure the ends of justice and power of interference of this Court under Section 397 CrPC is concerned. I have to see the legality in the order passed by the Court below. In case it is found that the order passed by the Magistrate is not within the parameters of Section 227 CrPC, then certainly this Court can direct the Court concerned to take decision or set aside the order to mete out the ends of justice.

85. The impugned order has to be seen and a decision is required to be

taken in consonance with the scheme of Section 107 and 305 IPC read with scope of Section 227 CrPC. The Court below has recorded the facts of the case under Section 161 CrPC of mother and father of deceased and thereafter, statement of Anshul Guupta who is companion of deceased. Many judgments of Supreme Court has been mentioned, but no discussion of the judgment has been done. In the last portion of the impugned order, the Court has recorded the finding by giving reason that the revisionists have not adopted the procedure for disciplinary proceedings against the deceased student and since no disciplinary proceedings were adopted against the deceased by competent authority, therefore, the suicide committed by the deceased goes to show that the revisionists are responsible in abetment. The Court has not examined the facts of the case coupled with the requirement of Section 107, 305 IPC and Section 227 CrPC. The Court has to look into whether the entire material collected against the revisionists discloses the offence. The Court has not discussed the material and no finding has been recorded, even various judgments cited by the learned counsel for the revisionists have been mentioned but what law has been pronounced and how those cases are applicable or not applicable, has not been considered and decided. Once the Court has stated the facts of the case, then while passing the judgment, it has to discuss the evidence on record and open its mind whether the evidence and material discloses offence against the revisionists but I find that no such exercise has been done by the Court. The operative portion of the Court is non-speaking and no reason has been assigned. The ratio of the judgments have also not been discussed and the decision is taken in mechanical manner.

86. The Court has to see in the present matter as to how the offence for abetment of suicide under Section 305 IPC is made out and how direct and indirect evidence are there for incitement to commission of offence. Whether the accused had instigated the deceased to commit suicide and whether they are involved in any manner so that the deceased committed suicide. The Court has to see that if any indiscipline had taken place by the deceased, whether the revisionists being Principal and Teacher, were under the duty to take appropriate action to maintain the discipline in the School.

87. In view of aforesaid discussion, the factual aspect of the case as well as various pronouncements of Supreme Court, I am of the view that the matter requires reconsideration.

88. Accordingly, the matter is remanded back to the Court below with direction to take a fresh decision in the light of observations made above in accordance with law within a period of three months from today. The Court below will not be influenced by the observations made by this Court hereinabove and will take decision after applying its mind in accordance with law.

89. The revision is allowed. The order dated 14.3.2019 passed by the Additional Sessions Judge-1st, Lucknow in S.T. No.34 of 2019 (State. Vs. Father Melvin Saldanha and another.) is set aside.

(2023) 1 ILRA 69
REVISIONAL JURISDICTION
CRIMINAL SIDE
DATED: LUCKNOW 25.11.2022

BEFORE

THE HON'BLE MRS. JYOTSNA SHARMA, J.

Criminal Revision No. 1399 of 2022

Girish Kumar ...Revisionist
Versus
State of U.P. & Ors. ...Opposite Parties

Counsel for the Revisionist:
Sushil Kumar, Mukul Yadav

Counsel for the Opposite Parties:
G.A.

A. Criminal Law - Code of Criminal Procedure, 1973 - Section 397/401 - Indian Penal Code, 1860-Sections 363, 366 & 376 - POCSO Act-Legality of-Juvenile was found to be aged about 16 years and 3 months at the time of occurrence-She got pregnant because of rape committed on her by her jeeja and she was unwilling to go with her husband-Child Welfare committee passed the impugned order detaining her in Rajkiya Balgrih-Her institutional custody seems better than family custody-The Act, 2015 provides vast powers to CWC on the principles of best interest of a child-juvenile delivered a child , who too is staying in shelter home-she is a mother with an infant to take care and she might be in need of a family support-Hence, the matter is remanded back to the appellate court to decide the matter afresh.(Para 1 to 17)

B. When an order is passed of the nature as is under challenge before this Court, the appeal shall be entertainable by the Children's Court and not by the District Magistrate; the District Magistrate is empowered to hear appeals only against the decisions of the Committee relating to foster care and sponsorship after care. The order in question does not fall under this category. The appellate court was wrong in holding that appeal did not lie before it.(Para 11)

The revision is disposed of. (E-6)

(Delivered by Hon'ble Mrs. Jyotsna Sharma, J.)

1. Heard Sri Mukul Yadav, learned counsel for the revisionist and learned A.G.A. for the State.

2. This revision has been filed challenging the order dated 11.01.2022 passed by the Child Welfare Committee, Kasganj and further challenging the order dated 26.10.2022 passed by the Special Judge (POCSO Act) in Criminal Appeal No.7 of 2022 in a matter arising out of Case Crime No.140 of 2022, under sections- 363, 366, 376 I.P.C., Police Station- Sunngarh, District- Kasganj.

3. The relevant facts giving rise to this revision are as below:-

An F.I.R. was lodged by father of the victim alleging abduction of his daughter; the victim was recovered and was directed to be produced before the Child Welfare Committee; the Child Welfare Committee passed an order dated 11.01.2022 simultaneously rejecting four applications, one moved on behalf of mother of the victim and second moved on behalf of the married sister of the victim namely Islanti and two applications moved by the victim herself. The facts and circumstances of the case as put before the Child Welfare Committee indicated that the victim became pregnant with the child of her jeeja Om Pal, husband of her real sister Islanti. It may be noted that one of the

applicant was Islanti, wife of Om Pal; the girl was married of to one Ghanshyam by her parents; she did not stay with her husband; instead went with her jeeja and her real sister where she got pregnant; the Child Welfare Committee observed that there were two applications from the side of victim herself, one expressing willingness to go with her parents and the other expressing willingness to go with her sister and jeeja. Taking all the circumstances into consideration, the Child Welfare Committee, found it fit to detain her in the Rajkiya Balgrih Swaroopnagar, Kanpur by order dated 11.01.2022.

4. The appeal preferred by her father against the above order was dismissed, inter-alia on the assumption that legally appeal could have been filed before the District Magistrate only and that the children court had no jurisdiction to hear the appeal.

5. Section- 101 of the Juvenile Justice Act, 2015 is as below:-

"(1) Subject to the provisions of this Act, any person aggrieved by an order made by the Committee or the Board under this Act may, within thirty days from the date of such order, prefer an appeal to the "Children's Court", except for decisions by the Committee related to Foster Care and Sponsorship After Care for which the appeal shall lie with the District Magistrate."

6. It is quite clear from this provision of law that appeal shall lie to the District Magistrate with respect to decisions by the Child Welfare Committee relating to foster care and sponsorship after care only. The appeal in respect of other orders passed by the Child Welfare Committee shall lie to the 'Children's Court' within 30 days from the date of order. Before analysing this provision, it will be appropriate to peruse the order passed by the Child Welfare Committee to decide upon whether this order falls in the category where the appeal may lie to Children's Court or in the category where appeal shall lie to District Magistrate.

7. Following facts are not disputed that the victim girl was produced before the Child Welfare Committee in pursuance of an order passed by Judicial Magistrate, Kasganj in a case arising out of a matter in Case Crime No.140 of 2021, under sections- 363, 366, 376 I.P.C., Police Station- Sunngarh, District- Kasganj.

8. From perusal of the impugned order, it seems that the victim was put to counselling by the Child Welfare Committee and she gave a statement that she was married of to one Ghanshyam against her wishes by her father in July, 2021; she did not like him therefore, she returned to her parents place; meanwhile, she developed illicit relations with her jeeja Om Pal and eloped with him to a place in Punjab where she stayed with him for 15 days and also called her sister and all the three lived together peacefully; she became pregnant with the child of her jeeja and now she wanted to stay with him only; the Child Welfare Committee noted that her natural mother Meera Devi moved an application for releasing the victim in her custody wherein she alleged that her (victim's) jeeja enticed her away though he already had four kids from her elder sister and that the victim is minor, not able to understand the consequences of her act; the Child Welfare Committee also noted that her real sister, Islanti wife of Om Pal also moved an application to get her released

into her custody; in her application, Islanti imputed certain allegations against her own father stating that her father got the victim married of to a person after getting some money in return; victim took shelter in her house and was staying with them out of her own free will and desire at Punjab and that a false F.I.R. had been lodged by her father; it was also alleged therein that she was not a minor and that she wanted to go with her sister and jeeja only. The Child Welfare Committee came to conclusion that the victim is a minor aged about 16 years and 3 months and that she got pregnant because of rape committed on her by her jeeja and she was unwilling to go with her husband Ghanshyam; in these circumstances, the impugned order detaining her in a Rajkiya Balgrih was passed.

9. This revision has been filed on behalf of the father of the victim on the ground that because she is minor she should have been released in custody of her parents/revisionist.

10. I went through the material on record in the light of submissions before this Court. As per scheme of the Juvenile Justice Act, the Child Welfare Committee, irrespective of any other law, has power to deal exclusively with all proceedings relating to 'children in need of care and protection' under **Section-29** of the Juvenile Justice Act, 2015. The functions and responsibilities of Committee include taking cognizance of and receiving the child produced beformca prospectuse it, conducting inquiry on all issues relating to safety and well being of a child as well as ensuring care, protection, appropriate rehabilitation and most importantly restoration of 'children in need of care and protection' **(Section-30** of the Juvenile Justice Act, 2015). **Section-37** of the Juvenile Justice Act, 2015 empowers the Committee, after being satisfied through an inquiry, consideration of social investigation report submitted by Child Welfare Officer and taking into account the child's wishes, in case the child is sufficiently matured, to take a view and pass one or more of following order, namely:-

(a) declaration that a child is in need of care and protection;

(b) restoration of the child to parents or guardian or family with or without supervision of Child Welfare Officer or designated social worker;

(c) placement of the child in Children's Home or fit facility or Specialised Adoption Agency for the purpose of adoption for long term or temporary care, keeping in mind the capacity of the institution for housing such children, either after reaching the conclusion that the family of the child cannot be traced or even if traced, restoration of the child to the family is not in the best interest of the child;

(d) placement of the child with fit person for long term or temporary care;

(e) foster care orders under section 44;

(f) sponsorship orders under section 45;

(g) .....;

(h) .....

10. On perusal of the above provisions of Juvenile Justice Act, 2015, it is demonstrated that Child Welfare Committee is given vast powers on the principles of best interest of a child, a thread which goes through the whole of the scheme of the Juvenile Justice Act, 2015. It has been specifically provided by the section-3 of the Juvenile Justice Act, 2015

that Central Government, State Governments, the Board and other agencies, as the case may be, while implementing the provisions of the Act, shall be guided by the fundamental principles which include principles of best interest, principle of family responsibilities, the principle of safety, the principles of repatriation and restoration and several others.

11. The provisions of law as aforesaid are being reproduced here with the twin object; **firstly,** that when an order is passed of the nature as is under challenge before this Court, the appeal shall be entertainable by the Children's Court and not by the District Magistrate; the District Magistrate is empowered to hear appeals only against the decisions of the Committee relating to foster care and sponsorship after care. The order in question does not fall in this category. The appellate court was thus wrong in holding that appeal did not lie before it. Therefore, the impugned order is liable to be set-aside; secondly, it may be noted that when a child in need of care and protection is lodged in any shelter home, it is a measure of temporary nature; the Child Welfare Committee is fully empowered to take a decision where it is found no more necessary to detain her. It may be noted that legally a child in need of care and protection may be detained for a further period even if he/she has attained majority if it is found that it will not be in his/her best interest to release him/her immediately.

12. It is brought to notice of this Court that in the meanwhile, the revisionist has delivered a child, who too is staying with her in the shelter home.

13. Legally the Child Welfare Committee is fully empowered to take a fresh decision in respect of her detention/release in view of new development that now she is a mother with an infant to take care and that she might be in need of a family support. Since this case is being remanded to appellate court for deciding the matter afresh, hence before any decision as to her continued detention or release is taken by the appellate court, extreme care shall be taken with regard to her and her child's safety, welfare, protection and rehabilitation. The Child Welfare Committee has a very significant role to play in such matters and is entrusted with a responsibility to take measures to achieve the aim and object of the Juvenile Justice Act, 2015. Hence, the appellate court may, in its wisdom call for a detailed report from the Child Welfare Committee before deciding the appeal. No doubt the Court is faced with peculiar facts and circumstances in this case. It may fruitfully be noted that the Court while functioning as an appellate court under section- 101 of the Juvenile Justice Act, 2015 is not so much concerned with legal rights of the parties. Instead the decision is to be taken in best interest of the child after anticipating and weighing all pros and cons. With the above observations, the matter is remanded to the appellate court to hear the matter afresh and pass order after hearing both the sides.

15. The impugned order dated 26.10.2022 is set-aside and the matter is remanded back. The court concerned is directed to decide the matter afresh in the light of observations of this Court as above.

16. Before parting with the matter, a legal point of general importance needs to be pointed out. Section- 2(20) of the Juvenile Justice (Care and Protection of Children) Act, 2015 defines:- ***"Children's Court" means a court established under the Commissions for Protection of Child***

Rights Act, 2005 or a Special Court under the Protection of Children from Sexual Offences Act, 2012, wherever existing and where such courts have not been designated, the Court of Sessions having jurisdiction to try offences under the Act."

17. It is apparent that wherever a Special Court under the Protection of Children from Sexual Offences Act, 2012 is in existence, such court shall function as **"Children's Court"** under the provisions of Juvenile Justice (Care and Protection of Children) Act, 2015. This may not be taken to mean that the jurisdiction under the Juvenile Justice (Care and Protection of Children) Act, 2015 lies in Special POCSO Court. To say in plain words, whenever a matter relating to a "child in conflict with law" or a 'child in need of care and protection' is taken up or decided by a competent court that court shall be referred to as Children's Court. It has come in my observation that Judges of Special POCSO Courts functioning as appellate court in respect to 'child in need of care and protection' or "child in conflict with law" wrongly refer themselves as Special Judge, POCSO Court or even as Additional Sessions Judge. Its proper designation is **"Children's Court"**. It is necessary to point out this error which is being committed by the concerned courts almost all over the State of Uttar Pradesh.

18. Registry is directed to circulate this judgement to all the District Judges of State of U.P.

REVISIONAL JURISDICTION
CRIMINAL SIDE
DATED: ALLAHABAD 19.12.2022

BEFORE

THE HON'BLE SYED AFTAB HUSAIN RIZVI, J.

Criminal Revision No. 1793 of 2018

Ishwar ...Revisionist
Versus
State of U.P. & Anr. ...Opposite Parties

Counsel for the Revisionist:
Sri Madan Singh, Sri Abhinav Tripathi

Counsel for the Opposite Parties:
G.A., Sri Ronak Chaturvedi

A. Criminal Law - Code of Criminal Procedure, 1973-Section 397/401-Indian Penal Code, 1860-Sections 323/34, 304/34,504 & 506-challenge to-summoning order u/s 319 Cr.P.C.-revisionist was named in the FIR showing his complicity in the incident-During investigation revisionist was exonerated on the basis of plea of alibi which was confirmed by the statement recorded of the witnesses-But the injured/complainant statement u/s 161 Cr.P.C. and the statement in her examination in chief, injured again corroborated the allegations of FIR-It is settled law that the testimony of injured witness is of higher value and cannot be ignored-Apex Court held that power u/s 319 Cr.P.C. can be exercised at the stage of completion of examination in chief and court does not need to wait till the said evidence is tested on cross examination for, it is the satisfaction of the court which can be gathered from the reasons recorded by the court, in respect of complicity of some other persons, not facing the trial in the offence-Learned trial court rightly recorded its satisfaction about the complicity of the revisionist and therefore, summoned him-Hence, no illegality or infirmity in the impugned order.(Para 1 to 9)

B. The Apex Court while dealing the question "what is the degree of satisfaction required for invoking the power u/s 319 Cr.P.C." held that though only a prima facie case is to be established from evidence led before the court not necessarily tested on the anvil of cross

examination, it requires much stronger evidence than mere probability of his complicity. The test that has to be applied is one which is more than prima facie case as exercised at the time of framing of charge, but short of satisfaction to an extent that the evidence, if goes unrebutted, would lead to conviction. In the absence of such satisfaction, the court should refrain from exercising power u/s 319 Cr.P.C.(Para 6)

The revision is dismissed. (E-6)

List of Cases cited:

1. Hardeep Singh Vs St. of Punj. & ors. (2014) AIR SC 1400 SC

2. Brijendra Singh & ors. Vs St. of Raj. (2017) 7 SCC 706

3. Manjeet Singh Vs St. of Har. & ors. (2021) SCC On Line SC 632

4. Rajesh & ors. Vs St. of Har.(2019) 6 SCC 368

5. Bijendra Singh Vs State of Raj. (2017) 7 SCC 706

(Delivered by Hon'ble Syed Aftab Husain Rizvi, J.)

1. Heard learned counsel for the revisionist, learned counsel for opposite party no.2 as well as learned AGA for the State.

2. This criminal revision is filed to set aside the order dated 8.03.2018 passed by Additional Sessions Judge, court no.6, Bijnor in S.T. No.192 of 2017 (State vs. Nand Lal and ors) in case crime no.446 of 2016, U/s 323/34, 304/34, 504, 506 IPC, P.S. Dhampur, District Bijnor.

3. In brief the facts are that an FIR crime no. 446 of 2016 was lodged on 08.07.2016 naming the applicants Ishwar, Nand Lal, Keshav and Ghanshyam. The allegations of the FIR is that on 08.07.2016 at 10:30-11:00 am, applicant- Ishwar, Nand Lal, Ghanshyam and Keshav started construction over the disputed land. The complainant and her husband and daughter Tannu prevented them from doing so, then all the four accused persons assaulted the complainant, putting him on earth, they assaulted him with bricks. Her husband received injuries in the stomach and became unconscious. The complainant and her daughter tried to save him then accused-persons assaulted them. They went away from there abusing and extending threats with death. The complainant took her husband to the hospital where he is under treatment. Initially the case was registered under section 323, 504, 506 IPC. Due to the death of injured, Section 304 IPC was added. After investigation, charge-sheet was submitted only against three accused namely Nand Lal, Ghanshyam and Keshav. The Investigating Officer exonerated the other named accused Ishwar. During the course of trial, after examination in chief of P.W.-1 Savita Devi (complainant/ injured) an application U/s 319 Cr.P.C. was moved by the complainant/ prosecution alleging therein that accused Ishwar is named in the FIR and complainant Savita in her statement under section 161 Cr.P.C has assigned the same role to him as the remaining accused. The examination in chief of Savita has been recorded in the court, she is one of the injured witness. The complicity of the accused Ishwar is like other co-accuse persons, hence accused Ishwar be also summoned U/s 319 Cr.P.C. for trial. The learned trial court by the impugned order dated 08.03.2018 has allowed the aforesaid application and has summoned the revisionist accused Ishwar to face trial for offence U/s 304/34, 323/34, 504 & 506 IPC.

4. It is contended by learned counsel for the revisionist that learned trial court has summoned the revisionist only on the basis of statement recorded under section 161 Cr.P.C. as well as examination in chief of the complainant. Without considering the entire facts and circumstances of the case, the statement U/s 161 Cr.P.C. has been relied. Hence the summoning order is illegal and arbitrary on the face of record and is not sustainable in the eyes of law. It is submitted by learned counsel for the revisionist that general allegations have been levelled against all the accused persons. No specific allegations has been levelled against any accused persons during the course of investigation. The Investigating Officer has collected the evidence to the effect that on the date of incident, the location of mobile number of the revisionist was not near the place of incident. The revisionist having two mobile numbers bearing nos. 8273535308 and 9568363773 and the location of these mobile numbers shown at Moradabad. After verification of call detail records, it was found that he was not present at the place of occurrence. The Investigating Officer has recorded the statement of Munesh Kumar (principal of coaching centre) where the revisionist was studying and other independent witnesses namely Monu Kumar, Manjul Kumar, Ranjeet Singh, Munendra Singh, Krishna Kumar, Jitendra etc. under section 161 Cr.P.C. and they have stated that on 08.07.2016 the revisionist was present in the coaching institute from 9:30 am to 12 noon. During the course of investigation, evidence to this effect has come that on the date of incident, the revisionist was not present at the spot and accordingly the Investigating Officer deleted his name. It is further contended that power U/s 319 Cr.P.C. is to be exercised sparingly only when strong and cogent evidence occurs. The test that has to be applied is one which is more than prima-facie case as exercised at the time of framing of charge, but short of satisfaction to an extent that the evidence, if goes unrebutted, would led to conviction. In the absence of such satisfaction, the court should refrain from exercising power under section 319 Cr.P.C. Learned counsel further contended that P.W.-1 in her statement illegally and falsely given the name of the revisionist as well as the entire family. The learned trial court without any evidence & reasons and without recording the satisfaction has illegally summoned the revisionist. The order is not sustainable in the eye of law. It is also contended that the learned trial court without considering the legal aspect of the matter and without considering the facts and circumstances of the case, has illegally summoned the revisionist to face the trial. Learned counsel placed reliance on the constitutional bench case of Apex Court ***Hardeep Singh vs. State of Punjab and ors AIR 2014 Supreme Court 1400 SC,*** the relevant paragraphs are quoted below:

*"**98.** Power under Section 319, Cr.P.C. is a discretionary and an extra-ordinary power. It is to be exercised sparingly and only in those cases where the circumstances of the case so warrant. It is not to be exercised because the Magistrate or the Sessions Judge is of the opinion that some other person may also be guilty of committing that offence. Only where strong and cogent evidence occurs against a person from the evidence led before the court that such power should be exercised and not in a casual and cavalier manner.*

***99.** Thus, we hold that though only a prima-facie case is to be established from the evidence led before the court not necessarily tested on the anvil of cross*

examination, it requires much stronger evidence than mere probability of his complicity. The test that has to be applied is one which is more than prima facie case as exercised at the time of framing of charge, but short of satisfaction to an extent that the evidence, if goes unrebutted, would lead to conviction. In the absence of such satisfaction, the court should refrain from exercising power under section 319 Cr.P.C. In section 319 Cr.P.C., the purpose of providing if it appears from the evidence that any person not being the accused has committed any offence is clear from the words " for which such person could be tried together with the accused." The words used are not for which such person could be convicted'. There is, therefore, no scope for the Court acting under Section 319 Cr.P.C. to form any opinion as to the guilt of the accused."

Learned counsel also placed reliance on the case law of ***Brijendra Singh and ors vs. State of Rajasthan (2017) 7 SCC 706.*** The relevant paragraphs are quoted below:

" 14. When we translate the aforesaid principles with their application to the facts of this case, we gather an impression that the trial court acted in a casual and cavalier manner in passing the summoning order against the appellants.The appellants were named in the FIR. Investigation was carried out by the police. On the basis of material collected during investigation, which has been referred to by us above, the IO found that these appellants were in Jaipur city when the incident took place in Kanaur, at a distance of 175 km. The complainant and others who supported the version in the FIR regarding alleged presence of the appellants at the place of incident had also made statements under Section 161 CrPC to the same effect. Notwithstanding the same, the police investigation revealed that the statements of these persons regarding the presence of the appellants at the place of occurrence was doubtful and did not inspire confidence, in view of the documentary and other evidence collected during the investigation, which depicted another story and clinchingly showed that the appellants' plea of alibi was correct.

15. This record was before the trial court. Notwithstanding the same, the trial court went by the depositions of the complainant and some other persons in their examination-in-chief, with no other material to support their so-called verbal/ocular version. Thus, the "evidence" recorded during trial was nothing more than the statements which were already there under Section 161 CrPC recorded at the time of investigation of the case. No doubt, the trial court would be competent to exercise its power even on the basis of such statements recorded before it in examination-in-chief. However, in a case like the present where a plethora of evidence was collected by the IO during investigation which suggested otherwise, the trial court was at least duty-bourd to look into the same while forming prima facie opinion and to see as to whether much stronger evidence than mere possibility of their (i.e. appellants) complicity has come on record. There is no satisfaction of this nature. Even if we presume that the trial court was not apprised of the same at the time when it passed the order (as the appellants were not on the scene at that time), what is more troubling is that even when this material on record was specifically brought to the notice of the High Court in the revision petition filed by the appellants, the High Court too blissfully ignored the said material. Except reproducing the discussion contained in the order of the

trial court and expressing the agreement therewith, nothing more has been done. Such orders cannot stand judicial scrutiny."

On the aforesaid ground, learned counsel submitted that the impugned order is arbitrary and illegal and is liable to be set aside.

5. Learned AGA and learned counsel appearing for opposite party no.2 submitted that the Investigating Officer in collusion with the accused has wrongly exonerated the revisionist whereas the injured of the present case had specifically named the revisionist as one of the accused who not only participated in causing death of her husband but also caused injuries to her. The Investigating Officer has referred to two mobile numbers 8273535308 and 9568363773. The location of mobile number 8273535308 has been shown at Moradabad, however, as per the verification report of the user of this number, it was informed to the Investigating Officer that this number is registered in the name of Keshav Kumar, the uncle of the revisionist. Thus, even the so called mobile detail record does not establish that the revisionist was at a different location inasmuch as the mobile number on the basis of which the Investigating Officer has come to this conclusion, belongs to Keshav Kumar and not to the revisionist. The entire case diary does not contain any call detail record and only a passing reference has been made by the Investigating Officer with respect to the two mobile numbers. It is further contended that the complicity of the revisionist is consistently established right from the FIR from the statement recorded U/s 161 Cr.P.C. as well as from the statement of injured witness recorded on oath before the trial court. The revisionist has not filed any document in order to substantiate his alleged plea of alibi. Further it is a settled law that plea of alibi can be considered at the state of trial. Learned counsel further contended that the revisionist has equally participated in the commission of the offence, the presence of the revisionist at the place of time and occurrence is clearly established from the statement of the injured witness during the course of trial. Learned counsel contended that P.W.-1 being injured witness, her testimony is on a high pedestal and cannot be taken lightly and ignored. For summoning the accused under section 319 Cr.P.C. the examination in chief of the witness is sufficient and the witness being injured, her testimony cannot be discarded. The learned trial court considering the evidence, on record has rightly summoned the revisionist U/s 319 Cr.P.C. and as such there is no illegality or infirmity in the impugned order. More than, prima-facie evidence is available against the revisionist. The revision lacks merit and deserves to be dismissed. Learned counsel placed reliance on the case law of ***Manjeet Singh vs. State of Haryana and ors 2021 SCC On Line SC 632.*** The relevant paragraphs are quoted below:

"35. Applying the law laid down in the aforesaid decisions to the facts of the case on hand we are of the opinion that the Learned trial Court as well as the High Court have materially erred in dismissing the application under Section 319 Cr.P.C. and refusing to summon the private respondents herein to face the trial in exercising the powers under Section 319 Cr.P.C. It is required to be noted that in the FIR No.477 all the private respondents herein who are sought to be arraigned as additional accused were specifically named with specific role attributed to them. It is specifically mentioned that while they were returning back, Mahendra XUV bearing no.

HR-40A-4352 was standing on the road which belongs to Sartaj Singh and Sukhpal. Tejpal, Parab Saran Singh, Preet Samrat and Sartaj were standing. Parab Sharan was having lathi in his hand, Tejpal was having a gandsi, Sukhpal was having a danda, Sartaj was having a revolver and Preet Singh was sitting in the jeep. It is specifically mentioned in the FIR that all the aforesaid persons with common intention parked the Mahendra XUV HR-40A-4352 in a manner which blocks the entire road and they were armed with the weapons. Despite the above specific allegations, when the charge-sheet/final report came to be filled only two persons came to be charge-sheeted and the private respondents herein though named in the FIR were put/kept in column no. 2. It is the case on behalf of the private respondents herein that four different DSPs inquired into the matter and thereafter when no evidence was found against them the private respondents herein were put in column no. 2 and therefore the same is to be given much weightage rather than considering/believing the examination-In-chief of the appellant herein. Heavy reliance is placed on the case of Brijendra Singh (Supra). However none of DSPs and/or their reports, if any, are part of the charge-sheet. None of the DSPs are shown as witnesses. None of the DSPs are Investigating Officer. Even on considering the final report/charge-sheet as a whole there does not appear to be any consideration on the specific allegations qua the accused the private respondents herein who are kept in column no. 2. Entire discussion in the charge-sheet/final report is against Sartaj Singh only.

36. So far as the private respondents are concerned only thing which is stated is "During the investigation of the present case, Shri Baljinder Singh, HPS, D.SP Assandh and Shri Kushalpal, HPS, DSP Indri found accused Tejpal Singh, Sukhpal Singh, sons of Gurdev Singh, Parab Sharan Singh and Preet Samrat Singh sons of Mohan Sarup Singh cast Jat Sikh, residents of Bandrala innocent and accordingly Sections 148, 149 and 341 of the IPC were deleted in the case and they were kept in column no. 2, whereas challan against accused Sartaj has been presented in the court."

37. Now thereafter when in the examination-in-chief the appellant herein - victim - injured eye witness has specifically named the private respondents herein with specific role attributed to them, the Learned trial Court as well as the High Court ought to have summoned the private respondents herein to face the trial. At this stage it is required to be noted that so far as the appellant herein is concerned he is an injured eye-witness. As observed by this Court in the cases of State of MP v. Mansingh (2003) 10 SCC 414 (para 9); Abdul Sayeed v. State of MP (2010) 10 SCC 259; State of Uttar Pradesh v. Naresh (2011) 4 SCC 324, the evidence of an injured eye witness has greater evidential value and unless compelling reasons exist, their statements are not to be discarded lightly. As observed hereinabove while exercising the powers under Section 319 Cr.P.C. the Court has not to wait till the cross-examination and on the basis of the examination-in-chief of a witness if a case is made out, a person can be summoned to face the trial under Section 319 Cr.P.C.

38. Now so far as the reasoning given by the High Court while dismissing the revision application and confirming the order passed by the Learned trial Court dismissing the application under Section 319 Cr.P.C. is concerned, the High Court itself has observed that P.W.-1 Manjeet Singh is the injured witness and therefore

his presence cannot be doubted as he has received fire arm injuries along with the deceased. However, thereafter the High Court has observed that the statement of Manjeet Singh indicates over implication and that no injury has been attributed to either of the respondents except they were armed with weapons and the concerned injuries are attributed only to Sartaj Singh even for the sake of arguments someone was present with Sartaj Singh it cannot be said that they had any common intention or there was meeting of mind or knew that Sartaj would be firing. The aforesaid reasonings are not sustainable at all. At the stage of exercising the powers under Section 319 Cr.P.C., the Court is not required to appreciate and/or enter on the merits of the allegations of the case. The High Court has lost sight of the fact that the allegations against all the accused persons right from the very beginning were for the offences under Sections 302, 307, 341, 148 & 149 IPC. The High Court has failed to appreciate the fact that for attracting the offence under Section 149 IPC only forming part of unlawful assembly is sufficient and the individual role and/or overt act is immaterial. Therefore, the reasoning given by the High Court that no injury has been attributed to either of the respondents except that they were armed with weapons and therefore, they cannot be added as accused is unsustainable. The Learned trial Court and the High Court have failed to exercise the jurisdiction and/or powers while exercising the powers under Section 319 Cr.P.C.."

He also placed reliance on the case law of ***Rajesh and ors vs.State of Haryana, (2019) 6 SCC 368*** *wherein informant named 10 persons for attempt to murder of his son and another with specific allegations against all the accused. The Investigating Officer submitted his report U/s 173 (2) Cr.P.C. against four accused only, no challan filed against six accused (appellants). The trial proceeded against four accused only. During trial, P.W.-1 (complainant) and P.W.-2 (injured witness) specifically stated that overacts by the accused appellants and role played by them. An application for proceeding against them under section 319 Cr.P.C. was allowed by the trial court. The High Court dismissed the revision. The Apex Court held that the appellants herein had also named in the FIR. In the deposition before court, P.W. 1 & 2 have specifically stated against appellants and specific roles attributed to them. On the basis of the same, the persons against whom, no charge-sheet is filed can be summoned to face the trial. No error has been committed by the courts below to summon the appellants therein to face the trial in exercise of power U/s 319 Cr.P.C.*

6. It is undisputed that the revisionist was named in the FIR showing his complicity in the incident, one person has died in the incident while the another (complainant) has received injuries. The Investigating Officer has exonerated the revisionist during the investigation, on the basis of evidence that at the relevant time, his presence is not established to be at the place of occurrence as he was present at Moradabad in his coaching institute. The Investigating Officer has recorded the statement of the Manager of the coaching institute and some other witnesses. This fact is un-controverted that the mobile No. 8273535308, the location of which is shown to be at Moradabad is registered in the name of Keshav Kumar and further that the entire case diary does not contain any CDR and only passing reference has been made by the Investigating Officer with respect to the two mobile numbers.

The FIR of this case has been lodged by the complainant who has also received injuries in the incident naming the revisionist and attributing the role of taking participation in the incident. In her statement recorded U/s 161 Cr.P.C., she has reiterated the allegations of the FIR but the Investigating Officer on the basis of the material collected during the course of investigation as discussed above has exonerated the revisionist. During the course of trial, complainant has been examined as P.W.-1. Her examination in chief, was recorded in which she has again corroborated the allegations of the FIR showing the complicity of the revisionist in the incident. It is settled law that the testimony of injured witness is of higher value and cannot be ignored. In the case of Hardeep Singh (Supra), the Apex Court held that the power U/s 319 Cr.P.C. can be exercised at the stage of completion of examination in chief and court does not need to wait till the said evidence is tested on cross examination for, it is the satisfaction of the court which can be gathered from the reasons recorded by the court, in respect of complicity of some other person(s), not facing the trial in the offence. The Apex Court while dealing the question *"what is the degree of satisfaction required for invoking the power U/s 319 Cr.P.C." has answered it "we hold that though only a prima-facie case is to be established from the evidence led before the court not necessarily tested on the anvil of cross examination, it requires much stronger evidence than mere probability of his complicity. The test that has to be applied is one which is more than prima facie case as exercised at the time of framing of charge, but short of satisfaction to an extent that the evidence, if goes unrebutted, would lead to conviction. In the absence of such satisfaction, the court should refrain from exercising power under section 319 Cr.P.C. In section 319 Cr.P.C., the purpose of providing if it appears from the evidence that any person not being the accused has committed any offence is clear from the words " for which such person could be tried together with the accused." The words used are not for which such person could be convicted". There is, therefore, no scope for the Court acting under Section 319 Cr.P.C. to form any opinion as to the guilt of the accused."*

7. So applying the test laid down by the Apex Court on the present set of facts, it is clear that there is strong evidence, than mere probability of the complicity of the accused in the form of testimony of injured witness and it pass the test as laid down by the Apex Court which is more than prima-facie case as exercised at the time of framing of charge but short of satisfaction to an extent that the evidence if goes unrebutted would led to conviction. Further the material on the basis of which the revisionist was exonerated by the Investigating Officer is not conclusive in nature and this fact distinguish this case from the case law of **Bijendra Singh vs. State of Rajasthan (2017) 7 SCC 706** relied on by the learned counsel for the revisionist. The case law cited by learned counsel for opposite party no.2 fully supports his arguments and applicable in the present set of facts.

8. In the impugned order, the learned trial court has narrated the entire facts and material on record and has critically analyzed all these materials. Learned trial court has recorded its satisfaction about the complicity of the revisionist and, therefore, has summoned him. The order is a detailed and reasoned one which is just and proper.

There is no illegality or infirmity in the impugned and it need no interference.

9. Accordingly, the revision is devoid of merits and is hereby **dismissed.**

REVISIONAL JURISDICTION
CRIMINAL SIDE
DATED: ALLAHABAD 05.01.2023

BEFORE

THE HON'BLE SYED AFTAB HUSAIN RIZVI, J.

Criminal Revision No. 2194 of 2015

Kaushlesh Mishra & Ors. ...Revisionists
Versus
State of U.P. & Anr. ...Opposite Parties

Counsel for the Revisionists:
Sri Mohammad Mustafa Khan, Miss Afshan Shafaut, Sri Byas Kumar Prasad

Counsel for the Opposite Parties:
G.A., Sri Santosh Kuamar Pandey, Sri Saurabh Tripathi

A. Criminal Law - Criminal Procedure Code,1973 - Section 245(2)-rejection-discharge application-application rejected by Magistrate without evaluating allegations of complaint and considered police report submitted u/s 202 Cr.P.C.-Magistrate failed to apply his mind to grounds of discharge and did not consider relevant contention raised in this respect-Thus, Magistrate proceeded on assumption that he has no power to evaluate the material on record and at that stage prayer of discharge could not be entertained-This is a violation of the legal provision which requires a finding by Magistrate with regard to charges against accused being groundless or that there is ground for presuming that the accused have committed offence-Hence, the matter is remanded back to lower court to pass a fresh order on the discharge application.(Para 1 to 10)

B. Section 245(2) Cr.P.C. provides that the Magistrate is empowered to discharge the accused at any previous stage of the case i.e. before evidence u/s 244 Cr.P.C., if he considers the charge to be groundless. (Para 6)

The revision is allowed. (E-6)

List of Cases cited:

Manoj Mahabeer Prasad Khaitan Vs Ram Gopal Poddar & anr. in CRLA No 1973 of 2010 (SLP (Crl) No 2274 of 2008)

(Delivered by Hon'ble Syed Aftab Husain Rizvi, J.)

1. Heard Sri Byas Kumar Prasad, learned counsel for the revisionists and learned A.G.A. for the State. However, none appeared on behalf of opposite party no.2.

2. This criminal revision has been filed with the prayer to set aside judgement and order dated 18.04.2015 passed by learned Chief Judicial Magistrate, Siddharthnagar in Criminal Complaint Case No.277 of 2013 (Ripusudan Mishra Versus Kaushlesh Mishra and others) under Sections 506 and 427 I.P.C. , Police Station Siddharthnagar, District Siddharthnagar, pending the court of Chief Judicial Magistrate, Siddharthnagar.

3. In brief, the facts of the case are that opposite party no.2 moved an application under Section 156(3) Cr.P.C. against revisionists and Sub Inspector Santraj Yadav, Constable Rauf Khan and five unknown constables, alleging therein that the father of the opposite party no.2 paid *Nazrana* of Rs.20/- to ex-Zamindar on

30.09.1951 and obtained 00.3.10 area of previous no.362, present no.56 of Village Rehra. The applicant got constructed foundation and boundary wall over the same. On 20.09.2012 at about 5.00 p.m. Kaushlesh Mishra pretending himself to be a journalist moved an application with forged signature of his uncle at Tehsil Naugarh. On this application the accused persons came on the spot with JCB machine and got the foundation and boundary wall dismantled causing loss of Rs.24,000/-. The incident was seen by co-villagers Bechu, Vyas Muni, Arun Kumar Mishra and others. Learned Magistrate treated this application as complaint. Thereafter the complainant examined himself under Section 200 Cr.P.C. and two witnesses Bechu and Arun Kumar under Section 202 Cr.P.C. The complainant in his statement stated that Guru Charan, Naib Tehsildar, Rudramani, Junior Engineer and Santraj Yadav, Sub Inspector and six policemen reached on the spot with JCB machine of Nawab Ali and they dismantled foundation and boundary wall. The witnesses also reiterated the aforesaid facts. Learned Magistrate vide order dated 01.05.2014 summoned only one accused Kaushlesh Mishra for the offence under Section 506 I.P.C. Aggrieved with aforesaid order, the opposite party no.2 filed Criminal Revision No. 96 of 2014 and Sessions Judge, Siddharth Nagar vide order dated 24.07.2014 allowed the revision and set aside the impugned order dated 01.05.2014 and directed the court below to pass fresh orders in the light of observations made in the body of the judgement after affording opportunity of oral hearing to the complainant. Thereafter, learned Magistrate in compliance of order of the revisional court passed fresh order on 02.12.2014 and summoned the revisionists for the offence punishable under Sections 427 and 506 I.P.C. An application bearing Criminal Misc. Application (U/S 482 Cr.P.C.) No.500 of 2015 was filed by the revisionists-accused and in terms of the order dated 17.01.2015 passed by this Court in the aforesaid application, the revisionists moved an application under Section 245(2) Cr.P.C. for discharge on the grounds that the revisionists are innocent and they have been falsely implicated due to enmity and for harassment, there is no justification or evidence to file the complaint, the allegations of the complaint clearly establish that the nature of the dispute is revenue and civil and there is no ground to lodge a complaint, on the complaint dated 07.05.2012 of Lalllan Prasad Mishra, who is not a party in the case, while taking cognizance, Sub Divisional Magistrate vide letter dated 12.09.2012 passed the order against the complainant to remove his illegal encroachment by constructing boundary wall on the *banjar* land of Gram Sabha, in compliance of the aforesaid direction, in presence of Circle Officer (Police), the government employees in discharge of their official duty removed illegal construction, remaining applicants have no concern with it, the complainant intentionally concealing the facts and without impleading Sub Division Magistrate, Naugarh and Lallan Prasad Mishra, has moved application against the revisionists under Section 156(3) Cr.P.C., there is no allegation in the complaint which constitute an offence under Section 506 I.P.C., despite this court below in a casual manner summoned Kaushlesh Mishra for the offence under Section 506 I.P.C., while remaining accused persons were not summoned as no evidence was found against them, the complainant filed Criminal Revision No.96 of 2014 in which he himself has alleged that Kaushlesh Mishra has been summoned

by the court only on the basis of surmises, the revisional court has allowed the revision only on the ground that on the same evidence only one accused has been summoned while others have not been summoned and learned Magistrate has not made any analysis of this. It is further alleged that the revisionists are not party in Original Suit No.387 of 1994, hence it is not binding on the applicants, this original suit has been filed by the complainant in collusion with his real brother Janardan to grab *banjar* land of Gram Sabha and they have entered into a compromise and the Gram Sabha is not a party in that suit. Further grounds taken in the application are that without taking any new and additional evidence the revisionists have been summoned, the complainant himself in para-2 of memo of revision has alleged that no offence under Section 506 I.P.C. has been committed, no active role has been assigned to the revisionists, from the statement under Section 200 Cr.P.C. itself it is established that complaint is not an eye-witness of the incident, witnesses Bechu and Arun Kumar have not made any allegations of the offence under Sections 427 and 506 I.P.C. against the revisionists, they have also not stated that they are eye-witnesses of the incident, and no reason has been assigned how they identified applicant nos.4, 5 and 6, an order to recover damages and to dispossess the complainant from Arazi No.56M has been passed on 15.04.2014 by Tehsildar Naugarh in Case No.102 of 2012 (Gram Sabha Versus Ripusudan) under Section 122-B and Rule 115-C of U.P. Zamindari Abolition and Land Reforms Act, the complainant filed Revision No.7/15 of 2014 in the court of District Magistrate, Siddharthnagar against the order dated 15.04.2014, it has also been dismissed on 06.12.2014, the complainant with mala fide intention concealing real facts just to grab the *banjar* land of Gram Sabha has misused the process of the court, there is no sufficient ground to proceed against the revisionists and they are liable to discharged under Section 245(2) Cr.P.C. in pursuance of order of High Court dated 17.01.2015 passed in Criminal Misc. Application (U/S 482 Cr.P.C.) No.500 of 2015. Learned Magistrate after hearing both the parties vide impugned order dated 18.04.2015 rejected the discharge application.

4 It is submitted by learned counsel for the revisionists that revisionist nos. 1 to 3 and opposite party no.2 live in the same village and civil dispute is pending between them. Opposite party no.2 always threatened the revisionists to falsely implicate them in criminal case. The opposite party no.2 has encroached the land of Gram Sabha and was making construction on Gata No.56M. Proceeding under Rule 115-C of U.P. Zamindari Abolition and Land Reforms Act was initiated against him, but he continued to make constructions on the Gram Sabha land. Therefore, Sub-Divisional Magistrate on 12.09.2012 has directed revisionist no.4 to remove illegal construction. In compliance of this order, illegal constructions have been removed by the concerned authority. Opposite party no.2 wanted to take illegal possession of land of Gram Sabha. The applicant nos. 4 and 5 are government servants and they were acting in discharge of their official duty, but without obtaining any sanction under Section 197 Cr.P.C. criminal proceedings have been initiated against them. Further revisionist no.6 is the owner of JCB machine and no role has been assigned to the revisionist nos. 1 to 3 and 6. It is also contended that under Section 202 Cr.P.C. the matter was investigated by the police

under the order of the Magistrate. In police report, it has been clearly stated that due to mala fide intention opposite party no.2 has filed complaint. Lastly, it is contended that no offence is made out against the revisionists. They have not committed any offence and have been falsely implicated due to civil dispute. The earned Magistrate without considering the entire facts and circumstances of the case has rejected the discharge application vide order dated 18.04.2015 which is illegal and bad in law and as such liable to be quashed. Learned Magistrate has committed gross illegality in not following procedure laid down by the law. The criminal case filed against the revisionists is attended with mala fide intention and proceedings are maliciously instituted with ulterior motive for wrecking vengeance due to personal grudge. Reliance has been placed on the judgement of Hon'ble Apex Court rendered in ***Manoj Mahabeer Prasad Khaitan Versus Ram Gopal Poddar and another in Criminal Appeal No.1973 of 2010 (arising out of Special Leave Petition (Crl.) No.2274 of 2008)*** decided on 8 October, 2010. Learned counsel contended that it has been held by the Hon'ble Apex Court that if criminal proceeding is initiated with mala fide intention, then it is liable to be quashed because such proceeding is an abuse of process of law and court.

5. Learned A.G.A. opposed the prayer and submitted that at this stage only prima facie case is to be seen and there is sufficient material on record which establishes that prima facie offfence under Sections 427 and 506 I.P.C. is made out against the revisionists. There is no sufficient ground to discharge the accused under Section 245(2) Cr.P.C. Learned Magistrate has rightly rejected the application and there is no illegality or infirmity in the impugned order.

6. Section 245(2) Cr.P.C. provides as follows:

"245. ***When accused shall be discharged. (1).....***

(2) Nothing in this section shall be deemed to prevent a Magistrate from discharging the accused at any previous stage of the case if, for reasons to be recorded by such Magistrate, he considers the charge to be groundless."

Aforesaid provision empowers Magistrate to discharge the accused at any previous stage of the case i.e. before evidence under Section 244 Cr.P.C., if he considers the charge to be groundless.

7. The material on record transpires that a complaint was made with the allegation that opposite party no.2 has made encroachment on Gata No.56M which is *banjar* land of Gram Sabha. Proceeding under provision of U.P. Z.A. & L.R. Act was initiated. Revenue Inspector inspected the site and found the complaint to be true i.e. the complainant has made encroachment on the *banjar* land of Gram Sabha by raising boundary wall on it. On the basis of the report of Revenue Inspector, the Sub-Divisional Magistrate directed for removal of the illegal encroachment on 12.09.2012. In pursuance of aforesaid order, Guru Charan, Naib Tehsildar, Naugarh revisionist no.4 with the aid of local police force got the encroachment removed. So it is established that illegal encroachment made by the opposite party no.2 has been removed in due process of law by the public servants in discharge of their official duty. Revisionist nos. 2 and 3 have no role in the entire matter, JCB machine of revisionist no.6 has been used for removal of illegal encroachment by the public authorities, respondent no.1 has only made complaint

regarding illegal encroachment by opposite party no.2, so, it appears that application under Section 156 (3) Cr.P.C. was filed with coloured version of incident. It also transpires that after treating the application as complaint learned Magistrate has directed for inquiry under Section 202 (2) Cr.P.C. by local police. The inquiry reports are Annexure nos. 6 and 7 to the affidavit filed in support of the criminal revision. It also confirms that real incident is that illegal encroachment of opposite party no.2 has been removed by the public authorities in discharge of their official duty and no offence has been committed.

8. Learned Magistrate has rejected the discharge application observing that grounds on which discharge application has been moved are all factual, after appearance of the accused, the complainant will be provided an opportunity to produce evidence and accused will have opportunity of defence. It is also observed that the facts alleged in the complaint are supported by statements under Sections 200 and 202 Cr.P.C. and on its basis summoning order has been passed.

9. From the above it appears that the learned Magistrate proceeded on the assumption that he has no power to evaluate the material on record and at that stage prayer of discharge could not be entertained. This is in the violation of the legal provision which requires a finding by the Magistrate with regard to the charges against the accused being groundless or that there is ground for presuming that the accused have committed the offence. The finding was to be recorded upon considering the entire material on record. The Magistrate has failed to evaluate the allegations of the complaint and consider the police report submitted under Section 202 Cr.P.C. The learned Magistrate has not applied his mind to the grounds of discharge and contention raised in this respect. The learned Magistrate must have considered the pleas taken in discharge application and addressed the same by a speaking and reasoned order. While disposing of the discharge application the learned Magistrate has not considered relevant contention and rejected the same in a cursory manner. So, a fresh order is required to be passed on the discharge application.

10. Accordingly, the revision is allowed. The impugned order dated 18.04.2015 is set aside. The learned Magistrate is directed to pass a fresh order on the discharge application in accordance with law, after affording opportunity of hearing to the parties.

Counsel for the Opposite Parties:
Sri Prashant Vyas, Sri Santosh Kumar Tiwari

A. Criminal Law-Criminal Procedure Code, 1973-Section 378 - Indian Penal Code, 1860-Sections 302, 307 & 34-Challenge to

–acquittal-land dispute between the accused and the father of deceased-broad day light incident-FIR was prompt-names of three eye-witnesses were mentioned in the FIR but they are not produced before the trial court-explanation for their non production is not satisfactory-no recovery was made from the sole surviving accused and his shot had not caused any injury to anyone-As per postmortem report shows that only single firearm injury, injuries caused by the Rifle is false- two accused who took Rifle and gun are dead-Cloth in which the recovered gun was packed was torn-PW-12 admitted the fact that he has changed the cloth and resealed the recovered gun-prosecution case is full of contradictions and lapses on the part of prosecution-therefore recovery of gun and cartridges from the surviving accused is doubtful-Hence, no interference requires. (Para 1 to 33)

The appeal is dismissed. (E-6)

(Delivered by Hon'ble Vivek Kumar Birla, J.
&
Hon'ble Rahul Chaturvedi, J.)

1. Heard Sri Kailash Prakash Pathak, learned AGA appearing for the appellant State of U.P. as well as Sri Santosh Kumar Tiwari, learned counsel appearing for the sole surviving accused/respondent no.4-Man Singh.

2. In the present case out of four accused respondents persons, namely, (i) Pooran Singh, (ii) Kashmir Singh, (iii) Jaswant Singh and (iv) Man Singh, three accused persons being (i) Pooran Singh, (ii) Kashmir Singh and (iii) Jaswant Singh died and appeal in so far as the said accused persons has already been abated. Now, the only accused Man Singh is alive. Therefore, we proceed to hear the matter on merits in respect of accused Man Singh alone.

3. Present government appeal has been preferred against the judgement and order dated 07.09.1983, passed by the Vith Additional District and Sessions Judge, Bareilly in Session Trial No. 610 of 1982 (State vs. Pooran Singh and Others), arising out of Case Crime No.197/1982, under Section 302/34 and 307/34 IPC, Police Station Baheri, District Bareilly, whereby the accused persons have been acquitted by the learned Trial Court.

STORY AS PER FIR

4. Prosecution story, in brief, is that Dayal Singh- complainant, who is the resident of village Pandra, Police Station-Baheri, Bareilly has given a written report before the Station House Officer, Police Station Baheri, District Bareilly, stating therein, that he had some land dispute with the deceased- Pooran Singh and Others. A week prior to the incident, a panchayat was convened and that panchayat decided the dispute regarding the land but the accused Pooran Singh has not accepted the award of the panchayat. Pooran Singh thereafter, had threatened the complainant to regain the land in dispute by whatever means. On this very ground, Pooran Singh nursing grudge against Dayal Singh. For this very reason on 22.06.1982 at 8.00 am. accused Pooran Singh armed with Rifle, Kashmir Singh armed with D.B.B.L. gun, accused Jaswant

Singh and Man Singh both armed with their S.B.B.L. guns came towards the house of P.W.2-Dayal Singh and have hurling abuses. On seeing the accused coming towards them, Dayal Singh with his son Randhir Singh (deceased) and his brother-in-law, Balbindra Singh (injured) ran towards the house of Jugendra Singh, who is Sadhu of P.W.2, raising alarm. Randhir Singh and Balbindra Singh climbed up on the roof top and Dayal Singh remained on the ground floor. On hearing the alarm of the aforesaid person, Jugendra Singh, Dalip Singh and Nishan Singh arrived at the scene of occurrence. The accused Pooran Singh, with intention to kill Randhir Singh (deceased), son of the complainant, fired shot from his rifle at Randhir Singh, which hit on his left leg causing wound. Kashmir Singh, accused also fired from his D.B.B.L. gun causing gun shot injuries to Balbindra Singh. The accused- Jaswant Singh and Man Singh have also fired from their respective guns. On being challenged by the witnesses, the accused escaped towards the Eastern side. Thereafter the complainant Dayal Singh went to the roof where his son Randhir Singh was lying injured with gun shot wound. The complainant wrapped his leg from cloth and get him down. Dayal Singh thereafter went to the police station with written report Exhibit Ka.1 which was written by Jasbir Singh on the dictation of Dayal Singh. The complainant left Balbindra Sigh at the house. He had submitted the written report Exhibit Ka.1 to the police station and on the basis of that written report, a chik report Exhibit Ka.10 was prepared. On the basis of that report, a case under section 307 IPC was registered against the accused persons. The complainant took the injured Randhir Singh in a trolley to Budia Farm. Injured Balbindra Singh did not accompany the complainant -Dayal Singh from the village. At Budia Farm the injured Randhir Singh (deceased) was put in a car belonging to Lala Bisambhar Nath and was thus carried to Police Station Baheri. The report was lodged to the police station at 1.10 am. The distance of police station from the place of occurrence is 9 miles. Randhir Singh was initially examined by the doctor at Baheri and thereafter the doctor has advised that his injuries are serious so he should be shifted to the District Hospital, Bareilly. On the advise of the doctor, Baheri, Randhir Singh was brought to the District Hospital, Bareilly for his treatment, where he died on the same day. The post mortem of his body was conducted on 22.06.1982 at 4.30 pm. by Dr. Balbir Singh of the District Hospital, Bareilly. Later on, the case under Section 307 IPC was converted into 302 IPC vide G.D. entry Exhibit Ka.10.

5. The investigation of this case was initially entrusted to PW.7-Indrajit Singh, Sub Inspector, who has proved the Chik Exhibit Ka.10. He further stated that as soon as the case was registered at Police Station he started the investigation of the case and tried to record the statement of deceased Randhir Singh at the police station, who was lying in the car, but Randhir Singh did not give his statement because he was in grim and somber mental condition. Immediately, he was sent to Baheri Hospital for his medical examination. Thereafter PW-4 recorded the statement of Dayal Singh, who is the father of Randhir Singh and Nishan Singh and went to the spot where he recorded the statement of Balbindra Singh, Jugendra Singh and Dalip Singh. He inspected the place of occurrence and prepared the site plan. He has collected bloodstained soil along with piece of broken bones and plain soil and kept them into separate containers.

These are Exhibit 3 and Exhibit 4. A Fard to this effect Exhibit Ka.13 was prepared. He has collected two empty cartridges from the Rasta and both of them were kept under seal and a Fard Exhibit Ka.13 was prepared by him. These cartridges were sent for ballistic examination. Thereafter he has recorded the statement of other witnesses. He has also searched the accused for recovery of arms but no arms were recovered from them. Fard Talasi in respect of the house of the accused Kashmir Singh, Jasbir Singh, Pooran Singh was prepared by the PW-7. These Fards are Exhibit Ka.15, Ka.16 and Ka.17. On 23.06.1982, PW-7 received the injuries report of Balbindra Singh and Randhir Singh (deceased). He has further received an inquest report of the dead body of Randhir Singh and post mortem report and copy of the G.D. Thereafter, the case was altered to under Section 302 IPC. PW.7 Sub Inspector Indrajeet Singh investigated the case upto 23.06.1982 thereafter the investigation of this case was handed over to Station House Officer Sri Pal Singh, PW.8. from 26.06.1982.

6. During the course of investigation accused Kashmir Singh was arrested by the Station House Officer-V.R.Goyal and PW.13-Constable Jia Lal. A D.B.B.L gun and five live cartridges were recovered from his possession and sealed on the spot. Accused Kashmir Singh was brought to the police station Kitcha, Nainital where G.D. Entry No.13 was made by Constable Hari Nandan, PW.12. On 21.04.1983 the recovered gun and cartridges were brought from police station Kitcha to police station Baheri, District Bareilly by Constable Prem Pal Sharma, PW.14 where entry was made in the G.D. by Constable Ashiq Hussain, PW.11. Constable Sharafat Ali-PW.10 took the D.B.B.L. gun and cartridges to the Ballistic expert Lucknow on 03.04.1983 and submitted the same on 06.04.1983.

7. After completing the investigation of the case, Investigating Officer, Sri Pal Singh, PW.8 submitted a charge sheet against the accused Pooran Singh, Kashmir Singh Jasbir Singh and Man Singh on 26.06.1982. After inquiry, they were committed to the court of trial.

8. At the trial accused persons pleaded not guilty and attributed their false implication on account of enmity.

9. In support of prosecution case, PW1-Balkar Singh, PW2-Dayal Singh (first informant), PW3-Balvindra Singh (injured), PW4-Ram Chandar (Sub Inspector), PW5-Dr. Balbir Singh, PW-6-Dr. Janki Prasad Gangwar, PW-7-Indrajeet Singh (Investigating Officer.), PW8-Shree Pal Singh (Station House Officer) PW-9-Harpal Singh (Constable), PW-10 Sharafat Ali (Constable), PW-11-Ashiq Hussain (Head Moharrir), PW-12 Hari Nandan Murari (Constable), PW-13 Jiya Lal (Constable), PW-14 Prem Pal (Constable) were produced and examined before the Court below.

10. PW-1-Balkar Singh has stated that Randhir Singh was killed in our village about 9 months back. He stated that a panchayat was held in his village wherein many people were present. He was also present there. That panchayat was held to settle the land dispute between Pooran Singh and Dayal Singh. Pooran Singh is the accused in the present case and Dayal Singh is the father of the deceased Randhir Singh. He further stated that Pooran Singh wanted to take the land in the village abadi and the panchayat decided in his favour. Some land of Pooran Singh was outside the

village in lieu of the said land, he got the land in abadi near his land. At that point of time, both the parties had agreed with the decision of the panchayat, later they fought because the decision of the panchayat was not accepted by Pooran Singh. In his cross-examination he stated that he was not a panch in this panchayat. This panchayat is common, therefore, he was also present there. At other place he stated that the people who were coming there told him that a panchayat was held in the village, therefore, he also went there. There were total 15-16 people in that panchayat. He did not see the land of Pooran Singh, in lieu of which, he got the land in abadi by the panchayat, he also did not know as to how much land was given to him. He was not given any land by the accused persons. Alongwith him Gurbaksh Singh also got the land automatically. An agreement to sell was also done. Pooran Singh s/o Ishwar Singh was one of the witness in that agreement to sell. The said Pooran Singh s/o Ishwar Singh was the brother-in-law of the accused Pooran Singh. It is wrong to say that in order to get this land, he had to negotiate with the accused persons as Hakim Singh got more land and he got less. It is also wrong to say that he was not present in this Panchayat and because of this he was given false testimony. He had purchased a Tractor and accused- Pooran Singh was the guarantor. One of the installment was due on him, which he has to pay and it is wrong to say that Pooran Singh was asking him for this installment, therefore, he give false testimony.

11. PW-2-Dayal Singh (father of the deceased)-informant has stated on oath that he know the accused Pooran Singh, Kashmir Singh, Jaswant Singh and Man Singh. We had a land dispute with Pooran Singh. Some of his land was in the village and some of the land was outside the village. A week before the death of Randhir Singh, a panchayat was held to settle their land dispute. Two Biswa of land, which we had more in the village, the Panchayat decided to give it to Pooran Singh by reducing his land which was outside the village. Pooran Singh was given about two and a half biswas less land in the village and he was given more than two and a half biswas of land outside the village. He then stated that Pooran Singh was given two biswa land more in the villages and he was given two biswa less land outside the village. Pooran Singh did not accept the decision of Panchayat. He further stated that Kashmir Singh and Jaswant Singh are brothers of accused Pooran Singh and Man Singh is the son of Pooran Singh. They all are present in the court. After the decision of the panchayat, Pooran Singh started saying and we will take more land. He further stated that on 22.06.1982 at 8.00 am all four accused persons, namely, Jaswant Singh, Kashmir Singh, Man Singh and Pooran Singh armed with weapons came towards his house hurling abuses. Pooran Singh armed with Rifle, accused Kashmir Singh armed with D.B.B.L. gun, accused Jaswant Singh and Man Singh both armed with their S.B.B.L. guns. On seeing the accused coming towards them, he, after raising alarm, ran towards the house of Jugendra Singh. At that point of time alongwith him Randhir Singh and Balbindra Singh were also there. Randhir Singh (deceased) is his son. Balbindra Singh is his brother-in-law. On hearing the alarm of the aforesaid person, Jugendra Singh, Dalip Singh and Nishan Singh arrived at the scene of occurrence. Randhir Singh and Balbindra Singh climbed up on the roof of Jagendra Singh. Dayal Singh, outside the house of Jagendra Singh, where there is a place to make bread, he stood

leaning against the wall. Accused Pooran Singh fired from his rifle at Randhir Singh (deceased). Kashmir Singh, accused also fired from his D.B.B.L. gun at Balbindra Singh. The accused- Jaswant Singh and Man Singh have also fired from their respective guns. Accused Pooran Singh fired many times. On being challenged by Jugendra Singh, Nishan Singh and Dalip Singh, the accused escaped. Thereafter complainant- Dayal Singh went on the roof his son Randhir Singh lying injured with gun shot injury. The complainant wrapped his leg wound with cloth and get him down. He thereafter went to the police station with written report Exhibit Ka-1 which was written by Jasbir Singh on the dictation of Dayal Singh. The complainant had left Balbindra Singh at home. Thereafter complainant took the injured Randhir Singh in a car and went to Police Station Baheri. The complainant submitted the written report to the police station on the basis of that written report a chik report Exhibit Ka-10 was prepared. Thereafter, Police Inspector advised him to take Randhir Singh to Baheri Hospital in a car and sent a Constable alongwith him, after reaching the hospital the doctor put a vaccine and advised him that his injuries are serious so he should be shifted to District Hospital, Bareilly. On the advised of the doctor, Randhir was brought to the District Hospital Bareilly for his treatment, where he died on the same day. PW.2 in his cross examination has stated that the dispute was only that the two biswa land, situated outside the village, which was less, Pooran Singh wanted to take it in abadi.

12. PW-3-Balbindra Singh has stated on oath that about 9 months ago at 8.00 am in the morning he was standing outside his house. Dayal Singh and Randhir Singh (deceased) were also there. They saw that all four accused persons, namely, Jaswant Singh, Kashmir Singh, Man Singh and Pooran Singh armed with weapons came towards his house hurling abuses and saying that don't leave them, kill them. Pooran Singh armed with Rifle, accused Kashmir Singh armed with D.B.B.L. gun, accused Jaswant Singh and Man Singh both armed with their S.B.B.L. guns. On seeing them, they after raising alarm ran towards the house of Jugendra Singh. On hearing the alarm Jugendra Singh and Nishan Singh arrived at the scene of occurrence. He and Randhir Singh climbed up on the roof of Jugendra Singh. Dayal Singh remained down. Accused Pooran Singh fired from his rifle at Randhir Singh (deceased), which hit his leg. After receiving gun shot injury, Randhir Singh fell down. Thereafter, Kashmir Singh, accused also fired from his D.B.B.L. gun at him, he also fell on the ground. The accused- Jaswant Singh and Man Singh have also fired from their respective guns. Accused Pooran Singh fired many times. Thereafter Jugendra Singh, Nishan Singh, Dayal Singh and Dalip Singh went on the roof where his son Randhir Singh lying injured with gun shot injury. They wrapped his leg wound with cloth and get him down. Thereafter a report was written by Jasbir Singh and then they took Randhir Singh in a tractor trolly. Randhir Singh thereafter died. His injuries also got medically examined. He further stated that on the same day, police inspector came in his village. Before the police inspector he stated that his injuries were minor in nature that's why he was not ready to go with Randhir Singh. Randhir Singh received serious injuries.

13. PW-4-Sub Inspector Ram Chandar, who is the formal witness has stated on oath that on 22.06.1982 he was posted as Sub Inspector in Police Station -

Baheri. A memo Exhibit-A came from the Hospital at around 11.30 am., in which it is informed that Randhir Singh s/o Dayal Singh died in the hospital. He reached the hospital at about 14.30 hours and inspected the dead body of Randhir. The dead body was sealed and the possession of necessary documents were handed over to constables Harpal Singh and Shankar Prasad. Panchayatnama was prepared.

14. PW-5-Dr. Balbir Singh, District Hospital, Bareilly, who has conducted the post mortem of the dead body, has stated that he was posted as Medical Officer in the District Hospital, Bareilly on 23.06.1982. He has conducted post-mortem of the dead body of the deceased Randhir Singh at 4.30 pm. On 23.06.1982 the dead body was presented before him by Constable Har Pal and Constable Shankar Prashad. At that time the dead body was under seal. The age of the deceased was about 16 years and died about a day before. On 22.06.1982 the deceased was brought in the District Hospital, Bareilly at about 1.20 pm. He further stated that rigour mortis was present in the upper and lower part of the body. As per his examination, following ante mortem injuries were present on the body of the deceased:-

(i). Gun shot wound of entry 7cm x 6cm through & through with inverted and lacerated margin on the back of the left leg, 2cm below the left knee joint, in the middle. No blackening and tattooing present. Both bones fractured in multiple pieces. Large Vessel lacerated.

(ii). Gun shot wound of exit 12cm x 11cm through & through, connecting injury no.1 on the front of the left leg in middle 1 cm. Below the knee joint margin averted.

15. PW-6 Dr. Janki Pradad Gangwar, who was also posted as Superintendent of Combined Hospital, Baheri on 22.06.1982. He has examined the deceased Randhir Singh at 10:43 pm. In the night. The deceased was brought before him by Constable Suraj Pal Singh. The following injuries were found on the body of Randhir Singh:-

(a). Gun shot wound of entrance 9cm x 6.5 cm through & through to the past side on left leg, 2 cm below left knee joint margins are lacerated, and inverted. No tattooing, no scratching, no injury under lying tissues.

(b). Gun shot wound of exit 15 cm x 13.5 cm. connecting to the would of entrance (through and through) 2 cm below the left knee joint on the out side of left leg, margins were averted and lacerated, no tattooing no scartching, no injury (under) soft lying soft tissue and bones are broken and lacerated.

(c). Lacerated wound 1.5 cm x .25 cm x skin deep 2 cm below the injury no.1. Injury no.1 is a grievous caused by gun shot from a fire arm. As a result, of exit of shots no.2 is caused by blunt object and is simple. Duration of all injures is fresh.

16. PW.7-Indrajeet Singh, Sub Inspector, has stated that the present case was registered in his presence at the police station Baheri. He has further stated that as soon as the case was registered at Police Station he started the investigation of the case and tried to record the statement of deceased Randhir Singh at the police station, who was lying in the car, but Randhir Singh did not give his statement because his condition was not good. Immediately, he was sent to Baheri Hospital for his medical examination. Thereafter PW-7 recorded the statement of Dayal Singh, who is the father of Randhir Singh, and Nishan Singh and went to the

spot where he recorded the statements of Balbindra Singh, Jugendra Singh and Dalip Singh. He inspected the place of occurrence and prepared the site plan. He has collected bloodstained soil along with piece of broken bones and plain soil and kept them into separate containers. These are Exhibit 3 and Exhibit 4. A Fard to this effect Exhibit Ka.13 was prepared. He has collected two empty cartridges from the Rasta and both of them were kept under seal and a Fard Exhibit Ka.13 was prepared by him. These cartridges were sent for ballistic examination. Thereafter, he has recorded the statements of other witnesses. He has also searched the accused for recovery of arms but no arms were recovered from them. Fard Talasi in respect of the house of the accused Kashmir Singh, Jasbir Singh, Pooran Singh was prepared by the PW-7. These Fards are Exhibit Ka.15, Ka.16 and Ka.17. On 23.06.1982, PW-7 received the injuries report of Balbindra Singh and Randhir Singh (deceased). He has further received an inquest report of the dead body of Randhir Singh and post mortem report and copy of the G.D. in which case was amended. This amended report was prepared by Charan Singh. It is Exhibit Ka.18. Thereafter, the investigation of this case was taken by Sri S.R. Shukla, Station House Officer, Incharge of the Police Station Baheri. On 26.06.1982 the accused Jaswant Singh, Pooran Singh and Man Singh has surrendered themselves in the court of Judicial Magistrate, Baheri.

17. PW-8-Shripal Singh, Station House Officer, has stated that he was posted as Inspector Incharge at the police station Baheri on 07.07.1982. The investigation of this case was taken by him on 07.07.1982 from S.I. Sri S.R. Shukla. He has recorded the additional statements of Dayal Singh, Guru Charan Singh Barja Singh, Ishwar Singh and Balkar Singh. He has submitted the chargesheet Exhibit Ka.19 against the accused persons after completing the investigation.

18. PW.9-Constable Har Pal Singh has stated on oath that he received the dead body of Randhir Singh under seal alongwith necessary documents.

19. PW-10-Constable Sharafat Ali, has stated that he took one sealed bundle in which gun and cartridges were kept and he has submitted them to the Malkhana Police Station, Baheri.

20. PW-11- Head Mohrir, Ashiq Hussain has stated that one gun was received at the police station from Constable Prem Pal. This gun alongwith the bundle of cartridges were sent for chemical examination at Lucknow.

21. PW.12-Constable Hari Nandan Murari has stated that he was posted as Head Moharrir at the police station Kitcha on 23.06.1982 at about 2.55 pm Station House Officer, Sri V.R. Goyal, Sub Inspector Jagdish Pal and Constable no.345 Ragunath Singh and others brought the accused Kashmir Singh to the police station alongwith one gun and 5 live cartridges. Gun and cartridges were deposited in the Malkhana of police station-Baheri. They were kept under seal. These are Exhibit 9 to 14, entry to this effect was made in the G.D. no.23, copy thereof is Exhibit Ka.26. He has further stated that he had re-sealed the aforesaid articles and thereafter handed over to the Constable Prempal. The entry to this effect was made in the G.D. No.24,copy thereof is Exhibit Ka.27

22. P.W.13- Jiya Lal has stated that he was posted as Constable at police station Kitcha in the month of June, 1982. He has

stated that he alongwith Station House Officer, Sri V.R. Goyal and other police personnel were busy in patrolling and they were informed by the reliable informer that accused Kashmir Singh is coming from the side of Kitcha and is going towards the police station-Baheri. On getting this information, police party had taken position and arrested him and made a search. One D.B.B.L. gun, Exhibit Ka.9 and 5 live cartridges, Exhibit Ka.10, were recovered from the possession of accused Kashmir Singh. They were sealed on the spot and a fard in respect of these recoveries were prepared Sri V.R. Goyal. The recovered articles and accused Kashmir Singh were brought to the police station Kitcha.

23. PW.14 Prem Pal Sharma has filed his affidavit which is on record.

24. In support of defence case, DW1-Ishwar Singh and DW2-Jagga Singh were produced and examined.

25. DW-1-Ishwar Singh has stated that a panchayat had taken place in the village Pandra, two months ago from the date of the murder of the deceased Randhir Singh. This panchayat was held in connection with the land of Jangali village. He was the panch in that panchayat. Gurucharan Singh, Amar Singh and Baja Singh were also present in that panchayat. In that panchayat, Pooran Singh was one party and Dayal Singh was another party. There was no fighting on the point of any land situated in the village. The panchayat decided accordingly. The terms and conditions of panchayat were reduced into writing. He also made his thumb impression over the paper. He has proved Exhibit Kha.1

26. DW-2-Jagga Singh has stated that about one year ago the guest of Jugendra Singh gathered on the roof of the house of Jugendra Singh and they took their meal and thereafter they made some fire from their guns. This witness had stated that his buffalo was hit by one fire and Balbindra Singh and Randhir Singh were also injured from those fires. According to this witness the fire injuries were caused by those persons who gather at the house of Jugendra Singh.

27. The judgement of acquittal has been passed on the ground that there was no motive for the accused persons, namely, Pooran Singh, Kashmir Singh, Jaswant Singh and Man Singh to commit the murder of Randhir Singh. The testimony of PW-2-Dayal Singh and PW-3-Balvindra Singh does not inspire confidence inasmuch as their presence on the spot appeared doubtful and their testimony was in conflict with the medical evidence. The scribe of the first information report, namely, Jasvir Singh and other eye witnesses of the incident, namely Jugendra Singh, Dalip Singh and Nishan Singh were not examined at the trial. The D.B.B.L. gun recovered from the possession of accused Kashmir Singh on 23.06.1982 was sent from police station-Kitcha Nainital to police station-Baheri, District Bareilly as late as on 24.01.1983 and from the police station Baheri to the Ballistic Expert as late as on 03.04.1983.

28. Challenging the impugned judgment, Sri Kailash Prakash Pathak, learned AGA submits that there was cogent evidence to convict the accused persons herein. He submits that it is broad day light incident and in this incident one young boy lost his life and one young boy recevied gun shot injuries. The first information report was prompt. He further stated that presence of the witnesses are not doubtful,

PW-2-Dayal Singh and PW-3-Balvindra Singh consistent by supported the prosecution case and their testimony finds material corporation from the prompt first information report and the medical evidence. He further submits that the court below has erred in holding that there was no motive for the accused persons to commit the murder of Randhir Singh as the motive is clear that there was a land dispute between the accused and the father of deaceased. He further submits that PW-3-Balvindra Singh received injuries during course of the incident and his presence could not be doubted. The learned Sessions judge also erred in holding that the evidence of eye witnesses Dayal Singh and Balvindra Singh was in conflict with the medical evidence and the incident took place in some other manner. Learned AGA further stated that learned Sessions Judge erred in not relying on the evidence of the recovery of D.B.B.L. gun from the possession of Kashmir Singh, accused, the gun having been used in the commission of the incident, there was no contradiction regarding weapons in hand of the accused, place of occurrence and manner of assault, and there is no motive for false implication therefore, the judgment of acquittal passed by the Trial Court is perverse in nature and is liable to be reversed.

29. Sri Santosh Kumar Tiwari, learned counsel appearing for the sole surviving accused respondent-Man Singh submits that there was no recovery of any weapon from Man Singh and there was no allegation that his fire caused any injury or damage to the anyone, hence involvement of Man Singh was not proved beyond reasonable doubt. He further submits that there was no motive for the accused persons, namely, Pooran Singh, Kashmir Singh, Jaswant Singh and Man Singh to commit the murder of Randhir Singh. He further submitted that the statement under Section 161 Cr.P.C. of PW-1 Balkar Singh was recorded after a long gap, therefore, his testimony was not reliable. He further submits that the testimony of PW-2-Dayal Singh and PW-3-Balvindra Singh does not inspire confidence inasmuch as their presence on the spot appeared doubtful and their testimony was in conflict with the medical evidence. He further submits that the scribe of the first information report, namely, Jasvir Singh and other eye witnesses of the incident, namely Jugendra Singh, Dalip Singh and Nishan Singh were not examined at the trial. He further submitted that the oral and medical evidence are contradictory. He next submitted that D.B.B.L. gun recovered from the possession of accused Kashmir Singh on 23.06.1982 was sent from police station- Kitcha Nainital to police station-Baheri, District Bareilly as late as on 24.01.1983 and from the police station Baheri to the Ballistic Expert as late as on 03.04.1983, therefore, recovery of gun and cartridges from Kashmir Singh is doubtful.

30. We have considered the submissions of the learned counsel for the parties and have perused the record.

31. Before proceeding further, it would be appropriate to take note of law on the appeal against acquittal.

32. In the case of ***Bannareddy and others vs. State of Karnataka and others,*** (2018) 5 SCC 790, in paragraph 10, the Hon'ble Apex Court has considered the power and jurisdiction of the High Court while interfering in an appeal against acquittal and in paragraph 26 it has been held that *"the High Court should not have reappreciated the evidence in its entirety,*

especially when there existed no grave infirmity in the findings of the trial Court. There exists no justification behind setting aside the order of acquittal passed by the trial Court, especially when the prosecution case suffers from several contradictions and infirmities"

33. In **Jayamma vs. State of Karnataka,** 2021 (6) SCC 213, the Hon'ble Supreme Court has been pleased to explain the limitations of exercise of power of scrutiny by the High Court in an appeal against an order of acquittal passed by a Trial Court.

34. In a recent judgement of this Court in **Virendra Singh vs. State of UP and others,** 2022 (3) ADJ 354 DB, the law on the issue involved has been considered.

35. Similar view has been reiterated by Hon'ble Apex Court in **Rajesh Prasad vs. State of Bihar and another,** (2022) 3 SCC 471.

36. We have considered the rival arguments and the evidence in detail.

37. From perusal of record, we find that the names of three eye-witnesses were mentioned in the first information report but they are not produced before the trial court though they are closely related and explanation for their non production is not satisfactory. There was only one entry and exit wound and recovery of weapon was from Kasmira Singh, although was disbelieved by the trial court, and the empty cartridge as per balletic report was fired from the gun recovered from Kasmira Singh only hence, the involvement of the sole surviving accused Man Singh is not proved beyond shadow of doubt. As already noticed that there was no recovery of firearm from Man Singh. There was no allegation that his fire caused any injury to anyone or even caused damage to any property. We find that PW-1-Balkar Singh has narrated the motive behind the crime and had stated that in the panchayat where the land dispute between Pooran Singh and Dayal Singh was settled he was also present although he was not called for such panchayat. PW-2-Dayal Singh, father of the deceased, who is the informant has narrated the motive and manner of crime. He had taken Randhir Singh to the hospital in a car and Balbindra Singh was present in the house. PW-3-Balbindra Singh has also narrated the manner of incident. Both the witnesses have stated that Man Singh was carrying SBBL Gun and had also fired, from his gun, however, as already recorded, no recovery was made from the sole surviving accused Man Singh and his shot had not caused any injury to anyone. PW-4 is the formal witness. PW.5 Dr. Balbir Singh had conducted the post mortem and had certified that there was only one gun shot entry wound of 7cm x 6cm and one gun shot exit wound of 12cm x 11 cm. P.W.6, Dr. Janki Prasad Gangwar had also certified that there was one gun shot entry wound and one gun shot exit wound and one lacerated wound 1.5 cm x .25 cm x skin deep 2 cm. This clearly reflect that there was only one gun shot entry wound and one gun shot exit wound meaning thereby there was only single firearm injury caused to the deceased whereas as per the prosecution case, accused Pooran Singh armed with Rifle, accused Kashmir Singh armed with D.B.B.L. gun, accused Jaswant Singh and Man Singh both armed with their S.B.B.L. guns. The post mortem report clearly reflect that the injuries was caused by a .12 bore gun and not by the Rifle. Therefore, the prosecution story that the injuries caused by the Rifle is false has

rightly been held by the trial court. It is also noticeable that as per prosecution case DBBL gun was recovered from the possession of accused Kashmir Singh on 23.06.1982. The recovered gun and cartridges were brought from police station Kitcha to police station Baheri, District Bareilly by Constable Prem Pal Sharma as late on 24.01.1983 and there was no explanation for such lapse. Thereafter the same was sent from the police Station Baheri to ballistic expert, Lucknow as late on 03.04.1983. This is a clear lacuna on the part of the Investigating Agency though by itself may not be a ground of acquittal, however, coupled with the fact that PW-12 in his examination in chief has admitted that the cloth in which the recovered gun was packed was torn therefore, he has changed the same and resealed the aforesaid articles and thereafter handed over to the Constable Prem Pal. This creates doubt in the prosecution story connecting the weapon recovered with the crime. Therefore, the prosecution case is full of contradictions and lapses on part of the prosecution. There has also been lapse on the part of investigating agency in preparation of site plan as well as explanation offered for non production of the eye witnesses mentioned in the first information report. The explanation that eye witness Nishan Singh had left the place immediately after the incident and had gone to Punjab and his whereabouts are not known is not convincing at all. PW-2-Dayal Singh and Nishan Singh are closely related and are first degree relation, therefore, the explanation for their non production is not satisfactory. Other eye witness Jogendra Singh, explanation for non production given was that he fell seriously ill, however, no medical documents were produced in respect of such serious illness, which may suggest that he was not in position to appear in the witness box.

38. In the totality of circumstances, we find that prosecution has failed to prove its story beyond doubt.

39. It is the settled law that after acquittal by the trial court there is a double presumption of innocence in favour of the accused which, in our opinion, cannot be overlooked in the present case.

40. Accordingly, the present government appeal stands dismissed.

(2023) 1 ILRA 96
APPELLATE JURISDICTION
CRIMINAL SIDE
DATED: ALLAHABAD 23.12.2022

BEFORE

THE HON'BLE DR. KAUSHAL JAYENDRA THAKER, J.
THE HON'BLE AJAI TYAGI, J.

Government Appeal No. 2099 of 1984

State of U.P. ...Appellant
Versus
Krishnadeo @ Jhala & Ors. ...Respondents

Counsel for the Appellant:
A.G.A.

Counsel for the Respondent:
Sri H.N. Singh, Sri N.N. Singh, Sri Satya Prakash Shukla, Sri Udai Prakash Deo Pandey, Sri V.B. Singh

A. Criminal Law - Criminal Procedure Code, 1973-Section 378 - Indian Penal Code, 1860-Section 302-Challenge to – acquittal-false implication- presence of surviving accused is found doubtful-As per postmortem report, there is no injury of bomb and lathi but several wounds of pellets of gunshot is found-Trial Court rightly appreciated the evidence-It is well settled that the Appellate Court hearing the appeal filed against the judgment and

order of acquittal will not overrule or otherwise disturb the Trial Court's acquittal if the Appellate Court does not find substantial and compelling reasons for doing so.(Para 1 to 28)

B. It is settled principles of law that if two views of possible, one favoring to the prosecution and other favoring to the accused, the view favoring to the accused should be adopted. The paramount consideration of the court is to ensure that miscarriage of justice is prevented. A miscarriage of justice which may arise from acquittal of the guilty is no less than from the conviction of an innocent.(Para 19)

The appeal is dismissed. (E-6)

(Delivered by Hon'ble Ajai Tyagi, J.)

1. Heard Sri Patanjali Shukla, learned A.G.A. for the State and Sri Satya Prakash Shukla, learned counsel for respondents perused the record.

2. This appeal under Section 378 of Code of Criminal Procedure, 1973 (hereinafter referred to as 'Cr.P.C.'), at the behest of the State, has been preferred against the judgment and order dated 28.4.1984 passed by Sessions Judge, Mirzapur acquitting accused-respondents who have been tried for commission of offence under Section 302 of Indian Penal Code, 1860 (hereinafter referred to as 'IPC') read with Section149 in Sessions Trial No.66 of 1983.

3. Brief facts as culled out from the record are that the evidence of Ramakant (PW-1) brother of the deceased, is that while his brother, Nageshwar Chaubey, was coming from Semariya to Charkonava and had reached near the road culvert, Krishnadeo alias Jhala, accused, who was lying in ambush alongwith other accused on the northern side of the road, fired a shot on Nageshwar Chaubey, which struck him (Nageshwar Chaubey) in his leg. Rama Kant, Vishwanath, Baggar, Ram Subhag, Ram Prasad and Alagudeo alias Raj Narain were accompanying Nageshwar Chaubey at that time, having lathis in their hands. They started running towards west and stationed themselves after crossing the road culvert. As Nageshwar Chaubey had suffered gun shot injury in his leg, he could not run fast.

Krishna Deo, Kailash Deo, Harish Chandra Deo and Bachchan, accused, were seen chasing Nageshwar Chaubey firing shots from their guns. The other accused were also giving a chase to Nageshwar Chaubey, who fell down at a distance of about 80 paces from the culvert towards west as a result of the injuries suffered by him. Thereupon, Dukhran accused, hit him with *gandasi* a sharp cutting weapon, and Budhiram, accused, took out a hand bomb from his *jhola* and hurled it towards the persons, who had moved ahead and had kept themselves cancelled in the forest. The bomb exploded and produced a loud sound and smoke. Budhiram, accused, then took the rifle of the deceased and thereafter, all the accused fled away in the jungle. Ram Kant and others then came to the place where Nageshwar was lying in pool of blood. It was found that the life had ebbed out as a result of the injuries caused on his person. Long standing enmity is said to be the motive for ending the life of Nageshwar Chaubey .

4. On F.I.R. the investigation was moved into motion. Investigation Officer took up the investigation, visited the spot and prepared the site plan. Investigation Officer collected the blood stained and plain earth from the place of occurrence and live as well as empty cartridge were also recovered. Search memos were prepared. The body of the deceased was sent for postmortem where the postmortem was conducted and the postmortem report was prepared by Doctor.

5. After the completion of investigation, charge sheet was submitted by the Investigation Officer. The case being exclusively triable by the Court of Sessions was committed to the Court of Sessions. The learned Trial Court framed charges under Sections 302, 148, 149 and 379 of IPC. The accused persons denied the charges and claimed to be tried.

6. Prosecution examined oral witnesses and filed doucmentary evidence. After prosecution evidence, statement of accused persons were recorded under Section 313 Cr.P.C., accused examined one witness in their defence.

7. Learned A.G.A. has submitted that the learned Judge below has misread the evidence and that the judgment is based on surmises and conjectures. It is further submitted by learned A.G.A. that First Information Report offence under Section 302 read with Section 149 of I.P.C. was committed and that the judgment of the court below is erroneous..

8. Before we embark on testimony and the judgment of the Court below, the contours for interfering in Criminal Appeals where accused has been held to be non guilty would require to be discussed.

9. The principles which would govern and regulate the hearing of an appeal by this Court, against an order of acquittal passed by the trial Court, have been very succinctly explained by the Apex Court in catena of decisions. In the case of **"M.S. NARAYANA MENON @ MANI VS. STATE OF KERALA & ANR", (2006) 6 S.C.C. 39,** the Apex Court has narrated the powers of the High Court in appeal against the order of acquittal. In para 54 of the decision, the Apex Court has observed as under:

"54. In any event the High Court entertained an appeal treating to be an appeal against acquittal, it was in fact exercising the revisional jurisdiction. Even

while exercising an appellate power against a judgment of acquittal, the High Court should have borne in mind the well settled principles of law that where two view are possible, the appellate Court should not interfere with the finding of acquittal recorded by the Court below."

10. Further, in the case of **"CHANDRAPPA Vs. STATE OF KARNATAKA",** reported in **(2007) 4 S.C.C. 415**, the Apex Court laid down the following principles;

"42. From the above decisions, in our considered view, the following general principles regarding powers of the appellate Court while dealing with an appeal against an order of acquittal emerge:

[1] An appellate Court has full power to review, re-appreciate and reconsider the evidence upon which the order of acquittal is founded.

2] The Code of Criminal Procedure, 1973 puts no limitation, restriction or condition on exercise of such power and an appellate Court on the evidence before it may reach its own conclusion, both on questions of fact and of law.

[3] Various expressions, such as,"substantial and compelling reasons", "good and sufficient grounds", "very strong circumstances", "distorted conclusions", "glaring mistakes", etc. are not intended to curtain extensive powers of an appellate Court in an appeal against acquittal. Such phraseologies are more in the nature of "flourishes of language" to emphasis the reluctance of an appellate Court to interfere with acquittal than to curtail the power of the Court to review the evidence and to come to its own conclusion.

[4] An appellate Court, however, must bear in mind that in case of acquittal there is double presumption in favour of the accused. Firstly, the presumption of innocence is available to him under the fundamental principle of criminal jurisprudence that every person shall be presumed to be innocent unless he is proved guilty by a competent Court of law. Secondly, the accused having secured his acquittal, the presumption of his innocence is further reinforced, reaffirmed and strengthened by the trial Court.

[5] If two reasonable conclusions are possible on the basis of the evidence on record, the appellate Court should not disturb the finding of acquittal recorded by the trial Court."

11. Thus, it is a settled principle that while exercising appellate powers, even if two reasonable views/conclusions are possible on the basis of the evidence on record, the appellate Court should not disturb the finding of acquittal recorded by the trial Court.

12. Even in the case of **STATE OF GOA Vs. SANJAY THAKRAN & ANR** reported in **(2007) 3 S.C.C. 75,** the Apex Court has reiterated the powers of the High Court in such cases. In para 16 of the said decision, the Court has observed as under:

"16. From the aforesaid decisions, it is apparent that while exercising the powers in appeal against the order of acquittal the Court of appeal would not ordinarily interfere with the order of acquittal unless the approach of the lower Court is vitiated by some manifest illegality and the conclusion arrived at would not be arrived at by any reasonable person and, therefore, the decision is to be characterized as perverse. Merely because two views are possible, the Court of appeal would not take the view

which would upset the judgment delivered by the Court below. However, the appellate Court has a power to review the evidence if it is of the view that the conclusion arrived at by the Court below is perverse and the Court has committed a manifest error of law and ignored the material evidence on record. A duty is cast upon the appellate Court, in such circumstances, to re-appreciate the evidence to arrive to a just decision on the basis of material placed on record to find out whether any of the accused is connected with the commission of the crime he is charged with."

13. Similar principle has been laid down by the Apex Court in cases of **"STATE OF UTTAR PRADESH VS. RAM VEER SINGH & ORS.", 2007 A.I.R. S.C.W. 5553** and in **"GIRJA PRASAD (DEAD) BY L.R.s VS. STATE OF MP", 2007 A.I.R. S.C.W. 5589.** Thus, the powers, which this Court may exercise against an order of acquittal, are well settled.

14. In the case of **"LUNA RAM VS. BHUPAT SINGH AND ORS.",** reported in **(2009) SCC 749,** the Apex Court in para 10 and 11 has held as under:

"10. The High Court has noted that the prosecution version was not clearly believable. Some of the so called eye witnesses stated that the deceased died because his ankle was twisted by an accused. Others said that he was strangulated. It was the case of the prosecution that the injured witnesses were thrown out of the bus. The doctor who conducted the postmortem and examined the witnesses had categorically stated that it was not possible that somebody would throw a person out of the bus when it was in running condition.

11. Considering the parameters of appeal against the judgment of acquittal, we are not inclined to interfere in this appeal. The view of the High Court cannot be termed to be perverse and is a possible view on the evidence."

15. Even in a recent decision of the Apex Court in the case of **"MOOKKIAH AND ANR. VS. STATE, REP. BY THE INSPECTOR OF POLICE, TAMIL NADU"**, reported in AIR 2013 SC 321, the Apex Court in para 4 has held as under:

"4. It is not in dispute that the trial Court, on appreciation of oral and documentary evidence led in by the prosecution and defence, acquitted the accused in respect of the charges leveled against them. On appeal by the State, the High Court, by impugned order, reversed the said decision and convicted the accused under Section 302 read with Section 34 of IPC and awarded RI for life. Since counsel for the appellants very much emphasized that the High Court has exceeded its jurisdiction in upsetting the order of acquittal into conviction, let us analyze the scope and power of the High Court in an appeal filed against the order of acquittal. This Court in a series of decisions has repeatedly laid down that as the first appellate court the High Court, even while dealing with an appeal against acquittal, was also entitled, and obliged as well, to scan through and if need be reappreciate the entire evidence, though while hoosing to interfere only the court should find an absolute assurance of the guilt on the basis of the evidence on record and not merely because the High Court could take one more possible or a different view only. Except the above, where the matter of the extent and depth of consideration of the appeal is concerned, no distinctions or

differences in approach are envisaged in dealing with an appeal as such merely because one was against conviction or the other against an acquittal. [Vide State of Rajasthan vs. Sohan Lal and Others, (2004) 5 SCC 573]"

16. It is also a settled legal position that in acquittal appeals, the appellate Court is not required to rewrite the judgment or to give fresh reasonings, when the reasons assigned by the Court below are found to be just and proper. Such principle is laid down by the Apex Court in the case of **"STATE OF KARNATAKA VS. HEMAREDDY"**, AIR 1981, SC 1417, wherein it is held as under:

"...This Court has observed in Girija Nandini Devi V. Bigendra Nandini Choudhary (1967) 1 SCR 93:(AIR 1967 SC 1124) that it is not the duty of the Appellate Court on the evidence to repeat the narration of the evidence or to reiterate the reasons given by the trial Court expression of general agreement with the reasons given by the Court the decision of which is under appeal, will ordinarily suffice."

17. In a recent decision, the Hon'ble Apex Court in **"SHIVASHARANAPPA & ORS. VS. STATE OF KARNATAKA",** JT 2013 (7) SC 66 has held as under:

"That appellate Court is empowered to reappreciate the entire evidence, though, certain other principles are also to be adhered to and it has to be kept in mind that acquittal results into double presumption of innocence."

18. Further, in the case of **"STATE OF PUNJAB VS. MADAN MOHAN LAL VERMA",** (2013) 14 SCC 153, the Apex Court has held as under:

"The law on the issue is well settled that demand of illegal gratification is sine qua non for constituting an offence under the 1988 Act. Mere recovery of tainted money is not sufficient to convict the accused when substantive evidence in the case is not reliable, unless there is evidence to prove payment of bribe or to show that the money was taken voluntarily as a bribe. Mere receipt of the amount by the accused is not sufficient to fasten guilt, in the absence of any evidence with regard to demand and acceptance of the amount as illegal gratification. Hence, the burden rests on the accused to displace the statutory presumption raised under Section 20 of the 1988 Act, by bringing on record evidence, either direct or circumstantial, to establish with reasonable probability, that the money was accepted by him, other than as a motive or reward as referred to in Section 7 of the 1988 Act. While invoking the provisions of Section 20 of the Act, the court is required to consider the explanation offered by the accused, if any, only on the touchstone of preponderance of probability and not on the touchstone of proof beyond all reasonable doubt. However, before the accused is called upon to explain how the amount in question was found in his possession, the foundational facts must be established by the prosecution. The complainant is an interested and partisan witness concerned with the success of the trap and his evidence must be tested in the same way as that of any other interested witness. In a proper case, the court may look for independent corroboration before convincing the accused person."

19. The Apex Court recently in ***Jayaswamy vs. State of Karnataka, (2018) 7 SCC 219,*** has laid down the principles for laying down the powers of appellate court

in re-appreciating the evidence in a case where the State has preferred an appeal against acquittal, which read as follows:

"10.It is by now well settled that the Appellate Court hearing the appeal filed against the judgment and order of acquittal will not overrule or otherwise disturb the Trial Court's acquittal if the Appellate Court does not find substantial and compelling reasons for doing so. If the Trial Court's conclusion with regard to the facts is palpably wrong; if the Trial Court's decision was based on erroneous view of law; if the Trial Court's judgment is likely to result in grave miscarriage of justice; if the entire approach of the Trial Court in dealing with the evidence was patently illegal; if the Trial Court judgment was manifestly unjust and unreasonable; and if the Trial Court has ignored the evidence or misread the material evidence or has ignored material documents like dying declaration/report of the ballistic expert etc. the same may be construed as substantial and compelling reasons and the first appellate court may interfere in the order of acquittl. However, if the view taken by the Trial Court while acquitting the accused is one of the possible views under the facts and circumstances of the case, the Appellate Court generally will not interfere with the order of acquittal particularly in the absence of the aforementioned factors.

.....It is relevant to note the observations of this Court in the case of Ramanand Yadav vs. Prabhu Nath Jha & Ors., (2003) 12 SCC 606, which reads thus:

"21.There is no embargo on the appellate court reviewing the evidence upon which an order of acquittal is based. Generally, the order of acquittal shall not be interfered with because the presumption of innocence of the accused is further strengthened by acquittal. The golden thread which runs through the web of administration of justice in criminal cases is that if two views are possible on the evidence adduced in the case, one pointing to the guilt of the accused and the other to his innocence, the view which is favourable to the accused should be adopted. The paramount consideration of the court is to ensure that miscarriage of justice is prevented. A miscarriage of justice which may arise from acquittal of the guilty is no less than from the conviction of an innocent. In a case where admissible evidence is ignored, a duty is cast upon the appellate court to re-appreciate the evidence in a case where the accused has been acquitted, for the purpose of ascertaining as to whether any of the accused committed any offence or not."

20. The Apex Court recently in ***Shailendra Rajdev Pasvan v. State of Gujarat, (2020) 14 SC 750***, has held that the appellate court is reversing the trial court's order of acquittal, it should give proper weight and consideration to the presumption of innocence in favour of accused, and to the principle that such a presumption sands reinforced, reaffirmed and strengthened by the trial court and in ***Samsul Haque v. State of Assam, (2019) 18 SCC 161*** held that judgment of acquittal, where two views are possible, should not be set aside, even if view formed by appellate court may be a more probable one, interference

21. At present, it is submitted by learned AGA that in all, there were eight accused persons. In this case and now out of them, six accused persons have died. Hence, now this appeal survives only with regard to two surviving accused persons, namely, Budhiram and Kamla Lohar. So, we are concerned only with regard to the matter of accused-Budhiram and Kamla Lohar.

22. It is further submitted by learned AGA that on 10.10.1982 at 12:00 noon, all the eight accused persons came on the spot and

committed the murder of Nageshwar Chaubey. Accused persons were armed with deadly weapons. It is further submitted that surviving accused, Budhiram took out of bomb from his bag and threw towards the deceased at the time of occurrence which created a lot of noise and smoke after that the accused-Budhiram picked up the rifle of the deceased and fled away. Another surviving accused- Kamla Lohar was armed with Lathi and he also attacked on the deceased.

23. It is next submitted by learned AGA that both the surviving accused persons played active role in the commission of offence but the learned Trial Court did not appreciate the evidence in right perspective and mainly held that at the time of occurrence, co-accused-Krishnadeo alias Jhala was sitting in the chamber of District Government Counsel for preparation of his another case. The District Government Counsel is examined before the Trial Court and on the basis of the aforesaid plea of alibi, all the accused persons were convicted by Trial Court. While the plea of alibi was taken only in respect of co-accused Krishnadeo alias Jhala, hence, there is inherent error in the impugned judgment, the appeal is liable to be allowed.

24. Learned counsel for the accused-Budhiram and Kamla Lohar submitted that in the antimortem injuries and in the postmortem report, there is no injury of bomb and lathi. It goes to show that Budhiram and Kamla Lohar were not present at the time of occurrence and they were falsely implicated in this case on the basis of village party and enmity.

25. This is the occurrence of the year 1982. Perusal of postmortem report goes to show that there are several ante-mortem of punchered wound which were caused by the pellets of gunshot. Hence, mainly there are injury of gunshot wound and there is no injuries which could be caused either by the throwing of bomb or by lathi danda.

26. Hence, the presence of surviving accused persons is found doubtful by the learned trial court and it is the settled principles of law that if the two views of possible, one favouring to the prosecution and other favouring to the accused, the view favouring to the accused should be adopted.

27. The place of occurrence, the testimony of the witnesses and the ultimate analysis will not permit us to take a different view than that taken by the learned Judge.

28. Hence, in view of the matter & on the contours of the judgment of the Apex Court, we concur with the learned Sessions Judge. The appeal sans merits and is dismissed. The record and proceedings be sent back to the Court below. The bail and bail bonds are cancelled.

12. Shalini Shyam Shetti Vs Rajendra Shankar Patil (2010) 8 SCC 329

(Delivered by Hon'ble Abdul Moin, J.)

1. Heard Sri Anas Shervani holding brief of Sri Amrendra Nath Tripathi learned counsel appearing for the petitioner, Sri Vikram Soni learned Standing Counsel appearing for the respondents No.1 and 2, Sri Maninder Singh holding brief of Sri Anurag Kumar Singh learned counsel appearing for respondents No.3, 4, 5 and 9, Sri Rakesh Chaudhary assisted by Sri Ayush Chaudhary learned counsel appearing for respondent No.6 and Sri Sanjay Kumar Yadav learned counsel appearing for the respondent No.7 and 8.

2. Instant petition has been filed praying for the following reliefs:-

(i) To set aside the impugned order passed by the Respondent No.2 in Case No.01473 of 2021 (Computerized Case No.T202110640501473) dated 21.12.2021 (Annexure No.1) whereby Respondent No.2 direct for recounting of the votes and further prayed to dismiss the election petition.

(ii) To, issue direction the Respondents not to interfere in functioning of the Petitioner as validity elected Gram Pradhan of Gram Panchayat Murhadeeh, Block-Sidhauli, District-Sitapur."

3. The case as set forth by the petitioner is that the State Government had notified the Panchayat Elections in the year 2020-2021. So far as the instant case is concerned, the notification was issued for election to the post of Gram Pradhan, Gram

Panchayat Murhadeeh, Block Sidhauli, district Sitapur.

4. It is contended that in the election the petitioner was declared successful and a returned candidate on 30.5.2021. It is submitted that the respondent No.6 namely, Raj Kishor, filed an election petition bearing Case No.01473 of 2021 in re Raj Kishore Vs. Parashuram and others under Section 12-C of the U. P. Panchayat Act, 1947 (hereinafter referred to as the "Act, 1947") before the Prescribed Authority/Sub-Divisional Magistrate, Tehsil Sidhauli, district Sitapur, challenging the election of the petitioner. It is contended that the petitioner was arrayed as respondents No.1 in the election petition. The petitioner filed written statement and after consideration of the material on record, the Prescribed Authority, vide impugned order dated 21.12.2021 a copy of which is Annexure No.1 to the petition, allowed the petition and directed for recounting of votes. Being aggrieved, instant petition has been filed.

5. Various grounds have been taken by the petitioner to challenge the order impugned in the petition. However, the legal question which arose on hearing all the learned counsel for the parties, with the consent of the parties, is being decided first.

6. The legal question which has arisen in the instant petition is whether the Prescribed Authority has erred in law in directing for re-counting of votes while finally deciding the election petition inasmuch as to whether the Prescribed Authority could pass any further order on receipt of the result of the re-counting of votes once the election petition had been finally decided and consequently the Prescribed Authority became *"functus officio'?*

7. From the admitted facts, it emerges that after the petitioner had been declared elected as Gram Pradhan, an election petition was filed under Section 12-C of the Act, 1947 by the respondent No.6 which has resulted in the impugned order dated 21.12.2021 by which the petition has been allowed and a re-counting of votes has been directed.

8. The Act, 1947 is a complete act pertaining to the Panchayat Raj. Section 12-C of the Act, 1947 deals with the procedure for questioning the elections.

For the sake of convenience, Section 12-C of the Act, 1947 is reproduced as under:-

"12-C. Application for questioning the elections *- (1) The election of a person as Pradhan [* * *] or as member of a Gram Panchayat including the election of a person appointed as the Panch of the Nyaya Panchayat under Section 43 shall not be called in question* ***except*** *by an application presented to such authority within such time and in such manner as may be prescribed on the ground that -*

(a) the election has not been a free election by reason that the corrupt practice of bribery or undue influence has extensively prevailed at the election, or

(b) that the result of the election has been materially affected -

i- by the improper acceptance or rejection of any nomination or;

ii- by gross failure to comply with the provisions of this Act or the rules framed thereunder.

(2) The following shall be deemed to be corrupt practices of bribery or undue influence for the purposes of this Act.

(A) Bribery, that is to say, any gift, offer or promise by a candidate or by

any other person with the connivance of a candidate of any gratification of any person whomsoever, with the object, directly, or indirectly of including -

(a) a person to stand or not to stand as, or withdraw from being, a candidate at any election; or

(b) an elector to vote or refrain from voting at an election; or as a reward to -

i- a person for having so stood or not stood or having withdrawn his candidature; or

ii- an elector for having voted or refrained from voting.

(B) Undue influence, that is to say, any direct or indirect interference or attempt to interfere on the part of a candidate or of any other person with the connivance of the candidate with the free exercise of any electoral right;

Provided that without prejudice to the generality of the provisions of this clause any such person as is referred to therein who -

i- threatens any candidate, or any elector, or any person in whom a candidate or any elector is interested, with injury of any kind including social ostracism and ex-communication or expulsion from any caste or community; or

ii- induces or attempts to induce a candidate or an elector to believe that he or any person in whom he is interested will become or will be rendered an object of divine displeasure or spiritual censure, shall be deemed to interfere with the free exercise of the electoral right of such candidate or elector within the meaning of this clause.

(3) This application under sub-section (1) may be presented by any candidate at the election or any elector and shall contain such particulars as may be prescribed.

Explanation - Any person who filed a nomination paper at the election whether such nomination paper was accepted or rejected, shall be deemed to be a candidates at the election.

(4) The authority to whom the application under sub-section (1) is made shall in the matter of -

i- hearing of the application and the procedure to be followed at such hearing;

ii- setting aside the election, or declaring the election to be void or declaring the applicant to be duly elected or any other relief that may be granted to the petitioner,

have such powers and authority as may be prescribed.

(5) Without prejudice to generality of the powers to be prescribed under subsection (4) the rules may provide for su''functus officio'''functus officio'''functus officio'mmary hearing and disposal of an application under sub-section (1).

[(6) Any party aggrieved by an order of the prescribed authority upon an application under sub-section (1) may, within thirty days from the date of the order, apply to the District Judge for revision of such order on any one or more the following grounds, namely -

(a) that the prescribed authority has exercised a jurisdiction not vested in it by law;

(b) that the prescribed authority has failed to exercise a jurisdiction so vested;

(c) that the prescribed authority has acted in the exercise of its jurisdiction illegally or with material irregularity.

(7) The District Judge may dispose of the application for revision himself or may assign it for disposal to any Additional District Judge, Civil Judge or

Additional Civil Judge under his administrative control and may recall it from any such officer or transfer it to any other such officer.

(8) The revising authority mentioned in sub-section (7) shall follow such procedure as may be prescribed, and may confirm, vary or rescind the order of the prescribed authority or remand the case to the prescribed authority for re-hearing and pending its decision pass such interim orders as may appear to it to be just and convenient.

(9) The decision of the prescribed authority, subject to any order passed by the revising authority under this section, and every decision of the revising authority passed under this section, shall be final.]"

9. From the perusal of the aforesaid provision of Section 12-C of Act, 1947 it is apparent that an application for questioning the election of a person elected as Gram Pradhan (as it pertains to the instant case) **shall not be called in question except by an application presented to such an Authority within such time and such manner as has been prescribed.** The grounds on which the election of the elected Pradhan can be challenged have also been set forth in Section 12-C of the Act, 1947. The relief which can be granted in the election petition has been set forth in Section 12-C (4) of the Act 1947 a perusal of which indicates that the authority to whom the application under Sub-section (1) is made shall, in the matter of hearing of an application and the procedure to be followed at such hearing, **set aside the election, or declare the election to be void or declare the applicant to be duly elected or any other relief that may be granted to the petitioner.**

Thus, from a perusal of sub-section (4) (ii) of Section 12-C of the Act, 1947 it emerges that the reliefs the Prescribed Authority can grant in any election petition is either to set aside the election or declare an election to be void or declare the applicant to be duly elected or any other relief may be granted to the petitioner.

10. When sub-section (4) (ii) of Section 12-C of the Act, 1947 is read in consonance with sub-section (1) of Section 12-C of the Act, 1947, it clearly emerges that it is only by means of an application filed under Section 12-C of the Act, 1947, that the election of a person, as a Pradhan (so far as the present case is concerned), can be set aside by the Prescribed Authority and by no other mode.

11. Needless to mention that as per sub-rule (1) of Rule 3 of U.P. Panchayat Raj (Settlement of Election Disputes) Rules, 1994 (hereinafter referred to as the "Rules 1994") the Sub-divisional Officer within whose jurisdiction the concerned Gram Panchayat lies is the Authority before whom an application under sub-section (1) of Section 12-C of the Act, 1947 has to be presented.

12. A perusal of the order impugned dated 21.12.2021 would indicate that the Prescribed Authority, while passing the order has not set aside the election of the petitioner or declared the election to be void or declared the respondent No.6 to be duly elected rather has directed for re-counting of votes and the election petition has been allowed.

13. If for the sake of argument the re-counting of votes that has been directed by the Prescribed Authority can be said to be an order that can validly be passed by the Prescribed Authority under the provisions

of sub-section (4) (ii) of Section 12-C of the Act, 1947, then too, considering that the election petition had itself been allowed and the aforesaid order of re-counting of votes has been passed then nothing further survives before the Prescribed Authority in the election petition and even if after the re-counting of votes a situation emerges in which either the petitioner herein or the applicant who filed the Election Petition, i.e. respondent No.6 herein are to get more votes then considering that the election petition has been decided, it would not lie within the domain or power of the Recounting Officer to set aside the election of the petitioner or declare the respondent No.6 herein as elected inasmuch as, the powers under the Act, 1947 have only been conferred upon the Prescribed Authority and no one else.

14. In this regard it would be apt to refer to Article 243-O of the Constitution of India which reads as under:-

***"243-O. Bar to interference by courts in electoral matter**--Notwithstanding anything in this Constitution, --*

(a) the validity of any law relating to the delimitation of constituencies or the allotment of seats to such constituencies, made or purporting to be made under Article 243-K, shall not be called in question in any court;

*(b) no election to any Panchayat shall be called in question **except** by an election petition presented to such authority and in such manner as is provided for by or under any law made by the Legislature of a State."*

15. From a perusal of Article 243-O of the Constitution it emerges that the said constitutional provision categorically provides that notwithstanding anything contained in the Constitution, no election to any Panchayat shall be called in question **except** by an election petition presented to such authority and in such manner as is provided for by or under any law made by the Legislature of the State.

16. When the aforesaid constitutional provision is seen in the context of the action impugned, it emerges that the respondent No.6 had filed the election petition for setting aside the election of the petitioner. The Prescribed Authority, instead of passing an order in terms of powers conferred upon him in terms of sub-section (4) (ii) of Section 12-C of the Act, 1947, has passed-on the mantle, after **allowing** the election petition, for re-counting of votes. Once the election petition has itself been decided the Prescribed Authority becomes *"functus officio'* and even if after re-counting of votes either the petitioner or the respondent No.6 herein receive more or less votes, the same would be meaningless as the Authority who has carried out the re-counting of votes would be powerless to set aside the election of the petitioner or to declare the respondent No.6 as elected considering that the said power can only be flow out from the order passed by an authority in an election petition, who is no longer having the election petition before it, the same having been allowed and thus having become *"functus officio'*.

17. When the impugned action of the Prescribed Authority in terms of the order dated 21.12.2021 is seen in the context of Article 243-O of the Constitution of India read with Section 12-C of the Act, 1947, it is apparent that the order impugned as passed by the Prescribed Authority would not be in consonance to the provisions of

the Constitution as well as the provisions of the Act, 1947.

18. It would be apt to reproduce the Division Bench judgment of this Court in the case of **Smt. Ram Kanti. Vs. District Magistrate and others**, reported in **1995 AWC 1465**, wherein it has been held as under:-

"From the above provisions, it is thus, apparent that the State Election Commissioner, District Magistrate and the Election Officer are empowered to supervise, control and conduct the election. ***After the election is over, they lose all jurisdiction over the matter and it is the Election Tribunal alone, which is competent to deal with the dispute arising out of or in connection with the election.*** *The meaning of the word election and when does the election process comes to an end has been considered by the Supreme Court from time to time while deciding the cases under the R.P. Act, leading case being N.P. Punnuswami v. Returning Officer AIR 1952 SC 64, wherein the election was given the wide meaning so as to connote the entire process culminating in a candidate being declared elected. It, thus, includes the entire procedure to be gone through to return a candidate to the Legislature. Same rule was reiterated in Mohinder Singh Gill v. Chief Election Commissioner AIR 1978 SC 851, wherein it was laid down that the election commences from the initial notification and culminates in the declaration of the return of a candidate. Election process, thus, comes to an end on the final declaration of returned candidates. As the pattern and the procedure for holding the election under the Act and the Rules is similar to that contained in the R.P. Act, the same definition of election has to be applied to the election held under the Act and the Rules.* ***After the election process has come to an end, the State Election Commissioner, District Magistrate and the Election Officer lose all their jurisdiction and the only authority, which can deal with and decide any complaint regarding the election is the Election Tribunal..."***

(emphasis by Court)

19. Likewise, a Division Bench of this Court in the case of **Shambhu Singh Vs. State Election Commission, U.P and Ors** reported in **2000 (4) AWC 2777** has held as under:-

".....In our view, on proper interpretation of the Statute, after the election process has come to an end, the State Election Commissioner, District Magistrate and the Election Officer cease to have any jurisdiction and the only authority which can deal with and decide any complaint regarding the election is the Election Tribunal..."

20. The Apex Court in the cases of **N.P. Ponnuswami v. Returning Officer, Namakkal Constituency; AIR 1952 SC 64 and Krishnamoorthy Vs. Sivakumar and others; (AIR 2015 Vol-3 SCC 467)** have also held likewise.

21. Consequently, when the impugned order as passed by the Prescribed Authority is seen in the light of the judgments of the Apex Court in the case of **N.P. Ponnuswami** (supra) and **Krishnamoorthy (supra)**, the Division Bench judgment of this Court and in the case of **Smt. Ram Kanti** (supra) as well as the judgment of this Court in the case of **Shambhu Singh** (supra), it clearly emerges that the order impugned does not stand the vigours and rigours as prescribed under

Section 12-C of the Act, 1947 read with Article 247-O (b) of the Constitution of India.

22. At this stage, all learned counsels appearing for the respective parties contend that the order impugned dated 21.12.2021 cannot be considered to be a final order rather it would only be an interlocutory order for the purpose of recounting of votes and consequently, after recounting of votes takes place in terms of the impugned order, it is the Prescribed Authority who shall declare the election petition to have finally succeeded in favour of respondent no.6 herein or to be dismissed on the basis of the result of the votes. In this regard, reliance has been placed on a Division Bench judgment of this Court in the case of **Mohd. Mustafa vs. U.P. Ziladhikari - 2007 SCC OnLine All.1564.**

23. Placing reliance on the aforesaid judgment the argument is that on a reference being made arising out of a writ petition, the Division Bench of this Court has held as under:-

"22. We have carefully examined the reasoning given by a learned single Judge in Abrar's case (supra) wherein the learned single Judge opined that the disposal of an application for recount would amount to be a final order as it disposes of the application for recount finally. As explained by us, herein above, a mere order for recount does not finally alter the status of the contesting parties and it does not, in any way, finally determine the status of an elected candidate. The finality comes only after the disposal of the election application as the relief of setting aside an election or dismissing an election application comes at the final stage and not by mere disposal of an application of recount or ordering recount on deciding the issue framed for this purpose.

23. The order impugned in the writ petition cannot be held to have disposed of the election application for the reason that the Election Tribunal framed following three issues:--

(1) Whether the counting in the election on the post of Pradhan of village Handia was

(2) Whether the agents of the applicant in election application, were forcibly removed from the place of counting and the votes cast in favour of the election applicant had been mixed up with the votes of the returned candidate (present petitioner) and on the basis of which opposite party No. 1 (present petitioner) was declared elected? And

(3) Whether on the facts and circumstances of the case, the recounting of votes is permissible and the election had been held in accordance with law?

24. It is evident from the order impugned that only the order of recount has been passed. However, the other issues are yet to be decided after recount of ballot papers as to whether the election had been held in accordance with law and as to whether the votes cast in favour of the contesting respondent have been mixed up with the votes of the returned candidate and on the basis of which the petitioner has been declared elected. It is further to be decided as to whether the election application is to be allowed or dismissed. Therefore, by no stretch of imagination, it can be held that the order of recount of votes has finally disposed of the election application.

25. We are, therefore, with the utmost respect, not able to circumscribe to the view taken by the learned single Judge in the Abrar's case (supra) for the reasons aforesaid and, therefore, we have no

hesitation on in holding that the said decision does not lay down the law correctly on the question of the maintainability of revision under Section 12-C(6) of the Act in respect of an application disposed of by the Prescribed Authority for recount. We further approve the law laid down the cases relied upon by the learned counsel for the petitioner. We answer the questions referred to by the learned single Judge as follows:--

(I) A revision under Section 12-C(6) of the Act shall lie only against a final order passed by the Prescribed Authority deciding the election application preferred under Section 12-C(1) and not against any interlocutory order or order of recount of votes by the Prescribed Authority.

(II) The judgment of, the learned single Judge in the case of Abrar v. State of U.P., (2004) 5 AWC 4088 : (2004 All LJ 2384) does not lay down the law correctly and is, therefore, overruled to the extent of the question of maintainability of a revision petition, as indicated hereinabove.

(III) As a natural corollary to the above, we also hold that a writ petition would be maintainable against an order of recount passed by the Prescribed Authority while proceeding in an election application under Section 12-C of the U.P. Panchayat Raj Act, 1947."

24. From perusal of the aforesaid judgment it emerges that the Division Bench, upon a reference, did not agree with the view of the Single Judge of this Court in the case of **Abrar v. State of U.P. - (2004) 5 AWC 4088** wherein it had been held that as an election petition had been finally decided as such a revision would lie under sub-section (6) of Section 12-C of the Act, 1947. The Division Bench, after considering the judgment in the case of **Abrar (supra)** was of the view that a mere order for recount does not finally alter the status of the contesting parties and it does not in any way finally determine the status of an elected candidate inasmuch as the finality would only come after the disposal of the election application as the relief of setting aside an election or dismissing an election application comes at a final stage and not by mere disposal of an application of recount or ordering recount on deciding the issue framed for this purpose.

25. However, the legal issue which arises in the instant case is that when the Prescribed Authority has finally **allowed** the election petition by means of impugned order dated 21.12.2021 and has directed for recounting then after disposal of the election petition, the Election Tribunal would become *'functus officio'* and no subsequent order can be passed in this regard by the Election Tribunal.

26. This aspect of the matter has been considered by a seven Judges Constitution Bench of Hon'ble Supreme Court in the case of **Hari Vishnu Kamath vs. Syed Ahmad Ishaque and others - AIR 1955 SC 233** wherein the Constitution Bench has held as under:-

*"19. Looking at the substance of the matter, when once, it is held that the intention of the Constitution was to vest in the High Court a power to supervise decisions of Tribunals by the issue of appropriate writ and directions, the exercise of that power cannot be defeated by technical -considerations of form and procedure. In **P. C. Basappa v. T. Nagappa -AIR 1954 SC 440**, this Court observed:*

"In view of the express provisions in our Constitution we need not now look back to the early history or the procedural

technicalities of these writs in English law, nor feel oppressed by any difference or change of opinion expressed in particular cases by English Judges. We can make an order or issue a writ in the nature of 'certiorari' in all appropriate cases and in appropriate manner, so long as we keep to the broad and fundamental principles that regulate the exercise of jurisdiction in the matter of granting such writs in English law"

It will be in consonance with these principles to hold that the High Courts have power under article 226 to issue writs of certiorari for quashing the decisions of Election Tribunals, ***notwithstanding that they become functus officio after pronouncing the decisions."***

(emphasis by the Court)

27. From a perusal of the aforesaid judgment, it is apparent that after the Election Tribunal pronounces its decision, it becomes *'functus officio'*.

28. Further, the Constitution Bench has also laid down the law with respect to the powers of the High Court under Articles 226 and 227 of the Constitution of India. For the sake of convenience, the relevant observations of the Constitution Bench are reproduced below:-

"We are also of opinion that the Election Tribunals are subject to the superintendence of the High Courts under article 227 of the Constitution, and that superintendence is both judicial and administrative*. That was held by this Court in Waryam Singh and another v. Amarnath and another(2), where it was observed that in this respect article 227 went further than section 224 of the Government of India Act, 1935, under which the superintendence was purely administrative, and that it restored the position under section 107 of the Government of India Act, 1915.* ***It may also be noted that while in a certiorari under article 226 the High Court can only annul the decision of the Tribunal, it can, under article 227, do that, and also issue further directions in the matter. We must accordingly hold that the application of the appellant for a writ of certiorari and for other reliefs was maintainable under articles 226 and 227 of the Constitution."***

(emphasis by the Court)

29. From a perusal of the aforesaid, it is apparent that the Constitution Bench has held that the High Court under Article 226 can not only annul the decision of the Tribunal but the High Court under Article 227 can also do that and also issue further directions in the matter.

30. Accordingly, when the Division Bench judgment in the case of **Mohd. Mustafa (supra)** is seen in the light of the Constitution Bench judgment in the case of **Hari Vishnu Kamath (supra)** it emerges that the Division Bench of this Court has not considered the aforesaid Constitution Bench judgment wherein it has been held that the Election Tribunal after pronouncing its decision becomes *'functus officio'* and consequently this Court while exercising power under Articles 226 and 227 of the Constitution of India can not only annul the decision of the Tribunal but can also issue further directions in the matter.

31. At this stage, it would also be relevant to deal with issue as to whether the law laid down by the Division Bench of this Court in the case of **Mohd. Mustafa (supra)** would be a binding precedent

when the Division Bench has not considered the judgment of the Apex Court in the case of **Hari Vishnu Kamath (supra)**.

32. In this regard, this Court may need not look further than the judgment of the Supreme Court in the case of **Sundeep Kumar Bafna vs. State of Maharashtra - (2014) 16 SCC 623**, wherein the Apex Court has held as under:-

"19. It cannot be over-emphasised that the discipline demanded by a precedent or the disqualification or diminution of a decision on the application of the per incuriam rule is of great importance, since without it, certainty of law, consistency of rulings and comity of Courts would become a costly casualty. ***A decision or judgment can be per incuriam any provision in a statute, rule or regulation, which was not brought to the notice of the Court. A decision or judgment can also be per incuriam if it is not possible to reconcile its ratio with that of a previously pronounced judgment of a Co-equal or Larger Bench; or if the decision of a High Court is not in consonance with the views of this Court.*** *It must immediately be clarified that the per incuriam rule is strictly and correctly applicable to the ratio decidendi and not to obiter dicta. It is often encountered in High Courts that two or more mutually irreconcilable decisions of the Supreme Court are cited at the Bar. We think that the inviolable recourse is to apply the earliest view as the succeeding ones would fall in the category of per incuriam."*

(Emphasis by the Court)

33. Likewise, the Apex Court in the case of **Punjab Land Development and Reclamation Corporation Limited vs. Labour Court - (1990) 3 SCC 682** has held as under:-

"40. We now deal with the question of per incuriam by reason of allegedly not following the Constitution Bench decisions. The Latin expression per incuriam means through inadvertence. ***A decision can be said generally to be given per incuriam when this Court has acted in ignorance of a previous decision of its own or when a High Court has acted in ignorance of a decision of this Court.*** *It can not be doubted that Art. 141 embodies, as a rule of law, the doctrine of precedents on which our judicial system is based. In Bengal Immunity Company Ltd. v. State of Bihar, [1955] 2 SCR 603, it was held that the words of Art. 141, "binding on all courts within the territory of India", though wide enough to include the Supreme Court, do not include the Supreme Court itself, and it is not bound by its own judgments but is free to reconsider them in appropriate cases. This is necessary for proper development of law and justice. May be for the same reasons before judgments were given in the House of Lords in Re-Dawson's Settlement Lloyds Bank Ltd. v. Dawson and Ors., [1966] 1 WLR 1234, on July 26, 1966 Lord Gardiner, L.C. made the following statement on behalf of himself and the Lords of Appeal in Ordinary:*

"Their Lordships regard the use of precedent as an indis- pensable foundation upon which to decide what is the law and its application to individual cases. It provides at least some degree of certainty upon which individuals can rely in the conduct of their affairs, as well as a basis for orderly development of legal rules. Their Lordships nevertheless recognise that too rigid adherence to precedent may lead to injustice in a particular case and also unduly restrict the

proper development of the law. They propose, therefore, to modify their present practice and, while treating former decisions of this House as normally binding, to depart from a previous decision when it appears right to do so.

In this connection they will bear in mind the danger of disturbing retrospectively the basis on which contracts, settlements of property and fiscal arrangements have been entered into and also the especial need for certainty as to the criminal law."

34. From the aforesaid judgments in the case of **Sundeep Kumar Bafna (supra) and Punjab L**and **Development and Reclamation Corporation Limited (supra),** it emerges that the Apex Court has categorically held that discipline demanded by a precedent or the disqualification or diminution of a decision on the application of the per incuriam rule is of great importance, since without it, certainty of law, consistency of rulings and comity of Courts would become a costly casualty. A decision or judgment can be per incuriam any provision in a statute, rule or regulation which was not brought to the notice of the Court or **a decision or judgment can also be per incuriam if the decision of a High Court is not in consonance with the view of the Apex Court.**

35. Accordingly, keeping in view the aforesaid judgments, the Division Bench judgment of this Court in the case of **Mohd. Mustafa (supra)** would run against the law laid down by the Constitution Bench judgment of the Apex Court in the case of **Hari Vishnu Kamath (supra)** the Division Bench having not considered that the Election Tribunal becomes *functus officio* after finally deciding the election petition and thus it is the judgment of the Constitution Bench which would have to be followed by this Court.

36. As already indicated above, the Apex Court in the case of **Hari Vishnu Kamath (supra)** has held that after the Election Tribunal finally pronounces its decision, it becomes *'functus officio'* meaning thereby that it would not have any power to pass any order in the election petition after it pronounces its order. In the instant case what the Election Tribunal headed by the Prescribed Authority has done is that it has finally allowed the election petition and has directed for a recounting. Even if the result of recounting of the votes is to be either way, the Election Tribunal having become *'functus officio'* after pronouncement of its decision/allowing the petition, it would not be able to pass any further orders. As such keeping in view the settled proposition of law, Article 243-O of the Constitution of India categorically providing that only by means of an election petition the election to the Panchayat can be called in question and the election petition having been finally decided, the Prescribed Authority/Election Tribunal, thus became *functus officio* and cannot pass any further orders in the matter. As such, the impugned order has to be treated as a final order in all respects and accordingly it is apparent that the Prescribed Authority has passed a patently perverse order and has failed to exercise jurisdiction vested in him i.e. of finally deciding an election petition either way.

37 Keeping in view the aforesaid discussion, the legal question which has arisen in the instant petition is answered below:-

The Prescribed Authority on finally deciding an election petition

becomes *functus officio* and can not pass any order subsequent thereto even if the election petition has been decided finally calling for the re-counting of votes.

38. With the legal question now stands answered, the next question would be as to whether this Court while exercising jurisdiction under Article 227 of the Constitution of India can interfere with the order impugned?

39. Though it has been argued that the petitioner has a remedy of filing of a revision against the order impugned before the learned District Judge under sub-section (6) of Section 12-C of the Act, 1947 and as such he should be relegated to filing of a revision but considering that the petition had been entertained about a year back and an interim order had already been passed and the fact that the law in this regard was not settled as to whether the order impugned would be considered to be a final order or an interim order consequently this Court is exercising its powers as vested under Article 227 of the Constitution of India.

40. Even though the powers of this Court under Article 227 of the Constitution of India have been indicated by the Apex Court in the case of **Hari Vishnu Kamath (supra)** yet it would also be apt to indicate what the Hon'ble Apex Court in the case of ***Waryam Singh and another vs Amarnath and another*** reported in **AIR 1954 SC 215** as reiterated by Hon'ble the Apex Court in the case of **Shalini Shyam Shetti vs Rajendra Shankar Patil** reported in **(2010) 8 SCC 329** has held, which for the sake of convenience is reproduced below:-

"(e) According to the ratio in Waryam Singh (supra), followed in subsequent cases, the High Court in exercise of its jurisdiction of superintendence can interfere in order only to keep the tribunals and Courts subordinate to it,`within the bounds of their authority'.

(f) In order to ensure that law is followed by such tribunals and Courts by exercising jurisdiction which is vested in them and by not declining to exercise the jurisdiction which is vested in them.

(g) Apart from the situations pointed in (e) and (f), High Court can interfere in exercise of its power of superintendence when there has been a patent perversity in the orders of tribunals and Courts subordinate to it or where there has been a gross and manifest failure of justice or the basic principles of natural justice have been flouted.

(h) In exercise of its power of superintendence High Court cannot interfere to correct mere errors of law or fact or just because another view than the one taken by the tribunals or Courts subordinate to it, is a possible view. In other words the jurisdiction has to be very sparingly exercised."

41. Accordingly, keeping in view the aforesaid discussion while exercising power under Article 227 of the Constitution of India the Court holds that the impugned order dated 21.12.2021 is patently perverse to the provisions of the Act, 1947 and the Prescribed Authority has failed to exercise jurisdiction vested upon the Election Tribunal under the provisions of the Act, 1947. Consequently the order impugned dated 21.12.2021 is set aside. The matter is remitted to the Prescribed Authority for passing a fresh order in accordance with law keeping in view the powers under sub-section (4)(ii) of Section 12-C of the Act, 1947. Let a fresh order in this regard be

passed expeditiously after hearing all the parties concerned in accordance with law.

42. The petition stands disposed of.

(2023) 1 ILRA 116
REVISIONAL JURISDICTION
CIVIL SIDE

Counsel for the Revisionists:
Sri Shailendra

Counsel for the Opposite Parties:
Sri Gulrez Khan

A. Civil Law - Provincial Small Cause Courts Act, 1887-Sections 15(2), 15(3) - Code of Civil Procedure, 1908 - Section 21, Order XV, Rule 5-Eviction-Objection against pecuniary jurisdiction-Suit was instituted by plaintiff-respondents before the Judge, Small Cause Court, whose pecuniary jurisdiction is upto Rs. 25000/- However suit was valued at Rs. 57060- Defendants' application whereby objecting to the Court's pecuniary jurisdiction, was rejected-Post amendment to Act of 1887 brought about by the U.P. Civil Laws (Amendment) Act, 2015, the pecuniary jurisdiction of Small Cause Court to try a small cause suit, including a eviction suit has been raised from Rs. 25000 to Rs. 1,00,000-Ipso facto, tenant has allowed the trial to proceed through all stages and taken the objection about lack of pecuniary jurisdiction at a stage when, post remand, trial has been concluded and judgment already on the anvil of delivery. (Paras 1 to 18)

The revision is dismissed. (E-6)

5. TRF Ltd Vs Energo Engineering Projects Ltd. (2017) 8 SCC 377

(Delivered by Hon'ble J.J. Munir, J.)

This revision under Section 25 of the Provincial Small Cause Courts Act, 1887 (for short, 'the Act of 1887'), is directed against an order of the Additional District Judge/ Special Judge (SC/ST Act), Banda dated 17.11.2022 made in S.C.C. Suit No. 2 of 2008, rejecting the defendants' application, objecting to the Court's pecuniary jurisdiction.

2. Shorn of unnecessary details, the facts giving rise to this revision are that S.C.C. Suit No. 2 of 2008 was instituted by the plaintiff-respondents before the District Judge, Banda, sitting as the Judge, Small Cause Court. This was done, because at the time of institution of the suit, the pecuniary jurisdiction to try a small cause suit with the Judge, Small Cause Court, that is to say, the Civil Judge (Sr. Div.) in the State of Uttar Pradesh, was up to the valuation of

Rs. 25,000/-. The suit here was valued at Rs. 57,060/-

3. The suit was, therefore, instituted before the District Judge and tried by the Additional District Judge/ Special Judge (SC/ST Act), Banda, who decreed it *vide* his judgment and decree dated 25.07.2016. A revision against the said decree was carried to this Court by the tenant-revisionist, being S.C.C. Revision No. 50 of 2019. This Court *vide* judgment and order dated 13.09.2022 set aside the decree and remanded the suit for trial afresh, except Issue No. 4, the finding whereon was upheld. That issue related to the defence of the tenant being struck off under Order XV Rule 5 CPC.

4. Post remand, the tenant-revisionist raised an objection through an application dated 17.11.2022 before the Trial Judge that on account of change in pecuniary jurisdiction of the Judge, Small Cause Court *vide* U.P. Civil Laws (Amendment) Act, 2015 w.e.f. 07.12.2015, it was the Judge, Small Cause Court, who was competent to try the suit and not the Additional District Judge, exercising those powers in case of a suit beyond the pecuniary jurisdiction of the Judge, Small Cause Court. This application has been rejected by the learned Additional District Judge, trying the suit *vide* the order impugned dated 17.11.2022.

5. Aggrieved, this revision has been preferred by the tenant-revisionist.

6. Heard Mr. Shailendra, learned Counsel for the revisionists and Mr. Gulrez Khan, learned Counsel for the plaintiff-respondent No. 1.

7. It is submitted by the learned Counsel for the revisionists that once the pecuniary jurisdiction was altered by virtue of the U.P. Civil Laws (Amendment) Act, 2015, the suit that was up for trial before the Additional District Judge in consequence of the order of remand, obliged the learned Judge to direct a return of the plaint for presentation to the Court of competent jurisdiction. By rejecting the application questioning his pecuniary jurisdiction, the Trial Judge has assumed jurisdiction not vested in him. The order impugned is, therefore, patently illegal. It is pointed out that when the suit was instituted, going by the valuation thereof, which is Rs. 57,060/-, it was certainly beyond the jurisdiction of the Judge, Small Cause Court. But, after remand, in view of the supervening amendments *vide* U.P. Civil Laws (Amendment) Act, 2015, that has come into effect from 07.12.2015, the suit is not cognizable by the Additional District Judge, but by the Judge, Small Cause Court. The trial before the Additional District Judge, therefore, is without jurisdiction.

8. The learned Counsel for the revisionists has placed reliance on the decision of the Supreme Court in **Om Prakash Agarwal since deceased through legal representatives and others v. Vishan Dayal Rajpoot and another, (2019) 14 SCC 526.** Learned Counsel for the revisionists has drawn attention of the Court to the holding in **Om Prakash Agarwal** *(supra)*, which reads:

"54. As noted above, the proviso to sub-section (2) pro*vide*s that figure Rs 5000 shall be construed to Rs 25,000. By the U.P. Civil Laws (Amendment) Act, 2015, the figure of Rs 25,000 stood substituted by

Rs 1 lakh. Reading sub-section (2) read with proviso and U.P. Civil Laws (Amendment Act), 2015 clearly means that small cause suits with valuation not exceeding Rs 1 lakh shall be cognizable by the Court of Small Causes. When a small cause suit not exceeding value of Rs 1 lakh is cognizable by the Court of Small Causes, obviously, no other court can take cognizance. The Additional District Judge to whom small causes suit in question was transferred since its valuation was more than of Rs 25,000 was not competent to take cognizance of the suit after the U.P. Civil Laws (Amendment) Act, 2015 w.e.f. 7-12-2015, when the suit in question became cognizable by the Small Cause Court i.e. the Court of Civil Judge, Senior Division. To the above extent, the judgment of the learned Single Judge in Shobhit Nigam case [*Shobhit Nigam v. Batulan*, 2016 SCC OnLine All 2605 : (2016) 119 ALR 826] has to be approved and the judgment of the Single Judge in Pankaj Hotel [*Pankaj Hotel v. Bal Mukund*, 2017 SCC OnLine All 2855 : (2018) 1 All LJ 17] laying down that even after 7-12-2015, the Additional District Judge had jurisdiction to decide the suit in question cannot be approved."

9. The learned Counsel for the plaintiff-respondent has opposed the motion to admit this revision to hearing. He urges that the principle in **Om Prakash Agarwal**, otherwise well settled, is that objection, as to pecuniary jurisdiction has to be taken at the earliest point of time and not after the trial has gone through. He submits that in this case, the trial has been concluded and judgment is to be delivered. Therefore, the issue of pecuniary jurisdiction cannot be raised by the tenant at this stage, which in any case he has raised mala fide to delay judgment in the eviction suit.

10. This Court has carefully considered the submissions advanced by the learned Counsel for parties and perused the record in support of the motion.

11. In the first instance, the jurisdiction to try suits for eviction by the lessor against the lessee of a building after determination of the lease was conferred upon the Judge, Small Cause Court *vide* The Uttar Pradesh Civil Laws (Amendment) Act, 1972 (U.P. Act No. 37 of 1972) enacted by the State Legislature with Presidential assent. This was so, because under the Central Statute, the Small Cause Court does not enjoy jurisdiction by virtue of Clause (4) of the Second Schedule to the Act of 1887 to entertain a suit for possession of immovable property or for the recovery of an interest in such property.

12. Suits for eviction after the determination of lease do not involve generally questions of title and, therefore, the State Amendment was brought to entrust these suits to a Court following a summary procedure. But, while conferring jurisdiction upon the Judge, Small Cause Court, the pecuniary jurisdiction introduced *vide* U.P. Act No. 37 of 1972 was limited to a value of Rs. 5000/-. By U.P. Act No. 17 of 1991, enforced w.e.f. 15.01.1991, the pecuniary jurisdiction of the Judge, Small Cause Court was enhanced from Rs. 5000/- to Rs. 25,000/-, amending Section 15 (2) and (3) of the Central Act.

13. The Uttar Pradesh Civil Laws (Amendment) Act, 1972 also amended Section 25 of the Bengal, Agra and Assam Civil Courts Act, 1887 as applicable in the State of U.P., where by virtue of sub-Section (2) of Section 25, the State Government was empowered by

notification in the Official Gazette to confer upon any District Judge or Additional District Judge the jurisdiction of a Judge of the Court of Small Causes under the Act of 1887 for the trial of suits, irrespective of their value. Under sub-Section (3) of Section 25 of the Bengal, Agra and Assam Civil Courts Act, 1887, as amended by U.P. Act No. 37 of 1972, the State Government was empowered to delegate to the High Court by notification in the Official Gazette its powers under sub-Section (2) of Section 25. In substance, therefore, by notifications issued by the High Court, the power to try small cause suits beyond a limited pecuniary jurisdiction and of unlimited value was conferred upon the District Judges, including the Additional District Judges in the State.

14. There is no doubt that post amendment to the Act of 1887 brought about by the U.P. Civil Laws (Amendment) Act, 2015, the pecuniary jurisdiction of the Judge, Small Cause Court to try a small cause suit, including a suit for eviction, has been raised from Rs. 25,000/- to Rs. 1,00,000/-. This has been effected by the amendment made to the proviso to sub-Section (2) of Section 15 of the Act of 1887. The suit at the time it was instituted way back in the year 2008 with a valuation of Rs.57,060/- was beyond the pecuniary jurisdiction of the Judge, Small Causes Court and, therefore, instituted before the District Judge, exercising powers of the Judge, Small Causes Court in a suit beyond the pecuniary jurisdiction of the Small Causes Court. There was no occasion also to raise any objection at that time relating to the pecuniary jurisdiction. However, judgment in the suit was delivered by the Additional District Judge on 25.07.2016 and raise in the pecuniary jurisdiction of the Judge, Small Causes Court, was brought about by the U.P. Civil Laws (Amendment) Act, 2015 w.e.f. 07.12.2015. It is certainly not the revisionists' case that judgment was reserved prior to 07.12.2015 and that it was delivered on 25.07.2016 with no opportunity to him to raise an objection to the pecuniary jurisdiction, based on the supervening amendment.

15. The tenant-revisionists challenged the decree passed by the Additional District Judge before this Court *vide* S.C.C. Revision No. 50 of 2019. A perusal of the judgment in the said revision, which was allowed, setting aside the decree passed by the Additional District Judge, does not show that it was urged ever before this Court in revision that the Additional District Judge was no longer competent to try the suit, as it had been removed from his pecuniary jurisdiction, by virtue of the amendment that came in before the Trial Judge's judgment. Post remand also, it does not appear from a reading of the order impugned that the tenant has raised or at least pressed his objections about the pecuniary jurisdiction of the learned Additional District Judge at the earliest point of time. The order impugned reveals that after the remand, the whole trial has gone through and judgment alone remains to be delivered. It is at this stage that the revisionists seem to have pressed their application dated 17.11.2022, which has come to be rejected by the Trial Judge. Objection as to lack of territorial jurisdiction or pecuniary jurisdiction ought to be taken at the earliest point of time, else it would be deemed to have been waived. This is the clear purport of the provisions of Section 21 of the Code of Civil Procedure, which read:

"21. Objections to jurisdiction.-(1) No objection as to the place of suing

shall be allowed by any Appellate or Revisional Court unless such objection was taken in the Court of first instance at the earliest possible opportunity and in all cases where issues are settled at or before such settlement, and unless there has been a consequent failure of justice.

(2) No objection as to the competence of a Court with reference to the pecuniary limits of its jurisdiction shall be allowed by any Appellate or Revisional Court unless such objection was taken in the Court of first instance at the earliest possible opportunity, and, in all cases where issues are settled, at or before such settlement, and unless there has been a consequent failure of justice.

(3) No objection as to the competence of the executing Court with reference to the local limits of its jurisdiction shall be allowed by any Appellate or Revisional Court unless such objection was taken in the executing Court at the earliest possible opportunity, and unless there has been a consequent failure of justice."

(emphasis by Court)

16. This question was one that directly fell for consideration of their Lordships of the Supreme Court in **Om Prakash Agarwal**, where it was observed:

"57. The policy underlying Section 21 of Code of Civil Procedure is that when the case has been tried by a court on merits and the judgment rendered, it should not be liable to be reversed purely on technical grounds, unless it has resulted in failure of justice. The provisions akin to Section 21 are also contained in Section 11 of the Suit Valuation Act, 1887 and Section 99 of the Code of Civil Procedure. This Court had the occasion to consider the principle behind Section 21, Code of Civil Procedure and Section 11 of the Suit Valuation Act, 1887 in *Kiran Singh v. Chaman Paswan [Kiran Singh v. Chaman Paswan,* AIR 1954 SC 340] . In para 7 of the judgment following was laid down: (AIR p. 342)

"7. ... The policy underlying Sections 21 and 99 of the Civil Procedure Code and Section 11 of the Suits Valuation Act is the same, namely, that when a case had been tried by a court on the merits and judgment rendered, it should not be liable to be reversed purely on technical grounds, unless it had resulted in failure of justice, and the policy of the legislature has been to treat objections to jurisdiction both territorial and pecuniary as technical and not open to consideration by an appellate court, unless there has been a prejudice on the merits. The contention of the appellants, therefore, that the decree and judgment of the District Court, Monghyr, should be treated as a nullity cannot be sustained under Section 11 of the Suits Valuation Act."

61. In *Harshad Chiman Lal Modi v. DLF Universal Ltd. [Harshad Chiman Lal Modi v. DLF Universal Ltd.,* (2005) 7 SCC 791] , this Court had again considered Section 21 and other provisions of the Code of Civil Procedure. In para 30, following has been laid down: (SCC pp. 803-04)

"30. ... The jurisdiction of a court may be classified into several categories. The important categories are (i) territorial or local jurisdiction; (ii) pecuniary jurisdiction; and (iii) jurisdiction over the subject-matter. So far as territorial and pecuniary jurisdictions are concerned, objection to such jurisdiction has to be taken at the earliest possible opportunity and in any case at or before settlement of issues. The law is well settled on the point that if such objection is not taken at the earliest, it cannot be allowed to be taken at

a subsequent stage. Jurisdiction as to subject-matter, however, is totally distinct and stands on a different footing. Where a court has no jurisdiction over the subject-matter of the suit by reason of any limitation imposed by statute, charter or commission, it cannot take up the cause or matter. An order passed by a court having no jurisdiction is a nullity."

63. Now, reverting back to the facts of this case it is apparent from the judgment dated 22-10-2016 of the Additional District Judge, that no objection to the competence of the Additional District Judge to decide the case was taken by any of the parties. No objection having been taken to the pecuniary jurisdiction of the Additional District Judge, Section 21 of the Civil Procedure Code comes into play. Sub-section (2) of Section 21 pro*vide*s that no objection as to the competence of the court with reference to the pecuniary limits of the jurisdiction shall be allowed by any appellate or Revisional Court unless conditions mentioned therein are fulfilled. No objection has been raised by the respondent tenant regarding competence of the court. Sub-section (2) precludes the revisionist to raise any objection regarding competence of the court and further Revisional Court ought not to have allowed such objection regarding competence of Court of Additional District Judge to decide the suit. The respondent tenant did not raise any objection regarding competence of the court and took a chance to obtain judgments in his favour on merits, he cannot be allowed to turnaround and contend that the Court of Additional District Judge had no jurisdiction to try the small cause suit and the judgment is without jurisdiction and nullity. Section 21 has been enacted to thwart any such objection by unsuccessful party who did not raise any objection regarding competence of court and allowed the matter to be heard on merits. Further, in deciding the small cause suit by the Additional District Judge, the tenant has not proved that there has been a consequent failure of justice.

64. The High Court in the impugned judgment has not adverted to Section 21 of the Code of Civil Procedure. In the judgment of *Shobhit Nigam [Shobhit Nigam v. Batulan*, 2016 SCC OnLine All 2605 : (2016) 119 ALR 826] also, effect of Section 21 was neither considered nor raised. Section 21 contains a legislative policy which policy has an object and purpose. The object is also to avoid retrial of cases on merit on basis of technical objections.

65. There is another judgment of the Single Judge of the High Court referred to by the learned counsel for the respondent i.e. SCC Revision No. 305 of 2016, *Tejumal v. Mohd. Sarfraz [Tejumal v. Mohd. Sarfraz,* 2016 SCC OnLine All 2606 : (2017) 121 ALR 392] . In the above case, the learned Single Judge had allowed the revision under Section 25 against the judgment dated 12-8-2016 passed by the Additional District and Sessions Judge on the ground that the judgment of the Additional District Judge was without jurisdiction. In paras 7 to 9 of the judgment, the High Court had noticed the judgment of this Court in *R.S.D.V. Finance Co. (P) Ltd. v. Shree Vallabh Glass Works Ltd. [R.S.D.V. Finance Co. (P) Ltd. v. Shree Vallabh Glass Works Ltd.,* (1993) 2 SCC 130] wherein it was held that in view of Section 21(1) of the Code of Civil Procedure, objection as to the place of suing should be taken by the party concerned in the court of first instance at the earliest possible opportunity and the objection to this effect shall not be allowed by the appellate or Revisional Court but

relying on the judgment of this Court in *Kiran Singh v. Chaman Paswan [Kiran Singh v. Chaman Paswan,* AIR 1954 SC 340] , the learned Single Judge held that defect of jurisdiction whether pecuniary or territorial or to the subject-matter cannot be cured and can be set up at any stage of the proceeding.

69. We thus hold that even when the Court of Additional District Judge was not competent to decide the small causes suit in question on the ground that the pecuniary jurisdiction is vested in the Court of Small Causes i.e. Civil Judge, Senior Division w.e.f. 7-12-2015, no interference was called in the judgment of the Additional District Judge in the exercise of revisional jurisdiction by the High Court in view of the provisions of Section 21 of the Civil Procedure Code."

17. The aforesaid position of the law makes it clear that "pecuniary jurisdiction' and "territorial jurisdiction' are different from "jurisdiction relating to subject matter' or inherent lack of jurisdiction. The first two have to be raised at the earliest opportunity; else, these must be deemed to be waived. As remarked by the Supreme Court in **Om Prakash Agarwal**, the legislative policy is not to defeat a concluded trial on merits on the basis of a technical objection, like pecuniary or territorial jurisdiction. This precisely is the case here, where the tenant has allowed the trial to proceed through all stages and taken the objection about lack of pecuniary jurisdiction at a stage when, post remand, the trial has been concluded and the judgment already on the anvil of delivery.

18. In the considered opinion of this Court, there is no merit in this revision. It **fails** and is **dismissed.**

(Delivered by Hon'ble J.J. Munir, J.)

1. The question of maintainability of these applications under Section 24 of the Code of Civil Procedure, 19081 has arisen in view of the decision of a learned Single Judge in ***Shankar Lal Jaiswal v. Asha Devi and others2. In Shankar Lal Jaiswal*** *(supra)* the learned Single Judge has held that an application under Section 24 of the Code to transfer a claim petition pending before the Motor Accident Claims Tribunal would not lie to this Court. It has been held in the said decision that a Tribunal constituted under the Motor Vehicles Act, 19883 is not a Court subordinate to the High Court, within the meaning of Section 24(1)(b) of the Code. No transfer application would lie to this Court for transferring a claim petition from one Motor Accident Claims Tribunal to another, constituted under the Act. It would be profitable to quote in extenso what was held in **Shankar Lal Jaiswal**, which is as follows :

3. A Motor Accident Claim Petition is filed before a Motor Accident Claims Tribunal, which is constituted by the State Government in accordance with the provisions contained in Section 165 of the Motor Vehicles Act, 1988 (hereinafter referred to as the Act). This section empowers the State Government to constitute by notification, one or more motor accidents Claims Tribunals for the area specified in the notification, for adjudicating claims for compensation in respect of accidents involving death or bodily injury to persons arising out of the use of a motor vehicle or for damage to any property of a third party, so arising or both.

4. This section also provides the qualification of a person for his appointment as a Member of the Claims Tribunal.

5. Sub-section 4 of Section 165 states that where two or more Claims Tribunals are constituted for one area, the State Government can, by a special or general order, regulate the distribution of business among them.

6. In accordance with Section 166(2) of the Act, a claimant can file a claim petition before a Claims Tribunal.

(i) having jurisdiction over the area in which the accident occurred

or

(ii) Claims Tribunal within whose local limits the claimant resides or carries on business

or

(iii) within the local limits of whose jurisdiction the defendant resides.

7. Section 169 provides the procedure and powers of the Claims Tribunals constituted by the State Government by notification in exercise of powers conferred by Section 165. It provides that the Claims Tribunal may follow such summary procedure as it things fit, subject to the Rules that may be made for the purpose.

8. Sub-section 2 of Section 169 provides that the Claims Tribunal shall have all powers of a Civil Court for the

purpose of taking evidence on oath, enforcing attendance of witnesses and for compelling discovery and production of documents and material objects.

9. It is also deemed to be a Civil Court for the purposes of Section 195 and Chapter 26 of the Code of Criminal Procedure, 1973.

10. Section 175 specifically bars the jurisdiction of Civil Courts for an area where a Claims Tribunal has been constituted by the State Government, under Section 165.

11. Section 176 confers the Rule making power upon the State Government. It also provides that Rules can be framed regarding the powers of a Civil Court, which may be exercised by a Claims Tribunal.

12. In exercise of the aforementioned rule making power, the U.P. Motor Vehicle Rules, 1998 have been framed. Rule 221 thereof, reads as follows:--

"221. ***Code of Civil Procedure to apply in certain cases.-*** *The following provisions of the First Schedule to the Code of Civil Procedure, 1908 shall so far as may be apply to proceedings before the Claims Tribunal, namely, Rules 9 to 13 and 15 to 30 of Order V; Order IX, Rules 3 to 10 of Order XIII, Rules 2 to 21 of Order XVI; Order XVII; and Rules 1 to 3 of Order XXIII."*

13. From a conjoint reading of the provisions noticed above, it emerges that the Motor Vehicle Act is a complete code in itself. It is also clear from a bare reading of Rule 221 that Section 24 of the Civil Procedure Code has no application to matters before the Motor Accident Claims Tribunal.

14. Section 24, Civil Procedure Code, which has been invoked in these transfer applications, confers a general power of transfer and withdrawal of a suit, appeal or proceeding upon the High Court or the District Judge, pending in any Court subordinate to them.

15. The words "subordinate to it" occurring in Section 24(1)(b) are, in my considered opinion, crucial for deciding the controversy at hand.

16. Since a Claims Tribunal is created by a notification of the State Government under the provisions of the Motor Vehicles Act, it cannot be said that such Tribunal is a Court subordinate to the High Court within the meaning of the term occurring in Section 24 CPC, despite the fact that an award of the Claims Tribunal is appealable to the High Court under Section 173.

2. This matter has come up before me sitting singly. Speaking for myself, I could not have agreed more both with the reasoning and the conclusions of the learned Single Judge in **Shankar Lal Jaiswal**. But, a difficulty is posited because, in the exercise of revisional jurisdiction of this Court, the same question had arisen before the Full Bench in **Kamla Yadav v. Smt. Sushma Devi and others4**, where the Full Bench had the following questions for consideration of their Lordships :

Whether Claims Tribunal constituted under the Motor Vehicles Act is a subordinate Civil Court within the meaning of Section 115 of the Code of Civil Procedure?

Whether in view of the provision of Section 3 of the Code of Civil Procedure for the purposes of the Civil Procedure Code only the Courts referred to in Section 3 are the Civil Courts subordinate to the High Court and the District Court as the case may be and no other i.e. the authorities

and that Tribunals such as one constituted under Motor Vehicles Act do not come within the framework of expression "Courts subordinate to High Court" for the purpose of Section 115 of the Code?

Whether the view expressed by the Division Bench in Mussamant Afsari Begum v. Oriental Fire and General Insurance Company, reported in (1979 ALJ page 1168) to the effect that Claims Tribunal constituted under Motor Vehicles Act is a Court subordinate to High Court and its orders are amenable to revisional jurisdiction of the High Court under Section 115 of the Code is in consonance with the letter and spirit of provisions of Section 115 read with Section 3 of the Code of Civil Procedure as well as provisions of Motor Vehicles Act and in particular Section 110-C(2) Motor Vehicles Act, if not, is the present revision maintainable in this Court? If not, is it open to this Court to entertain, hear and dispose of the same under Article 227 of the Constitution?

3. These questions were answered by the Full Bench thus :

Our answer to question No. 1 is in affirmative, that a revision lies against an order of the Motor Accidents Claims Tribunal. Our answer to question No. 2 is that the Courts mentioned in Section 3 CPC are not the only Civil Courts, other Courts and Tribunals can also be Civil Courts subordinate to the High Court, for the purposes of Section 115 CPC. Our answer to question No. 3 is that the judgment rendered in the case of Mussamat Afsari Begum v. Oriental Fire & General Assurance Company. 1979 ALJ 1168, has been rightly decided and is approved. Hence, the question of invoking Article 227 of the Constitution of India does not arise.

4. If the Motor Accident Claims Tribunal constituted under the 1988 Act is a Court subordinate to this Court, for the purpose of Section 115 of the Code, I do not see any reason why it would not be subordinate for the purpose of Section 24(1)(b) of the Code. The attention of the learned Single Judge in **Shankar Lal Jaiswal** was not drawn to the holding of the Full Bench in **Kamla Yadav** and no argument seems to have been addressed in this regard. Howsoever convincing the opinion of the learned Single Judge on its own reasoning might be, it is difficult to come out of the binding precedent in **Kamla Yadav**, which holds in answer to Question No. 2 that the Courts mentioned in Section 3 of the Code are not only the Civil Courts, but Tribunals can also be Civil Courts subordinate to the High Court for the purpose of Section 115 of the Code. The Full Bench also approved the holding of an earlier Division Bench in **Smt. Afsari Begum v. Oriental Fire and General Insurance Company and others5,** where the Division Bench answered the question referred by the learned Single Judge to the effect that the Claims Tribunal constituted under the Motor Vehicles Act, 1939 is a Civil Court amenable to the jurisdiction of this Court under Section 115 of the Code. In **Afsari Begum** *(supra)* it was held :

5. Section 110-D confers appellate jurisdiction on the High Court against awards made by the Claims Tribunal provided the amount in dispute in the appeal is not less than Rs. 2,000/-. It is thus apparent that the legislature has conferred appellate jurisdiction on the High Court against awards made by the Claims Tribunal. It has not been disputed that the Claims Tribunal is, in the eye of law, a Court exercising civil jurisdiction. If the tribunal is a Civil Court it cannot be

gainsaid that it was a civil Court subordinate to the High Court.

6. It has been stated by the Supreme Court that revisional jurisdiction possessed by the High Court is a part of its appellate jurisdiction (See *Shankar Ram Chandra Abhayankar v. Krishnaji Dattatraya Bapat* [(1969) 2 SCC 74 : A.I.R. 1970 S.C. 1.] . In that case, it was observed:

"Section 115 of the Code of Civil Procedure circumscribes the limits of the jurisdiction but the jurisdiction which is being exercised is a part of the general appellate jurisdiction of the High Court as a superior Court. It is only one of the modes of exercising power conferred by the Statute, basically and fundamentally it is the appellate jurisdiction of the High Court which is being invoked and exercised in a wider and larger sense."

7. It is thus evident that the Claims Tribunal being a Civil Court was amenable to the revisional jurisdiction of the High Court under Section 115 of the Code of Civil Procedure because it was a Court subordinate to the High Court.

8. We, therefore, answer the question referred to us by holding that a revision under Section 115 of the Code of Civil Procedure is maintainable against the order passed by the Claims Tribunal on the ground that such a tribunal is a Court subordinate to the High Court within the meaning of Section 115 of the Code of Civil Procedure.

5. Sitting singly, it would not be appropriate for me to hold contrary to the learned Single Judge in **Shankar Lal Jaiswal**, extending the principle that Full Bench has laid down regarding exercise of this Court's jurisdiction under Section 115 of the Code to the power of transfer under Section 24(1)(b) of the Code, in relation to Tribunals constituted under the Act.

6. The following questions are, accordingly, referred for consideration by a larger Bench :

(1). Whether a Tribunal constituted under the Motor Vehicles Act, 1988 is a Court subordinate to the High Court for the purpose of exercise of power of transfer under Section 24(1)(b) of the Code of Civil Procedure, 1908?

(2). Whether by extension of the principle laid down by the Full Bench in **Kamla Yadav v. Smt. Sushma Devi and others**, **2004 (22) LCD 40** a Tribunal constituted under the Motor Vehicles Act, 1988 is a Court subordinate to the High Court for the purpose of Section 24(1)(b) of the Code of Civil Procedure, 1908?

(3). Whether the decision of the learned Single Judge in **Shankar Lal Jaiswal v. Asha Devi and others, (2018) SCC OnLine All 2545 : (2019) 132 ALR 809** correctly lays down the law in holding that a Tribunal constituted under the Motor Vehicles Act, 1988 is not a Court subordinate to the High Court within the meaning of Section 24 of the Code of Civil Procedure, 1908?

7. Till decision by the larger Bench, there shall be interim stay of further proceedings in the pending petitions before the Claim Tribunals subject matter of these applications.

8. The Registry is directed to lay the papers before His Lordship the

Hon'ble The Chief Justice for being placed before a larger Bench.

Special Appeal Defective No. 5 of 2023

State of U.P. & Ors. ...Appellants
Versus
C/M, Seth Jaipuriya School, Lko ...Respondent

Counsel for the Appellants:
C.S.C.

Counsel for the Respondent:
Som Kartik Shukla, Ashok Kumar Singh

A. Procedural Law – Special Appeal – Delay – Condonation – Principle of adopting liberal approach – Applicability – Held, unless there is a specific statutory provision restricting the powers of the Court to condone delay, the court should adopt a liberal approach while scrutinizing the sufficiency of the cause shown for the delay and adoption of a strict standard of proof in case of the Government, which is dependent on the actions of its officials, who often do not have any personal interest in its transactions, may lead to grave miscarriage of justice and therefore, certain amount of latitude is permissible to the St. in such cases. (Para 17)

Delay in filing Special Appeal condoned. (E-1)

(Delivered by Hon'ble Ramesh Sinha, J.
&
Hon'ble Subhash Vidyarthi, J.)

C.M. Application No.1 of 2023 (Application for Condonation of Delay)

1. Heard Shri Amitabh Kumar Rai, learned Additional Chief Standing Counsel for State-appellant and Shri Prashant Chandra, learned Senior Advocate assisted by Shri Anshuman Singh, learned counsel for the respondent.

2. By means of the instant application, the appellant- State of U.P. is seeking

condonation of delay of 65 days in filing the special appeal.

3. In the affidavit filed in support of the application filed for condonation of delay, it has been stated that by means of the order dated 27.09.2022 passed by learned Single Judge in Writ C No.522 of 2022, the appellants were directed to grant No-Objection Certificate for admission sought by the respondent within a period of two months. A copy of the judgment and order dated 27.09.2022 passed in Writ-C No.522 of 2022 was served by Manager of the respondent/ School, along with its representation dated 12.10.2022. On 05.11.2022, a meeting of the designated Regional Committee was held and after due deliberation, it was decided to file a special appeal challenging the judgment and order dated 27.09.2022. On 05.11.2022 itself, a letter was sent to the State Government as well as to the Chief Standing Counsel of the State Government for giving his legal opinion. The Chief Standing Counsel gave his opinion by means of letter dated 18.11.2022, which was received in the Office of Joint Director, Education on 23.11.2022. Joint Director forwarded the letter on the same date to the State Government seeking permission to file special appeal.

4. The affidavit further stated that on 08.11.2022, the State Government sought details from the Director Education (Secondary), U.P. regarding the grounds and basis for challenging the judgment and order dated 27.09.2022. The Joint Director, Education replied to the aforesaid letter on the next following day, i.e., 09.12.2022. On 21.12.2022, the State Government granted permission for filing the Special Appeal and a letter was sent to the Chief Standing Counsel for preparation of the special appeal. On 23.12.2022, the file was allotted to one of the State Government Counsel for preparation of the special appeal and thereafter it was filed on 02.01.2023, that is, on the next following working day.

5. The respondents has filed a counter affidavit in response to the application for condonation of delay. Shri Prashant Chandra, learned Senior Advocate appearing for the respondents has drawn our attention to the submissions made in the paragraph nos.8 and 9 of the counter affidavit, wherein it has been stated that filing of the special appeal is not advancing the cause of substantial justice but giving vent to the personal grudge of the Joint Director, Education; that the law of limitation is to be adhered to by all and the State Government cannot claim any privilege as it is not above the law.

6. The State-appellant has relied upon the decisions in the cases of **Indian Oil Corp. Ltd. and others vs. Subrata Borah Chowlek and another,** 2010 14 SCC 419, **Esha Bhattacharjee vs. Mg. Committee of Raghunathpur Nafar,** 2013 12 SCC 649.

7. Shri Prashant Chandra, learned Senior Advocate has placed reliance on the judgments rendered in the case of **National Spot Exchange Limited vs. Anil Kohli,** 2021 SCC OnLine SC 716, **State of M.P. vs. Bherulal,** 2020 10 SCC 654, **State of U.P. vs. Sabha Narain,** 2022 9 SCC 266 and **Union of India vs. Vishnu Aroma Pouching (P) Ltd.,** 2022 9 SCC 263.

8. The appellant has filed a rejoinder affidavit giving the detailed particulars of the facts pleaded in the affidavit filed in support of the application filed for condonation of delay in filing the appeal

and copies of the relevant documents have been annexed in the rejoinder affidavit.

9. We have considered the facts, circumstances of the case, submissions made and the pleadings rendered upon by learned counsel for the parties.

10. **National Spot Exchange Limited Versus Anil Kohli, Resolution Professional For Dunar Foods Limited** 2021 SCC OnLine SC 716 was a case arising out of rejection of an application for condonation of delay in an appeal filed under the Insolvency and Bankruptcy Code, and Section 61(2) of the Code provides the limitation for filing an appeal to be 30 days and the Appellate Tribunal has been given the power to condone the delay of only 15 days over the period of 30 days, if there is a sufficient cause. Beyond the period of 15 days, over the period of 30 days, the Appellate Tribunal has no jurisdiction to condone the delay. The case was decided in this factual and legal background whereas in the present case, there is no limit on the power of this Court to condone the delay in filing the Special Appeal.

11. In **State of M.P. v. Bherulal,** (2020) 10 SCC 654, The special leave petition had been filed with a delay of 663 days and the reason for the delay was stated to be only *"due to unavailability of the documents and the process of arranging the documents" and it was also stated that "bureaucratic process works, it is inadvertent that delay occurs"*. In the aforesaid background the Hon'ble Supreme Court imposed a cost of Rs.25,000/- and ordered the same to be recovered from the officers responsible.

12. In **State of U.P. v. Sabha Narain**, (2022) 9 SCC 266, the special leave petition had been filed with a delay of 502 days and the Court found that the petitioner had acted in a casual manner, without any cogent or plausible ground for condonation of delay. The Supreme Court even observed that *"In fact, other than the lethargy and incompetence of the petitioner, there is nothing which has been put on record."* Yet the Hon'ble Supreme Court condoned the delay by imposing a cost of Rs. 25,000/-.

13. In **Union of India v. Vishnu Aroma Pouching (P) Ltd.,** (2022) 9 SCC 263 also, the Hon'ble Supreme Court found that *"there is no reason to condone the delay.* The Hon'ble Supreme Court expressed the view that *"such kind of lethargy on the part of the Revenue Department with so much computerisation having been achieved is no more acceptable."* Yet the Hon'ble Supreme Court condoned the delay after imposing a cost of Rs.25,000/-.

14. In **Antiyur Town Panchayat v. G. Arumugam,** (2015) 3 SCC 569, the High Court had condoned a delay of 1373 days in filing the appeal and this order was challenged before the Hon'ble Supreme Court. The Hon'ble Supreme Court held as follows: -

"we are satisfied that the delay occasioned only on account of the deliberate lapses on the part of the Executive Officer of the Panchayat at the relevant time. Who else are involved in the process, is not quite clear.

4. As held by this Court in State of Nagaland v. Lipok Ao (2005) 3 SCC 752, the court must always take a justice-oriented approach while considering an application for condonation of delay. If the court is convinced that there had been an attempt on the part of the government

officials or public servants to defeat justice by causing delay, the court, in view of the larger public interest, should take a lenient view in such situations, condone the delay, howsoever huge may be the delay, and have the matter decided on merits."

15. In **Indian Oil Corpn. Ltd. v. Subrata Borah Chowlek,** (2010) 14 SCC 419, the Hon'ble Supreme Court held that: -

"10. It is manifest that though Section 5 of the Limitation Act, 1963 envisages the explanation of delay to the satisfaction of the court, and makes no distinction between the State and the citizen, nonetheless adoption of a strict standard of proof in case of the Government, which is dependent on the actions of its officials, who often do not have any personal interest in its transactions, may lead to grave miscarriage of justice and therefore, certain amount of latitude is permissible in such cases."

16. In **Esha Bhattacharjee v. Raghunathpur Nafar Academy,** (2013) 12 SCC 649, after taking into consideration various earlier pronouncements on the subject, the Hon'ble Supreme Court culled the following broad principles: -

"21.1. (i) There should be a liberal, pragmatic, justice-oriented, non-pedantic approach while dealing with an application for condonation of delay, for the courts are not supposed to legalise injustice but are obliged to remove injustice.

21.2. (ii) The terms "sufficient cause" should be understood in their proper spirit, philosophy and purpose regard being had to the fact that these terms are basically elastic and are to be applied in proper perspective to the obtaining fact-situation.

21.3. (iii) Substantial justice being paramount and pivotal the technical considerations should not be given undue and uncalled for emphasis.

21.4. (iv) No presumption can be attached to deliberate causation of delay but, gross negligence on the part of the counsel or litigant is to be taken note of.

21.5. (v) Lack of bona fides imputable to a party seeking condonation of delay is a significant and relevant fact.

21.6. (vi) It is to be kept in mind that adherence to strict proof should not affect public justice and cause public mischief because the courts are required to be vigilant so that in the ultimate eventuate there is no real failure of justice.

21.7. (vii) The concept of liberal approach has to encapsulate the conception of reasonableness and it cannot be allowed a totally unfettered free play.

21.8. (viii) There is a distinction between inordinate delay and a delay of short duration or few days, *for to the former doctrine of prejudice is attracted whereas to the latter it may not be attracted. That apart, the first one warrants strict approach whereas the second calls for a liberal delineation.*

21.9. (ix) The conduct, behaviour and attitude of a party relating to its inaction or negligence are relevant factors to be taken into consideration. It is so as the fundamental principle is that the courts are required to weigh the scale of balance of justice in respect of both parties and the said principle cannot be given a total go by in the name of liberal approach.

21.10. (x) If the explanation offered is concocted or the grounds urged in the application are fanciful, the courts should be vigilant not to expose the other side unnecessarily to face such a litigation.

21.11. (xi) It is to be borne in mind that no one gets away with fraud, misrepresentation or interpolation by taking recourse to the technicalities of law of limitation.

21.12. (xii) The entire gamut of facts are to be carefully scrutinised and the approach should be based on the paradigm of judicial discretion which is founded on objective reasoning and not on individual perception.

21.13. (xiii) ***The State or a public body or an entity representing a collective cause should be given some acceptable latitude.***

22. To the aforesaid principles we may add some more guidelines taking note of the present day scenario. They are:

22.1. (a) An application for condonation of delay should be drafted with careful concern and not in a haphazard manner harbouring the notion that the courts are required to condone delay on the bedrock of the principle that adjudication of a lis on merits is seminal to justice dispensation system.

22.2. (b) An application for condonation of delay should not be dealt with in a routine manner on the base of individual philosophy which is basically subjective.

22.3. (c) Though no precise formula can be laid down regard being had to the concept of judicial discretion, yet a conscious effort for achieving consistency and collegiality of the adjudicatory system should be made as that is the ultimate institutional motto.

22.4. (d) The increasing tendency to perceive delay as a non-serious matter and, hence, lackadaisical propensity can be exhibited in a nonchalant manner requires to be curbed, of course, within legal parameters."

(Emphasis supplied)

17. From a persual of the aforesaid decisions of the Hon'ble Supreme Court, the principle governing condonation of delay is that unless there is a specific statutory provision restricting the powers of the Court to condone delay, the court should adopt a liberal approach while scrutinizing the sufficiency of the cause shown for the delay and adoption of a strict standard of proof in case of the Government, which is dependent on the actions of its officials, who often do not have any personal interest in its transactions, may lead to grave miscarriage of justice and therefore, certain amount of latitude is permissible to the State in such cases.

18. Examining the facts of the present case in light of the relevant law on the point as discussed above, it appears that there is a delay of 65 days in filing the Special Appeal, which cannot be said to be an "inordindate delay'. The facts pleaded in the affidavit filed in support of the affidavit filed in support of the application for delay, which have been extracted in paras 3 and 4 of this order, make out a sufficient cause for condoning the delay in filing the Special Appeal.

19. In view of the aforesaid discussion, the delay in filing the Special Appeal is hereby condoned and the office is directed to allot a regular Number to the Special Appeal.

20. The learned counsel for the appellant has submitted that a contempt petition has been filed for disobedience of the order dated 27.09.2020 passed in Writ C No. 522 of 2022, which is under challenge in the Special Appeal.

21. As the validity of the order is being examined in this Special Appeal, to

secure the interests of justice it is provided that further proceedings of the contempt case arising out of the order dated 27.09.2020 passed in Writ C No. 522 of 2022, shall remain stayed till the pendency of the appeal.

22. Office is directed to allot regular number.

23. List the appeal for final disposal on **22.02.2023.**

THE HON'BLE VIVEK CHAUDHARY, J.

Writ A No. 23384 of 2020

Dr. Priyanka Garg ...Petitioner
Versus
State of U.P. & Ors. ...Respondents

Counsel for thePetitioner:
Gaurav Mehrotra, Abhineet Jaiswal

Counsel for the Respondents:
C.S.C.

A. Service Law – Right of resignation – Petitioner, an Associate Professor, being mother claimed the child care leave and medical leave – It was neither sanctioned nor salary was paid – Resignation tendered by the petitioner was rejected on the ground of public interest – Disciplinary proceeding also initiated – Validity challenged – Held, the petitioner had a right to resign on 24.02.2020 and her resignation had to be accepted as till that date neither any departmental inquiry was initiated against her nor there was any other reason available to the respondents for not accepting the resignation – High Court directed the respondent to treat the petitioner to be in service till 24.02.2020. (Para 9 and 13)

Writ petition allowed. (E-1)

List of Cases cited:

1. Writ A No. 4813 of 2021; Dr. Sonal Sachadev Aurora Vs St. of U.P. & ors. decided on 08.03.2022

(Delivered by Hon'ble Vivek Chaudhary, J.)

1. Heard learned counsel for petitioner Sri Gaurav Mehrotra & Sri Abhinit Jaiswal and learned Standing Counsel for the State.

2. Despite the best efforts of all still, how a working woman can be harassed even in this era is reflected in the facts of the present case. Petitioner, a doctor by qualification, after getting selected by U.P. Public Service Commission, in furtherance of appointment letter dated 01.09.2010, joined as a lecturer at the Lala Lajpat Rai Memorial Medical College, Meerut & was subsequently promoted to the post of Associate Professor. On 19.09.2018, the petitioner was transferred from Meerut Medical College to Saharanpur Medical College. Though the petitioner has challenged the aforesaid transfer order, it could not succeed. Meanwhile, the State Government made an arrangement vide Office Memorandum dated 19.07.2019 whereby the petitioner along with some other Doctors were directed to render their services at Saharanpur Medical College along with the previous place of posting of petitioner i.e., Meerut Medical College.

3. The petitioner by means of several applications expressed her difficulty in rendering the services & sought child-care leave on account of medical issue of her

daughter who has a severe case of Bronchial Asthma and suffers from frequent Asthmatic attacks which requires tonsillectory plus immune therapy as well as constant care & attention.

4. The petitioner has further contended that neither her leave was sanctioned nor the salary was paid to her. The petitioner further submitted that she preferred a representation before respondent No.1 on 01.01.2020 & 08.01.2020 apprising therein that five applications had been preferred by her seeking child-care leave & medical leave, however, none of them were considered. It was also apprised that the petitioner has not even been paid her salary for the period July 2019 to September 2019 & January 2020 to 24.02.2020. The petitioner by means of representation dated 01.01.2020 & 08.01.2020 requested respondent No.1 to consider her bonafide & genuine claim else she will be left with no other choice than to resign from the service.

5. It had been further stated that when no action on the aforesaid representation was taken by respondent No.1, the petitioner ultimately tendered her resignation on 24.02.2020. Shockingly, neither the resignation tendered by the petitioner was accepted nor rejected by respondent No.1 till 23.05.2020 i.e., till 3 months notice period for accepting her resignation expired.

6. It was after a lapse of more than 7 months from the date when the petitioner tendered her resignation that the impugned order dated 25.09.2020 was issued by respondent No.1 whereby an enquiry on account of being absent from duty was initiated against the petitioner. Further by means of another impugned order dated 26.09.2020 issued by respondent No.1, the resignation tendered by the petitioner was rejected on the ground of public interest.

7. On 02.12.2020, when the present matter was taken up while staying the disciplinary proceedings initiated against the petitioner vide order dated 25.09.2020, this Court passed the following order:-

"Heard Shri Gaurav Mehrotra, learned counsel for petitioner and Shri P. K. Singh, leamed Additional Chief Standing Counsel for State.

Perused Annexure No. 8 which is, inter alia, a leave application by petitioner which was not acceded to nor was it rejected by communicating any such order. She tendered her resignation on 24.02.2020 as on account of the reasons mentioned in the said letter and other reasons pertaining to the health of her child etc. she was unable to leave Meerut permanently and work at Saharanpur where she had been working since 2017 as alleged. The notice period for resignation expired on 24.05.2020 during which no decision was communicated to her. It is said that it is only in July, 2020 that the Director General, Medical Education and Training, U.P Lucknow communicated the offer of resignation by petitioner dated 24.02.2020 to Principal Secretary who instead of taking a decision on the same initiated disciplinary proceedings against petitioner on 25.09.2020 for absence w.e.f. 21.03.2020 inspite of her letter of resignation not having been accepted in terms of Rule 4 and 5 of the Uttar Pradesh Goverment Servants Resignation Rules, 2000.

It is true that as per Rules and resignation becomes effective only on being accepted and not otherwise and Rule 5(iii) provides a ground for rejection of such

offer of resignation if an inquiry is contemplated or pending against applicant and in ordinary course the petitioner if she was unable to work for the reasons stated by her, she should have been taken leave instead of abstaining from work, but considering the over all facts and circumstances of the case, this is hardly a matter where action as impugned herein should have been taken. After initiation of disciplinary proceedings on 25.09.2020 her request for resignation has been rejected on the next date i.e. 26.09.2020

Let opposite parties justify the impugned action in the facts of the present case and as to why such a trivial matter should culminate in such action. Why should the matter not be given a quietus by accepting leave of petitioner without pay w.e.f. 21.03.2020 and allowing her to resign.

Let an affidavit be filed by the opposite parties positively within a period of 10 days.

She is permitted to apply for leave as per rule w.e.f. 21.03.2020 albeit without pay. List/ put up on 15.12.2020 as fresh.

Till the next date of listing the disciplinary proceedings against the petitioner shall remain stayed.

Let a copy of this order be given to learned counsel for parties within 48 hours on payment of usual charges."

8. By means of the aforesaid order dated 02.12.2020 passed by this Court, the opposite parties were given an opportunity to justify their impugned action. Alternatively, this Court had also indicated to the opposite parties to re-visit their orders by expressing that such a trivial matter should be given quietus by accepting leave of the petitioner without pay w.e.f. 21.03.2020 and allowing her to resign. However, in the Counter Affidavit, there is no mention of the impugned orders having been revisited by the opposite parties, as required by this Court.

9. The facts of the case clearly indicates that petitioner, a mother was facing difficulty in handling both, a child in need of care as well as her job with the State Government. In the given circumstances, initially, she applied for leave as may be granted to her under the service rules and finding that the same is not possible she even resigned on 24.02.2020. The resignation was kept pending for as good as seven months and the impugned orders dated 25.09.2020 & 26.09.2020 were passed. Any working woman, more particularly, a mother is required to be accommodated as far as possible. Presuming the worst, it was not possible for the department to grant any further leave to the petitioner, including leave without pay. suffice would have been in the given circumstances to accept the resignation of the petitioner. This Court fails to understand what purpose is achieved by the respondents by keeping the petitioner in service from 24.02.2020 i.e. from the date of resignation onwards. During the said period, they could not appoint any other person in place of the petitioner, therefore, the work of the college continued to suffer and the public at large in no manner benefited. The entire issue could have been best served by accepting her resignation. The petitioner had a right to resign on 24.02.2020 and her resignation had to be accepted as till that date neither any departmental inquiry was initiated against her nor there was any other reason available to the respondents for not accepting the resignation. Even her immediate superior administrative authority, i.e., the principal of the college,

had recommended accepting her resignation from the service.

10. Learned Counsel for the petitioner has placed reliance upon the judgment & order dated 08.03.2022 passed in ***Writ-A No. 4813 of 2021, Dr. Sonal Sachadev Aurora Vs. State of U.P. & others.***

11. Learned Standing Counsel also could not place any reason for not accepting the resignation of the petitioner.

12. This Court finds that the case of the petitioner is squarely covered by the judgment of ***Dr. Sonal Sachdeva*** (Supra). The petitioner in the given facts and circumstances is treated arbitrarily by the respondents. The respondents were bound to accept the resignation of the petitioner and, there was no necessity to conduct any inquiry against the petitioner.

13. In view of the aforesaid, the impugned orders dated 25.09.2020 & 26.09.2020 are hereby quashed. The respondents shall treat the petitioner as having resigned from her post w.e.f. 24.02.2020 and shall grant her benefit which she is entitled to by treating her to be in service till 24.02.2020. Such an exercise shall be conducted expeditiously, say in not more than two months from the date a copy of this order is placed before respondent no.2, Director, Medical Education & Training, 6th Floor, Jawahar Bhawan, Lucknow.

14. With the aforesaid, the writ petition is ***allowed.***

1. Ramjit Singh Kardam & ors. Vs Sanjeev Kumar& ors.; (2020) 20 SCC 209

2. K. Manjusree Vs St. of Andhra Pradesh & anr.; (2008) 3 SCC 512.

3. Ramesh Chandra Shah & ors. VsAnil Joshi & ors.; (2013) 11 SCC 309

4. Dhananjay Malik & ors. Vs St. of Uttaranchal& ors.; (2008) 4 SCC 171

5. Civil Appeal No. 1924 of 2010; Sankar Mondal Vs St. of W.B. & ors. decided on 15.2.2022

6. Writ A No. 2460 of 2022; Smt. Vijay Laxmi& ors. Vs St. of U.P.& ors. decided on 29.4.2022

(Delivered by Hon'ble Vivek Chaudhary, J.)

1. Heard Dr. L.P. Mishra assisted by Sri Naveen Shukla as well as Sri Birendra Pratap Singh and Sri Manish Mishra, learned counsel for the petitioners, Sri Praful Yadav, learned Standing Counsel for the State and Sri Utsav Mishra, learned counsel for the Commission.

2. The petitioners have challenged the physical efficiency test as prescribed by order dated 8.7.2019 for appearing in the physical efficiency test scheduled to be held between 9.9.2019 to 11.9.2019 for the post of Platoon Commander, Home Guards and on 12.9.2019 and 13.9.2019 for the post of Block Organizer, Home Guards at Lucknow. They claim that they may not be subjected to such physical efficiency test. In the alternative, the petitioners have sought a relief of certiorari for quashing Clause 12(2) of the Advertisement No.02-Examination/2016 so far as it prescribes for holding a physical efficiency test for selection to the post of Platoon Commander and Block Organizer in the Home Guards Department.

3. The facts of the case are that in the year 2016, Advertisement No.02-Examination/2016 was issued for combined subordinate services selection by which, large number of vacancies of different departments were advertised. Under the said advertisement, vacancy for the post of Platoon Commander and Block Organizer of the Home Guards Department was also advertised. For the said post, selection process included written and interview tests and further, physical efficiency test as well as physical measurements. The physical measurements were prescribed in the advertisement.

4. Learned counsel for the petitioners submit that appointments on the aforesaid posts are to be made under the U.P. Home Guards Department Subordinate Service Rules, 1982 (for short 'the Rules of 1982') read with U.P. Subordinate Services Selection Commission Act, 2014 (for short 'the Act of 2014') and its Regulations.

5. Challenging the said selection, learned counsel for the petitioners submit that the Rules of 1982 do not provide for a physical efficiency test and the said Rules only provide for physical measurements. It is further submitted that the physical efficiency test could not have been provided in midway of the selection process after the advertisement is made. Learned counsel further submit that even otherwise, physical efficiency test, as provided by the impugned order, is too stringent. Learned counsel for the petitioners have tried to drawn comparison with the physical efficiency test held for the post of Sub Inspector of Police and Police Constable and submit that the physical efficiency test imposed for the Home Guards is much more stringent than that of Sub Inspector of Police and Police Constables. Thus, the conditions are arbitrarily stringent.

6. Learned counsel for the petitioners further submit that the marks fixed in the physical efficiency test are competitive in nature as the same provide increasing

marks for better efficiency. Learned counsel further submit that such marking system cannot be imposed during the process of selection and the same ought to have been provided at the time of advertisement. It is further submitted that at a later stage, only a criteria for clearing the physical efficiency test could be provided and not competitive marking. For the said purpose, learned counsel for the petitioners rely upon the judgment of the Supreme Court in the cases of ***Ramjit Singh Kardam and others vs. Sanjeev Kumar and others (2020) 20 SCC 209*** and ***K. Manjusree vs. State of Andhra Pradesh and another (2008) 3 SCC 512.***

7. Opposing the contention of learned counsel for the petitioners, Sri Utsav Mishra, learned counsel for the Commission and Sri Praful Yadav, learned Standing Counsel, submit that a bare perusal of Clause 12(2) of the said advertisement shows that physical efficiency test as well as physical measurements was provided in the advertisement. They submit that the said fact is also clear from the alternative relief claimed by the petitioners in which, they are seeking for quashing of Clause 12(2) of the advertisement so far as it prescribes for holding of physical efficiency test. They further submit that since the advertisement is of the year 2016 under which the petitioners duly participated, hence, after a period of three years, they cannot challenge the condition of the advertisement. Learned counsel for the respondents for the said purposes, rely upon the following judgments:

(i) ***Ramesh Chandra Shah and others vs. Anil Joshi and others*** *(2013) 11 SCC 309;*

(ii) ***Dhananjay Malik and others vs. State of Uttaranchal and others*** (2008) 4 SCC 171;

(iii) ***Sankar Mondal vs. State of West Bengal and others:*** Civil Appeal No.1924 of 2010, decided on 15.2.2022; and

(iv) ***Smt. Vijay Laxmi and others vs. Stat of U.P. and others***: Writ-A No.2460 of 2022, decided on 29.4.2022.

8. Learned counsel for the respondents further place reliance upon Rule 15 of the Rules of 1982 and claim that the same provides for a physical efficiency test of competitive nature and also provides that the criteria of physical efficiency test may be prescribed from time to time by the Commandant General of Home Guards. The respondents' counsel submit that the Rules of 1982 are strictly followed read with the Act of 2014 and its Regulations and there is no illegality committed in the selection process.

9. I have perused the records of the case with the assistance of learned counsel for the parties and judgments relied upon by them.

10. Clause 12(1) of the Advertisement No.02-Examination/2016 provides that the selection shall be made on the basis of written examination and interview and the manner, syllabus and the date of examination shall be intimated at the relevant time. Clause 12(2) provides that for the post of Platoon Commander and Block Organizer, along with the selection procedure provided in Clause 12(1), physical efficiency test, shall also be included and along with the physical efficiency test, the required physical measurements shall also be conducted as prescribed in the advertisement.

11. Clauses 12(1) and 12(2) of the said advertisement are quoted hereinbelow:

*"12(1)– **चयन का आधार–** लिखित परीक्षा तथा साक्षात्कार है। प्रश्नगत पदों पर चयन हेतु उत्तर प्रदेश समूह 'ग' के पदों के लिए सीधी भर्ती (रीति और प्रकिया) नियमावली, 2015 अधिसूचना दिनाँक 11 मई, 2015 में विहित प्रावधानों के अंतर्गत सीधी भर्ती की प्रकिया, पाठ्यक, लिखित परीक्षा/साक्षात्कार के अंक वही होंगे, जो राज्य सरकार के अनुमोदन से आयोग द्वारा निर्धारित किए जांगे। तद्नुसार लिखित परीक्षा हेतु परीक्षा योजाना तथा पाठ्यकम एवं परीक्षा तिथि के संबंध में यथा समय सूचित किया जाएगा।*

(2)– वैतनिक प्लाटून कमांडर कम रिपोर्ट अधिकारी (पदकम संख्या–4), वैतनिक प्लाटून कमांडर (पदकम संख्या–5) तथ ब्लाक आर्गेनाइजर (पदकम संख्या–6) के पदों पर चयन हेतु बिन्दु–12(1) में उल्लिखित चयन प्रकिया के साथ–साथ शारीरिक दक्षता परीक्षा भी सम्मिलित है, अभ्यर्थियों की अर्हता के अंतर्गत शारीरिक माप भी नियमानुसार हैः–

अभ्यर्थी	*ऊँचाई*	*सीना बिना फुलाये*	*सीना फुलाये जाने पर*
पुरूष अन्य	*167.7 से0मी0*	*76.8 से0मी0*	*83.8 से0मी0*
पुरूष पर्वतीय	*162.60 से0मी0*	*76.5 से0मी0*	*81.5 से0मी0*
पुरूष अनुसूचति जाति	*160.0 से0मी0*	*76.5 से0मी0*	*78.8 से0मी0*
महिला अन्य	*152.0 से0मी0*		
महिला पर्वतीय एवं अनुसूचित जनजाति	*147.0 से0मी0*		

12. Thus, the advertisement itself provided that there shall be a physical efficiency test. The said requirement was fully in the knowledge of the petitioners and the same is also reflected from the alternative relief sought, wherein Clause 12(2) of the advertisement is sought to be quashed.

13. The petitioners had applied for the said posts in the year 2016. In case they felt that any of the condition is illegal, the same ought to have been challenged in the year 2016 only. After participating in the selection process, it is not open for the petitioners to challenge the same, that too, at a later stage. The law in this regard is well settled by the Supreme Court in case of ***Ramesh Chandra Shah*** (supra), wherein the Supreme Court in Paragraphs 17, 18 and 24 held:

"17. Those who were desirous of competing for the post of Physiotherapist, which is a Group "C' post in the State of Uttarakhand must have, after reading the advertisement, become aware of the fact that by virtue of the Office Memorandum dated 3-8-2010, the Board has been designated as the recruiting agency and the selection will be made in accordance with the provisions of the General Rules. They appeared in the written test knowing that they will have to pass the examination enumerated in Para 11 of the advertisement. If they had cleared the test, the private respondents would not have raised any objection to the selection procedure or the methodology adopted by the Board. They made a grievance only after they found that their names do not figure in the list of successful candidates. In other words, they took a chance to be selected in the test conducted by the Board on the basis of the advertisement issued in November 2011. This conduct of the private respondents clearly disentitles them from seeking relief under Article 226 of the Constitution. To put it differently, by having appeared in the written test and taken a chance to be declared successful, the private respondents will be deemed to have waived their right to challenge the advertisement and the procedure of selection.

18. It is settled law that a person who consciously takes part in the process of selection cannot, thereafter, turn around and question the method of selection and its outcome.

.....

24. In view of the propositions laid down in the abovenoted judgments, it must be held that by having taken part in the process of selection with full knowledge that the recruitment was being made under the General Rules, the respondents had waived their right to question the advertisement or the methodology adopted by the Board for making selection and the learned Single Judge and the Division Bench of the High Court committed grave error by entertaining the grievance made by the respondents."

14. Therefore, the present writ petitions are not maintainable to the extent, the challenge to Clause 12(2) of the advertisement prescribing holding of a physical efficiency test is concerned. Even otherwise, the physical efficiency test is also prescribed by Rule 15 of the Rules of 1982. The Note to Rule 15(2) provides that course and procedure of the competitive examination shall be such as is prescribed by the Commandant General, Home Guards. Rule 15(3) provides that the Selection Committee shall take written and physical efficiency test of the candidates and on the basis of marks obtained in the same, call the appropriate number of candidates for interview. The marks obtained by a candidate in interview shall be added in the marks obtained in the written and physical competitive test of the candidates.

15. Thus, the Rules of 1982 themselves provide that there shall be a written as well as physical competitive test and also an interview. The result of the selection shall be declared on the basis of combined marks obtained in the said three examinations. Therefore, no illegality is found in holding the physical efficiency test. The criteria of the physical efficiency test is to be prescribed and is duly prescribed by the Chairman of the Selection Committee and thus, there is no illegality in the same. So far as the criteria fixed in the physical efficiency test is concerned, the same is as follows:

"पुरूष अभ्यर्थियों के लिये :–

1– क्रिकेट गेंद फेंकना कम से कम 55 मीटर

2– लम्बी कूद कम से कम 13 फीट

3– बीम (चिनींग अप) कम से कम 05 बार

4– दौड़ (1500 मीटर) अधिकतम 06 मिनट में

उपरोक्त शारीरिक दक्षता परीक्षाओं में अभ्यर्थियों को निम्नानुसार अंक प्रदान किये जायेगें :–

3 मिनट 46 सेकेण्ड से	
4 मिनट तक	7 अंक
4 मिनट 1 सेकेण्ड से	
4 मिनट 15 सेकेण्ड तक	6 अंक
4 मिनट 16 सेकेण्ड से	
4 मिनट 30 सेकेण्ड तक	5 अंक

16. For better efficiency on the said criteria, like if a cricket ball is thrown to 55 meters, a candidate is awarded 5 marks and if it is thrown to 60 meters, a candidate is awarded 6 marks, so at every five meters, a candidate gets one extra marks. Similarly, in Long Jump, Beem (Chinning up), running etc., better efficiency entitles a candidate to obtain extra marks as per the efficiency criteria.

17. Submission of learned counsel for the petitioners that such competitive efficiency marks could not have been provided for the physical efficiency test, is contrary to the Rules of 1982 as Rule 15 of the said Rules itself provides that there shall be a competitive physical examination. Rule 15 reads as under:

"15– (1) सीधी भर्ती के प्रयोजनार्थ चयन समितियों का गठन किया जायेगा जिसमें निम्नलिखित होगें :–

(क) प्लाटून कमाण्डर और ब्लाक आर्गनाइजर के पद के लिये :–

(एक) डिप्टी कमाण्डेण्ट जनरल होमगार्डस।

(दो) ज्येष्ठ स्टाफ अधिकारी, होमगार्ड्स।

(तीन) कमाण्डेण्ट, केन्द्रीय प्रशिक्षण संस्थान, होमगार्ड्स।

(ख) हवलदार इन्स्ट्रक्टर के पद के लिये :–

(एक) डिप्टी कमाण्डेण्ट जनरल होमगार्डस।

(दो) कमाण्डेण्ट, केन्द्रीय प्रशिक्षण संस्थान, होमगार्ड्स।

(तीन) एक डिविजनल कमान्डेण्ट होमगार्डस (जिसे कमाण्डेण्ट जनरल द्वारा नाम निर्दिष्ट किया जायेगा।)

(2) चयन समिति आवेदन पत्रों की संवीक्षा करेगी और पात्र अभ्यर्थियों में प्रतियोगिता परीक्षा में उपस्थित होने की अपेक्षा करेगी।

टिप्पणी :– प्रतियोगिता परीक्षा का पाठ्यक्रम और उसकी प्रकिया ऐसी होगी जैसी कमाण्डेण्ट जनरल, होमगार्ड्स द्वारा समय≤ पर विहित की जाय।

(3) चयन समिति, अभ्यर्थियों द्वारा लिखित और शारीरिक परीक्षा में प्राप्त अंको की सारणीबद्ध किये

जाने के पश्चात् नियम 6 के अनुसार अनुसूचित जातियों, अनुसूचित जन–जातियों और अन्य श्रेणियों के अभ्यर्थियों का सम्यक प्रतिनिधित्व सुनिश्चित करने की आवश्यकता को ध्यान में रखते हुए, उतने अभ्यर्थियों को साक्षात्कार के लिये बुलायेगी जितने परीक्षाओं के परिणाम के आधार पर इस सम्बन्ध में समिति द्वारा निर्धारित स्तर तक पहुंच सके हों। साक्षात्कार में प्रत्येक अभ्यर्थी को दिये गये अंक परीक्षाओं में उसको प्राप्त अंको में जोड़ दिये जायेगें।

(4) चयन समिति अभ्यर्थियों की, योग्याता कम में, जैसा कि परीक्षाओं और साक्षात्कार में उनको प्राप्त अंको के कुल योग से प्रकट हो, एक सूची तैयार करेगी। यदि दो या अधिक अभ्यर्थी बराबर–बराबर अंक प्राप्त करें तो लिखित परीक्षा में अधिक अंक पाने वाले का नाम ऊपर रखा जायेगा।

सूची में नामों की संख्या रिक्तियों की संख्या में अधिक (किन्तु 25 प्रतिशत से ज्यादा अधिक नही) होगी।"

18. Comparing the same with the physical efficiency test of Sub Inspector and Constable is concerned, the Rules of Sub Inspector and Constable provide that a candidate for the post of Sub Inspector is required to run 4.8 kilometers in 28 minutes and a candidate for the post of Constable is required to run 2.4 kilometers in 16 minutes.

19. For the post of Platoon Commander and Block Organizer, a candidate is only required to run 1500 meters in 5 minutes. The time provided for the physical efficiency test is not stringent vis-a-vis that of the Sub Inspector or Constable, but on the contrary, is much lenient as they are only required to run 1.5 kilometers vis-a-vis 4.8 and 2.4 of the Sub Inspector and Constable respectively. The other requirements i.e. Long Jump, throwing of cricket ball, Beem (chinning up) or skipping and running for the women are also not stringent, but are reasonable for any physically fit person and looking into the nature of job to be performed by the selected candidate.

20. There is another aspect of the matter also. This Court by order dated 6.9.2019, as an interim measure, provided that the petitioners may appear in the physical efficiency test scheduled to be held in the month of September, 2019, without prejudice to their rights in these writ petitions.

21. Despite the aforesaid order, the petitioners did not appear in the physical efficiency test, instead they filed an application that at present they are not in a condition to appear in the physical efficiency test. The respondents twice adjourned the said test, but again on each and every time, on the ground of Covid and on other grounds, the petitioners refused to appear in the said test.

22. This Court neither permitted the petitioners to apply for extension of time to appear in the physical efficiency test nor permitted to respondents to extend the time of the said test. The Court only directed that the petitioners may appear in the physical efficiency test to be conducted in September, 2019. The petitioners opted not to appear. This in itself is sufficient for this Court to refuse relief to the petitioners as they did not appear in the physical efficiency test, which was subject to the decision of the writ petition. Once it is found that physical efficiency test is necessary and petitioners have not appeared in the same, their claim is liable to be rejected.

23. Considering the aforesaid facts and circumstances of the case, this Court does not find any force in the submissions of learned counsel for the petitioners.

24. The writ petitions have no force and are ***dismissed.***

Service Law – Railway Protection Force Rules, 1987 – Rule 219.4 – Punishment – Second time enquiry was initiated by superior authority – Validity challenged – Order was passed beyond the statutory period of one years – Permissibility – Held, the superior authority cannot hold an inquiry at its own level but can only look into the order passed by the disciplinary authority – Clause-B of Rule 219.4 cannot be read so exhaustively as to permit the superior authority to hold a *de novo* inquiry totally ignoring the inquiry already conducted and the order passed by the disciplinary authority – Held further, both the orders are passed beyond the period of one year which cannot be passed as barred by the first proviso of the said Rule. (Para 9)

Writ petition allowed. (E-1)

(Delivered by Hon'ble Vivek Chaudhary, J.)

1. Heard learned counsel for the petitioner and Sri Mahendra Kumar Misra, learned counsel for the Union of India.

2. The petitioner has approached this Court challenging the order/charge sheet dated 24.09.2019.

3. The facts of the case are that the petitioner was given a charge sheet on 25.06.2018 and on the basis of the same an inquiry was conducted and the punishment order dated 2.8.2018 was passed by the Senior Commandant, Railway Protection Special Force, Lucknow. Against the said order, the petitioner had filed an appeal but he had withdrawn the same. Despite the same the superior authority; namely, the Chief Security Commissioner, Railway Protection Force, has proceeded to pass the impugned order dated 24.09.2019. A perusal of the same shows that the same is the repetition of the earlier charge sheet asking the petitioner to submit reply to the same. The same nowhere states as to whether by the same, order by the disciplinary authority is intended to be confirmed, modified or set aside or the punishment is to be enhanced, reduced or in any other manner modified or even otherwise as to what order is proposed to be passed. Rule 219.4 of the R.P.F. Rules of 1987, reads as follows:-

*"**Rule 219.4** Any authority superior to the authority making the original order may, on its own motion, or otherwise, call for the records of any inquiry and revise any order made under these rules and may:-*

(a) confirm, modify or set aside the order; or

(b) confirm, enhance, reduce or set aside the punishment imposed by the

order, or impose any punishment where no punishment has been imposed; or

(c) remit the case to the authority which made the order or to any other authority directing such authority to make such further inquiry as it may consider proper in the circumstances of the case; or

(d) pass such other orders as it may deem fit;

Provided that no action under this sub-rule shall be initiated after the expiry of one yearfrom the date of the order aforesaid:

Provided further that no proceeding for revision shall be commenced until after-

(i) the expiry of the period for making an appeal specified in subsection (2) of Section9; or

(ii) the disposal of the appeal, where any such appeal has been preferred:

Provided further that in a case in which it is proposed to enhance punishment further, the aggrieved member shall be given an opportunity to show cause either orally or in writing as to why his punishment should not be enhanced."

4. The same empowers the superior authority to pass appropriate orders for confirming, setting aside the order or enhancing, reducing or even to impose a punishment where no punishment is imposed or to remit the case or pass such other order as it may deem fit. It further provides that such an action can be taken within a period of one year only from the date of the punishment order.

5. Learned counsel for the petitioner submits that the said Rule 219.4 does not empower the superior authority to issue a charge sheet and thereafter initiate the inquiry at its own end.

6. Clause-B of Rule 219.4 has to be read in reference to the power given by Rule a to c of Rule 219.4, the same can only be in support of the aforesaid rules and cannot enhance the power of the superior authority to the extent that it may proceed to hold inquiry at its own level which is not permissible under any canon of the said rules. He further submits that since the initial punishment order was passed on 2.8.2018 and now the proposed order/charge sheet is passed after expiry of one year on 24.9.2019 on the same ground, it is liable to be set aside.

7. Learned counsel for the respondents submits that the order can be passed under Rule Clause B of the said rules. He further submits that a show cause notice was given within a period of one year and hence the order impugned can be passed.

8. I find force in the submissions of learned counsel for the petitioner.

9. The superior authority cannot hold an inquiry at its own level but can only look into the order passed by the disciplinary authority. The Clause-B of Rule 219.4 cannot be read so exhaustively as to permit the superior authority to hold a de novo inquiry totally ignoring the inquiry already conducted and the order passed by the disciplinary authority. Even otherwise, both the orders are passed beyond the period of one year which cannot be passed as barred by the first proviso of the said Rule.

10. Thus, the impugned order dated 24.09.2019, cannot stand and is hereby set aside.

11. The writ petition is ***allowed.***

THE HON'BLE VIVEK CHAUDHARY, J.

Writ A No. 30915 of 2021

Dr. Surendra Pratap Yadav ...Petitioner
Versus
State of U.P. & Anr. ...Respondents

Counsel for the Petitioner:
Amrendra Nath Tripathi

Counsel for the Respondents:
C.S.C.

A. Service Law – Constitution of India – Article 14 – Intelligible differentia – Age of retirement – Discrimination made between the doctors practicing homeopathy and doctors practicing allopathy in respect of their age of retirement – Permissibility – Held, merely because the doctors are using different mode of treatment, it would not qualify as an intelligible differentia – The classification was held unreasonable and discriminatory and inconsistent with Article 14 of the Constitution of India. (Para 8)

Writ petition allowed. (E-1)

List of Cases cited:

1. North Delhi Municipal Corp. VsDr. Ram Naresh Sharma & ors.; 2021 SCC Online SC 540

(Delivered by Hon'ble Vivek Chaudhary, J.)

1. Heard learned counsel for the petitioner and learned Standing Counsel for the State.

2. Present writ petition is filed by the petitioner challenging the order dated 17.12.2021 passed by respondent no.2 Director, Department of Homeopathy, U.P. 8th Floor, Indira Bhawan, Lucknow. By the said order petitioner is retied w.e.f. 31.12.2021 at the age of 60 years.

3. The facts of the case are that petitioner is a homeopathic doctor working with the State Government. By notification dated 31.05.2017, the age of the medical officers of the Provincial Medical and Health Service in the State of U.P. was enhanced from 60 years to 62 years. The doctors working under the Provincial Medical and Health Service are doctors of Allopathy. The services of doctors of homeopathy belong to Homeopathic Medical Service Cadre and the benefit of the notification dated 31.05.2017 is not extended to them.

4. Learned counsel for the petitioner relies upon the judgment of the Supreme Court passed in ***'North Delhi Municipal Corporation Vs. Dr. Ram Naresh Sharma and others'*** reported in ***2021 SCC Online SC 540.*** Paragraph-23 and 24 of the said judgment reads:-

"23. The common contention of the appellants before us is that classification of AYUSH doctors and doctors under CHS in different categories is reasonable and permissible in law. This however does not appeal to us and we are inclined to agree with the findings of the Tribunal and the Delhi High Court that the classification is discriminatory and unreasonable since doctors under both segments are performing the same function of treating and healing their patients. The only difference is that AYUSH doctors are using indigenous systems of medicine like Ayurveda, Unani, etc. and CHS doctors are using Allopathy for tending to their

patients. In our understanding, the mode of treatment by itself under the prevalent scheme of things, does not qualify as an intelligible differentia. Therefore, such unreasonable classification and discrimination based on it would surely be inconsistent with Article 14 of the Constitution. The order of AYUSH Ministry dated 24.11.2017 extending the age of superannuation to 65 Years also endorses such a view. This extension is in tune with the notification of Ministry of Health and Family Welfare dated 31.05.2016.

24. The doctors, both under AYUSH and CHS, render service to patients and on this core aspect, there is nothing to distinguish them. Therefore, no rational justification is seen for having different dates for bestowing the benefit of extended age of superannuation to these two categories of doctors. Hence, the order of AYUSH Ministry (F. No. D. 14019/4/2016-E-I (AYUSH)) dated 24.11.2017 must be retrospectively applied from 31.05.2016 to all concerned respondent-doctors, in the present appeals. All consequences must follow from this conclusion."

5. On the other hand, learned Standing Counsel submits that the benefit of the aforesaid judgment could not be granted to the petitioner inasmuch as in the said case the Union of India had issued a separate order giving benefit of enhancement in age of retirement to the Ayush doctors along with Allopathic doctors.

6. I have heard learned counsels for the parties and also perused the records and the judgment placed before this Court with their assistance.

7. In case of ***Dr. Ram Naresh Sharma (supra)***, Union of India enhanced the age of retirement of Allopathic doctors working at Delhi from 60 years to 65 years. The said benefit, however, was not extended to Ayush doctors, hence, a claim petition was filed before the Central Administrative Tribunal which was allowed vide order dated 24.08.2017 holding that the Ayush doctors are also entitled to retire at the age of 65 years as the Allopathic doctors. Against the said order, a writ petition was filed before the High Court which was also dismissed by order dated 15.011.2018, affirming the order of the Tribunal. The matter reached the Supreme Court. During pendency of the writ petition, the Central Government issued notification extending the benefit of retirement age of 65 years to the Ayush doctors also, along with Allopathic doctors.

8. Be the facts as they may, the Supreme Court considered the classification created by the Central Government between the Ayush and doctors of CHS practicing Allopathy and held that the same is discriminatory and unreasonable, since doctors under both the segment are performing the same function of treating and healing their parents. Merely because they are using different mode of treatment, it would not qualify as an intelligible differentia. Thus, the classification to be unreasonable and discriminatory and inconsistent with Article 14 of the Constitution of India. The same are the circumstances of the present case. Doctors practicing Allopathy working under the Provincial Medical and Health Services are given the benefit of retirement at the age of 62 years while petitioner who belongs of Homeopathic Medical Service Cadre and treats his patients through homeopathy is not given the benefit of retirement age of 62 years. The same again is a classification hit by Article 14 of the

Constitution of India as held by Supreme Court in case of ***Dr. Ram Naresh Sharma (supra).***

9. In view thereof, the impugned order dated 17.12.2021 is hereby set aside.

10. Petitioner is permitted to continue in service till the age of 62 years and he shall be provided all consequential benefits of service in accordance with law.

11. With the aforesaid, the writ petition stands ***allowed.***

9. Savitri Singh Vs Board of Revenue, U.P., Lucknow & ors. 2008 (104) R.D. 728,

(Delivered by Hon'ble Chandra Kumar Rai, J.)

1. Heard Sri Manish Kumar Nigam, learned counsel for the petitioners, learned Standing Counsel for respondent nos.1 & 2 and Sri Deepak Kumar Jaiswal and Sri Sanjay Maurya, counsel for respondent nos.4 & 5.

2. Brief facts of the case are that there were certain sales take dues against the firm M/s Sudarshan Oil Mills Nasirabad, Padri Bazar, District- Gorakhpur for the year 1963-1964 to 1969-1970 for an amount of Rs.7764.57 + interest. Petitioners' father Manohar Lal was a partner in the aforementioned firm. Recovery proceeding for the sales tax of the aforesaid firm were initiated and an order of attachment was issued by the Collector on 22.7.1975 attaching double storied house belonging to petitioners' father. Thereafter a sale proclamation dated 2.9.1975 was issued by the Collector for the auction of the house belonging to petitioners' father fixing 7.10.1975 under Rule 282 of the U.P.Z.A. & L.R. Rules. Since 7.10.1975 was a holiday, hence auction could not take place on 7.10.1975. An auction was held on 8.10.1975 without issuing any fresh proclamation for holding auction. Six persons participated in the auction and out of six persons, Sri Durga Prasad was the highest bidder having made a bid of Rs.13,000/-. One Kanhaiya Lal S/o Mewa Lal Jaiswal (respondent no.5) moved an application on 8.10.1975 itself for purchase the house which was alleged to put on auction on 8.10.1975 for a sum of Rs.16,000/-. Durga Prasad who was the highest bidder has given "no objection certificate" to the application of respondent no.5. Petitioners who were minor at the time of auction and father of the petitioners was confined to bed, moved an application before the Collector, Gorakhpur raising his objection to the attachment / auction. A report dated 17.10.1975 in respect to the application / objection was submitted to the auction alleged to take place on 8.10.1975. 1/4th amount of the auction money i.e. Rs.4,000/- was deposited by respondent no.5 on 8.10.1975 and the remaining 3/4th amount i.e. Rs.12,000/- was not deposited by respondent no.5 within 15 days i.e. on or before 23.10.1975. Deputy Collector (Collection) Sales Tax, Gorakhpur issued a notice dated 27.10.1975 to respondent no.5 that he has not deposited Rs.12,000/-, as such, time was given to deposit the same by 28.10.1975, aforesaid application dated 27.10.1975 was received by respondent no.5 on 27.10.1975. Respondent no.5 did not deposit the remaining 3/4th amount rather moved an application on 28.10.1975 on which Deputy Collector passed an order dated 1.11.1975 mentioning that remaining amount is to be deposited within fifteen

days form the date of auction and in case the same is not deposited, the money deposited earlier is to be forfeited. On 7.11.1975, respondent no.5 moved an application to deposit Rs.12,000/- on which, Deputy Collector permitted him to deposit at his own risk. On 22.10.1975, petitioners' father- Manohar Lal moved an application requesting the Collector not to confirm the auction sale. A letter dated 1.11.1975 / 6.11.1975 issued by Deputy Collector (Collection) Sales Tax, Gorakhpur was served upon the petitioners in which it was mentioned that in pursuance of the application moved by the petitioners on 9.10.1975 and the application moved by petitioners' father- Manohar Lal, District Magistrate vide order dated 30.10.1975 passed an order for recovering the sales tax dues as per law. Petitioners' father- Manohar Lal received a letter dated 15.1.1977 through registered post to the effect that Additional Collector vide order dated 22.12.1975 has directed that sale certificate be issued in favour of respondent no.5. Petitioners' father, accordingly, filed an objection under Rule 285 I of the U.P.Z.A. & L.R. Rules on 7.2.1977 before the Commissioner, Gorakhpur Division, Gorakhpur along with the prayer for condonation of delay in filing the objection challenging the auction alleged to be held on 8.10.1975. On the objection of the petitioners' father under Rule 285 I of the U.P.Z.A. & L.R. Rules, the objections were filed by the State Government on 30.5.1977. Commissioner, Gorakhpur Division, Gorakhur vide order dated 15.6.1981 rejected the objections filed by the petitioners' father under Rule 285 I of U.P.Z.A. & L.R. Rules on the ground that the application has been filed after prescribed period of 30 days. Against the order dated 15.6.1981, a revision was filed by the petitioners before the Board of Revenue, Allahabad which was dismissed vide order dated 4.7.1981 on the ground that revision will lie before the Board of Revenue, Lucknow. Against the order dated 4.7.1981 passed by the Board of Board of Revenue, Allahabad. Petitioners' father filed writ petition No.8330 of 1981 before this Court in which interim order was passed to the effect that sale held in favour of other side shall not take effect provided petitioners deposit the entire amount. In compliance of the interim order dated 6.7.1981 passed by this Court, the petitioners deposited the entire amount. Writ Petition No.8330 of 1981 was finally heard and vide order dated 7.2.1994, writ petition was allowed, order dated 4.7.1981 was set aside and matter was remanded back before the Board of Revenue to decide the revision afresh. In the meantime, sale certificate has been issued on 7.6.1995 by the Deputy Collector (Collection) / Additional District Magistrate, Sadar, Gorakhpur in favour of respondent no.5. After remand order passed by this Court, revision has been heard afresh by the Board of Revenue and vide order dated 11.10.2021 revision was dismissed, hence this writ petition. This Court while entertaining the writ petition has passed the interim order dated 27.5.2022, which is as under:

"Heard Sri Manish Kumar Nigam, learned counsel for the petitioners and Sri Devesh Vikram, learned Standing Counsel appearing on behalf of State respondents.

The present petition has been filed seeking to raise a challenge to the order dated 15.6.1981, passed by the respondent no. 2, Commissioner, Gorakhpur Division, Gorakhpur whereby the application filed by the predecessors-in-the interest of the petitioners under Rule

285-I of Uttar Pradesh Zamindari Abolition and Land Reforms Rules, 1952 was rejected and the subsequent order dated 11.10.2021 passed by the Member, Board of Revenue, U.P. at Allahabad dismissing the revision filed thereagainst by the petitioners.

Contention of counsel for the petitioners is that the auction sale having been held on 7.10.1975/8.10.1975 and the deposit of 25% of the bid amount having been made on the same day, the balance amount of the purchase money was mandatorily required to be deposited on or before 15 days from the date of sale as per Rule 285-E and, in the event of default, the sale would be held to be nullity. It is accordingly submitted that even if the application under Rule 285-I was held to be beyond the prescribed time period allowed for the purpose that would have made no difference.

Counsel for the petitioners has drawn the attention of the Court of the fact that during the pendency of the revision before the Board an interim order staying the confirmation of sale was operating.

Prima facie matter requires consideration.

Issue notice to the respondent nos. 4, 5 and 6 returnable by 16.8.2022.

Respondents are granted four weeks' week time to file counter affidavit. Petitioners shall have two weeks' thereafter to file rejoinder affidavit.

List on 16.8.2022.

Till the next date of listing, status-quo with regard to possession of the property, which is subject matter of the auction sale, shall be maintained."

3. In pursuance of the order dated 27.5.2022, respondent nos.4 & 5 has filed his counter affidavit along with an application for vacation of interim order, petitioners have filed their rejoinder affidavit also to the counter affidavit filed by respondent nos.4 & 5.

4. Learned counsel for the petitioners submitted that respondent no.5 has deposited Rs.4,000/- on 8.10.1975, the auction was confirmed for issuing sale certificate vide order dated 17.10.1975 / 18.10.1975 but the remaining 3/4th amount of Rs.12,000/- was deposited by respondent no.5 on 7.11.1975 which fully demonstrate that auction was confirmed prior to deposit of auction money by the auction purchaser. He further submitted that date of auction was 8.10.1975, as such, the 3/4th amount was to be deposited within fifteen days i.e. on or before 23.10.1975 as prescribed under Rule 285 E of U.P.Z.A. & L.R. Rules, as such, the entire auction proceeding deemed to be null and void. He further submitted that objection under Rule 285 I of U.P.Z.A. & L.R. Rules filed by the petitioners has been rejected on the ground of limitation although in view of the Division Bench decision of this Court, the Section 5 of the Limitation Act will be applicable to the objection under Rule 285 I of U.P.Z.A. & L.R. Rules also. He further submitted that revision filed by the petitioners was also dismissed arbitrarily by the Board of Revenue without considering the case of the petitioners on merit. He further submitted that entire auction proceeding were initiated in violation of Rule 285 E and 285 K of U.P.Z.A & L.R. Rules, 1952. He further submitted that alleged sale is a nullity and has to be ignored in full.

5. Learned counsel for the petitioners placed reliance upon the following judgment of the Hon'ble Apex Court as well as this Court:

(i) AIR 1954 SC 349, Manilal Mohanlal Shah and Others Vs. Sardar Sayed Ahmad Sayed Mahmad and Another.

(ii) 1955 AWC 896, Mahmood Ahmad Khan (dead) Through L.Rs. Vs. Ranbir Singh and Others

(iii) 2009 (107) R.D. 22, State of U.P. and Others Vs. M/s Swadeshi Polytex Ltd. and Others.

(iv) AIR 1982 All 141 Moolchand Vs. Collector, Jalaun and Others.

(v) 1989 All LJ 1238, Babu Ram Vs. The Board of Revenue, U.P., Lucknow and Others

(vi) 1965 All LJ 277, Kunwar Mohan Swarup Vs. State of U.P. & Others

(vii) 1997 R.D. 583, Smt. Shanti Devi Vs. State of U.P. and Others

(viii) 1998 (1) AWC 471, Prithvipat Vs. State of U.P. and Others

(ix) 2008 (104) R.D. 728, Savitri Singh Vs. Board of Revenue, U.P., Lucknow and Others.

6. On the other hand, learned counsel for respondent nos.4 & 5 submitted that the objection under Rule 285 I of U.P.Z.A. & L.R. Rules filed by the petitioners was barred by limitation as prescribed under the Rule 285 I of U.P.Z.A. & L.R. Rules, as such, the objection was rightly rejected by the Court of Commissioner and the same was rightly maintained by the Board of Revenue. He further submitted that 3/4th amount of the bid has been deposited although after fifteen days but under the permission of the Deputy Collector (Collection) as well as Tax Collector Sales Tax Gorakhpur dated 7.11.1975, as such, the deposit will be treated to be valid deposit. He further submitted that sale certificate has been issued to the auction purchaser / respondent no.5 on 7.6.1995, as such, no interference is required in the matter. Counsel for the petitioner further placed reliance upon the provisions contained under Rule 285 K of U.P.Z.A. & L.R. Rules which says that If no application under Rule 285-I is made within the time allowed, all claims on the ground of irregularity or mistake in publishing or conducting the sale shall be barred. He further placed reliance upon the judgment of this Court passed in Writ-B No.1003602 of 2010, Smt. Parvinder Kaur Vs. Board of Revenue, U.P., Lucknow and Others decided on 27.1.2002 in which it has been held that Section 5 of Limitation Act will not be applicable in respect to the objections filed under Rule 285 I of the U.P.Z.A. & L.R. Rules. He finally submitted that the writ petition filed by the petitioners has no merit and is liable to be dismissed.

7. I have considered the argument advanced by learned counsel for the parties and perused the record.

8. There is no dispute about the fact that auction alleged to take place on 8.10.1975 and 1/4th (Rs.4,000/-) amount was deposited by respondent no.5 on 8.10.1975 but the remaining 3/4th amount deposited on 7.11.1975 i.e. beyond period of 15 days from the date of auction. Objection under Rule 285 I of the U.P.Z.A. & L.R. Rules was filed by the petitioners on 7.2.1977 which was dismissed by the Commissioner vide order dated 15.6.1981 on the ground of limitation and the revision filed by the petitioners was also dismissed by the Board of Revenue by the impugned order dated 11.10.2021. The sale certificate was issued in the matter on 7.6.1995 in favour of respondent no.5.

9. Since, the 3/4th amount has been deposited after period of 15 days from the date of auction, as such, in view of provisions contained under Rule 285 E of U.P.Z.A. & L.R. Rules, the auction / sale shall deemed to be null and void and

property shall be re-sold. Rule 285 E of U.P.Z.A. & L.R. Rules is as follows:

"285-E. The full amount of purchase money shall be paid by the purchaser on or before the fifteenth day from the date of the sale at the district treasury or any sub-treasury and in case of default the deposit, after the expenses of sale have been defrayed therefrom, shall be forfeited to Government and the property shall be resold and the defaulting purchaser shall forfeit all claims to the property, or to any part of the sum for which it may be subsequently sold."

10. Considering the mandatory provision contained under Rule 285-E of U.P.Z.A. & L.R. Rules as well as ratio of law laid down in ***Manilal Mohanlal Shah (supra), Kunwar Mohan Swarup (supra), Moolchand (supra), Babu Ram (supra) Mahmood Ahmad Khan (supra) and State of U.P. (supra)*** as cited by counsel for the petitioners impugned auction sale cannot be maintained in the eye of law.

11. The case law cited by learned counsel for the petitioners are fully applicable in the present matter as deposit of remaining 3/4th amount by respondent no.5 is beyond 15 days and fact of deposit is admitted to both parties, as such, there is no option except to hold that the auction held is nullity and property should be re-sold.

12. So far as the limitation question in filing the objection under Rule 285 I of U.P.Z.A. & L.R. Rules is concerned, the Division Bench of this Court in the case of ***Prithvipat (supra)*** has held that proceeding under Rule 285 I of U.P.Z.A. & L.R. Rules are judicial proceedings, as such, unless Section 5 of Limitation Act will be applicable to the proceeding under Section 285 I of U.P.Z.A. & L.R. Rules but this Court while deciding the case in ***Parvinder Kaur (supra)*** has not taken into consideration the Division Bench of this Court in ***Prithvipat (supra)***, as such, in view of Division Bench decision of this Court rendered in ***Prithvipat (supra)***, it will be held that provision of Section 5 of Limitation Act will be applicable to the proceeding under Rule 285 I of U.P.Z.A. & L.R. Rules but in place of remanding the matter before the courts below for deciding the objection / revision afresh, it will be appropriate to hold that the proceeding of auction is null and void as there is clear violation of Rule 285 E of U.P.Z.A. & L.R. Rules.

13. The alternative argument advanced by learned counsel for the petitioners is that even if it is found that Section 5 of Limitation Act is not applicable to the proceeding under Rule 285 I of the U.P.Z.A. & L.R. Rules, this Court in the case of ***Kunwar Mohan Swarup (supra)*** has held that direct writ petition is also maintainable under Article 226 of the Constitution of India if there is violation of Rule 285 E of U.P.Z.A. & L.R. Rules. The argument advanced by learned counsel for the petitioners has got substance and the impugned auction proceeding cannot be sustained in the eye of law due to violation of the mandatory provision contained under Rule 285 E of U.P.Z.A. & L.R. Rules.

14. Considering the entire facts and circumstances of the case as well as ratio of law laid down by the Apex Court as well as by this Court, the impugned order dated 11.10.2021 passed by the Board of Revenue and order dated 15.6.1981 passed by the Commissioner are liable to be set

aside and are hereby set aside. Sale proceeding / auction held on 8.10.1975 and its confirmation on 17.10.1975 are held to be null and void. Respondents are directed to re-sale the property in dispute in accordance with law. Sale held on 8.10.1975 and the subsequent proceeding will not confer any right on respondent no.5.

12. The writ petition stands allowed.

13. No order as to costs.

THE HON'BLE ATTAU RAHMAN MASOODI, J.
THE HON'BLE OM PRAKASH SHUKLA, J.

Writ C No. 30 of 2022

Hardik Trading ...Petitioner
Versus
State of U.P. & Ors. ...Respondents

Counsel for the Petitioner:
Akhilesh Kumar Kalra, Avinash Chandra, Narendra Shanker Shukla, Pooja SIngh

Counsel for the Respondents:
C.S.C., Neerav Chitravanshi, Puneet Chandra, Rani Singh, Samanvya Dhar Dwivedi

Constitution of India, 1950 – Art. 226 - Writ Petition - maintainability - locus - nature of the prerogative remedy of a mandatory order to perform a public duty by the public authorities arising from law and contract are distinct - For binding the State under the obligation of performance of a contract, firstly the State ought to be a party expressly and secondly there ought not to be a situation of determination of disputed questions of facts - In the present case, the petitioner, a firm, was awarded work by the U.P. Rajya Karamchari Kalyan Nigam (respondent no. 3) - Neither the State of U.P. nor the Mission Director, National Health Mission were privy to the contract - writ petition filed by the petitioner, who is just subcontractor / agent of opposite party no.3 praying for direction to the States to make payment of amount to him for work done by it - opposite party no. 3 for meeting the obligation of making payment to the petitioner chose not to institute any proceeding against the State/Center - Held - petitioner for the purpose of excecuting the work of opposite party no. 3 was not more than a selective choice & that too without following any tender process - real contract remains enforceable at the instance of opposite party no. 3 who has chosen to remain dormant against the State - writ petition dismissed (Para 14, 15)

Dismissed. (E-5)

List of Cases cited:

1. Joshi Technologies International Inc. Vs U.O.I. & ors. (2015) 7 Supreme Court Cases 728

2. Bio Tech System Vs St. of U.P. & ors. 2021(1) AWC 92

3. Lalloo Ji Rajiv Chandra and Sons Vs Meladhikari Prayagraj, Mela Authority & ors. 2019(2) AWC 1750

(Delivered by Hon'ble Om Prakash Shukla, J.)

1. This is a writ petition instituted by the sub-contractor or agent of opposite party no.3 praying for the relief as under :-

"(i) Issue an appropriate writ, order or direction in the nature of mandamus directing the respondents to make payment of the admitted amount to the petitioner for work done by it, which

stand admitted by the respondent in their various correspondences, particularly in annexure nos. 22 & 23 of the writ petition.

(ii) Issue an appropriate writ, order or direction in the nature of mandamus directing the respondents to make payment of 18% interest over the said amount for a period of two and a half years."

2. Briefly stated facts of the case are that the central government for reducing the consumption of tobacco launched a scheme in the year 2019 to commemorate "No Tobacco Day' on "World No Tobacco Day' by taking appropriate steps as mentioned in D.O. letter dated 03.05.2019. The drive of no-tobacco movement under the scheme was to be implemented by each State/U.T. as per the guidance of the central government in the letter dated 03.05.2019 which for ready reference is reproduced below :

"Respected Madam/Sir,

As you are aware that every year, 31st May is observed as World No Tobacco Day(WNTD), highlighting the health and other risks associated with tobacco use, and advocating for effective policies to reduce tobacco consumption. This year, the theme of 'World No Tobacco Day 2019 is "Tobacco and lung health". World No Tobacco Day 2019 will focus on the multiple ways the exposure to tobacco affects the health of people's lungs worldwide, which includes Lung cancer, chronic respiratory disease, maternal smoking or matenral exposure to second-hand smoke, onset and exacerbation of asthma, pneumonia and bronchitis, and frequent lower respiratory infection among young children and Tuberculosis. A soft copy of the poster developed for WNTD will also be sent to you in a short while for further dissemination.

2. In order to raise awareness on risks posed by tobacco smsoking and second hand smoke exposure, especially awareness on the particular dangers of tobacco smoking to lung helath and emerging evidence on the link between tobacco smoking and tuberculosis deaths, State/UT is requested to commemorate this year's World No Tobacco Day. An enforcemnt drive on tobacco control laws for at least 15 days conversion and declaration of all Government building as Tobacco Free Pemise/Building;awareness activities like road shows, street plays etc; training of health staff in NCD clinics and starting Tobacco Cesation Services in the NCD clinics;integration of Tobacco Cessation Services with NCD clinics, are some of the suggested actities that may be carried out during this time.

3. I solicit your intervention and support to project together to the World our strong commitement towards tobacco control.

With Warm regards"

3. The State of U.P. in the light of aforesaid letter held a meeting on 09.05.2019 under the aegis(Chairmanship) of the department of medical health & family welfare and it was decided that the work of information, communication and education of "No Tobacco Day' be carried out by U.P. State Employees Welfare Corporation which shall provide brochures, posters, banners, pamphlets, community awareness and leaflet etc at the level of each district to the health department. The corporation i.e. opposite party no.3 for providing the printed material is stated to have been chosen in the meeting held on 09.05.2019 to which the petitioner was not a party. Looking to the paucity of time due to the ongoing election process, the corporation as understood to have a

mechanism of receiving e-tenders was thus chosen by the State to provide printed material at the respective districts without following any tender process. It is in this background that the U.P. State Employees Corporation stepped into the implementation of the "No Tobacco Day' project floated by the Central Government in the year 2019. Undisputedly the U.P. State Employee Corporation is an instrumentality of the State within the meaning of Article 12 of the Constitution of India and this position is well settled in the judgment reported in (2005)1 SCC 149(Virendra Kumar Srivastava versus U.P. Rajya Karamchari Kalyan Nigam and Another). The petitioner, however, is merely a firm registered with the U.P. State Employees Corporation under the terms and conditions set out in the office memorandum dated 8.10.2015. Likewise other firms are also registered with the Corporation on the like terms.

4. The petitioner was awarded work by the U.P. Rajya Karamchari Kalyan Nigam and there is no document on record to show that the State of U.P. or Mission Director, National Health Mission were in any manner privy to the contract awarded to the petitioner through work orders. It is also not the case of the petitioner that the opposite party no. 3 before issuance of the work orders to the petitioner had obtained prior approval of the State as regards his engagement to perform the contract. The averments made in the writ petition also do not show that the opposite party no. 3 before issuing the work order to the petitioner has adopted any tender process and undertaken any competitive exercise for the award of contract. The sole premise upon which the claim rests is a simple averment that the petitioner was issued work orders by opposite party no. 3 which on its implementation deserve to be honored by all other opposite parties including the State government and Director National Health Mission U.P. being a representative of the Central Government.

5. Parties were heard. The petitioner reiterated the contention that once the work orders were issued to him and the same have been carried out successfully, therefore, there is no reason as to why the payment payable may not be released by the opposite parties.

6. The opposite party no. 3 while disputing the liability has laid emphasis on the point that the very registration of the petitioner with the opposite party no. 3 is subject to the condition that unless the fund is released by the State, there is no question of releasing the payment as has been claimed by the petitioner. Clause 7 of the office memorandum dated 8.10.2015 stipulating conditions of registration has specifically been referred to and the same reads as under :-

"7. सामग्रियों की आपूर्ति किये जाने वाले विभाग से निगम को भुगतान प्राप्त होने के पश्चात संबंधित आपूर्तिकर्ता फर्म/ट्रेडर्स के पक्ष में नियमानुसार भुगतान किया जायेगा।"

7. This Court may note that the petitioner apart from its registration with the opposite party no. 3 has not placed any material or document according to which a legitimate right of contractual liability viz a viz the opposite party no. 3 was created. There is a difference between choosing a person selectively and through a legitimate process. The petitioner for the purpose of excecuting the work of opposite party no. 3 was not more than a selective choice that

too without following any tender process, therefore, whether the work order issued to the petitioner constitutes a valid contract or not is by itself too doubtful. To classify the relationship between the petitioner and opposite party no. 3 as that of master and agent would not be legally wrong and this alone would not enable the petitioner to sue against the State even if the services have been utilized. The observation is made as there is no written document binding the petitioner and opposite party no. 3 for the performance of any project.

8. Interestingly, the opposite party no. 3 does not dispute the issuance of work order in favour of the petitioner but what is disputed is the release of payment. In order to defend the liability, the opposite party no. 3 has heavily relied upon clause-7 of the memorandum of registration dated 8.10.2015 reproduced above. The opposite party no. 3 for meeting the obligation of making payment to the petitioner has however not chosen to institute any proceeding whatsoever against the State/Center. The petitioner not being a participant in the meeting held on 9.5.2019 can not take any such recourse unless the work awarded to him was based on a legitimate procedure of tender. Even if there was any contract, it was confined between the petitioner and opposite party no. 3 of which there is no disclosure. The business is for profit, therefore, disclosures must be neat and clean between the parties. It is in these circumstances that the matter has come up before us. The question that crops up is as to whether the petitioner who was engaged by opposite party no. 3 for execution of work at its sole discretion has a right to pray for the release of money against the State (Opposite party nos. 1 and 2 & 5) as well as the Director National Health Mission U.P. i.e. opposite party no. 4.

9. The Court called upon all the opposite parties for filing a counter affidavit as well as written submissions. Two specific arguments in the light of pleas taken in the counter affidavits have been advanced by learned counsel for the State as well as by opposite party no. 4. Firstly, that the case involves determination of disputed questions of facts, therefore, the lis between the parties is not amenable to writ jurisdiction. The argument putforth is substantiated on the strength of case law reported as under :-

1. (2015) 7 Supreme Court Cases 728; Joshi Technologies International Inc. versus Union of India and others

2. 2021(1) AWC 92; Bio Tech System versus State of U.P. and others

3. 2019(2) AWC 1750; Lalloo Ji Rajiv Chandra and Sons versus Meladhikari Prayagraj, Mela Authority and others

10. The second submission putforth by both the respondents i.e. State and Director National Health Mission, U.P. is to the effect that none of these two parties are privy to the contract entered into between the petitioner and opposite party no. 3. The specific argument putforth in para 9 of the written submissions filed by the State (opposite party nos.1, 2 & 5) reads as under :-

"9. That in the present case the claim sought to be set up by the petitioner has strongly disputed, and the petitioner has not been able to place on record any material to demonstrate that it was a party to any agreement in terms of which it

would be entitled to raise any claim against the respondents."

11. The issue before us does not substantially hinge on the first argument rather it is the second argument that requires consideration for setting the controversy at rest.

12. In order to appreciate the argument putforth, it is to be noted that on raising every demand for the realization of bills by opposite party no. 3, the State had required the opposite party no. 3 to discose the name of the firm and its Bank account for the purposes of release of amount to the opposite party no. 3. The disclosure to the above extent, in our humble consideration, does not qualify the relationship of the State qua the petitioner to be a party to the work contract awarded to opposite party no. 3. Therefore, institution of the present petition in the pursuit of exclusive rights against the State and Director National Health Mission is wholly misconceived and suffers from mis-joinder of parties. The impleadment of opposite party no. 3 in the writ petition is nothing but an attempt on the part of the petitioner to institute a proxy or collusive proceeding. The opposite party no. 3 may have engaged the petitioners as an agent but any such deal would not entitle the petitioner to bring about a legal proceeding against the State government or the Central government so long as the obligation of performance of contract or indemnity offered, if any, to make up the deficiency was direct. The disclosures made by the opposite party no. 3 as regards the name of the firm or its account were merely to streamline its independent relationship between the Corporation and the State for its own interest and a tripartite agreement in the circumstances of the case was never arrived at expressly or by implication, the mere acknowledgment of the name of the firm and its Bank account would not bind the State for performance of financial obligations towards the petitioner directly and exclusively.

13. In a situation where the performance of public duty is interwoven between the two parties for its implementation, the entry of a third party in absence of a privity of contract is unrecognized under law, the scope whereof, remains undefined. Any interpretation in the light of the conduct of parties that too for consuming public money would be a dangerous preposition. It is this reason for which the rule of privity of contract was rigidly propounded in the case of Tweddle versus Atkinson reported in [1861] EWHC J57(QB).

14. The nature of the prerogative remedy of a mandatory order to perform a public duty by the public authorities arising from law and contract are distinct. For binding the State under the obligation of performance of a contract, firstly the State ought to be a party expressly and secondly there ought not to be a situation of determination of disputed questions of facts. In the present case, however, the petitioner does not appear to have assumed any better position except to remain an agent for the opposite party no. 3. The locus and identity of the petitioner has remained merged with the opposite party no. 3 for any claim whatsoever. The opposite party no. 3 has not putforth any claim before this Court, therefore, the legal hurdles in the way of the petitioner to lay a claim independently besides other legal obstacles coming in the way of locus do not enable this Court to step in, the reason being, that the real contract remains enforceable at the instance of opposite

party no. 3 who has chosen to remain dormant against the State.

15. In the circumstances stated above, we are not convinced that the writ petition for the relief prayed herein can be entertained and it is open to opposite party no. 3 to lay his claim as may be permissible under law. The writ petition is accordingly dismissed with no order as to cost.

DATED: ALLAHABAD 16.12.2022

BEFORE

THE HON'BLE SIDDHARTHA VARMA, J.
THE HON'BLE AJIT SINGH, J.

Writ C No. 3298 of 2022

C/M, Azad Cooperative Housing Society Ltd., Bareilly & Ors. ...Petitioners
Versus
State of U.P. & Ors. ...Respondents

Counsel for the Petitioners:
Sri Prabhakar Awasthi, Sri Dhiresh Kumar, Sri Hiresh Tiwari, Sri K.M. Mishra, Sri H.R. Mishra (Senior Counsel)

Counsel for the Respondents:
C.S.C., Sri Lal Chandra Sahu, Sri Narendra Kumar Giri, Sri Nirankar Singh, Sri Sunil Kumar Misra

A. Civil Law - U.P. Cooperative Societies Act, 1965 - Sections 29 (4-B), 35 & 38 - U.P. Co-operative Societies Rules, 1968 - Rules 437 & 438 - Term of interim committee appointed by Registrar - six months - Under section 29 (4-D), the interim Committee appointed under sub-section 29(4-B) shall cease to exist after the expiry of six months from the date of its appointment or reconstitution of the Management Committee after election thereof whichever is earlier - Reconstitution - mere change of any member of the interim Committee of Management, would not mean that the term of the Committee of Management would commence from that date (Para 11, 12)

B. Civil Law - U.P. Cooperative Societies Act, 1965 - U.P. Co-operative Societies Rules, 1968 - Removal of secretary - by interim committee appointed by Registrar, after expiry of its term - Effect - the election of the C/m of the Society was held on 15.10.2016, for a period of 5 yrs, term was to expire on 14.10.2021 - However, before the term expired, on 17.6.2021, the Additional Housing Commissioner superseded the elected C/m & appointed a four member interim Committee - on 13.8.2021, the A.C.M. -II was transferred and the ACM, was substituted in his place - On 2.1.2022, under the orders of the Chairman of the interim C/m, the ACM-1, on the basis of the resolution dated 20.12.2021, removed the Secretary - Held - term of the interim Committee of Management which was constituted on 17.6.2021 expired on 17.12.2021, on the expiry of the six months, from the date from its appointment - On the date when the ACM II was replaced by the ACM, there was no fresh reconstitution of the interim Committee of Management but it was only a change which had been brought in to make the interim Committee of Management functional - therefore the resolution dated 20.12.2021 and 1.1.2022, passed by the interim committee, after expiry of its term, were without jurisdiction & the order of removal of secretary passed on 2.1.2022 was also without any jurisdiction - resolutions dated 20.12.2021 and 1.1.2022 and the order dated 2.1.2022 quashed & set-aside - Court directed to hold election forthwith in accordance with law (12, 13, 15)

Allowed. (E-5)

(Delivered by Hon'ble Siddhartha Varma, J.

&
Hon'ble Ajit Singh, J.)

1. The petitioner C/M Azad Cooperative Housing Society Limited (hereinafter referred to as the "Society") is a duly registered cooperative society under the U.P. Cooperative Societies Act, 1965 (hereinafter referred to as the "Act").

2. The last admitted election of the Committee of Management of the Society was held on 15.10.2016, as per its bye-laws for a period of five years. The term therefore was to expire on 14.10.2021. It appears that on 17.6.2021, the Additional Housing Commissioner exercising his powers under Section 35 read with Section 38 of the Act held that all the members of the Committee of Management had forfeited their rights to continue and, therefore, superseded the elected Committee of Management. Exercising his powers under Sections 29 (4-B) of the Act and under Rule 438 of the U.P. Co-operative Societies Rules, 1968, (hereinafter referred to as the "Rules"), he further appointed a four member interim Committee consisting of various State officials.

3. On 2.1.2022, under the orders of the Chairman of the interim Committee of Management of the Society, Sri Pradeep Kumar Raman, ACM-1, Bareilly, on the basis of the resolution dated 20.12.2021(resolution no. 2) removed the Secretary Smt. Pushpa Singh, the petitioner no. 2. Also by the same order Sri Prempal Singh, son of Sri Mahendra Pal Singh (Sugarcane Observor, Godown Incharge), Cane Development Board, Chandpur was appointed as the Secretary of the Society. Aggrieved thereof, the petitioners have filed the instant writ petition.

4. Learned counsel for the petitioners Sri H.R. Mishra assisted by Sri K.M. Mishra submitted that the order dated 17.6.2021 passed under Section 38 of the Act was in breach of Rules 437 & 438 of the Rules read with Section 35 of the Act.

5. Learned counsel for the petitioners has submitted that after the passage of five years from the last admitted election dated 15.10.2016, the term of the Committee of Management expired on 14.10.2021. In between, he submits that when the order dated 17.6.2021 was passed the same was passed without affording any opportunity of hearing and without adhering to the provisions of Section 38 of the Act.

6. Thereafter, it has been argued by the learned counsel for the petitioners that when the interim Committee of Management of the Society was appointed on 17.6.2021 then, thereafter, its term expired after the passage of six months from the date of the appointment and he, therefore, submitted that the order which was passed on 2.1.2022 basing on the resolution dated 20.12.2021 was against the provisions of Section 29(4-D) as the interim Committee of Management which was constituted on 17.6.2021 lived its term till 17.12.2021 i.e. after the six months had expired from the date of the constitution of the interim Committee of Management. Since the learned counsel for the petitioners relied upon Section 29 (4-D) of the Act, the same is being reproduced here as under:-

"29(4-D). The interim Committee appointed under sub-section (4-B) shall cease to exist after the expiry of six months from the date of its appointment or reconstitution of the Management Committee after election thereof whichever is earlier."

7. Learned counsel for the petitioners submitted that a bare perusal of Section 29 (4-D) shows that the interim Committee of Management had ceased to exit after the expiry of six months from the date of its appointment and, therefore, even the resolution which was passed before the passing of the order dated 2.1.2022 on 20.12.2021 was without any jurisdiction.

8. Sri Nirankar Singh learned counsel for the respondent no. 6 filed a counter affidavit and questioned the authority of the petitioners to file the writ petition. He also submitted that if the resolution dated 20.12.2021 was being questioned then the petitioners had an alternative remedy of approaching the Registrar under Section 128 of the Act and under Section 128 the Registrar had power to annul any resolution of a cooperative society.

9. Learned counsel has submitted that the office bearers of the petitioners were removed on 17.6.2021 after due notice. He had submitted that for quite some time in the month preceding 17.6.2021 the Managing Committee of the Society had not been able to convene any meeting and the office bearers were neck deep in various embezzlements. He submits that with regard to functioning of the Committee, videography and photography was also done on 5.11.2020, 6.2.2021 and 9.4.2021 and, he, therefore, submits that when the members of the Committee of Management were deliberately absenting themselves then resorting to the powers of under Section 38 of the Act, the order dated 17.6.2021 was passed.

10. With regard to the argument of the petitioner that the interim Management Committee which was appointed on 17.6.2021 had outlived its life, learned counsel for the private respondent submitted that on 13.8.2021, the A.C.M. -II was transferred and the ACM, therefore, was substituted in his place and, therefore, it was a re-constituted Committee of Management and, therefore, the six months would be counted from the date of its reconstitution. He, therefore, submits that the resolution dated 20.12.2021 and the subsequent resolution dated 1.1.2022 were passed by a Committee of Management which had full authority to pass those resolutions. He also submits that the order dated 2.2.2022 which was passed by the Chairman of the interim Committee of Management on the basis of the resolution dated 20.12.2021 was absolutely in order and no interference was required. He still further submitted that even for the removal of the office bearers, specially, the Secretary, the petitioner had an effective alternative remedy by way of filing an Appeal under Section 98 of the Act.

11. Having heard the learned counsel for the petitioners; the counsel for the private respondents Sri Nirankar Singh; Sri Narendra Kumar Giri for the Election Commission and Sri Sunil Kumar Mishra for the Additional Housing Commissioner/Additional Registrar, Uttar Pradesh Awas & Vikas Parishad (Cooperative Department), the Court is of the view that at this stage when the term of the Committee of Management had expired on 14.10.2021, no useful purpose would be served by adjudicating upon the fact as to whether the order dated 17.6.2021 was passed in accordance with law or not. The Court is of view that even after the passing of the order dated 17.6.2021, six months had expired on 16.12.2021. Definitely as per the provisions of Sections 29(4), 29(4-A), 29(4-B) and 29(4-C) of the Act, the election ought to have been held after the

expiry of the term of the Committee of Management. If, however, an interim Committee of Management had been appointed by the Registrar for the management of the Society then the term of the interim Committee of Management had also to come to an end on the expiry of the six months, from the date from such appointment. The Court, therefore, is of the view that the resolution dated 20.12.2021 and 1.1.2022 were without jurisdiction. The Court is also of the view that the order which was passed on 2.1.2022 was absolutely without any jurisdiction as the resolution dated 20.12.2021 itself on the basis of which the order dated 2.1.2022 was passed was a resolution which could not have been passed. For ready reference, we are reproducing Sections 29 (4) to 29(4-D) of the Act here as under:-

"29(4). It shall be the duty of the Secretary or the Managing Director of the cooperative society as the case may be, to send to the Election Commission four months before the expiry of the term of the Committee of Management, a requisition for conducting the election and to furnish all such information as may be required by the election commission within such period of as may be fixed by it.

(4-A) Due to any reason, whatsoever, if members of the Management Committee are not elected or could not get elected before expiry of its tenure then the Management Committee shall cease to exist after expiry of its term notwithstanding anything to the contrary in any other provision of this Act, or the rules made thereunder or the bye-laws of the society.

(4-B) After the Management Committee ceases to exist under sub-section (4-A) an interim Management Committee shall as soon as possible be appointed by the Registrar for the Management of the Cooperative society in accordance with the provisions of this Act, the rules and the bye-laws of the society. The Registrar shall have power to change the members of the interim Management Committee or appoint a new interim Management Committee in place thereof.

(4-C) The interim Management Committee appointed under sub-section (4-B) shall exercise the powers and perform the functions of the Management Committee under this Act subject to the directions given by the Registrar from time to time.

(4-D) The interim Committee appointed under sub-section (4-B) shall cease to exist after the expiry of six months from the date of its appointment or reconstitution of the Management Committee after election thereof whichever is earlier.

12. Nowhere from the above provisions which have been quoted above can it be gleaned out that upon the change of any member of the interim Committee of Management would the term of the Committee of Management commence from that date. Under such circumstances, the following facts become clear:

I. The term of the interim Committee of Management which was constituted on 17.6.2021 expired on 17.12.2021.

II. On the date when the ACM II was replaced by the ACM, there was no fresh reconstitution of the interim Committee of Management but it was only a change which had been brought in to make the interim Committee of Management functional.

13. Under such circumstances, we hold that the resolutions dated 20.12.2021

and 1.1.2022 passed by the respondent no. 4 were passed without any jurisdiction. Since the Court holds that the resolutions were passed without any authority of law, we do not consider it appropriate to suggest that the petitioners ought to have approached the alternative forum. Since now, we have held that the resolutions were passed without any authority of law, we also hold that the order dated 2.1.2022 passed by the respondent no.6 was passed without any authority of law. The resolutions dated 20.12.2021 and 1.1.2022 and the order dated 2.1.2022 are quashed and are set-aside.

14. On the date, when the judgement was reserved there was a statement given by the Election Commission that no election till that date had taken place.

15. Under such circumstances, we further direct that if the elections have till date not taken place, they be held forthwith in accordance with law.

16. For the reasons stated above, the writ petition stands allowed.

Counsel for the Respondents:
C.S.C.

Constitution of India, 1950 - Article 342(2) - Scheduled Caste and Scheduled Tribe Orders (Amendment) Act, 2002 - Gond Caste - Caste Certificate - Held - authority i.e. the Tehsildar, which had earlier issued the Caste Certificate had no jurisdiction to cancel the same except when the Caste Certificate had been obtained by playing fraud or by concealing any relevant fact - In the instant case the Tehsildar cancelled the Caste Certificate issued by him, holding that the petitioner was not of the Gond Caste but was of the Kahar caste, but there was no finding in the impugned order that the earlier certificate was obtained by the petitioner by playing fraud on any authority - the impugned order quashed and set aside. (Para 7)

Allowed. (E-5)

List of Cases cited:

1. Hizwana Bano Vs St.of U.P. & ors., 2011(1) ADJ 440 (DB),

2. Praveen Kumar Vs St.of U.P. & ors. 2014(8) ADJ 690 (DB),

3. Rajesh Kumar Gond Vs St.of U.P. & ors. 2015(8)ADJ 275 (DB),

(Delivered by Hon'ble Siddhartha Varma, J.)

1. Heard learned counsel for the parties.

2. The petitioner who claimed himself to be a Gond with a permanent domicile of

Village Kasamriya, District Maharajganj had a Caste Certificate of being a Scheduled Caste which was dated 6.6.1996. However, when the parliament in the exercise of its power under Article 342(2) of the Constitution of India brought the Scheduled Caste and Scheduled Tribe Orders (Amendment) Act, 2002 and had considered Gond Caste residing in the District Maharajganj to be of the Scheduled Tribe, the petitioner again applied for a certificate holding that the petitioner was of the Scheduled Tribe. When the Tehsildar who was adjudicating the matter held that the petitioner was not of the Gond Caste but was of the Kahar caste, the petitioner challenged the matter before the District level Caste Scrutiny Committee, Maharajganj. On 04.10.2014 the District level Caste Scrutiny Committee, Maharajganj remitted the matter back to the Tehsildar for examining the evidence and directed him to reconsider the evidence and thereafter to issue the Caste Certificate in accordance with law. On 27.11.2014, the Tehsildar issued a Caste Certificate to the petitioner which indicated that the petitioner was of the Scheduled Tribe. The Caste Certificate according to the petitioner which was issued on 27.11.2014 was a certificate, which was issued by hand and since there were subsequent Government Orders which desired that a candidate had to have a Caste Certificate "On-line" the petitioner applied again for the issuing of a Caste Certificate "On-line". The petitioner alongwith certain other individuals who were also of the Scheduled Tribe applied for the issuing of the Caste Certificate On-line. The applications, however, were rejected in a mechanical manner and, therefore, the petitioner along with certain other individuals filed a writ petition being Writ-C No. 15552 of 2020 (Anoop Kumar Gond and 70 Others vs. State of U.P. and 4 Others), which was disposed of on 12.10.2020 with the following order:-

"This writ petition has been filed, inter alia, for the following relief;

"(i) Issue a writ order or direction in the nature of mandamus directing the respondents to take into consideration the Census-1891 for issuance of Scheduled Tribe certificate to the petitioners."

Learned counsel for the petitioners stated that the petitioners have filed applications before the concerned Tehsildars for issuance of Caste Certificates but till date no order has been passed.

Heard learned counsel for the parties and perused the record.

Considering the facts and circumstances of the case and without expressing any opinion on the merits of the case, we grant liberty to the the petitioners to make a comprehensive representation before the respondent-Tehsildars for passing appropriate orders on their applications filed for issuance of Caste Certificates within two weeks from today along with a copy of this order enclosing therewith a copy of the writ petition and its annexures and, if any such representation is made, the said authority shall make all endeavour to consider and pass appropriate orders on the same in accordance with law expeditiously preferably within 60 days from the date of receipt of the said representation.

The writ petition stands disposed of. "

3. Thereafter, in pursuance of the High Court's order, the impugned order dated 26.2.2021 was passed by the Tehsildar- Sadar, District Maharajganj. His order has been based on a certain enquiry

report of the revenue authorities. Since the orders of the Tehsildar had rejected the claim of the petitioner to be declared as a Gond, which was Scheduled Tribe and he had in fact considered him as "Kahar", the petitioner has filed the instant writ petition. Learned counsel for the petitioner states that when earlier the Tehsildar on 27.11.2014 had already passed an order to the effect that the petitioner was to be considered a member of the Scheduled Tribe and a certificate was also issued to that effect then the Tehsildar, who did not have the authority or jurisdiction to hold a fresh enquiry in support of the claim of the petitioner while considering the claim of the petitioner to issue On-line Caste Certificate, could not pass the order impugned. Learned Counsel for the petitioner submits that the matter ought to have been referred by the Tehsildar, if he was doubting whether the petitioner was of the Scheduled Tribe, to the District Level Caste Scrutiny Committee, Maharajganj.

4. Learned counsel for the petitioner submits that the Caste Scrutiny Committee was formed by the State Government, as per the Government Order dated 28.02.2011. Learned counsel for the petitioner relied upon the paragraphs no. 3 and 4 of the Government Order which are being reproduced here asunder:-

" 3. इसी संदर्भ में दायर रिट याचिका संख्या– 1396 /2011 (पी0आई0एल0) थारू शक्ति समिति महराजगंज व अन्य बनाम उ0प्र0 राज्य व अन्य में जाति प्रमाणपत्रों के सत्यापन के संबंध में मा0 उच्च न्यायालय के आदेश दिनांक 12.1.2011 में दिये गये संवीक्षण के परिप्रेक्ष्य में जाति प्रमाण पत्रों के सत्यापन की व्यवस्था को और अधिक पारदर्शी तथा सुगम बनाये जाने हेतु जनपद स्तर पर भी निम्नानुसार समिति गठित की जाती है:–

4– इसके अतिरिक्त उक्त समिति द्वारा जाति प्रमाणपत्रों के संबंध में निम्न प्रकार के मामलों का भी निस्तारण किया जायेगा :–

1. किसी नियुक्ति के पश्चात सेवायोजन द्वारा सेवक के जाति प्रमाण पत्र के सत्यापन /पुष्टि हेतु प्रस्तुत किये गये मामले ।
2. किसी व्यक्ति अथवा व्यक्तियों के समूह के संबध में जाति प्रमाण पत्रों के न बनाये जाने संबंधी शिकायतों के मामले।
3. जाति प्रमाणपत्रों के फर्जी होने अथवा त्रृटिपूर्ण जाति प्रमाण पत्र बनाये जाने संबंधी मामले।
4. जाति प्रमाणपत्रों के संबंध में किसी अन्य विसंगति के मामले। "

5. Learned counsel for the petitioner in this regard also relied upon the judgements reported in ***2011(1) ADJ 440 (DB), Hizwana Bano vs. State of U.P. and Others, 2014(8) ADJ 690 (DB), Praveen Kumar vs. State of U.P. and Others and 2015(8)ADJ 275 (DB), Rajesh Kumar Gond vs. State of U.P. and others.***

6. Learned Standing Counsel, however, in opposition to the writ petition has submitted that the Tehsildar was the issuing authority of the Caste Certificate and if the petitioner was aggrieved by the decision arrived at by the Tehsildar then he should have filed an Appeal under the provisions of Uttar Pradesh Public Interest Guarantee Act, 2011 before the Sub-Divisional Magistrate.

7. Having heard the learned counsel for the petitioner, Sri H.R. Misra, learned Senior Advocate assisted by Sri K.M. Misra and Sri Swatantra Pratap Singh, learned counsel for the petitioners and the learned Standing Counsel, the Court is definitely of the view that when the Tehsildar had already earlier issued a certificate and was only issuing a fresh certificate "On-line" then he could not enter into the merits of the matter. The jurisdiction to verify the Caste Certificate and as to whether it should be validated or in-validated lay with the Caste Scrutiny Committee under the Government Order dated 28.02.2011. The authority i.e. the Tehsildar, which had earlier issued the Caste Certificate had no jurisdiction to cancel the same except when the Caste Certificate had been obtained by playing fraud or by concealing any relevant fact. In the instant case when the Tehsildar had cancelled the Caste Certificate issued by him on 27.11.2014, there was no finding in the impugned order that the earlier certificate was obtained by the petitioner by playing fraud on any authority. As a result, the impugned order dated 26.02.2021, so far as its relates to the petitioner is quashed and is set aside.

8. With these observations the writ petition stands allowed.

9. The Tehsildar shall issue the "Online" Certificate forthwith. If, however, the Tehsildar doubts the caste or the tribe of the petitioner he may refer the matter to the District Level Caste Scrutiny Committee, Maharajganj.

DATED: LUCKNOW 13.01.2023

BEFORE

THE HON'BLE MANISH MATHUR, J.

Writ C No. 1003201 of 2011

Ramesh Chandra Verma ...Petitioner
Versus
Collector Barabanki & Ors. ...Respondents

Counsel for the Petitioner:
Adnan Ahmad

Counsel for the Respondents:
C.S.C.

A. Civil Law - Indian Stamp Act, 1899 - Instrument Not Duly Stamped - Limitation, S. 33 (5) Proviso - as per proviso to Section 33 (5) of the Act, no action under sub section (4) or sub section (5) can be taken by the authorities after a period of four years from the date of execution of the instrument - only saving in the second proviso to section 33(5) (Para 8)

B. Civil Law - Indian Stamp Act, 1899 - Lease executed on 26.09.2002 - notice dated 01.01.2010 issued in terms of S. 47-A r/w Ss 33/40 of Indian Stamp Act - objections taken by petitioner pertaining to limitation - objections pertaining to limitation rejected primarily on the ground that the document in question being a lease under Section 2(16) would amount to an instrument as defined under Section 2(14) of the Act and would therefore be chargeable to duty in terms of section 2(6) and section 3 of the Act particularly since instrument was executed in India in terms of section 17 of the Act - Held - notice has been issued after a period of ten years from the date of execution of instrument of transfer and would be barred under aforesaid provisions - opposite parties have not taken any such ground that any prior permission from the State Government has been taken before

issuance of the notice dated Ist January, 2010 in terms of 2nd proviso to Section 33(5) of the Act - since initial notice itself was incompetent, no other issue is required to be adjudicated (Para 9, 10)

Allowed. (E-5)

List of Cases cited:

Som Dutt Builders Ltd. Vs St.of U.P. & ors. reported in 2005(23) Lucknow Civil Decisions 1030

(Delivered by Hon'ble Manish Mathur, J.)

1. Heard learned counsel for petitioner and learned State Counsel appearing on behalf of opposite parties.

2. Petition has been filed assailing notice dated Ist January, 2010 issued under Sections 33/40 of the Indian Stamp Act 1899, order dated 31st August, 2010 passed under section 47-A/33 and order dated 30th April, 2011 passed in appeal under Section 56 of the Act.

3. Learned counsel for petitioner submits that petitioner was lessee of a shop No.2, the lessor of which was Zila Panchayat, Barabanki on monthly rent of Rs. 187.50 per month for a period of three years. It is submitted that lease agreement was executed between the parties on 26th September, 2002 and quite belatedly thereafter notice dated Ist January, 2010 was issued to the petitioner under Section 47-A read with sections 33/40 of the Act requiring petitioner to show cause why proceedings may not initiated against him for evading stamp duty.

4. Learned counsel for petitioner submits that upon receipt of notice, objection thereto was filed by petitioner specifically taking a plea that proceedings were barred by limitation and further that even if stamp duty was applicable, the same could have been determined only on the basis of annual rental value of the property and not the area of property in question. It has been submitted that aforesaid objections are clearly indicated in the order passed under Section 47-A and while the second objection has been clearly ignored by the assessing authority, the first issue has also been decided against petitioner on the ground that instrument in question being an instrument as envisaged under Section 2(14) of the Act would be chargeable in terms of Section 2(6) of the Act since it is a document of lease in terms of section 2(16) of the Act and therefore no time frame has been indicated in the Act for initiating the proceedings.

5. Learned counsel for petitioner submits that orders impugned have been passed on a wrong appreciation of the provisions of Act particularly in view of proviso to section 33(5) of the Act which specifically provides that no action under Sub Section (4) or sub Section (5) of Section 33 can be taken after a period of four years from the date of execution of instrument. It is submitted that only saving clause is under the second proviso where action is permissible after prior permission of the State Government after a period of four years but the said proceedings are also required to be initiated before a period of eight years from the date of execution of instrument. It is thus submitted that the authorities have completely ignored the provisions of Section 33(4) and (5) of the Act and the proviso thereunder to hold that proceedings were within limitation.

6. Learned State Counsel has refuted submissions advanced by learned counsel for petitioner with submission that

document in question amounted to an instrument of lease as defined under Section 2(16) of the Act and would therefore be an instrument which is chargeable to duty in terms of Sections 2(14) and (6) of the Act. It is further submitted that since there is nothing to the contrary in the instrument of lease, stamp duty has been rightly imposed upon the petitioner being a lessee in terms of section 29(C) of the Act.

7. Upon consideration of submissions advanced by learned counsel for parties and perusal of material on record, it is admitted fact that instrument in question is that of lease executed on 26th September, 2002 on the basis of which notice dated Ist January, 2010 was issued in terms of section 47-A read with sections 33/40 of Indian Stamp Act. The order impugned under Section 47-A also records the objections taken by petitioner before the authority concerned in which objection pertaining to limitation also finds a mention. By means of impugned order dated 31st August, 2010, the objections pertaining to limitation have been rejected primarily on the ground that the document in question being a lease under Section 2(16) would amount to an instrument as defined under Section 2(14) of the Act and would therefore be chargeable to duty in terms of section 2(6) and section 3 of the Act particularly since instrument was executed in India in terms of section 17 of the Act. It is evident from a perusal impugned order that it has not at all adverted to section 33(4) and (5) of the Act as inserted by U.P. amendment vide U.P.Act No.6 of 1980 (with effect from 21st November, 1979). The aforesaid provisions are as follows:-

"33 (4) Where deficiency in stamp duty paid is noticed from the copy of any instrument, the Collector may suo motu or on a reference from any court or from the Commissioner of Stamps or an Additional Commissioner of Stamps or a Deputy Commissioner of Stamps or an Assistant Commissioner of Stamps or any officer authorized by the Board of Revenue in that behalf, call for the original instrument for the purpose of satisfying himself as to the adequacy of the duty paid thereon, and the instrument so produced before the Collector shall be deemed to have been produced or come before him in the performance of his functions.

(5) In case the instrument is not produced within the period specified by the Collector, he may require payment of deficit stamp duty, if any, together with penalty under section 40 on the copy of the instrument:

Provided that no action under sub-section (4) or sub-section (5) shall be taken after a period of four years from the date of execution of the instrument.

[Provided further that with the prior permission of the State Government an action under sub-section (4) or sub-section(5) may be taken after a period of four years but before a period of eight years from the date of execution of the instrument.]"

8. From a perusal of the aforesaid provisions, it is evident that as per proviso to Section 33 (5) of the Act, no action under sub section (4) or sub section (5) can be taken by the authorities after a period of four years from the date of execution of the instrument. The only saving has been indicated in the second proviso to section 33(5) but the same would be inapplicable in the present case particularly when it is not the case of opposite parties that any prior permission of the State Government has been taken. As such it is evident that the

matter would be covered only by first proviso to Section 33(5) of the Act.

9. In the present case, it is noticeable and admitted between the parties that the instrument of lease is dated 26th September, 2002 whereas notice under section 47-A read with Sections 33/40 of the Indian Stamp Act has been issued on 31st January, 2010. Clearly the notice has been issued after a period of four years from the date of execution of instrument of transfer and would be barred under aforesaid provisions.

10. In the counter affidavit filed, the opposite parties have not taken any such ground that any prior permission from the State Government has been taken before issuance of the notice dated Ist January, 2010 in terms of 2nd proviso to Section 33(5) of the Act.

11. A co-ordinate Bench of this Court in the case of Som Dutt Builders Limited versus State of U.P. and others reported in 2005(23) Lucknow Civil Decisions 1030 has particularly adverted to the aforesaid provisions and has also come to the conclusion on the same issue.

12. In view of aforesaid, since it is evident that in terms of proviso to Section 33(5) of the Act, the initial notice itself was incompetent, no other issue is required to be adjudicated.

13. Consequently in view of discussion made herein above, the proceedings initiated vide notice dated Ist January, 2010 under Section 47-A read with Sections 33/40 of the Act being incompetent, the notice dated Ist January, 2010, order dated 31st August, 2010 passed under section 47-A and order dated 30th April, 2011 passed under section 56 of the Act are set aside.

14. Resultantly, the petition succeeds and is allowed. Parties to bear their own costs.

15. It has been submitted by learned counsel for petitioner that in pursuance of impugned orders, one third amount has already been deposited before the authority concerned. In view of fact that petition is being allowed, liberty is granted to petitioner to seek refund of the amount so deposited. In case such an application is made, the authority concerned is directed to refund the excess amount deposited within a period of three months from the date a copy of this order is produced before the authority concerned along with application.

CIVIL SIDE
DATED: LUCKNOW 10.01.2023

BEFORE

THE HON'BLE ABDUL MOIN, J.

Writ-C No. 130 of 2023

Abaad Ali ...Petitioner
Versus
State of U.P. & Ors. ...Respondents

Counsel for the Petitioner:
Mohammad Danish, Mohd. Mansoor, Syed Abul Kasim Zaidi

Counsel for the Respondents:
C.S.C., Gyanendra Mishra

(A) Civil Law - The Uttar Pradesh Panchayat Raj Act, 1947 - Section 12-C - Application for questioning the elections - an order for a recount touches upon the secrecy of ballot, it should not be made

lightly or as a matter of course - two broad guidelines are discernible - court would be justified in ordering a recount or permitting inspection of the ballot papers only where (i) all the material facts on which the allegations of irregularity, or illegality in counting are founded, are pleaded adequately in the election petition, and (ii) the Court/Tribunal trying the petition is prima facie satisfied that the making of such an order is imperatively necessary to decide the dispute. (Para - 18)

Election for post of Gram Pradhan - petitioner elected as Gram Pradhan - election petition under Section 12-C - ground - applicant entitled for re-counting – on basis of averments made in election petition - difference in valid/invalid/cancelled votes - overwriting and cutting on counting sheet - strong suspicion of fairness of counting procedure - direction of election tribunal - to Tehsildar and Block Development Officer to recount the votes - submit records to election tribunal for passing orders. **(Para - 3,7)**

HELD:-There being cutting/overwriting without the said cutting/overwriting being countersigned. No infirmity or illegality in the order directing for recounting of the votes. **(Para - 19)**

Petition Dismissed. (E-7)

List of Cases cited:

1. Khilari Vs The IVth A.D.J., Sonbhadra & ors. , AIR 1991 ALLD 186

2. Ravindra Singh Vs St. of U.P. & ors. , (2008) 105 RD 88

(Delivered by Hon'ble Abdul Moin, J.)

1. Heard learned counsel for the petitioner, Dr. Udaiveer Singh, learned Additional Chief Standing counsel appearing for the State-respondents and Sri Gyanendra Mishra, learned counsel appearing for the respondent no. 5.

2. Instant petition has been filed praying for the following main reliefs:-

"(i) Issue a writ, order or direction in the nature of Certioari quashing the impugned order dated 30.12.2022 passed by Sub Divisional Magistrate/Prescribed Authority District-Sultanpur in Case No. T20214680607476 of 2021 (Nizam Haider Vs. Abaad Ali and Ors), as contained in Annexure No. 01 to this writ petition.

(ii) Issue a writ, order or direction in the nature of Mandamus commanding the Sub Divisional Magistrate/Prescribed Authority District Sultanpur to proceed in Case No. T20214680607476 of 2021 (Nizam Haider Vs. Abaad Ali and Ors), in fair, transparent and impartial manner strictly in accordance with law."

3. The case set forth by the petitioner is that an election for the post of Gram Pradhan had taken place. After election, the petitioner was declared elected as Gram Pradhan. The respondent no. 5 being aggrieved with the election of the petitioner filed an election petition under Section 12-C of the Uttar Pradesh Panchayat Raj Act, 1947 (hereinafter referred to as "Act, 1947"). The said case was registered as Case No. 7476 of 2021 Inre; Nizam Haider Vs. Abaad Ali. The learned election tribunal framed various issues of which issue no. 2 was as to whether the applicant is entitled for re-counting keeping in view the averments made in the election petition. The said issue has been decided vide order dated 30.12.2022, a copy of which is annexure no. 1 to the writ petition with the direction to the Tehsildar and Block Development Officer to recount the votes on 16.01.2023. Videography has also been directed to be done. A representative each

of the applicant and the petitioner herein has also been required to be present at the time of recounting. The concerned authority has been required to make available the votes polled in order to enable the recounting in police presence. The Recounting officer has been directed to make available the result of recounting to the election tribunal and the matter has been listed on 17.01.2023 for the purpose of deciding the issues no. 1, 3 & 11.

4. The grounds taken by the learned counsel for the petitioner while challenging the said order are that:-

(a) it is only the election tribunal which could have counted the votes and there has been delegation of power to the Tehsildar and Block Development Officer which could not have validly been done. In this regard, reliance has been placed on the judgment of this Court in the case of **Khilari Vs. The IVth Additional District Judge, Sonbhadra** and other reported in **AIR 1991 ALLD 186**.

(b) the aforesaid officers cannot decide the validity of the invalid/valid votes which has been considered to be done while deciding the issue no. 2.

(c) recounting had already taken place prior to filing the election petition as such, no recounting can be directed to be done by the learned election tribunal.

(d) while directing for recounting, the election tribunal has patently erred in law inasmuch as it should have called for the evidence of the returning officer and assistant returning officer with regard to allegations pertaining to form 46.

No other ground has been urged.

5. On the other hand, Dr Udaiveer Singh, learned Additional Chief Standing counsel as well as Sri Gyanendra Singh, learned counsel for the respondent no. 5 argue that the order passed by the election tribunal while deciding the issue no. 2 only directs for recounting of the votes. They contend that despite the fact that the issue no. 2 has been decided in favour of the applicant/respondent no. 5 herein wherein the issue which was as to whether the applicant is entitled for re-counting was framed and while deciding the said issue it has been indicated that the invalid and valid votes and part no. 1 & 2 of recounting slips and the appendix are to be seen yet the final order is only for directing for a recounting of the votes and as such it is always open for the election tribunal, after having the result of the recounting before it, to pass the final order in the matter. It is thus contended that the instant petition has only been filed on the basis of an apprehension on the part of the petitioner/elected Gram Pradhan apprehending that when the final recounting is done it may result in the true facts coming to the knowledge of the election tribunal of the elected Gram Pradhan having secured less votes and hence the petition has only been filed in order to avoid and delay the final outcome of the election petition.

6. Heard learned counsel appearing for the contesting parties and perused the records.

7. From a perusal of records it emerges that after the petitioner had been declared as elected Gram Pradhan, an election petition under Section 12-C of the Act, 1947 has been filed by the respondent no. 5 herein challenging the election of the petitioner on various grounds. The learned Election tribunal framed various issues of which issue no. 2 was as to whether the applicant is entitled for re-counting keeping in view the averments made in the election

petition. The learned Election tribunal has discussed issue no. 2 threadbare and was of the view that there has been over writing and cutting in the result form no. 46 pertaining to booth no. 43 which cutting/overwriting has also not been countersigned, apart from there being difference in the valid/invalid/cancelled votes and has placed reliance on the judgment of this Court in the case **Ravindra Singh Vs State of U.P and Ors** reported in **(2008) 105 RD 88** to take the view that where either on account of improper acceptance or improper rejection of votes or there are apparent mistakes in the counting which has affected the election result or where there are overwriting and cutting on the counting sheet then the same raises a strong suspicion of the fairness of the counting procedure.Thereafter, the learned Election tribunal has passed an order requiring the Tehsildar and Block Development Officer to recount the votes and to submit the result by means of the order impugned dated 30.12.2022.

8. The aforesaid order dated 30.12.2022 has been challenged on various grounds as have been indicated above and now the Court proceeds to deal with the said grounds.

9. The first and second grounds of challenge to the order impugned are being dealt together. The said grounds are that (a) it is only the election tribunal which could have counted the votes and there has been delegation of power to the Tehsildar and Block Development Officer which could not have validly been done and (b) the aforesaid officers cannot decide the validity of the invalid/valid votes which has been directed to be done while deciding the issue no. 2.

10. In this regard, reliance has been placed on a judgment of this Court in the case of **Khilari (supra)** to contend that it is only the election tribunal which could have counted the votes and not the Tehsildar and Block Development Officer.

11. A perusal of the judgment in the case of **Khilari (supra)** would indicate that the order impugned before this Court in the case of **Khilari (supra)** was that the election tribunal had delegated the power of **recounting and declaration of result** to the Tehsildar and it is in those circumstances that this Court in the case of **Khilari (supra)** has held that as the election tribunal was acting in quasi judicial capacity it had no power to delegate.

12. The facts in the instant case are entirely different inasmuch as the Tehsildar and Block Development Officer have been directed by means of the impugned order dated 30.12.2022 to count the votes and then submit the records thereof to the learned election tribunal for passing orders upon the same on 17.01.2023. Thus, it is apparent that the learned tribunal has not delegated the power of declaration of the result as was the case in the case of **Khilari (supra).** Consequently, said grounds are not found tenable and are rejected.

13. The ground (c) of challenge to the order impugned is that the recounting had already taken place prior to filing the election petition as such, no recounting can be directed to be done by the learned election tribunal.

14. Suffice it to say that even if recounting had been taken place prior to filing of the election petition yet now it is the election of the elected Gram Pradhan

which has been challenged through the election petition. For the purpose of seeing as to whether the election of the petitioner was valid it is within the power of election tribunal to order for recounting of the votes. While deciding the issue no. 2 the learned election tribunal was of the view that certain invalid votes have also been considered. Thus, even if recounting had taken place prior to filing the election petition, the same would make no difference to the learned election tribunal in directing for a recounting as it has jurisdiction to do so while deciding an election petition and has thus required a recounting of votes consequently, the said ground is not found tenable and is rejected.

15. The ground (d) of challenge to the order impugned is that while directing for recounting, the election tribunal has patently erred in law inasmuch as it should have called for the evidence of the returning officer and assistant returning officer as the allegations with regard to form 46. Suffice it to say that once the learned election tribunal, upon perusal of the records as were produced before it as finds mentioned in detail while considering the ground (2), was of the view that there is cutting and overwriting in various forms which is also not countersigned as such, it was within the power of learned election tribunal upon being satisfied, to order for recounting as has been done in the instant case. Consequently, the said ground is rejected.

16. Even otherwise, a perusal of the order passed by the learned election tribunal while discussing the issue no. 2 pertaining to recounting of votes indicates that the learned Tribunal has considered threadbare the grounds as were raised before it and also has perused the material and only after perusal of the material before it and having found cutting/overwriting not being countersigned that the learned election tribunal has directed for recounting.

17. This aspect of the matter has already been considered by this Court in the case of **Ravindra Singh (supra).** For the sake of convenience, relevant observations made in the case of **Ravindra Singh (supra)** are reproduced below:-

"4. The law with regard to recount of votes is fairly well settled. In Beli Ram Bhalaik v. Jai Behari Lal Kachi MANU/SC/0257/1974 the Supreme Court cautioned that since an order for a recount touches upon the secrecy of ballot, it should not be made lightly or as a matter of course. Although no cast iron rule of universal application can be or has been laid down, yet, from a bedroll of the decisions of this Court, two broad guidelines are discernible; that the court would be justified in ordering a recount or permitting inspection of the ballot papers only where (I) all the material facts on which the allegations of irregularity, or illegality in counting are founded, are pleaded adequately in the election petition, and (ii) the Court/Tribunal trying the petition is prima facie satisfied that the making of such an order is imperatively necessary to decide the dispute and to do complete and effectual justice between the parties. In Suresh Prasad Yadav v. Jai Prakash Mishra MANU/SC/0279/1974 , Chanda Singh v. Ch. Shiv Ram 1974MANU/SC/0260, Manphul Singh v. Surinder Singh MANU/SC/0259/1974 , same principles were upheld. These principles were reiterated in Bhabhi v. Sheo Govind MANU/SC/0281/1975 : AIR1975SC2117 as follows:

(1) That it is important to maintain the secrecy of the ballot which is acrosant and should not be allowed to be violated on frivolous, vague and indefinite allegations:

(2) That before inspection is allowed, the allegations made against the elected candidate must be supported by adequate statements of material facts;

(3) That the Court must be prima facie satisfied on the materials produced before the Court regarding the truth of the allegations made for a recount;

(4) That the Court must come to the conclusion that in order to grant prayer for inspection it is necessary and imperative to do full justice between the parties;

(5) That the discretion conferred on the Court should not be exercised in such a way so as to enable the applicant to indulge in a roving inquiry with a view to fish materials for declaring the election to be void and

(6) That on the special facts of the given case sample inspection may be ordered to lend further assurance to the prima facie satisfaction of the Court regarding the truth of the allegations made for a recount, and not for the purpose of fishing out materials.

5. In S. Raghubir Singh Gill v. S. Gurucharan Singh Tohra MANU/SC/0290/1980 it was held as under:

True, re-count cannot be ordered just for the asking. A petition for re-count cannot be ordered after inspection of ballot papers must contain an adequate statement on material facts on which the petitioner relies in support of his case and secondly the Tribunal must be prima satisfied that in order to decide the dispute and to do complete justice between the parties an inspection of the ballot papers is necessary. The discretion conferred in this behalf should not be exercised in such a way so as to enable the applicant to indulge in a roving inquiry with a view to fishing out materials for declaring the election void.

6. In M.R. Gopalakrishanan v. Thachady Prabhakaran MANU/SC/0991/1995, it was held that the demand of defeated candidate for re-count of votes has to be considered keeping in view that secrecy of the ballot is sacrosanct in a democracy, and therefore, unless the election petitioner is able not only to plead and disclose the material facts but also substantiate the same by means of evidence of reliable character that there existed a prima facie case for re-count, no Tribunal or Court would be justified in directing a re-count.

7. In Vadivelu v. Sundaram MANU/SC/0634/2000 same principle was reiterated with emphasis in paragraph 16 quoted as below:

The result of the analysis of the above cases would show that this Court has consistently taken the view that re-count of votes could be ordered very rarely and on specific allegation in the pleadings in the election petition that illegality irregularity was committed while counting. The petitioner who seeks recount should allege and prove that there was improper acceptance of invalid votes or improper rejection of valid votes. If only the Court is satisfied about the truthfulness of the above allegation, it can order recount of votes. Secrecy of ballot has always been considered sacrosanct in a democratic process of election and it cannot be disturbed lightly by bare allegations of illegality or irregularity in counting. But if it is proved that purity of elections has been tarnished and it has materially affected the result of the election whereby the defeated candidate is seriously prejudiced, the court can resort to recount of votes under such

circumstances to do justice between the parties.

8. In V.S. Achuthanandan v. P.J. Francics MANU/SC/0061/2001, Supreme Court went to the extent of holding that once a recount is validly ordered and the statistics revealed by the re-count are available to be used for deciding election dispute, the facts reveled by re-count cannot be relied upon by the election petitioner to support the prayer and sustain the order for re-count if the pleadings and material available on record anterior to actual recount did not justify grant of the prayer for inspection and re count.

9. In this case the Prescribed Authority has found that there were sufficient pleading with material particulars with regard to irregularities in counting of votes affecting the elections. He has set down the pleading in which it was stated by the election petitioner that after the election petitioner was declared elected with a difference of four votes, manipulations were made in the election documents. In booth No. 167 instead of 532, 464 valid and 71 invalid votes, a total of 535 votes were reported, whereas in the counting sheet only 532 votes were recorded. As against booth Nos. 169, 170 and 171 the total number of votes were not written in the counting sheet. Two votes in booth No. 169; 4 in booth No. 170 and 2 in booth No. 171 were reduced by manipulations by overwriting and that instead of 2221 votes 2216 votes namely 5 votes were not shown, and 3 votes were increased in booth No. 167. These manipulations were made to defeat the election petitioner. When he requested for recounting, the request was denied."

18. From a perusal of the judgment of this Court in the case of **Ravindra Singh (supra)** it emerges that this Court was seized of an order of the learned election tribunal which had directed for recounting of votes and had summoned entire records before it. After considering of the said order passed by the learned election tribunal, this Court was of the view that the Hon'ble Supreme Court has cautioned that since an order for a recount touches upon the secrecy of ballot, it should not be made lightly or as a matter of course yet no cast iron rule of universal application can be laid down. However, two broad guidelines are discernible; that the court would be justified in ordering a recount or permitting inspection of the ballot papers only where (i) all the material facts on which the allegations of irregularity, or illegality in counting are founded, are pleaded adequately in the election petition, and (ii) the Court/Tribunal trying the petition is prima facie satisfied that the making of such an order is imperatively necessary to decide the dispute.

19. As already indicated above, the learned election tribunal while considering the issue no. 2 has arrived at a specific finding of there being cutting/overwriting without the said cutting/overwriting being countersigned. Thus, the principle of law as laid down by this Court in the case of **Ravindra Singh (supra)** would be squarely applicable. When the order impugned is seen in the context of finding given to the issue no. 2 viz-a-viz the judgment of this Court in the case of **Ravindra Singh (supra)** this Court does not find any infirmity or illegality in the order directing for recounting of the votes and the grounds taken by the petitioner in this regard. Accordingly, the writ petition is dismissed.

(2023) 1 ILRA 174
ORIGINAL JURISDICTION
CIVIL SIDE
DATED: ALLAHABAD 14.11.2022

BEFORE

THE HON'BLE SARAL SRIVASTAVA, J.

Writ-C No. 1610 of 2018

U.P.S.R.T.C. Reg. Office, Meerut ...Petitioner
Versus
Presiding Officer, Labour Court, Meerut & Anr. ...Respondents

Counsel for the Petitioner:
Sri Sunil Kumar Misra, Sri Vikas Sahai

Counsel for the Respondents:
C.S.C., Sri Om Prakash Saxena, In Person, Sri Varad Nath

(A) Labour Law - The Industrial Disputes Act, 1947 - Section 11-A - Powers of Labour Courts, Tribunals and National Tribunals to give appropriate relief in case of discharge or dismissal of workmen - in case of wrongful termination of service - reinstatement with continuity of service with back wages is a normal rule - ordinarily, an employee demanding back wages, is required to either plead or at least make a statement before the adjudicating authority or at the Court of first instance that he was not gainfully employed or was employed on lessor wages.(Para - 40)

Respondent no.2 appointed as a Bus Conductor - in U.P. State Road Transport Corporation ('UPSRTC') - duty - surprise checking on Bus - corrupt practices adopted in distribution of tickets - report - disclosing corrupt practices - causing loss to UPSRTC and misbehaviour and obstruction with checking squad – termination from services – departmental appeal – rejection – industrial dispute – labour court – award against respondent – writ petition – remanded back to labour court – award – published – full back wages – not gainfully employed - hence petition.**(Para - 3 to 13)**

HELD:-Established on record by respondent no.2 that he was not gainfully employed after his termination. Labour Court has rightly given full back wages. Award of labour court affirmed. **(Para - 44,46)**

Petition Dismissed. (E-7)

6. Deepali Gundu Surwase Vs K.J.A.M. , 2013 (139) FLR 541 (SC)

(Delivered by Hon'ble Saral Srivastava, J.)

1. Heard Sri Vikas Sahai, learned counsel for the appellant, and Sri Om Prakash Saxena, respondent no.2, in person.

2. The petitioner through the present writ petition has assailed the impugned award dated 29.08.2017 (notified by Govt. Order No.715 dated 29.08.2017 passed by the Presiding Officer, Labour Court, U.P. Meerut in Adjudication Case No.173 of 2002.

3. Respondent no.2 Om Prakash Saxena, was appointed as a Bus Conductor in U.P. State Road Transport Corporation

(hereinafter referred to as 'UPSRTC'). Respondent no.2 on 25.08.1995 was on duty on Bus No.UHN-2741 on Meerut-Sardhana Route. It appears that while the Bus was on the way, a surprise checking on the Bus was conducted by the Regional Checking Squad, Meerut, headed by Sri Ramesh Chandra, Traffic Superintendent, who found that certain corrupt practices had been adopted by respondent no.2 in the distribution of tickets. He submitted a report to the Regional Manager, Regional Officer Meerut, disclosing the corrupt practices adopted by respondent no.2 thereby causing the loss to the UPSRTC and misbehaviour and obstruction by respondent no.2 with the checking squad.

4. The Regional Manager, Meerut, who is the Disciplinary Authority, by letter No.833, dated **14.02.1996** issued a charge sheet to respondent no.2 based on the report dated 28.08.1995. Later on, certain correction was made by letter No.2248 dated 09.05.1996 in the charge sheet dated **14.02.1996** whereby denial of the signature on the waybill was inserted in the charge sheet to remove the clerical mistake, which was served upon respondent no.2 and duly received by him on 13.05.1996.

5. There are seven charges in the charge sheet dated **14.02.1996**. The charges against the respondent no. 2 are reproduced herein-below:-

"1-दिनांक 25.08.1995 को बस संख्या यू०एच०एन०-2701 में मेरठ से सरधना मार्ग पर ड्यूटी करते हुये किराया लेने के उपरान्त 8 यात्रियों के कम दूरी के टिकट बनाना और इन टिकटों को वितरित न कर अपनी जेब में रखना।

2- टिकट संख्या 3920788 की मूल प्रति में मेरठ से नानू, यात्री प्रति में मेरठ सरधना को छः यात्रियों को दर्शाकर जालसाजी करना। इसी प्रकार टिकट संख्या 3970796 द्वितीय प्रति, कोरी रखकर यात्रियों को दो यात्री के सामूहिक टिकट देना और विभाग एवं यात्रियो को धोखा देना।

3-मार्गपत्र में सातवी पंक्ति में रू० 12/- को रू०10/- दर्शाकर रू०2/- हड़प करना। उपरोक्त प्रकरण से विभाग को हानि पहुंचाना तथा गम्भीर भ्रष्टाचार में लिप्त रहना ।

4- निरीक्षण अधिकारियों को अपना कैश न चैक करने देना तथा अभद्रता का व्यवहार व घोर अनुशासनहीनता करना।

5- निगम व्यवसाय में कपट एवं बेईमानी करना।

6- अपना कार्य निष्ठापूर्वक सम्पादित न करना।

7-उत्तर प्रदेश राज्य सड़क परिवहन निगम कर्मचारी सेवा नियमावली (अधिकारियों से भिन्न) 1981 की धारा- 61 में वर्णित आचरण के प्रति कार्य करने तथा धारा - 62 के अनुच्छेद 1,5,9,20 एवं 21 में वर्णित अवचार में लिप्त रहना।"

6. Respondent no.2 submitted an explanation on **24.02.1996** in response to the charge sheet dated **14.02.1996** denying the charges levelled against him. The disciplinary authority considered the explanation submitted by the respondent no.2 and found that an enquiry as per law is to be conducted to find out the truth in the allegations. Accordingly, he nominated Sri O.P. Karnwal as Enquiry Officer vide order dated **07.03.1996**. **Sri O.P. Karnwal** conducted the enquiry, but he did not complete the enquiry. Thereafter, one **Sri Manoj Kumar**, Assistant Regional Manager, Meerut, was appointed as Enquiry Officer. As per the record, the substantial enquiry was conducted by Sri O.P. Karnwal before Sri Manoj Kumar took over the enquiry. The Enquiry Officer after conducting the enquiry found the charges against respondent no.2 proved and submitted the enquiry report dated **10.08.1998** to the disciplinary authority.

7. The disciplinary authority, thereafter, issued a show cause notice to

respondent no.2 by letter no.3250 dated **01.12.1998** enclosing the enquiry report and asked respondent no.2 to submit his objection, if any, against the enquiry report.

8. Respondent no.2 in reply to the said show cause notice, submitted a detailed reply on **11.01.1999** in which he categorically stated that he was not afforded a reasonable opportunity of hearing by the Enquiry Officer. Besides the above plea, he has pointed out several defects in his reply in conducting the enquiry by the Enquiry Officer.

9. The disciplinary authority found the charges against respondent no.2 proved. The disciplinary authority passed an order of punishment on **11.06.1999** terminating the service of respondent no.2.

10. Respondent no.2, thereafter, preferred a departmental appeal on **25.06.1999** before the appellate authority/Divisional General Manager, UPSRTC, Meerut, who vide order dated **04.07.2000** rejected the appeal.

11. After the rejection of the appeal, respondent no.2 raised an industrial dispute, which was referred to the Labour Court and registered as Case No.173 of 2002. The Labour Court by order dated **12.08.2010** passed an award against respondent no.2, which came to be challenged by respondent no.2 before this Court by filing Writ-C No.24345 of 2011 (Om Prakash Saxena Vs. Presiding Officer, Labour Court, Meerut & others).

12. This Court by the judgement and order dated **09.02.2016** allowed the said writ petition and quashed the impugned award dated **12.08.2010** and remanded the matter to the Labour Court to consider afresh in the light of the evidence on record. The relevant extract of the judgement dated **09.02.2016** is reproduced herein-below:

"The perusal of the award reveals that the finding with regard to 8 passengers travelling to Meerut to Sardhana who were issued tickets for shorter journey from Nanu to Sardhana is without the consideration of the statement of the PW1 wherein he clearly stated that of the aforesaid 8 passengers, 6 of them had asked for ticket from Meerut to Nanu and then had requested for extending the journey from Nanu to Sardhana whereas one passenger had asked for ticket from Shantinagar to Nanu and then Nanu to Sardhana and one another from Nanu to Sardhana only. The tickets were issued to them accordingly from Meerut to Nanu, Shantinagar to Nanu and then from Nanu to Sardhana. None of them journeyed in the Bus for any distance without ticket.

Needless to say that the Bus Conductor is supposed to issue tickets to the passengers as demanded and that there is no prohibition in issuing tickets in two parts of the journey particularly when the passengers initially demands tickets for a shorter journey and then for extended journey.

The Labour Court has not dealt with the above aspect of the matter and failed to find out if these passengers were issued separate tickets in two parts of the journey from Meerut to Nanu and then from Nanu to Sardhana as contended by the petitioner. It has only gone by the fact that they were issued tickets from Nanu to Sardhana without caring to find to if the record revealed issuance of tickets to them from Meerut to Nanu or Shantinagar to

Nanu also in which case they would be having tickets for the full journey from Meerut to Sardhana.

In regard to the entry of Rs.12/- which was converted into Rs.10/- the explanation and the statement of the petitioner was that 5 passengers were shown travelling from Shantinagar to Dabatwa and were charged @ Rs.2/-a total of Rs.10/- and this was mentioned in the 7th line of column 1 and 2 of the Marg Patra whereas one another passenger was shown as travelling from Shantinagar to Dabatwa in line 8 column 1 and 2 in this way the total passengers travelling from Shantinagar to Dabatwa remained 6 and a sum of Rs.10/- plus Rs.2/- was shown to have realised. There was no manipulation of the entry of Rs.12/- to Rs.10/- so as to cause any loss to the roadways.

This statement of the petitioner was not controverted by any piece of the evidence but the Labour Court failed to take it into account and returned the finding only on the basis of the record of the enquiry.

It is well settled that any finding which is recorded without consideration of the material evidence is nothing but perverse. The statement of the petitioner recorded before the Labour Court was a material piece of evidence vis-a-vis the charges levelled against him.

The non-consideration of the said statement or the explanation given by the petitioner therein regarding the charges levelled against him vitiates the entire award.

Accordingly, the impugned award dated 12.08.2010 is hereby quashed and the Labour Court is directed to reconsider the matter afresh in the light of the evidence on record especially in relation to the above two aspects of the matter. The writ petition is allowed as above."

13. After the matter was remanded, the Labour Court passed an award dated **29.08.2017**, published on **11.10.2017**, which has been assailed by the UPSRTC in the present writ petition.

14. Challenging the award, learned counsel for the petitioner Sri Vikas Sahai, has raised threefold submissions; that the finding of the Labour Court that the punishment order has been passed in violation of the principle of natural justice is perverse and erroneous inasmuch as it is manifest from the record that ample opportunity of hearing was afforded to the respondent no.2 by the Enquiry Officer during the enquiry, and as such, the finding of the Labour Court holding the enquiry vitiated on the ground of non-compliance of the principle of natural justice is not sustainable in law. Secondly, he submits that the UPSRTC in para-16 of the written statement has categorically stated that the Labour Court has not allowed the petitioner to lead further evidence which establishes that the charges against respondent no.2 are true and correct. It is submitted that it is settled in law that if there are some shortcomings in the enquiry, the employer can demonstrate by leading cogent evidence before the Labour Court that the charges against respondent no.2 are proved. In support of the said contention, he has placed reliance upon the judgement of the Apex Court reported in ***(2018) 4 SCC 483 Kurukshetra University Vs. Prithvi Singh***.

15. Thirdly, he submits that the Labour Court is under obligation to record reasons before granting full back wages, whereas in the instant case, respondent no.2 has not demonstrated that he was not gainfully employed, thus, the Labour Court has erred in awarding full back wages. In support of this contention, he has placed

reliance upon the two judgments of the Apex Court reported in **(2005) 3 SCC 193 Management of Madurantakam Coop. Sugar Mills Ltd. Vs. S. Viswanathan & (2002) 6 SCC 41**, Hindustan Motors Ltd. Vs. Tapan Kumar Bhattacharya and Another.

16. Per contra, respondent no.2, who appeared in person, has submitted that a detailed finding has been returned by the Labour Court that enquiry is vitiated for non-compliance with the principle of natural justice. He submits that the Labour Court has recorded a categorical finding that after the change of enquiry officer, the petitioner demanded the cross-examination of the departmental witnesses and on the request of the petitioner, several dates were fixed by the Enquiry Officer, but the departmental witnesses did not appear and the Enquiry Officer had proceeded with the enquiry. It is submitted that in the facts of the case, it was incumbent upon the Enquiry Officer to ensure the presence of the departmental witnesses so that he could have cross-examined them and truth would have come out in the cross-examination of the departmental witness as regards the veracity of the charges levelled against the respondent no.2. It is submitted that in absence of proper opportunity to the respondent no.2 to cross-examine the departmental witnesses, the Enquiry Officer has acted illegally in relying upon the departmental witnesses to hold that the charges against him are proved. He submits that learned counsel for the petitioner could not demonstrate from the record any perversity in the finding of the Labour Court.

17. He submits that the Labour Court has further recorded a categorical finding that perusal of the statement of Sri Subhash Chandra, Assistant Traffic Inspector discloses that the statement given by him is based on surmises and conjectures and is not supported by any material on record and the learned counsel for the petitioner also could not demonstrate from the record that the said finding of the Labour Court is perverse.

18. He further submits that none of the passengers who were alleged to have been travelling without proper tickets were produced to prove the charge against respondent no.2 and in such view of the fact, the inquiry is vitiated. It is contended that as the learned counsel for the petitioner could not point out any perversity in the finding of the Labour Court, thus, the finding of the Labour Court being a finding of fact does not call for any interference by this Court in the exercise of its power under Article 226 of the Constitution of India.

19. Regarding the second submission of the learned counsel for the petitioner, he submits that a wrong statement has been made before the Court that an application has been submitted by the petitioner before the Labour Court to produce the documents which proved the charges against the respondent no.2. He submits that neither any application nor any document had been produced by the petitioner before the Labour Court which could prove the charge against the respondent no.2. Thus, he submits that this ground in the absence of any material on record is not sustainable.

20. In respect to the submission of learned counsel for the petitioner with respect to the back wages, he submits that in para-22 of his written statement, it has been categorically stated that despite his best efforts he could not get any employment and he is unemployed to date.

He submits that the aforesaid fact has again been reiterated by him in para-7 of his reply to the objection dated 22.10.2022 of the petitioner. He further submits that he has stated before the Labour Court in his statement on oath that despite his best effort he could not get any employment and he is not employed anywhere since the date of his termination till date.

21. He further submits that the petitioner in reply to the specific case of respondent no.2 that he has not been gainfully employed since the date of termination till date did not lead any evidence to demonstrate that he has been gainfully employed after termination. He submits that it is settled in law that once an employee has categorically stated in his written statement as well as in his statement before the Labour Court that he has not been employed from the date of termination till the date of the award, the onus is upon the employer to demonstrate that he was gainfully employed and once such onus is discharged by the employer, the burden will shift upon the employee to demonstrate that he has not been gainfully employed.

22. He further submits that the departmental witnesses in their statements before the Labour Court have not stated that respondent no.2 has been gainfully employed after termination. Thus, he submits that even if the Labour Court has not given any reason in concluding that he is entitled to full back wages, this Court may consider this aspect of the matter in the exercise of power under Article 226 of the Constitution of India since there was enough material on record which establishes that he has not been gainfully employed after termination. In support of this argument, he has placed reliance upon the judgement of the Apex Court in the case of ***Bhuvanesh Kumar Dwivedi Vs. M/s. Hindalco Industries Ltd, 2014 (142) FLR 20 (SC)***. Accordingly, it is contended that the writ petition lacks merit and deserves to be dismissed.

23. I have heard learned counsel for the petitioner, respondent no.2 in person and perused the record.

24. The facts which emerge from the record, it is evident that seven charges were leveled against respondent no.2 which have been extracted above. Respondent no.2 denied the charges levelled against him. Consequently, disciplinary authority vide order dated 07.03.1996 appointed Sri O.P. Karnwal as Enquiry Officer, who conducted the enquiry and recorded the testimony of the departmental witnesses. However, later on, he withdrew from the enquiry and Sri Manoj Kumar was nominated as the new Enquiry Officer.

25. After the nomination of the new Enquiry Officer, the petitioner submitted an application before him for further cross-examination of the departmental witnesses. On the application of the petitioner, the Enquiry Officer fixed 19.12.1996, 19.02.1997, 15.05.1997, and 24.10.1997 for cross-examination of Department Witnesses. Respondent no.2 was present on all the dates, but Departmental witnesses did not appear before the Enquiry Officer. The Enquiry Officer fixed 10.08.1998 as the last date and summoned respondent no.2 and the petitioner's Officers who submitted the report, but despite summon, the concerned Officer did not appear. Thereafter, respondent no.2 gave his statement before the Enquiry Officer

denying the charges levelled against him and requested for his reinstatement along with back wages.

26. The Labour Court considered in detail aforesaid facts and held that as respondent no.2 demanded cross-examination of the departmental witnesses, therefore, it was incumbent upon the Enquiry Officer to ensure the presence of the departmental witnesses to enable respondent no.2 to cross-examine them, so that the principle of natural justice may be complied with.

27. The Labour Court found that as the Enquiry Officer did not ensure the presence of departmental witnesses and respondent no.2 has been denied the opportunity to cross-examine them, therefore, there was a violation of the principle of natural justice and the enquiry was vitiated on this ground. The Labour Court further held that Sri Subhash Chandra, Assistant Traffic Inspector in his cross-examination made the following statement:-

" नानू पर जो यात्री उतरा होगा उससे यात्री टिकट लेकर सरधना वाले यात्री को दे दिया गया होगा। यही दशा संख्या 88 के यात्री की भी रही होगी। "

28. Similarly, Sri Vinod Kumar, Assistant Traffic Inspector made the following statement before the Labour Court, which reads:-

"आरोपी ने प्रश्न किया कि यदि टिकट संख्या 788 और 797 यात्रियों के पास पाये गये थे तो उनके टिकट धारी नानू में ही क्यों नहीं उतर गये थे? उत्तर में श्री शर्मा ने बताया कि वह यात्री मेरठ से सरधना के थे उनकी सन्तुष्टि के लिये आरोपी ने उन्हें अपने हस्तलेख में सामुहिक टिकट संख्या 788 दे रखा था जो आरोपी द्वारा पूर्व में बना हुआ टिकट था, आरोपी ने नानू में उतरने वाले किसी यात्री को सम्भवतः या तो टिकट नहीं दिया होगा अथवा यात्री द्वारा फैंका गया टिकट आरोपी ने उठाकर दूसरे यात्रियों को तसल्ली हेतु उन्हें दे दिया होगा।"

29. After considering the aforesaid statements, the Labour Court held that the statements of the investigation team reveal that the statements have been made on surmises and conjectures and there was no material on record in support of the said statement. The Labour Court further held that the investigation team did not record the name and address of any of the passengers who were said to have possessed incomplete tickets, whereas the statement taken by the investigation team from the passengers during the investigation was submitted to the concerned Officer who submitted the investigation report. Consequently, the labour Court held that in the absence of any detail of the passengers and their addresses and placing reliance on the statement of such passengers by the Enquiry Officer also vitiate the enquiry proceeding as they were not produced before the Enquiry Officer to verify as to whether they had given any statement to the spot checking squad.

30. The facts delineated above, clearly reveal that the Labour Court has given elaborate and cogent reasons based upon the appreciation of facts and evidence on record to conclude that the enquiry was vitiated for non-compliance with the principle of natural justice.

31. Learned counsel for the petitioner though vehemently tried to submit that the finding of the Labour Court is perverse and erroneous, but could not demonstrate from the record that the said finding is perverse or erroneous or against any provision of

law. In such view of the fact, since the finding with respect to the violation of the principle of natural justice returned by the labour Court is a finding of fact, therefore, this Court is not inclined to interfere with the same in the exercise of power under Article 226 of the Constitution of India.

32. In respect of the second contention advanced by the learned counsel for the petitioner, noted above, a query was put to the learned counsel for the petitioner to place the application that the department had filed before the Labour Court to produce the documents on record which could prove the charge against the respondent no.2. In response, he submits that no such application was submitted before labour court and the said statement has been made on the basis of averments made in para-16 of the written statement.

33. He submits that no document had been supplied by the Officer of UPSRTC to him which the UPSRTC wanted to file before the Labour Court to demonstrate that the charge against respondent no.2 was proved nor he could place any document from the record that was filed before the labour court by UPSRT which could establish that the charges leveled against the respondent no. 2 were correct. In such view of the fact, the second contention of the learned counsel for the petitioner is misconceived and deserves to be rejected and is hereby rejected. This court is of the view that the judgment of the Apex court in the case of ***(2018) 4 SCC 483 Kurukshetra University Vs. Prithvi Singh*** is distinguishable on facts and does not come in aid to the petitioner.

34. So far as the third submission of the learned counsel for the petitioner about back wages is concerned, this Court may note that the Labour Court while awarding full back wages has not given any reason, but in the facts of the present case, this Court is not inclined to remand the matter as a poor employee has spent his golden years of life in contesting his rightful claim. He succeeded once before this Court and the matter was remanded, thereafter, again he succeeded before the Labour Court in year 2017 and since then more than 5 years have passed, and he has not yet reaped the fruits of the award.

35. It is pertinent to mention that respondent no.2 in para-2 of the written statement has categorically stated that despite his best effort, he could not get any employment, and he is without employment since the date of his termination till date. Para-22 of the objection dated 10.09.2022 appearing on page 92 of the paper book is reproduced herein below: -

"22. यह कि संबंधित श्रमिक अपनी सेवा से पृथक होने की तिथि से आजतक बेरोजगार है और संबंधित श्रमिक ने अपनी बेरोजगारी को समाप्त करने के लिए काफी प्रयास किए, किन्तु उसे कोई नौकरी नहीं मिली।"

36. He again in para-9 (page 106 of the paper book) in his reply dated 22.10.2002 to the objection of UPSRTC has categorically stated that he has not been gainfully employed after his termination. Para-9 is reproduced herein-below:-

"यह कि धारा 16,17,18 का कथन भी गैरकानूनी एवं आधारहीन होने के कारण स्वीकार नहीं है क्योंकि सेवायोजकों ने जांच करके व संबंधित श्रमिक के विरूद्ध आरोपों को सिद्ध करके पूर्ण अवसर ले लिया है और पुनः आरोप सिद्ध करने का अवसर लिया जाना न तो न्यायोचित है और न ही माननीय श्रम न्यायालय को ऐसा कोई क्षेत्राधिकार ही

प्राप्त है। संबंधित श्रमिक सेवा समाप्ति की तिथि से आज तक बेरोजगार है और किसी भी लाभप्रद नियोजन में नहीं है तथा संबंधित श्रमिक अपनी सेवा समाप्ति तिथि से पूर्ण वेतन व अन्य देय लाभों को पाने का पूर्ण रूप से अधिकारी है।"

37. respondent no.2 in his statement before the Labour Court has categorically stated on oath that he has not been gainfully employed after his termination from service. The relevant extract of the statement of respondent no.2 from page 30 of the supplementary counter affidavit is reproduced herein below:

" --- मै सेवा समाप्ति की तिथि से आज तक बेरोजगार हूँ। मैने नौकरी की काफी कोशिश की लेकिन नौकरी कही नही मिली।"

38. Though in the written statement dated **18.10.2002** of the UPSRTC, it has been stated in para-17 that respondent no.2 has been gainfully employed but no evidence was filed by the UPSRTC to prove that respondent no.2 was gainfully employed after termination. It is settled law that once it has been pleaded and stated by the employee that he has not been gainfully employed after his termination, the onus is upon the department to prove that the employee has been gainfully employed after termination, and only then the burden will shift upon the employer to prove that he was not gainfully employed.

39. In this context, it would be apt to refer to the judgement of the Apex Court in the case of **Deepali Gundu Surwase Vs. Kranti Junion Adhyapak Mahavidyalaya, 2013 (139) FLR 541 (SC)** has held as under:

"33. The propositions which can be culled out from the aforementioned judgments are:

i) In cases of wrongful termination of service, reinstatement with continuity of service and back wages is the normal rule.

ii) The aforesaid rule is subject to the rider that while deciding the issue of back wages, the adjudicating authority or the Court may take into consideration the length of service of the employee/workman, the nature of misconduct, if any, found proved against the employee/workman, the financial condition of the employer and similar other factors.

iii) Ordinarily, an employee or workman whose services are terminated and who is desirous of getting back wages is required to either plead or at least make a statement before the adjudicating authority or the Court of first instance that he/she was not gainfully employed or was employed on lesser wages. If the employer wants to avoid payment of full back wages, then it has to plead and also lead cogent evidence to prove that the employee/workman was gainfully employed and was getting wages equal to the wages he/she was drawing prior to the termination of service. This is so because it is settled law that the burden of proof of the existence of a particular fact lies on the person who makes a positive averments about its existence. It is always easier to prove a positive fact than to prove a negative fact. Therefore, once the employee shows that he was not employed, the onus lies on the employer to specifically plead and prove that the employee was gainfully employed and was getting the same or substantially similar emoluments.

iv) The cases in which the Labour Court/Industrial Tribunal exercises power under Section 11-A of the Industrial Disputes Act, 1947 and finds that even though the enquiry held against the employee/workman is consistent with the

rules of natural justice and / or certified standing orders, if any, but holds that the punishment was disproportionate to the misconduct found proved, then it will have the discretion not to award full back wages. However, if the Labour Court/Industrial Tribunal finds that the employee or workman is not at all guilty of any misconduct or that the employer had foisted a false charge, then there will be ample justification for award of full back wages.

v) The cases in which the competent Court or Tribunal finds that the employer has acted in gross violation of the statutory provisions and/or the principles of natural justice or is guilty of victimizing the employee or workman, then the concerned Court or Tribunal will be fully justified in directing payment of full back wages. In such cases, the superior Courts should not exercise power under Article 226 or 136 of the Constitution and interfere with the award passed by the Labour Court, etc., merely because there is a possibility of forming a different opinion on the entitlement of the employee/workman to get full back wages or the employer's obligation to pay the same. The Courts must always be kept in view that in the cases of wrongful / illegal termination of service, the wrongdoer is the employer and sufferer is the employee/workman and there is no justification to give premium to the employer of his wrongdoings by relieving him of the burden to pay to the employee/workman his dues in the form of full back wages.

vi) In a number of cases, the superior Courts have interfered with the award of the primary adjudicatory authority on the premise that finalization of litigation has taken long time ignoring that in majority of cases the parties are not responsible for such delays. Lack of infrastructure and manpower is the principal cause for delay in the disposal of cases. For this the litigants cannot be blamed or penalised. It would amount to grave injustice to an employee or workman if he is denied back wages simply because there is long lapse of time between the termination of his service and finality given to the order of reinstatement. The Courts should bear in mind that in most of these cases, the employer is in an advantageous position vis-à-vis the employee or workman. He can avail the services of best legal brain for prolonging the agony of the sufferer, i.e., the employee or workman, who can ill afford the luxury of spending money on a lawyer with certain amount of fame. Therefore, in such cases it would be prudent to adopt the course suggested in Hindustan Tin Works Private Limited v. Employees of Hindustan Tin Works Private Limited (supra)."

40. From the aforesaid judgement, it is evident that it is settled in law that in case of wrongful termination of service, the reinstatement with continuity of service with back wages is a normal rule. The Apex Court in the said case has further laid down that ordinarily, an employee demanding back wages, is required to either plead or at least make a statement before the adjudicating authority or at the Court of first instance that he was not gainfully employed or was employed on lessor wages. If the employer wants to avoid payment of full back wages, then it has to plead and also lead cogent evidence to prove that the workman was gainfully employed during the period of termination and was drawing wages equal to the wages he was drawing prior to the termination of service.

41. In the instant case, as has been delineated above that a specific case has

been set up by respondent no.2 that he was not employed gainfully anywhere which fact though has been denied in the objection by the UPSRTC, none of its witnesses before the Labour Court have denied the statement of respondent no.2 before Labour Court that he was not gainfully employed and was not drawing any wage which he was getting before the termination. The UPSRTC did not lead any evidence to demonstrate that respondent no.2 was gainfully employed and was getting the same wages as he was getting before the termination.

42. It is settled in law that Court should endeavor to do substantial justice. This court has ample power under Article 226 of the Constitution of India to do substantial justice, and in doing so, it can supplement the reason in support of a finding of a subordinate court if it finds that there is enough material on record that justifies the finding of the subordinate court or tribunal though no reason has been given by the subordinate court or the tribunal ins support of said finding.

43. In the instant case as there was ample material on record that proved that respondent no.2 was not gainfully employed after his termination, therefore, this Court is not inclined to remand the matter on this technical ground before the Labour Court that no reason was assigned by the Labour Court before awarding back wages.

44. In such view of the fact, this Court finds that as it is established on record by respondent no.2 that he was not gainfully employed after his termination, the Labour Court has rightly given full back wages.

45. Thus, the judgment of Apex Court in the case of **Management of Madurantakam Coop. Sugar Mills Ltd. (supra) & Hindustan Motors Ltd. (supra)** on which reliance has been placed by the learned counsel for the petitioner on the point that since the tribunal has not given any reason while awarding back wages vitiates the award are not applicable in the facts of the present case as in those cases, it seems that there was material on record which established that the employees were gainfully employed after termination.

46. Thus, for the reasons given above, the petition lacks merit. It is accordingly **dismissed** and the award of the labour court is affirmed. There shall be no order as to costs.

(2023) 1 ILRA 184
ORIGINAL JURISDICTION
CIVIL SIDE
DATED: ALLAHABAD 17.01.2023

BEFORE

THE HON'BLE SALIL KUMAR RAI, J.

Writ-C No. 3297 of 2020

Adil Khan ...Petitioner
Versus
V.C., A.M.U., Aligarh & Ors.
...Respondents

Counsel for the Petitioner:
Sri Prabhakar Dwivedi, Sri Jitendra Kumar, Sri Mohd Zubair, Nasir Adil, Sri Prashant Rai, Sri Rakesh Pandey, Sr. Advocate

Counsel for the Respondents:
Sri Shashank Shekhar Singh

(A) Civil Law -The Aligarh Muslim University Act, 1921 - Section 13(6) - The Aligarh Muslim University (Amendment) Act, 1981 - Section 36 (B) , Aligarh Muslim University Students Conduct and

Discipline Rules, 1985 - Part VII Rule 9 - no penalty under Rule 7(x) to 7(xiv) shall be imposed without giving the student a reasonable opportunity of hearing - Indian Penal Code, 1860 - Sections 147, 148, 149, 307, 427, 323 and 504 - any decision, whether administrative or quasi-judicial, which prejudicially affects any person and is appealable has to be supported by explicit and clear reasons disclosing proper application of mind and that discretion has been exercised by the decision-maker on relevant grounds and by disregarding extraneous considerations. (Para - 40)

Petitioner expelled from University for a period of five academic sessions - indulged in acts of indiscipline and misconduct - petition pending since 2020 - Order passed without giving any opportunity of hearing - without giving any opportunity to represent against findings and proposal of Disciplinary Committee - order does not record reasons for accepting findings and recommendations of Disciplinary Committee.**(Para - 41, 44)**

HELD:-The Vice-Chancellor's approval of the Disciplinary Committee's report and its proposed punishment were in violation of natural justice and Rules, 1985. The order and resolution passed by the Vice-Chancellor and Executive Council were quashed, allowing petitioner to attend classes and appear in examinations.**(Para - 40,43,45)**

(Delivered by Hon'ble Salil Kumar Rai, J.)

1. A student of B.A.LL.B. in the Aligarh Muslim University (hereinafter referred to as, "University') has approached this Court pleading that he has not been treated fairly by the University while passing an order expelling him from the rolls of the University for a duration of five academic sessions on the charge that he had indulged in acts of indiscipline and misconduct as defined in AMU Students' Conduct and Discipline Rules, 1985 (hereinafter referred to as, "Rules, 1985'). The petitioner pleads violation of the principles of natural justice in the disciplinary proceedings.

2. The facts of the case are that there were differences between two groups of students on the issue of inviting a political leader in the University Campus, as a result of which violent activities disrupting the academic atmosphere in the University took place on the Campus on 12.2.2019. The petitioner is alleged to have participated in the violence. By order dated 13.2.2019, the Proctor of the University suspended the petitioner and three other students including one Farhan Zubairi. The order dated 13.2.2019 notes that one Manish Kumar had filed a complaint to the Proctor stating that two students of the University had abused and physically assaulted him and blamed the petitioner and Farhan Zubairi for the chaos in the campus. The order dated 13.2.2019 also prohibited the petitioner from entering the University Campus. On 14.2.2019, two First Information Reports were registered in relation to incident dated 12.2.2019. F.I.R. No. 61 of 2019 was registered at the instance of one Azim Akhtar, an employee of the University, under Sections 147, 323 and 504 of the Indian Penal Code alleging that the accused named in the F.I.R. along with some unknown persons and political leaders had created disturbances at the administrative building of the University. The other First Information Report numbered as F.I.R. No. 62 of 2019 was registered at the instance of one Dr. Nishit Sharma under Sections 147, 148, 149, 307 and 427 of Indian Penal Code alleging that on 12.2.2019, the accused named in the F.I.R. along with certain unknown persons had physically assaulted the informant and students of the University and had also fired at the vehicle of the informant and had set on fire other vehicles. The petitioner was not named as an accused in either of the F.I.R. A charge-sheet dated 13.7.2019 has been filed in F.I.R. No. 62 of 2019. The petitioner has not been shown as an accused in the charge-sheet though Farhan Zubairi has been noted as an accused in the aforesaid charge-sheet.

3. On 28.2.2019, one Mazhar Siddiqui, an employee of the University, lodged a First Information Report numbered as F.I.R. No. 0089 of 2019 against the petitioner and one Nabil under Sections 307 and 504 of Indian Penal Code alleging that on 28.2.2019, the petitioner along with the co-accused came in the office of the informant and the co-accused fired at the informant by a country-made pistol. It has been alleged in the F.I.R. that the petitioner abused the informant and also instigated the co-accused Nabil to fire at the informant. It has been further stated in the F.I.R. that Nabil Ahmed was apprehended by the informant but the petitioner managed to escape from the spot with the fire-arm. A charge-sheet has been filed against the petitioner in the aforesaid case. The trial in the said criminal case is pending before the concerned court. It has been stated by the petitioner that the charge-sheet filed in F.I.R. No. 0089 of 2019 has been challenged before this Court

under Section 482 Cr.P.C. The proceedings under Section 482 Cr.P.C. pending before this Court are not relevant for the present writ petition and, therefore, the details of the said case are not being narrated in the present judgment.

4. An inquiry report dated 5.3.2019 was submitted by the Proctorial Board of the University stating that, on 12.2.2019, the petitioner had manhandled and abused the university security personnels and members of the Proctorial Team as well as the district officials and had also instigated the students at the administrative block. The report dated 5.3.2019 also holds other students, namely, Imran Khan, Abdul Mabood, Manish Kumar, Pavan Jadon, Aman Sharma, Ajay Singh and Farhan Zubairi responsible for the incidents of 12.2.2019. Subsequently, disciplinary proceedings were instituted against the petitioner and the other students mentioned above and the matter was referred to the Disciplinary Committee for further inquiry.

5. The Disciplinary Committee served a charge-sheet on the petitioner. Charge No. 1 was that the petitioner, along with Farhan Zubairi, had assaulted Ajay Singh, Manish Kumar, Pavan Jadon, Aman Sharma and other students and had also created chaos at the University administrative building turning the situation violent which disrupted the academic environment of the University. The other charge against the petitioner was that he, while still under suspension and campus banned, went to the Department of Computer Science Building on 28.2.2019 and was involved in criminal activities for which F.I.R. No. 0089 of 2019 under Sections 307 and 504 of Indian Penal Code had been registered against him.

6. The petitioner submitted his reply dated 20.3.2019 in which he denied the charge regarding his involvement in the incidents of 12.2.2019 and 28.2.2019. In his reply, the petitioner explained his presence at the Administrative building on 12.2.2019 stating that he had gone there to enquire about his application filed under the Right to Information Act. In his reply, the petitioner stated that there was a conspiracy against him and his family at the instance of one Khillan Sherwani, a contractor with the University, against whom complaints had been made by the father of the petitioner and other teachers residing in the University campus. In his reply, the petitioner demanded the copy of the complaint on which disciplinary proceedings were instituted against him and also video footages and other evidence in support of the charges levelled against him.

7. The documents filed by the University show that because of his illness, the petitioner did not appear before the Disciplinary Committee which submitted its recommendations proposing that Manish Kumar, Aman Sharma, Pavan Jadon, Abdul Mabood, Irshad Khan, Basim Hilal and Farhan Zubairi be fined Rs.2,000/- and be issued a strict warning to be more careful in future and Ajay Singh as well as the petitioner be expelled from the rolls of the University for five academic sessions. However, the Vice-Chancellor remitted back the matter of the petitioner to the Disciplinary Committee for further inquiry because the initial recommendations were made by the Disciplinary Committee without hearing the petitioner.

8. The petitioner subsequently appeared before the Disciplinary Committee and made his oral submissions denying the charges levelled against him.

The minutes of the Disciplinary Committee show that the petitioner pleaded to be treated leniently and at par with Farhan Zubairi. The Disciplinary Committee submitted its report holding that the petitioner was actively involved in the incident of 12.2.2019. In its report, the Disciplinary Committee further recorded that the petitioner disobeyed the order dated 13.2.2019 which had prohibited him from entering the University Campus and was also involved in the incident that happened on 28.2.2019. On the aforesaid findings, the Disciplinary Committee, being of the view that any further condonation of the extremely violent and deviant behaviour of the petitioner would put to severe risk the life and liberty of other students and staff of the University, submitted its findings proposing that the petitioner be expelled from the rolls of the University for a duration of five academic sessions commencing from Session 2018-19 and be debarred from further studies or admission or re-admission in the University for the duration of the aforesaid period and the University as well as Institutions maintained by it be placed out of bound for the petitioner for the period he remains expelled from the University.

9. The proposal of the Disciplinary Committee were approved by the Vice-Chancellor vide his order dated 2.9.2019. The documents produced by the University disclose that the Vice-Chancellor had merely noted his approval of the proposals submitted by the Disciplinary Committee. After approval by the Vice-Chancellor, an order dated 4.9.2019 was issued by the Proctor of the University informing the petitioner about the punishments imposed on him.

10. The petitioner filed an application dated 15.9.2019 before the Proctor seeking certain documents especially the inquiry report dated 5.3.2019, copy of the complaints made to the Proctor regarding the incidents dated 12.2.2019 and 28.2.2019, the video recording and CCTV footages of the incident of 12.2.2019 and also a copy of the report submitted by the Disciplinary Committee. It has been stated in the petition, that the aforesaid documents were required to file an appeal against the orders dated 2.9.2019 and 4.9.2019 but the documents were neither given nor shown to the petitioner.

11. The orders dated 2.9.2019 and 4.9.2019 were challenged by the petitioner in an appeal filed before the Executive Council under Section 36(B) of the Aligarh Muslim University (Amendment) Act, 1981. In his appeal, the petitioner pleaded that the necessary documents to enable him to defend himself were not given to him and he had been wrongly held to be involved in the incidents of 12.2.2019 and 28.2.2019. In his appeal before the Executive Council, the petitioner again requested that he be treated in the same manner as other students, e.g., Farhan Zubairi, implying that in case, the petitioner was found involved in any act of indiscipline, he may be treated leniently as had been done with other students including Farhan Zubairi.

12. The Executive Council vide its resolution dated 14.10.2019 rejected the appeal of the petitioner. The resolution dated 14.10.2019 was communicated to the petitioner by the Proctor of the University vide his letter dated 31.12.2019. The orders dated 4.9.2019 and 31.12.2019 have been challenged in the present writ petition.

13. Before proceeding further, it would be relevant to note that no prayer has

been made in the petition to quash the order dated 2.9.2019 passed by the Vice-Chancellor and the resolution dated 14.10.2019 passed by the Executive Council. However, considering that the order dated 2.9.2019 has been filed by the University and is part of the records of the present case and the resolution dated 14.10.2019 passed by the Executive Council has been *in-verbatim* incorporated in the order dated 31.12.2019 passed by the Proctor and the communications dated 4.9.2019 and 31.12.2019 are only intimations to the petitioner of the order dated 2.9.2019 and the resolution dated 14.10.2019, the Court heard the counsel for the parties on the merits of the order dated 2.9.2019 and the resolution dated 14.10.2019.

14. It was argued by the counsel for the petitioner that despite repeated applications and representations made by the petitioner to the University, the report of the preliminary inquiry, the complaints on which disciplinary action was instituted against the petitioner, the video footage of the incident as well as the statement of any student or official of the University or any other person and any other evidence showing participation of the petitioner in the incidents of 12.2.2019 was not given to the petitioner during the disciplinary proceedings. It was argued that in its report, the Disciplinary Committee has not referred to any statement of any witness having deposed against the petitioner but refers only to the CCTV footage which only shows the presence of the petitioner at the place of incident on 12.2.2019 and does not show participation of the petitioner in any violent activity that took place on 12.2.2019. It was argued that the petitioner was not named in the first information report or as an accused in the charge-sheet filed by the police in relation to the events of 12.2.2019 but many students who have been treated leniently by the University and have been given lighter punishments were named in the two F.I.R. registered in relation to the events of 12.2.2019 and have also been named as accused in the charge-sheets filed in the aforesaid cases. It was argued that the aforesaid fact was not considered either by the Disciplinary Committee or by the Vice-Chancellor and the Executive Council while deciding against the petitioner. It was further argued that the petitioner was not involved in the events of 28.2.2019 and the said charge has been held to be proved against the petitioner only on the ground that a charge-sheet had been served on the petitioner in the criminal case registered in relation to the incident of 28.2.2019. It was argued that the findings regarding the incident dated 28.2.2019 has been recorded without taking the statement of the informant and without giving any opportunity to the petitioner to cross-examine the informant. It was argued that the opinion of the Disciplinary Committee that the petitioner is a habitual offender is based on the findings of the Disciplinary Committee that the petitioner was involved in the incidents of 12.2.2019 which, for reasons stated above, is contrary to law. It was further argued that under Part VII Rule 9 of the Rules, 1985, the petitioner was entitled to an opportunity of hearing by the Vice-Chancellor before the report and recommendations of the Disciplinary Committee was approved by the Vice-Chancellor but the order dated 2.9.2019 was passed by the Vice-Chancellor without giving any opportunity of hearing to the petitioner. It was argued that the petitioner was not provided the report of the Disciplinary Committee and was not given any opportunity to make any representation

to the Vice-Chancellor against the report of the Disciplinary Committee. It was further argued that the order of the Vice-Chancellor reflects a total non-application of mind and is a non-speaking order because the order gives no reasons for approving the proposals of the Disciplinary Committee. It was further argued that in light of the fact that lighter punishment had been awarded to other students found guilty of involvement in the events of 12.2.2019, the petitioner has been treated unfairly by being expelled from the University for five academic sessions and the punishment awarded to the petitioner is disproportionate to the charges levelled against him. It was further argued that the resolution dated 14.10.2019 passed by the Executive Council rejecting the appeal filed by the petitioner also shows a total non-application of mind by the members of the Executive Council. It was further argued that the Vice-Chancellor had participated in the meeting of the Executive Council and, therefore, the decision of the Executive Council rejecting the appeal of the petitioner is vitiated due to bias. It was argued that for the aforesaid reasons, principles of natural justice were violated in the entire disciplinary proceedings held against the petitioner and the impugned order passed by the Vice-Chancellor as well as the resolution of the Executive Council have been passed wihout following the principles of natural justice and are liable to be quashed. In support of his arguments, the counsel for the petitioner has relied on the judgments of this Court reported in ***Syed Ehteshamul Haq vs. Aligarh Muslim University, Aligarh & Ors. 2009 (5) ADJ 444*** and the judgment and order dated 2.12.2019 passed by this Court in ***Writ - C No. 32955 of 2019 (Ajay Singh vs. Union of India & Ors.).***

15. Rebutting the arguments of the counsel for the petitioner, the counsel for the respondent University has argued that the petitioner was given ample opportunity of hearing by the Disciplinary Committee. It was argued that before proposing the punishment awarded to he petitioner, the Disciplinary Committee had considered the reply of the petitioner and the evidence on record. It was argued that the involvement of the petitioner in the incidents of 12.2.2019 was proved by the CCTV footage. It was also argued that the incidents of 28.2.2019 itself shows that the petitioner had violated the order dated 13.2.2019 wherein he was asked not to enter the University premises and the incident shows the indisciplined nature of the petitioner. It was argued that the petitioner had been treated fairly by the Vice-Chancellor which would be evident from the fact that the initial recommendations of the Disciplinary Committee were remitted back to the Disciplinary Committee by the Vice-Chancellor for giving one more opportunity to the petitioner to defend himself. It was argued that there was substantial compliance of the principles of natural justice before passing the impugned orders and no prejudice has been caused to the petitioner in case any aspect of natural justice has not been followed in the process. It was argued that the case of the petitioner is different from other students because the petitioner was a repeat-offender and for the same reason, the punishment awarded to the petitioner is not disproportionate or unreasonable so as to occasion interference by this Court. It was further argued that the present petition relates to disciplinary proceedings and administration of the internal affairs of the University and, therefore, the court may not interfere in the present proceedings especially in light of the fact that the petitioner was involved in criminal

activities. It was argued, in the alternative, that in case, the court finds the impugned orders passed by the Vice-Chancellor and the Executive Council to be bad in law due to violation of the principles of natural justice, it would be appropriate that the matter be remanded back to the Vice-Chancellor or the Executive Council, as the case may be, for appropriate decision in accordance with law but the petitioner may not be reinstated as a student in the University. It was argued that for all the aforesaid reasons, the writ petition lacks merit and is liable to be dismissed. In support of his arguments, the counsel for the respondent has relied on the judgments reported in ***State Bank of Patiala & Ors. vs. S.K. Sharma 1996 (3) SCC 364; Union of India & Ors. vs. Ashok Kumar & Ors. 2005 (8) SCC 760; K.D. Sharma vs SAIL 2008 (12) SCC 481; V.C. Guru Ghasi Das University vs. Craig Macleod 2012 (11) SCC 275; Chairman, LIC vs. A. Masilamani 2013 (6) SCC 530; Lucknow Kshetriya Gramin Bank & Anr. vs. Rajendra Singh 2013 (12) SCC 372; State of U.P. vs. Sudhir Kumar Singh & Ors. (2020) SCC OnLine SC 847; Union of India & Ors. Amar Singh 2007 (12) SCC 621; Haryana Financial Corporation & Anr. vs. Kailash Chandra Ahuja 2008 (9) SCC 31*** and ***the judgment and order dated 23.9.2022 passed in The Inspector of Panchayats & District Collector, Salem vs. S. Arichandran & Ors.***

16. Before proceeding further, it would be appropriate to note that in its counter affidavit, the University had raised a preliminary objection that against the decision of the Executive Council, the petitioner had a statutory remedy under Section 13(6) of the Aligarh Muslim University Act, 1921 before the Visitor of the University but during the arguments, the counsel for the respondent - University did not press the said objections in light of the fact that affidavits in the case had already been exchanged between the parties and the matter was pending before this Court since 2020.

17. I have considered the rival submissions of the counsel for the parties.

18. In ***V.C. Guru Ghasi Das University*** (supra), the Supreme Court observed that maintenance of discipline in the University was important for a conducive academic environment, that the larger interests of the academic community are more central than the individual interests of a student and the courts should be most reluctant to interfere in matters of discipline or in administration of the internal affairs of a University. However, the Supreme Court in ***Chairman, J & K State Board of Education vs. Feyaz Ahmed Malik and Ors. 2000 (3) SCC 59,*** after observing that in matters concerning campus discipline, the duty is primarily vested in the authorities in-charge of the institutions and the court should not substitute their own views in place of the authorities concerned, held that the courts have the power to intervene to correct any error in complying with the provisions of the Rules, Regulations or Notifications and to remedy any manifest injustice being perpetrated on the candidates. Earlier, the Supreme Court had held in ***B.C. Chaturvedi vs. Union of India 1995 (6) SCC 749*** that the courts are concerned with the question as to whether an inquiry on charges of misconduct against a public servant had been held in accordance with the principles of natural justice and whether the concerned individual had received fair treatment. The Supreme Court held that the courts would interfere where the inquiry

was held in a manner inconsistent with the principles of natural justice, or was held in violation of statutory rules or where the conclusion reached by the disciplinary authority was based on no evidence. The Supreme Court further observed that the disciplinary authority was the sole judge of facts in disciplinary matters but the appellate authority had co-extensive power to re-appreciate evidence or nature of punishment. Paragraph nos. 12 and 13 of the judgment containing the observations of the Supreme Court are reproduced below : -

"12. Judicial review is not an appeal from a decision but a review of the manner in which the decision is made. ***Power of judicial review is meant to ensure that the individual receives fair treatment and not to ensure that the conclusion which the authority reaches is necessarily correct in the eye of the court. When an inquiry is conducted on charges of misconduct by a public servant, the Court / Tribunal is concerned to determine whether the inquiry was held by a competent officer or whether rules of natural justice are complied with.*** *Whether the findings or conclusions are based on some evidence, the authority entrusted with the power to hold inquiry has jurisdiction, power and authority to reach a finding of fact or conclusion.* ***But that finding must be based on some evidence.*** *Neither the technical rules of Evidence Act nor of proof of fact or evidence as defined therein, apply to disciplinary proceeding. When the authority accepts that evidence and conclusion receives support therefrom, the disciplinary authority is entitled to hold that the delinquent officer is guilty of the charge.* ***The Court / Tribunal in its power of judicial review does not act as appellate authority to reappreciate the evidence and to arrive at its own independent findings on the evidence. The Court / Tribunal may interfere where the authority held the proceedings against the delinquent officer in a manner inconsistent with the rules of natural justice or in violation of statutory rules prescribing the mode of inquiry or where the conclusion or finding reached by the disciplinary authority is based on no evidence.*** *If the conclusion or finding be such as no reasonable person would have ever reached, the Court / Tribunal may interfere with the conclusion or the finding, and mould the relief so as to make it appropriate to the facts of each case.*

13. ***The disciplinary authority is the sole judge of facts. Where appeal is presented, the appellate authority has coextensive power to reappreciate the evidence or the nature of punishment.*** *In a disciplinary inquiry, the strict proof of legal evidence and findings on that evidence are not relevant. Adequacy of evidence or reliability of evidence cannot be permitted to be canvassed before the Court / Tribunal. In Union of India v. H.C. Goel, this Court held at page 728 that if the conclusion, upon consideration of the evidence, reached by the disciplinary authority, is perverse or suffers from patent error on the face of the record or based on no evidence at all, a writ of certiorari could be issued."*

(emphasis added)

19. The observations of the Supreme Court in ***B.C. Chaturvedi*** (supra) were made in a case relating to disciplinary inquiry against civil servants but the observations regarding powers of the court to interfere in disciplinary proceedings, the requirement to follow the principles of natural justice in disciplinary inquiries and that the findings of the disciplinary bodies should be supported by some evidence, applies to all disciplinary proceedings

including disciplinary proceedings in educational institutions, especially where the allegations against the student are serious and strict and extreme punishment is awarded to the student as the allegations and punishments could adversely affect the career opportunities of the student. In ***Kumaon Mandal Vikas Nigam Ltd. vs. Girja Shankar Pant & Ors. 2001 (1) SCC 182,*** the Supreme Court observed in Paragraph 20 that *''it was a fundamental requirement of law that the doctrine of natural justice be complied with and the same has, as a matter of fact, turned out to be an integral part of administrative jurisprudence of this country.'* At this stage, it would be apt to refer to the observations of the Supreme Court in ***Institute of Chartered Accountants of India vs. L.K. Ratna & Ors. 1986 (4) SCC 537*** made while considering whether a member of Institute of Chartered Accountants charged of misconduct had a right to be heard by the Council of the Institute against the findings of the Disciplinary Committee, which was a standing committee of the Council. The Supreme Court in Paragraph 14 of the judgment observed that *''it is the substance of the matter, the character of the allegations, the far-reaching consequences of a finding against the member, the vesting of responsibility in the governing body itself, all these and kindred considerations enter into the decision of the question whether the law implies a hearing ...'*

20. The allegations against the petitioner are serious. The punishment awarded to him is severe and has far-reaching consequences. The punishment not only deprives the petitioner of his educational opportunities and adversely affects his career but also casts a stigma obstructing his future career. The nature of allegations against the petitioner, the strict and extreme punishment awarded to him and the observations of the Supreme Court referred above persuade the court to reject the plea of the University that the court should decline to exercise its power of judicial review because the matter relates to discipline and administration of internal affairs of the University. The punishment given to the petitioner necessitates an examination by this Court, in exercise of its powers under Article 226, as to whether the disciplinary proceedings against the petitioner were held in a manner consistent with the principles of natural justice and whether the impugned orders passed by the Vice-Chancellor and the Executive Council comply with the relevant statutory provisions and with the general rules of administrative law.

21. At this stage, it would be appropriate to reproduce the statutory provisions relating to discipline in the University and the powers of different authorities / officers of the University to take action against students in cases of indiscipline. Statute 35 of the Statutes of the University relates to maintenance of discipline amongst students of the University. The relevant parts of Statute 35 are reproduced below : -

35. Maintenance of discipline among students of the University -

(1) All powers relating to discipline and disciplinary action in relation to students shall vest in the Vice-Chancellor.

(2) The Vice-Chancellor may delegate all or any of his powers as he deems proper to the Proctor and such other officers as he may specify in this behalf.

(3) ***Without prejudice to the generality of his powers relating to the***

maintenance of discipline and taking such action in the interest of maintaining discipline as may seem to him appropriate, *the Vice-Chancellor may, in the exercise of his powers, by order, direct that any student or students be expelled, or rusticated, for a specified period, or be not admitted to a course or courses of Study in a College, Department or Institution of the University for a stated period, or be punished with fine for an amount to be specified in the order, or debarred from taking a University or College or Departmental Examination or Examinations for one or more years, or that the results of the student or students concerned in the Examination or Examinations in which he or they have appeared be cancelled.*

(4) to (6) xxx

22. The students of the University are governed by Aligarh Muslim University Students Conduct and Discipline Rules, 1985 (Approved by the Academic Council in its meeting held on 6.10.1985)

Part - I

General

(1) to (3) xxx

Part - II

Indiscipline and Misconduct

4. Acts of Indiscipline and Misconduct

Any act of misconduct committed by a student inside or outside the campus shall be an act of violation of discipline of the University. Without prejudice to the generality of the foregoing provision, violations of the discipline shall include:

(i) Disruption of teaching, student examination, research or administrative work, curricular or extra-curricular activity or residential life of the members of the University, including any attempt to prevent any member of the University or its staff from carrying on his or her work; and any act reasonably likely to cause such disruption.

(ii) Damaging or defacing University property or the property of members of the University or any other property inside or outside the University campus.

(iii) Engaging in any attempt at wrongful confinement of teachers, offices, employees and students of the University or camping inside or creating nuisance inside the boundaries of houses of teachers, officers and other members of the University.

(iv) Use of abusive and derogatory slogans or intimidatory language or incitement of hatred and violence or any act calculated to further the same.

(v) to (vi) ...

(vii) An assault upon, or intimidation of, or insulting behaviour towards a teacher, officer, employee or student or any other person.

(viii) to (xxvii) ...

(xxviii) Any other act which may be considered by the Vice-Chancellor or the Discipline Committee to be an act of violation of discipline.

Part - III

Officers authorized to take disciplinary action

5. Without prejudice to the powers of the Vice-Chancellor as specified under Statutes 35(1), (2), (3) of the Statutes, the following persons are authorized to take disciplinary action by way of imposing penalties as specified in part IV of these Regulations;

1. Deans of the Faculties / Dean, Students' Welfare

2. Principals of the Colleges / Institutions

3. Chairmen of the Departments of Studies

4. Proctor

5. Librarian, Maulana Azad Library

6. Provosts of Halls of Residence and N.R.S.C.

7. Secretary, University Games Committee

8. Any other person employed by the University and authorized by the Vice-Chancellor for the purpose.

6. (i) Any penalty enumerated in Rule 7 may be imposed by the Vice-Chancellor upon the recommendation of the Discipline Committee constituted under Ordinances (Academic) Chapter XI.

(ii) Penalties other than those specified in Clause (ix), (x), (xi), (xii) and (xiii) of Rule 7 may also be imposed by any of the Officers enumerated in Rule 5, within their respective jurisdictions.

(iii) Penalties on the offences relating to Examination will be dealt by the relevant bodies.

Part - IV

7. Nature of Penalties:

The following penalties may, for act of indiscipline or misconduct or for sufficient reasons, be imposed on a student, namely:

(i) Written warning and information to the guardian.

(ii) Fine upon Rs. 500/- which may extent upto Rs. 2,500/-.

(iii) Suspension from the Class / Department / College / Hostel / Mess / Library / or availing of any other facility.

(iv) Suspension or cancellation of Scholarships, fellowship or any financial assistance from any source or recommendation to that effect to the sanctioning agency.

(v) Recover of pecuniary loss caused to University Property.

(vi) Debarring from participation in Sports / NCC / NSS and other such activities.

(vii) Disqualifying from holding any representative position in the Class / College / Hostel / Mess / Sports / Clubs and in similar other bodies.

(viii) Hostel shift and Hall shift.

(ix) Sent down.

(x) Expulsion from the Department / Faculty / Hostel / Mess / Library / Club for a specified period.

(xi) Debarring from an examination.

(xii) Issue of Migration Certificate.

(xiii) Expulsion from the University for a Specified Period.

(xiv) Disqualifying from further studies, or prohibition of further admission or re-admission.

8. xxx

9. No penalty, provided in Clause (x), (xi), (xii), (xiii) and (xiv) of Rule 7 shall be imposed without giving the student a reasonable opportunity of being heard.

23. Statute 35 of the Statutes of the University and the Rules, 1985 indicate that the Vice-Chancellor of the University is the final authority to decide on the action to be taken in disciplinary matters. A reading of Rule 6(i) of the Rules, 1985 shows that the power to expel a student from the University for a specified period is to be taken only by the Vice-Chancellor upon the recommendations of the Disciplinary Committee constituted under the Ordinances of the University. Further, no decision expelling a student from the University for a specified period can be imposed without giving the concerned student a reasonable opportunity of being heard.

24. The petitioner has been expelled from the University for five academic sessions on the recommendations of the Disciplinary Committee. The Committee made the recommendations on its finding that the petitioner was a repeat-offender, meaning thereby that he was involved in the events of 12.2.2019 and also 28.2.2019. In its initial recommendations, the Disciplinary Committee recommended that certain students, which included Farhan Zubairi, who incidentally was accused of participating in the events of 12.2.2019 along with the petitioner, be punished with a fine of Rs.2,000/- and be issued a strict warning to be more careful in future. The Disciplinary Committee justifies the extreme penalty for the petitioner on the ground that the petitioner had violated the prohibitory orders restraining him from entering the University Campus and had also subsequently participated in the events of 28.2.2019 and was, therefore, a repeat-offender.

25. The minutes of the Disciplinary Committee do not indicate that any evidence was taken by the Disciplinary Committee to verify the allegations made in complaints filed by any person regarding the events of 12.2.2019 and whether the petitioner was involved in the violence that took place on 12.2.2019. The report of the Disciplinary Committee does not refer to any statement of any witness regarding the participation of the petitioner in the violent incidents that took place on 12.2.2019. The CCTV footage referred by the Disciplinary Committee to support its findings regarding participation of the petitioner in the incidents of 12.2.2019 only shows that the petitioner was involved in some arguments with certain persons which could include the officers of the University or other group of students. The fact that the petitioner was involved in arguments with officials of the University would not be sufficient to conclude that the petitioner was also involved in the violence that erupted subsequently. In case, the Disciplinary Committee relied on the statement of any witness or any report by any authority implicating the petitioner in the violent incidents, such statements had to be referred in its report and had to be supplied to the petitioner to enable him to rebut the allegations regarding his involvement in the activities as contained in the statement of the witness or in the report. It is the case of the petitioner that neither the copy of the complaint nor the statement of any witness, nor even the CCTV footage was given to him at any stage. It is not the case of the University that the circumstances were such that identity of the witness could not be disclosed or the confidentiality of the reports available against the petitioner had to be maintained. In its report, the Disciplinary Committee only narrates the incidents and mechanically, without assessment of any evidence, holds the petitioner to be guilty of participating in violent activities disrupting the academic environment of the University. It is interesting to note that the report of the Disciplinary Committee does not indicate that even the statement of Manish Kumar who had filed the complaint regarding the incidents of 12.2.2019 or the statement of the informants of F.I.R. No. 61 of 2019 and F.I.R. No. 62 of 2019 were recorded by the Disciplinary Committee. The findings of the Disciplinary Committee regarding the involvement of the petitioner in the incidents of 12.2.2019 is not supported by any evidence on record.

26. Similarly, even though the petitioner has been charge-sheeted in the criminal case registered on the incident of

28.2.2019, but the Disciplinary Committee has recommended disciplinary action against the petitioner not on ground that he was charge-sheeted in the aforesaid criminal case but ostensibly on the basis of an independent inquiry having been held by the Disciplinary Committee. The report of the Disciplinary Committee does not indicate that any employee of the University had testified against the petitioner and, in case, any statement or complaint was made by any employee of the University, a copy of the same was supplied to the petitioner. The findings of the Disciplinary Committee regarding participation of the petitioner in the incident dated 28.2.2019 is also not supported by any evidence on record.

27. A reading of the report of the Disciplinary Committee gives the impression that the Committee has treated the charges against the petitioner as evidence of his misconduct and indiscipline. It appears that the nature of the incidents that took place on the University Campus on 12.2.2019 prevailed upon the members of the Disciplinary Committee to recommend a severe punishment to the petitioner. The findings of the Disciplinary Committee regarding participation of the petitioner in the violence that took place on the campus are based on no legal evidence and the report of the Committee suffers from the infirmity of non-application of mind and stands vitiated.

28. The order dated 2.9.2019 passed by the Vice-Chancellor approving the recommendations of the Disciplinary Committee merely records its approval of the recommendations submitted by the Committee. The petitioner was, admittedly, not given any opportunity of hearing by the Vice-Chancellor before passing the order dated 2.9.2019. It is also apparent from the pleadings of the parties that the report of the Disciplinary Committee was not supplied to the petitioner to enable him to rebut the findings recorded by the Disciplinary Committee.

29. As noted earlier, under the Statutes of the University and the Rules, 1985, the final authority to take disciplinary action against the students of the University vests in the Vice-Chancellor. Further, as noted earlier, any punishment expelling the student from the University for a specified period can be taken only by the Vice-Chancellor though the Vice-Chancellor would take such an action on the recommendations of the Disciplinary Committee. The disciplinary proceedings against a student do not end when the Disciplinary Committee submits its recommendations / report to the Vice-Chancellor. The Vice-Chancellor is not bound by the recommendations of the Disciplinary Committee and is expected to apply his independent mind while taking a decision on the recommendations of the Disciplinary Committee. The Vice-Chancellor may agree or disagree with the report of the Disciplinary Committee. The Vice-Chancellor may agree or disagree with both the findings and the recommendations of the Disciplinary Committee or it may agree with the findings of the Committee but may still disagree with its recommendations regarding punishment to be given to the student. The disciplinary proceedings come to an end only after the Vice-Chancellor passes an order on the recommendations of the Disciplinary Committee - either exonerating the student or awarding any punishment as specified in Rule 7 of the Rules, 1985.

30. Rule 9 of the Rules, 1985 provides that no penalty under Rule 7(x) to 7(xiv) shall be imposed without giving the student a reasonable opportunity of hearing. The punishment imposed on the petitioner is under Rule 7(xiii). A "reasonable opportunity of hearing' requires that the person who is proposed to be punished should know the materials on which the competent authority is to take a decision against him. Under the Rules, 1985, the Vice-Chancellor, as a final judge of facts and of the punishment to be awarded to the student, would take a decision on the report of the Disciplinary Committee. In the circumstances, the concerned student should have the opportunity to demonstrate the fallibility in the conclusions of the Disciplinary Committee and its recommendations against him. The said right can be availed by the student only if the report of the Disciplinary Committee and the records on which the Disciplinary Committee relies to support its findings is given to the concerned student and the student is given an opportunity to represent against the report. In this context, it would be appropriate to refer to the observations of the Supreme Court in Paragraph nos. 26 and 27 of its judgment reported in ***Managing Director, ECIL, Hyderabad & Ors. vs. B. Karunakar & Ors. 1993 (4) SCC 727 :*** -

"26. The reason why the right to receive the report of the enquiry officer is considered an essential part of the reasonable opportunity at the first stage and also a principle of natural justice is that the findings recorded by the enquiry officer form an important material before the disciplinary authority which along with the evidence is taken into consideration by it to come to its conclusions. *It is difficult to say in advance, to what extent the said findings including the punishment, if any, recommended in the report would influence the disciplinary authority while drawing its conclusions. The findings further might have been recorded without considering the relevant evidence on record, or by misconstruing it or unsupported by it.* ***If such a finding is to be one of the documents to be considered by the disciplinary authority, the principles of natural justice require that the employee should have a fair opportunity to meet, explain and controvert it before he is condemned. It is negation of the tenets of justice and a denial of fair opportunity to the employee to consider the findings recorded by a third party like the enquiry officer without giving the employee an opportunity to reply to it.*** *Although it is true that the disciplinary authority is supposed to arrive at its own findings on the basis of the evidence recorded in the inquiry, it is also equally true that the disciplinary authority takes into consideration the findings recorded by the enquiry officer along with the evidence on record. In the circumstances, the findings of the enquiry officer do constitute an important material before the disciplinary authority which is likely to influence its conclusions. If the enquiry officer were only to record the evidence and forward the same to the disciplinary authority, that would not constitute any additional material before the disciplinary authority of which the delinquent employee has no knowledge. However, when the enquiry officer goes further and records his findings, as stated above, which may or may not be based on the evidence on record or are contrary to the same or in ignorance of it, such findings are an additional material unknown to the*

employee but are taken into consideration by the disciplinary authority while arriving at its conclusions. ***Both the dictates of the reasonable opportunity as well as the principles of natural justice, therefore, require that before the disciplinary authority comes to its own conclusions, the delinquent employee should have an opportunity to reply to the enquiry officer's findings. The disciplinary authority is then required to consider the evidence, the report of the enquiry officer and the representation of the employee against it.***

27. ***It will thus be seen that where the enquiry officer is other than the disciplinary authority, the disciplinary proceedings break into two stages. The first stage ends when the disciplinary authority arrives at its conclusions on the basis of the evidence, enquiry officer's report and the delinquent employee's reply to it.*** *The second stage begins when the disciplinary authority decides to impose penalty on the basis of its conclusions. If the disciplinary authority decides to drop the disciplinary proceedings, the second stage is not even reached.* ***The employee's right to receive the report is thus, a part of the reasonable opportunity of defending himself in the first stage of the inquiry. If this right is denied to him, he is in effect denied the right to defend himself and to prove his innocence in the disciplinary proceedings."*** (emphasis added)

31. Though the aforesaid observations of the Supreme Court were made in a case relating to departmental inquiry against civil servants but the same apply in any disciplinary proceedings as they define the contours of the principles of natural justice and "reasonable opportunity'.

32. It has been stated in the petition that the petitioner was not given any opportunity to represent either against the recommendations of the Disciplinary Committee or its findings, the report of the Committee was not supplied to the petitioner and the petitioner was not given any hearing by the Vice-Chancellor. It is not the case of the University that the petitioner was given a personal hearing by the Vice-Chancellor or any opportunity to represent against the recommendations and findings of the Disciplinary Committee or that the report and the recommendations of the Disciplinary Committee had been supplied to the petitioner before the Vice-Chancellor had approved the recommendations of the Disciplinary Committee against the petitioner.

33. In the present case, an opportunity of hearing to the petitioner by the Vice-Chancellor was also necessary to enable the petitioner to make an attempt to persuade the Vice-Chancellor not to accept the recommendations of the Disciplinary Committee, at least, regarding the punishment proposed against him, and that be treated leniently considering that other students who were also charged for indiscipline and for being involved in the incidents that occurred on 12.2.2019 were awarded lighter punishment by the University. Evidently, the order dated 2.9.2019 has been passed in violation of the principles of natural justice and Rule 9 of the Rules, 1985.

34. No reasons have been given by the Vice-Chancellor in his order dated 2.9.2019 approving the recommendations of the Disciplinary Committee. It was argued by the counsel for the University that no reasons were required to be given because the Vice-Chancellor agreed with the recommendations of the Disciplinary Committee. The said contention cannot be

accepted. As noted earlier, it is the Vice-Chancellor who is the final disciplinary authority and he is not bound by the recommendations of the Disciplinary Committee. The recommendations of the Disciplinary Committee are only in the nature of a proposal to the Vice-Chancellor. The Vice-Chancellor, whether he agrees or disagrees with the findings and recommendations of the Disciplinary Committee, is not expected to act mechanically and without any application of mind. The principle of fairness demands that every order having adverse civil consequences on the subject of the order must be supported by reasons disclosing application of mind by the decision-maker, whether such a decision is purely administrative or quasi-judicial.

35. In ***M/s. Travancore Rayon Ltd. vs. Union of India 1969 (3) SCC 868,*** the Supreme Court held that it was an unsatisfactory method of disposal of a case if the order does not disclose the points of consideration and the reasons for rejecting them. It was held by the Supreme Court that disclosure of reasons in support of any order was necessary to enable the aggrieved party to demonstrate that the reasons which persuaded the authority to reject his case were erroneous and further, the obligation to record reasons operates as a deterrent against possible arbitrary action by the executive authority. The observations of the Supreme Court in Paragraphs 9, 10 and 11 of the judgment are reproduced below:-

"9. In a later judgment Bhagat Raja v. The Union of India and Others, the Constitution Bench of this Court in effect overruled the judgment of the majority in Madhya Pradesh Industries Ltd's case. The Court held that the decisions of tribunals in India are subject to the supervisory powers of the High Court under Article 227 of the Constitution and of appellate powers of this Court under Article 136. ***The High Court and this Court would be placed under a great disadvantage if no reasons are given and the revision is dismissed by the use of the single word 'rejected' or 'dismissed'.*** *The Court in that case held that the order of the Central Government in appeal, did not set out any reasons of its own and on that account set aside that order. In our view, the majority judgment of this Court in Madhya Pradesh Industries Ltd's case has been overruled by this Court in Bhagat Raja's case.*

10. In later decisions of this Court it was held that where the Central Government exercising power in revision gives no reasons, the order will be regarded as void; see State of Madhya Pradesh and Another v. Seth Narsinghdas Jankidas Mehta; The State of Gujarat v. Patel Raghav Natha and Others; and Prag Das Umar Vaishya v. The Union of India and Others.

11. In this case the communication from the Central Government gave no reasons in support of the order; the appellant Company is merely intimated thereby that the Government of India did not see any reasons to interfere "with the order in appeal". The communication does not disclose the "points" which were considered, and the reasons for rejecting them. This is a totally unsatisfactory method of disposal of a case in exercise of the judicial power vested in the Central Government. ***Necessity to give sufficient reasons which disclose proper appreciation of the problem to be solved, and the mental process by which the conclusion is reached, in cases where a non-judicial authority exercises judicial functions, is obvious. When judicial power***

is exercised by an authority normally performing executive or administrative functions, this Court would require to be satisfied that the decision has been reached after due consideration of the merits of the dispute, uninfluenced by extraneous considerations of policy or expediency. The Court insists upon disclosure of reasons in support of the order on two grounds : one, that the party aggrieved in a proceeding before the High Court or this Court has the opportunity to demonstrate that the reasons which persuaded the authority to reject his case were erroneous; the other, that the obligation to record reasons operates as a deterrent against possible arbitrary action by the executive authority invested with the judicial power."

(emphasis added)

36. Subsequently, the Supreme Court in ***Messrs. Mahabir Prasad Santosh Kumar vs. State of U.P. & Others 1970 (1) SCC 764*** observed that orders which prima facie seriously prejudice the rights of the aggrieved party without giving reasons negate the rule of law. The Supreme Court observed as follows : -

"6. From the materials on the record it cannot be determined as to who considered the appeal addressed to the State Government, and what was considered by the authority exercising power on behalf of the State Government. ***The practice of the executive authority dismissing statutory appeals against orders which prima facie seriously prejudice the rights of the aggrieved party without giving reasons is a negation of the rule of law.*** *This Court had occasion to protest against this practice in several decisions : see Madhya Pradesh Industries Ltd. v. Union of India & Others (per Subba Rao, J.,); Bhagat Raja v. Union of India and Others; State of Madhya Pradesh and Another v. Seth Narsinghdas Jankidas Mehta; The State of Gujarat v. Patel Raghav Natha and Others; and Prag Das Umar Vaishya v. The Union of India and Others. The power of the District Magistrate was quasi-judicial : exercise of the power of the State Government was subject to the supervisory power of the High Court under Article 227 of the Constitution and of the appellate power of this Court under Article 136 of the Constitution.* ***The High Court and this Court would be placed under a great disadvantage if no reasons are given, and the appeal is dismissed without recording and communicating any reasons.***

7. Opportunity to a party interested in the dispute to present his case on questions of law as well as fact, ascertainment of facts from materials before the Tribunal after disclosing the materials to the party against whom it is intended to use them, and adjudication by a reasoned judgment upon a finding of the facts in controversy and application of the law to the facts found, are attributes of even a quasi-judicial determination. ***It must appear not merely that the authority entrusted with quasi-judicial authority has reached a conclusion on the problem before him : it must appear that he has reached a conclusion which is according to law and just, and for ensuring that end he must record the ultimate mental process leading from the dispute to its solution. Satisfactory decision of a disputed claim may be reached only if it be supported by the most cogent reasons that appeal to the authority. Recording of reasons in support of a decision on a disputed claim by a quasi-judicial authority ensures that the decision is reached according to law and is not the***

result of caprice, whim or fancy or reached on grounds of policy or expediency. *A party to the dispute is ordinarily entitled to know the grounds on which the authority has rejected his claim.* ***If the order is subject to appeal, the necessity to record reasons is greater, for without recorded reasons the appellate authority has no material on which it may determine whether the facts were properly ascertained, the relevant law was correctly applied and the decision was just."***

(emphasis added)

37. In ***The Siemens Engineering & Manufacturing Co. of India Ltd. vs. The Union of India & Anr. 1976 (2) SCC 981***, the Supreme Court deprecated the tendency of quasi-judicial authorities not to give reasons for their order and observed that administrative authorities should accord fair and proper hearing to the persons sought to be affected by their orders and give sufficiently clear and explicit reasons in support of the orders made by them. The observations of the Supreme Court in Paragraph 6 of the judgment reported in ***The Siemens Engineering (supra)*** are reproduced below : -

"6. Before we part with this appeal, we must express our regret at the manner in which the Assistant Collector, the Collector and the Government of India disposed of the proceedings before them. It is incontrovertible that the proceedings before the Assistant Collector arising from the notices demanding differential duty were quasi-judicial proceedings and so also were the proceedings in revision before the Collector and the Government of India. Indeed, this was not disputed by the learned counsel appearing on behalf of the respondents. ***It is now settled law that where an authority makes an order in exercise of a quasi-judicial function, it must record its reasons in support of the order it makes. Every quasi-judicial order must be supported by reasons.*** *That has been laid down by a long line of decisions of this Court ending with N.M. Desai v. Testeels Ltd. But unfortunately, the Assistant Collector did not choose to give any reasons in support of the order made by him confirming the demand for differential duty. This was in plain disregard of the requirement of law. The Collector in revision did give some sort of reason but it was hardly satisfactory. He did not deal in his order with the arguments advanced by the appellants in their representation dated December 8, 1961 which were repeated in the subsequent representation dated June 4, 1965. It is not suggested that the Collector should have made an elaborate order discussing the arguments of the appellants in the manner of a court of law. But the order of the Collector could have been a little more explicit and articulate so as to lend assurance that the case of the appellants had been properly considered by him. If courts of law are to be replaced by administrative authorities and tribunals, as indeed, in some kinds of cases, with the proliferation of Administrative Law, they may have to be so replaced,* ***it is essential that administrative authorities and tribunals should accord fair and proper hearing to the persons sought to be affected by their orders and give sufficiently clear and explicit reasons in support of the orders made by them. Then alone administrative authorities and tribunals exercising quasi-judicial function will be able to justify their existence and carry credibility with the people by inspiring confidence in the adjudicatory process. The rule requiring reasons to be given in support of an order***

is, like the principle of audi alteram partem, a basic principle of natural justice which must inform every quasi-judicial process and this rule must be observed in its proper spirit and mere pretence of compliance with it would not satisfy the requirement of law. *The Government of India also failed to give any reasons in support of its order rejecting the revision application. But we may presume that in rejecting the revision application, it adopted the same reason which prevailed with the Collector. The reason given by the Collector was, as already pointed out, hardly satisfactory and it would, therefore, have been better if the Government of India had given proper and adequate reasons dealing with the arguments advanced on behalf of the appellants while rejecting the revision application. We hope and trust that in future the customs authorities will be more careful in adjudicating upon the proceedings which come before them and pass properly reasoned orders, so that those who are affected by such orders are assured that their case has received proper consideration at the hands of the customs authorities and the validity of the adjudication made by the customs authorities can also be satisfactorily tested in a superior tribunal or court. In fact, it would be desirable that in cases arising under customs and excise laws an independent quasi-judicial tribunal, like the Income-tax Appellate Tribunal or the Foreign Exchange Regulation Appellate Board, is set up which would finally dispose of appeals and revision applications under these laws instead of leaving the determination of such appeals and revision applications to the Government of India. An independent quasi-judicial tribunal would definitely inspire greater confidence in the public mind."*

38. Recently, in ***Kranti Associates Private Limited & Anr. vs. Masood Ahmed Khan & Ors. 2010 (9) SCC 496,*** after referring to the previous judicial precedents on the necessity to give reasons observed that even administrative decisions should record reasons if the decision affects anyone prejudicially. The Supreme Court summarized the law in paragraph 47 of its judgment which is reproduced below :-

"47. Summarizing the above discussion, this Court holds:

(a) ***In India the judicial trend has always been to record reasons, even in administrative decisions, if such decisions affect anyone prejudicially.***

(b) A quasi-judicial authority must record reasons in support of its conclusions.

(c) ***Insistence on recording of reasons is meant to serve the wider principle of justice that justice must not only be done it must also appear to be done as well.***

(d) ***Recording of reasons also operates as a valid restraint on any possible arbitrary exercise of judicial and quasi-judicial or even administrative power.***

(e) ***Reasons reassure that discretion has been exercised by the decision-maker on relevant grounds and by disregarding extraneous considerations.***

(f) Reasons have virtually become as indispensable a component of a decision-making process as observing principles of natural justice by judicial, quasi-judicial and even by administrative bodies.

(g) ***Reasons facilitate the process of judicial review by superior courts.***

(h) The ongoing judicial trend in all countries committed to rule of law and

constitutional governance is in favour of reasoned decisions based on relevant facts. This is virtually the life blood of judicial decision-making justifying the principle that reason is the soul of justice.

(i) Judicial or even quasi-judicial opinions these days can be as different as the judges and authorities who deliver them. All these decisions serve one common purpose which is to demonstrate by reason that the relevant factors have been objectively considered. This is important for sustaining the litigants' faith in the justice delivery system.

(j) Insistence on reason is a requirement for both judicial accountability and transparency.

(k) If a judge or a quasi-judicial authority is not candid enough about his/her decision-making process then it is impossible to know whether the person deciding is faithful to the doctrine of precedent or to principles of incrementalism.

(l) ***Reasons in support of decisions must be cogent, clear and succinct. A pretence of reasons or "rubber-stamp reasons" is not to be equated with a valid decision-making process.***

(m) It cannot be doubted that transparency is the sine qua non of restraint on abuse of judicial powers. Transparency in decision-making not only makes the judges and decision-makers less prone to errors but also makes them subject to broader scrutiny. (See David Shapiro in Defence of Judicial Candor).

(n) ***Since the requirement to record reasons emanates from the broad doctrine of fairness in decision-making, the said requirement is now virtually a component of human rights and was considered part of Strasbourg Jurisprudence.*** *See Ruiz Torija v. Spain EHRR, at 562 para 29 and Anya v. University of Oxford, wherein the Court referred to Article 6 of the European Convention of Human Rights which requires, "adequate and intelligent reasons must be given for judicial decisions".*

(o) In all common law jurisdictions judgments play a vital role in setting up precedents for the future. Therefore, for development of law, requirement of giving reasons for the decision is of the essence and is virtually a part of "Due Process"."

(emphasis added)

39. The order of the Vice-Chancellor was subject to appeal before the Executive Council and, therefore, it was incumbent on the Vice-Chancellor to give reasons for his order approving the recommendations of the Disciplinary Committee. It was observed by the Supreme Court in Paragraph 37 of ***Oryx Fisheries Private Limited vs. Union of India & Others 2010 (13) SCC 427*** as follows : -

"37. Therefore, the bias of the third respondent which was latent in the show-cause notice became patent in the order of cancellation of the registration certificate. The cancellation order quotes the show-cause notice and is a non-speaking one and is virtually no order in the eye of law. ***Since the same order is an appealable one it is incumbent on the third respondent to give adequate reasons."***

40. A reading of the judgments of the Supreme Court referred above show that any decision, whether administrative or quasi-judicial, which prejudicially affects any person and is appealable has to be supported by explicit and clear reasons disclosing proper application of mind and

that discretion has been exercised by the decision-maker on relevant grounds and by disregarding extraneous considerations. The order of the Vice-Chancellor clearly fails the aforesaid tests. A mere noting of approval on the report of the Disciplinary Committee does not disclose any application of mind by the Vice-Chancellor either to the findings of the Disciplinary Committee or its proposal regarding the punishment to be imposed on the petitioner.

41. The order dated 2.9.2019 has been passed without giving any opportunity of hearing to the petitioner and without giving any opportunity to the petitioner to represent against the findings and proposal of the Disciplinary Committee. The order does not record reasons for accepting the findings and recommendations of the Disciplinary Committee. Evidently, the order dated 2.9.2019 has been passed without complying with the requirements of natural justice. The order also violates Rule 9 of the Rules, 1985.

42. Even the Executive Council in its decision dated 14.10.2019 has only mechanically reproduced the recommendations and the report of the Disciplinary Committee. The appeal filed by the petitioner against the order of the Vice-Chancellor has been dismissed by the Executive Council without recording any reasons. The resolution passed by the Executive Council of the University dismissing the appeal filed by the petitioner also reveals a total non-application of mind.

43. It is evident that the entire disciplinary proceedings against the petitioner culminating in the order of the Vice-Chancellor and the resolution of the Executive Council are in violation of the principles of natural justice and also contrary to Rules, 1985. For the said reasons, the entire disciplinary proceedings against the petitioner including the orders of the Vice-Chancellor and the Executive Council are liable to be quashed.

44. It is true, as argued by the counsel for the University, that in cases where the orders passed in departmental inquiries or disciplinary proceedings are quashed for violation of the principles of natural justice, the course normally adopted by the Courts is to remit back the matter to the concerned authority to pass fresh orders after following the principles of natural justice. In the present case, the petitioner has been expelled from the University for a period of five academic sessions starting from the academic session 2018-19. The petition was pending before this Court since 2020. The petitioner has already remained under expulsion for more than four years because of orders which, as noted earlier, have been passed without following the principles of natural justice. In the circumstances, it would not be equitable or just to remand back the matter to the University authorities to hold a fresh inquiry in accordance with the principles of natural justice or to the Vice-Chancellor to pass a reasoned order after giving an opportunity of hearing to the petitioner.

45. In view of the aforesaid, the order dated 2.9.2019 passed by the Vice-Chancellor and the resolution dated 14.10.2019 passed by the Executive Council are, hereby, quashed. Consequently, the intimations dated 4.9.2019 and 31.12.2019 to the petitioner of the order dated 2.9.2019 and resolution 14.10.2019 also stand quashed.

46. The Aligarh Muslim Univeristy, Aligarh and its officers shall allow the

petitioner to attend his classes in the University and appear in the examinations. The petitioner shall be permitted to appear in the examinations of B.A.LL.B five year course. In case, the period prescribed by the relevant Rules of the University to complete the B.A.LL.B. five year course are to expire before the petitioner gets the opportunity to appear in regular examinations, the University shall hold special examinations for the semesters in which the petitioner could not appear because of his remaining under suspension or under expulsion from the University.

47. With the aforesaid directions, the writ petition is ***allowed***.

48. Let this order be communicated to the Vice-Chancellor, Aligarh Muslim University, Aligarh by the Registrar (Compliance) within 48 hours.

(Delivered by Hon'ble Umesh Chandra Sharma, J.)

1. This writ petition has been instituted by the petitioner-arm licence holder to quash the arm licence cancellation order dated 17.02.1999 passed by the District Magistrate, Ghazipur/Licencing Authority and order dated 06.01.2004 passed by the Appellate Authority/Commissioner, Varanasi Region, Varanasi confirming the cancellation order.

2. In brief, facts of the case are that the petitioner is the resident of Village Jamuaon, Post Office Barsara, Police Station Karanda, District Ghazipur. He is a reputed person of his locality and he also possesses an arm licence of SBBL as Licence No.303/P/11 (SBBL No.15868). One Mithai Lal, active member of the naxali organization namely Bhartiya Communist Party (Male), Block Prabhari of the said organization, on 24.02.1997 lodged an FIR against the petitioner including six other persons. He wanted to spread the effect and influence of his organization in the concerned area to grab some property of the State Government with the help of other active members of the said organization, as a result, the villagers of the petitioner's village made an application before the revenue authorities as well as police authorities also and when he did not succeed in his purpose, he lodged the alleged FIR on the vexatious ground, however, there was no any specific role of the petitioner as mentioned in the alleged FIR. The FIR was lodged in Case Crime No.26 of 1997, under Sections 147, 148, 149, 323, 342, 504, 506 IPC in which SHO, Karanda submitted report dated 28.10.1997 to respondent no.3 for cancellation of the licence of the petitioner. After receiving the report dated 28.10.1997, the respondent no.3 issued a show cause notice on 05.11.1997 (annexure no.2) to the petitioner directing him to appear before him on 02.12.1997 and explain as to why his licence may not be cancelled. The petitioner appeared before the respondent no.3 and submitted his reply on 20.04.1998 mentioning therein that he neither has criminal antecedent nor has committed any such offence as alleged and only on the political pressure, the FIR has been lodged on the false and vexatious grounds. It was also mentioned in the reply that no person of his village has lodged any FIR regarding the alleged incident and no such offence took place in the village but afterthought for mounting pressure on the reputed persons of the said area, the aforesaid FIR was lodged by the active member of naxali organization. However, without applying his judicial mind and on the ground of said FIR and police report, the respondent no.3 cancelled the arm licence issued to the petitioner vide order dated 17.02.1999 (annexure no.3 to the writ petition).

3. Being aggrieved by the order dated 17.02.1999, the petitioner filed an appeal under Section 18 of the Arms Act before respondent no.2 on 15.03.1999 praying for setting aside the order dated 17.02.1999. After hearing the matter, the respondent no.2, Commissioner, Varanasi Region, Varanasi, dismissed the appeal vide

judgment and order dated 06.01.2004 (annexure no.5).

4. The dispute as alleged in the FIR is that number of persons have beaten the informant by kick and foot and also tried to burn him but neither any injury report nor any medical examination report was produced by the informant till date. Further in the FIR, the petitioner has been assigned the role of beating the informant with lathi and danda and by kick and foot but there is no mention of use of arms at all. The informant is not the resident of the same village and there is no explanation about the presence of the petitioner at the place of occurrence and neither any person of that village lodged an FIR/complaint against the petitioner nor has given any statement before the police or the Magistrate. The village of the petitioner falls within the naxali affected area and on every day unsocial elements as well as members of the naxali organization try to attack and threaten the villagers and threatening letters of the naxali organization have also been received by number of villagers. Even then the respondents without considering the relevant facts cancelled the arm license of the petitioner. The petitioner neither possessed nor used his arm at the time of the alleged incident and in number of decisions of Hon'ble Supreme Court and this Court, it is settled law that if the arm/gun is not used in the incident, no question would arise to cancel the arm licence.

5. On the aforesaid grounds, it has been contended that the both the impugned orders are wholly illegal, mala fide and not sustainable in the eyes of law, and they must be quashed.

6. No counter affidavit has been filed by the respondents. However, a supplementary affidavit has been filed by the petitioner bearing no.139886 of 2006 annexing certified copy of the Case No.959 of 1997 (State Vs. Shiv Singh and others) wherein he has reiterated the contents of the petition. Perusal of the order-sheet of aforesaid revealed that till the date of filing only one witness has been examined.

7. Section 17 of the Arms Act is as under:

"17. Variation, suspension and revocation of licences.--

(1) The licensing authority may vary the conditions subject to which a licence has been granted except such of them as have been prescribed and may for that purpose require the licence-holder by notice in writing to deliver-up the licence to it within such time as may be specified in the notice.

(2) The licensing authority may, on the application of the holder of a licence, also vary the conditions of the licence except such of them as have been prescribed.

(3) The licensing authority may by order in writing suspend a licence for such period as it thinks fit or revoke a licence--

(a) if the licensing authority is satisfied that the holder of the licence is prohibited by this Act or by any other law for the time being in force, from acquiring, having in his possession or carrying any arms or ammunition, or is of unsound mind, or is for any reason unfit for a licence under this Act; or

(b) if the licensing authority deems it necessary for the security of the public peace or for public safety to suspend or revoke the licence; or

(c) if the licence was obtained by the suppression of material information or on the basis of wrong information provided

by the holder of the licence or any other person on his behalf at the time of applying for it; or

(d) if any of the conditions of the licence has been contravened; or

(e) if the holder of the licence has failed to comply with a notice under sub-section (1) requiring him to deliver-up the licence.

(4) The licensing authority may also revoke a licence on the application of the holder thereof.

(5) Where the licensing authority makes an order varying a licence under sub-section (1) or an order suspending or revoking a licence under sub-section (3), it shall record in writing the reasons therefor and furnish to the holder of the licence on demand a brief statement of the same unless in any case the licensing authority is of the opinion that it will not be in the public interest to furnish such statement.

(6) The authority to whom the licensing authority is subordinate may by order in writing suspend or revoke a licence on any ground on which it may be suspended or revoked by the licensing authority; and the foregoing provisions of this section shall, as far as may be, apply in relation to the suspension or revocation of a licence by such authority.

(7) A court convicting the holder of a licence of any offence under this Act or the rules made thereunder may also suspend or revoke the licence: Provided that if the conviction is set aside on appeal or otherwise, the suspension or revocation shall become void.

(8) An order of suspension or revocation under sub-section (7) may also be made by an appellate court or by the High Court when exercising its powers of revision.

(9) The Central Government may, by order in the Official Gazette, suspend or revoke or direct any licensing authority to suspend or revoke all or any licences granted under this Act throughout India or any part thereof.

(10) On the suspension or revocation of a licence under this section the holder thereof shall without delay surrender the licence to the authority by whom it has been suspended or revoked or to such other authority as may be specified in this behalf in the order of suspension or revocation."

8. It would be proper to see the case in view of the cases decided by the Courts of Records on the point. Hence some relevant cases are referred and discussed to reach at the correct conclusion.

9. In **Ram Prasad Vs. Commissioner and others, 2020 0 Supreme (All) 104,** District Magistrate cancelled the arms license on the basis of pendency of criminal cases against the petitioner. Petitioner was later on acquitted from the criminal cases. Order of Acquittal was not showing use of fire arm of the petitioner. It was held that after acquittal the very basis of the order of cancellation vanished and mere apprehension expressed in the impugned orders that the petitioner would misuse the fire arm and would extend threat to the persons of the weaker section of the society, the arm licence could not be cancelled.

10. In **Ram Prasad** (Supra), following principles have been laid down regarding licence possession of firearms and its suspension and revocation;

(i) Right to hold fire arm licence granted by the authorities in accordance

with the provisions contained in the Arms Act, 1959 is a valuable right of an individual.

(ii) Licencing authority has the power to suspend or revoke an arm's licence only if any of the conditions mentioned in Sub-Clauses (a) to (e) of Sub Section (3) of Section 17 of the Arms Act exists.

(iii) The provisions of Section 17 of the Act cannot be invoked lightly in an arbitrary manner.

(iv) The licencing authority has to satisfy itself if it is necessary for the security of public peace or for public safety to suspend or revoke the licence.

(v) Such satisfaction of the licencing authority must be expressed in the order and must be based on relevant material.

(vi) Public peace or public safety do not mean ordinary disturbance of law and order. Public safety means safety of the public at large and not of few persons only.

(vii) Mere involvement or pendency of a criminal case does not, of its own, necessarily affect public peace or public safety. The licencing authority in each case has to record a finding as to how and under what circumstances the possession of the arm licence is detrimental to the public peace or public safety.

(viii) On mere apprehension of misuse of fire arm or that the licencee would extend threat to the persons of the weaker section, the arm licence cannot be cancelled. There must be some positive incident in which the licencee participated or used his arm, leading to breach of public peace or public security.

(ix) After acquittal of the licencee from the criminal case, the very basis of cancellation of arm licence is vanished.

11. In the light of the above principles, the impugned order does not satisfy the test.

12. In **Masiuddin Vs. Commissioner, Allahabad Division, Allahabad and another, 1972 ALJ 573,** it is held that "after a license is granted, the right to hold the license and possess a gun is a valuable individual right in a free country". Further it is held that "a license may be cancelled, *inter alia* on the ground that it is necessary for the security of the public peace or for public safety, to do so. Mere existence of enmity between the licensee and another person would not establish the necessary connection with the security of public peace or public safety".

13. In **Habib Vs. State of U.P. and others, 2002 (44) ACC 783**, it has been held that "mere involvement in a criminal case cannot in any way affect the public security or public interest and the order cancelling or revoking licence of fire arm was not justified".

14. In **Satish Singh Vs. District Magistrate, Sultanpur 2009 (4) ADJ (LB),** it has been held that "right to possess arms is statutory right but right to live and liberty is fundamental right guaranteed by Article 21 of the Constitution of India. Corollary to it, it is citizen's right to possess firearms for their personal safety to save their family from miscreants. It is often said that ordinarily in a civilised society, only civilised persons require arms licence for their safety and security and not the criminals. Of course, in case the government feels that the arms licence are abused for oblique motive or criminal activities, then appropriate measure may be adopted to check such malpractice. But arms licence should not be suspended in a

routine manner mechanically, without application of mind and keeping in view the letter and spirit of Section 17 of the Arms Act".

15. In **Chandrabali Tewari Vs. the Commissioner, Faizabad, 2014 (32) LCD 1696,** it has been held that "mere pendency of criminal case is no ground to cancel fire arm licence. It has also been held that as in that case there were no allegations that the licenced gun was ever taken out by the licensee and was used in the act, the order canceling petitioner's fire arm licence was quashed".

16. However, learned Standing Counsel has tried to support the impugned orders and placed reliance on the judgment of this Court passed **in Indrajeet Singh Vs. State of U.P. and others, Writ-C No.4947 of 2019**, decided on 22.10.2021 wherein relying upon the judgment given in the case of **Deputy Inspector General of Police and another Vs. S. Samuthiram, (2013) 1 SCC 598,** it has been held that "the expressions 'honorable acquittal', 'acquitted of blame', 'fully exonerated' are unknown to the Code of Criminal Procedure or the Penal Code, which are coined by judicial pronouncements. It is difficult to define precisely what is meant by the expression 'honorably acquitted'. When the accused is acquitted after full consideration of prosecution evidence and that the prosecution had miserably failed to prove the charges levelled against the accused, it can possibly be said that the accused was honorably acquitted".

17. In **Chhanga Prasad Sahu Vs. State of U.P. and others, 1984 AWC 145 (FB),** after noticing the provisions of Section 17(3) of the Arms Act the Full Bench in paragraphs-5 and 9 held as follows:

"5. A perusal of abovementioned provisions indicates that the licensing authority has been given the power to suspend or revoe an arms licence only if any of the conditions mentioned in sub-clauses (a) to (e) of sub-section (3) of Section 17 of Act exists." sub section (5) of Section 17 makes it obligatory upon the licensing authority to, while passing the order revoking/suspending an arms licence, record in writing the reasons therefore and to, on demand, furnish a brief statement thereof to the holder of the license unless it considers that it will not be in the public interest to do so."

"9. ...it is true that in order to revoke/suspend an arms licence, the licensing authority has necessarily to come to the conclusion that the facts justifying revocation/suspension of licence mentioned in grounds (a) to (e) of section 17 exist"

18. In **Ilam Singh Vs. Commissioner, Meerut Division and others, 1987 ALJ 416** this Court held that under Section 17(3) (b) the licencing authority may suspend or revoke a licence if it becomes necessary for the security of public peace or public safety. In this case no report was lodged against the licensee indicating that he had used the gun in the incident which led to the breach of public peace or public safety. It was held that there must be some positive incident in which the petitioner participated and used his gun which led to breach of public peace or public safety and in the absence of the use of the gun by the licencee against the security of public peace or public safety the licence of the gun could not be suspended or revoked. The relevant paragraphs-4 and 5 of the

judgment in **Ilam Singh** (supra) are being reproduced as under:

"4. Having heard the learned counsel for the petitioner I am of the view that the submissions raised by the learned counsel for the petitioner cannot be said to be without substance. Section 17(3) (b) of the Arms Act enacts that licensing authority may by order in writing suspend a licence or revoke the same if it becomes necessary for the security of public peace or the public safety. When once a person has been granted a licence and he acquires a gun, it becomes one of his properties. In the present case no incident of breach of security of the public peace or public safety at the behest of the petitioner has been pointed out. Even no report was lodged against the petitioner indicating that he used his gun in the incident which led to the breach of public peace or public safety. Even though some reports might have been lodged but that could not be said to be a sufficient reason to cancel the licence.

5. There must be some positive incident in which the petitioner participated and used his gun which led to the breach of the public peace or public safety. In the absence of the use of the gun by the petitioner against the security of public peace or public safety the licence of the gun of the petitioner was not liable either to be suspended or revoked. The licensing authority as well as the Commissioner committed errors on the face of the record in cancelling the licence of the gun held by the petitioner in utter disregard of the provisions of Section 17 (3) (b) of the Arms Act. In view of these facts the impugned orders cannot be sustained and deserves to be quashed."

19. In **Jageshwar Vs. State of U.P. and others 2009 (67) ACC 157** this court held that in view of the settled law the licence under the Arms Act cannot be suspended on the ground of mere involvement in a criminal case or criminal trial or on the basis of mere apprehension of misuse of fire arm by the licensee.

20. In **Surya Narain Mishra Vs. Stae of U.P. and others, 2015 (7) ADJ 510**, similar view has been taken by this Court relying upon subsequent decisions. Para-14 of the judgment is reproduced:

"14. In the case of Raj Kumar Verma v. State of U.P, 2013 (80) ACC 231 this court in paragraph No.3 held as under:-

"The ground for issue of show-cause notice, suspension and ultimately cancellation of the licence is that one and precisely one criminal case was registered against the petitioner. The District Magistrate has also held that the petitioner has been enlarged on bail. He has gone further to observe that if the licence remained intact, the petitioner, may disturb public peace and tranquility. The same findings have been given by the Commissioner, Unmindful of the fact that this Court is repeating the law of the land, but the deaf ears of the administrative officers do not ready to succumb the law of the land. The settled law is that mere involvement in a criminal case without any finding that involvement in such criminal case shall be detrimental to public peace and tranquility shall not create the ground for the cancellation of armed licence. In Ram Suchi v. Commissioner, Devipatan Division reported in 2004 (22) LCD 1643, it was held that this law was relied upon in Balram Singh Vs. Satate of U.P. 2006 (24) LCD 1359. Mere apprehension without substance is simply an opinion which has no legs to stand. Personal whims are not

allowed to be reflected while acting as a public servant."

21. In **Raghuveer Singh Vs. Commissioner and others, 2020 SCC OnLine All 192** following principles of law have been laid down regarding revocation of arm licence:

"(i) Right to hold fire arm licence granted by the authorities in accordance with the provisions contained in the Arms Act, 1959 is a valuable right of an individual.

(ii) Licencing authority has the power to suspend or revoke an arm's licence only if any of the conditions mentioned in Sub-Clauses (a) to (e) of Sub Section (3) of Section 17 of the Arms Act exists.

(iii) The provisions of Section 17 of the Act cannot be invoked lightly in an arbitrary manner.

(iv) The licencing authority has to satisfy itself if it is necessary for the security of public peace or for public safety to suspend or revoke the licence.

(v) Such satisfaction of the licencing authority must be expressed in the order and must be based on relevant material.

(vi) Public peace or public safety do not mean ordinary disturbance of law and order. Public safety means safety of the public at large and not of few persons only.

(vii) Mere involvement or pendency of a criminal case does not, of its own, necessarily affect public peace or public safety. The licencing authority in each case has to record a finding as to how and under what circumstances the possession of the arm licence is detrimental to the public peace or public safety.

(viii) On mere apprehension of misuse of fire arm or that the licencee would extend threat to the persons of the weaker section, the arm licence cannot be cancelled. There must be some positive incident in which the licencee participated or used his arm, leading to breach of public peace or public security.

(ix) After acquittal of the licencee from the criminal case, the very basis of cancellation of arm licence is vanished."

22. In this case there is only one criminal case against the petitioner in which it is no where mentioned that the petitioner has used the arm in commission of alleged crime. There is no counter of the fact that the village and the area of the petitioner does not fall in naxali affected area. If the petitioner is residing in a naxali affected area certainly there would be need of a licensed arm. Respondents have not produced any evidence that the petitioner is having previous criminal antecedents and is a person of criminal nature. In the aforementioned judicial precedents it is ruled that mere pendency of a case does not create ground to cancel the arm licence. It is often seen that crimes are not generally committed by licensed arms but generally offence are observed to be committed by use of unlicensed country-made firearms, therefore, only on the basis of pendency of one case and apprehension, arm licence cannot be cancelled.

23. In this case earlier on 10.11.2006 the operation of the order dated 17.02.1999 and order of Commissioner dated 06.01.2004 regarding cancellation of petitioner's Licence No.303P11SBBL Gun No.15868 was stayed and it was further directed that licence of the petitioner shall be restored to him pending disposal of the writ petition. The original order is as under:-

"In spite of the order passed by this Court to learned Standing counsel to

file counter affidavit, no counter affidavit has been filed.

Admit.

Till further orders of this Court, operation order dated 17.2.1999 passed by the District Magistrate and order dated 6.1.2004 passed by Commissioner, Varanasi Region, Varanasi in the matter of cancellation of license of petitioner's license no. 303P11SBBL Gun no. 15868 shall remain stayed and it is further directed that license of petitioner shall be restored to him pending disposal of writ petition."

24. From the aforementioned order of this Court it is concluded that the arm licence of the petitioner still survives and is continuing. Hence, there is no need to pass an order to move a fresh application for grant of revival of licence. This Court is of the considered view that both the impugned orders suffer from manifest error in the eyes of law and are liable to be quashed.

ORDER

25. The petition is allowed. The order passed by the District Magistrate, Ghazipur/Licencing Authority dated 17.02.1999 and the order of Appellate Authority/Commissioner, Varanasi Region, Varanasi dated 06.01.2004 are quashed.

26. If the arm licence is into operation, it shall be continued and shall be renewed time to time as per the existing law. If it is discontinued and has not been renewed, in that case the petitioner shall move an application before the District Magistrate, Ghazipur who shall decide the application of the petitioner in accordance with the observations made in this judgment.

(Delivered by Hon'ble Siddhartha Varma, J.
&
Hon'ble Ajit Singh, J.)

1. This writ petition has been filed for the issuance of a writ of certiorari quashing the '**No Objection Certificate**' dated 14.9.2021 which has been issued by the Cane Commissioner to the respondent no.4 and also for the quashing of the "**Industrial Entrepreneur Memorandum**" which has been filed by the respondent no.4 on 12.10.2021 and has been acknowledged by the Department of Promotion of Industry and Internal Trade on the same date.

2. It appears that for the installation of a sugar factory when the respondent no.4-M/s. Bindal Paper Limited on 7.9.2021 had asked for an NOC, then after considering the case of respondent no.4, the Cane Commissioner, Government of Uttar Pradesh, Lucknow had on 14.9.2021 issued the NOC and had detailed in the NOC that from the proposed sugar factory, as per the Indian Survey Department, Dehradun, the nearest sugar mills were as follows :-

i. Wave Industries Pvt. Ltd., village Maleshiya Dhanaura, District Amroha (24.6 kms.)

ii. Deewan Sugar Mills Ltd., District Moradabad (31.3 kms.)

iii. Dhampur Sugar Mills Ltd., Unit Dhampur, District Bijnor (21.1 kms.)

iv. P.B.S. Foods Pvt. Ltd., Chandanpur, District Bijnor (17.5 kms.)

v. Upper Ganges Sugar and Industries Ltd., Seohara, District Bijnor (16.9 kms.).

3. Thereafter, the Commissioner had stated that NOC was being issued to M/s. Bindal Papers Ltd. for the issuing of the IEM to M/s. Bindal Papers Ltd.

4. The petitioner no.1 which is Dhampur Sugar Mills Limited, as per the survey report of the Indian Survey Department, Dehradun was 21.1 kilometers away from the proposed sugar mill and the petitioner no.2-Avadh Sugar and Energy Limited which has been mentioned as Upper Ganges Sugar and Industries Ltd., Seohara, District Bijnor in the NOC was 16.9 kilometers away from the proposed sugar mill of the respondent no.4. The establishment of sugar factories is regulated by both the Central and the State Government. The Government of India by its notification published in the Gazette of India (Extraordinary) 1966 had issued the **Sugarcane (Control) Order, 1966** and as per Order 6-A, there was a restriction of setting up of two sugar factories within the radius of fifteen kilometers.

5. For convenience, Order 6-A of the 1966 Order is being reproduced here as under :-

"**6-A. Restriction on setting up of two sugar factories within the radius of 15 kms.--** Notwithstanding anything contained in Clause 6, no new sugar factory shall be set up within the radius of 15 kms of any existing sugar factory or another new sugar factory in a State or two or more States:

Provided that the State Government may with the prior approval of the Central Government, where it considers necessary and expedient in public interest, notify such minimum distance higher than 15 kms or different minimum distances not less than 15 kms for different regions in their respective States.

Explanation 1.--An existing sugar factory shall mean a sugar factory in operation and shall also include a sugar factory that has taken all effective steps as specified in Explanation 4 to set up a sugar factory but excludes a sugar factory that has not carried out its crushing operations for last five sugar seasons.

Explanation 2.--A new sugar factory shall mean a sugar factory, which is not an existing sugar factory, but has filed the Industrial Entrepreneur Memorandum as prescribed by the Department of Industrial Policy and Promotion, Ministry of Commerce and Industry in the Central Government and has submitted a performance guarantee of rupees one crore to the Chief Director (Sugar), Department of Food and Public Distribution, Ministry of Consumer Affairs, Food and Public Distribution for implementation of the Industrial Entrepreneur Memorandum within the stipulated time or extended time as specified in Clause 6-C.

Explanation 3.--The minimum distance shall be determined as measured by the Survey of India.

Explanation 4.--The effective steps shall mean the following steps taken by the concerned person to implement the Industrial Entrepreneur Memorandum for setting up of sugar factory.--

(a) purchase of required land in the name of the factory;

(b) placement of firm order for purchase of plant and machinery for the factory and payment of requisite advance or opening of irrevocable letter of credit with suppliers;

(c) commencement of civil work and construction of building for the factory;

(d) sanction of requisite term loans from banks or financial institutions;

(e) any other step prescribed by the Central Government, in this regard through a notification."

6. As per Order 6-B of the 1966 Order, when a new unit of any sugar factory was to be established, it had to get an NOC from the Cane Commissioner or Director (Sugar) or the specified authority of the concerned State Government specifically stating that the distance between the site where the proposed factory was to be set-up and the adjacent sugar factory was not in any manner lesser than the minimum distance prescribed by the Central Government or the State Government. After the NOC was given by the concerned Cane Commissioner, the new factory had to give its IEM to the Central Government within a month of the issuance of such certificate. As and when the IEM was submitted, the industrial concern which was to open the new factory had to submit a performance guarantee of Rs.1 crore to the Chief Director (Sugar), Ministry of Consumer Affairs, Food and Public Distribution, New Delhi and Public Distribution within 30 days of the filing of the IEM which was to be a surety for the implementation of the IEM. The requirement of getting the NOC with regard to the distance and the requirement of submitting the IEM and the submission of the performance guarantee have been provided in Order 6-B of the 1966 Order.

7. For convenience, Order 6-B of the 1966 Order is being reproduced here as under :-

"6-B. Requirements for filing the Industrial Entrepreneur Memorandum.-- (1) Before filing the Industrial Entrepreneur Memorandum with the Central Government, the concerned person shall obtain a certificate from the Cane Commissioner or Director (Sugar) or Specified Authority of the concerned State Government that the distance between the site where he proposes to set up sugar factory and adjacent existing sugar factories and new sugar factories is not less than the minimum distance prescribed by the Central Government or the State Government, as the case may be, and the concerned person shall file the Industrial Entrepreneur Memorandum with the Central Government within one month of issue of such certificate failing which validity of the certificate shall expire.

(2) After filing the Industrial Entrepreneur Memorandum, the concerned person shall submit a performance guarantee of rupees one crore to Chief Director (Sugar), Department of Food and Public Distribution, Ministry of Consumer Affairs, Food and Public Distribution within thirty days of filing the Industrial Entrepreneur Memorandum as a surety for implementation of the Industrial Entrepreneur Memorandum within the stipulated time or extended time as specified in Clause 6-C failing which Industrial Entrepreneur Memorandum shall stand de-recognized as far as provisions of this Order are concerned."

8. Thereafter under Order 6-C of the 1966 Order, time limit has been provided

as to by when commercial production had to start etc.

9. In the instant case when the respondent no.4 had got the NOC as was to be obtained as per the provisions of Order 6-B of the 1966 Order and had also submitted its IEM which was acknowledged by the Central Government, the petitioners apprehending that the opening of the new factory would result in a shortage of sugarcane to their factories, filed an objection/representation jointly against the grant of the NOC and the acknowledgment of the IEM in favour of respondent no.4 before the Chief Director (Sugar), Government of India, Ministry of Consumer Affairs, Food and Public Distribution, Krishi Bhawan, New Delhi on 4.2.2022.

10. It is the case of the petitioners that the Ministry of Consumer Affairs communicated to the Cane Commissioner, State of Uttar Pradesh requiring the Cane Commissioner to furnish his comments on the representation submitted by the petitioners on 24.2.2022. The Cane Commissioner, however, when did not take any action on the representation of the petitioners, the instant writ petition was filed.

11. Learned counsel for the petitioners has assailed the granting of the NOC dated 14.9.2021 and the subsequent issuance of the IEM dated 12.10.2021 essentially on the ground that before issuing of the NOC and the IEM, the respondents, more specifically the Cane Commissioner did not look into the fact that once when the new sugar factory would be established, would there be enough sugarcane available for the running of the petitioners' sugar factory.

12. Learned counsel for the petitioners has argued that when there is a sugar factory, it has to be supplied sugarcane so that the factory may not be starved of the raw material which is sugarcane. He submits that the State has regulated the supply of sugarcane to the various sugar factories and for this purpose, learned counsel submitted that "reserved area" and "assigned area" are declared before the commencement of the "crushing season". Learned counsel informed that a 'crushing season' starts, as per the definition given in section 2(i) of **U.P. Sugarcane (Regulation of Supply and Purchase) Act, 1953,** on the 1st of October every year and ends on 15th of July of the following year. Learned counsel for the petitioners submitted that a 'reserved area' would mean, as per section 2(n) of the U.P. Act 1953, an area reserved for a factory under an order for reservation of sugarcane areas made under Rule 125-B of the Defence of India Rules, 1962 and when no such order is in force, the area specified in an order made under section 15 of the U.P. Act 1953 and an 'assigned area' means, as per definition clause of section 2(a) of the U.P. Act 1953, an area assigned to a factory under section 15 of the U.P. Act 1953.

13. Learned counsel for the petitioners submitted that as per section 15 of the U.P. Act 1953, the Cane Commissioner shall, after consulting the factory and the cane growers' Cooperative Society reserve any area for the purposes of supply of sugarcane to a factory in accordance with the provisions of section 16 during one or more crushing seasons as may be specified. For proper understanding, section 15 of the 1953 Act is being reproduced here as under :-

"15. Declaration of reserved area and assigned area.--(1) Without prejudice to any order made under clause

(d) of sub-section (2) of Section 16 the Cane Commissioner may, after consulting the Factory and cane growers' Co-operative Society in the manner to be prescribed :

(a) reserve any area (hereinafter called the reserved area); and

(b) assign any area (hereinafter call an assigned area).

for the purposes of the supply of cane to a factory in accordance with the provisions of Section 16 during one or more crushing seasons as may be specified and may likewise at any time cancel such order or alter the boundaries of an area so reserved or assigned.

(2) Where any area has been declared as reserved area for a factory, the occupier of such factory shall, if so directed by the Cane Commissioner, purchase all the cane grown in that area, which is offered for sale to the factory.

(3) Where any area has been declared as assigned area for a factory, the occupier of such factory shall purchase such quantity of cane grown in that area and offered for sale to the factory as may be determined by the Cane Commissioner.

(4) An appeal shall lie to the State Government against the order of the Cane Commissioner passed under sub-section (1)."

14. Learned counsel for the petitioners further submitted that before declaring of a 'reserved area' and an 'assigned area', the State through a 'bonding policy', which was a document by which the Cane Commissioner (Purchase) would assess as to what was the area in which the sugarcane was being grown; which farmers were to supply to which sugarcane Cooperative Society and which all sugarcane Cooperative were to supply cane to a particular factory. Learned counsel, therefore, submitted that, as per the 'bonding policy', the reserved area was declared. In the instant case, learned counsel for the petitioners submitted, when the 'reservation order' was issued for the year 2020-21 then after looking into the area adjoining the petitioner no.1-factory, it was ascertained that **47464** hectare of land which would provided **414.76** lac quintals of cane would be reserved for the petitioner no.1 and this area would include the reserved area and the assigned area. For the petitioner no.2, it was declared that 42958 hectare would be reserved for it and it would include the reserved area and the assigned area and this would give 366.45 lac quintals of sugarcane to the petitioner no.2. Learned counsel for the petitioners further informed the Court that at the time when the bonding policy is issued by the Cane Commissioner, a *"drawl percentage"* of the total sugarcane was also determined. He explained that the 'drawl percentage' is the percentage of sugarcane which would be reaching the factory despite the reservation. As per learned counsel for the petitioners, drawl percentage of the petitioner no.1 for the year 2020-21 was 61.77% and for the petitioner no.2 it was 53.76% for the year 2020-21.

15. Learned counsel for the petitioners further informed that every factory had a *"crushing capacity"* and he informed that the cane which the petitioner no.1 could crush per day was to the extent of 14000 tonnes per day and similarly for the petitioner no.2 it was 13000 tonnes per day. Learned counsel for the petitioners also informed the Court that when the reservation order was issued under section 15 of the U.P. Act 1953 then the area which was reserved and assigned took into account the sugarcane which would reach the factory and whether that would suffice the crushing capacity. It was the duty of the

authorities to see to it that as per the drawl capacity the factory had the crushing capacity. Learned counsel therefore, submitted that whenever an NOC is granted by the Cane Commissioner viz.-a-viz. the distance and whenever there is an issuance of an IEM then the criteria as is given in Rule 22 of the **U.P. Sugarcane (Regulation of Supply and Purchase) Rules, 1954** had to be looked into. Still further, he has submitted that before the NOC was given, the Commissioner had to give a personal hearing to the neighbouring factories. What is more, he has argued that the issuance of the IEM and the NOC ought to have been preceded by an active exercise wherein it could be seen that there was actual application of mind with regard to the fact that there would be enough sugarcane available to the neighbouring existing sugar factories. Learned counsel for the petitioners further submitted that if the drawl capacity was as low as had been taken note of in the bonding policies etc. then even if the petitioner no.1 was allocated **414.76** lac quintals of sugarcane from an area **47464** hectares of land and the petitioner no.2 was assured sugarcane to the tune of 366.45 lac quintals from an area of **42958** hectares of land, the cane which actually was to reach to the petitioners could be much less than the assured sugarcane.

16. Learned counsel for the petitioners in the rejoinder affidavit filed in reply to the counter affidavit filed by respondent no.4 dated 21.9.2022 has given on page 38, the details of how much area was reserved for the petitioner nos.1 and 2 in the year 2019-20, 2020-21 and 2021-22. The relevant portion of the table is being reproduced here as under :-

Year 2019-20

S. No.	Factory Name	Cane Area (In Hect.)	Allotted Production (Lac. Qtls)	Crushing (Lac Qtls)	Drawl %
1.	Dhampur	46705	401.20	231.63	57.73
2.	Seohara	40034	336.24	214.50	63.79

Year 2020-21

S. No.	Factory Name	Cane Area (In Hect.)	Allotted Production (Lac. Qtls)	Crushing (Lac Qtls)	Drawl %
1.	Dhampur	44786	386.76	238.92	61.77
2.	Seohara	48139	406.00	218.25	53.76

Year 2021-22

S. No.	Factory Name	Cane Area (In Hect.)	Allotted Production (Lac. Qtls)	Crushing (Lac Qtls)	Drawl %
1.	Dhampur	47464	414.76	244.29	58.90
2.	Seohara	31878	366.45	216.96	59.21

17. Learned counsel for the petitioners has, therefore, argued that in all the three crushing seasons even though the allotted sugarcane used to be much more the actual sugarcane which reached the

petitioners' factory was much less. He submits that for the petitioner no.1 in the year 2019-20 though 401.20 lac quintals of sugarcane was reserved, only 231.63 lac quintals of sugarcane was actually crushed. Similarly in the year 2020-21, the petitioner no.1 was allotted 386.76 lac quintals but it could crush only 238.92 lac quintals and in the year 2021-22 though 414.76 lac quintals of sugarcane was allotted but it could crush only 244.29 lac quintals. It was further submitted by learned counsel for the petitioners that similarly for the petitioner no.2 even though the allotted sugarcane was much more but the actual sugarcane which came to the factory was of a lesser quantity i.e. to say that the petitioners had crushed lesser quantity of sugarcane than the quantity allotted to them. Learned counsel for the petitioners submitted that this occurred on account of the fact that out of the 100% quantity of the sugarcane which was allotted to the petitioners, about 20% of the total sugarcane was normally sold off by the farmers to Kolhu or to the Jaggery units; 5% of it was retained by them for cattle fodders and 10-15% was retained for using as seed for the next crops.

18. Learned counsel for the petitioners further submitted that if the daily crushing capacity of the respondent no.4 was of 10000 tonnes and if for the 180 days it crushed sugarcane, it would require a minimum of 180 lac quintals of sugarcane and if there was a drawl percentage which had to be seen for the new factory, then the allotment which would have to be made for it would reach 360 lac quintals and, therefore, for an area which had an average yield of 875.25 per hectare, an area of 41140 hectares would be required to satisfy the requirement of the proposed sugar mill itself. Learned counsel submitted that the additional area of 41140 hectares for growing sugarcane was not available either in the district of Bijnor or in the district of Amroha or in any other surrounding districts as the fields in the surrounding districts had reached the point of saturation so far as the growing of sugarcane was concerned. Learned counsel for the petitioners submitted that if 41140 hectares of cultivable land were to be reserved for the respondent no.4 then it would lead to diversion of the sugarcane from the existing sugar mills and their sugarcane supply would be reduced. In effect, learned counsel for the petitioners argued that if there was a diversion of sugarcane growing areas to the reserved area of respondent no.4 then it would lead to lessening of the reserved area for the petitioners. Learned counsel for the petitioners submitted that the allocation of land proposed for the respondent no.4 was earlier for M/s. Laxmi Sugar Mill for the establishment of a sugar mill which was challenged in a suit and when no injunction was granted, a First Appeal From Order being First Appeal From Order No.1077 of 2010 was filed in the High Court. In that case when the injunction was granted by the High Court, the matter reached the Supreme Court where it was pending as Civil Appeal No.3281 of 2011. In the order of the Supreme Court it was directed that the constructions done by M/s. Laxmi Sugar Mill would be subject to the outcome of the appeal in the Supreme Court. Learned counsel for the petitioners, therefore, argued that the efforts of the respondent no.4 to establish its sugar mill in the same location was nothing else but a dubious method for circumventing the orders of the Supreme Court. Still further, learned counsel for the petitioners argued that the IEM issued to the respondent no.4 was without any application of mind and on the

basis of just the fact that NOC had been issued on 14.9.2021. He submitted that no evaluation of the availability of cane in the area for the purposes of respondent no.4 and the petitioner was made. Learned counsel for the petitioners has heavily relied upon the judgment of the Supreme Court in the case of **Ojas Industries Pvt. Ltd. vs. Oudh Sugar Mills Ltd.** and specifically relied upon paragraph 30 of the judgment, which is being reproduced here as under :-

"The Sugarcane (Control) (Amendment) Order, 2006 inserts Clauses 6-A to 6-E in Clause 6 of the Sugarcane (Control) Order, 1966. It retains the concept of "distance". **This concept of "distance" has got to be retained for economic reasons. This concept is based on demand and supply.** This concept has to be retained because the resource namely, sugarcane, is limited. Sugarcane is not an unlimited resource "Distance" stands for available quantity of sugarcane to be supplied by the farmer to the sugar mill. On the other hand, filing of bank guarantee for Rs. 1 crore is only as a matter of proof of bona fides. An entrepreneur who is genuinely interested in setting up a sugar mill has to prove his bona fides by giving bank guarantee of Rs. 1 crore. Further, giving of bank guarantee is also a proof that the businessman has the financial ability to set up a sugar mill (factory). Therefore, giving of bank guarantee has nothing to do with the distance certificate."

(emphasis supplied)

19. Sri Manish Goyal, learned Additional Advocate General assisted by Sri A.K. Goyal, learned counsel appearing for the State-respondents submitted that there was enough sugarcane available in the region and, therefore, there was no harm if a new sugar mill was established. He submitted that when the petitioners could not crush the sugarcane which was to be made available to them from the reserved/assigned areas then they could not complain against the establishment of a new factory. He further submitted that despite the fact that there was an increase in the cane areas for the three consecutive years for the petitioners but the drawl percentage for both the petitioners had been reduced. He in fact submits that even the crushing capacity was reduced every year.

20. Learned Additional Advocate General further submitted that as always there was an increase in the area where sugarcane was being grown, it was in the interest of the public in general that more sugar factories be established. He drew the attention of the Court to **"The Uttar Pradesh Sugarcane Supply and Purchase Order, 1954".** More specifically, he drew the attention of the Court to Form-C which was an agreement between the cane growers' Cooperative Society and the occupier of the factory and submitted that the occupier of the factory entered into an agreement only to the extent that the factory could crush. Definitely, the factory would not enter into an agreement by which there would be surplus sugarcane. He, therefore, submitted that the concept of "drawl capacity" was brought into existence because the sugarcane which was being utilized by a particular sugar factory was only limited to its crushing capacity.

21. Learned Additional Advocate General further submitted that nowhere have the petitioners come up with any case that their sugarcane crushing capacities were more than the sugarcane which was being made available to them. He also submitted that if more factories would be

established, the sugarcane which was available in the reserved areas of the petitioners and which was not being utilized by them on account of their low drawl capacity, could be diverted to fresh factories in public interest. He further submitted that even if the drawl capacity was not seen and only the reservation order was seen then also there was sufficient land available for the supply of sugarcane to the existing as well as for the new factories.

22. Learned Additional Advocate General while replying to the non-consideration of the objection of the petitioners, submitted that there was sufficient consideration by the authorities concerned with regard to the availability of sugarcane to the petitioners and also to the new factory. He argued that the Government had taken into account the figures of additional sugarcane which was available in the last so many years and which could not be utilized by the existing factories and also he submitted that the Government had taken into account the regular trend of the increasing sugarcane production.

23. Learned Additional Advocate General submitted that if all the Forms "C", which had been signed by the petitioners under the 1954 Rules were seen, it would become evident that much more sugarcane was being allotted to them in the reservation orders issued under section 15 of the 1953 Act than was being actually consumed by the two petitioners. For this purpose he pointed out to the various Forms "C" which have been filed along with the Supplementary Rejoinder Affidavit by the petitioners on 29.11.2022.

24. Learned Additional Advocate General specifically submitted that the order of the Supreme Court passed in Civil Appeal No.3281 of 2022 was not of any help to the petitioners as the same was no longer applicable in the case at hand. He submits that the respondent no.4 had acquired almost 400 bighas of land to establish its mill. He further submitted that the IEM which was issued to the earlier factory namely M/s. Laxmi Sugar Mill Pvt. Ltd. was cancelled vide communication dated 1.10.2021 and the respondent no.4 was granted the IEM on 12.10.2021 and, therefore, it may not be said that the respondent no.4 was in any way trying to get what was not given to M/s. Laxmi Sugar Mills Pvt. Ltd. surreptitiously.

25. Learned Additional Advocate General argued that once when it was found that there was sufficient material for taking a particular policy decision by the State Government and the Government of India within the rights guaranteed by the Statutes then the High Court may not under its powers of judicial review go into the correctness of such policy decision so as to find out better alternatives. In this regard he relied upon the following decisions of the Supreme Court :-

1. Federation of Railway Officers Association & Others. vs. Union of India

2. BALCO Employees Union vs. Union of India (UOI) & Others.

3. P.T.R. Exports (Madras) Pvt. Ltd. & Other vs. Union of India (UOI) & Others

4. Prag Ice and Oil Mills & Others vs. Union of India (UOI)

5. R.K. Garg & Others vs. Union of India (UOI) & Others

6. Dhampur Sugar (Kashipur) Ltd. vs. State of Uttaranchal & Others

7. Ugar Sugar Works Ltd. vs. Delhi Administration & Others

8. Shri Sitarm Sugar Company Limited & Another vs. Union of India & Others

26. Learned Additional Advocate General has specifically relied upon paragraphs 18, 19 and 20 of the judgment of the Supreme Court in **Ugar Sugar Works Ltd. (supra)** and therefore, the same is being reproduced here as under :-

"18. The challenge, thus, in effect, is to the executive policy regulating trade in liquor in Delhi. It is well settled that the Courts, in exercise of their power of judicial review, do not ordinarily interfere with the policy decisions of the executive unless the policy can be faulted on grounds of mala fide, unreasonableness, arbitrariness or unfairness etc. Indeed, arbitrariness, irrationality, perversity and mala fide will render the policy unconstitutional. However, if the policy cannot be faulted on any of these grounds, **the mere fact that it would hurt business interests of a party, does not justify invalidating the policy.** In tax and economic regulation cases, there are good reasons for judicial restraint, if not judicial deference, to judgment of the executive. The Courts are not expected to express their opinion as to whether at a particular point of time or in a particular situation any such policy should have been adopted or not. It is best left to the discretion of the State.

"19. In ***T.N. Education Deptt. Ministerial and General Subordinate Services Assn. vs. State of T. N. (1980) 3 SCC 97,*** noticing the jurisdictional limitations to analyse and fault a policy, this Court opined that:

"The court cannot strike down a G.O., or a policy merely because there is a variation or contradiction. Life is sometimes contradiction and even consistency is not always a virtue. What is important is to know whether mala fides vitiates or irrational and extraneous factor fouls."

20. It would also be prudent to recall the following observations of Lord Justice Lawton in **Laker Airways Ltd. vs. Deptt. of Trade, (1977) 2 WLR 234,** while considering the parameters of judicial review in matters involving policy decisions of the executive :

"In the United Kingdom aviation policy is determined by ministers within the legal framework set out by Parliament. Judges have nothing to do with either policy-making or the carrying out of policy. Their function is to decide whether a minister has acted within the powers given to him by statute or the common law. If he is declared by a court, after due process of law, to have acted outside his powers, he must stop doing what he has done until such time as Parliament gives him the powers he wants. In a case such as this I regard myself as a referee. I can blow my judicial whistle when the ball goes out of play; but when the game restarts I must neither take part in it nor tell the players how to play."

(emphasis supplied)

27. He also relied upon paragraph 12 of the the judgment of the Supreme Court in **Federation of Railway Officers Association (supra)** and the same is also being reproduced here as under :-

"12. In examining a question of this nature where a policy is evolved by the Government judicial review thereof is limited. When policy according to which or the purpose for which discretion is to be exercised is clearly expressed in the statute, it cannot be said to be an unrestricted

discretion. On matters affecting policy and requiring technical expertise the Court would leave the matter for decision of those who are qualified to address the issues. Unless the policy or action is inconsistent with the Constitution and the laws or arbitrary or irrational or abuse of power, the Court will not interfere with such matters."

28. Learned Additional Advocate General further submitted that the ratio in the case of **Ojas Industries Pvt. Ltd. (supra)** would not help the petitioners as that was a case where two sugar mills were proposed to be established within a distance of 7.2 kilometers and he submitted that when the Supreme Court observed that the distance was to be an economic concept then he submitted that the Supreme Court held that when the State was wanting one unit to be separated by another unit by 15 kilometers then it was for "economic reasons". Learned Additional Advocate General, therefore, submitted that the judgment cited by the petitioners in the case of **Ojas Industries Pvt. Ltd. (supra)** would not in any manner help the petitioners. He also submitted that no monopolistic approach, as was being desired by the petitioners, could be given sanctity to by a Constitutional Court. In this regard reliance has been placed on the judgments of the Supreme Court in **APM Terminals BV vs. Union of India; Dhampur Sugar (Kashipur) Ltd. vs. State of Uttaranchal & Ors.** and **Sunil Kumar Sharma & Anr. vs. State of U.P..** Learned Additional Advocate General relying upon the judgment of the Supreme Court in Dhampur Sugar (Kashipur) Ltd. (supra) categorically stated that in a policy matter where the Government had come up with a policy, the Court could not annul the same only on the ground that earlier there was a lesser number of factories and now there would be more factories and, therefore, sugarcane supplied to the factories would be restricted. He submitted that whenever the Government takes a policy decision, it looks into every aspect of the matter. Learned Additional Advocate General submitted that if the respondent no.4 becomes functional and when reserved areas are to be allotted to different factories, then reservation orders would be drawn under section 15 of the 1953 Act as per the sugarcane availability; the drawl capacity and the crushing capacity. Here again, learned Additional Advocate General submitted that if in any manner the petitioners were not satisfied, at a future date, with the reservation order, then they could always file a statutory appeal.

29. Learned Additional Advocate General again relying upon the judgment of the Supreme Court in **Dhampur Sugar (Kashipur) Ltd. (supra)** submitted that before the Supreme Court the petitioner no.1 was the the appellant in that case with regard to its Kashipur Unit. In that case a Rab unit was coming up and the petitioner had opposed by filing a writ petition in the High Court that only a few days back the Government was reluctant to give licence to the Rab unit and, therefore, it could not give the licence on a later date. The High Court had dismissed the writ petition of the petitioner therein and the Supreme Court had also dismissed the appeal with a definite observation that matters of public policy could not be interfered with lightly. Learned Additional Advocate General submitted that the case at hand had also been filed virtually on the same grounds. The petitioners were only apprehending, he submits, that there would be a shortage in the supply of sugarcane to the petitioners. It had not been considered while filing the

writ petition, learned Additional Advocate General submits, that no writ lies on the basis of apprehension. He submitted that absolutely no writ lay on the basis of apprehension.

30. Learned Additional Advocate General submitted that the filing of the instant writ petition was with an oblique motive to stifle competition. He submits that Rule 22 of the 1954 Rules had sufficient provisions for seeing that reservation is done in a proper fashion.

31. He also submitted that the establishment of a new unit would be in the larger public interest and in the interest of the cane growers. He, therefore, submitted that a holistic view of the Constitution ought to be taken. In this regard, he placed heavy reliance upon the decision of the Supreme Court in **Shivshakti Sugars Ltd. vs. Shree Renuka Sugar Ltd.**

32. In the end, learned Additional Advocate General submitted that when there was a limited crushing capacity of a sugar factory and the drawl percentage was also lesser than the tonnage of sugarcane allotted, then the only conclusion was that the farmers were diverting their sugarcane produce to Khandsari units which were being run by Kolhus. Learned Additional Advocate General also submitted that not only was there more wastage but the profit margin was also minimal. He, therefore, submitted that if a new factory comes up then even farmers would be benefited from the new factory as they would definitely get more money by selling their sugarcane to sugar factories.

33. Sri Aditya Kumar Singh, learned counsel appearing for respondent nos.3, 5 and 6 also made arguments virtually on the same lines.

34. Sri Rakesh Pande, Senior Advocate assisted by Sri K.K. Rao, learned counsel appearing for respondent no.4 submitted that the petitioners' argument that the NOC ought to be issued after taking a broader view was absolutely fallacious. He submitted that under the provisions of Clauses 6-A to 6-B of the 1966 Order, the NOC was issued and they only stipulated that the NOC would be given on the basis of distance which ought not to be lesser than 15 kilometers from one factory and the other. Learned Senior Counsel submitted that if the petitioners contended that the availability of sugarcane had also to be looked into then they should have challenged the vires of Orders 6-A and 6-B of the 1966 Order which they have not done in the instant writ petition. He submits that while issuing an NOC no other parameter ought to be looked into. Learned counsel for respondent no.4 further submitted that reservation area which was the domain of the Cane Commissioner under section 15 of the 1953 Act read with Rule 22 of the 1954 Rules definitely catered for providing of a reserved area and if there was a factory, he submits, the reserved area had to be there for it as per its drawl capacity and crushing capacity. Learned counsel, therefore, submits that the writ petition was filed on the basis of absolute apprehension and no writ could be issued on the basis of apprehension. Learned counsel submitted that even before there was any shortfall in the reserved area, the writ petition had been filed. This showed that the writ petition was a premature one.

35. Learned counsel for respondent no.4 further submitted that so far as the procedure for considering the grant of NOC by the Commissioner, Cane and Sugar Department dated 12.9.2022 was concerned

(the policy dated 12.9.2022 had been attached along with the Supplementary Affidavit filed by the petitioner on 9.11.2022), when the NOC was granted and the IEM was accepted by the Central Government, then it was presumed that all factors must have been taken into consideration.

36. Having heard Sri Shashi Nandan, learned Senior Counsel assisted by Sri Rahul Agarwal, learned counsel for the petitioners; Sri Manish Goyal, learned Additional Advocate General assisted by Sri A.K. Goyal, learned counsel for respondent nos.1 and 2; Sri Rakesh Pande, learned Senior Counsel assisted by Sri K.K. Rao, learned counsel appearing for the respondent no.4 and Sri Aditya Kumar Singh, learned counsel appearing for the respondent nos.3, 5 and 6, the Court is of the view that no interference is warranted in the instant writ petition and, therefore, the same deserves to be dismissed.

37. The petitioners have challenged the NOC dated 14.9.2021 issued by the respondent no.2-Cane Commissioner to the respondent no.4-M/s. Bindal Paper Limited and the IEM bearing Acknowledgment No.IEM/A/ACK/595/2021 dated 12.10.2021 issued by the Department of Promotion of Industry and Internal Trade, Ministry of Commerce and Industry, Government of India.

38. The first ground which the petitioners have taken is that the grant of the NOC and the issuance of the IEM thereof was done merely on the basis of the distance between the proposed sugar mill and the existing sugar mills and the learned counsel for the petitioners submitted that this contravened the scheme as provided in the U.P. Act 1953 and the 1954 Rules. Learned counsel for the petitioners had submitted that the factor of distance between the proposed mill and the existing sugar mill was only one of the many factors which was to be considered as per the Act and the Rules framed. He had submitted that when the procurement of the sugarcane and manufacturing of sugar was regulated by U.P. Act 1953 and the 1954 Rules then as per section 15 of the U.P. Act 1953 and as per Rule 22 of the 1954 Rules, power was there with the Cane Commissioner to determine the reserved area and the assigned area for each sugar mill from which the sugar mill was required to procure sugarcane for its crushing season. Learned counsel for the petitioners had stated that the quantity of the sugarcane supplied from the reserved and assigned areas to the sugar factory in the previous years and the quantity of the cane which was required to be crushed by the factory were the main criteria under Rule 22 of the 1954 Rules. He had, therefore, submitted that as per the 1966 Control Order, specifically clauses 6-A to 6-E, the Authority had to see that whenever a sugar factory was to be established then the availability of sugarcane had to be looked into. By referring to the judgment of the Supreme Court reported in (2007) 4 SCC 723, learned counsel for the petitioners had argued that the distance alone was not the criteria on the basis of which the NOC ought to have been issued. He submitted that when an NOC was to be issued then the impact on the availability of the sugarcane for the already existing sugar mills had to be examined with reference to their crushing capacity; total cultivable area of sugar cane which was there in the reserved area and the assigned area and the drawl percentage had definitely to be considered.

39. However, from the arguments heard, the Court is of the view that under

Clause 6-A of the 1966 Control Order the Cane Commissioner had to only look into the fact as to whether there was a distance of 15 kilometers from the proposed site of a fresh factory and the pre-existing factories. If that was the statutory obligation on the Cane Commissioner then he could not have gone beyond that statutory obligation. The Court has also examined section 15 of the U.P. Act 1953 and Rule 22 of the 1954 Rules and it has found that if a factory had been established then it was the bounden duty of the Authorities to see that it had to attach a reserved area and an assigned area to every sugar factory. The Court is also of the view that as and when a fresh factory is given the permission to establish itself the Authorities were under an obligation to see that the fresh sugar factory as also the pre-existing sugar factories get enough sugarcane for the purposes of crushing in a particular crushing year. Also the Court finds that when the reserved area and the assigned area is allocated to a particular sugar factory then the following amongst other aspects are taken into consideration :-

i. the drawl capacity;
ii. the crushing capacity; and
iii. the past performance of the sugar factory.

40. Also when the reserved area and the assigned area is allocated to a particular sugar factory then the Cane Commissioner definitely sees to it that the area and the sugarcane allotted is more than is required for a particular sugar factory. Also the Court finds that when the crushing year commences, the sugar factory enters into an agreement with the Cane Growers Cooperative Society in Form-C provided under the U.P. Sugarcane Supply and Purchase Order, 1954. All this leads to an inevitable conclusion that when a sugar factory, despite the fact that it has got much more land as reserved area or assigned area, enters into an agreement in Form-C with the Cane Growers Cooperative Society for the supply of sugarcane then it has in mind the extent of crushing it shall be able to do in a particular crushing year. It definitely keeps in mind the drawl percentage.

41. From the record we find that the petitioner no.1 was allocated 46705 hectares of land in the year 2019-20 and was allocated 401.20 lakh quintals of sugarcane but it actually crushed only 231.63 lakh quintals. Also we find that in the year 2019-20 the petitioner no.2 had been allocated 40034 hectares of land with the sugarcane crop to the extent of 336.24 lakh quintals but it had actually crushed only 214.50 lakh quintals. This was also the case in the year 2020-21 and in the year 2021-22.

42. The above discussion, therefore, clearly illustrates that when the Government gave its no objection and had also acknowledged the IEM, it had taken into consideration the availability of sugarcane viz.-a-viz. the existing factories and the factory which was proposed to be established i.e. the respondent no.4.

43. Sugar industry is a controlled industry. Government has a control on the sugarcane production, distribution, prices as also on the production and marketing of the finished product which is sugar. Whenever a new factory comes up with the earlier existing factories, it is the responsibility of the State to see that sugarcane, which is the raw material for the factories - old and new, is made available to all the factories.

44. The other aspect which was argued by the learned counsel for the petitioners was that whether the setting-up

of a new sugar mill would impact the availability of the sugarcane to the existing sugar mill in the reserved area/assigned area.

45. From the various arguments we have heard we are definitely of the view that the argument was misplaced. Whenever there is a reservation order or an assignment order, it is done after taking into consideration as to what would be the sugarcane grown in that area and as to how much of the sugarcane was actually required for any particular sugar factory. In the case at hand we definitely find that much more sugarcane crop was allocated to the existing factories i.e. the petitioners but out of that allocated sugarcane only a certain portion of it was actually purchased by the petitioners. This definitely means that the Cane Commissioner had in mind the capacity of the sugar factory and accordingly he allocates the reserved area and the assigned area. For the petitioners to think that the availability of sugarcane would not be there upon coming up of a new sugar factory, is only an apprehension on the basis of which the Court cannot adjudicate the matter.

46. The Court, therefore, is of the view that whenever the Government proposes to set-up a new factory, it always takes into consideration the availability of sugarcane. Before every crushing season the reserved area and the assigned area shall be allocated to every factory and every factory would be entering into an agreement with the Cane Growers Cooperative Society in Form-C under the U.P. Sugarcane Supply and Purchase Order, 1954.

47. What is more, the Court finds that if, by the reservation order any particular factory, is in any manner dissatisfied then it can always file a statutory appeal. Therefore, the Court is definitely of the view that when the new/proposed sugar factory was being brought into existence, the State Authorities which had all the data before them, considered the availability of sugarcane and the impact of a new factory on all the existing factories. Further the Court finds that the setting-up of a new sugar factory at the same location, which is the subject matter of the dispute in Civil Appeal no.3281 of 2011 before the Supreme Court, would not in any manner violate the orders passed by the Supreme Court as well as the High Court. The Court also finds that in fact the respondent no.4 had acquired 400 bighas of land to establish its mill and the IEM which was issued to the earlier factory i.e. M/s. Laxmi Sugar Mill was cancelled vide order/communication dated 1.10.2021 and only thereafter the respondent no.4 was granted the IEM on 12.10.2021.

48. Further the Court is of the view that by allowing the respondent no.4 to set-up a fresh factory was well within the realm of the powers of the Government and we would refrain from interfering in the matter.

49. We are also of the view that definitely the coming up of a fresh factory would not in any manner hurt the business interests of the existing sugar factories including the business interests of the petitioners. Therefore, when the petitioners argued that economic reasons had to be looked into while giving the consent by the Government for the establishment of a fresh factory, the argument was fallacious. The economic reasons while establishing a fresh sugar factory were looked into. Every pre-existing factory and the new factory

would get its own reserved/assigned area and every factory would get its raw material in the form of sugarcane for crushing. The policy decision taken by the Government for setting-up of a fresh sugar factory, therefore, does not, in any manner, calls for any interference by this Court. As and when the fresh sugar factory comes in, definitely the percentage of sale of sugarcane to the existing sugar factories along with the new factory would increase and thus more sugarcane would go to sugar factories. In this manner the local farmers would also be encouraged to produce more sugarcane and sell their produce to the sugar factories. This would bring in more prosperity in the area for the sugarcane growers.

50. For the reasons stated above, the writ petition stands dismissed

State of U.P. & Ors. ...Respondents

Counsel for the Petitioner:
Sri Jahangir Haider

Counsel for the Respondents:
C.S.C.

Constitution of India, 1950 – Art. 226 - Concealment of material facts - Petitioner claimed that he neither took any loan from nor mortgaged his property nor stood as guarantor for any one and yet, his machineries were seized u/s 14 of the Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 by the Additional District Magistrate (Finance and Revenue) - petitioner asserted loan was taken by his wife & that the seized machineries etc. belongs to M/s Umbrella Corporation - Held - petitioner neither stated in the writ petition that the machinery in question belongs to M/s Umbrella Corporation nor he has disclosed that the proprietor of M/s Zeb Designers is his wife nor he disclosed any GST registration of alleged M/s Umbrella Corporation nor has filed any document indicating registration of M/s Umbrella Corporation under the CGST/UPGST Act or under the Factories Act nor any proof of seized machinery belonging to him have been filed - petitioner concealed material facts in the writ petition - writ petition has been filed making false averments and suppressing material facts - writ petition dismissed with exemplary cost of Rs. One lac (3, 10, 11)

Dismissed. (E-5)

List of Cases cited:

1. United India Insurance Comp.Ltd. V. B.Rajendra Singh & ors., JT 2000(3) SC.151

2. S.P. ChengalVaraya Naidu (dead) by L.Rs Vs. Jagannath (dead) by L.Rs & ors., AIR 1994 SC 853

(Delivered by Hon'ble Surya Prakash Kesarwani, J.
&
Hon'ble Jayant Banerji, J.)

1. Heard Sri Jahangir Haider, learned counsel for the petitioner and Sri Amit Manohar, learned Additional Chief Standing Counsel for the respondents.

2. This writ petition has been filed praying for the following reliefs:-

"i. Issue a writ, order or direction in the nature of mandamus directing the respondent no.2 to restore the possession of the petitioner's factory seized machine situated at S-115 Harsha Compound, Site-2, Loni Road, Industrial Area Mohan Nagar, District Ghaziabad, in favour of the petitioner to enable him to run his factory smoothly."

3. Learned counsel for the petitioner submits that the petitioner neither took any loan from M/s Hero Fincorp Limited nor mortgaged his property nor stood as guarantor for any one and yet, his machineries located at S-115, Harsha Compound Site-2, Loni Road, Industrial Area, Mohan Nagar, District Ghaziabad have been seized by respondent no. 2 and an order dated 28.12.2021 under Section 14 of the Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 has been passed by the Additional District Magistrate (Finance and Revenue), Ghaziabad in Case No. 7749 of 2021 (Hero Fincorp Limited Vs. M/s Zeb Designers and others) which is wholly without authority of law, arbitrary and illegal and, therefore, it deserves to be quashed.

4. Learned counsel for the petitioner on being questioned, states that the loan was taken by his wife, namely, Shabih Asif (S.Asif) who is proprietor of M/s Zeb Designers and location of her factory is 33/312, site-2, Loni Road, Industrial Area, Mohan Nagar, Ghaziabad. **He further states that the seized machineries etc. belongs to M/s Umbrella Corporation which is a proprietorship concern of the petitioner and not of his wife or M/s Zeb Designers.**

5. We have perused the writ petition and we find that the petitioner has neither stated in the writ petition that the machinery in question belongs to M/s Umbrella Corporation nor he has disclosed that the proprietor of M/s Zeb Designers is his wife nor he disclosed any GST registration of alleged M/s Umbrella Corporation nor has filed any document indicating registration of M/s Umbrella Corporation under the CGST/UPGST Act or under the Factories Act nor any proof of seized machinery belonging to him have been filed.

6. In the writ petition, no papers has been filed to indicate that there actually exist a proprietorship concern in the name and style of M/s Umbrella Corporation. On the contrary, on perusal of paragraph no. 11 of the writ petition, we find that the petitioner has stated to have made representations dated 28.4.2022 and 2.5.2022 to the Additional District Magistrate (Finance and Revenue), Ghaziabad and copy whereof has been filed as Annexure nos. 1 and 2. Perusal of Annexure-2 to the writ petition shows that **it was sent by Asif Zaidi** through e-mail and as per schedule-1 annexed to the deed of guarantee appearing at page 84 of the personal affidavit of Additional District Magistrate (Finance and Revenue) dated 10.1.2023 who is the son of the petitioner and his full name is Ashar Asif Zaidi and the petitioner's full name of Asif K. Zaidi. Learned counsel for the petitioner has stated that full name of petitioner is Asif Khalik Zaidi. The petitioner has very conveniently concealed all these material facts in the writ petition.

7. Thus, the writ petition has been filed making false averments and suppressing material facts.

8. In the case of **United India Insurance Company Ltd. V. B.Rajendra Singh and others, JT 2000(3) SC.151,** considering the fact of fraud, Hon'ble Supreme Court held in paragraph 3 as under :

"Fraud and justice never dwell together". (Frans et jus nunquam cohabitant) is a pristine maxim which has never lost its temper overall these centuries. Lord Denning observed in a language without equivocation that "no judegment of a Court, no order of a Minister can be allowed to stand if it has been obtained by fraud, for fraud unravels everything"(Lazarus Estate Ltd. V. Beasley 1956(1)QB 702).

(Emphasis supplied by the Court)."

9. In the case of **S.P. ChengalVaraya Naidu (dead) by L.Rs Vs. Jagannath (dead) by L.Rs and others, AIR 1994 SC 853,** the Hon'ble Supreme Court held in para 7 as under :-

"7. The High Court, in our view, fell into patent error. The short question before the High Court was whether in the facts and circumstances of this case, Jagannath obtained the preliminary decree by playing fraud on the court. The High Court, however, went haywire and made observations which are wholly perverse. We do not agree with the High Court that "there is no legal duty cast upon the plaintiff to come to court with a true case and prove it by true evidence". The principle of "finality of litigation" cannot be pressed to the extent of such an absurdity that it becomes an engine of fraud in the hands of dishonest litigants. The courts of law are meant for imparting justice between the parties. One who comes to the court, must come with clean hands. We are constrained to say that more often than not, process of the court is being abused. Property-grabbers, tax-evaders, bank-loan-dodgers and other unscrupulous persons from all walks of life find the court-process a convenient lever to retain the illegal-gains indefinitely. We have no hesitation to say that a person, who's case is based on falsehood, has no right to approach the court. He can be summarily thrown out at any stage of the litigation."

10. We find that the petitioner has approached this Court by suppressing and concealing material facts. Therefore, the writ petition deserves to be dismissed with exemplary cost.

11. For all the reasons aforestated, the writ petition is **dismissed** with a cost of Rs. One lac which shall be deposited by the petitioner with the High Court Legal Services Committee within two weeks from today. A copy of this order shall be sent by the learned Standing Counsel to the Additional District Magistrate (Finance and Revenue), Ghaziabad within a week who shall ensure compliance of this order.

12. Since, the financier i.e. M/s Hero Fincorp Limited has not been made party in the present writ petition, therefore, we direct the Additional District Magistrate (Finance and Revenue), Ghaziabad to inform about this order to the aforesaid M/s Hero Fincorp Limited.

Counsel for the Petitioner:
Sri Jata Shankar Pandey, Sri Ashish Rai, Sri Om Prakash Rai, Sri Prabhat Kumar Srivastava, Sri Prakhar Srivastava, Sri Rakesh Kumar Srivastava

Counsel for the Respondents:
C.S.C., Ms. Anjali Upadhya, Sri Arvind Srivastava, Sri Prabhat Kumar Srivastava, Sri Rakesh Kumar Srivastava

(A) Civil Law - mere agreement to sell does not confer any title in the property - Clause U-3 of brochure - if due to any 'force majeure' or such circumstances beyond the Authority's control - the Authority is unable to make allotment or the possession of the allotted plot - entire registration money or the deposit - depending on the stage of allotment will be refunded along with simple interest at the rate of 4% per annum if delay in refund is more than one year from such date. (Para -4,11)

Plot allotted to petitioner - comprised of land acquired by Authority - under land acquisition proceedings - acquisition subject matter of challenge before Court in Writ Petition – dismissed - matter taken to Supreme Court – allowed -- delivery of possession of plot allotted to petitioner - beyond control of Authority - acquisition quashed by Supreme Court - Authority aware of factum of pending litigation - - not apprised allottees of the said fact - kept them in dark and instead of returning money - kept accepting installments.**(Para - 2,3,6)**

HELD:-Petitioner who had been deliberately deprived of the returns on her investment solely attributable to the Authority is entitled to interest at the rate of 4% per annum from the date of deposit till the date acquisition was set aside by the Supreme Court and @ 12% per annum for the period beyond it until the date of actual payment.**(Para -12)**

Petition Allowed with cost. (E-7)

(Delivered by Hon'ble Manoj Kumar Gupta, J.

&

Hon'ble Jayant Banerji, J.)

1. Heard Shri O.P. Rai, learned counsel for the petitioner, learned Standing Counsel for respondent no. 1 and Ms. Anjali Upadhya for respondent nos. 2 and 3.

2. The petitioner is an allottee of plot no. 19, Block-C, Sector Zeta-2, area 120 sq mts, vide allotment letter dated 7.1.2011, by Greater Noida Industrial Development Authority (for short "the Authority'). The allotment was on lease hold basis for 90 years. The allotment letter specifically mentions that possession was likely to be offered to the allottees within two years from the date of issue of allotment letter. The allottee had to complete formalities for execution of lease deed upon intimation. If the allottee fails to execute legal documents in time, action for cancellation of allotment and forfeiture of deposited money would be taken. According to brochure, 30% of the total premium of the plot (after adjusting registration money already paid) would be payable within 45 days from the date of allotment under Plan D-2 opted by the petitioner and balance 70% was payable in ten equal half-yearly installments calculated from the 46th day from the date of allotment with interest @ 12% per annum. The allottee had been given option to surrender the allotment. In case of surrender after the draw of plots/allotment but within 30 days from the date of allotment, 10% of the registration money would be forfeited and balance amount deposited would be refunded without interest. In case of surrender within 45 days of allotment under payment plan D-2, 50% of the registration money would be forfeited and balance amount would be refunded without any interest. In case the

allotment is surrendered after 45 days under payment plan D-2 but before six months from the date of allotment, 10% of the total premium of plot would be forfeited and the balance amount, would be refunded without any interest. In case of surrender after six months from the date of allotment, entire deposited money would be forfeited. In case the allottee fails to deposit the due amount within stipulated time, allotment was liable to be cancelled and in such case, the money deposited till the date of cancellation would be forfeited.

3. The petitioner deposited the registration money and installments (total: Rs. 19,80,071) from time to time. However, the Authority failed to execute lease deed and deliver possession of the allotted plot to the petitioner despite having realised entire amount from the petitioner in terms of the allotment letter. On 21.8.2019, the respondent-Authority for the first time informed the petitioner that the Authority had taken decision to cancel the Scheme and that refund will be made in terms of Clause U-3 of the brochure and the petitioner will only be paid 4% per annum interest. Even, thereafter, when money was not returned, the petitioner filed the instant petition for issue of a writ of mandamus directing the respondent-Authority to forthwith refund the entire amount with interest @ 12% per annum.

4. Under Clause U-3, it was provided that if due to any 'force majeure' or such circumstances beyond the Authority's control, the Authority is unable to make allotment or the possession of the allotted plot, entire registration money or the deposit, depending on the stage of allotment will be refunded along with simple interest at the rate of 4% per annum if delay in refund is more than one year from such date.

5. Learned counsel for the petitioner submitted that Clause U-3 is not applicable to the facts of the instant case inasmuch as the land acquisition proceedings in relation to the allotted land had concluded on 15.4.2011 when the Supreme Court allowed Civil Appeal No. 3261 of 2011 and quashed the acquisition proceedings. The retention of the money deposited by the petitioner thereafter was without any justification. It was not beyond the control of the Authority to refund the amount soon after the judgement was delivered by the Supreme Court. However, it kept the allottees in dark and cancelled the Scheme only on 31.5.2019, and offered to refund the money on 21.8.2019, and then also did not actually return the money, compelling the petitioner to approach this Court.

6. It is not disputed by Ms. Anjali Upadhya, learned counsel appearing on behalf of Greater Noida Authority that the plot which was allotted to the petitioner comprised of the land acquired by the Authority under the land acquisition proceedings and the acquisition was subject matter of challenge before this Court in Writ Petition No. 64127 of 2008 (Radhey Shyam Vs. State of U.P. and others). It was dismissed by this Court on 15.12.2008. Thereafter, the matter was taken to Supreme Court in S.L.P. (C) No. 601 of 2009 (Civil Appeal No. 3261 of 2011) which was allowed by the Supreme Court by judgement and order dated 15.4.2011. Thus, on the date when allotment was made, the challenge to the acquisition proceedings was pending before the Supreme Court. The draw of lots was held on 30.12.2010. The brochure did not indicate that the Greater Noida Authority had informed the prospective buyers about pendency of the said litigation before the Supreme Court.

7. As noted above, the Civil Appeal was allowed on 15.4.2011. It is true that delivery of possession of the plot allotted to the petitioner was beyond the control of the Authority as the acquisition was quashed by the Supreme Court. Nonetheless, as noted above, the Authority was aware of the factum of pending litigation but it had not apprised the allottees of the said fact even after the acquisition was quashed. It kept them in dark and instead of returning the money, it kept accepting the installments, such that it accepted money from the petitioner in half yearly installments upto 2.1.2017 with interest @ 12% per annum. It amounts to a clear fraud on part of the respondent-Authority and unjust enrichment. It was only when the petitioner raised the dispute that she was informed about return of money, without interest, taking shelter behind Clause no. U-3, which in our considered opinion, would not apply beyond the date on which the Supreme Court decided the challenge to the acquisition proceedings and quashed the same. It was well within the control of the Noida Authority to have returned the money to the allottees forthwith. In fact retention of money beyond that period amounts to breach of trust and a deliberate act on part of its officials.

8. It is noteworthy that under the scheme if the allottee opts for payment of premium in installments (Plan D-2- opted by the petitioner), he had to pay interest @ 12 per annum. In case of default in payment of installment beyond three months, the interest payable was 15% per annum. If for any reason, the allottee is unable to obtain lease and seeks surrender of the allotment, he is saddled with serious consequences including forfeiture of entire amount deposited up to that date. On the other hand, the Authority is not ready to pay interest even at the rate which it had charged from the allottees despite being grossly negligent in performing its obligations and duties. The Authority claims to have cancelled the scheme in the year 2019 which clearly goes to show that it was sleeping over the matter unconcerned with the plight of the allottees.

9. Apposite to note that after notice of the writ petition was served on the Authority on 7.6.2022, it sent a communication dated 21.6.2022 to the petitioner informing her that it would not be possible for the Authority even to return principal amount to the petitioner. It is stated therein that the version of the petitioner that the plot had not been sold by her to any one is not correct. She had executed an agreement to sell in favour of the intervenor (Gaurav Chandela) on 3.5.2013. His suit is pending in Civil Court (Case No.952 of 2021). Further, she had executed a Power of Attorney in favour of Sushil Kumar who had filed a writ in this Court. Consequently, until the cases are decided, the money would not be refunded to the petitioner.

10. The agreement to sell is without possession. On its basis, the intervenor had instituted Original Suit No.952 of 2021 against the petitioner and Greater Noida for permanent injunction restraining the defendants from acting in breach of the conditions stipulated in the agreement dated 3.5.2013 and for grant of damages @ Rs.50,000/- per month. The said suit is stated to be pending. No interim injunction or stay is operating in the said suit so as to prevent the Authority from returning the money deposited against the plot.

11. In paragraph 5 of the rejoinder affidavit, the petitioner has alleged that she

had cancelled the agreement to sell. Moreover, mere agreement to sell does not confer any title in the property. The suit that was filed was for permanent injunction and damages and not for specific performance. Additionally, as per Clause P-2, no transfer is permissible without permission of the Authority and that too, when transfer was made after execution of the lease deed. In the instant case, no lease deed was ever executed, so even otherwise, the Authority could not have taken notice of any such transaction. Therefore, the stand taken by the Authority that it would not return the money to the petitioner until the suit filed by the intervenor remains pending is also not sustainable in law. It should have left the inter se dispute between them to be decided in the suit.

12. Having regard to the facts and circumstances of the case, we are of the considered opinion that the petitioner who had been deliberately deprived of the returns on her investment solely attributable to the Authority is entitled to interest at the rate of 4% per annum from the date of deposit till the date acquisition was set aside by the Supreme Court that is 15.4.2011 and @ 12% per annum for the period beyond it until the date of actual payment.

13. We also note that not only the petitioner has been put to harassment by the respondent-Authority, but also has had to incur litigation expenses for which too she ought to be compensated.

14. In the result, the petition stands **allowed** with cost of Rs. 50,000/- to be paid by Greater Noida Authority to the petitioner within two weeks.

15. Before parting, we clarify that we should not be understood to have expressed opinion on any issue involved in the suit filed by the intervenor. All pleas and contentions therein are left open for being decided without being influenced by any observations made herein.

ORIGINAL JURISDICTION
CIVIL SIDE
DATED: ALLAHABAD 29.11.2022

BEFORE

THE HON'BLE YOGENDRA KUMAR SRIVASTAVA, J.

Writ-C No. 21993 of 2022
And
Writ-C No. 22082 of 2022

Alladin ...Petitioner
Versus
State of U.P. & Ors. ...Respondents

Counsel for the Petitioner:
Sri Hari Prakash Mishra, Sri Dharmendra Kumar Srivastava

Counsel for the Respondents:
C.S.C., Sri Ishir Sripat, Sri Krishna Kant Singh, Sri Mithilesh Kumar Mishra, Sri Saurabh Patel

(A) Revenue Law - The U.P. Revenue Code, 2006 - Sections 32, 38(1) & 210 - summary proceedings relating to correction of revenue records do not decide any question of title and the orders passed in such proceedings do not come in way of a person getting his rights adjudicated in a regular suit - writ petitions arising out of such summary proceedings, are not to be entertained in exercise of powers under Article 226 of the Constitution of India - an entry in revenue records does not confer title on a person whose name appears in records-of-rights - such entries are only for 'fiscal purposes' - no ownership is conferred on the basis thereof - question of title of a

property can only be decided by a competent court having jurisdiction in such matter.(Para - 6,9)

Entertainability of a writ petition - against orders passed in summary proceedings - order passed by Sub Divisional Magistrate and Additional Commissioner (Judicial).

HELD:-Refusal of Court to exercise its discretionary jurisdiction under Article 226 against orders passed in summary proceedings would be subject to the exceptions as laid down in case of **Smt. Kalawati vs. The Board of Revenue and 6 Others.** Exceptions not attracted in facts of either of the writ petitions. Does not wish to press the petitions. Petitioners would seek declaration of their rights by instituting proceedings before the appropriate forum. (Para -18,19)

Petitions Disposed of. (E-7)

List of Cases cited:

1. Smt. Kalawati Vs The B.O.R. & ors. , 2022 (4) ADJ 578

2. Harish Chandra Vs U.O.I. & ors. , 2019 (5) ADJ 212 (DB)

3. Mahesh Kumar Juneja & anr. Vs A.C.J. Moradabad Division & ors., 2020 (146) RD 545

(Delivered by Hon'ble Yogendra Kumar Srivastava, J.)

1. The two writ petitions are based on similar set of facts and raise common questions of law, accordingly with the consent of the parties, the petitions are being taken up for hearing together.

2. Heard Sri Dharmendra Kumar Srivastava, learned counsel for the petitioner, Sri Abhishek Shukla, learned Additional Chief Standing Counsel for the State respondents, Sri Ishir Sripat, learned counsel for the private respondents and Sri Pawan Kumar Singh, holding brief of Sri K.K. Singh, learned counsel for the Gram Sabha.

3. Writ C No. 21993 of 2022 has been filed seeking to assail the order dated 7.6.2019 passed by the Sub Divisional Magistrate, Kasganj in Case No. RST/03294 of 2018 (Computer Case No. T201818750103294, Alladin vs. State of U.P.) under Section 38(1) of the U.P. Revenue Code, 2006 and also the order dated 24.2.2022 passed by the Additional Commissioner (Judicial) Aligarh in Case No. 00051/2020 (Computer Case No. C 202018000000051, Alladin vs. Gram Panchayat and others) under Section 210 of the U.P. Revenue Code, 2006.

4. Writ C No.-22082 of 2022 has been filed challenging the order dated 7.6.2019 passed by the Sub Divisional Magistrate, Kasganj in Case No. RST/03292 of 2018 (Computer Case No. T201818750103292, Alladin vs. State of U.P.) under Section 38(1) of the U.P. Revenue Code, 2006 and also the order dated 24.2.2022 passed by the Additional Commissioner (Judicial) Aligarh in Case No. 00052/2020 (Computer Case No. C 202018000000052, Alladin vs. Gram Panchayat and others) under Section 210 of the U.P. Revenue Code, 2006.

5. On the previous occasion an objection had been raised by the counsel appearing for the State respondents and the counsel appearing for the private respondents with regard to the entertainability of the writ petition by pointing out that the petition arises out of summary proceedings under Sections 32/38 of U.P. Revenue Code, 2006.

6. Counsel for the petitioners after making submissions to some extent has

fairly conceded to the settled legal position that summary proceedings relating to correction of revenue records do not decide any question of title and the orders passed in such proceedings do not come in way of a person getting his rights adjudicated in a regular suit and it is for the said reason, that a consistent view has been taken by the courts that writ petitions arising out of such summary proceedings, are not to be entertained in exercise of powers under Article 226 of the Constitution of India.

7. In regard to the aforestated legal proposition, counsel for the parties are *ad idem*, and have placed reliance on the recent judgement of this Court in **Smt. Kalawati vs. The Board of Revenue and 6 Others.**

8. The question of entertainability of a writ petition against orders passed in summary proceedings has come up before this Court earlier and it has consistently been held that normally the High Court in exercise of its discretionary jurisdiction would not entertain writ petitions which arise out of such proceedings.

9. The settled legal position that an entry in revenue records does not confer title on a person whose name appears in records-of-rights and that such entries are only for 'fiscal purposes' and no ownership is conferred on the basis thereof, and further that the question of title of a property can only be decided by a competent court having jurisdiction in such matters, has been restated in recent decisions of this Court in **Harish Chandra vs. Union of India & Ors., Mahesh Kumar Juneja and another vs. Additional Commissioner Judicial Moradabad Division and others,** and **Smt. Kalawati vs. The Board of Revenue and 6 Others (supra).**

10. The reluctance of the Courts to interfere with orders arising out of mutation proceedings is primarily for the reason that the question at issue is with regard to correction of record-of-rights which is primarily maintained for revenue purposes and an entry therein has reference only to possession and does not ordinarily confer upon the person in whose favour it is made any title to the property in question.

11. The aforesaid inference that revenue entries made on the basis of orders of mutation do not ordinarily confer upon a person in whose favour they are made, any title to the property in question, stands fortified from the express provision contained under Section 39 of the Code which states in clear terms that the orders passed under the provisions relating to mutation of revenue records would not act as a bar against any person from establishing his rights to the land by means of a declaratory suit.

12. Section 39 of the Code, as referred to above, is being extracted below :-

"39. Certain orders of Revenue Officers not to debar a suit :- No order passed by a Revenue Inspector under Section 33, or by a Tehsildar under sub-section (1) of Section 35 or by a Sub-Divisional Officer under sub-section (3) of Section 38 or by a Commissioner under sub-section (2) of Section 35 or sub-section (4) of Section 38 shall debar any person from establishing his rights to the land by means of a suit under Section 144."

13. The aforementioned section clearly provides that no person shall be debarred from establishing his rights to the land by means of a declaratory suit under Section 144, irrespective of the fact that an order has been passed by; (i) a Revenue Inspector under Section 33 (mutation in case of succession), or (ii) a Tehsildar under sub-section (1) of Section 35 (mutation in case of transfer or succession), or (iii) a Sub-Divisional Officer under sub-section (3) of Section 38 (correction of error or omission), or (iv) a Commissioner under sub-section (4) of Section 38 (correction of error or omission).

14. Section 39 which expressly provides that the orders passed by revenue officers in cases of a mutation and correction of revenue entries would not debar filing of a declaratory suit, is a substantive provision, and corresponds to a similar provision contained under Section 40-A of the U.P. Land Revenue, 1901 (now repealed).

15. The language of the section emphasizes that it applies to all orders passed by the revenue officers in matters relating to mutation and correction of errors or omission of revenue entries and it provides in clear terms that such order shall not debar any person from establishing his rights to the land by means of a declaratory suit under Section 144.

16. The object of the section being to enable a person to seek declaration of his rights on questions of title irrespective of the orders passed in mutation proceedings with regard to correction of revenue entries, the remedy of seeking a declaration on questions of title by filing a declaration suit remains open. The existence of an efficacious statutory alternative remedy would therefore also be a reason for not entertaining a writ petition in exercise of discretionary jurisdiction under Article 226.

17. It may be added as a word of caution that the rule of exhaustion of statutory remedies is a rule of policy, convenience and discretion and existence of an alternate remedy would not divest the High Court of its powers under Article 226 which may be exercised in appropriate cases.

18. The refusal of the Court to exercise its discretionary jurisdiction under Article 226 in such matters would be subject to the exceptions as laid down in the case of **Smt. Kalawati (supra),** which are as follows:-

(i) the order or proceedings are wholly without jurisdiction;

(ii) rights and title of the parties have already been decided by a competent court, and that has been varied in these proceedings;

(iii) the order has been passed after entering into questions relating to entitlement, touching the merits of the rival claims;

(iv) rights have been created which are against provisions of any statute, or the entry itself confers a title by virtue of some statutory provision;

(v) the order has been obtained on the basis of fraud or misrepresentation of facts, or by fabricating documents;

(vi) the order suffers from some patent jurisdictional error i.e. in cases where there is a lack of jurisdiction, excess of jurisdiction or abuse of jurisdiction;

(vii) there has been a violation of principles of natural justice.

19. Counsel for the petitioners, has fairly submitted that the aforestated exceptions with regard to the rule of exhaustion of statutory remedy, would not

be attracted in the facts of either of the writ petitions. Learned counsel states that he does not wish to press the petitions and that the petitioners would seek declaration of their rights by instituting proceedings before the appropriate forum.

20. Counsel for the State respondents and the counsel for the private respondents have no objection.

21. The writ petitions stand **disposed of** in terms of the prayer so made.

ORIGINAL JURISDICTION
CIVIL SIDE
DATED: ALLAHABAD 19.12.2022

BEFORE

THE HON'BLE UMESH CHANDRA SHARMA, J.

Writ-C No. 22149 of 2000

Murali ...Petitioner
Versus
A.D.M. (Finance & Revenue), Ghazipur & Anr. ...Respondents

Counsel for the Petitioner:
Sri M.R. Gupta

Counsel for the Respondents:
C.S.C., Sri Anuj Kumar

(A) Land Law - Uttar Pradesh Zamindari Abolition and Land Reforms Rules, 1952 - Rule 115-A/Form 49-A , 115-C - Notice - The Uttar Pradesh Zamindari Abolition and Land Reforms Act, 1950 - Section 9, 49, 117, 198, 122-B - Powers of the Land Management Committee and the Collector - If any property of Gram Sabha is damaged or misappropriated, the Land Management Committee and the Collector are duty bound to take action - no right by way of adverse possession accrues over the land of the State - Long standing possession does not confer any right to any person over the land of the State or the Gram Panchayat - no limitation regarding dispossession of any person as the such person cannot take plea that he is in occupation since long because his possession over the Gram Panchayat land is illegal - no limitation for the eviction of an unauthorized occupant. (Para - 11,22,23)

Property in suit belongs to Gram Panchayat land - no objection during consolidation proceedings – no allotment to petitioner - petitioner an unauthorized occupant - responsible for damaging, misappropriating, illegally retaining and occupying property of Gram Panchayat - petitioner liable to be evicted - to pay compensation for damages, misappropriation and wrongful occupation over the property in suit - recoverable from him as arrears of land revenue – revision by state – held - no evidence to establish possession since before abolition of zamindari - order to evict petitioner.**(Para -19)**

HELD:-Petitioner not in possession and occupation since before zamindari abolition, but later occupied land after consolidation proceedings over banjar land of Gram Panchayat, resulting in Rank trespasser and responsibility to pay damages for misappropriating and unauthorizedly occupying the land. Order of revisional court upheld. **(Para -28)**

Petition Dismissed. (E-7)

7. Bhagwan Vs Gaon Sabha, Bijnore , 2006 (100) RD 620

8. Ganga Saran Vs St. of U.P. , 1992 RD 382 (Supp)

(Delivered by Hon'ble Umesh Chandra Sharma, J.)

1. This writ petition has been instituted to quash the order dated 25.04.2000 passed by Additional District Magistrate (Finance and Revenue), Ghazipur by which the revision was accepted and the lower court's order dated 11.07.1991 was quashed and it was held that gata no.13/4kha area 0-6-0 hectare is the Gram Panchayat land from which the petitioner was evicted and Rs.720/- as damages and Rs.5/- as execution fee were imposed.

2. The Court already heard Sri M.R. Gupta, learned counsel for the petitioner and Sri Jitendra Narayan Rai, learned Additional Chief Standing Counsel for respondent no.1.

3. The petitioner has taken ground and has mentioned the facts that a notice (annexure-1) under Rule 115-A/Form 49-A of UPZA and LR Rules was issued to the petitioner regarding plot no.13/4 area 0-6-9 dismal situated in Village Kazipur, Pargana, Tehsil and District Ghazipur by Assistant Collector First Class, Ghazipur. The petitioner filed objection (annexure-2) under Section 122-B of the Uttar Pradesh Zamindari Abolition and Land Reforms Act, 19501 and under Rule 115-C of the Uttar Pradesh Zamindari Abolition and Land Reforms Rules, 19522 stating that over the plot in suit the petitioner's house, trees, naad, khoota and charan are standing since the period of zamindari. In evidence dated 06.04.1991 (annexure-3) lekhpal admitted that house is 50 years old and trees are 40-45 years old and there are nad, khoonta and charan which were also in the disputed land. Tehsildar, Sadar by his order dated 11.07.1991 (annexure-4) dismissed the case giving finding that he has also made inspection and the house his more than 50 years old and nad, khoonta, charan and trees of the petitioner are there and he is living since more than 50 years.

4. Respondent no.1 giving perverse finding allowed the revision vide order dated 25.04.2000 (annexure-5). As per intekhab, khatauni (annexure-6) the petitioner is a marginal farmer having only .680 area of land. If the impugned order dated 25.04.2000 is not quashed the petitioner will suffer irreparable loss and injury. Hence, the petition be allowed and impugned order be quashed and the writ of mandamus be also issued directing the respondent not to dispossess the petitioner from the property in suit.

5. All the papers referred in the petition are annexed by the petitioner. No counter affidavit has been filed by the respondents. The petitioner is Yadav by caste. He has annexed only one extract of khatauni from which it is disclosed that an area 0.680 hectare is recorded in the name of petitioner but no other paper like question-answer has been filed to establish that except the aforementioned area of land the petitioner is not the owner of any other land. If the petitioner is marginal farmer and he comes under the category of priority, any land not belonging to public utility land of the village panchayat can be allotted to him but neither proposal for allotment of patta of the property in suit has been made in favour of the petitioner nor any patta has been executed in his favour as per law.

6. It is admitted to the parties that the property in suit khasra no.13/4 is Gram Panchayat banjar land. According to the petitioner there is naad, khoonta, charan, hut, trees, house and khalihan of the petitioner for more than 50 years and the petitioner is living there for more than 50 years but the Lekhpal has deposed that the petitioner has illegally occupied the land after consolidation. According to the petitioner these things are since the time of his father, Vishambhar.

7. Neither the petitioner nor the respondent has filed extract of khatauni and khasra but from the impugned order and on the basis of admission of the petitioner, it was established fact that the property in suit is Gram Panchayat banjar land.

8. In cross-examination the Lekhpal has admitted that before consolidation the property in suit was not abadi land but it would have been banjar land. At present also it is recorded as banjar land in which about 8 persons have unauthorizedly occupied the land of Gram Panchayat against which reports have been made.

9. According to Lekhpal name of Murali's father is Tufani not Vishuni. He further reported that over the property in suit the petitioner has constructed naad, charan, khoonta, hut and house. There are trees also in front of the house. The land is used by the petitioner as abadi land. The petitioner is in possession for about 5-6 years before. The Tehsildar has also referred the statement of Lekhpal in which the Lekhpal had deposed that the total area of khasra no.13 is 5-11-13 out of which 6 dismal area has been occupied by the defendant. Khasra no.13 was not the abadi land before the consolidation. The property in suit is recorded as banjar land. In order dated 11.07.1991 the Tehsildar concluded that there are about 50 years old houses in the property in suit. There are other things hence notice under Section 49-A had been taken back. The State had preferred revision i.e. Revision No.9 of 1991, under Section 122-B(4A) of the Act, 1950 which has been decided by Additional Collector/ADM, Ghazipur on 25.08.2000 in which the State has condemned the order of Tehsildar and said that Tehsildar has not rightly analyzed the evidence available on record.

10. From the records it is proved that the property in suit is Gram Panchayat property and the Tehsildar has passed the order beyond his jurisdiction. The revisional court found that the property in suit i.e. khasra no.13/4 area 6 dismal is banjar Gaon Sabha land upon which the petitioner had constructed houses etc. The petitioner has said that the house etc. are since before the zamindari abolition, naad khoonta, charan, khalihan and hut are also there since before the zamindari abolition. The revisional court pointed out the statement of Lekhpal that the property in suit was not the abadi land since before the consolidation but was a banjar land which has been occupied by the respondent after the consolidation. The revisional court also found that the petitioner has not produced any evidence to establish his possession since before the abolition of zamindari and for the purposes of suit oral evidence is not sufficient. The revisional court concluded that the order of the lower court is incorrect and allowed the revision and passed an order to evict the petitioner and imposed Rs.720/- as damages and Rs.5/- as execution fees. The revisional court also directed that the file be consigned after complying with the order.

11. From perusal of the papers available on record it has been clearly

established that the property in suit is Gram Panchayat banjar land and the petitioner is Yadav by caste who belongs to OBC. If any property of Gram Sabha is damaged or misappropriated, the Land Management Committee and the Collector are duty bound to take action. In this regard rules and laws are framed under Section 122-B of the Act, 1950. Since the matter belongs to the time when the Act, 1950 was into operation therefore, the provisions of the aforementioned Act are considered and referred. Section 122-B of the Act, 1950 reads as under:-

***"122-B. Powers of the Land Management Committee and the Collector.**--(1) Where any property vested under the provisions of this Act in a Gaon Sabha or a local authority is damaged or misappropriated or where any Gaon Sabha or local authority is entitled to take or retain possession of any land under the provisions of this Act and such land is occupied otherwise than in accordance with the provisions of this Act, the Land Management Committee or local authority, as the case may be, shall inform the Assistant Collector concerned in the manner prescribed.*

(2) Where from the information received under sub-section (1) or otherwise, the Assistant Collector is satisfied that any property referred to in sub-section (1) has been damaged or misappropriated or any person is in occupation of any land, referred to in that sub-section, in contravention of the provisions of this Act, he shall issue notice to the person concerned to show cause why compensation for damage, misappropriation or wrongful occupation as mentioned in such notice be not recovered from him or, as the case may be, why he should not be evicted from such land.(3) If the person to whom a notice has been issued under sub-section (2) fails to show cause within the time specified in the notice or within such extended time not exceeding thirty days from the date of service of such notice on such person, as the Assistant Collector may allow in this behalf, or if the cause shown is found to be insufficient, the Assistant Collector may direct that such person may be evicted from the land any may for that purpose, use, or cause to be used such force as may be necessary and may direct that the amount of compensation for damage, misappropriation or wrongful occupation be recovered from such person as arrears of land revenue.

(4) If the Assistant Collector is of the opinion that the person showing cause is not guilty of causing the damage or misappropriation or wrongful occupation referred to in the notice under sub-section (2) he shall discharge the notice.

(4-A) Any person aggrieved by the order of the Assistant Collector under sub-section (3) or sub-section (4) may, within thirty days from the date of such order, prefer a revision before the Collector on the grounds mentioned in clauses (a) to (e) of Section 333.

(4-B) The procedure to be followed in any action taken under this section shall be such as may be prescribed.

(4-C) Notwithstanding anything contained in Section 333 or Section 333-A, but subject to the provisions of this section--

(i) every order of the Assistant Collector under this section shall, subject to the provisions of sub-sections (4-A) and (4-D), be final,

(ii) every order of the Collector under this section shall, subject to the provisions of sub-section (4-D), be final.

(4-D) Any person aggrieved by the order of the Assistant Collector or

Collector in respect of any property under this section may file a suit in a Court of competent jurisdiction to establish the right claimed by him in such property.

(4-E) No such suit as is referred to in sub-section (4-D) shall lie against an order of the Assistant Collector if a revision is preferred to the Collector under sub-section (4-A)

Explanation.- For the purposes of this section, the expression "Collector' means the officer appointed as "Collector' under the provisions of the U.P. Land Revenue Act, 1901 and includes an Additional Collector.

(4-F) Notwithstanding anything in the foregoing sub-sections, where any agricultural labourer belonging to a Scheduled Caste or Scheduled Tribe is in occupation of any land vested in a Gaon Sabha under Section 117 (not being land mentioned in Section 132) having occupied it from before May 13, 2007 and the land so occupied together with land, if any, held by him from before the said date as bhumidhar, Sirdar or asami, does not exceed 1.26 hectares (3.125 acres), then no action under this section shall be taken by the Land Management Committee or the Collector against such labourer, and he shall be admitted as bhumidhar with non-transferable rights of that land under Section 195 and it shall not be necessary for him to institute a suit for declaration of his rights as bhumidhar with non-transferable rights in that land.

Explanation.--The expression "agricultural labourer" shall have the meaning assigned to it in Section 198.

5. Rules 115-C to 115-H of the U.P. Zamindari Abolition and Land Reforms Rules, 1952, shall be and be always deemed to have been made under the U.P. Zamindari Abolition and Land Reforms Act, 1950 as amended by the Uttar Pradesh Land Laws (Second Amendment) Act, 1961, as if this section has been in force on all material dates and shall accordingly continue in force until altered or repealed or amended in accordance with the provisions of this Act."

12. According to Section 122-B(1) if any property vested in Gram Panchayat is damaged or misappropriated the Gram Panchayat is entitled to take or retain possession. If the land is occupied otherwise than in accordance with the provisions of the Act, 1950, the Land Management Committee or local Authority shall inform the Assistant Collector concerned in the manner prescribed. Under Section 122-B(2) if Assistant Collector is satisfied that the property of Gram Panchayat has been damaged or misappropriated or any person is in occupation of any land in contravention of the provisions of the Act, 1950, he shall issue notice to the concerned person to show cause why compensation for damages, misappropriation or wrongful occupation be not recovered from him and why he should not be evicted from such land. According to Section 122-B(3) if the explanation is found to be insufficient the Assistant Collector may direct that such person may be evicted from the land and direct that the amount of compensation for damages, misappropriation or wrongful occupation be received as arrears of land revenue. According to Section 122-B(4) if the Assistant Collector is of opinion that the person is not guilty of causing the damage or misappropriation or wrongful occupation, he shall discharge the notice.

13. In this case the Assistant Collector has discharged the notice being satisfied that the petitioner was in occupation for about 50 years over the property in suit.

14. According to Section 122-B(4A) any person aggrieved by the order of Assistant Collector may within 30 days prefer a revision before the Collector on the grounds mentioned in clauses (a) to (c) of Section 333 of the Act, 1950. According to Section 122-B(4C) every order of the Assistant Collector shall be final subject to the provisions of sub-sections (4A) and (4D) meaning thereby the order of the Assistant Collector would be subject to the decision of the revisional court or subject to sub-section (4D) and further every order of the Collector under shall be final subject to the provisions of sub-section (4D). According to Section 122-B(4D), any person aggrieved by the order of the Assistant Collector or the Collector in respect of any property under this Section, may file a suit in a court of competent jurisdiction to establish the right claimed by him in such property. But sub-section (4E) imposes a rider that no such suit as is referred to in sub-section (4D) shall lie against an order of the Assistant Collector, if a revision is preferred to the Collector under sub-section (4A).

15. In this case the State has exercised its power under sub-section (4A) and has preferred revision before the Collector which has been allowed on 25.04.2000 though no revision has been preferred by the petitioner. Thus, it appears that the right to file suit by the petitioner still exists.

16. Sub-section (4F) provides a remedy from the eviction to the persons who are agricultural labourer belonging to a Scheduled Caste or Scheduled Tribe. If they are in occupation of any land vested in a Gaon Sabha under Section 117 (not being the land mentioned in Section 132) having occupied it from before May 13, 2007 and the land so occupied together with land, if any, held by him from before the said date as bhumidhar, sirdar or asami does not exceed 1.26 hectares (3.125 acres) then no action (under this section) shall be taken by the Land Management Committee or the Collector against such labourer and shall be admitted as bhumidhar with non-transferable rights of that land under Section 195 and it shall not be necessary for him to institute a suit for declaration of his rights as bhumidhar with non-transferable rights in that land.

17. As it is admitted to both the parties that the petitioner being Yadav by caste is a member of OBC, he does not belong to scheduled caste or scheduled tribe, therefore, the protection of sub-section (4F) is not available to him.

18. It is also admitted to the parties that the concerned village has been under the consolidation operation and after the consolidation new records of rights have been prepared in which the property in suit has been left as Gaon Sabha banjar land which belongs to Gram Panchayat property under Section 117 of the Act, 1950. If the petitioner's house and the other things would have been there, certainly at the time of preparation of *akar patra 2-Ka* during the consolidation operation it would have been noticed by the consolidation authorities meaning thereby consolidation authorities left this land for the purposes of Gaon Sabha as Gaon Sabha land which can be allotted to the eligible persons in accordance with law as enumerated in Section 198 of the Act, 1950. The petitioner has neither made any representation nor moved any application to allot the land to him nor Land Management Committee has proposed the land in suit to allot the petitioner nor any such order has been passed by the

competent authority. If the petitioner was in use and occupation over the property in suit since before the zamindari abolition, it was his duty to file objection before the consolidation authorities that the property in suit has been vested with him under Section 9 of the Act, 1950 and is not open and available for the consolidation. If no such objection or application has been moved or if such objection or application has been moved but has been declined by the consolidation authorities, there would be bar to raise the objection again in view of Section 49 of the UP Consolidation of Holdings Act, 1953.

19. In this case the property in suit belongs to the Gram Panchayat land about which no objection had been raised by the petitioner during the consolidation proceedings. The property in suit has not been allotted to the petitioner, therefore, it is concluded that the petitioner is an unauthorized occupant and is responsible for damaging, misappropriating, illegally retaining and occupying the property of the Gram Panchayat, therefore, the petitioner is liable to be evicted and is also liable to pay compensation for damages, misappropriation and wrongful occupation over the property in suit which is recoverable from him as arrears of land revenue.

20. In **Chob Singh Vs. State of UP, Suraj Bali Vs. Gaon Sabha** and **Shripati Vs. Gaon Sabha** it is held that illegal construction on Gaon Sabha land, planting of trees and including a part of chakroad in the adjoining land are instances of causing damage or misappropriation of Gaon Sabha property.

21. In **Uttam Singh Vs. Board of Revenue** it is held that the Board of Revenue is competent to direct the demolition of construction.

22. It is settled law that no right by way of adverse possession accrues over the land of the State. Long standing possession does not confer any right to any person over the land of the State or the Gram Panchayat and there is no limitation regarding dispossession of any person as the such person cannot take plea that he is in occupation since long because his possession over the Gram Panchayat land is illegal.

23. In **Sukhdev Vs. Collector, Banda** it is held that there is no limitation for the eviction of an unauthorized occupant.

24. In this petition the petitioner has also taken plea that he is in possession since before the abolition of zamindari but about this the revisional court had given finding that on the basis of the evidence of Lekhpal that about eight persons have illegally occupied the land of the impugned khasra and notices have been issued to them. The revisional court has concluded that the petitioner has occupied land after the termination of consolidation proceedings.

25. In **Dal Singh Vs. Additional Collector, Meerut** it is held that finding regarding unauthorized occupation is a finding of fact and it is not liable to be quashed by the High Court. The principles laid down in this case goes against the petitioner.

26. Though the property in suit is not the abadi land but is recorded as banjar land but in **Bhagwan Vs. Gaon Sabha, Bijnore** it is held that proceedings under

this section can be initiated, even if land in dispute is abadi land.

27. It has already been concluded that since the petitioner does not belong to the scheduled caste or scheduled tribe, the benefit under sub-section (4F) is not available to him. In **Ganga Saran Vs. State of UP** it is held that the benefit of sub-section (4F) is not available to a member of backward class.

28. On the basis of the aforesaid discussion this Court is of the view that the petitioner was not in possession and occupation over the property in suit since before the zamindari abolition. He had occupied the land later on after the closer of consolidation proceedings over the banjar land of Gram Panchayat for which he was in no way entitled. He is a rank trespasser and he is responsible to pay the damages for misappropriating and unauthorizedly occupying the land of Gram Panchayat hence the order of the revisional court is upheld. The petition lacks merit and is liable to be dismissed with costs.

ORDER

29. The petition is dismissed and the order of revisional court dated 25.04.2000 is affirmed. The respondents may proceed to comply with the order of the revisional court and this Court as well.

30. A copy of this order be sent to the Collector, Ghazipur for necessary compliance.

Shipra Hotels Ltd. & Anr. ...Petitioners
Versus
Union of India & Ors. ...Respondents

Counsel for the Petitioners:
Sri Komal Mehrotra, Sri Aditya Sharma, Sri Mohammad Khalid, Sri Amit Saxena, Sri Anurag Khanna (Senior Adv.)

Counsel for the Respondents:
C.S.C., Sri Raghav Dwivedi, Sri Veerendra Kumar Shukla, Sri Navin Sinha (Senior Adv.), Sri Apurva Hajela

(A) SARFAESI Law - The Securitisation and Reconstruction of Financial Assets and Enforcement of Securities Interest Act, 2002 - Section 13(2), 13(4) - Enforcement of security interest, Section 14 - Chief Metropolitan Magistrate or District Magistrate to assist secured creditor in taking possession of secured asset - "Ministerial Act" - The Security Interest (Enforcement) Rules, 2002 - Rule 8 - sale of immovable secured assets - principles of natural justice are integral part of Article 14.(Para - 43)

Validity of order passed under Section 14 of the SARFAESI Act' 2002 - under challenge - ground - no notice or opportunity of hearing granted to petitioners (borrowers) - issue - whether borrower entitled to notice and opportunity of hearing in the proceeding under Section 14 of the SARFAESI Act, 2022.**(Para -2,22)**

(B) Principles of natural justice - observance of principles of natural justice is at the stage of Section 13(3A), i.e. before the secured creditor proceeds to initiate coercive measure against the borrower under Section 13(4) of the Act - Once the borrower is granted opportunity at the stage prior to initiation of the

coercive measures after calling upon him to pay the dues of the secured creditor - no further opportunity is to be given either at the stage of Section 13(4) or Section 14.(Para - 46)

HELD:-Section 14 of the SARFAESI Act, 2002 states that CMM/DM acting under this act is not required to give notice to the borrower at the stage of the decision or passing order. Instead, the Magistrate must serve upon the borrower before taking any steps for his forcible dispossession by such steps or use of force. The date fixed for such forcible action must be sent in advance so that the borrower can remove their belongings or make alternative arrangements. Orders passed under this Act, however, were turned down.**(Para - 52,53)**

(Delivered by Hon'ble Mrs. Sunita Agarwal, J.
&
Hon'ble Vipin Chandra Dixit, J.)

1. Heard Sri Amit Saxena learned Senior Counsel assisted by Sri Komal Mehrotra learned counsel for the petitioners, Sri Manish Goyal learned Additional Advocate General assisted by Sri Apoorva Hajela learned Standing Counsel for the State-respondents, Sri Anurag Khanna learned Senior Counsel assisted by Sri Veerendra Kumar Shukla learned counsel for the respondent No.3 and Sri Navin Sinha learned Senior Counsel assisted by Sri Raghav Dwivedi learned counsel for respondent No. 4. Ms. Rekha Singh learned Advocate holding brief of Sri Sanjay Kumar Gupta appeared for the respondent bank. Sri Utkarsh Singh learned counsel for the petitioner in Writ-C No. 27814 of 2022 has adopted the arguments of Sri Amit Saxena learned Senior Counsel on the issue of providing opportunity of hearing at the stage of the decision by CMM/DM under Section 14 of the SARFAESI Act' 2002. Learned counsels for the petitioners in other connected writ petitions have also adopted the arguments of the learned Senior Counsels for the petitioners.

2. The common dispute raised in all the connected writ petitions is about the validity of the order passed under Section 14 of the Securitisation and Reconstruction of Financial Assets and Enforcement of Securities Interest Act, 2002 (hereinafter referred to as "SARFAESI Act, 2002") by the authorized officer namely the Additional District Magistrate (Finance & Revenue), Ghaziabad, Meerut Commissionerate and the Additional District Magistrate (Finance & Revenue), Varanasi, on the ground that no notice or opportunity of hearing has been granted to the petitioners herein who are the borrowers and, thus, the orders impugned suffer from violation of principles of natural justice. Hence, they have been heard together and are being decided by this common judgment.

3. In Writ-C No. 22594 of 2022 (Shipra Hotels Limited and another vs. State of U.P. and 3 others), an issue with regard to the jurisdiction of the Additional District Magistrate (F.&R.), Ghaziabad has also been raised to pass such order beyond the period of 60 days prescribed in the 3rd proviso to sub-section (1) of Section 14 of the SARFAESI Act, 2002.

4. The main prayer of the petitioners, thus, is that a declaration that natural justice as implied mandatory requirement, should be read into Section 14 of the SARFAESI Act, be made by this Court.

5. It is argued by Sri Amit Saxena learned Senior Advocate assisted by Sri Komal Mehrotra learned counsel for the petitioners in the leading writ petition that it is well known principle of law that if a statute does not exclude compliance with the principles of natural justice either expressly or by necessarily implication, compliance with natural justice has to be read into the statute. The fundamental principles of natural justice, including audi altrum paltrum have been insisted by the Courts to bring procedural fairness into a decision and infraction thereof has lead to quashing of such decisions.

It is argued that the applicability of principles of natural justice is not

dependent upon any statutory provision. The principle has to be mandatorily applied irrespective of the fact as to whether there is any such statutory provision or not.

Reliance is placed on the decision of the Apex Court in **Dharampal Satyapal Limited Vs. Deputy Commissioner of Central Excise, Gauhati and others** to assert that where a statute authorises interference with properties or other rights and is silent on the question of hearing, the Courts would apply rule of universal application founded on plainest principles of natural justice. [Reference **De Smith {Judicial Review of Administrative Action (1980), at page 161}]**

It is argued that the fundamental principle of administrative law in **Wade [Administrative Law (1977), at page 395]** emphasizes that principles of natural justice operate as implied mandatory requirements, non-observance of which invalidates the exercise of power.

In **A. K. Kraipak and others vs. Union of India and others**, it was held that the rules of natural justice operate in areas not covered by any law. They do not supplant the law of the land but supplement it. They are not embodied rules and their aim is to secure justice or to prevent miscarriage of justice.

It was held in **Managing Director, ECIL, Hyderabad v. B. Karunakar** that the subject of natural justice is to be made applicable to administrative proceedings also especially when it is not easy to draw the line that demarcates administrative enquiry from quasi-judicial ones. An unjust decision in an administrative inquiry may have a more far reaching effect than a decision in a quasi-judicial inquiry.

6. Based on the said principles, it was vehemently argued by the learned Senior Counsels for the petitioners that by virtue of sub-section (3) of Section 14, finality has been attached to the order of the Chief Metropolitan Magistrate (CMM)/District Magistrate (DM)/Autorised Officer. No other forum has been provided under the SARFAESI Act, 2002 to challenge the order under Section 14 and the only remedy is to approach the Writ Court.

7. It is contended that since an order of CMM/DM under Section 14 for taking possession would visit a borrower with civil consequences, no such order can be made without complying with natural justice. It is further argued that as per the first proviso to sub-section (1) of Section 14, the application under sub-section (1) moved by the secured creditor is to accompany by an affidavit duly affirmed by the authorized officer of the secured creditor which require declaration as per clauses (i) to (ix) of the said proviso. Meaning thereby, for maintaining an application under Section 14(1) of the Act, 2002, the secured creditor/bank is required to make out a case for initiation of action under Section 14. The factual disclosure made by the secured creditor in the affidavit accompanying the application would be the basis for application of mind by the Authorized Officer namely CMM/DM to record a satisfaction as to whether the proceedings under Section 14 of the Act, 2002 is to be drawn or not. The factual statements made in the affidavit of the secured creditor can be rebutted by the borrower, only when notice and opportunity is provided to him. It is argued that in order to verify the correctness of the statement made by the authorized officer of the secured creditor, it is necessary to grant opportunity of hearing to the borrower. The satisfaction to be recorded by the CMM/DM to the contents of the affidavit

though is subjective but the information provided to the said Authority must be correct so as to initiate coercive measure of dispossession of the borrower from the secured asset.

It is argued that wherever coercive measures are taken under any statute by administrative/quasi-judicial authorities, principles of natural justice have to be followed.

Reliance is placed on the decision of the Division Bench of this Court in **Kumkum Tentiwal vs. State of U.P. & Others** to submit that no exparte satisfaction can be recorded by the CMM/DM on the affidavit of the secured creditor when he files an application for taking possession by use of force. The Division Bench therein has held that it is essential that principles of natural justice are followed even while exercising the powers under Section 14 which include the right to be heard. It has taken note of the fact that sub-section (2) of Section 14 authorises the District Magistrate to "take or caused to be taken such steps and use or caused to be used such force as matter, in his opinion, be necessary". It is held therein that the import of the said power is that the District Magistrate can use coercive measures for taking the possession, the right of the occupier to resist or object to the use of force or to point out any deficiency in the affidavit that has been filed by the secured creditor, can be exercised only when a notice is given and an opportunity of hearing is afforded to such person, who may be in occupation. The objection with regard to the maintainability of the writ petition on the plea of remedy of filing application under Section 17 of the SARFAESI Act, 2002 has been turned down therein holding that it cannot be said that an appeal lies against an order passed under Section 14 of the SARFAESI Act or that the necessity of hearing can be dispensed with under Section 14 by the District Magistrate. It was held therein that from the scheme of the Act, it is implicit that the procedure of Sections 13(2) and 13(4) is mandatorily to be followed before initiating action under Section 14 of the Act. The borrower on initiation of action under Section 14 of the Act, may at times plead that he was not provided any opportunity of hearing as envisaged under Section 13(2) of the Act entitling him to pay the dues within 60 days and, therefore, the action under Section 14 is illegal and misconceived. From this point of view as well, notice or opportunity of hearing is necessary to the borrower or guarantor although it may be as a formality at times, before initiating action under Section 14 of the Act.

8. It is argued that the said principle was laid down by the Division Bench in **Kumkum Tentiwal** (supra) taking note of the law laid down by the Apex Court in **Harsh Govardhan Sondagar v. International Assets Reconstruction Company Ltd..** In the said case, in paragraph "28', while analyzing the scope of Section 14, it was clearly observed that when an application is filed, the Chief Metropolitan Magistrate or the District Magistrate will have to give a notice and opportunity of hearing to the persons claiming to be the lessee as well as to the secured creditor, consistent with the principles of natural justice, and then take a decision. If the CMM/DM is satisfied that there is a valid lease created before the mortgage or there is a valid lease created after the mortgage in accordance with the requirements of Section 65A of the Transfer of Property Act and that the lease has not been determined in accordance with

the provisions of Section 111 of the Transfer of Property Act, he cannot pass an order for delivering possession of the secured asset to the secured creditor.

It was further noted by the Division Bench that the Apex Court therein while dealing with the remedies available to the aggrieved party against any action/order passed under Section 14 of the SARFAESI Act has held that the SARFAESI Act, 2002 attaches finality to the decision of the Chief Metropolitan Magistrate or the District Magistrate and this decision cannot be challenged before any court or any authority and, as such, the remedy lies to the aggrieved party to challenge the said decision before the High Court under Articles 226 and 227 of the Constitution of India where the High Court can examine the decision of the CMM/DM, as the case may be, in accordance with the settled principles of law.

9. It was argued that relying upon the said decision, various Division Benches of this Court from time to time have disposed of the writ petitions filed by the borrowers relegating them to approach the Chief Metropolitan Magistrate/District Magistrate with the direction to grant opportunity of hearing. The decisions in **M/s Kaushambi Paper Mills Pvt. Ltd. And 2 others vs. Additional District Magistrate and 2 others** dated 31.8.2020 and **Smt Shakeela Begum vs. State of U.P. and 4 others** dated 9.8.2021 have been placed before us. A judgment and order dated 4.11.2020 passed by a Division Bench of this Court in **Zainul Abdin vs. Bank of Baroda and 3 others** has further been placed before us to point out that doubting the correctness of the Division Bench judgment in **Kumkum Tentiwal** (supra) to provide notice and opportunity of hearing to the borrower, the question has been referred for reconsideration by a Full Bench.

It is, thus, argued that as on date, the judgment in Kumkum Tentiwal (supra) is holding the field and is to be applied in the facts and circumstances of the present case.

10. In rebuttal, Sri Manish Goyal learned Additional Advocate General for the State respondents, Sri Naveen Sinha and Sri Anurag Khanna learned Senior Counsels appearing for the private respondents, at the outset, submitted that the judgment and order dated 31.8.2020 in Writ-C No. 12699 of 2022 passed by this Court has been subjected to challenge before the Apex Court in Special Leave to Appeal (C) No. 3687 of 2021 wherein the operation of the said judgment has been stayed vide an interim order dated 19.7.2021 passed therein.

As regards the law laid down by the Division Bench in **Kumkum Tentiwal** (supra), it is argued by the learned Senior Counsels appearing for the respondents that the said judgment proceeds on wrong appreciation of the legal provisions pertaining to the proceeding under Section 14 of the SARFAESI Act, 2002.

The contention is that the scheme of the Act and the decision of the Apex Court in **Harsh Govardhan Sondagar** (supra) has been misappreciated in arriving at the conclusion drawn by the Division Bench of this Court. Various decisions of the Supreme Court pertaining to the field and the statutory provisions of SARFAESI Act, 2002 have been ignored while arriving at the conclusion therein and hence the said decision may not be followed, being *per incuriam*.

11. Learned Senior Counsels for the respondents have insisted that the matter be

heard on merits to deal with the arguments of the learned Senior Counsel for the petitioners instead of keeping it pending in view of the reference made by another Division Bench doubting correctness of the decision in **Kumkum Tentiwal** (supra). As the pendency of the reference does not restrain this Court in dealing with the question of law.

12. To support his arguments, Sri Manish Goyal learned Additional Advocate General has taken us to the scheme of the SARFAESI Act, 2002, the Enforcement of Security Interest and Recovery of Debts Laws and Miscellaneous Provisions (Amendment) Bill, 2016 whereby amendment in the Securitisation and Reconstruction of Financial Assets and Enforcement of Securities Interest Act, 2002 have been brought to place the statement of objects and reasons for bringing the said enactment. It is placed before us that the statement of objects and reasons of the aforesaid Bill No. 144 of 2016 records that the SARFAESI Act, 2002 and the Recovery of Debts due to Banks and Financial Institutions Act, 1993 were enacted for expeditious recovery of loans of banks and financial institutions. Though the Recovery of Debts due to Banks and Financial Institutions Act, 1993 provided for a period 180 days for disposal of recovery applications, the cases were pending for many years due to various adjournments and prolonged hearing. In order to facilitate expeditious disposal of recovery applications, it had been decided to amend the said Acts. The amendments in the SARFAESI Act, 2002 were proposed to suit changing credit landscape and to augment ease of doing business which inter alia include "specific timeline for taking possession of secured assets". The time period of 30 days within which the CMM/DM is required to dispose of the applications filed by the secured creditor has been inserted by Act No. 44 of 2016 w.e.f. 1.9.2016. Third proviso to sub-section (1) of Section 14 of the SARFAESI Act has also been added to make it incumbent upon the CMM/DM to give reasoning in writing for delay in disposal of the application of the secured creditor within the period of 30 days prescribed in the Second proviso to pass orders under Section 14.

It is then argued that the entire scheme of the SARFAESI Act, 2002 is to be seen to examine as to how and where Section 14 has been placed by the legislature and to see whether any Grievance Redressal Scheme is in place to challenge the coercive action taken to secure possession. It is submitted that Chapter III under the scheme of SARFAESI Act, 2002 is for "Enforcement of Security Interest" which includes Section 17, the remedy, for the application before DRT by an aggrieved person including borrower. Section 18, in the same chapter, provides for appeal to the appellate tribunal by a person aggrieved by the order of the Tribunal under Section 17. Section 19 of the Act, 2002 contained in Chapter III further safeguards the borrower against dispossession from the secured asset by the secured creditor, except in accordance with the provisions of the Act, 2002 and Rules made thereunder. It provides for the right of the borrower or any other aggrieved person to receive such compensation and cost as may be determined, in the proceedings before the Tribunal under Sections 17 or appeal under Section 18, if the possession of secured assets by the secured creditor is not in accordance with the provisions of the Act and rules made thereunder and also seek direction to the

secured creditors to return such secured assets.

13. It is argued by Sri Manish Goyal learned Additional Advocate General that Section 13(2) provides for 60 days time to the borrower to discharge his full liabilities and, in case, he is aggrieved by the notice or the details given in the notice under sub-section (2) of Section 13, he may make representation or raise objection by invoking provisions of sub-section (3A) of Section 13. In case such objection/representation is filed by the borrower, it becomes incumbent upon the secured creditor to consider the same and communicate its decision, the reasons for non-acceptance of the representation/objection. The decision on the said representation/objection has not been made justiciable, i.e. it cannot be challenged by taking recourse to Section 17 of the Act, 2002 for the reason that the borrower has right to challenge the notice issued at the next step, i.e. under sub-section (4) of Section 13, whereunder the secured creditor may take recourse to the measures provided therein to recover his secured debts, in case, the borrowers fails to discharge his liability within the period specified in sub-section (2) of Section 13. It is placed before us that the application under 17 under Chapter III before the Tribunal is maintainable at this stage that means if the representation/objection(s) of the borrower under sub-section (3A) of Section 13 is/are not accepted and the secured creditor proceeds to take any of the measures to secure his/its debt by issuing notice under sub-section (4) of Section 13, the borrower has a right to challenge the action of the secured creditor. The contention is that the Grievance Redressal Forum is provided at every stage of the proceeding, when a notice under sub-section (2) of Section 13 is issued to the borrower calling upon him to make payment of outstanding dues and further when the secured creditor decides to take coercive measure to recover its secured debt by issuing notice under sub-section (4) of Section 13.

One of the measures provided in sub-section (4) of Section 13 to recover the secured debts is to take possession of the secured asset of the borrower including the right to transfer by way of lease, assignment or sale for realising the secured asset. The stage of Section 14 reaches only where the possession of any secured asset is required to be taken by the secured creditor or if any of the secured asset is required to be sold or transferred by the secured creditor under the provisions of the Act, for the purpose of taking possession or control of any such secured asset, i.e. for taking physical possession or control of the secured asset. The contention is that Section 14 is extension of the measures provided in sub-section (4) of Section 13 to the secured creditor to recover his secured debt. The CMM/DM/Authorized Officer under Section 14 is only an extended hand of the secured creditor to help the secured creditor in taking physical possession of the secured asset being administrative authorities. Clauses (a) and (b) of sub-section (1) of Section 14 make it clear that the Authorized Officer/CMM/DM while invoking its jurisdiction is required to take possession of such asset and forward it to the secured creditor. The measure taken under Section 14 of the Act, 2002 though adversarial in nature, but there is no occasion for a contest by the borrower to the application moved by the secured creditor to take possession of the secured asset as no adjudicatory proceeding is to be conducted by the Authorized Officer/CMM/DM.

14. As regards the declaration by the Authorized Officer of the secured creditor in the affidavit accompanying application

under Section 14, it is argued that the information provided in the affidavit are required to facilitate the Authorized Officer/CMM/DM to record its satisfaction that the stage of recovery of physical possession of the secured asset has reached and the secured creditor is entitled to take possession by taking recourse under Section 14. The "satisfaction" to be recorded by the Authorized Officer/CMM/DM "to the contents of the affidavit" before passing a suitable order to take possession of the secured asset as per the second proviso to sub-section (1) of Section 14 of the Act, 2002 is a subjective satisfaction. The act of the Authorized Officer/CMM/DM in passing the order under Section 14 is only a ministerial act and as no adjudicatory process is involved in the said act, the principles of administrative law of natural justice for providing opportunity of hearing cannot be read into as implied mandatory requirement.

15. Reliance is placed on the decision of the Bombay High Court in **CA. Manisha Mehta and others vs. Board of Directors and others** to assert that Section 14 cannot stand independent of Section 13(4) as explained by the Apex Court in **Standard Chartered Bank vs. V. Noble Kumar and others.**

It was held in **V. Noble Kumar** (supra) that since the borrower has no right of hearing when the secured creditor takes possession under Section 13(4), no hearing can be demanded by a borrower when by his action in resisting possession being gained over by the authorized officer of the secured creditor or refusing to deliver possession on his own, he compels such officer to seek assistance of the Authorized Officers under Section 14. The right to approach the tribunal is conferred on a borrower in terms of Section 17, post possession, whether it is symbolic possession under Section 13(4) or physical possession under Section 14 of the Act, 2002. The scheme of SARFAESI Act' 2002, thus, does not admit of any requirement of complying with natural justice by putting the borrower on notice while an application under Section 14 is under consideration. In view of the efficacious mechanism under the Act being in place, the borrower cannot seek a right of hearing at an intermediary stage.

Reliance is further placed on the decision of the Bombay High Court in **M/s Trade Well, a Proprietorship Firm, Mumbai & another vs. Indian Bank & another**, the judgment of the Division Bench of this Court in **Anuradha Singh and another vs. Chief Metropolitan Magistrate Kanpur Nagar and others**, a decision of the learned Single Judge of this Court in **Shakuntala Devi Jan Kalyan Samiti through Secretary and others vs. State of U.P. and others**, the judgments of the Apex Court in **Mardia Chemicals Ltd. etc. etc. vs. U.O.I. and others etc. etc.**; **Kanhaiyalal Lalchand Sachdev and others vs. State of Maharashtra and others**; **NKGSB Cooperative Bank Limited vs. Subir Chakravarty and others** and the judgment and order dated 27th July, 2022 in **M/s R.D. Jain and Co. vs. Capital First Ltd. & others** as also the decision of the Bombay High Court in **Phoenix ARC Private Limited and others vs. the State of Maharashtra and others** to buttress the above submissions.

16. The meaning of "Ministerial Act" in "Advanced Law Lexicon" has been placed before us to assert that while doing a ministerial act, a government official is dictated by law and has no power to form his own judgment or exercise discretion.

17. In essence, it is argued by Sri Manish Goyal learned Additional Advocate General that at the stage of the proceedings under Section 14 of the SARFAESI Act, 2002, as there is no independent consideration and the Authorized Officer/CMM/DM has to act without application of its own independent mind, merely on the information provided by the secured creditor/bank, the requirement of following principles of natural justice, cannot be read into the said provision. Moreover, effective remedy is available to the borrower to challenge the action initiated by the secured creditor even prior to the stage of Section 14, the borrower cannot be granted another opportunity under the scheme of the Act in view of the object and purpose of the enactment, i.e. the SARFAESI Act, 2002.

18. Sri Naveen Sinha learned Senior Advocate for the respondent no. 4 has adopted the arguments of Sri Manish Goyal learned Additional Advocate General.

In addition to the above contentions, it was argued by the learned Senior Counsel that the order passed under Section 14 of the SARFAESI Act, 2002 is only a ministerial act. No adjudicatory process qua points or issue is involved and, as such, there is no question of independent application of mind by the Authorized Officer/CMM/DM. There is no dichotomy between symbolic and physical possession taken under Section 13(4) and Section 14 of the Act, 2002. Rule 8 of the Security Interest (Enforcement) Rules, 2002 (In short as "the Rules, 2002") provides for affixation of possession notice on the outer door or at such conspicuous place of the property, whereby the Authorized Officer take or cause to take possession. With the affixation of the possession notice as per sub-rule (1) of Rule 8 and publication thereof in accordance with sub-rule (2) in two daily newspapers and the service through electronic mode as per sub-rule (2A), the possession of the secured asset stood transferred in favour of the secured creditor. The question remains, thus, of taking actual physical possession of the secured asset, in case, the borrower does not part with his possession despite receipt of the notice.

19. Further contention of the learned Senior Counsel for the petitioners is about the delay in passing the order under Section 14, beyond the time limit of 60 days provided under the Act.

It is argued that the Authorized Officer/CMM/DM has no jurisdiction to pass order beyond the period of 60 days, as mandated in the third proviso to Section 14. The proviso states that the officer concerned has to record reasons in writing, in case, it fails to pass order within the period of 30 days from the date of application prescribed in the Second proviso. The order passed, in the instant case, is beyond the period of 60 days and hence suffers from the vice of jurisdiction.

20. In rebuttal, the reliance is placed on the decision of the Apex Court in **C. Bright vs. District Collector and others** by the learned Senior Counsel for the respondent to assert that the District Magistrate does not become *functus officio*, if it is unable to take possession within the time limit, which is prescribed to instill a confidence in creditors that the District Magistrate will make an attempt to deliver possession as well as to impose a duty on the District Magistrate to make an earnest effort to comply with the mandate of the statute to deliver the possession within 30

days and for reasons to be recorded within 60 days.

It was argued that it was held by the Apex Court that the remedy under Section 14 of the Act is not rendered redundant if the District Magistrate is unable to handover the possession. The District Magistrate will still be enjoined upon the duty to facilitate delivery of possession at the earliest.

21. Sri Anurag Khanna learned Senior Advocate appearing for the respondent no. 3 in Writ-C No. 22594 of 2022 while adopting the arguments of Sri Manish Goyal learned Additional Advocate General on the scheme of the Act raises an objection with regard to the maintainability on the ground that a writ petition against a private financial institution against the proposed action/actions under the SARFAESI Act, 2002 cannot be maintained.

Reliance is placed on the decision of the Apex Court in **Phoenix ARC Private Limited vs. Vishwa Bharati Vidya Mandir and others.**

22. Having heard learned counsel for the parties and perused the record, in light of the arguments made by the learned counsels for the parties, the main issue which arises for our examination is as to "whether a borrower is entitled to notice and opportunity of hearing in the proceeding under Section 14 of the SARFAESI Act, 2022".

23. This Court is also required to answer the contentions of the learned Senior Counsel for the petitioners based on the decision of the Division Bench in **Kumkum Tentiwal** (supra) which has answered the issued in favour of the borrower and that the issue has been referred to the Full Bench by another Division Bench doubting the correctness of **Kumkum Tentiwal** (supra).

24. To answer the above issues, we are required to go through the legislative scheme of the SARFAESI Act, 2002. The SARFAESI Act' 2002 has been enacted to enable banks and financial institution to secure recovery by exercising powers to take possession of the securities, sell them and reduce non-performing assets by adopting measures for recovery or reconstruction, without the intervention of the Court. Section 34 bars the jurisdiction of the Civil Court to entertain any suit or proceeding in respect to any matter which the Tribunal constituted under the Act is empowered to determine.

25. The validity of the SARFAESI Act, 2002 has been upheld by the Apex Court in **Mardia Chemicals Ltd.** (supra). A question was framed by the Apex Court therein as to whether the provisions as contained in Sections 13 and 17 of the Act provide adequate and efficacious mechanism to consider and decide the objection/dispute raised by a borrower against the recovery, particularly in view of bar to approach the Civil Court under Section 34 of the Act.

While answering the said question, the forums or remedies available to the borrower to ventilate his grievances under the Act have been considered and it was noted therein:-

(i) The purpose of serving a notice upon the borrower under sub-section (2) of Section 13 is that a reply may be submitted by the borrower explaining the reasons as to why measures may or may not be taken under sub-section (4) and

Section 13 in case of non-compliance of notice within 60 days.

(ii) The creditor must apply his mind to the objection raised in reply to such notice and an internal mechanism is to be evolved to consider such objections raised in reply to the notice.

(iii) Meaningful consideration of the objection raised by the borrower is mandated before proceeding to take drastic measures under sub-section (4) of Section 13.

(iv) The bank and financial institution are required to communicate to the borrower of the reasons for not accepting the objections or points raised in reply to the notice served upon them before proceeding to take measures under sub-section (4) of Section 13.

(v) The communication of reasons is for the purpose of knowledge of the borrower as he has right to know as to why his objections have not been accepted by the secured creditor who intends to start hard steps of taking over possession/management/business of secured asset without intervention of the Court under Section 13(4) of the Act.

(vi) The next safeguard available to a borrower within the framework of the Act is to approach the Debt Recovery Tribunal under Section 17 of the Act. Such a right accrues only after measures are taken under sub-section (4) of Section 13 of the Act.

The arguments that the borrower is entitled to be heard before a notice under sub-section (2) of Section 13 is issued failing which there is denial of the principles of natural justice, was turned down, stating therein that the issuance of a notice to the debtor by the creditor does not attract the application of the principles of natural justice. It is always open to tell the debtor what he supposed to repay. No hearing can be demanded from the creditor at this stage. But the secured creditor must bear in mind that the reply of the borrower to the notice under Section 13(2) of the Act has been considered applying mind to it, before stringent measures, a process of recovery is initiated. The reasons, however, brief they may be, for not accepting the objection, if raised in the reply, must be communicated to the borrower. The requirement of pre-deposit of 75% of the demand at the initial proceeding as per sub-section (2) of Section 17 has been held *ultra vires* of Article 14 of the Constitution of India with the observation that the said requirement at the initial proceeding sounds unreasonable and oppressive and cannot be said to be a reasonable condition at the first instance itself before start of adjudication of the dispute.

26. In **Transcore vs. Union of India and another**, the question was considered whether recourse to take possession of the secured assets of the borrower in terms of Section 13(4) of the SARFAESI Act (referred as the NPA Act therein) comprehends the power to take actual possession of the immovable property?

While answering the same, it was held that there is no dichotomy under the Act between symbolic and physical possession. Section 13(4) of the NPA Act proceeds on the basis that the borrower, who is under liability, has failed to discharge his liability within the period prescribed under Section 13(2), which enables the secured creditor to take recourse to one or more of the measures namely taking possession of the secured assets including the right to transfer by way of lease, assignment or sale for realising the secured asset. The mechanism for taking possession has been provided under Rule 8

of the 2002 Rules framed under the NPA Act. Section 14 of the NPA Act provides for taking possession of the secured asset through the District Magistrate. Section 17(3) states that if the DRT after examining the facts and circumstances of the case comes to the conclusion that any of the measures referred to in sub-section (4) of Section 13 taken by the secured creditor are not in accordance with the provisions of the Act and the Rules thereunder, it may by order declare that the recourse taken to anyone or more measures is invalid and consequently, restore possession to the borrower and can also restore management of the business of the borrower. Therefore, the scheme of Section 13(4) read with Section 17(3) shows that if the borrower is dispossessed, not in accordance with the provisions of the Act, then the DRT is *entitled to put the clock back by restoring the status quo ante.*

It was observed therein that for the fact that the NPA Act provides for recovery of possession by non-adjudicatory process, it would be erroneous to say that the rights of borrower shall be defeated without adjudication.

27. In **Standard Chartered Bank** (supra), the challenge was to the legality of the order passed by the Chief Judicial Magistrate in the proceedings under Section 14 of the SARFAESI Act to take possession of the secured asset and to hand over the same to the secured creditor.

It was argued that a secured creditor before invoking the authority of the Magistrate under Section 14 must necessarily make an attempt to take possession of the secured asset. Only when the creditor faces resistance to such an attempt the creditor could resort to the procedure under Section 14 of the Act. It was further urged that Section 17 of the Act provides remedy only against the measure taken by the creditor under Section 13(4) of the Act and the said remedy is not available against an action taken by the Magistrate under Section 14 of the Act. Therefore, permitting the secured creditor to invoke Section 14 without first resorting to the procedure under Section 13(4) would deprive the owner of the secured asset an opportunity of filing application under Section 17 to have his grievances adjudicated. It was also argued that even a Magistrate exercising power under Section 14 of the Act is required to follow the procedure contemplated under Rule 8 of the Security Interest (Enforcement) Rules' 2002 though the rule does not expressly say so. Failure to comply with the requirement of Rule 8, in that case, would vitiate the order of the Magistrate.

Turning down the above contentions, the decision of the Bombay High Court in **M/s Trade Well, a Proprietorship Firm, Mumbai & another vs. Indian Bank** (supra) was noted therein in Para "22' as under:-

"22. However, the Bombay High Court in Trade Well v. Indian Bank opined:

"2.....CMM/DM acting under Section 14 of the NPA Act is not required to give notice either to the borrower or to the third party.

3. He has to only verify from the bank or financial institution whether notice under Section 13(2) of the NPA Act is given or not and whether the secured assets fall within his jurisdiction. There is no adjudication of any kind at this stage.

4. It is only if the above conditions are not fulfilled that the CMM/DM can refuse to pass an order under Section 14 of the NPA Act by recording that the above conditions are not

fulfilled. If these two conditions are fulfilled, he cannot refuse to pass an order under Section 14."

In Para "24', the Apex Court has taken note of the amendment brought in Section 14 by Act No. 1 of 2013 w.e.f. 15.1.2013, to insert the first proviso to sub-section (1) of that Section, the requirement of affidavit of the authorised officer of the secured creditor, Para "24' to Para "24.7' are to be extracted hereinunder:-

"24. An analysis of the nine sub-clauses of the proviso which deal with the information that is required to be furnished in the affidavit filed by the secured creditor indicates in substance that:

24.1. (i) there was a loan transaction under which a borrower is liable to repay the loan amount with interest,

24.2. (ii) there is a security interest created in a secured asset belonging to the borrower,

24.3. (iii) that the borrower committed default in the repayment,

24.4. (iv) that a notice contemplated under Section 13(2) was in fact issued,

24.5. (v) in spite of such a notice, the borrower did not make the repayment.

24.6. (vi) the objections of the borrower had in fact been considered and rejected,

24.7. (vii) the reasons for such rejection had been communicated to the borrower, etc."

It was concluded in paras "25', "27' as under:-

"25. The satisfaction of the Magistrate contemplated under the second proviso to Section 14 (1) necessarily requires the Magistrate to examine the factual correctness of the assertions made in such an affidavit but not the legal niceties of the transaction. It is only after recording of his satisfaction the Magistrate can pass appropriate orders regarding taking of possession of the secured asset.

27. The "appeal" under Section 17 is available to the borrower against any measure taken under section 13(4). Taking possession of the secured asset is only one of the measures that can be taken by the secured creditor. Depending upon the nature of the secured asset and the terms and conditions of the security agreement, measures other than taking the possession of the secured asset are possible under section 13(4). Alienating the asset either by lease or sale etc. and appointing a person to manage the secured asset are some of those possible measures. On the other hand, section 14 authorises the Magistrate only to take possession of the property and forward the asset along with the connected documents to the borrower (sic the secured creditor). Therefore, the borrower is always entitled to prefer an "appeal" under section 17 after the possession of the secured asset is handed over to the secured creditor. Section 13(4)(a) declares that the secured creditor may take possession of the secured assets. It does not specify whether such a possession is to be obtained directly by the secured creditor or by resorting to the procedure under section 14. We are of the opinion that by whatever manner the secured creditor obtains possession either through the process contemplated under section 14 or without resorting to such a process obtaining of the possession of a secured asset is always a measure against which a remedy under section 17 is available."

It was noted therein that there will be three methods for the secured creditor to take possession of the secured asset. (i) The first method would be where

the secured creditor gives the requisite notice under Rule 8(1) and where he does not meet with any resistance. In that case, the authorised officer will proceed to take steps as stipulated under Rule 8(2) onwards to take possession and, thereafter, for sale of the secured asset to realise the amounts that are claimed by the secured creditor. (ii) The second situation will arise where the secured creditor met with resistance from the borrower after the notice under Rule 8(1) is given. In that case, he will take recourse to the mechanism provided under Section 14 of the Act, viz. making application to the Magistrate. The Magistrate will scrutinize the application and then if satisfied, appoint an officer subordinate to him as provided under Section 14(1)(A) to take possession of the asset and documents. (iii) The third situation will be one where the secured creditor approaches the Magistrate concerned directly under Section 14 of the Act. The Magistrate will, thereafter, scrutinize the application as provided in Section 14, and then if satisfied, authorise a subordinate officer to take possession of the assets and documents and forward them to the secured creditor. [Reference paragraphs "36.1' to "36.3' of the decision].

In Para "37', the law laid down in **Mardia Chemicals Ltd.** (supra) has been noted to state therein as under:-

"37. In this connection, it is material to refer to the judgment in Mardia Chemicals (supra) wherein the Court was concerned with the legality and validity of the SARFAESI Act. The Court held the Act to be valid except Section 17(2) thereof as it then stood. In paragraphs 59, 62 and 76 of the judgment the Court in terms held that in remedy under Section 17 of the Act was essentially like filing a suit in a Civil Court though it was called an Appeal. It is also relevant to note that in the ultimate conclusions in paragraph 80 of the judgment this Court held in sub-para (2) thereof as follows:-

"80.(2). As already discussed earlier, on measures having been taken under sub-section (4) of Section 13 and before the date of sale/auction of the property it would be open for the borrower to file an appeal (petition) under Section 17 of the Act before the Debts Recovery Tribunal."

The grievance of the respondent that it will be left with no remedy is, therefore, misplaced. As held by a bench of three Judges in Mardia Chemicals (supra), it would be open to the borrower to file an appeal under Section 17 any time after the measures are taken under Section 13 (4) and before the date of sale/auction of the property. The same would apply if the secured creditor resorts to Section 14 and takes possession of the property with the help of the officer appointed by the Magistrate"

28. It was, thus, held that the borrower is not remediless, inasmuch as, it would be open to the borrower to file an "application' under Section 17 any time after the measures are taken under Section 13(4) and even before the sale/auction of the property. The same would apply as well if the secured creditor resorts to Section 14 and takes possession of the property with the help of the officer appointed by the Magistrate.

29. Coming to the legislative scheme, Chapter III under the heading "Enforcement of Security Interest" contains the provisions under Sections 13 to 19 of the Act, 2002. The Act provides for steps to be taken for Enforcement of Security Interest created in favour of any secured creditor, without the intervention of the

Court or Tribunal. Before taken stringent measures, the secured creditor is obliged to give notice to the borrower, consider his objection and given reasons not to accept the same, if raised in the reply. Sub-section (4) of Section 13 and Section 14 provide as to how stringent measure of taking possession of the secured asset would be taken to ensure recovery of secured debt. Sections 17 & 18 provide remedy to the borrower against the action of the secured creditor at both stages, sub-section (4) of Section 13 and Section 14 at the post possession stage. However, at the time of challenge to the action taken under Section 14, the challenge to the notice under sub-section (4) of Section 13 is necessary. And further the challenge to the action under Section 14, i.e. the act of taking over physical possession of the secured asset can be sustained by the tribunal only after the borrower is dispossessed. Section 19, however, safeguards the interest of the borrower in case of any illegal act of dispossession from his property/secured asset by empowering the tribunal, both the Debt Recovery Tribunal or the Appellate Tribunal, to restore the possession of such secured asset if it has held that the possession of the secured creditor is not in accordance with the Act and the rules made thereunder. The borrower or any other aggrieved persons is also entitled to the payment of such compensation and cost for such illegal action of the secured creditor, as determined by the Tribunal.

30. Having regard to the scheme of the SARFAESI Act' 2002, as explained by the Apex Court in **Mardia Chemicals Ltd.** (supra), **Transcore** (supra) and **Standard Chartered Bank vs. V. Noble Kumar** (supra), it is to be noted that the object of the SARFAESI Act is to facilitate quick recovery of secured debts without the intervention of the Court. The statement of objects and reasons of the bill bringing amendment in Section 14 by Act No. 14 of 2016 providing specific time line for taking possession of the secured asset is further in aid of the principle laid down by the Apex Court that the measures taken by the secured creditor at the stage of Sections 13(4) and 14 is without judicial/quasi judicial intervention, till such time, the possession of the secured asset is taken by the secured creditor after serving requisite notice and responding to the objections/representations, if any, prayed by the borrower under Section 13(3A) of the Act. Explanation to sub-section (1) further clarify that any decision on the representation of the borrower shall not entitle him to file application under Section 17 of the Act. The secured creditor is not required to give any notice or opportunity to the borrower at the stage of Section 13(4) when it proceeds to take recourse to one or more of the measures provided in sub-section (4) to recover its secured debts. Section 14 of the SARFAESI Act is an extension of the measures taken by the secured creditor to take possession of the secured asset of the borrower, on the resistance of the borrower. It would be legal fallacy, if it is said that though the secured creditor is not liable to give hearing to the borrower at the stage of Section 13(4) of the Act but if on resistance put forth by the borrower in getting physical possession of the secured asset, the secured creditor if approach the Magistrate to seek help/assistance, the borrower who is resisting possession being taken by the Authorized Officer of the secured creditor or does not on his own surrender possession, would be entitled to the opportunity of hearing. The borrower has right to approach the Tribunal in terms of Section 17 to challenge any of the measures

taken by the secured creditor referred to in sub-section (4) of Section 13, which include the measure taken under Section 14 of the Act by seeking assistance of the District Magistrate/Chief Metropolitan Magistrate. The right to approach the Tribunal is conferred upon the borrower only post possession.

As held by the Apex Court in **Transcore's case** (supra), there is no dichotomy between symbolic possession taken under sub-section (4) of Section 13 and physical possession by force taken with the assistance of the District Magistrate/Chief Metropolitan Magistrate under Section 14 of the SARFAESI Act.

31. Insofar as the right of the borrower to challenge the steps/measures taken by the secured creditor, the Apex Court in **M/s R.D. Jain and Co.** (supra) while dealing with the provisions of Section 14 of the SARFAESI Act has observed that the powers of the Chief Metropolitan Magistrate under Section 14 of the SARFAESI Act is purely executionary in nature and has no element of quasi-judicial function or application of mind and he cannot brook delay. Time is of the essence. The statutory obligation enjoined upon the CMM/DM is to immediately move into action after receipt of a written application under Section 14(1) of the SARFAESI Act from the secured creditor. The CMM/DM is expected to pass an order after verification of compliance of all formalities by the secured creditor referred to in the proviso in Section 14(1) of the SARFAESI Act, and after being satisfied in that regard, to take possession of the secured asset and documents relating thereto and to forward the same to the secured creditor at the earliest opportunity.

32. Same view has been taken by the Apex Court in **NKGSB Cooperative Bank Limited** (supra), which has been relied in the decision of **M/s R.D. Jain and Co.** (supra).

Relevant paragraph "39' of the said decision is noted as under:-

"39. As regards the procedure for taking possession of the secured assets, it can be discerned from Section 13 read with Section 14 of the 2002 Act. Section 13(4) permits the secured creditor to take recourse to one or more of the specified measures; and to enable the secured creditor to do so even at the stage of pre-confirmation of sale; in terms of Section 14, the CMM/DM has power in that regard albeit after passing order on a written application given by the secured creditor for that purpose. Once the order is passed, the statutory obligation cast upon the CMM/DM stands discharged to that extent. The next follow-up step is of taking possession of the secured assets and documents relating thereto. The same is ministerial step. ...xxxxxxxxxxxxxxx....."

33. In **Kanhaiyalal Lalchand Sachdev** (supra), the Apex Court while answering the question as to whether the DRT would have jurisdiction to consider and adjudicate post Secction 13(4) events or whether its scope in terms of Section 17 of the Act will be confined to the stage contemplated under Section 13(4) of the Act, has held that:-

"22. We are in respectful agreement with the above enunciation of law on the point. It is manifest that an action under Section 14 of the Act constitutes an action taken after the stage of Section 13(4), and therefore, the same would fall within the ambit of Section 17(1)

of the Act. Thus, the Act itself contemplates an efficacious remedy for the borrower or any person affected by an action under Section 13(4) of the Act, by providing for an appeal before the DRT."

34. The Bombay High Court in **M/s Trade Well, a Proprietorship Firm, Mumbai** (supra) has faced with the issue as to whether the Chief Judicial Magistrate or the District Magistrate, as the case may be, is required to give notice to the borrower or any person who may be in possession of secured asset and give him a hearing.

Taking note of the decision of the Apex Court in **Transcore's case** (supra), it was held therein that adjudication of rival claims is absent at that stage, there is no question of dealing with rival claims and giving a reasoned judgment as regards the merits of the case. In any event, if a party has any grievance as regards the contents of that order, his remedy would be to voice them in the application under section 17 before the DRT after measures under section 13(4) are taken. At the time of passing order under Section 14 of the NPA Act, CMM/DM will have to consider only two aspects. (i) He must find out whether the secured asset falls within his territorial jurisdiction and; (ii) whether notice under Section 13(2) of SARFAESI Act is given or not. No adjudication of any kind is contemplated at that stage.

35. Same view has been taken by the Bombay High Court in **CA. Manisha Mehta** (supra), wherein it was noted that:-

"8. Pertinently, Section 14 of the SARFAESI Act was amended twice, once in 2013 and then again in 2016. If it were the intention of the legislature to extend opportunity of hearing to a borrower before the District Magistrate/Chief Metropolitan Magistrate, as the case may be, it was free to do so. Advisedly, the legislature did not do so, for, it would have militated against the scheme of the SARFAESI Act and more particularly Section 13 thereof. It is implicit in the scheme of the SARFAESI Act that natural justice, only to a limited extent, is available and not beyond what is expressly provided. There seems to be little merit in the argument advanced by Mr. Nedumpara and we hold that the language of Section 14 is too clear and unambiguous, and does not admit of any requirement of complying with natural justice by putting the borrower on notice while an application thereunder is under consideration."

36. A Division Bench of this Court in **Anuradha Singh** (supra) has dealt with the issue in the following manner:-

"9. .....xxxxxxxxx.....We do not find any statutory provisions for providing an opportunity to the borrower at the stage of passing of an order under Section 14 of the Act nor any decision either of this Court or the Apex Court has been pointed out that may enable us to read such principles of administrative law in to the statutory provisions of Section 14 of the Act. Consequently the said argument does not hold water."

37. Learned Single Judge of this Court in **Shakuntala Devi Jan Kalyan Samiti through Secretary** (supra) has noted the Division Bench judgments in **Anuradha Singh** (supra) as also **Kumkum Tentiwal** (supra) and taking note of the decisions of the Apex Court in **Mardia Chemicals Ltd.** (supra) and **Standard Chartered Bank vs. V. Noble Kumar** (supra), it has observed that:-

"34. This Court taking into account the judgments rendered by three Division Benches of this Court, as referred to hereinabove, and the observations of the Supreme Court in the case of Mardia Chemicals Ltd. (supra), is of the opinion that nothing can be read into the language of Section 14 of the Act, which has not been provided specifically therein by the Parliament.

After the judgment was rendered in Mardia Chemicals Ltd. (supra), the Act was amended and the provisions for pre-deposit of 75% was done away with for approaching the Tribunal.

35. Since in the statute itself there is no provision for giving opportunity of hearing in an action under Section 14 of the Act, this Court cannot provide such opportunity of hearing to the writ petitioner. It is settled position in law that the Court ought to decide matters on the basis of law as it exists and declare the same instead on the basis of what law should be."

38. In light of the above discussion, in the legislative scheme of the Act' 2002, Section 14 is placed in Chapter III in such a manner that the proceedings undertaken by the CMM/DM for the purpose of taking possession or control of any secured asset, is in the nature of execution proceeding, in furtherance of the measures taken by the secured creditor to recover his secured debt under Section 13(4) of the Act. The enabling provision is Section 13(4) whereunder the secured creditor has been conferred power to take possession of the secured assets of the borrower including the right to transfer by way of lease, assignment or sale for realizing the secured asset. In case, the actual physical possession of an immovable property, which is secured asset, is not handed over by the borrower to the secured creditor on his own on initiation of measures under Section 13(4), or the Authorised Officer of the secured creditor met with resistance from the borrower when he proceed to take steps as stipulated under Rule 8(2) onwards to take possession after the notice, the bank (who is secured creditor) may make a request in writing to the CMM/DM, within whose jurisdiction the secured asset is situated, to take possession thereof and forward such asset to the secured creditor. The borrower has a remedy to challenge the measures taken by the secured creditor including the order passed under Section 14 of the SARFAESI Act, 2002 before the Debt Recovery Tribunal post-possession. As no enquiry either in the nature of judicial or quasi-judicial proceeding is to be conducted at this stage, and as held by the Apex Court the proceedings before the CMM/DM under Section 14 of the Act is ministerial in nature, we hold that no opportunity of hearing is required to be given to the borrower at this stage.

39. We are now required to go through the Division Bench judgment of this Court in **Kumkum Tentiwal** (supra) relied by the learned counsels for the petitioners, wherein a contrary view has been taken.

40. While dealing with the question as to whether a borrower is entitled to right of hearing prior to any order having been passed by the District Magistrate while exercising power under Section 14, the Bench has observed that the secured creditor is bound to file an affidavit giving declaration as required in Section 14. On the said affidavit being filed by the secured creditor, the CMM/DM is to satisfy itself about the contents of the affidavit to pass a suitable order for the purpose of taking

possession of the secured asset. It was, thus, observed that from the plain reading of the said provision, it is inconceivable as to how the District Magistrate can record a satisfaction ex-parte with regard to the averments to be made in the affidavit filed by the secured creditor along with the application making request for taking possession by use of force. Taking note of sub-section (2) of Section 14, it was observed that the said provision authorises the District Magistrate to take such steps or use such force as in his opinion be necessary. The import of the said power is that the District Magistrate can use coercive measure for taking the possession. The right of the occupier whether it is the borrower or otherwise to resist or object to use of force or to point out any deficiencies in the affidavit that has been filed by the secured creditor, can be exercised only where the notice is given to the person who is sought to be dispossessed and an opportunity of hearing is afforded to such person, who may be in occupation.

41. With the above reasonings, it was held that it is essential that principle of natural justice are followed, even while exercising the powers under Section 14 which include the right to be heard. Before initiation of proceeding under Section 14, it is essential that the procedure of Sections 13(2) and 13(4) is followed and the borrower may at times plead that he was not given opportunity of hearing as envisaged under Section 13(2) to payment of the dues within 60 days and, therefore, the action under Section 14 is illegal. The notice or opportunity of hearing, thus, is also necessary to the borrower or guarantor, as the case may be.

The Division Bench in **Kumkum Tentiwal** (supra) has further referred to the decision of the Apex Court in **Harsh Govardhan Sondagar** (supra) which was related to the right of the lessee of the secured asset to be heard in the proceeding under Section 14 of the SARFAESI Act and taken note of the observations therein that the statutory provisions attaching finality to the decision of an Authority excluding the power of any other Authority or Court, to examine such a decision will not be a bar for the High Court or the Supreme Court to exercise jurisdiction vested by the Constitution because a statutory provision cannot take away a power vested by the Constitution. It was, thus, observed in **Kumkum Tentiwal** (supra) that the Apex Court while analyzing the provisions of Section 14 has held therein that only recourse available against an order passed under Section 14 of the SARFAESI Act is under Articles 226 and 227 of the Constitution of India.

42. As regards the observance of principles of natural justice, it was observed that the Apex Court in a catena of decisions have held that principles of natural justice are engrained and have to be read into every statute even if not specifically provided for. The statute may not contain a provision for prior hearing. But what is important to be noted is that the applicability of principles of natural justice is not dependent upon any statutory provision. The principle has to be mandatorily applied irrespective of the fact as to whether there is any statutory provision or not.

43. Taking note of the various decisions of the Apex Court, it was observed therein that it is well settled that principles of natural justice are integral part of Article 14. No decision prejudicial to a party should be taken without affording an

opportunity or supplying the material which is the basis for the decision. It was, thus, concluded that Section 14 on bare perusal does not provide for any opportunity of hearing. However, the order passed under Section 14 being a coercive measure for taking possession, the officer is bound to observe the principles of natural justice while passing the order under Section 14 of the SARFAESI Act.

It was further noted in **Kumkum Tentiwal** (supra) that the Apex Court in the case of **Dharampal Satyapal Limited** (supra) has held that the Authority exercising power cannot even take a ground to the effect that no useful purpose would be served in hearing the affected parties prior to passing of the order.

44. With due regards to the Hon'ble Judges holding the Bench, we find that the decision in **Kumkum Tentiwal** (supra) is in ignorance of the scheme of the SARFAESI Act, 2002, the construction of Chapter III of the Act which provides for "Enforcement of Security Interest". It has misread the decision of the Apex Court in **Harsh Govardhan Sondagar** (supra) in holding that only recourse available against the order passed under Section 14 of the SARFAESI Act is under Articles 226 and 227 of the Constitution of India.

45. The availability of the statutory remedy to the borrower under Section 17 of the SARFAESI Act, 2002, contained in Chapter III against the order under Section 14 cannot be disputed. The Division Bench in the case of **Kumkum Tentiwal** (supra) did not consider the law propounded by the Apex Court in **Standard Chartered Bank vs. V. Noble Kumar and others** that Section 14 cannot stand independent of Section 13(4) and if a borrower has no right of hearing when the secured creditor takes possession under Section 13(4), no hearing can be demanded by him when he succeeds in resisting possession being taken over by the Authorized Officer of the secured creditor or does not on his own surrender possession and thus, compels the secured creditor to seek assistance of the CMM/DM under Section 14. The right of a borrower to approach the Tribunal in terms of Section 17, as a post possession right, recognised in **Standard Chartered Bank vs. V. Noble Kumar and others** (supra) as per the legislative scheme has been completely ignored.

46. As noted above, under the scheme of the Act, it is implicit that the observance of principles of natural justice is at the stage of Section 13(3A), i.e. before the secured creditor proceeds to initiate coercive measure against the borrower under Section 13(4) of the Act. Once the borrower is granted opportunity at the stage prior to initiation of the coercive measures after calling upon him to pay the dues of the secured creditor, no further opportunity is to be given either at the stage of Section 13(4) or Section 14.

As regards the opportunity to be granted to the borrower to object the assertion in the affidavit accompanying application moved by the secured creditor in view of the proviso to sub-section (1) of Section 14, we may consider that the information as required under the said provision is needed for transmission to the officer passing order under Section 14 of the Act, 2002, to enable him to record his satisfaction that the secured creditor has taken necessary steps before making request to seek physical possession by force and there was a refusal or inaction on the part of the borrower to handover

physical possession. The satisfaction recorded is subjective and not based on any objective criteria. No enquiry in the nature of judicial or quasi-judicial proceeding is required to be conducted by the CMM/DM who is authorized to take possession of the secured asset and forward such asset to the secured creditor, in terms of sub-section (1)(a)&(b) of Section 14.

At this stage, the observations of the Apex Court in **V. Noble Kumar** (supra) about the scope of enquiry by the Magistrate as per the second proviso to sub-section (1) of Section 14 of the Act, in Para "25' noted above are reiterated.

47. The finality attached to the order of CMM/DM in using force to take physical possession of the secured asset under sub-section (2) of Section 14 has no bearing on the right of the borrower to challenge the measures taken by the secured creditor by initiation of the proceedings under Section 13(4) of the SARFAESI Act, 2002, to take possession of the secured asset in order to recover his secured debt.

The object and purpose of SARFAESI Act, 2002 to enable the secured creditor to secure recovery by exercising powers to take possession of the securities, sell them and reduce Non-performing assets by adopting measures for recovery or reconstruction, without the intervention of the Court, has not been considered by the Division Bench in **Kumkum Tentiwal** (supra). Further Amendments brought in Section 14 by Act No. 16 of 2016 providing specific timeline for taking possession of the secured asset have not been taken note of.

The decision in **Mardia Chemicals Ltd.** (supra) about the safeguards available to borrower within the framework of SARFAESI Act to approach the Debt Recovery Tribunal under Section 17 of the Act has been ignored. The observations of the Division Bench in **Kumkum Tentiwal** (supra) that no other remedy is available against the order under Section 14 of the SARFAESI Act within the scheme of the Act is in ignorance of the statutory scheme under Chapter III for "Enforcement of Security Interest". It is implicit under the said chapter that if a party has any grievance as regards the contents of the order under Section 14, his remedy would be to voice them in the application under Section 17 before the Debt Recovery Tribunal.

48. Having noted the above, we are required to consider as to whether the Division Bench judgment in the **Kumkum Tentiwal** (supra) would operate as a binding precedent and has to be followed to maintain uniformity and consistency, which is the core of judicial discipline and in case of the contrary opinion, reference to the Larger Bench has to be made.

It is held in **State of U.P. and another vs. Synthetics and Chemicals Ltd. and another** that a decision is binding not because of its conclusion but in regard to its ratio and the principles, laid down therein. Any declaration or conclusion arrived without application of mind or preceded without any reason cannot be deemed to be a declaration of law or authority of a general nature binding as a precedent. Restraint in dissenting or overruling is for sake of stability and uniformity but rigidity beyond reasonable limits is inimical to the growth of law.

It was held in **Hyder Consulting (UK) Limited vs. Governor, State of Orissa through Chief Engineer** that a prior decision of a Court on identical facts

and law binds the Court on the same points of law in a later case. However, in exceptional circumstances, where owing to obvious inadvertence or oversight, a judgment fails to notice a plain statutory provision or obligatory authority running counter to the reasoning and result reached, the principle of per incuriam may apply. [Reference was also made to the decision in **Fuerst Day Lawson Ltd. vs. Jindal Exports Ltd.** therein].

49. The latin expression "per incuriam" literally means "through inadvertence'. A decision can be said to be given per incuriam when the Court of record has acted in ignorance of the relevant law declared on a given subject matter.

As observed in **State of U.P. and another vs. Synthetics and Chemicals Ltd.** (supra) that:-

"40. Incuria' literally means 'carelessness'. In practice per incurium appears to mean per ignoratium.' English Courts have developed this principle in relaxation of the rule of stare decisis. The 'quotable in law' is avoided and ignored if it is rendered, 'in ignoratium of a statute or other binding authority'."

Reference may also be made to the observation in paragraph "42' in **A. R. Antulay vs. R. S. Nayak and another** as under:-

"42. .....xxxxxxx... "Per incuriam" are those decisions given in ignorance or forgetfulness of some inconsistent statutory provision or of some authority binding on the Court concerned, so that in such cases some part of the decision or some step in the reasoning on which it is based, is found, on that account to be demonstrably wrong. See Morelle v. Wakeling, [1955] 1 All E.R. 708, 718F. .....xxxxxxx....."

50. For the above discussion, the Division Bench judgment in **Kumkum Tentiwal** (supra) is held per incuriam.

The reference made to the Larger Bench by another Division Bench doubting the correctness of the said judgment in **Zainul Abdin** (supra), therefore, does not detain us in any manner.

51. At the cost of repetition, it may be noted at this juncture, that in a recent decision dated 27th July, 2022 in **M/s R.D. Jain and Co.** (supra), the Apex Court has considered that the powers of the Chief Metropolitan Magistrate under Section 14 of the SARFAESI Act is purely executionary in nature having no element of quasi-judicial functions and the power exercised by CMM/DM is a Ministerial Act. As per the dictionary meaning of "Ministerial Act", an authority performing "Ministerial Act" has no liberty to exercise of his own judgment. The enquiry under Section 14 by the CMM/DM is restricted to only two aspects; (i) whether the secured asset falls within his territorial jurisdiction, and (ii) whether notice under Section 13(2) of the Act, 2002 is given or not. No adjudication of any kind is contemplated at that stage. The legal niceties of the transaction is not to be examined by the Magistrate to examine the factual correctness of the assertions made in the affidavit, filed in accordance with the first proviso to sub-section (1) of Section 14 to record his satisfaction to pass appropriate order for taking of possession of the secured asset.

52. In view of the above discussion, it is held that the CMM/DM acting under Section 14 of the SARFAESI Act, 2002 is not required to give notice to the borrower at the stage of the decision or passing order

as no hearing can be demanded by the borrower at this stage. However, it is clarified that the order passed by such Magistrate has to be duly served upon the borrower before taking any steps for his forcible dispossession by such steps or use of force, as may be necessary in the opinion of the Magistrate, and the date fixed for such forcible action shall be duly intimated to such borrower in advance giving him sufficient time to remove his belongings, or to make alternative arrangement.

53. Lastly, for the ancillary issue raised by the learned Senior Counsel for the petitioners about the delay in passing the order under Section 14 beyond 60 days being fatal, suffice is to note the decision of the Apex Court in **C. Bright vs. District Collector and others** (supra) wherein it is held that the District Magistrate does not become *functus officio,* if he is unable to take possession within the time limit. The remedy under Section 14 of the Act is not redundant if the District Magistrate could not adhere to the timeline provided therein.

The challenge to the orders impugned by the competent Authorities passed under Section 14 of the SARFAESI Act, 2002, on the plea of violation of principles of natural justice, therefore, is liable to be turned down.

Accordingly, all the connected writ petitions are **dismissed** being devoid of merits.

(2023) 1 ILRA 270
ORIGINAL JURISDICTION
CIVIL SIDE
DATED: LUCKNOW 05.01.2023

BEFORE

THE HON'BLE ABDUL MOIN, J.

Writ-C No. 23459 of 2018

B.S.N.L. & Anr. ...Petitioners

Versus

Central Govt. Industrial Tribunal Cum Labour Court, Lucknow & Anr. ...Respondents

Counsel for the Petitioners:
Rajeev Kumar Sinha

Counsel for the Respondents:
Vikas Misra, Anupriya Srivastava, Jay Prasad Yadav, Kaushlendra Yadav, Virendra Kumar Dubey

(A) Civil Law - The Industrial Disputes Act, 1947 - Section 25F - Conditions precedent to retrenchment of workmen , Section 25B - 'continuous service' ,Section 25B(2) - if a workman, during a period of 12 actual months preceding the date with regard to which calculation is given - has actually worked under the employer for 240 days then he will be deemed to be in continuous service for a period of one year - in case of short working, order of reinstatement and the back wages would not be automatic instead workman should be given monetary compensation to meet the ends of justice.(Para -23,27)

Termination of workman took place on 01.09.2001 - working considered by Tribunal (as corrected on 10.09.2018) from December 1999 to December 2000 - services upto 31.08.2001 not considered by Tribunal for calculating continuous service of workman . **(Para -28)**

HELD:-Once the alleged continuous service of the workman right upto 31.08.2001 has not been considered by the Tribunal consequently it cannot be said that the petitioners have violated the provisions of the Act 1947. Impugned award set aside. Matter remitted to Tribunal to pass a fresh order.(Para -28,29)

4. B.S.N.L. Vs Bhurumal , (2014) 7 SCC 177

(Delivered by Hon'ble Abdul Moin, J.)

1. Heard learned counsel for the petitioners and Shri O. P. Srivastava, learned Senior Advocate, assisted by Shri Kaushlendra Yadav, learned counsel for the respondent no. 2.

2. The instant petition has been filed challenging the judgement and award dated 16.05.2017 published on 03.04.2018, a copy of which is annexure 1 to the petition. By the said order the Central Government Industrial Tribunal cum Labour Court, Lucknow (hereinafter referred to as the learned Tribunal) in Industrial Dispute No. 25 of 2003 has held the oral termination order of the workman Shri Manjeet Singh/respondent no. 2 (hereinafter referred to as the workman) with effect from 01.09.2001 to be illegal and unjustified and he has been directed to be reinstated with effect from 01.09.2001 alongwith 50% of the backwages.

3. The case set forth by the petitioners is that a claim petition was filed before the learned Tribunal by the workman, a copy of which is annexure 2 to the petition, contending that despite he having worked continuously from 10.12.1998 to January 2000 and thereafter from February 2000 to May 2000 and from June 2000 to August 2001, his services have been dispensed with on 01.09.2001. In support of his claim the workman filed various documents including the logbooks, the working in the shape of gate passes and the documents to show running of the vehicle to prove that he had worked in the aforesaid period.

4. The claim was contested by the petitioners herein on various grounds including the ground that the workman was not an employee of the B.S.N.L. rather had been engaged through a contractor and his working was also disputed.

5. The learned Tribunal by means of the impugned award was of the view that as the workman has worked from December 1999 to November 2000 and from June 2000 to December 2000 as such he has worked for 280 days and 270 days respectively as per the logbooks, that the duties performed by the workman have been corroborated by the witnesses adduced before the learned Tribunal and that the management could not muster the courage to specifically deny the truthfulness or authenticity of the documents and consequently directed for the reinstatement of the workman with effect from 01.09.2001 alongwith 50% of the back-wages after holding the oral termination of the workman to be illegal and unjustified.

6. Being aggrieved the instant petition has been filed.

7. Learned counsel for the petitioner has primarily argued on three grounds namely:

(a) that the learned Tribunal in paragraph 21 of its award has indicated that the workman has worked from December 1999 to November 2000 and from June 2000 to December 2000 and the total

working has been indicated as 280 days and 270 days but by no stretch of imagination can the working of the aforesaid period result in two separate workings of 280 days and 270 days respectively,

(b) the learned Tribunal has directed for reinstatement of the workman without indicating the reasons which have prevailed upon the learned Tribunal for directing for reinstatement in as much as it is settled position of law that reinstatement of a workman who has worked for only a short period of time cannot be directed automatically and

(c) as per Section 25F of the Industrial Disputes Act, 1947 (hereinafter referred to as the Act, 1947) the condition precedent to retrenchment of workmen are that no workman employed in any industry who has been in continuous service for not less than one year under an employer shall be retrenched while the words "continuous service' would mean the service upto the alleged termination of the workman, in this case 01.09.2001 meaning thereby that the continuous working upto 31.08.2001 was to be considered by the learned Tribunal but the learned Tribunal has only indicated about working from December 1999 till December 2000 and as such the continuous service upto 31.08.2001 has not even been considered by the learned Tribunal while passing the impugned award.

8. Elaborating the same learned counsel for the petitioner contends that so far as ground (a) is concerned the learned Tribunal had suo motu made correction in the award vide order dated 10.09.2018 which has been brought on record as annexure CA 1 to the counter affidavit filed by the workman whereby the period of the workman now stands corrected to read as working from December 1999 to November 2000 and from June 2000 to December 2000 which would also not correctly render the recording of two separate workings of 280 days and 270 days respectively and as such it is apparent that the said number of working days have erroneously been recorded by the learned Tribunal which reflects patent non application of mind on the part of the learned Tribunal.

9. So far as ground (b) is concerned, reliance has been placed on the judgement of Hon'ble the Apex Court in the case of **District Development Officer and another vs Satish Kantilal Amrelia** reported in **(2018) 12 SCC 298** to argue that the Apex Court has categorically laid down that short working of a workman would not result into an automatic reinstatement order rather a workman can always be compensated in terms of money in case his retrenchment or termination has been found to be illegal.

10. As regards ground (c) reliance has been placed on the judgment of Hon'ble the Apex Court in the case of **Municipal Corporation, Faridabad vs Siri Niwas** reported in **(2004) 8 SCC 195** to hold that the Apex Court has held that the words "continuous service' are contained in Section 25B of the Act 1947 and that a workman has to show his continuous working during a period of 12 calendar months **preceding** the date with reference to which calculation is to be actually made.

11. On the basis of the aforesaid three grounds it is contended that the learned Tribunal has patently erred in law in passing the impugned award and as such the impugned award merits to be set aside.

12. On the other hand, Shri O. P. Srivastava, learned Senior Advocate,

appearing for the respondent no. 1 argues that before the learned Tribunal various documents had been placed by the workman including the logbooks, the working in the shape of gate passes and documents indicating the running of the vehicle which incidentally were never denied by the management. He argues that this aspect of the matter has been considered by the learned Tribunal in paragraph 21 of its award wherein the learned Tribunal has categorically held that the concerned officers of the management have miserably failed to discharge their duties and could not muster courage to specifically deny the truthfulness or authenticity of the documents relied upon by the workman.

13. It is also argued that once all the documents were available before the learned Tribunal and the documents were never denied by the management, as found specifically recorded in paragraph 20 of the award of the learned Tribunal, as such, even if the learned Tribunal has committed an error in determining the number of days of working of the workman the same can not and will not resile from the fact that the workman has worked from December 1998 to August 2001 and as such the presumption is of he having rendered 240 days of service right upto his illegal termination on 01.09.2001 which would entitle the workman to being reinstated in service.

14. So far as the erroneous working having been indicated by the learned Tribunal in paragraph 21 of its award, the argument of learned Senior Advocate is that before the learned Tribunal, reliance had been placed on various documents to indicate the continuous working of the workman from December 1998 till August 2001 and as such even in case the learned Tribunal has committed an error while indicating the working days of the workman the same cannot be held against him.

15. As regards of there being no automatic reinstatement on account of the short working, learned Senior Advocate has placed reliance on the judgement of the Apex Court in the case of **State of Uttarakhand and others vs Raj Kumar** reported in **(2019) 14 SCC 353** to contend that the Apex Court while considering its earlier judgement in the case of **Bharat Sanchar Nigam Limited vs Bhurumal** reported in **(2014) 7 SCC 177** has categorically laid down a caveat to there being no automatic reinstatement which would not be applicable where there could be cases where daily wager is found to have been illegally terminated on the ground of unfair labour practice or in violation of principles of last come first go vis a vis the juniors to him being retained in service or certain juniors having been regularised and in such circumstances, the workman can be reinstated despite his short working.

16. Placing reliance on the averments contained in the counter affidavit which has been filed in the instant petition it is contended that various juniors of the workman have been regularised in service and as such there is no error in learned Tribunal having directed for reinstatement of the workman.

17. Heard learned counsel for the parties and perused the record.

18. From the arguments as raised by learned counsel for the contesting parties and perusal of record it emerges that the

respondent no. 2 workman filed an application before the learned Tribunal contending that he has been illegally terminated from service on 01.09.2001. He claimed benefit of the provisions of Act 1947. Further he filed various documents before the learned Tribunal including logbooks, his working in the shape of gate passes and various other documents to show that he was driving a vehicle on behalf of the petitioners. He claimed continuous working from 10.12.1998 till the alleged illegal termination on 01.09.2001. The petitioners contested the claim and denied that there was continuous working of the workman or for that matter the workman was an employee of the petitioners rather they contended that he had been engaged through a contractor.

19. The learned Tribunal after considering the documents on record and also considering that there was no rebuttal on the part of the petitioners of the said documents, was of the view that as the workman has worked from December 1999 to December 2000 and from June 2000 to December 2000 as such his workings is 280 days and 270 days and thus would be entitled for the benefit of the provisions of the Act 1947 in as much as the working was more than 240 days in a year and thus the oral termination on 01.09.2001 cannot be said to be legal and justified and thus by means of the impugned award directed for reinstatement of the workman with effect from 01.09.2001 alongwith 50% of the back wages.

20. Challenging the award the first ground which has been taken by the petitioners is that the learned Tribunal after considering the working of the workman including the logbooks and other documents was of the view that the workman has worked from December 1999 to November 2000 and from June 2000 to December 2000 and his working has been indicated to be 280 days and 270 days i.e. more than 240 days but even if on the face of the working, as recorded by the learned Tribunal, the period from December 1999 to November 2000 and from June 2000 to December 2000 is to be counted at most it may amount to 280 days but by no stretch of imagination would the other period of working i.e. 270 days emerge and consequently there has been patent non application of mind on the part of the learned Tribunal.

21. While examining the said ground what the Court finds is that learned Tribunal has specifically recorded the working of the workman from December 1999 to November 2000 and from June 2000 to December 2000 and the total working has been indicated as 280 and 270 days. The award has been corrected suo-motu by the learned Tribunal vide its order dated 10.09.2018 whereby the working now reads as December 1999 to November 2000 and from June 2000 to December 2000. Even if the working, as corrected by the learned Tribunal through the order dated 10.09.2018 is seen at its face value by no stretch of imagination can it be said that the same would result in separate days of working i.e. 280 days and 270 days as has been recorded by the learned Tribunal as there is clear overlapping of the period of working / double counting from June 2000 to November 2000. Needless to mention that the said working has been recorded by the learned Tribunal on the basis of the documents as were before it. Considering there is a fallacy in recording of the said dates and clear double counting as such the first ground taken by the petitioner while challenging the impugned

awarded finds favour with this Court and this Court records that there being patent non application of mind on the part of the learned Tribunal while recording the number of days of working by the workman.

22. So far as the second ground taken by the petitioners is concerned i.e. the learned Tribunal having directed for reinstatement of the workman without indicating the reasons thereto, reliance has been placed upon the judgement of Hon'ble the Apex Court in the case of **Satish Kantilal Amrelia (supra).** The Apex Court in the said judgement has held as under :

"12. Having gone through the entire record of the case and further keeping in view the nature of factual controversy, findings of the Labour Court, the manner in which the respondent fought this litigation on two fronts simultaneously, namely, one in Civil Court and the other in Labour Court in challenging his termination order and seeking regularization in service, which resulted in passing the two conflicting orders - one in respondent's favour (Labour Court) and the other against him (Civil Court) and lastly, it being an admitted fact that the respondent was a daily wager during his short tenure, which lasted hardly two and half years approximately and coupled with the fact that 25 years has since been passed from the date of his alleged termination, we are of the considered opinion that the law laid down by this Court in the case of Bharat Sanchar Nigam Limited vs Bhurumal [(2014) 7 SCC 177] would aptly apply to the facts of this case and we prefer to apply the same for disposal of these appeals.

13. It is apposite to reproduce what this Court has held in the case of Bharat Sanchar Nigam Limited (supra):

"33. It is clear from the reading of the aforesaid judgments that the ordinary principle of grant of reinstatement with full back wages, when the termination is found to be illegal is not applied mechanically in all cases. While that may be a position where services of a regular/permanent workman are terminated illegally and/or mala fide and/or by way of victimisation, unfair labour practice, etc. However, when it comes to the case of termination of a daily-wage worker and where the termination is found illegal because of a procedural defect, namely, in violation of Section 25-F of the Industrial Disputes Act, this Court is consistent in taking the view that in such cases reinstatement with back wages is not automatic and instead the workman should be given monetary compensation which will meet the ends of justice. Rationale for shifting in this direction is obvious.

34. The reasons for denying the relief of reinstatement in such cases are obvious. It is trite law that when the termination is found to be illegal because of non-payment of retrenchment compensation and notice pay as mandatorily required under Section 25-F of the Industrial Disputes Act, even after reinstatement, it is always open to the management to terminate the services of that employee by paying him the retrenchment compensation. Since such a workman was working on daily-wage basis and even after he is reinstated, he has no right to seek regularisation [see State of Karnataka v. Umadevi (3)17]. Thus when he cannot claim regularisation and he has no right to continue even as a daily-wage worker, no useful purpose is going to be served in reinstating such a workman and he can be given monetary compensation by the Court itself inasmuch as if he is terminated again after reinstatement, he

would receive monetary compensation only in the form of retrenchment compensation and notice pay. In such a situation, giving the relief of reinstatement, that too after a long gap, would not serve any purpose.

35. We would, however, like to add a caveat here. There may be cases where termination of a daily-wage worker is found to be illegal on the ground that it was resorted to as unfair labour practice or in violation of the principle of last come first go viz. while retrenching such a worker daily wage juniors to him were retained. There may also be a situation that persons junior to him were regularised under some policy but the workman concerned terminated. In such circumstances, the terminated worker should not be denied reinstatement unless there are some other weighty reasons for adopting the course of grant of compensation instead of reinstatement. In such cases, reinstatement should be the rule and only in exceptional cases for the reasons stated to be in writing, such a relief can be denied."

23. From perusal of the aforesaid judgement it emerges that the Apex Court has categorically held that where there is a short working of the workman (in the case of Satish Kantilal Amreila the working was 2 and 1/2 years) then the law laid down by the Apex Court in the case of Bhurumal (supra) would be applicable i.e. in case of short working, order of reinstatement and the back wages would not be automatic instead workman should be given monetary compensation to meet the ends of justice.

24. Here the Court may hasten to add that the learned Senior Advocate for the respondents has placed reliance on the judgement of the Apex Court in the case of **Rajkumar (supra)** which was passed considering the earlier judgement of the Apex Court in the case of **Bhurumal (supra)** to argue that as juniors to the workman have been regularised in services as such there is no error in the learned Tribunal having directed for reinstatement of the workman.

25. The said argument of learned Senior Advocate is attractive on the face of it but what the Court finds is that learned Tribunal while directing for reinstatement of the workman has not considered that the alleged juniors of the workman have been regularised in service or retained in the service rather the learned Tribunal, upon finding the alleged termination to be illegal, has directed for automatic reinstatement of the workman. Even if considering the alleged working of the workman, as per his case before the learned Tribunal of he having worked continuously from 10.02.1998 to August 2001 the same would amount to alleged working of 2 years and 8 months and consequently the law laid down in the case of **Satish Kantilal Amrelia (supra)** would be squarely applicable in as much as there would not be automatic reinstatement on the short working of the workman. Thus this ground taken by the petitioners also finds favour with the Court.

26. As regards the third ground taken by the petitioners for challenging the award of the learned Tribunal that there has been no continuous service of the workman prior to his alleged termination, the Court would now consider the judgment of Hon'ble the Apex Court in the case of **Siri Niwas (supra)** over which reliance has been placed by the learned counsel for the petitioners. In the case of **Siri Niwas (supra)** the Apex Court has held as under:

"For the said purpose it is necessary to notice the definition of

'Continuous Service' as contained in Section 25-B of the Act. In terms of sub-Section (2) of Section 25-B that if a workman during a period of twelve calendar months preceding the date with reference to which calculation is to be made, has actually worked under the employer 240 days within a period of one year, he will be deemed to be in continuous service. By reason of the said provision, thus, a legal fiction is created. The retrenchment of the respondent took place on 17.5.1995. For the purpose of calculating as to whether he had worked for a period of 240 days within one year or not, it was, therefore, necessary for the Tribunal to arrive at a finding of fact that during the period between 5.8.1994 to 16.5.1995 he had worked for a period of more than 240 days. As noticed hereinbefore, the burden of proof was on the workman. From the Award it does not appear that the workman adduced any evidence whatsoever in support of his contention that he complied with the requirements of Section 25-B of the Industrial Disputes Act. Apart from examining himself in support of his contention he did not produce or call for any document from the office of the Appellant herein including the muster rolls. It is improbable that a person working in a Local Authority would not be in possession of any documentary evidence to support his claim before the Tribunal. Apart from muster rolls he could have shown the terms and conditions of his offer of appointment and the remuneration received by him for working during the aforementioned period. He even did not examine any other witness in support of his case."

27. From a perusal of the judgement of **Siri Niwas (supra)** it emerges that Hon'ble the Apex Court while considering the definition of the words "continuous service" has considered Section 25B of the Act 1947 and has held that in terms of sub Section (2) of Section 25B of the Act 1947 if a workman, during a period of 12 actual months **preceding** the date with regard to which calculation is given, has actually worked under the employer for 240 days then he will be deemed to be in continuous service for a period of one year.

28. In this case the alleged termination of the workman took place on 01.09.2001 while his working has been considered by the learned Tribunal (as corrected on 10.09.2018) from December 1999 to December 2000 meaning thereby that the services upto 31.08.2001 have not been considered by the learned Tribunal for calculating the continuous service of the workman. Thus once the alleged **continuous service** of the workman right upto 31.08.2001 has not been considered by the learned Tribunal consequently it cannot be said that the petitioners have violated the provisions of the Act 1947. Thus this ground also finds favour of the Court.

29. Keeping in view the aforesaid discussion, the writ petition is **allowed**. The impugned award dated 16.05.2017 published on 03.04.2018, a copy of which is annexure 1 to the petition, is set aside. The matter is remitted to the learned Tribunal to pass a fresh order on merits. As the matter is pending since long as such let an order be passed within a period of six months from the date of receipt of certified copy of this order after hearing all the parties concerned.

ORIGINAL JURISDICTION
CIVIL SIDE
DATED: ALLAHABAD 16.12.2022

BEFORE

THE HON'BLE SIDDHARTHA VARMA, J.
THE HON'BLE AJIT SINGH, J.

Writ-C No. 29605 of 2022

Basoo Yadav ...Petitioner
Versus
Union of India & Ors. ...Respondents

Counsel for the Petitioner:
Sri Ramesh Chandra Yadav, Sri Ram Krishna Mishra

Counsel for the Respondents:
C.S.C., A.S.G.I., Sri Narendra Singh

(A) Civil law - Issuance of passport - The Code of Criminal Procedure, 1973 - Section 155(1) - Information as to non-cognizable cases and investigation of such cases , Section 468 - Bar to taking cognizance after lapse of the period of limitation , The Passports Act, 1967 - Section 6 - Refusal of passports, travel documents. etc. , Section 22 - Power to exempt.

Online application form for issuance of passport - rejected on basis of two reports of non-cognizable cases – view of Director General of Police - reports with regard to the non-cognizable cases could not be made the basis for rejecting an application for issuance of passport if they had not been investigated into - no appeal provided against order of rejection - hence petition.**(Para - 1, 2, 3, 14)**

HELD:-No non-cognizable report which was registered could be taken into cognizance if no investigation was ordered by the concerned Magistrate. Even during the pendency of any criminal case, passport could be issued/renewed as per the Government Order dated 25.8.1993 if the Court passes orders for that purpose. Direction issued **.(Para - 14)**

Petition Allowed. (E-7)

(Delivered by Hon'ble Siddhartha Varma, J.)

1. The instant writ petition has been filed for the issuance of a writ of mandamus directing the respondent no.2 to issue a passport in favour of the petitioner. A further prayer has been made that the respondent no.3 i.e. the Passport Sewa Kendra, Varanasi may be directed to appropriately take action upon the application which the petitioner had filed for the issuance of his passport.

2. In the instant case, the petitioner on 28.6.2022 had filled-up an online application form for the issuance of a passport and he was given an appointment for appearing before the passport office on 5.8.2022 at 11.30 AM. When the petitioner reached on 5.8.2022 before the passport office, he was informed that there was a police report against the petitioner which stated that there were reports with regard to non-cognizable cases being NCR No.111/2012 and NCR No.114/2018 and therefore, the passport could not be issued to him.

3. Learned counsel for the petitioner states that thereafter the petitioner went back to district Azamgarh and filed an application on 11.8.2022 praying that the Court i.e. the Court of Additional Chief Judicial Magistrate may call for a report from police station Nijamabad, District Azamgarh with regard to the two NCRs being NCR No.111/2012 and NCR No.114/2018. The Court on the very same day passed an order directing the Station House Officer, Police Station, Nijamabad to submit a report with regard to the petitioner's application. On 1.9.2022, the Station House Officer submitted a report wherein it was mentioned that there was no order of the Court for investigating into non-cognizable cases which were registered against the petitioner as NCR No.111/2012 and NCR No.114/2018. Learned counsel states that since the petitioner's application for issuing a passport had already been rejected and there is no appeal provided against the order of rejection, the petitioner has filed the instant writ petition.

4. When the case was being argued as a fresh case, learned counsel for the petitioner had argued that as per the provisions of the Code of Criminal Procedure, 1973 (hereinafter referred to as the "Cr.P.C."), if there was no order of any Magistrate for investigation under section 155(1) Cr.P.C. then no police officer could investigate a non-cognizable case.

5. For convenience, section 155 Cr.P.C. is being reproduced here as under :-

"155. Information as to non-cognizable cases and investigation of such cases

.--(1) When information is given to an officer in charge of a police station of the commission within the limits of such station of a non-cognizable offence, he shall enter or cause to be entered the substance of the information in a book to be kept by such officer in such form as the State Government may prescribe in this behalf, and refer the informant to the Magistrate.

(2) No police officer shall investigate a non-cognizable case without the order of a Magistrate having power to try such case or commit the case for trial.

(3) Any police officer receiving such order may exercise the same powers in respect of the investigation (except the power to arrest without warrant) as an officer in charge of a police station may exercise in a cognizable case.

(4) Where a case relates to two or more offences of which at least one is cognizable, the case shall be deemed to be a cognizable case, notwithstanding that the other offences are non-cognizable."

6. Learned counsel for the petitioner had also argued that normally non-cognizable cases had punishments which were ranging from one year to seven years and he submitted that as per section 468 Cr.P.C., if cognizance of the cases could not be taken after a lapse of limitation, then the reports of the non-cognizable cases were worthless documents. Since, learned counsel for the petitioner has relied upon section 468 Cr.P.C., the same is being reproduced here as under :

"468. Bar to taking cognizance after lapse of the period of limitation

.--(1) Except as otherwise provided elsewhere in this Code, no Court, shall take cognizance of an offence of the category specified in sub-section (2), after the expiry of the period of limitation.

(2) The period of limitation shall be--

(a) six months, if the offence is punishable with fine only;

(b) one year, if the offence is punishable with imprisonment for a term not exceeding one year;

(c) three years, if the offence is punishable with imprisonment for a term exceeding one year but not exceeding three years.

(3) For the purposes of this section, the period of limitation, in relation to offences which may be tried together, shall be determined with reference to the offence which is punishable with the more severe punishment or, as the case may be, the most severe punishment."

7. Learned counsel for the petitioner further stated that when there was no investigation ordered by the Magistrate, as was clear from the report of the Station House Officer dated 1.9.2022, then the petitioner also had no knowledge about the pendency of the case. He, therefore, submits that while he was filling the application form then also he could not

have mentioned about the NCR No.111/2012 and NCR No.114/2018.

8. When the case was argued as a fresh case and the Court was of the view that the NCRs could not be taken cognizance of when the Magistrate had not ordered for any investigation, a direction was issued to the Director General of Police to send instructions. The orders dated 19.11.2022 and 28.11.2022 are being reproduced here as under :

Order dated 19.11.2022

"Learned counsel for the petitioner states that the Police had sent a report on 01.09.2022 with regard to the fact that there were two NCRs being NCR No.111 of 2012 and NCR No.114 of 2018 where no order from the Court was passed for investigation and, therefore, no investigation had taken place.

Learned counsel for the petitioner states that as per the Cr.P.C. if there was no investigation on the orders of the Magistrate for an NCR then definitely there was no case pending against the petitioner and, therefore, such a report should not have been sent.

The Director General of Police, Uttar Pradesh may send instructions in the matter. While getting the instructions he may inform the Court as to whether it was necessary for sending a report with regard to such NCRs, in which no action had been taken by the Magistrate for investigation.

Place this case on 28.11.2022 as fresh at 10.00 am."

Order dated 28.11.2022

"Instructions filed today be kept on record.

The Court had asked for instructions specifying as to whether it was necessary for sending a report with regard to an N.C.R. in which no action had been taken by the Magistrate for investigation when the period for the punishment had lapsed.

The Director General of Police was required to send the instructions but some Superintendent of Police has sent them. The Court also was not satisfied with the averments made in paragraph no. 7 of the instructions.

Place this petition as fresh on 30.11.2022 at 10:00am.

On the next date, the Director General of Police may send instructions. He would clearly specify as to whether when the police report is given for the purposes of the report asked by the passport authorities, could a report be submitted if the N.C.R. filed against an individual was for an offence in which no action could be taken as per the provisions of Section 468 of Cr.P.C.

This order was passed in the presence of Sri Narendra Singh learned counsel for the Union of India."

9. On 30.11.2022 learned Standing Counsel Sri Manvendra Dixit produced the instructions which he had received from the Director General of Police. The same is being reproduced here as under :-

महोदय,

कृपया उपरोक्त विषयक श्री मानवेन्द्र दीक्षित, स्थायी अधिवक्त, मा0 उच्च न्यायालय इलाहाबाद के पत्र दिनांकित 28.11.2022 का संदर्भ ग्रहण करें, जिसके द्वारा मा0 उच्च न्यायालय द्वारा पारित आदेश दिनांकित 19.11.2022 तथा 28.11.2022 की छायाप्रति संलग्न करते हुए मा0 न्यायालय द्वारा दिये गये निर्देशों के अनुपालन में Instruction उपलब्ध कराये जाने की अपेक्षा की गयी हैं।

याची बासु यादव पुत्र जाबिर यादव के पासपोर्ट आवेदन प्रार्थना पत्र पर आजमगढ़ पुलिस द्वारा प्रस्तुत रिपोर्ट में प्रश्न संख्या–2 में उत्तर में NCR संख्या–111/2012 धारा–323, 504, 506 भादवि तथा NCR संख्या– 114/2018 धारा– 323, 504 भादवि अंकित करते हुए पासपोर्ट जारी न करने की संस्तुति की गयी जबकि याची के विरूद्ध पंजीकृत NCR की विवेचना नहीं की गयी थी।

पासपोर्ट के कार्यालय से प्राप्त पुलिस वेरीफिकेशन रिपार्ट में स्पष्ट रूप से यह प्रश्न पूछा गया है कि–

Is the applicant facing any criminal charges in any Court? (If 'YES', please provide specific details of criminal case)

उपरोक्त पश्न के उत्तर में याची के विरूद्ध पंजीकृत ऐसी NCR का उल्लेख करते हुये, जिनकी विवेचना नहीं की गयी है, पासपोर्ट जारी न किये जाने की संस्तुति नहीं की जा सकती है।

कृपया उपरोक्त तथ्यों से मा0 न्यायालय को अवगत कराते हये प्रकरण का निस्तारण कराने का कष्ट करें।

(देवेन्द्र सिंह चौहान)
पुलिस महानिदेशक
उत्तर प्रदेश"

10. The Director General of Police very categorically stated that such reports of non-cognizable cases which were not investigated into could not be the reason for refusing a passport to the petitioner. Learned Standing Counsel submitted that the reasons for the rejection of an application for the issuing of a passport had been enumerated in section 6 of the Passports Act, 1967 (hereinafter referred to as the "Passports Act").

11. For convenience, section 6 of the Passports Act is being reproduced here as under :-

"6. Refusal of passports, travel documents. etc.

-- (1) Subject to the other provisions of this Act, the passport authority shall refuse to make an endorsement for visiting any foreign country under clause (b) or clause (c) of sub-section (2) of Section 5 on any one or more of the following grounds, and on no other ground, namely.--

(a) that the applicant may, or is likely to, engage in such country in activities prejudicial to the sovereignty and integrity of India;

(b) that the presence of the applicant in such country may, or is likely to, be detrimental to the security of India;

(c) that the presence of the applicant in such country may, or is likely to, prejudice the friendly relations of India with that or any other country;

(d) that in the opinion of the Central Government the presence of the applicant in such country is not in the public interest.

(2) Subject to the other provisions of this Act, the passport authority shall refuse to issue a passport or travel document for visiting any foreign country under clause (c) of sub-section (2) of Section 5 on any one or more of the following grounds, and on no other ground, namely:--

(a) that the applicant is not a citizen of India;

(b) that the applicant may, or is likely to, engage outside India in activities prejudicial to the sovereignty and integrity of India;

(c) that the departure of the applicant from India may, or is likely to, be detrimental to the security of India;

(d) that the presence of the applicant outside India may, or is likely to, prejudice the friendly relations of India with any foreign country;

(e) that the applicant has, at any time during the period of five years immediately preceding the date of his application, been convicted by a court in India for any offence involving moral turpitude and sentenced in respect thereof to imprisonment for not less than two years;

(f) that proceedings in respect of an offence alleged to have been committed by the applicant are pending before a criminal court in India;

(g) that a warrant or summons for the appearance, or a warrant for the arrest, of the applicant has been issued by a court under any law for the time being in force or that an order prohibiting the departure from India of the applicant has been made by any such court;

(h) that the applicant has been repatriated and has not reimbursed the expenditure incurred in connection with such repatriation;

(i) that in the opinion of the Central Government the issue of a passport or travel document to the applicant will not be in the public interest."

12. Learned Standing Counsel further submitted that with regard to pendency of criminal cases, section 6(2)(e) and (f) of the Passports Act were relevant. Learned Standing Counsel submitted that the issuance of a passport could be refused under section 6(2)(e) of the Passports Act if in the five years immediately preceding the date of the application, the applicant had been convicted by a Court in India for any offence involving moral turpitude and sentenced in respect thereof to imprisonment for not less than two years. Learned Standing Counsel further relying upon section 6(2)(f) of the Passports Act stated that if proceedings in respect of an offence alleged to have been committed by the applicant are pending before a Criminal Court in India then also the passport application could be rejected. However, learned Standing Counsel submitted that as per the notification gazetted on 25.8.1993 which was issued under section 22 of the Passports Act by the Government of India, Ministry of External Affairs, passports could be issued in certain circumstances even while a criminal case was pending if there were orders of the Court. Since, learned Standing Counsel brought to the notice of the Court the Government Order dated 25.8.1993, the same is being reproduced here as under :-

"GOVERNMENT OF INDIA

MINISTRY OF EXTERNAL AFFAIRS

NOTIFICATION

New Delhi, the 25th August, 1993

G.S.R. 570(E). - In exercise of the powers conferred by clause (a) of section 22 of the Passports Act, 1967 (15 of 1967) and in supersession of the notification of the Government of India in the Ministry of External Affairs no. G.S.R.298(E), dated the 14th April, 1976, the Central Government, being of the opinion that it is necessary in public interest to do so, hereby exempts citizens of India against whom proceedings in respect of an offence alleged to have been committed by them are pending before a criminal court in India and who produce orders from the court concerned permitting them to depart from India, from the operation of the provisions of Clause (f) of sub-section (2) of Section 6 of the said Act,

subject to the following conditions, namely:-

(a) the passport to the issued to every such citizen shall be issued--

(i) for the period specified in order of the court referred to above, if the court specifies a period for which the passport has to be issued; or

(ii) if no period either for the issue of the passport or for the travel abroad is specified in such order, the passport shall be issued for a period one year,

(iii) if such order gives permission to travel abroad for a period less than one year, but does not specify the period validity of the passport, the passport shall be issued for one year; or

(iv) if such order gives permission to travel abroad for a period exceeding one year, and does not specify the validity of the passport, then the passport shall be issued for the period of travel abroad specified in the order.

(b) any passport issued in terms of a(ii) and a(iii) above can be further renewed for one year at a time, provided the applicant has not travelled abroad for the period sanctioned by the court; and provided further that, in the meantime, the order of the court is not cancelled or modified;

(c) any passport issued in terms of a(i) above can be further renewed only on the basis of a fresh court order specifying a further period of validity of the passport or specifying a period for travel abroad;

(d) the said citizen shall give an undertaking in writing to the passport issuing authority that he shall, if required by the court concerned, appear before it at any time during the continuance in force of the passport so issued.

[No.VI/401/37/79]

L.K. PONAPPA, Jt. Secy. (CPV)"

13. In this connection, the provisions of Section 22 of the Passports Act are also relevant which read as under:-

"22. Power to exempt.--Where the Central Government is of the opinion that it is necessary or expedient in the public interest so to do, it may, by notification in the Official Gazette and subject to such conditions, if any, as it may specify in the notification,--

(a) exempt any person or class of persons from the operation of all or any of the provisions of this Act or the rules made thereunder; and

(b) as often as may be, cancel any such notification and again subject, by a like notification, the person or class of persons to the operation of such provisions."

14. Having heard learned counsel for the petitioner and learned Standing Counsel and after having gone through the instructions which have been sent by the Director General of Police, the Court is definitely of the view that no non-cognizable report which was registered could be taken into cognizance if no investigation was ordered by the concerned Magistrate. Even though in the instant case, whether the passport can be refused on the basis of the pendency of the criminal case is not the question involved, we are of the view that even during the pendency of any criminal case, passport could be issued/renewed as per the Government Order dated 25.8.1993 if the Court passes orders for that purpose. In the instant case, we do find that the application of the petitioner was rejected on the basis of the two reports of non-cognizable cases namely

NCR No.111/2012 and NCR No.114/2018. The Director General of Police has also given his view that the reports with regard to the non-cognizable cases could not be made the basis for rejecting an application for issuance of passport if they had not been investigated into.

15. Under such circumstances, we issue the following directions :-

(1) The passport form of the petitioner for the issuance of a passport be considered within a period of two weeks from the date of presentation of a certified copy of this order before the respondent no.2-Regional Passport Officer, Regional Passport Office, Vipin Khand, Gomti Nagar, Lucknow;

(2) Since we are finding that in quite a few cases the reports of non-cognizable cases in which the concerned Magistrate had not even ordered for investigation were being taken into account for rejection of passport, we issue a direction to the Director General of Police to instruct his officers to give a report with regard to the pendency of reports in non-cognizable cases after appropriate and proper application of mind;

(3) Outright the passport applications be not rejected under section 6(2)(f) of the Passports Act if orders of the Court, where the criminal case is pending, have been passed as per the Government Order dated 25.8.1993. The Director General of Police to issue notification in this regard also.

16. With these observations, the writ petition is, accordingly, allowed.

ORIGINAL JURISDICTION
CIVIL SIDE
DATED: ALLAHABAD 29.11.2022

BEFORE

THE HON'BLE PRAKASH PADIA, J.

Writ-C No. 32884 of 2022

Lalji Yadav ...Petitioner
Versus
Union of India & Ors. ...Respondents

Counsel for the Petitioner:
Sri Shri Ram Pandey

Counsel for the Respondents:
A.S.G.I., Sri Anand Tiwari, C.S.C.

(A) Writ - Issuance of mandamus - mandamus may be issued to compel the authorities to do something but it must be shown that there is a statute which imposes a legal duty and aggrieved party has a legal right under the statute to enforce legal rights - a right not exercised for a long time becomes non-existent - mere representation does not extend the period of limitation - aggrieved person has to approach the Court expeditiously and within reasonable time.(Para - 11,16,17)

Land of petitioner acquired - received full compensation - provided under Section 23 of Land Acquisition Act – controversy - to provide employment - in lieu of land acquired by respondent-Corporation or by other authorities - various representations made - no action taken on representations - no statute shown - for which a mandamus has been sought - hence present writ petition. **(Para - 4,7,11)**

HELD:-Petitioner not placed any statutes before court on basis of which an employment could be given to him in lieu of the land, which was taken by the Corporation in the year 1985. No relief could be granted to petitioner. Laches on part of petitioner for approaching Court. **(Para -15,16,18)**

Petition Dismissed. (E-7)

List of Cases cited:

1. Dau Dayal Vs A.D.A & ors. , Writ Petition No. 27690 of 1991

2. Butu Prasad Kumbhar & ors. Vs S.A.I.L. & Ors. , JT 1995(3) SC 428

3. B.E.G.F.C.S. Ltd. Vs Sipahi Singh & ors. , AIR 1977 SC 2149

4. Ravindra Kumar Vs D.M. , Agra , 2005 (2) AWC 1650.

5. Baljeet Singh (Dead) through L.R. & ors. Vs St. of U.P. & ors. , (2019) 15 SCC 33

6. Surjeet Singh Sahni Vs St. of U.P. & ors. , SLP (C) No.3008 of 2022

(Delivered by Hon'ble Prakash Padia, J.)

1. Heard learned counsel for the petitioner. Office of the Additional Solicitor General of India has accepted notice on behalf of respondent no.1 and Shri Anand Tiwari, learned counsel has accepted notice on behalf of respondents no.2 to 4.

2. The petitioner has preferred present writ petition inter-alia with the following prayers :-

"(i) Issue a writ order or direction in the nature of certiorari quashing the impugned order dated 06.02.1989 issued by Respondent No. 4

(ii) Issue a writ order or direction in the nature of mandamus directing the Respondent Nos. 2, 3 and 4 to consider the grievances of the Petitioner and passed an appropriate order upon the letters pending before Respondents within stipulated period to meet the end of Justice."

3. The facts in brief as contained in the writ petition are that the land of the petitioner was acquired by the respondent-Indian Oil Corporation in the year 1985. Thereafter, an application was submitted by the petitioner seeking his appointment with the respondent-Corporation on the ground that his land has been acquired hence apart from compensation, which was paid in lieu of the land an appointment should also be given by the corporation. The claim for appointment of the petitioner was rejected by the respondent-Corporation because he was over age. Subsequently a meeting was held in the area office of the respondent-Indian Oil Corporation at Allahabad on 18.01.1989.Thereafter a letter dated February 06, 1989 was written by the Deputy General Manager (Personal), Indian Oil Corporation Ltd. New Delhi to the Employment Officer, Employment Exchange, Varanasi, U.P. In the said letter name of the petitioner was at item number-1. The letter reads as follows :-

"Kindly refer the meeting our Area Manager, Allahabad, Shri P.N.Shukla had with you on 18/1/89 on the subjects :

1/ We would like you to confirm that shri Lalji Yadav has not been sponsored because he is over age. His date of birth being 20.1.60.

2/ Although the name of Shri Ashok Kumar S/o Shri - Matabhik has appeared twice in the list of land- losers (Sl.Nos. 31-32 & 167-168), but his name has not been sponsored by you so far. You may take necessary action for sponsoring the name of Shri Ashok Kumar.

3/ Whereas you have sponsored the name of shri Ram Ashrey s/o Shri Jagar Dev who is 8th pass. But, you have not sponsored the name of Shri Shyan Narain s/o Shri Sarvesh who is also 8th pass. You may please sponsor the name of Shri Shyam Narain also.

4/ You have sponsored the name of one shri Rajinder Prasad s/o sh

Tribhuvan whereas as per our list of landlosers, the candidate sponsored by the land-loser is Sh. Rajesh Kumar s/o sh Tribhuvan, and not sh. Rajinder Kumar. You may please clarify this.

You may please take necessary action on items mentioned at Sl. Nos. 1 to 4 at the earliest so as to enable us to proceed further on the matter."

4. It is argued that after the aforesaid letter was written no action was taken either by the Employment Exchange Officer or by the Officer of Indian Oil Corporation Ltd. It is stated in paragraph 12 of the writ petition that petitioner is continuously approach the respondents no.3 and 4 and thereafter, various representations were made by him but no action has been taken in the matter. Since no action has been taken on the representations made by the petitioner hence present writ petition.

5. On the other hand it is argued by Shri Anand Tiwari, learned counsel for the respondent-corporation that the land of the petitioner was acquired in the year 1985 but nothing has been stated in the entire writ petition that any assurance was given by the corporation to the petitioner to provide employment. It is further argued that the petitioner was sleeping over his rights from last more than 37 years hence apart from merits of the case, the writ petition is liable to be dismissed on the ground of laches.

6. Heard learned counsel for the parties and perused the record.

7. After land of the petitioner was acquired, he received full compensation as provided under Section 23 of the Land Acquisition Act, which means an amount equal to full market value of the land with interest as well as solatium under sub section (2) of Section 23 of the Land Acquisition Act was paid to him. Time and again controversy to provide employment in lieu of the land acquired by the respondent-Corporation or by other authorities were came up before this Court from time to time.

8. It is well known that there is already surplus staff in most Government Departments and Public Sector Undertakings, and further jobs cannot be given in this manner as that would only be putting a greater burden on the tax payers, and there would be violation of Article 16 of the Constitution.

9. In ***Writ Petition No. 27690 of 1991, Dau Dayal v. Agra Development Authority and others,*** decided on 23.3.1995 the then Hon'ble G.P. Mathur, J. held that as there is no provision for granting a job in addition to the compensation provided for in Section 23 of the Land Acquisition Act, no such job can be granted.

10. In the case of ***Butu Prasad Kumbhar and Ors. v. Steel Authority of India Ltd. and others, JT 1995(3) SC 428*** it was held that there is no requirement under Article 21 of the Constitution to provide employment to a member of the family displaced by the acquisition of land. In Director, Mandi Pahshad v. Sohan Lal, 2003 ALJ 540, a Division Bench of this Court held that when the petitioner has received compensation under the Land Acquisition Act he cannot claim appointment in addition.

11. It is also settled law that a mandamus may be issued to compel the authorities to do something but it must be

shown that there is a statute which imposes a legal duty and aggrieved party has a legal right under the statute to enforce legal rights. In so far as present case is concerned, no statute has been shown by the counsel for the petitioner for which a mandamus has been sought for by him. In this connection law is well settled by the Hon'ble Apex Court in paragraph 21 in the case of ***Bihar Eastern Gangetic Fishermen Co-opera- tive Society Ltd. v. Sipahi Singh and others, AIR 1977 SC 2149***. The paragraph 21 is reproduced hereinbelow :-

"21. In order that mandamus may be issued to compel the authorities to do something, it must be shown that there is a statute which imposes a legal duty and the aggrieved party has a legal right under the statute to enforce its performance."

12. In so far as the present case is concerned, no statutory provisions has been placed by the counsel for the petitioner requiring a job to be given to one member of the family of the person whose land has been acquired.

13. Similar controversy has also came up before Full Bench of this Court in the case of ***Ravindra Kumar v. District Magistrate, Agra*** reported in ***2005 (2) AWC 1650***. In the aforesaid case following questions were placed before the Full Bench namely:-

"(1) Whether Government Orders/Circulars providing employment to one member of a family whose land has been acquired, (over and above the compensation awarded under law) is valid or not ?

(2) Whether the acquiring bodies for whose benefit the land is acquired are bound by these Government Orders/Circular ?

(3) Whether a writ can be issued directing the acquiring body to consider the claim in accordance with the Government. Orders/Circulars ? "

14. The answer of aforesaid questions were given by the Full Bench in paragraph 25 of the judgement, which reads as follows :-

"(1) The Government Orders/Circulars providing employment to one member of a family of a person whose land has been acquired (over and above the compensation awarded under the law) are invalid.

(2) The acquiring body for whose benefit the land is acquired are not bound by such Government Order/Circular.

(3) No writ can be issued directing the acquiring body to consider the claim in accordance with the aforesaid Order/Government Circular."

15. In view of the settled proposition of law as quoted above, I am of the opinion that no relief could be granted to the petitioner in so far as present writ petition is concerned.

16. In so far as laches on part of the petitioner for approaching this Court is concerned, law is well settled by Hon'ble Apex Court in the case of ***Baljeet Singh (Dead) through Legal Representatives and others Vs. State of U.P. and others*** reported in ***(2019) 15 SCC 33*** that it is a recognised principle of jurisprudence that a right not exercised for a long time becomes non-existent. Even when there is no limitation period prescribed by any statute relating to certain proceedings, in such cases, courts have coined doctrine of laches

and delay as well as doctrine of acquiescence and non suited litigants who approached court belatedly without any justifiable explanation for bringing action after unreasonable delay--Estoppel, Acquiescence and Waiver- Acquiescence-Evidence Act, 1872. Section 115. The paragraph 7 is reproduced hereinbelow :-

"7. The matter requires examination from another aspect viz. laches and delay. It is a very recognised principle of jurisprudence that a right not exercised for a long time is non-existent. Even when there is no limitation period prescribed by any statute relating to certain proceedings, in such cases, courts have coined the doctrine of laches and delay as well as doctrine of acquiescence and non-suited the litigants who approached the court belatedly without any justifiable explanation for bringing the action after unreasonable delay. In those cases, where the period of limitation is prescribed within which the action is to be brought before the court, if the action is not brought within that prescribed period, the aggrieved party loses remedy and cannot enforce his legal right after the period of limitation is over, however, subject to the prayer for condonation of delay and if there is a justifiable explanation for bringing the action after the prescribed period of limitation is over and sufficient cause is shown, the court may condone the delay. Therefore, in a case where the period of limitation is prescribed and the action is not brought within the period of limitation and subsequently proceedings are initiated after the period of limitation along with the prayer for condonation of delay, in that case, the applicant has to make out a sufficient cause and justify the cause for delay with a proper explanation. It is not that in each and every case despite the sufficient cause is not shown and the delay is not properly explained, the court may condone the delay. To make out a case for condonation of delay, the applicant has to make out a sufficient cause/ reason which prevented him in initiating the proceedings within the period of limitation. Otherwise, he will be accused of gross negligence. If the aggrieved party does not initiate the proceedings within the period of limitation without any sufficient cause, he can be denied the relief on the ground of unexplained laches and delay and on the presumption that such person has waived his right or acquiesced with the order. These principles are based on the principles relatable to sound public policy that if a person does not exercise his right for a long time then such right is non-existent."

17. Very recently Hon'ble Supreme Court in the case ***of Surjeet Singh Sahni Vs. State of U.P. and others in SLP (C) No.3008 of 2022 decided on 28.02.2022*** held that mere representation does not extend the period of limitation and the aggrieved person has to approach the Court expeditiously and within reasonable time. The paragraphs 5 & and 6 are reproduced hereinbelow :-

"5. As observed by this Court in catena of decisions, mere representation does not extend the period of limitation and the aggrieved person has to approach the Court expeditiously and within reasonable time. If it is found that the writ petitioner is guilty of delay and latches, the High Court should dismiss it at the threshold and ought not to dispose of the writ petition by relegating the writ petitioner to file a representation and/or directing the authority to decide the representation, once it is found that the original writ petitioner is guilty of delay and latches. Such order shall

not give an opportunity to the petitioner to thereafter contend that rejection of the representation subsequently has given a fresh cause of action.

6. Even otherwise on merits also, we are in complete agreement with the view taken by the High Court. The High Court has rightly refused to grant any relief which as such was in the form of specific performance of the contract. No writ under Article 226 of the Constitution of India shall be maintainable and/or entertainable for specific performance of the contract and that too after a period of 10 years by which time even the suit for specific performance would have been barred by limitation."

18. In view of the aforesaid, the Court is of the opinion that neither petitioner has placed before this Court any statutes on the basis of which an employment could be given to him in lieu of the land, which was taken by the Corporation in the year 1985.

19. Accordingly, present writ petition is dismissed.

DATED: ALLAHABAD 07.12.2022

BEFORE

THE HON'BLE MANOJ KUMAR GUPTA, J.
THE HON'BLE JAYANT BANERJI, J.

Writ-C No. 33578 of 2022

Sonu & Anr. ...Petitioners
Versus
State of U.P. & Ors. ...Respondents

Counsel for the Petitioners:
Sri Brijesh Chandra Tripathi, Sri Sunil Kumar Dubey

Counsel for the Respondents:
C.S.C., Sri Virendra Singh Chauhan

(A) Civil Law - Constitution of India, 1949 - Article 243-P - "Municipal area" , Article 243-Q - Constitution of Municipalities, The U.P. Municipalities Act, 1916 - Section 3 - Declaration etc. of transitional area and smaller urban area, Section 3(2) - notification under clause (2) of Article 243-Q of the Constitution, Section 4 - Preliminary procedure to issue notification - No prohibition for a person not living in the area which is sought to be included to file objection. (Para -12)

Petitioners are Corporators of Nagar Palika Parishad - notification - inclusion of various Gram Panchayats in the Municipal Council - locus to file objection against the draft notification pendency of writ petition - final notification in abeyance - granted time to petitioners to file objection - under circumstances defect has been cured. (Para - 3,12,13)

HELD:-Defect cannot be cured as post decisional hearing of objections is not contemplated under law. Objections were to be decided before finalizing the draft notification and not after the issuance of final notification. Goes to the root of the matter and renders the final notification illegal. **(Para - 14)**

Petition Allowed. (E-7)

(Delivered by Hon'ble Manoj Kumar Gupta, J.
&
Hon'ble Jayant Banerji, J.)

1. Heard Sri Brijesh Chandra Tripathi, learned counsel for the petitioners, learned Standing Counsel Sri Pradeep Kumar Tripathi for respondent nos. 1 and 2 and Sri Virendra Singh Chauhan, learned counsel for respondent no.3.

2. With consent of counsel for the parties, the petition is being disposed of finally at the admission stage.

3. The facts in brief are that petitioner no.1 is elected Corporator from Ward No. 3, Nagar Palika Parishad, Baghapat and petitioner no.2 also is an elected Corporator from Ward No. 19, Nagar Palika Parishad, Baghpat. They have challenged the notification issued on 21.9.2022 by respondent no.1 in exercise of power under Article 243-Q of the Constitution read with sub-section (2) of Section 3 of the U.P. Municipalities Act, 1916 including the area specified in Schedule-1 of the said notification in smaller urban area of the Municipal Council, Baghpat and a declaration under clause (d) of the Article 243-P of the Constitution that the area specified in Schedule-2 would be territorial area of Municipal Council, Baghpat.

4. The facts and grounds on which the challenge has been made is noted in our order dated 15.11.2022, which is as follows:-

"The contention of counsel for the petitioners is that a draft notification was issued on 26.8.2022 under Section 4 of the U.P. Municipalities Act, 1916, for inclusion of certain areas in the smaller urban area of Nagar Palika Parishad, Baghpat. Its Hindi version was published in "Amar Ujala" dated 27.8.2022 and thereby objections and suggestions were invited against the draft notification within fifteen days. On 4.9.2022, a corrigendum was published in the newspaper, stating that the draft notification in English provides only seven days time for filing objections/suggestions. However, on account of error, the Hindi version provided fifteen days time for filing objections/suggestions. Accordingly, the Hindi version was sought to be amended, so as to bring it in line with the notification issued in English.

Learned counsel for the petitioners submitted that issuance of draft notification in Hindi in a local area, is the requirement of law. The petitioners on basis of the said notification filed objections against the draft notification on 6.9.2022. However, while issuing the final notification dated 21.9.2022, their objections have not been considered, apparently on the ground that the same was filed after seven days. It is submitted that the corrigendum issued by the respondents deprives the petitioners of their valuable right to file objections against the draft notification and therefore, the final notification is rendered illegal.

Sri Dilip Kesarwani, learned Additional Chief Standing Counsel, on instructions, admits that the objections and suggestions that were received within seven days alone were considered, meaning thereby that the objections filed by the petitioners were not considered.

Prima facie, the exercise undertaken in this behalf appears to be against the spirit of the statutory provisions.

We grant three days time to the Secretary, Urban Development, Government of U.P., Lucknow to file his personal affidavit in the matter on the above aspect.

List as fresh on 21.11.2022.

Sri Dilip Kesarwani, learned Additional Chief Standing Counsel, shall communicate the instant order to the concerned respondent for due compliance.

The order has been passed in the presence of Sri Virendra Singh Chauhan, learned counsel for respondent no. 3."

5. In compliance, respondent no.1 has filed his affidavit.

6. The State-respondents admit that the objections filed by the petitioners

against the draft notification on 6.9.2022 had not been decided on the ground that the same was filed beyond prescribed period of seven days.

7. Section 3 of the U.P. Municipalities Act, 1916 reads as follows:-

"3. Declaration etc. of transitional area and smaller urban area*.(1) Any area specified by the Governor in a notification under clause (2) of Article 243-Q of the Constitution with such limits as are specified therein to be a transitional area or a smaller urban area, as the case may be.*

(2) The Governor may, by a subsequent notification under clause (2) of Article 243-Q of the Constitution, include or exclude any area in or from a transitional area or a smaller urban area referred to in sub-section (1), as the case may be.

(3) The notifications referred to in sub-sections (1) and (2) shall be subject to the condition of the notification being issued after the previous publication required by Section 4 and notwithstanding anything in this section, no area which is, or is part of a, cantonment shall be declared to be a transitional area or a smaller urban area or be included therein under this section."

8. Under the scheme of the Act, before issuance of a notification under Section 3 of the Act, the mandate of law is that the Governor shall publish in the official gazette and in a paper approved by it for purposes of publication of public notices in the district, or if there is no such paper in the district, in the division in which the local area covered by the notification is situate and cause to be affixed at the office of the District Magistrate and at one or more conspicuous places within or adjacent to the local area concerned a draft in Hindi of the proposed notification alongwith a notice stating that the draft will be taken into consideration on the expiry of the period as may be stated in the notice. The law also mandate that before issuing final notification, any objection or suggestion received in writing from any person in respect of the draft within the period stated shall be considered.

9. The publication of the draft notification in the Hindi newspaper is one of the mandatory requirement under Section 4 of the Act apart from other prescribed modes.

10. In the instant case, admittedly the Hindi version of the draft notification as initially published provided fifteen days time for filing objections. The Hindi version was published in 'Amar Ujala' on 27.8.2022 and thus, the time for filing objections and suggestions was upto 11.9.2022. However, on 4.9.2022, the respondents published a corrigendum notifying that only seven days time would be available for filing objections as is the period provided in the English version. On the date the corrigendum was published, seven days time fixed for filing objection as per English version of the draft notification had already expired and thus, any person who had read the Hindi version of draft notification was completely prevented from filing objection. One of the objects of conferring right in the general public to file objections and make suggestions is to empower them in matter of self-government. The objection could be in relation to the size of the area or the municipal services being provided or proposed to be provided and with regard to the population of the area, the density of

the population therein, the revenue generated for local administration, the percentage of employment in non-agricultural activities, the economic importance or such other factors as provided for in clause (2) of Article 243-Q of the Constitution. All these factors are to be taken into consideration while issuing notification under Section 243-Q. The respondents in the instant case have cut short the period during which general public was initially entitled to file objections. This had prevented the petitioner, and many like him, from filing objections against the draft notification. This in our opinion, goes to the root of the matter and renders the final notification illegal.

11. Learned Additional Chief Standing Counsel submits that the petitioners are not residents of the area which has been included in the smaller urban area and, therefore, they had no locus to file objections.

12. Under law, there is no prohibition for a person not living in the area which is sought to be included to file objection. Concededly, the petitioners are Corporators of the Nagar Palika Parishad, Baghpat and the impugned notification is in regard to the inclusion of various Gram Panchayats in the Municipal Council, Baghpat. As such, it cannot be said that they had no locus to file objection against the draft notification.

13. Learned Additional Chief Standing Counsel further submits that during pendency of the writ petition, the respondents have kept the final notification in abeyance and granted time to the petitioners to file objection. It is urged that under the circumstances, the defect has been cured.

14. We are of the considered opinion that the aforesaid exercise will not cure the defect as post decisional hearing of objections is not contemplated under law. The objections were to be decided before finalizing the draft notification and not after the issuance of final notification. Moreover, we notice that the order by which the final notification was kept in abeyance is in form of office memorandum and it is not clear at all whether it was notified to general public so that others who are not before us but were deprived of right to file objection against the proposed notification had the opportunity to file the objections.

15. For all the reasons aforesaid, the impugned notification dated 21.9.2022, issued by respondent no.1 is hereby quashed.

16. The writ petition stands **allowed**.

BEFORE

THE HON'BLE UMESH CHANDRA SHARMA, J.

Writ-C No. 37294 of 2006

Soteem & Ors. ...Petitioners
Versus
Upper Commissioner (Judicial) IInd, Varanasi Division, Varanasi & Ors. ...Respondents

Counsel for the Petitioners:
Sri Anant Vijay, Sri Anand Kumar, Sri Ashok Kumar Rai, Sri Shyam Sunder Maurya

Counsel for the Respondents:
C.S.C., Sri Pramod Kumar Sinha

(A) Land Law - U.P. Land Revenue Act, 1901 - Section 33/39 - annual registers/ Correction of mistakes in the annual register - U.P Consolidation of Holdings Act, 1953 - Section 49 - Bar to civil Courts jurisdiction , section 52 - Close of consolidation operations - mere entry in revenue records does not confer any right - entries in revenue record are not conclusive proof and are not the record of title, they are only for the purposes to collect the revenue - duty of maintaining correct record lies on the Collector. (Para - 8,10,12)

Right, title and interest between parties predecessors - finally adjudicated by C.O and S.O.C during consolidation proceeding - ended in favour of respondents' father - incorporated in *Aakar Patra* 11 (part II) - Due to insufficient space - not incorporated in concerned *Khata* - created doubt - orders of C.O and S.O.C not forwarded - entered in C.H. Farm No. 41 and 45 and later on in *Khatauni*. **(Para - 24)**

HELD:-No basis of entries in favour of father of petitioner during consolidation. Name of petitioners wrongly entered in the Revenue Records. Mere on the basis of baseless and illegal entries, no right accrues to the petitioners. Order of Courts below found to be correct and need no interference.**(Para - 24)**

Petition Dismissed. (E-7)

List of Cases cited:

1. Vishwa Vijay Bharati Vs Fakhrul Hassan, AIR 1976 SC 1485

2. Wali Mohhd. Vs Ram Surat, AIR 1989 SC 2296

3. Vikram Singh J.H.S. Vs D.M. (Fin. & Rev.), (2002) 9 SCC 509

4. Mohd. Anis Vs The Additional Commissioner, Alld. Division, 2001 RD 761

5. Sri Ram Vs Gram Sabha , 1997 R.D 549

6. Kamta Prasad Vs B.O.R., 1985 R.D 411

7. Nandhu Vs Ram Jatan ,1987 R.D, 274

(Delivered by Hon'ble Umesh Chandra Sharma, J.)

1. Heard learned counsel for the petitioners and learned Standing Counsel for the State and perused the record.

2. The petitioners have filed the present writ petition for quashing the impugned orders dated 04.04.2006 passed by the Additional Commissioner (Judicial) II, Varanasi - respondent no. 1 in Revision Nos. 575, 515/355/482/94386 of 1992 District Ghazipur as well as order dated 30.04.1992 passed by Sub Divisional Officer, District- Ghazipur in Case No. 36/31/157 under Section 33/39 U.P. L.R. Act, 1901.

3. The brief facts of the case are that disputed plots nos. are 513, 515 & 518, out of which plot nos. 513 & 518 were recorded in the name of the petitioners from 1360-*Fasali* in C.H. Form-41, and its old plot nos. were 544 and 533. The petitioners have annexed extract of *Khatauni* no. 1369-*Fasali* and C.H. Form 41 dated 21.08.1987 as Annexure No. 1.

4. During the consolidation Proceeding C.H Form No.-45 was prepared, in which petitioner's father was recorded as Sirdar, which is Annexure no. 2. On 15.10.1986 father of the respondent nos. 3 to 6 moved an application under Section 33/39 of U.P. Land Revenue Act, 1901, praying therein for mutation of his name in respect of new plot nos. 515 and 518 deleting the name of the petitioners on the basis of the order dated 10.11.1964 alleged to have been passed by the Settlement Officer of Consolidation in Suit No. 499 of 1790.

5. The petitioners raised an objection that application was moved after 26 years on the basis of forged orders, it was also objected that under Section 33/39, such application cannot be entertained and the application was barred by Section 49 of the C.H. Act. It has also been specifically objected that during the Consolidation, no case was proceeded between the parties about the land-in-dispute allotted to the petitioners. After making a detailed inquiry and inspection as well as after hearing the matter the concerned *Naib Tehsildar* submitted his report dated 26.10.1991 recommending rejection of the application to the respondent no. 2 - S.D.O.

6. The respondent no. 2, vide his order dated 30.40.1992 allowed the application dated 15.10.1986 directing the deletion of name of the petitioners from the land-in-dispute, which is annexed as Annexure 4.

7. The petitioners on 22.05.1992 filed a Revision No. 94 of 1992 - Soteem and others Vs. Ghar Bharan and others before respondent no. 1 - Upper Commission (Judicial-II) challenging the order dated 30.04.1992 passed by respondent no. 2. The memo of revision is annexed as Annexure No. 5. Respondent no. 1 *vide* his order dated 29.05.1992 stayed the impugned order dated 30.04.1992 passed by respondent no. 2, which is Annexure no. 6. The respondent no. 1, vide his order dated 04.04.2006 dismissed the Revision, which is annexed at Annexure no. 7. The respondent nos. 1 and 2 have passed the orders in arbitrary manner without giving any finding in respect of fraud played by the respondents, which is against the set principle of law. The Court below failed to consider that no explanation, about inordinate delay of 26 years have been given by the respondents for moving the application for mutation and failed to consider the long standing entry of revenue record. The respondent no. 2 without any basis recorded perverse finding that after the death of Jodhi his heirs Murali and others are in possession over the plot-in-dispute. The Revisional Court did not record any finding in respect of possession. The certified copy of the order dated 10.11.1964 was never produced before the court below by the respondents and the same is not available in record room as per the office report. The court below illegally discarded the report of *Naib Tehsildar* in respect of Mutation, in which he has specifically proposed that after such delay no such application can be allowed. The petitioners are still in possession over the land-in-dispute and their names are running recorded even since the time of their ancestors. The petitioners filed questionnaire dated 08.06.1995 issued by the Record Officer (Revenue), in which it has been answered that file of Case No/ 499 of 1790 date of order dated 10.11.1964 was not sent to the Record Room, which has not been considered by the Revisional Court, which is annexed as Annexure 8 and when the record was not in the Record Room, the Revenue Authority has no power to disturb the entry of the revenue record after 26 years. The courts below have passed the order on presumption, conjuncture and surmises, which is not sustainable in the eyes of law. On the basis of aforesaid facts, the petitioners have prayed to quash the impugned orders.

8. Learned counsel for the respondents have filed counter affidavit and have denied the allegations levelled by the petitioners and has submitted that father of the contesting respondents 3 to 6 moved an application dated 15.10.1986 for mutation

of his name in the revenue record on the basis of order dated 23.12.1962 passed by the Consolidation Officer and the order dated 10.11.1964 passed by S.O.C in respect of plot nos. 513 old no. 545 area 0-6-16, plot no. 515 old no. 544 area 0-8-12 and plot no. 518 old no. 545 area 0-17-12. It was specifically mentioned in it that the applicants/petitioners were in exclusive possession of the aforesaid plot numbers, copy of the same is annexed as Annexure No. CA-1. Objection dated 29.10.1987 filed by the petitioner was based on surmises and conjectures and there were no details as to how the petitioners are the owner of disputed land. It is settled law that mere entry in revenue records does not confer any right. The Consolidation Courts held that father of the contesting respondents late Jodhi was a *Bhumidhar* with non-transferable right of the disputed land, while the petitioners had neither declaration of any Court in their favour nor they have produced any document in support of their claim, a copy of the same is annexed as Annexure No. CA-2. The report of *Naib Tehsildar* Sadar dated 26.10.1991 is baseless and is a bogus document as it has been prepared in cursory manner. The order passed by respondent nos. 1 and 2 are just and proper and they are based on cogent grounds and are in accordance with law. The order passed by the Consolidation Courts were never challenged by the petitioners before the Competent Court, hence it became final between the parties. On the basis of wrong entries in the revenue record judgments of the Competent Court cannot be nullified. The contesting respondents are in exclusive possession of the disputed land, a true photocopies of the *Khatauni* No. 1408 - 1413 *Fasli*, *Kisan Bahi* and CH. Form No. 11 are enclosed as CA-3 to the counter affidavit. The writ petition is devoid of any merit and deserves to be dismissed with cost.

9. The petitioners have filed rejoinder affidavit, denying the averments of counter affidavit and have repeated the same story of the writ and have given parawise reply and have said that the plot nos. 513, 515 and 518 old nos. 544 & 545 were recorded in the name of petitioner's father late Ziyut Bhandhan S/o Hanshraj as Sirdar from 1360 - 1371 *Fasali*. On 15.10.1986, father of the respondent no. 3 to 6 Late Jodhi filed an application under Section 33/39 of U.P. L.R Act, 1901 and prayed for mutation of his name in respect of plot no. 513, 515 and 518 after deletion of the name of the petitioners on the basis of order date 23.12.1962 passed by Consolidation Officer in Case No 13/1962 and order dated 10.11.1964 passed by Settlement Officer Consolidation in Appeal No. 499 / 1790. Late Jodi father of respondent nos. 3 to 6 arrayed Ziyut Bhandhan as respondent and after his death his sons 1/1 to 1/4 Badri, Ganga, Shiv Pujan, Sita Ram, Mangroo, Jang Bahadur and Lal Ji. Application under Section 33/39 of U.P.L.R Act was moved after a delay of 22 years, it appears that both the orders of Consolidation Officer and Settlement Officer Consolidation were forged because Ziyut Bandhan was never served any notice or summon and he was quite unaware about the aforesaid proceedings. Jodhi was not entitled to move the aforesaid application and it was barred by Section 49 C.H. Act.

10. From the perusal of the record, it has been established that the petitioners had not challenged the order of S.O.C, hence it has become final. There is no iota of evidence that order of the S.O.C had been challenged by the father of the petitioners or by the petitioner in superior courts. On

the basis of question-answer, the petitioners have argued that no such file regarding decision of S.O.C is available, but it is very much clear from the order of S.D.O. Ghazipur that after a lapse of time the concerned file has been weeded out, therefore it is not available in record room. In that situation it can not be argued that there was no such file and no such case was decided by the C.O. and the S.O.C, during the consolidation. The respondents' and petitioners' father Jyodhi and Jeeyut Bhandhan, had contested the case and S.O.C passed an order about the plots in suit in favour of Jyodhi, therefore it can not be said that the case of the respondents is barred by Section 49 of the C.H. Act. Contrary to it when no appeal/revision had been preferred by Jeeyut Bhandhan or by the petitioners, the dispute ended by the order of S.O.C. during the consolidation and when it was not challenged then it can safely be concluded that the petitioners' case is barred by Section 49 of the C.H. Act. C.H Form 11 is available on record, in which order of S.O.C. is available, which confirms the right, title and interest of the respondents' father and thereafter the petitioners can not deny the title of the respondents' father and the respondents. It is settled law that entries in revenue record are not conclusive proof and are not the record of title, they are only for the purposes to collect the revenue.

"17. Supreme Court in ***Vishwa Vijay Bharati v. Fakhrul Hassan, AIR 1976 SC 1485,*** *held that it is true that the entries in the revenue record ought, generally, to be accepted at their face value and courts should not embark upon an appellate inquiry into their correctness. But the presumption of correctness can apply only to genuine not forged or fraudulent, entries. The distinction may be fine but it is real. The distinction is that one can not challenge the correctness of what the entry in the revenue record states but the entry is open to the attack that it was made fraudulently or surreptitiously. Fraud and forgery rob a document of all its legal effect and cannot found a claim to possessory title. This judgment has been followed in* ***Wali Mohhd. v. Ram Surat, AIR 1989 SC 2296****. Again in* ***Vikram Singh Junior High School v. District Magistrate (Fin. & Rev.), (2002) 9 SCC 509****, it has been held that the entry in the revenue record, must have a legal basis."*

11. In this case after the order of S.O.C available in C.H-11 (Part-II), it was the duty of the concerned officials to get it mutated and forwarded in future records, but there is a note that this order is entered here due to non-availability of space in concerned *Khata*. Probably the mistake started due to non recording of the order of S.O.C in concerned *Khata*. Therefore, the name of the petitioners' father continued in C.H. 41, 45 and later on in *Khatauni*. The petitioners could not place any order in favour of their father of themselves. From the order of S.O.C the right, title and interest of the petitioners about the property in suit had been extinguished and because it was not challenged in any superior competent court, it become final. If the order of S.O.C was not forwarded in future records, it would not create any right, title or interest in favour of Jeeyut Bhandhan or the petitioners and it shall also not create any hindrance, estoppel or acquiescence against the respondents. If an entry is bogus, false and baseless it has no value in the eyes of law, how long it is.

12. The petitioners are only hammering and emphasizing on long standing entry in favour of their father and

themselves, but since it is a wrong entry, therefore how so much long, it would not create any right to the petitioners and their father, it would remain always inadmissible and *void ab-initio*.

It would be expedient to describe Sections 33/39 L.R. Act below.

"33. The annual registers. - (1) Tire Collector shall maintain the record-of-rights, and for that purpose shall annually, or at such longer intervals as the [State Government] may prescribe, cause to be prepared an amended [register mentioned in Section 32.]

The [register] so prepared shall be called the annual register.

[(2) The Collector shall cause to be recorded in the annual register -

(a) all successions and transfers in accordance with the provisions of Section 35; or

(b) other changes that may take place in respect of any land ; and shall also correct all errors and omissions in accordance with the provisions of Section 39 :

Provided that the power to record a change under clause (b) shall not be construed to include the power to decide a dispute involving any question of title.]

(3) [No such change or transaction shall be recorded without tire order of the Collector or as hereinafter provided, of tire Tahsildar or [the Kanungo].]

[(4) The Collector shall cause to be prepared and supplied to every person recorded as bhumidhar, whether with or without transferable rights, assami or Government Lessee a Kisan Bahi (Pass book) which shall contain -

(a) such extract from the annual register prepared under sub-section (1) relating to all holdings of which he is so recorded (either solely or jointly with others);

(b) details of grants sanctioned to him; and

(c) such other particulars as may be prescribed :

Provided that in the case of joint holdings it shall be sufficient for the purpose of this sub-section of Kisan Bahi (Pass book) is supplied to such one or more of the recorded co-sharers as may be prescribed.

(4A) The Kisan Bahi (Pass book) referred to in sub-section (4) shall be prepared in such manner and on payment of such fee, which shall be realisable as arrears of land revenue, as may be prescribed.

(5) Every such person shall be entitled, without payment of any extra fee, to get any amendment made in the annual register under sub-section (2) incorporated in his Kisan bahi (Pass book.)]

(6) The State Government may make rules to carry out the purposes of this section, including, in particular , rules, prescribing the mode of reception in evidence, and of proof in judicial proceedings, of entries in the [Kisan Bahi (Pass Book)], and the mode of its revision and authentication up-to-date and for issue of duplicate copies thereof, and tire fees, if any, to be charged for any of the said purposes.

(7) In this section, 'prescribed' means prescribed by rules made by the State Government.

(8) Nothing in sub-sections (4) to (7) shall apply in relation to any area which is either under consolidation operations or under record operations.

39. ***Correction of mistakes in the annual register. -(1) An application for correction of any error or omission in the***

annual register shall be made to the Tahsildar.

(2) On receiving an application under sub-section (1) or any error or omission in the annual register coming to his knowledge otherwise, the Tahsildar shall make such inquiry as appears necessary and then refer the case to the Collector, who shall dispose it of, after deciding the dispute in accordance with the provisions of Section 40.]

[Provided that nothing in this sub-section shall be construed to empower the Collector to decide a dispute involving any question of title.]

(3) The provisions of sub-sections (1) and (2) shall prevail, notwithstanding anything contained in the U.P. Panchayat Raj Act, 1947."

In ***Mohd. Anis Vs. The Additional Commissioner, Allahabad Division, 2001 RD 761,*** it is held that wherever and whenever on a basis of a sale-deed, a person got his name recorded in Khatauni and such sale deed is cancelled by competent civil court, then the Collector or S.D.O has no option but to correct the Khatauni in pursuant to judgment, passed by civil court provided such decree has attained finality instead of relegating proceedings under Section 34 of the Act.

In this case order of S.O.C is final hence it was duty of the Collector to correct the register of record - of - rights. Hence the impugned orders are in conformity with the aforementioned judgment.

In ***Sri Ram Vs. Gram Sabha 1997 R.D 549*** on a complaint by Pradhan, notices were issued to Sri Ram and Dulare under Section 33 read with Section 39. After approval from the Collector their names were expunged from the records. In revision, the Board held that the title to land does not descend in consolidation proceedings from heaven, like Manna and Salwa of Biblical story. The revisionist could not produced any evidence to show that their title was duly recognized during consolidation proceedings. It was also held that the action should have been taken either by the Collector appointed Under Section 14 or by the acting Collector appointed under Section 15 of the Act. In the instant case it is difficult to know as to who passed the decisive order. Revision was however dismissed.

Applying the principle laid down in the cited case it can be concluded that no order regarding entry in favaour of the petitioner's father Jeut Bandhan was passed during the consolidation.

In ***Kamta Prasad Vs. Board of Revenue, 1985 R.D 411*** it was held that if the consolidation authorities declared Smt. Kanti Devi as co-tenure holder and the said order could not be incorporated in the revenue records, such orders do not become non-est after de-notification under Section 52 (1) of C.H. Act. These orders cannot be challenged before any civil or revenue court because of the bar of Section 49 of the said Act. After the close of the consolidation operations, the Collector can not refuse to do it merely on the ground that consolidation authorities themselves ought to have carried out the work of *Amaldaramad*.

The facts of the case in hand and of the cited case are quite similar, therefore the principles laid down in the cited case apply in favour of the respondents.

In ***Nandhu Vs. Ram Jatan 1987 R.D, 274,*** it is held that only such entries made during consolidation operations, which have been legally and correctly made carry presumption of correctness. Where an apparent mistake has crept in C.H. Form 23, it can be rectified in proceedings under Section 33 and 39 of the L.R. Act, because the duty of maintaining

correct record lies on the Collector. The principles laid down in this precedent is also in support of the respondents case.

13. Another ground has been taken by the petitioners that when the order was passed by the S.D.O. and the Commissioner, second successive consolidation proceeding was going on, hence they were not competent to entertain the petition and pass the order.

14. It is argued by respondent's counsel that under sections 33/39 of the L.R. Act, it is the duty of the Collector and Tehsildar, to correct all errors and omissions in accordance with the provisions of Section 39 and to maintain annual register of the record- of- rights and if any application is moved for correction of error or omission, it would be entertained and suitable order shall be passed. It is made clear that by the impugned orders both the courts below have not decided a dispute involving any question of title. They have only corrected the errors and omissions according to the orders passed during the first consolidation operation. No question of title remained to be decided in second consolidation operation.

15. It would be noteworthy that by passing the impugned order, the lower courts were not interfering in the jurisdiction of the consolidation courts as after termination of the consolidation proceedings, it was the duty of the revenue authorities to remove the errors and correct the record-of-right and to maintain the correct records. It was also their duty to comply with the orders of the consolidation courts passed during the consolidation proceedings. Why the order of S.O.C was not entered into the right place, has also been discussed. Initially the petitioners were not the party to the suit before the C.O. and S.O.C, therefore how the petitioners could say that their father had not received the notice and had not contested the case in consolidation courts. It appears that this denial is for the sake of denial and is a bald denial without any cogent reason. Thus it can not be said that their father had not participated in the proceeding/litigation with the father of the respondents, therefore, such denial has no legal sanctity and the existence of the file can not been denied.

16. At one point of time the petitioner's counsel argued that the revenue authorities had no right to pass the impugned order, as the second time consolidation proceedings were going on, when the impugned orders were passed. On the other hand they say that property in suit is *Chak* out, if the property is *Chak* out as alleged by the petitioners, then it becomes out of the scope and jurisdiction of the consolidation courts. In that case also the revenue authorities had right to pass the impugned order under Section 33/39 of the L.R. Act.

17. It transpires that both the orders had been passed after giving proper opportunity of hearing of evidence during the consolidation proceedings title of the petitioners' father had not been found correct and the property in suit were ordered to be recorded in the name of respondents' father. Order of the Consolidation Court have not been challenged in any competent authority. The order was not forwarded and entered into future record, therefore, if the revenue authority found fit to correct the record in accordance of the order of the consolidation court, there is no bar at all.

18. The S.D.O. in his order has referred the order of S.O.C. dated 10.11.1964, which has been inscribed as *Amaldaramad* regarding Arazi No. 545-C in the name of Jyodhi S/o Charittar, rejecting the name of the petitioners' father Jeeyut Bandhan S/o Hans Raj.

19. It is evident from the question answer that the file decided by the S.O.C had been weeded out from which it is clear that a case between the parties had been decided in favour of Jyodhi. S.D.O has also referred that as per the report of land Inspector dated 26.04.1987 after the death of Jyodhi respondents Murali etc. sons of late Jyodhi are in possession.

20. Learned S.D.O. has also referred a citation 1988 A.W.C Page 77, in which it is held that an application can be maintained under Section 33/39 of the C.H Act for correction of record based on the basis of order passed by the Consolidation Court. In this precedent, it has also been held that there is no time limit regarding correction of record on the basis of the order passed by the Consolidation Court.

21. In this regard, respondents' counsel has also cited *1986 R D Page 206 - 209,* in which it has also been held that there is no time limits for correction of the record.

22. The order of the S.D.O. was challenged in the Court of Commissioner Varanasi Mandal, Varansi, in revision which has affirmed the order of S.D.O. The petitioner's counsel referred some judicial precedents and argued that since the name of the revisionist was recorded as *Bhumidhar*, with non transferable rights, therefore, their names could only be challenged by way of regular suit.

23. Contrary to that, on the basis of judicial precedents and arguments of the respondents it had been argued that the impugned orders have been passed on the basis of the order of C.O. dated 23.12.1962 and S.O.C dated 10.11.1964, hence the orders are factually and legally correct and are not liable to be interfered with and it was duty of the Collector and *Tehsildar* to correct the errors and omissions in the Record - of - Rights.

24. Thus, it is concluded that the right title and interest between the parties predecessors had already been finally adjudicated by the C.O and the S.O.C during the consolidation proceeding, which ended in favour of the respondents' father Jyodhi and it was incorporated in *Aakar Patra* 11 (part II). Due to insufficient space, it was not incorporated in the concerned *Khata*, which created doubt and the orders of the C.O and S.O.C were not forwarded and entered in C.H. Farm No. 41 and 45 and later on in *Khatauni*, thus, it is concluded that there was no basis of the entries in favour of Jeeyut Bandhan and thereafter the name of the petitioners were also wrongly entered in the Revenue Records, mere on the basis of baseless and illegal entries, no right accrues to the petitioners. Thus, order of the Courts below are found to be correct and need no interference. Therefore, petition lacks merit and liable to be **dismissed**.

25. The petition is dismissed accordingly.

(2023) 1 ILRA 300
ORIGINAL JURISDICTION
CIVIL SIDE
DATED: ALLAHABAD 20.12.2022

BEFORE

THE HON'BLE UMESH CHANDRA SHARMA, J.

Writ-C No. 48244 of 1999

Bhola ...Petitioner

Versus

State of U.P. & Ors. ...Respondents

Counsel for the Petitioner:
Sri C.V.P. Mishra, Sri Ajeet Kumar Baranwal

Counsel for the Respondents:
C.S.C., Sri Ghanshyam Yadav, Sri P.C. Srivastava, Sri S.N. Srivastava

(A) Land Law - The U.P. Zamindari Abolition and Land Reforms Act, 1950 - Section 122-B (4F) , 229-B , 129-B(4B) , 132 & 339(B) - Powers of the Land Management Committee and the Collector - it is not necessary to institute a suit four declaration for getting the benefit of Section 122-B (4-F) - If the person is entitled for the benefit of Section 122-B he would be admitted as the bhumidhar with non-transferable right of the land.(Para - 30)

Property in suit belongs to Gram Panchayat - not a land under Section 132 U.P.Z.A & L.R. Act as public utility land - petitioner and respondent no. 5 both belong to Scheduled Caste - after death of wife (legal representative) of owner of disputed plot - land in question vested in Gram Sabha - petitioner in continuous possession - revision - revisional court directed to file title suit.**(Para -17)**

HELD:-Right from Lekhpal to S.D.O, were of the opinion that property in suit is under occupation of petitioner - who is a member of Scheduled Caste - at the time of settlement, he was entitled to taken the benefit of Sub Section 4-F - accordingly the benefits of Sub Section 4-F were awarded to him - therefore there was no occasion to interfere with it - order of revisional court not justifiable - quashed - order of S.D.O restored. **(Para - 33,35,36,38)**

Petition Allowed. (E-7)

List of Cases cited:-

1. Raj Kumar Vs Shri S.B. Tewari, S.D.M. G.B.N. , 2014 (2) RLT (DOC-71) 105

2. Smt. Reshma Devi Vs Commissioner, Gorakhpur Division, Gorakhpur, 2014 (2) RLT 459

3. Smt. Ramakanti Vs Gaon Sabha, 2013 (2) RLT (BR) 114

4. Manorey @ Manohar Vs B.O.R. (U.P.) & , 2003 0 Supreme Court (S.C) 396

(Delivered by Hon'ble Umesh Chandra Sharma, J.)

1. Heard learned counsel for the petitioner, leaned Standing Counsel for the State and perused material available on record.

2. None appeared from the side of respondent no. 5.

3. This writ petition has been preferred against the order dated 22.09.1999(Annexure No. 4 to the writ petition) passed by respondent no.2 in Revision No.42/156 (Ram Milan Vs. Bhola and others) by which the Upper Ayukt (Prashasan), Basti Mandal, Basti allowed the revision and cancelled the orders dated 30.12.1995 and 05.08.1997 passed by the SDM, Bansi.

4. The petitioner has averred in the writ petition that one Salava son of Ali Raza was the owner of disputed plot no.78/1 area 0.2.1 and plot no.84 area 0.10.0 lying in Village Batwasia, Pargana Bansi Purab, District Siddhartha Nagar. After his death his wife was recorded as legal representative. She died issueless hence the land was vested in Gaon Sabha.

5. The petitioner was in continuous possession for the last 15 years over the plot in question and his name was recommended on 15.12.1995 to be substituted and mutated as Bhumidhar with non-transferable right. Tehsildar recommended his name which was approved by SDO, Bansi vide his approval dated 30.12.1995 which is annexed as Annexure-1 to this writ petition. Petitioner's name was recorded over the plot in question as bhumidhar with transferable right vide order of the SDO dated 06.04.1996 which is annexed as Annexure-2 to this writ petition. After that an objection was raised before the SDO, Bansi by respondent no.5, Ram Milan, that he was in possession and the petitioner had got his name recorded by playing fraud. Petitioner filed objection against the application of the respondent no.5 stating his case that petitioner was a member of scheduled castes and he is continuing his possession much prior to 03.06.1995 and his name was recorded after verification by the Revenue Authorities under Section 122-B(4)(f) of UPZA & LR Act.

6. The SDO rejected the application of respondent no.5 holding that he himself had inspected the spot and had found the petitioner's possession and rejected the restoration application of respondent no.5 vide his judgment and order dated 05.08.1997 which is annexed as Annexure-3.

7. Being aggrieved respondent no.5 filed revision before respondent no.2 who unjustifiably set aside the order dated 30.12.1995 and 05.08.1997 vide his judgment and order dated 22.09.1999 which is annexed as Annexure-4 to the writ petition. The revisional Court also directed the parties to get the title decided by a Competent Court which is wholly unjust and illegal.

8. Observation of the revisional Court that Gaon Sabha was not the party is wholly illegal and unjust and against the evidence on record as before the revisional Court Gaon Sabha was respondent no.2. The SDO has rightly passed the order in favour of the petitioner who had himself inspected the spot and found the petitioner in possession.

9. Hence a prayer has been made to issue a writ, order or direction in the nature of certiorari to cancel the order/judgment of Additional Commissioner (Administration), Basti Mandal, Basti dated 22.09.1999 passed in Revision No.42/106 and also to issue a writ, order or direction in the nature of mandamus commanding the respondents not to dispossess the petitioner from the plot in question.

10. The petitioner has annexed following documents in this petition:-

(i) Annexure no.1, photocopy of the order dated 30.12.1995 passed by SDO, Bansi certified by oath commissioner;

(ii) Annexure no.2, khatauni 1405 to 1410 fasli certified by oath comissioner;

(iii) Annexure no.3, order dated 05.08.1997 passed by SDO, Bansi, certified by oath commissioner;

(iv) Annexure no.4, order dated 22.09.1999 passed by the Additional Commissioner (Administration), Basti Mandal, Basti, certified by oath commissioner.

11. A counter affidavit has been filed by respondent no.5 in which it is stated that the petitioner was never in possession over the land in question but answering

respondent came into possession after death of Makuma widow of Salvan, the land in question was vested in Gaon Sabha on 18.01.1993 and that time the answering respondent was in possession but the petitioner with the collusion of Tehsil Authorities got recorded his name as bhumidhar under Section 122-B(4)(5) of UP ZA Act. The petitioner is not an agricultural labourer but was working as teacher after retirement from military service hence he can not get the benefit of Section 122-B(4)(F). The S.D.O. neither made any spot inspection nor examined the possession of the parties and illegally by order dated 05.08.1997 rejected the restoration application of the answering respondent holding possession of the petitioner without any evidence.

12. The order dated 22.09.1999 is quite just whereby no harsh and prejudice occurred to any one. The learned court rightly set aside the order dated 30.12.1995 by advising the parties to get declared their title through competent court.

13. The Gaon Sabha has not been heard and has not been given opportunity of hearing before passing the order dated 30.12.1995. The answering respondent filed a suit under Section 229-B of UP ZA & LR Act but proceedings of the same have been stayed due to interim order dated 08.12.1999 passed by this Court which is liable to be vacated. The impugned order does not require any interference hence the writ petition be dismissed with costs.

14. A photocopy, certified by the oath commissioner, of the order dated 17.08.2002 passed by the SDO, Bansi has been annexed.

15. The petitioner has filed rejoinder affidavit denying almost all the averments made in the counter affidavit and has said that respondent no.5 had no concern with the property in question. The petitioner was a member of scheduled caste at the time of recommendation dated 15.12.1995 and was completing the criteria required under Section 122-B(4B) of the UP ZA & LR Act. The petitioner was subsequently engaged as teacher in February, 1997 which will not adversely affect the recommendation made earlier. Respondent no.2 has committed gross illegality while passing the impugned order dated 22.09.1999 before the Court of SDO the Gaon Sabha was a party and it was provided opportunity of hearing before passing the order dated 30.12.1995. The impugned order dated 22.09.1999 is illegal and unjustified and is liable to be quashed by allowing the writ petition.

16. Heard learned counsel for the petitioner and the learned Standing Counsel. None appeared for the respondent no.5. Perused the file.

17. Admittedly, the property in suit belongs to the Gram Panchayat and it is not a land under Section 132 U.P.Z.A & L.R. Act as public utility land. It is also admitted that the petitioner and respondent no. 5 both belong to the Scheduled Caste. It is also admitted that after the death of Smt. Makuna W/s Salvan, the land in question was vested in Gram Sabha on 18.01.1993.

18. According to the respondent no. 5, he was in possession, while according to the petitioner after the death of Smt. Makuna, he came into possession over the property in suit and considering his possession the property in suit was recommended for him being a member of Scheduled Caste on 15.12.1995. Since he was completing the criteria required under

Section 122 - B (4-B), the land was settled with him. The Tehsildar has recommended his name and the S.D.O has approved his name on 30.12.1995, which is evident from Annexure No. 1. later on he became Bhumidhar of the property in suit vide order dated 06.04.1996 by the concerned S.D.O. These facts are clearly established from the Annexure Nos. 1 & 2.

19. According to the petitioner and according to the evidence available on record when his name was recorded the respondent no. 5 - Ram Milan came into picture and filed objection before the S.D.O that he was in possession and he is also a member of Scheduled Caste. The petitioner has got his name recorded by playing fraud. According to him he was in possession for more than fifteen years. After hearing both the learned counsel for the parties, the S.D.O. Bansi dismissed the objection of the respondent no.5, considering the facts that the property in suit had been vested in Gram Sabha first time on 18.03.1993 after the death of Smt. Makuma, so it was not possible for respondent no. 5 to have prior possession for about fifteen years at the time of filing of objection. it was noticed that when the name of the petitioner had been recorded in the Revenue Record only thereafter the respondent no. 5 has raised the objection, though, the respondent no. 5 had blamed the Tehsildar, officials and the officers that virtually he was in possession, he was unable to pay a sum of Rs.5,000/- to the Lekhpal, therefore the Lekhpal did not make any report in his favour. There is no proof about it. No photograph or any other document in respect of possession except the affidavit of seven persons, who are not cross examined, have been relied upon by respondent no. 5.

20. Another objection had been taken by respondent no. 5 that the petitioner - Bhola was an Ex-Military personal, he was Government Teacher, therefore, the property in suit could not be settled with him under Section 122-B (4-F). In this regard the fact had been examined by the S.D.O and it was found that the property in suit was settled with the petitioner in the year 1995 while the petitioner was appointed as Teacher in the month of February, 1997, therefore at the time of settlement of the land with the petitioner, the petitioner was not in Government Service but certainly he was the member of Scheduled Caste. Therefore this objection is also meaningless.

21. Another fact has also came into picture that the wife of the petitioner was Block Pramukh of the concerned Block.

22. According to this Court in the eyes of law the entity of wife and husband are separate and distinct and if a person is entitled of any benefit under the law he cannot be deprived of the benefit because of the status of his wife.

23. Another fact has also been mentioned in the order of the S.D.O. that he himself visited the spot and found that petitioner was in possession in the presence of villagers and none of the villagers had said that respondent no. 5 - Ram Milan is in possession over the property in suit.

24. Another question arisen about the finding of the fact regarding spot inspection made by the S.D.O. Bansi, Siddharth Nagar.

25. The Revisional Court made an interference and opined that the parties should file a suit for declaration for taking the benefit of Section 122 - B (4-f) even after the decision of the revision.

Respondent no. 5 has instituted the suit under 339 (B) of the U.P.Z.A & L.R. Act.

26. Though due to stay order passed by this Court the proceedings of the case under Section 229-B has been stopped and is in abeyance.

27. Section 122-B(4F) is as under:

"122-B. Powers of the Land Management Committee and the Collector.--

(4F). Notwithstanding anything in the foregoing sub-sections, where any agricultural labourer belonging to a Scheduled Caste or Scheduled Tribe is in occupation of any land vested in a Gaon Sabha under Section 117 (not being land mentioned in Section 132) having occupied it from before May 13, 2007 and the land so occupied together with land, if any, held by him from before the said date as bhumidhar, Sirdar or asami, does not exceed 1.26 hectares (3.125 acres), then no action under this section shall be taken by the Land Management Committee or the Collector against such labourer, and he shall be admitted as bhumidhar with non-transferable rights of that land under Section 195 and it shall not be necessary for him to institute a suit for declaration of his rights as bhumidhar with non-transferable rights in that land.

Explanation.- The expression "agricultural labourer" shall have the meaning assigned to it in Section 198."

28. In this regard following relevant citations are mentioned herein below:

29. In **Raj Kumar Vs. Shri S.B. Tewari, S.D.M. Gautam Buddh Nagar, 2014 (2) RLT (DOC-71) 105** the question was as to whether for the benefit of Section 122-B (4-F) of the U.P. Zamindari Abolition and Land Reforms Act, 1950 a suit under Section 229-B is required to be filed. It was held that it is not necessary to file the suit under Section 229-B for claiming the benefit of Section 122-B (4-F) of the Act, 1950. The impugned order setting aside the order granting the benefit of Section 122-B (4-F) of the Act was found unsustainable.

30. In **Smt. Reshma Devi Vs. Commissioner, Gorakhpur Division, Gorakhpur, 2014 (2) RLT 459** the question was as to whether it is necessary to institute a suit for declaration for getting the benefit of the benefit of U.P. Zamindari Abolition and Land Reforms Act, 1950 Setion122-B (4-F). It was held that it is not necessary to institute a suit four declaration for getting the benefit of Section 122-B (4-F). If the person is entitled for the benefit of Section 122-B he would be admitted as the bhumidhar with non-transferable right of the land. The very issue was not decided by the Court below.

31. In **Smt. Ramakanti Vs. Gaon Sabha, 2013 (2) RLT (BR) 114** the Trial Court passed the order granting the benefit of Section 122-B(4F) on the basis of the report submitted by Tehsildar. The appeal was filed before the Appellate Court. the appellate Court set aside the order passed by the trial Court. The order passed by the Appellate Court is not sustainable inasmuch as the same is against the evidence available on the record. The impugned order passed by the Appellate Court was restored.

32. In the last line of Sub Section 4-F, it has also been mentioned that "it shall not be necessary for him to institute a suit for declaration of his right as Bhumidhar with

non-transferable right in that land" Obviously, the order of the Revisional Court is not in consonance of Sub Section 4-F.

33. In the facts and circumstances when the right from Lekhpal to S.D.O, were of the opinion that property in suit is under occupation of the petition, who is a member of Scheduled Caste and at the time of settlement, he was entitled to taken the benefit of Sub Section 4-F and accordingly the benefits of Sub Section 4-F were awarded to him, therefore there was no occasion to interfere with it.

34. This aspect has also been considered by the Supreme Court in the case of ***Manorey @ Manohar Vs. Board of Revenue (U.P.) & 2003 0 Supreme Court (S.C) 396,*** in which in Para Nos. 3, 9, 10, 11 & 12 are important, in which the Apex Court has held that: -

"Going by the orders of the Board of Revenue and the High Court, the maintainability of an application seeking recognition of right under Section 122B(4F) of U.P. Zamindari Abolition and Land Reforms Act, 1950 (hereinafter referred to as 'the Act') is the issue that loomed large before the Board and the High Court. We are of the view that it would be travesty of justice to deny relief to the appellant who is a Scheduled caste agricultural labourer and relegate him to an unfortunate situation of being left without remedy though he has a statutory right to continue in possession and enjoyment of the land. The High Court seems to have taken a narrow view of the rights and remedies of the appellant, leaving him to pursue a tortuous course of litigation to safeguard his rights.

Thus, sub-Section (4F) of Section 122B not merely provides a shield to protect the possession as opined by the High Court, but it also confers a positive right of Bhumidhar on the occupant of the land satisfying the criteria laid down in that sub-Section. Notwithstanding the clear language in which the deeming provision is couched and the ameliorative purpose of the legislation, the learned single Judge of the High Court had taken the view in Ramdin Vs. Board of Revenue (supra) (followed by the same learned Judge in the instant case) that the Bhumidhari rights of the occupant contemplated by sub-Section (4F) can only blossom out when there is a specific allotment order by the Land Management Committee under Section 198. According to the High Court, the deeming provision contained in sub-Section (4F) cannot be overstretched to supersede the other provisions in the Act dealing specifically with the creation of the right of Bhumidhar. In other words, the view of the High Court was that a person covered by the beneficial provision contained in sub-Section (4F) will have to still go through the process of allotment under Section 198 even though he is not liable for eviction. As a corollary to this view, it was held that the occupant was not entitled to seek correction of revenue records, even if his case falls under sub-Section (4F) of Section 122B. We hold that the view of the High Court is clearly unsustainable. It amounts to ignoring the effect of a deeming provision enacted with a definite social purpose. When once the deeming provision unequivocally provides for the admission of the person satisfying the requisite criteria laid down in the provision as Bhumidhar with non-transferable rights under Section 195, full effect must be given to it. Section 195 lays down that the Land Management Committee, with the previous approval of the Assistant Collector in-charge of the Sub Division, shall have the right to admit any

person as Bhumidhar with non-transferable rights to any vacant land (other than the land falling under Section 132) vested in the Gaon Sabha. Section 198 prescribes "the order of preference in admitting persons to land under Sections 195 and 197". The last part of sub-Section (4F) of Section 122B confers by a statutory fiction the status of Bhumidhar with non transferable rights on the eligible occupant of the land as if he has been admitted as such under Section 195. In substance and in effect, the deeming provision declares that the statutorily recognized Bhumidhar should be as good as a person admitted to Bhumidhari rights under Section 195 read with other provisions. In a way, sub-Section (4F) supplements Section 195 by specifically granting the same benefit to a person coming within the protective umbrella of that sub-Section. The need to approach the Gaon Sabha under Section 195 read with Section 198 is obviated by the deeming provision contained in sub-Section (4F). We find no warrant to constrict the scope of deeming provision.

That being the legal position, there is no bar against an application being made by the eligible person coming within the four corners of sub-Section (4F) to effect necessary changes in the revenue record. When once the claim of the applicant is accepted, it is the bounden duty of the concerned revenue authorities to make necessary entries in revenue records to give effect to the statutory mandate. The obligation to do so arises by necessary implication by reason of the statutory right vested in the person coming within the ambit of sub-Section (4F). The lack of specific provision for making an application under the Act is no ground to dismiss the application as not maintainable. The revenue records should naturally fall in line with the rights statutorily recognized. The Sub-Divisional Officer was therefore within his rights to allow the application and direct the correction of the records. The Board of Revenue and the High Court should not have set aside that order. The fact that the Land Management Committee of Gaon Sabha had created lease hold rights in favour of the respondents herein is of no consequence. Such lease, in the face of the statutory right of the appellant, is nonest in the eye of law and is liable to be ignored.

It is surprising that the State of U.P. had chosen to file an appeal against the order of the S.D.O., in tandem with the Gaon Sabha. It seems to be a clear case of non-application of mind on the part of the concerned authorities of the State who are supposed to effectuate the socio-economic objective of the legislation.

The appeal is allowed. The orders of the Board of Revenue and the High Court are set aside. The S.D.O's order is restored. No costs."

35. The Principals laid in aforementioned judgements are totally apples in this case and in view of that this Court is of the opinion that judgement of the Revisional Court is not correct.

36. On the basis of the aforementioned discussion, this Court is of the view that the order of revisional court is not justifiable and is liable to be quashed and the revision is liable to be allowed.

37. Accordingly, this revision is **allowed**.

38. The order of Revisional Court dated 22.09.1999 annexed as Annexure no. 4 to this writ petition is hereby quashed and the order of S.D.O dated 30.12.1995 and 05.08.1997 are restored.

39. Let a certified copy of the order be sent to the S.D.O. Bansi, District Siddharth Nagar, for necessary compliance.

ORIGINAL JURISDICTION
CIVIL SIDE
DATED: ALLAHABAD 16.12.2022

BEFORE

THE HON'BLE UMESH CHANDRA SHARMA, J.

Writ-C No. 49973 of 2005

Ramesh Chandra Yadav ...Petitioner
Versus
State of U.P. & Ors. ...Respondents

Counsel for the Petitioner:
Sri Devendra Kumar

Counsel for the Respondents:
C.S.C.

(A) Civil Law - Arms Act 1961 - Section 17 - Variation, suspension and revocation of licences - mere pendency of criminal case is no ground to cancel fire arm licence - mere involvement in a criminal case cannot in any way affect the public security or public interest - Right to possess arms is statutory right but right to live and liberty is fundamental right guaranteed by Article 21 of the Constitution of India - arms licence should not be suspended in a routine manner mechanically, without application of mind and keeping in view the letter and spirit of Section 17 of the Arms Act. (Para - 16,17,18)

Arms license and revolver not surrendered before competent Court - both properties are still in possession of petitioner - mandamus - not to compel petitioner for depositing of Arms License and revolver before anyone **-** three cases against petitioner - no case made out - no trial started against petitioner – apprehension by District Magistrate and Commissioner - petitioner may breach public peace and tranquility by misusing fire arm - Grounds of Section 17 do not exist - no material to establish that petitioner involved in any criminal activity.**(Para - 3,5,15)**

HELD:-No criminal case pending against petitioner on which basis Arms License could have been terminated. Order passed by District Magistrate and Commissioner canceling arms license of the petitioner are liable to be quashed.**(Para - 23)**

Petition Allowed. (E-7)

List of Cases cited:

1. Ram Prasad Vs Commissioner & ors. , 2020 0 Supreme (All) 104

2. Masiuddin Vs Commissioner, Alld. Division, Alld. & anr., 1972, A.L.J. 573

3. Habib Vs St. of U.P. & ors., 2002 (44) ACC 783

4. Satish Singh Vs D.M., Sultanpur , 2009 (4) ADJ (LB)

5. Chandrabali Tewari Vs The Commissioner, Faizabad , 2014 (32) LCD 1696

6. Indrajeet Singh Vs St. of U.P. & ors. , Writ C No. 4947 of 2019

(Delivered by Hon'ble Umesh Chandra Sharma, J.)

1. Heard learned counsel for the petitioner and learned Additional Chief Standing Counsel for the State-respondents. Perused the record.

2. The present petition has been filed with the following prayer:

"(a) issue a writ, order or direction in the nature of certiorary to quash the orders dated 17.2.2004 (Annexure No.1) passed by respondent no.2 and order dated 26.4.2005 (Annexure No.3) passed by respondent no.3.

(b) issue a writ, order or direction in the nature of of Mandamus directing the respondents not to compel the petitioner for depositing of Arms Licence No. 1316 and Revolver before anyone."

3. As per the petition and the documents annexed with the petition, following cases were pending against the petitioner:

(a) Case Crime No. 16 of 2000, under Section 323, 307 IPC, Police Station Civil Lines Etawah, in which I.O. has submitted final report no 265 of 2001 on 14.3.2000 which was accepted by the trial Court on 2.6.2005.

(b) Case Crime No. 442 of 1999, under Section ¾ of Goondas Act, Police Station- Civil Lines, Etawah in which a report was sent by the police to the respondent no.2, but he had returned all the papers on 8.9.1999 to the concerning Station House Officer and in this regard question-answer dated 27.5.2005 (annexed as No. 4) wherein it is stated that neither the case is pending nor the challani report has been received.

(c) Case Crime No. 167 of 1999 under Section 323, 504 and 506 IPC, Police Station Ushrahar, District- Etawah.- In this case police has submitted charge-sheet only for the Section 504 I.P.C. and final order was passed by the Trial Court on 27.4.2005 discharging the petitioner. (Annexure No. 6 to the writ petition).

4. According to the petitioner the arms license and revolver has not been surrendered before the competent Court and both the properties are still in possession of the petitioner. The license was valid upto 31.12.2006. The respondents were bound to afford opportunity of personal hearing and if they would have provided the opportunity of hearing, they would have not passed such order. The orders have been passed on the basis of false and fabricated report sent by the police with the collusion of inimical persons to the petitioner. Hence the impugned orders are liable to be quashed with cost.

5. On the aforesaid grounds the petitioner has prayed to issue a writ, order or direction in the nature of mandamus directing the respondents not to compel the petitioner for depositing of Arms License No. 1316 and revolver before anyone.

6. Against the petition no counter affidavit has been filed by the respondents nor instructions have been sent by the respondents to the learned Standing Counsel to enable him to argue the case. Hence this order is being passed after considering the material available on record.

7. From the perusal of records it transpires that Case Crime No. 16 of 2000, under Section 323, 307 IPC, Police Station Civil Lines, Etawah, final report number 265 of 2001 has been accepted by the trial court on 2.6.2005.

8. Case Crime No. 442 of 1999, under Section ¾ of Goondas Act, Police Station-Civil Lines, Etawah, question-answer dated 27.5.2005 shows that no challani report regarding the Goondas Act has been sent to the District Magistrate, Etawah.

9. So far as Case Crime No. 167 of 1999 under Section 323, 504 and 506 I.P.C. is concerned, only charge-sheet under Section 504 I.P.C. was produced from which petitioner has been discharged as evident from the perusal of annexure no. 6.

10. It would be proper to see the case in view of the cases decided by the Courts of Records on the point. Hence some relevant cases are referred and discussed to reach at the correct conclusion.

11. In ***Ram Prasad Vs. Commissioner And Others 2020 0 Supreme (All) 104***, District Magistrate cancelled the arms license on the basis of pendency of criminal cases against the petitioner. Petitioner was later on acquitted from the criminal cases. Order of Acquittal was not showing use of fire arm of the petitioner. It was held that after acquittal the very basis of the order of cancellation vanished and mere apprehension expressed in the impugned orders that the petitioner would misuse the fire arm and would extend threat to the persons of the weaker section of the society, the arm licence could not be cancelled.

12. Section 17 of the Arms Act is as under:

17. Variation, suspension and revocation of licences.--

(1) The licensing authority may vary the conditions subject to which a licence has been granted except such of them as have been prescribed and may for that purpose require the licence-holder by notice in writing to deliver-up the licence to it within such time as may be specified in the notice.

(2) The licensing authority may, on the application of the holder of a licence, also vary the conditions of the licence except such of them as have been prescribed.

(3) The licensing authority may by order in writing suspend a licence for such period as it thinks fit or revoke a licence--

(a) if the licensing authority is satisfied that the holder of the licence is prohibited by this Act or by any other law for the time being in force, from acquiring, having in his possession or carrying any arms or ammunition, or is of unsound mind, or is for any reason unfit for a licence under this Act; or

(b) if the licensing authority deems it necessary for the security of the public peace or for public safety to suspend or revoke the licence; or

(c) if the licence was obtained by the suppression of material information or on the basis of wrong information provided by the holder of the licence or any other person on his behalf at the time of applying for it; or

(d) if any of the conditions of the licence has been contravened; or

(e) if the holder of the licence has failed to comply with a notice under sub-section (1) requiring him to deliver-up the licence.

(4) The licensing authority may also revoke a licence on the application of the holder thereof.

(5) Where the licensing authority makes an order varying a licence under sub-section (1) or an order suspending or revoking a licence under sub-section (3), it shall record in writing the reasons therefor and furnish to the holder of the licence on demand a brief statement of the same unless in any case the licensing authority is of the opinion that it will not be in the public interest to furnish such statement.

(6) The authority to whom the licensing authority is subordinate may by order in writing suspend or revoke a licence on any ground on which it may be suspended or revoked by the licensing authority; and the foregoing provisions of this section shall, as far as may be, apply in

relation to the suspension or revocation of a licence by such authority.

(7) A court convicting the holder of a licence of any offence under this Act or the rules made thereunder may also suspend or revoke the licence: Provided that if the conviction is set aside on appeal or otherwise, the suspension or revocation shall become void.

(8) An order of suspension or revocation under sub-section (7) may also be made by an appellate court or by the High Court when exercising its powers of revision.

(9) The Central Government may, by order in the Official Gazette, suspend or revoke or direct any licensing authority to suspend or revoke all or any licences granted under this Act throughout India or any part thereof.

(10) On the suspension or revocation of a licence under this section the holder thereof shall without delay surrender the licence to the authority by whom it has been suspended or revoked or to such other authority as may be specified in this behalf in the order of suspension or revocation.

13. In ***Masiuddin Vs. Commissioner, Allahabad Division, Allahabad and Another, 1972, A.L.J. 573***, it is held that ' *After a license is granted, the right to hold the license and possess a gun is a valuable individual right in a free country."*

14. Further it is held that *" a license may be cancelled, inter alia on the ground that it is necessary for the security of the public peace or for public safety, to do so. Mere existence of enmity between the licensee and another person would not establish the necessary connection with the security of public peace or public safety.*

15. In this case, the Magistrate has based his order on three criminal cases which have been decided in favour of the petitioner. Nature of all the cases was not heinous. There is no proof that the fire arm was used in commission of any of the crimes. The District Magistrate and Commissioner have merely expressed the apprehension that the petitioner may breach the public peace and tranquility by misusing the fire arm. Grounds of Section 17 of Arms Act 1961, do not exist. Since the year 2005, no material has been placed to establish that the petitioner has been involved in any criminal activity.

16. In ***Habib Vs. State of U.P. And Others, 2002 (44) ACC 783***, it has been held that "mere involvement in a criminal case cannot in any way affect the public security or public interest and the order cancelling or revoking licence of fire arm was not justified.

17. In ***Satish Singh Vs. District Magistrate, Sultanpur 2009 (4) ADJ (LB),*** it has been held that, *"Right to possess arms is statutory right but right to live and liberty is fundamental right guaranteed by Article 21 of the Constitution of India. Corollary to it, it is citizen's right to possess firearms for their personal safety to save their family from miscreants. It is often said that ordinarily in a civilised society, only civilised persons require arms licence for their safety and security and not the criminals. Of course, in case the government feels that the arms licence are abused for oblique motive or criminal activities, then appropriate measure may be adopted to check such mal-practice. But arms licence should not be suspended in a routine manner mechanically, without application of mind and keeping in view the*

letter and spirit of Section 17 of the Arms Act."

18. In ***Chandrabali Tewari Vs. The Commissioner, Faizabad, 2014 (32) LCD 1696***, it has been held that *"mere pendency of criminal case is no ground to cancel fire arm licence. It has also been held that as in that case there were no allegations that the licenced gun was ever taken out by the licensee and was used in the act, the order canceling petitioner's fire arm licence was quashed."*

19. In *Ram Prasad (Supra), following principles have been laid down regarding licence possession of firearms and its suspension and revocation;*

(i) Right to hold fire arm licence granted by the authorities in accordance with the provisions contained in the Arms Act, 1959 is a valuable right of an individual.

(ii) Licencing authority has the power to suspend or revoke an arm's licence only if any of the conditions mentioned in Sub-Clauses (a) to (e) of Sub Section (3) of Section 17 of the Arms Act exists.

(iii) The provisions of Section 17 of the Act cannot be invoked lightly in an arbitrary manner.

(iv) The licencing authority has to satisfy itself if it is necessary for the security of public peace or for public safety to suspend or revoke the licence.

(v) Such satisfaction of the licencing authority must be expressed in the order and must be based on relevant material.

(vi) Public peace or public safety do not mean ordinary disturbance of law and order. Public safety means safety of the public at large and not of few persons only.

(vii) Mere involvement or pendency of a criminal case does not, of its own, necessarily affect public peace or public safety. The licencing authority in each case has to record a finding as to how and under what circumstances the possession of the arm licence is detrimental to the public peace or public safety.

(viii) On mere apprehension of misuse of fire arm or that the licencee would extend threat to the persons of the weaker section, the arm licence cannot be cancelled. There must be some positive incident in which the licencee participated or used his arm, leading to breach of public peace or public security.

(ix) After acquittal of the licencee from the criminal case, the very basis of cancellation of arm licence is vanished.

20. In the light of the above principles, the impugned order does not satisfy the test.

21. However, learned Standing Counsel has tried to support the impugned orders and placed reliance on the judgment of this Court passed in ***Indrajeet Singh Vs. State of U.P. & Ors. (Writ C No. 4947 of 2019)*** decided on 22.10.2021, wherein relying upon the judgment given in the case of Deputy Inspector General of Police and Another Vs. S.Samuthiram, 2013(1) SCC 598, it has been held that- *"The expressions 'honorable acquittal', 'acquitted of blame,' 'fully exonerated' are unknown to the Code of Criminal Procedure or the Penal Code, which are coined by judicial pronouncements. It is difficult to define precisely what is meant by the expression 'honorably acquitted'. When the accused is acquitted after full consideration of prosecution evidence and that the prosecution had miserably failed to prove the charges leveled against the accused, it*

can possibly be said that the accused was honorably acquitted."

22. In this case, in all the three cases no case against the petitioner has been made out and in one case final report has been submitted, in another case, the petitioner was discharged and in the case of Goondas Act, the proceedings were dropped. Therefore, it can safely be said that even no trial started against the petitioner. Hence, both the judicial precedents cited above, do not apply against the petitioner.

23. Thus, on the basis of the papers annexed with the petition and discussions made hereinabove, it transpires that no criminal case is pending against the petitioner on which basis Arms License No. 1316 police station Civil Lines, could have been terminated, hence, the order dated 17.2.2004 passed by the District Magistrate, Etawah, and the order dated 26.4.2005 passed by the Commissioner, Kanpur Region, Kanpur, canceling the arms license of the petitioner Ramesh Chandra Yadav s/o of Shri Taleh Singh, r/o Ashok Nagar, Police Station Civil Lines, District- Etawah, are liable to be quashed.

Order

24. The writ petition is **allowed** and the impugned order dated 17.2.2004 passed by respondent no.2, District Magistrate/Licencing Authority, District Etawah and the order dated 26.4.2005 passed by respondent no.3, Commissioner, Kanpur Region, Kanpur are hereby **quashed**.

25. If no any other reason exists for cancellation of the arms license of the petitioner, the arms license, already granted to the petitioner, shall continue and if it is terminated or revoked, it shall be revived/reissued.

8. S.P. Chengal Daria Naidu Vs Jaggannath , 1993 (6) JT 331

(Delivered by Hon'ble Umesh Chandra Sharma, J.)

1. Heard Shri Raj Kishore Yadav, learned counsel for the petitioner and Shri Jitendra Narain Rai, learned Additional Chief Standing Counsel for the respondents.

2. This writ petition has been instituted to quash the order dated 13.12.1995 (Annexure No.1), order dated 05.08.1997 (Annexure No.7) passed by respondent no.2 - Additional Collector, Land Revenue, Azamgarh, and order dated 31.10.2000 (Annexure No.6) passed by respondent no.1- The Commissioner, Azamgarh Division, Azamgarh.

3. In brief facts of the case are that, villages in Tehsil Mohammadabad Gohna, now Sadar, District Azamgarh, were denotified under Section 52 of the Consolidation of Holdings Act, 1953 (hereinafter referred to as the CH Act) in the year 1972. By orders of the respondent no.2 dated 10.6.1969 the petitioner was granted Sirdari rights over plot no.2093 (new no.1216) 740 kari and plot no. 226 (new no.138/5) 421 kari as evident from form CH-45 and the petitioner is in possession over the aforesaid plots for the last 25/26 years. By notification issued under Section 4(2) of the Act (published in U.P. Gazette on 5th September, 1992), the consolidation proceedings were restored in district Azamgarh. During the consolidation operation, respondent no.1 exercising its power under Section 33 read with Section 39 of the U.P. Land Revenue

Act, 1901 (in short "the LR Act') changed the entries in the revenue records, based on the orders passed by the consolidation Authorities during first consolidation operations in the village, without issuing notice to the petitioner or affording him an opportunity of hearing (Annexure No.1 to the writ petition).

4. The petitioner has been in peaceful and cultivatory possession over the land in dispute for more than 31 years without there being any dispute regarding the same and without any claim by the Gaon Sabha and his name was also recorded in the Khatauni since 1969 and Jotvahi was also issued till date (Annexure No.2).

5. Against the order dated 13.12.1995, a Civil Misc. Writ Petition No.6181 of 1996 was filed and vide judgment dated 15.12.1996, operation of the order dated 13.12.1995 was stayed and further it was directed to the petitioner to move objection within 15 days before the respondent no.2 (Annexure No.3).

6. Pursuant to the aforesaid order, the petitioner filed objection before the respondent no.2 on 27.02.1996 in case no.49 of 1996 on 27.02.1996. (Annexure No.4). Respondent no.2 summoned the original record of CH form 23 and form 45 along with original khatauni. It was argued that the petitioner's name was recorded by order dated 10.6.1969 of C.O. Manshipur in case no. 704. Since the file of case no. 704 was weeded out hence it was not available in the revenue records and the name of the petitioner was mutated in CH form 23 and CH form 45 by the consolidation authorities and it was just and proper and there was no forgery done by the petitioner. It was also argued that after the issuance of notification U/s 4(2) of the U.P. C.H. Act, the revenue authorities have no jurisdiction to decide the entry or make any correction. After publication of notification U/s 4(2) of U.P. C.H. Act, the provisions of Section 5(2) of the U.P. C.H. Act will come into play. But without considering the arguments, after 26 years, respondent no.2 changed the entry while the entry could not be changed in summary proceeding and such entry can be corrected only by way of regular suit but without considering the arguments of the petitioner, the respondent no.2 rejected the objection of the petitioner vide order dated 5.8.1997 (Annexure No. 5).

7. Against the order dated 05.08.1997, the petitioner preferred revision before the respondent no.1 and it was argued that order dated 13.12.1995 and 05.08.1997 were without jurisdiction in view of the publication of notification under Section 4(2) of the Act and it was admitted by the respondent no.1, even then he dismissed the revision and confirmed the judgment and order, passed by the court below vide judgment and order dated 31.10.2000 (Annexure No.6).

8. In the impugned order dated 13.12.1995, no finding is recorded or given against the petitioner that he was responsible for making entries in the revenue record. Once the village has been renotified for consolidation, the respondent no. 2 ceases to have any jurisdiction to pass any orders as the powers vest with the consolidation courts/authorities.

9. On the aforesaid grounds, it has been contended that all the three impugned orders i.e. 13.12.1995, 5.8.1997 and 31.10.2000 are wholly illegal and not sustainable in the eyes of law and therefore, they deserve to be quashed and the petition be allowed.

10. From the side of respondent counter affidavit has been filed by

Tehsildar wherein respondents have denied the allegations of the petitioner and have replied that petitioner's name was fictitiously recorded in pursuance of the alleged order dated 10.06.1969 and when it came to the notice of the authority concerned, the name of the petitioner was expunged from the revenue record as there was no such order in the office. Admittedly plot in question is the property of the Gaon Sabha and no Sirdhari right accrues to the petitioner over the same. If the petitioner had any grievance, he should have filed an objection under Section 9-A (2)of the U.P. C.H. Act before consolidation authority as the village in question was notified under Section 4(2) of the Act and was published in the gazette on 5.9.1992 but the petitioner did not file any objection as such he has no right or title in view of the fictitious entry in the revenue record. It is not the case of the correction of the paper and applications are not maintainable under section 33/39 of the U.P. Land Revenue Act after village in question was notified under Section 4(2) of the Act.

11. By order dated 13.12.1995 passed by respondent no.2, name of the petitioner was ordered to be expunged from the revenue record. The petitioner filed Civil Misc. Writ Petition No.6181 of 1996 against the aforesaid order and the Hon'ble Court vide order dated 15.12.1995 disposed of the petition directing the petitioner to file an application/objection before the Chief Revenue Officer within 15 days. In pursuance of the order dated 15.12.1996, the petitioner should have filed an application/objection separately before respondent no.2. Annexure no.4 shows that the petitioner has filed objection in case no.49 of 1996 under Section 33/39 of the U.P. Land Revenue Act. In fact the petitioner succeeded to get his name recorded in the revenue record on the basis of fictitious order which is not available in the record room. As the petitioner has already filed Writ Petition No.6181 of 1996, it could not be clearly ascertained that how the petitioner escaped himself and filed another writ petition No.5930 of 1996 filed by Jaintri. The petitioner was directed to comply with the order dated 15.02.1996 passed in Civil Misc. Writ Petition no.6180 of 1996. The petitioner filed Revision/Reference No.82/261 A/97 under Section 219 of the U.P. Land Revenue Act against the order dated 05.08.1997 passed by the Additional District Magistrate, Azamgarh in case of **State of UP Vs. Mahatam** under Section 33/39 of the UP Land Revenue Act. After considering the material on record and giving opportunity of hearing to the petitioner, the revision was dismissed vide order dated 31.10.2000 which is legal and just. There is no question of law involved in the writ petition to be decided.

12. Therefore, it was submitted that the writ petition is devoid of merit and in view of the facts and circumstances, the same is liable to be dismissed.

13. Denying the allegations made in the counter affidavit, the petitioner had filed rejoinder affidavit on 07.05.2000 in which he has reiterated the version of the petition.

14. On the basis of the averments and arguments of the petitioner, the following three main points emerge, resolving which this petition can be disposed of:

(I) Whether by the orders of respondent no.2/consolidation court dated 10.06.1969 sirdari rights were granted to late Ram Roop over plot no.2093 (new

no.121) area 740 kari and plot no.226 (new no.138/5) area 421 kari?

(II) Whether on the basis of above entries the petitioners are in peaceful possession over the plots in question and whether on the basis of such long standing entries and alleged peaceful possession any indestructible right has accrued in favour of the petitioner?

(III) Whether after renotification of consolidation proceedings under Section 4(2) of CH Act on 05.09.1992 the revenue authorities had no right to exercise their power under Section 33/39 of LR Act to remove the entries from the record of rights? and on that basis the impugned orders are liable to be quashed.

Conclusion

15. **Issue No.1**--The petitioner could not produce the extract of the order dated 10.06.1969 passed by the concerned authorities either in previous petition or in this writ petition and also could not produce such order before the respondents. The order of CRO/In charge Officer, Azamgarh and Commissioner. Azamgarh is based on the report of the record keeper from which it was revealed that 14 forged orders have been incorporated in blue ink instead of red ink and by such forged orders properties of Gram Samaj (now Gram Panchayat) have been named to the private persons. By such forged orders navin parti, banjar, pond, grave yard, land allotted for plantation, khaliyan (barn), pasture and bhita land have been named to the petitioners and other persons. It was also found that no such orders were available in the concerned bundle. Even it was found that in case of Jaintri an order under Section 229-B is shown but it was entered in jild consolidation whereas there is no such procedure.

16. It is obvious that consolidation court has no power to pass an order regarding the holding of Gram Samaj and if they pass any order, it would be null and void. But in these cases even no such order of consolidation court was found to be passed. It was also found that even an order under Section 9 of CH Act was written in blue ink over the pond land. Among these 14 forged entries at serial no.5 name of Ram Roop and the impugned lands are mentioned. Thus, the revenue authorities found that all these 14 entries were entered by playing fraud by which no right, title or interest passes and accrues in favour of the petitioner and the other persons. The petitioner and the other persons could not show any paper of their right and title at the time of abolition of zamindari or prior to that. Such right can not arise all of sudden and without any basis. Why these lands would be allotted to the petitioner and the other persons. The consolidation courts were acting as revenue authorities. They were not entitled to award sirdari rights over the land of Gram Samaj without any basis. These lands were not given to the concerned persons in lieu of their land etc. There was no basis at all to enter the name of the petitioner and the other persons over those lands.

17. On the basis of above discussion it is concluded that consolidation courts or the respondents have not provided the land in suit to late Ram Roop as sirdar. The entries in revenue records were secretly recorded without any basis and it was the result of manipulation. Thus, issue no.1 is decided in negative and against the petitioner.

18. **Issue No.2**--From the above discussions it is proved that the name of late Ram Roop was recorded in revenue

records without any basis. No such order was passed, therefore, the petitioner does not get any right on the basis of fake entry, no matter how old it is. It is also an established principle that no one gets any right on the land of Gram Samaj/State on the basis of adverse possession and he cannot be the owner of the land of the Gram Samaj/State.

19. In **Jamuna Vs. State of UP** about the exercise of power under Section 33/39 of LR Act principles have been laid down about dealing with forged and fabricated entry in revenue record. In the cited case the entry in revenue record was found to be forged and fabricated, therefore, it was expunged. This Court held that fraud vitiates everything. Such entries can be expunged at any stage. No opportunity of hearing is required for expunging the forged and fabricated entry.

20. In **Jagram Vs. Brija** the board of revenue held that claim on the basis of wrong entry in the khatauni can not be sustained. Such entry should be in accordance with the provisions of law. If an entry is wrongly made in the khatauni, no right can be claimed on the basis of such entry. If the entry in the name od tenure holder is wrong, the entry of the name of successor will also be treated as wrong. If the order for correction of entry has been passed, there is no illegality in the same.

21. On the basis of the above discussion and the judicial precedents it is concluded that no right, title or interest had been conferred to late Ram Roop on the basis of forged and fabricated entry. A forged and fictitious entry how so long will not confer any right to the petitioner. Therefore, it cannot be said that the late Ram Roop and his legal representatives were in peaceful and lawful possession over the property in suit but it can be concluded that they are the trespasser and unauthorized occupant over the land of Gram Panchayat who can be evicted forcefully and they are also liable to pay damages etc.

22. On the basis of above discussions issue no.2 is decided against the petitioner.

23. **Issue No.3**--According to the petitioner after renotification under Section 4(2) of the CH Act on 05.09.1992 the respondents were not entitled to expunge the entry already existed in favour of the petitioner exercising the power under Section 33/39 of the LR Act. While deciding issue no.1 it has been held that no such order was passed in favour of Ram Roop as no such file existed in record room and the entries were also not made in accordance with law. There was no basis of such entries. The properties were of Gram Samaj and out of the jurisdiction of the consolidation courts. Though no such order was passed by the consolidation court but even it was beyond the power of the consolidation court to pass an order and enter the petitioner as sirdar on the property of Gram Samaj. Under Section 33/39 of the LR Act the Collector and the Tehsildar are duty bound to remove the errors and omissions from the record-of-rights register. The papers were submitted by the consolidation authorities after the closer of the consolidation proceedings. Thereafter it was the duty of the Collector and Tehsildar to maintain the revenue records in accordance with law. For this they are empowered under Section 33/39 of the LR Act. So they applied their rights.

24. In **Raj Singh Vs. State of UP** it is held that if the entry is not based on any

document of title or the order has not been passed by the competent court, the same may be expunged in the proceeding under Section 33/39 of LR Act treating them to be a clerical mistake. In the cited case the original patta and the allotment resolution was not produced in original. Similarly in this case, the order dated 10.09.1969 has not been produced by the petitioner.

25. In **Sri Ram Vs. Gaon Sabha4 and Chandra Datt Vs. State of UP** the lower courts have also held that if for the sake of argument it is presumed that the order would have been passed by consolidation court the question arises as to whether the consolidation court has right to deal with the land of the Gram Samaj? The answer is, No, because the Gram Samaj land is not included under the definition of "holding' when the records were under the revenue authorities, this order was passed. The lower courts have also referred some judicial precedents such as **Vikram Singh Junior High School Vs. District Magistrate, Farrukhabad6, S.P. Chengal Daria Naidu Vs. Jaggannath** in which it is held that any judicial order obtained by playing fraud is null and void. They do not confer any right. Such fraudulant entry can be removed at any time. Thus, this Court is of the considered view that the notification under Section 4(1) of CH Act was no bar in exercising the jurisdiction by the revenue authorities under Section 33/39 of LR Act as the matter was not open for the intervention of the consolidation courts. The impugned orders do not suffer from any manifest error. Therefore, issue no.3 is decided against the petitioner.

26. On the basis of the aforesaid discussion it is concluded that this petition is meritless and deserves to be dismissed.

ORDER

27. This writ petition is **dismissed** with costs.

(2023) 1 ILRA 319
ORIGINAL JURISDICTION
CIVIL SIDE

BEFORE

THE HON'BLE MAHESH CHANDRA TRIPATHI, J.
THE HON'BLE SUBHASH VIDYARTHI, J.

Criminal Misc. Writ Petition No. 6693 of 2021

Anil Saha ...Petitioner
Versus
State of U.P. & Ors. ...Respondents

Counsel for the Petitioner:
Sri Prashant Rai, Ms. Vishakha Pande, Sri Rakesh Pande (Sr. Adv.)

Counsel for the Respondents:
G.A.

A. Criminal Law - Constitution of India,1950 - Article 226 - U.P. Gangsters and Anti-Social Activities (Prevention) Act,1986 - Sections 2/3-Quashing of FIR-Case under the Act 1986 may not be registered on the basis of single criminal antecedent, rather the condition precedent is that the ingredients for registration of case under above the Act ought to be fulfilled as per section 2(c), 2(b) of the Act-In the present case, offence against petitioner is within above category of offences and gang with its gang leader and members have been committing these offences for which this registration of case crime number is there-the case does not fall in all the categories recognized by the Apex Court which may justify their quashing-there appears to be sufficient ground for investigation-Hence, no indulgence is required.(Para 1 to 14)

The writ petition is dismissed. (E-6)

7. Leelavati Devi @ Leelawati & anr. Vs the St. of U.P., SLP (Cri.) No. 3262 of 2021

(Delivered by Hon'ble Mahesh Chandra Tripathi, J. & Hon'ble Subhash Vidyarthi, J.)

1. We have heard Shri Rakesh Pande, learned Senior Advocate assisted by Shri Prashant Rai and Ms. Vishakha Pande, appearing for the petitioner and Shri Manish Goyal, learned Additional Advocate General assisted by Shri S.A. Murtaza, learned A.G.A. for all the respondents.

2. This petition under Article 226 of Constitution of India has been filed by Anil Saha with a prayer for issuing writ, order or direction in the nature of certiorari, quashing the impugned First Information Report dated 26.06.2021 registered as Case Crime No.0558 of 2021 under Sections 2 and 3 (1) of the Uttar Pradesh Gangsters and Anti-Social Activities (Prevention) Act, 1986 at Police Station Dadri, District Gautam Budh Nagar. Further prayer has been made not to arrest the petitioner in the aforesaid case.

3. It appears that the petitioner is a qualified architect and business man. He has constructed several residential complexes in Gautam Budh Nagar and New Delhi. A company was formed in the name of 'Garvit Innovative Promoters Limited' (in short, the Company), which was duly registered under the Companies Act, 1956. The petitioner was not associated with the said company as Director, Promoter, Signatory, Shareholder or in any other capacity. The said company decided to start a business of E-bikes/Taxi Bikes under a "BIKEBOT" scheme in August 2017 and under this Scheme, anybody could invest Rs.62,100/- and in lieu thereof, he would receive monthly profit of Rs.4,590/- per month for a period of 12 months and Rs.5,175/- per month for reimbursement/repayment of the invested amount. Thus, the company was required to pay Rs.9,765/- per month against an investment of Rs.62,100/-. The aforesaid amount was to be paid monthly for a period of 12 months. The investor was also required to enter into written agreements with the Company in this regard. More than 2,43,000 persons invested under the said Scheme. Consequently, the company raised a sum of Rs.2,500/- crores under the Bike Bot Scheme. From the money so raised, 10,000/- Bikes, 129 Luxury Cars like Fortuner, Mercedes, Jaquar etc. and 700 Cars of middle segment were purchased and the same are stated to be running as taxis in various cities. The Company suffered some losses, as a result whereof, rumours were spread that its entire business had collapsed and the Company was not in a position to refund the money to the investors, according to the agreement entered into between them. Subsequently,

on account of rumours and certain fake and malicious newspaper reports, more than 70 FIRs were lodged in District Gautam Budh Nagar by the investors of the Scheme. On the basis of the FIRs, the property of the Company has been seized as also the Bank Accounts of the Company and its Directors. It also appears that one FIR was registered as Case Crime No.510 of 2019 at P.S. Dadri, District Gautam Budh Nagar under Sections 420, 409, 201, 467, 468, 471 and 120B IPC on 19.5.2019. The petitioner was not named in the said FIR but he was arrested in the case on 01.3.2021 on the allegation that certain amount had been transferred to the account of the petitioner by the said Company. The petitioner approached this Court and preferred Criminal Misc. Bail Application No.19568 of 2021 (**Anil Saha vs. State of UP**) in which learned A.G.A. was directed to file response in the matter. In the meanwhile, impugned FIR has been lodged.

4. In this backdrop, learned Senior Counsel for the petitioner argued that the petitioner is not named in the FIR dated 19.5.2019 registered as Case Crime No.510 of 2019. The petitioner is neither a Director, Promoter, Signatory or Shareholder of the company nor a beneficiary of the 'Bike Bot Scheme' in any way floated by the said Company. However, the Investigating Officer had given an application under Section 167 Cr.P.C. for remand on 01.3.2021, wherein, it was indicated that the petitioner, who is Director of Saha Infratech Private Ltd., was an accused in view of the fact that the company and its sister concern company Primex Broadcast Private Ltd. had transferred a sum of Rs.21,67,00,177/- to Saha Infratech. The name of the petitioner has been included as an accused only on the basis of surmises and conjectures. In the year 2018, the representatives of the said Company approached the petitioner for taking over Saha Infratech and in this regard, a Memorandum of Understanding (for short, MOU) dated 19.9.2018 was signed between two companies. For acquisition of equity shares, the said Company paid advances to the tune of R.19,16,00,000/- to Ms/ Abet Build Tech Pvt. Ltd. The said Company suffered losses and eventually, the MOU dated 29.1.2019 was signed between them, whereby the company expressed inability to complete the transaction of acquisition of shares and thus, agreed to utilize the advances paid to M/s Saha Infratech Pvt. Ltd. towards booking of flats in the group housing projects. The advance money deposited with Saha Infratech had been utilized for construction of its ongoing project.

5. Learned Senior Advocate further submits that in the impugned FIR the allegations of fraud and cheating have been levelled against Sanjay Bhati and other named accused. There is no allegation of violence, threat or show of violence or intimidation or coercion or otherwise against the petitioner either singly or collectively as a constituted member of a gang and as such, no offence is made out against the petitioner under Section 2 read with Section 3 (1) of the Act. The concept of violence, threat or show of violence or intimidation or coercion is the necessary ingredients under Section 2 (b) of the Act and no offence is made out against the petitioner on the basis of sole allegation relied upon for treating the petitioner as Gang or Gangster. In all the FIRs, the allegations of fraud and cheating have been levelled against Sanjay Bhati, who is Managing Director of the said Company. There is no material on record to indicate that the petitioner could be treated as

member of the gang. In the impugned FIR, allegations have been levelled that the accused as an organized members of the gang was committing forgery under a criminal conspiracy and duped innocent investors and money and as such, it was not in the public interest that he would remain free. The charge sheet has been submitted in most of the cases relating to Bike Bot Scheme. Hence, protection has been claimed.

6. Per contra, Shri Manish Goyal, learned Additional Advocate General has vehemently opposed the writ petition with this contention that huge amount invested by the investors in the Scheme in question was parked by the Directors of said company & its sister companies in the account of Saha Infratech Pvt. Ltd. & its sister companies only to defraud the investors. If there was MOU between said company and Saha Infratech Pvt. Ltd. for sale of entire share-holding, the value of shares must have been cleared in the agreement itself. It was further submitted that aforesaid MOU dated 19.9.2018 was not meant for acquisition of entire share-holding. Due to this reason, agreement could not materialize and further agreement was entered into between the parties on 28.1.2019, changing the purpose of payment. It was further contended that since the amount of Rs.21 Crores said to have paid to Saha Infratech Pvt. Ltd., the company was only for the purpose of parking the aforesaid amount and thus, aforesaid MOUs were prepared only for the purpose to show the paper work. The intention of the parties was only to park the investors' amount in the garb of acquiring of the share-holding of Saha Infratech & its Sister Companies. In similar matter, a coordinate Bench of this Court has already dismissed the writ petition1 on 16.7.2021 with following observations:-

"In our considered opinion, only two points arise for our consideration. One, whether the criminal prosecution lodged against the petitioners under the provisions of the Indian Penal Code and the U.P. Gangster & Anti-social Activities (Prevention) Act, 1986 are barred in view of Section 5 of the Indian Panel Code.

The second and ancillary question which arises is the forum for trial of the petitioners, in case, it is held that the allegation against them are liable to be looked into under the provisions of the Companies Act, 2013 in view of Sections 36 and 337 thereof.

The first argument is not tenable as Section 5 I.P.C., read in conjunction with the provisions of the General Clauses Act, provides that a person cannot be punished twice for the same offence. Section 5, per se, does not provide as to which Act, a general Act or a Special Act is to be used for prosecuting an offender. In any case, admittedly, petitioners are not being prosecuted under the Companies Act, 2013. The choice in this regard is that of the prosecutor and not that of the person being prosecuted. It is also settled vide Emperor Vs. Jiwa Lal, AIR 1932 All 69 that where an offence falls strictly within the purview of a special Act, it is appropriate to prosecute the offender under the Special Act. The petitioners are being prosecuted under the U.P. Gangsters and Anti Social Activities (Prevention) Act, 1986 which is undisputedly a special Act. Therefore, in view of the above facts and circumstances, petitioners are not entitled to any relief on the basis of the argument raised.

Insofar as the second question is concerned, it no doubt appears that both the Gangsters Act and the Companies Act 2013

provide for trial by special courts constituted there under. A conflict, if any, can arise only in the case of simultaneous prosecution and trial both under the Gangsters Act and the Companies Act, 2013. Such is not the position in the case at hand and therefore the second question does not require consideration in the instant case as it does not arise in the facts and circumstances of the instant case.

Apart from the above, there are specific allegations against the petitioners, who are Directors of a Company, that they in connivance with his other co-accused, while running a company in the name of GIPL have duped innocent people of crores of rupees and have misappropriated the same after assuring them of good returns in the form of interest on the amount invested as also return of the principal invested amount.

Besides, perusal of the record reflects that the investigation is still on and is being conducted to establish the complete nexus between all those involved. The aspect of money laundering and the petitioner's specific involvement in the same is also being investigated. The accused persons/petitioners are not only the beneficiaries of the alleged fraudulent earnings, but are also the brains behind the business.

In our view, quashing the subject FIR at this stage is unwarranted, keeping in view the allegations and the alleged fraud committed.

The writ petition is accordingly, dismissed."

7. Shri Manish Goyal further submitted that the petitioner was arrested in Case Crime No.510 of 2019 on 01.3.2021. Consequently, he moved Bail Application2 and the same has been rejected by learned Single Judge of this Court 07.10.2021 with following observations:-

"In this matter, as is evident from the record, although applicant is not named in the F.I.R. nor he is the Director, share-holder, signatory of G.I.P.L. & its Sister Companies, but keeping in view this fact that MOU entered into between the parties did not materialize, huge amount of investors invested in the Scheme has been diverted in the account of applicant's company and same has not been returned to G.I.P.L. on non-completion of the agreement entered into between the parties nor the flats shown in the affidavit have been handed over to the G.I.P.L. & its Sister Companies, thus, keeping in view the entire facts and circumstances of the case; the large amount of money invested by the investors, who are mainly the retired persons having life long savings and invested hard earned money, in the Scheme as well as the transactions made in the account of the applicant's Company were nothing but sham transactions as also the fact that numerous F.I.R.s have been lodged against the applicant by the investors, the Court is of the view that the applicant cannot be allowed on bail in the aforesaid crime number / F.I.R. simply on the basis of order passed in respect of co-accused referred here-in-above.

Bail application of the accused-applicant Anil Saha is hereby rejected."

8. It is further submitted that there is no provision that case under the Uttar Pradesh Gangsters and Anti-Social Activities (Prevention) Act, 1986, may not be registered on the basis of single criminal antecedent. Rather, the condition precedent is that the ingredient for registration of case under above Act ought to be fulfilled as per

definition of "gangster" given in Section 2 (c) and "gang" given under Section 2 (b) of Act. The offence for which this Act is in effect are given in Section 2 (b) (I):- "offences punishable under Chapter XVI or Chapter XVII or Chapter XVIII of the Indian Penal Code (Act No. 45 of 1860), or ....(i.e. ii to xv)". Hence, as has been propounded by Division Bench of this Court in Writ Petition3, the point of single offence as a basis for registering a case under Act No. 7 of 1986 is of no effect, rather, the condition of offences given under Section 2 (b) (i) to (xv) of Act, being committed by gang or member of gang amounting to gangster i.e. defined in sub-section (c) of Section 2 of the Act. Hence, in the present case, offence against petitioner is within above category of offences and gang with its gang leader and members have been committing these offences for which this registration of case crime number is there. Hence, no indulgence is required.

9. As has been propounded by Division Bench in the case of **Somvir** as well as in many judgments by this Court that even a single case, if fulfils the category of offences given under Section 2(b) (i) to (xv) of Act and is being committed by gang defined under Section 2 (b) or gangster defined under Section 2 (c) of the Act may be basis for registration of case crime number for offence punishable under Section 2/3 of Uttar Pradesh Gangsters and Anti-Social Activities (Prevention) Act, 1986.

10. So far as legal position regarding quashing of F.I.R. is concerned, in the case of **R. Kalyani v. Janak C. Mehta and Others**4, Hon'ble Apex Court has held as under:

"(1) The High Court ordinarily would not exercise its inherent jurisdiction to quash a criminal proceeding and, in particular, a First Information Report unless the allegations contained therein, even if given face value and taken to be correct in their entirety, disclosed no cognizable offence.

(2) For the said purpose, the Court, save and except in very exceptional circumstances, would not look to any document relied upon by the defence.

(3) Such a power should be exercised very sparingly. If the allegations made in the FIR disclose commission of an offence, the court shall not go beyond the same and pass an order in favour of the accused to hold absence of any mens rea or actus reus.

(4) If the allegation discloses a civil dispute, the same by itself may not be a ground to hold that the criminal proceedings should not be allowed to continue."

11. The said decision has also been followed by the Apex Court in the case of **Kamlesh Kumari and Ors. v. State of U.P. and Ors**.5

"The law regarding sufficiency of grounds which may justify quashing of F.I.R. in a given case is well settled. The court has to eschew itself from embarking upon a roving enquiry into the last details of the case. It is also not advisable to adjudge whether the case shall ultimately end in submission of charge sheet and then eventually in conviction or not. Only a prima facie satisfaction of the court about the existence of sufficient ingredients constituting the offence is required in order to see whether the F.I.R. requires to be investigated or deserves quashing. The ambit of investigation into the alleged offence is an independent area of operation and does not call for interference in the same except in rarest of rare cases."

12. Hon'ble Apex Court in **State of Haryana and others vs. Bhajan Lal and others**6; **M/s Neeharika Infrastructure Pvt. Ltd. Vs. State of Maharashtra**7, as well as in **Leelavati Devi @ Leelawati & another vs. the State of Uttar Pradesh**8 has further reiterated above principle.

13. The statements raised by learned counsel for the petitioner called for determination of question of fact, which may be adequately discerned either through proper investigation or it may be adjudicated upon only by the trial court and even the statements made on points of law can also be more properly gone into by the trial Court in case charge-sheet is submitted in this case. The perusal of record makes out prima facie offence at this stage and there appears to be sufficient ground for investigation in the case. This Court does not find any justification to quash the impugned FIR or proceeding against the accused-petitioner arising out of above case crime number as the case does not fall in all the categories recognized by the Apex Court, which may justify their quashing. Moreover, in the similar matter, a coordinate Bench of this Court has already dismissed Criminal Misc. Writ Petition No.489 of 2021 on 16.7.2021.

14. Accordingly, the writ petition is dismissed.

THE HON'BLE SUNEET KUMAR, J.
THE HON'BLE SYED WAIZ MIAN, J.

Criminal Misc. Writ Petition No. 10571 of 2022

along with Crl. Misc. Writ Petitions No. 11425 of 2021 & 11148 of 2021

Rajpal Singh ...Petitioner
Versus
State of U.P. & Ors. ...Respondents

Counsel for the Petitioner:
Sri Anil Kumar Bahpai

Counsel for the Respondents:
G.A., Sri Gaurav Pundir

A. Criminal Law - Constitution of India, 1950 - Article 226 - Indian Penal Code, 1860-Sections 420 & 406-Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002-Section 13(2), 13(4), 14 & 17-Debt Recovery Tribunal Act,1993-Section 19-Quashing of FIR-Default in repayment of loan-Assets seized by Bank in proceedings under the Act, 2002 was stolen due to negligence of officials of bank-complaint filed by the complainant is an intimidatory tactic and afterthought-the officials of the financial institution/bank are provided immunity from prosecution u/s 32 of SARFAESI Act-the issue relates to the exercise of remedy relating to a secured assests as defined in the Act, cannot be in dispute-SARFAESI Act is a complete Code in itself which provides the procedure to be followed by the secured creditor by invoking section 13 of the Act-Hence, criminal proceedings would not be sustainable in the present matter-direction issued-FIR quashed.(Para 1 to 60)

The writ petition is allowed. (E-6)

List of Cases cited:

1. Priyanka Srivastava & anr. Vs St. of U.P & ors..

2. K. Virupaksha & anr. Vs St. of Karn. & anr.

3. St. of Har. & ors. Vs Bhajan Lal & ors..

(Delivered by Hon'ble Suneet Kumar, J. & Hon'ble Syed Waiz Mian, J.)

1. Heard Shri Anil Kumar Bajpai, learned counsel for the petitioners, learned A.G.A. for the State and Shri Gaurav Pundir, learned counsel for respondent no. 4.

2. The batch of writ petitions arise from the same cause and incident, accordingly, are being heard and decided together on the consent of the parties.

3. The facts of Writ Petition No. 10571 of 2021 is being referred to for the sake of convenience.

4. The writ petitioners before the Court are bank officials of the rank of Assistant General Manager, Field General Manager, Chief Manager and Branch Manager.

5. By the instant petition, petitioners seek quashing of the impugned First Information Report dated 16.10.2021, registered as Case Crime No. 0412/2021, under Sections 420 and 406 I.P.C., Police Station Fatehpur, District Saharanpur.

6. Union Bank of India is a body corporate duly constituted under the Banking Companies (Acquisition and Transfer of Undertaking) Act, 1970 (Act No. V of 1970) having its Head Office at Mumbai1. The petitioner was posted as Branch Manager at Saharanpur Main Branch, Saharanpur.

7. M/s Shyamvi Steels Private Limited, incorporated under the Companies Act, 1956, having its Head Office, at Ghaziabad, and Registered Office at New Delhi, and Unit/Works at Village Rehdi, Post Office Chuttmalpur, District Saharanpur2. The first-informant/ respondent no. 4 is one of the Directors of the Company.

8. The Bank sanctioned loan to the Company on 01.03.2013. Fund Based Loan at Rs. 175.00 Lakh and Term Loan at Rs. 400.00 Lakh i.e. total loan amount at Rs. 575.00 Lakh was sanctioned to the Company. Collateral security was furnished and hypothecated to the Bank at Rs. 4,41,780.00.

9. A Hypothecation Agreement of goods and debts for Rs. 1.75 crores was executed by the Company through its directors. The Company also hypothecated stock of raw material, office equipments, furniture and fixtures, air conditioners, stock in process, finished goods, consumables, plant and machinery, receivables, all present and future goods, book debts, all other movable assets of the company, plant and machinery, both present and future and bills etc. in favour of the Bank.

10. Further, to secure the credit facility Company mortgaged its immovable property with the Bank as an equitable mortgage or primary /collateral security, for the amount due to the Bank by depositing original title deed and also confirmed the creation of mortgage in favour of the Bank.

11. The Company through fourth respondent again requested to enhance the cash credit limit to Rs. 2.75 crores and on the said request Bank sanctioned/modified credit facilities to the Company on 01.03.2014. Thereafter, the credit facilities aggregating at Rs. 5,91,28,000.00 was sanctioned and disbursed by the Bank to the Company.

12. Fund Based Loan i.e. Rs. 175.00 Lakh was enhanced to Rs. 275.00 Lakh and on review the Term Loan was also enhanced at Rs. 316.28 Lakh on 25.02.2014.

13. The Company availed various credit facilities from the Bank aggregating at Rs. 575.00 Lakhs. The directors of the

Company have also executed letter of personal guarantee securing the credit facility granted by the Bank to the Company.

14. The Company defaulted, consequently, the debt was classified Non-Performing Asset3 on 01.02.2015.

15. The Bank issued notice dated 12.03.2015, under Section 13(2) of the Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 20024 duly served/ delivered to the Company, whereby, the Company was called upon to discharge its liability in full with future interest and incidental expenses costs, within a period of 60 days from the date of notice, failing which Bank would proceed under Sub-Section (4) of Section 13 of the SARFAESI Act. The Bank on 02.06.2015 issued and delivered possession notice to the mortgagors.

16. The fourth respondent challenged the aforesaid notice before the Debts Recovery Tribunal, Lucknow5 by filing S.A. No. 444 of 2015 (M/s Shyamvi Steel Private Limited & two others Vs Union Bank of India).

17. The aforesaid application was allowed by the DRT, on technical ground directing the Bank to hand over the possession of the seized assets.

18. The Bank filed an application being Original Application No. 852 of 2016 (Union Bank of India Vs M/s Shyamvi Steels Private Limited) before the DRT, against the directors of the Company for recovery of the amount due under Section 19 of the Debt Recovery Tribunal Act, 19936.

19. A stay application was also filed by the Bank in the aforesaid application praying for setting aside the recovery citation dated 11.11.2016, issued by the Collector, Saharanpur, under Sections 284 and 286 of the U.P. Zamindari Abolition & Land Reforms Act, 1950, for recovery of the electricity dues at Rs. 2,11,55,523/- against the Company. The Presiding Officer passed an interim order on 09.12.2016, in favour of Bank.

20. The Bank handed over the possession of the Factory to the Company on 29.07.2017.

21. Thereafter, Bank again issued a corrected notice dated 05.06.2018, under Section 13(4) of the SARFAESI Act and took possession of the Factory.

22. The Bank made a complaint before the Station House Officer, Police Station Sadar, Saharanpur, alleging therein that some persons, who are hand-men of the fourth respondent, have broken the lock of the factory, but no action was taken by the police.

23. The Bank came to know from the customers that there was certain dues of the Electricity Department against the Company, consequently, Additional District Magistrate (City), Saharanpur, forcibly had taken possession of the premises of the Company from the Bank on 08.12.2018.

24. In the meantime the S.A. No. 444 of 2015, filed by the fourth respondent before the DRT, came to be dismissed for non-prosecution.

25. The fourth respondent moved an application for One Time Settlement7 before the Bank on 12.07.2019.

26. The police arrested a person on 11.09.2019, who was carrying iron materials, which were the theft items, at about 2.00 P.M. near Kali Temple of Redi Village; on query he disclosed his name as Haseen, son of Naseem, resident of Muslim Colony, Chhutmalpur, Police Station Fatehpur, Saharanpur. The aforesaid person was caught by one Ravindra, son of Manmohan, resident of Redi, Police Station Fatehpur, District Saharanpur. Subsequently, a First Information Report8 was also lodged by Ravindra on 11.09.2019; being Case Crime No. 0306/2019, under Sections 379 & 411 I.P.C., Police Station Fatehpur, District Saharanpur.

27. The fourth respondent in his letter dated 15.09.2019, made allegations against the Electricity Department and the persons involved with the Electricity Department. But subsequently, fourth respondent taking somersault, moved an application under Section 156(3) Code of Criminal Procedure, 19739, before the Chief Judicial Magistrate, Saharanpur, deviating from his earlier allegations levelled in the letter dated 15.09.2019, and the entire allegations of theft was fastened against the Bank officers, including, the petitioner.

28. The Bank received letter dated 14.07.2020, issued by the Ministry of Finance, Government of India, New Delhi, directing the Managing Director/Chief Executive Officer, Union Bank of India, to take action, strictly, in accordance with the representation of the Company.

29. Pursuant thereof, Bank sent a letter dated 18.03.2020, to the fourth respondent, accepting the offer for OTS submitted by the fourth respondent at Rs. 4,46,07,745.00.

30. The Bank, however, was compelled to send letters dated 04.09.2020 and 17.12.2020, to the fourth respondent informing that since the fourth respondent did not comply with the terms and conditions of the OTS offered by the Bank, therefore, the Bank proceeded to reject the OTS and sought recovery of the dues.

31. The fourth respondent moved an application on 03.02.2021, under Section 156(3) Cr.P.C., before the Chief Judicial Magistrate, Saharanpur, praying for registering criminal case against the officers of the Bank.

32. The Bank officially informed the fourth respondent vide letter dated 18.02.2021, that OTS has finally been cancelled as he had not complied with the terms and conditions of the OTS. Bank informed that the outstanding dues of the Company on date stands at Rs. 12,49,15,622.83, plus legal charges.

33. The Chief Judicial Magistrate, Saharanpur, directed Bank to submit inventory prepared at the time of taking possession of the Company under the SARFAESI Act. Pursuant thereto, petitioner supplied the inventory prepared by the Bank on 05.06.2018.

34. The fourth respondent further attempted to create obstacles, accordingly, entered into a registered rent agreement letting out the premises of the Company in favour of one Ashok Gupta, son of, Late Ram Nath Gupta, Proprietor of M/s Ram Prem Stocky Yard, resident of Roorkie Road, Chhutmalpur, District Saharanpur, the possession of which was taken by the Bank on 05.06.2018.

35. The Chief Judicial Magistrate, Saharanpur, passed an order dated 30.09.2021, in Misc. Application No. 245 of 2021 (Sanjay Tomar Vs Rajpal Singh and others), filed by respondent no. 4 under

Section 156(3) Cr.P.C., wherein, Station House Officer, Police Station Fatehpur, District Saharanpur, was directed to register F.I.R. and investigate the matter. The impugned First Information Report in compliance was lodged on 16.10.2021, which is under challenge by the petitioner.

36. In the counter affidavit filed by the fourth respondent, the facts are not being disputed. It is, however, submitted that F.I.R. should have also been lodged under Section 409 I.P.C. against the accused petitioners being public servant and having committed breach of trust as some of the materials and articles, as per the inventory, was stolen while it was in the custody and possession of the Bank. It is further submitted that the possession of the premises (secured assets) was taken by the Bank with the assistance of the District Magistrate and police personnal in the absence of the fourth respondent.

37. In this backdrop, it is urged that it was the bounden duty of the Bank officials to have protected the assets. It is further urged that the bank officials were not only negligent with regard to the security and safety of the assets, but, attempted to grab the articles, as well as, the machinery of the Company out of malafide intention. The petition being devoid of merit is liable to be dismissed.

38. Rival submissions fall for consideration .

39. The sole question that arises for consideration is as to whether it is a case of malicious prosecution against the Bank and whether ingredients of the offence under Section 420, 406 I.P.C. is made out from the impugned F.I.R.

40. The petitioners herein are officials of the Bank, the malafide intent of the complainant is reflected from the fact that the fourth respondent has lodged F.I.R. in retaliation to counter the recovery proceedings, and to coerce the officers of the Bank from not taking possession of the Company under Section 13 of the SARFAESI Act.

41. It is not being disputed by learned counsel for the fourth respondent that the Company is borrower and the complainant happens to be the Director. Company defaulted and further failed to accept the OTS scheme offered by the Bank, consequently, Bank proceeded to exercise its statutory and contractual right as per the SARFAESI Act to take possession of the secured assets of the Company and ensure recovery of the amount due to the Bank. Proceedings of recovery is pending before the DRT, wherein, Company and the Revenue authorities i.e. the Collector are parties. The SARFAESI Act and DRT Act is a complete code for redressal of the grievance of the debtor company and at the same time it is always open for the debtor company to raise counter claim against the Bank for the loss of inventory/assets for any reason, including, theft.

42. The allegations made in the F.I.R. taken on face value alleges that the assets seized by the Bank in proceedings under SARFAESI Act was stolen due to the negligence of the officials of the Bank, consequently, on an application under Section 156(3) Cr.P.C. the impugned F.I.R. came to be lodged. The allegations taken as it is, would not make out a case of cheating (Section 415 I.P.C.) as there is no deception of any person, fraudulently or dishonestly inducing such a person to deceive to deliver any property. Further, it is also not the case of cheating and dishonestly inducing the delivery of property to any person or to

make alter or destroy the whole or any part of a valuable security or anything which is signed or sealed, and which is capable of being converted into a valuable security.

43. Criminal breach of trust (Section 405 I.P.C.) mandates that for whoever, being in any manner entrusted with property, or with any dominion over property, dishonestly misappropriates or converts to his own use of property, or dishonestly uses or disposes of that property in violation of any direction of law or of any legal contract which he has made touching the discharge of such trust commits "criminal breach of trust".

44. To constitute an offence of criminal breach of trust, it is essential that the prosecution must prove first of all that the accused was entrusted with some property or with any dominion or power. It has to be established further that in respect of the property so entrusted, there was dishonest, misappropriation or dishonest conversion or dishonest use or disposal in violation of a property or law of legal contract by the accused himself or some one else which he willingly suffered to do. It follows automatically from the defence that the ownership or beneficial interest in property in respect of which criminal breach of trust alleged to have been committed must be in some person other than the accused and the later must hold it on account of misappropriation and some ways for his benefit.

45. In this backdrop, admittedly, the Company, of which complainant is one of the Director, had obtained loan from the bank, on default, the Bank was within its statutory/contractual right to recover the assets mortgaged/hypothecated to the Bank as per law. The Bank taking recourse as per law had taken possession of the property with the intervention of the District Collector and the police officials, which the Bank was entitled in proceedings under Section 13/14 of the SARFAESI Act. It is also not in dispute that the Company had outstanding electricity dues, for recovery thereof, it is alleged that the Revenue authorities attempted to take possession of the property, which was in the custody of the Bank. The Bank while taking possession had drawn an inventory of the assets, which as per the complainant is alleged to have been stolen while in custody of the Bank, therefore, the officials of the Bank are liable to face criminal prosecution.

46. The proceedings initiated and the action taken by the Bank under SARFAESI Act are assailable under the said Act before the higher forum and if, borrower is allowed to take recourse to criminal law in the manner, as it has been taken, it needs no special emphasis to state, has an inherent potential to affect the financial health of the Bank. It is noticeable by the conduct of the fourth respondent that the statutory remedies have cleverly been pypassed and prosecution route has been undertaken for instilling fear amongst the officials of the Bank compelling them to concede to the request of the Company for settlement.

47. It needs to be reiterated that the learned Magistrate has to remain vigilant with regard to the allegations made and the nature of allegations in an application filed under Section 156(3) Cr.P.C. and not to issue directions without proper application of mind. The petitioners herein are officers of the Bank and the complainant is the Director of the defaulted Company. The bank has statutory right of effecting recovery of the security interest, which if

allowed to be given criminal colour by the defaulting Company would be fatal to the Banking System.

48. Learned Magistrate should take note of the allegations in entirety, the date of incident and whether any cognizable case is remotely made out. It is to be noted that when a borrower of the financial institution covered under the SARFAESI Act, invokes the jurisdiction under Section 156(3) Cr.P.C. and also there is separate procedure under the DRT Act/SARFAESI Act, an attitude of more care, caution and circumspection had to be adhered to by the Magistrate.

49. The evil design of the complainant is writ large while lodging the complaint, was to harass the petitioners with the sole intent to avoid payment of loan and to pressurize Bank for settlement as per the terms of the Company. When a person avails a loan from a financial institution, it is his obligation to pay back the loan, in the event of default the financial institution is at liberty to proceed in accordance with law to enforce the contractual obligation at the statutory forum prescribed by the law.

50. Taking a case that the assets seized and taken possession by the Bank to secure its dues, some of it may have been stolen, as is being alleged by the complainant, that would not give rise to criminal prosecution as it is always open to the aggrieved defaulter Company to raise the issue before the DRT and plead counter claim for the value of the stolen inventory. In the event, it is found that the inventory, in any manner is deficit, while it was in possession of the Bank, at the most the Bank would have to adjust the deficit amount against the dues sought to be recovered by the Bank against the Company. Taking recourse to criminal prosecution against the Bank is unwarranted.

51. In **Indian Overseas Bank Versus Ashok Saw Mill**10, Supreme Court held as follows:

"34. The provisions of Section 13 enable the secured creditors, such as banks and financial institutions, not only to take possession of the secured assets of the borrower, but also to take over the management of the business of the borrower, including the right to transfer by way of lease, assignment or sale for realising secured assets, subject to the conditions indicated in the two provisos to clause (b) of sub-section (4) of Section 13.

35. In order to prevent misuse of such wide powers and to prevent prejudice being caused to a borrower on account of an error on the part of the banks or financial institutions, certain checks and balances have been introduced in Section 17 which allow any person, including the borrower, aggrieved by any of the measures referred to in sub-section (4) of Section 13 taken by the secured creditor, to make an application to the DRT having jurisdiction in the matter within 45 days from the date of such measures having taken for the reliefs indicated in sub-section (3) thereof.

36. The intention of the legislature is, therefore, clear that while the banks and financial institutions have been vested with stringent powers for recovery of their dues, safeguards have also been provided for rectifying any error or wrongful use of such powers by vesting the DRT with authority after conducting an adjudication into the matter to declare any such action invalid

and also to restore possession even though possession may have been made over to the transferee."

52. In the facts and circumstances of the case, the issue as per the allegations in the F.I.R. relates to the exercise of remedy relating to a secured asset as defined under the SARFAESI Act, cannot be in dispute. The fact that the account of the complainant Company was classified NPA is also admitted position. The OTS was also not acted upon. In that regard when a right accrues to the secured creditor to enforce the security interest, the procedure as contemplated under Sections 13 and 14 of the SARFAESI Act is to be resorted to by the Bank. If the complainant, as a borrower had any grievance with regard to any of the measures taken by the secured creditor invoking the provisions of Section 13 of the SARFAESI Act, the remedy is provided under Section 17/19 of the SARFAESI Act, and certainly not to take recourse of criminal proceedings. The SARFAESI Act is a complete Code in itself which provides the procedure to be followed by the secured creditor and also the remedy to the aggrieved parties including the borrower.

53. In the given admitted facts, the complaint filed by the complainant was an intimidatory tactic and afterthought which is an abuse of process of law. Further, the officials of the financial institution/bank are provided with immunity from prosecution under Section 32 of SARFAESI Act. The act or action of the Bank officials having not taken in good faith, that aspect of the matter is also an aspect which can be examined in the proceedings under the SARFAESI Act before the prescribed forum. In such circumstances, criminal proceedings would not be sustainable in a matter of the present nature, exposing the petitioners to proceeding before the investigating officer or the criminal court, would not be justified.

54. In **Priyanka Srivastava and another Vs. State of U.P. and others**11, Supreme Court while allowing the appeal filed by an officer of the financial institution set aside the order passed by the High Court and quashed the registration of F.I.R. lodged through an application under Section 156 (3) Cr.P.C. The Court in the opening paragraph observed as follows:

"The present appeal projects and frescoes a scenario which is not only disturbing but also has the potentiality to create a stir compelling one to ponder in a perturbed state how some unscrupulous, unprincipled and deviant litigants can ingeniously and innovatively design in a nonchalant manner to knock at the doors of the Court, as if, it is a laboratory where multifarious experiments can take place and such skillful persons can adroitly abuse the process of the Court at their own will and desire by painting a canvas of agony by assiduous assertions made in the application though the real intention is to harass the statutory authorities, without any remote remorse, with the inventive design primarily to create a mental pressure on the said officials as individuals, for they would not like to be dragged to a court of law to face in criminal cases, and further pressurize in such a fashion so that financial institution which they represent would ultimately be constrained to accept the request for "one-time settlement" with the fond hope that the obstinate defaulters who had borrowed money from it would withdraw the cases instituted against them."

55. The Court further reiterated that the learned Magistrate while exercising jurisdiction under Section 156 (3) Cr.P.C.

has to remain vigilant with regard to the allegations made and the nature of allegations and not to issue directions without proper application of mind. The Court in Para-27 observed as follows:

".....But, the learned Magistrate should take note of the allegations in entirety, the date of incident and whether any cognizable case is remotely made out. It is also to be noted that when a borrower of the financial institution covered under the SARFAESI Act, invokes the jurisdiction under Section 156(3) Cr.P.C. and also there is a separate procedure under the Recovery of Debts due to Banks and Financial Institutions Act, 1993, an attitude of more care, caution and circumspection has to be adhered to."

56. Recently, in K. Virupaksha and another Versus State of Karnataka and another12, Supreme Court in an appeal filed by Deputy General Manager, Canara Bank, quashed the complaint and the order passed therein, as also the F.I.R. insofar as the appellants are concerned. The financial institution had initiated recovery proceeding against the defaulting party but in retaliation and counterblast, the officials were exposed to criminal prosecution. The Court in paragraph 16 observed as follows:

"We reiterate, the action taken by the Banks under the SARFAESI Act is neither unquestionable nor treated as sacrosanct under all circumstances but if there is discrepancy in the manner the Bank has proceeded it will always be open to assail it in the forum provided."

57. In State of Haryana & Ors. Vs. Bhajan Lal & Ors.13 Supreme Court considered in detail the scope of the High Court powers under Section 482 Cr.P.C. and/or Article 226 of the Constitution of India to quash the FIR and referred to several judicial precedents and held that the High Court should not embark upon an inquiry into the merits and demerits of the allegations and quash the proceedings without allowing the investigating agency to complete its task. The Court, inter alia, identified the following cases in which FIR/complaint can be quashed:

"102. (1) Where the allegations made in the first information report or the complaint, even if they are taken at their face value and accepted in their entirety do not prima facie constitute any offence or make out a case against the accused.

(2) ....

(7) Where a criminal proceeding is manifestly attended with mala fide and/or where the proceeding is maliciously instituted with an ulterior motive for wreaking vengeance on the accused and with a view to spite him due to private and personal grudge."

58. Having regard to the facts and circumstances of the case, the order of the Magistrate directing lodging of the F.I.R. against the officers of the Bank, mechanically and without application of mind cannot be appreciated. The writ petitions are liable to succeed and is ordered accordingly.

59. The writ petitions are allowed. The complaint, the order of the Magistrate passed therein and also the impugned F.I.R., insofar, it relates to the petitioners is set aside and quashed.

60. The cost assessed at Rs. 50,000/- to be paid by the fourth respondent to the Bank, at the Branch, within, six weeks from the date of order.

1. Ashok Kumar Dixit Vs St. of U.P.(1987) AIR All 235(All HC, FB)

2. Romesh Thappar Vs St. of Madras (1950) AIR SC 124

3. Nagen Murmu Vs St. of W.B. (1973) AIR SC 844

4. Bablu Mitra Vs St. of W. B. (1973) AIR SC 197

5. Jadunandan Sha Vs DM, Dhanbad (1983) 4 SCC 301

(Delivered by Hon'ble Suneet Kumar, J. & Hon'ble Syed Waiz Mian, J.)

1. Heard Sri Rakesh Dubey, learned counsel appearing for the petitioners and learned A.G.A. for the State-respondents.

2. Facts of Writ Petition No. 16983 of 2022 is being referred to for the sake of convenience.

3. Petitioners by the instant writ petition, seek quashing of FIR bearing Case Crime No. 0424 of 2022 lodged under Section 3(1) of the The Uttar Pradesh Gangsters and Anti-Social Activities (Prevention) Act, 1986 (For short "Gangster Act') at Police Station-Bhognipur, District Kanpur Dehat. The FIR came to be lodged by the In-charge Inspector P.S. Bhognipur, wherein, the second petitioner has been shown as the gang leader along with ten other members of the gang, including, first and third petitioners. Against the second petitioner/gang leader three base cases have been included in the gang-chart, whereas, against the first and second petitioners one base case have been shown. In Writ Petition No. 18326 of 2022, the petitioner is at serial no. 6 of the gang-chart and two cases have been shown against him.

4. It is alleged in the FIR that the petitioners, along with other members, are

operating as a gang and have committed offence under Section 302 IPC and other economic offences on the basis of forged and manufactured documents. They indulged in antisocial activities, thereby, creating fear and terror amongst the public; it is alleged that due to fear of the gang no member of the public is prepared to come forward and depose against the gang leader and gang members. Police report (charge-sheet) has been filed in the base cases against the petitioners and from the input collected by the Investigating Officer, it has become incumbent in public interest to prosecute the petitioners under the Gangster Act so as to prevent them from indulging in antisocial activities or committing further organized crime.

5. The first petitioner, has been shown as a gang member, claims to be qualified, having B.Tech (Mechanical) degree and a degree in Law, and is aged about 27 years. The second petitioner is the gang leader, claims to be a practising lawyer at District Court Bhognipur, District Kanpur Dehat, for the last 20 years, and the third petitioner is a gang member.

6. The following cases have been registered against the second petitioner/gang leader :- Crime Case No. 98 of 2022 under Section 302, 394, 504, 506, 34, 120B IPC, P.S. Bhognipur, District Kanpur Dehat, Case Crime No. 190 of 2021 under Sections 420, 467, 468, 471, 323, 504, 506 IPC, P.S. Bhognipur, District Kanpur Dehat & Case Crime No. 173 of 2019 under Sections 420, 467, 468, 471 IPC, P.S. Bhognipur, District Kanpur Dehat.

7. Learned counsel for the petitioners submits that registration of the impugned FIR rests on the base case noted in the gang-chart. It is urged that before lodging of the impugned FIR, the mandatory provisions of the U.P. Gangster and Anti Social Activities (Prevention) Rules, 2021 (for short "Gangster Rules), in particular, Rules, 5, 8, 10 and 12 have not been followed in its true spirit, further, it is urged that petitioners would not be covered within the definition of "gang' as defined under Section 2(b) of Gangster Act.

8. It is further submitted that in Case Crime No. 98 of 2022, the second petitioner is not nominated, however, during investigation the name of the first and second petitioner surfaced. In case Crime No. 173 of 2019, on further investigation a supplementary charge-sheet came to be filed against the gang leader. In case Case Crime No. 190 of 2021, the second petitioner is nominated, wherein, it is alleged that the accused, therein, are trying to procure the property of the informant on the basis of forged document.

9. In case Crime No. 173 of 2019 and Case Crime No. 190 of 2021 the second petitioner has obtained bail/anticipatory bail. It is further urged that sub-rule (3) of Rule 5 mandates that the gang-chart would not be approved summarily but after due discussion in a joint meeting of the officials has not been complied.

10. It is submitted that in the instant case the District Magistrate/competent authority granted approval without applying his judicial mind in the joint meeting with Superintendent of Police; the approval was granted on a printed proforma, whereas, Rule 17 prohibits recommendations on a printed proforma forwarded by the Nodal Officer and approved by the Superintendent of Police, as well as, the Competent Authority. It is

urged that the approval violates Rule 17 of the Gangster Rules.

11. Learned State Counsel opposing the writ petition submits that the petition lacks merit; FIR cannot be quashed on mere procedural irregularity; it is not being disputed by the petitioners that in the base case they have been charge-sheeted for offences covered under the Gangster Act; the scope of quashing of the impugned FIR lodged under a special statute is miniscule; the writ petition being devoid of merit is liable to be dismissed.

12. Rival submissions fall for consideration.

13. Gangster Act was enacted to make special provision for the prevention of, and for coping with gangsters and anti-social activities and for matters connected therewith and incidental thereto. The Gangster Act is a special statute, as well as, a penal statute.

14. The Gangster Act seeks to punish declared criminals who have deliberately chosen the life of crime. The activities of these professional perpetrators of organized crimes, violence and orgy has a far more baneful effect on the health and morals of the society and its people. If the activities of such recidivists are subjected to same punishment as that other ordinary criminals, the confidence of public in the efficacy and efficiency of State Administration is bound to shake (vide; **Ashok Kumar Dixit vs. State of U.P., AIR 1987 (All) 235 (All HC,FB).**

15. As per Section 20 of Gangster Act, provisions of the Act or any Rule made thereunder shall have overriding effect notwithstanding anything inconsistent therewith contained in any other enactment. The State Government in exercise of powers under Section 23 of the Gangster Act and in supersession of all Government Orders and notifications, duly notified on 27 December 2021, the Gangster Rules to provide for speedy and transparent procedure to punish gangster and to establish efficient recovery system in respect of property of gangsters and incidental benefits acquired by them through crimes and acts related therewith.

16. Chapter-I of the Gangster Rules defines "Base Cases', "Form' "Nodal Officer' and "worldly', which reads thus:

2. (1).....

a.....

b. "Base Cases" means the cases on the basis of which a gang-chart has been prepared with the intention of taking action against the gang under the Act;

c.....

d.....

e. "Form" means the form appended to these rules;

f. "Nodal Officer" means a police officer not below the rank of Deputy Superintendent of Police under the Police Act, 1861 (Act no. 5 of 1861) and the Uttar Pradesh Police Regulations, 1861, for the time being in force, designated by the district head of Police, the Commissioner of Police/Senior Superintendent of Police/Superintendent of Police, as the case may be, to prepare the gang chart under the Act;

g.....

h. "Worldly" includes illegal audacious acts done for the sake of temporal gratification.

17. Chapter-II of Gangster Rules lays down "Conditions of Criminal Liability of

Gangs'. Rule 3(1) provides that the offences mentioned in Sub-sections (i) to (xxv) of clause (b) of section 2 of the Gangster Act shall be punishable under the Gangster Act only if they are: (a) committed for disturbing public order; or (b) committed by causing violence or threat or display of violence, or by intimidation, or coercion or otherwise, either singly or collectively, for the purposes of obtaining any unfair worldly, economic, material, pecuniary or other advantage to himself or to any other person.

18. Section 2(b) defines Gang- The requirement of "Gang' are that

(i) Gang means a group of persons; (ii) these persons might act either singly or collectively; (iii) such action is to be associated with violence or threat or show of violence or intimidation or coercion or otherwise; (iv) such action must be with the object of disturbing public order or of gaining any undue advantage (temporal, pecuniary, material or otherwise for himself or for any other person).

19. The expression "public order' is of wide connotation and signifies the state of tranquillity prevailing among the members of political society as a result of the internal regulation of the Government. (**Romesh Thappar vs. State of Madras, AIR 1950 SC 124**). Thus, public order means even tempo of the life of the community taking within its fold even a specified locality and a substantial section of the society. (**Nagen Murmu vs. State of West Bengal, AIR 1973 SC 844**). In other words, the word public order is virtually synonymous with public peace, safety and tranquillity. The incidents of breach of public order would include the legislation to regulate the use of sound amplifiers in public places, forcing entry into, schools, setting fire to school building, public property, public gambling, manufacture and distribution of spurious and adulterated liquor, drugs, attempting to throw a bomb at the Police etc. are all connected with public order. (**Bablu Mitra vs. State of West Bengal, AIR 1973 SC 197**).

20. Prima facie, a single incident relating to a single individual based on personal enmity may not disturb public order, and may remain confined to "law and order' problem but it is not always necessary. The basic question for determination is whether the incident disturbs the public order or law and order, has to be determined on the basis of the cumulative effect on the facts and circumstances of each and every case. It rather depends on the reaction of the public to the happening and the consequential terror spread by the culprits and the atmosphere surcharged thereby. The distinction between public order and law and order was concisely explained by the Supreme Court in **Jadunandan Sha vs. District Magistrate, Dhanbad, (1983) 4 SCC 301.**

21. Under the Gangster Act no distinction has been made between public order and law and order, it is not the status of criminal but the act which is made punishable under the Gangster Act. The activities of gangsters for offences under the Gangster Act, since they pose grave threat to the even tempo of the society, therefore, called for sterner and more deterrent punishment and speedier hike and early booking. The Gangster Rules thereafter mandates that although a person may not be physically present on the place of occurrence yet he may be roped in under the provisions of the Gangster Act in

relation to that occurrence on the facile ground that he is a gangster. Thus, there is no need of any overt and positive act of the person intended to be apprehended at the place. It is enough to prove his active complicity which has a bearing on the crime. (Vide: **Ashok Kumar Dixit (supra)).**

22. The expression "or otherwise' as used in the definition of gang can be read conjunctively or disjunctively. If read conjunctively, the words "or otherwise', in law, when used in a general phrase, following an enumeration of particulars, are commonly interpreted in a restricted sense, as referring to such other matters as are kindred to the classes before mentioned. The word "or" in "or otherwise" is a disjunctive that marks an alternative which generally corresponds to the words "either". An interoperation of the general words "or otherwise" limiting them to the matters and things of the same kind as the previous words (violence, intimidation, coercion) would make the general words "or otherwise" following the preceding specific words, redundant. These words "or otherwise" are not words of limitation, but of extension so as to cover all possible offences. The word "otherwise" is, therefore, not to be read "ejusdem generis" with the other instances of violence mentioned in the earlier part of sub-section.

23. Further, on perusal of the offences which have been included in the definition of Gang includes offences under Chapter-XVII of Indian Penal Code which include the offence of theft under Section 378, offences under Section 403 and the related sections dealing with criminal misappropriation of property, Section 405 and allied sections deals with the crime of criminal breach of trust, dishonest misappropriation of property. Section 410 and related sections concern stolen property, Section 420 and related sections deal with offences of cheating which only involve deception, fraudulent or dishonest inducement to a person or his property. It is evident from the provisions included within the definition of gang do not require existence of force or violence. Similarly, offences under Section 3 of U.P. Public Gambling Act may not necessarily involve the use of force. Thus, the word "otherwise' has been employed disjunctively in the definition of gang and cannot be read as "ejusdem generis", with other incidents of violence mentioned in the earlier part of this sub-section (Vide: **Verneet Kumar** (supra)).

24. Rule 4 of the Gangster Rules clarifies that persons at the scene of incident or direct participation in the incident is not necessary. It is further provided that it is not necessary to commit any offence together with all members of the said gang. If a member of that gang has committed any offence which comes within the purview of the Gangster Act, along with any other member or gang leader, they may be presumed to be a gang.

25. Rule 4 is extracted:

4. (1) **Presence at the scene of incident or direct participation in the incident is not necessary**: For committing the criminal act defined in clause (b) of section 2 of the Act, if any person organizes the whole gang or abets or aids the gang leader or member of that gang or provides protection and shelter to any such person, with the knowledge that the person in question is a gang leader or member of a gang or involved in committing/aiding/abetting a criminal act,

before or after the commission of such activity, then such a person shall also be liable under the provisions of the Act even though the whole gang had not participated in the incident at the time of commission of the said incident or was not present at the scheme of the incident.

(2) **It is not necessary to commit any offence together**: For a person to be a member of a gang under the Act, it is not necessary for him to have committed any offence together with all the members of the said gang. If a member of that gang has committed any offence which comes within the purview of the Act, along with any other member or gang leader, they may be presumed to be a gang:

Provided that no such person shall be included in gang who has committed a few offences which do not come within the purview of the Act, along with a member three years or earlier.

26. All the anti-social activities mentioned in the definition of gang are not covered as offences but are certainly unlawful activities having serious reflection on the society, though not termed as offences. Thus, the law never required that offences must have been committed in past or involve use of violence for prosecution under the Gangster Act. Further, as per definition of gang, the Gangster Act seeks to prevent and punish activities which may result in undue temporal, pecuniary, material or other advantage to the gangsters or any other person and which may or may not necessarily, involve the use of violence. (**Verneet Kumar vs. State of U.P. 2009 (1) ALL CrJ 377**).

27. Chapter-III of Gangster Rules lays down the principles related to Gang Chart. Rule-5 mandates that Incharge of a Police Station/Station House Officer/ Inspector shall prepare a Gang Chart (Form No. 1) mentioning the details of criminal activities of the gang. The Gang Chart will be presented to the district head of the Police after clear recommendation of the Additional Superintendent of Police mentioning the detailed activities in relation of all the persons of the said gang. Sub-rule (2) of Rule 5 provides that the provisions contained therein shall be complied in respect of gang charts. The provision reads thus:

5. (1) To initiate proceedings under this Act, the concerned Incharge of Police General Rules Station/Station House Officer/Inspector shall prepare a gang-chart mentioning the details of criminal activities of the gang.

(2) The gang-chart will be presented to the district head of police after clear recommendation of the Additional Superintendent of Police mentioning the detailed activities in relation to all the persons of the said gang.

(2) **The following provisions shall be complied with in respect of gang-charts:-**

a. The gang-chart will not be approved summarily but after due discussion in a joint meeting of the Commissioner of Police/District Magistrate/Senior Superintendent of Police/ Superintendent of Police.

b. There may be **no gang of one person but there may be a gang of known and other unknown persons** and in that form the gang-chart may be approved as per these rules.

c. The gang-chart shall not mention those cases in which acquittal has been granted by the Special Court or in which the final report has been filed after the investigation. However, the gang-chart

shall not be approved without the completion of investigation of the base case.

d. Those cases shall not be mentioned in the gang-chart, on the basis of which action has already been taken once under this Act.

e. A separate list of criminal history, as given in Form No. 4, shall be attached with the gang-chart detailing all the criminal activities of that gang and mentioning all the criminal cases, even if acquittal has been granted in those case or even where final report has been submitted in the absence of evidence.

Along with the above, a certified copy of the gang register kept at the police station shall also be attached with the gang-chart. In addition to the above, the information of crime and gang members mentioned in the gang-chart will also be updated on Interoperable Criminal Justice (ICJS) portal and Crime and Criminal Tracking Network System (CCTNS).

28. Rule 6 provides that while preparing the Gang Chart it shall be clearly mentioned, if the alleged act of the gang falls within the purview of clause (b) of Section 2 of the Act along with relevant provisions, further, sub-rule (2) mandates that the Investigating Officer makes an endorsement to the effect that the accused is causing panic, alarm or terror in public, then evidence shall be collected in this regard. In addition to the above, a list of criminal history may be attached separately in the prescribed format. (Form No. 4)

29. Rule 10 mandates that records of base cases, would accompany the gang chart and Rule 11 mandates that the present status of all the accused, whether they are in jail or on bail or absconding, shall be clearly mentioned. Rule 13 mandates that while writing abstract below the gang chart and particulars of those officials shall be specifically mentioned. Rule 13 is extracted:

13. While writing the abstract below the gang-chart and particulars separately with the gang-chart, the particulars of those offences shall be specifically mentioned:-

i. which have been committed for pecuniary, materialistic and temporal or similar benefits; or

ii. which disturb the public order; or

iii. Which are a ground for detention under the National Security Act, 1980 (Act no. 65 of 1980)

30. Sub-rule 3 of Rule 15 provides that final decision as to whether to include or not to include the name of member of a gang in the gang and gang-chart shall be at the discretion of the Commissioner of Police/District Magistrate, as the case may be.

31. Rule 16 provides the manner and the recommendations to be made while forwarding the gang chart Rule 16 reads thus:

16. The following manner shall be followed in the forwarding of Gang-Chart:

(1) Forwarding of the gang-chart by the Additional Superintendent of Police: The Additional Superintendent of Police will not only take a quick forwarding action in the case but **he will duly peruse the gang-chart and all the attached forms; and when it is satisfied that there is a just and** satisfactory basis to pursue the case, only then will he forward the letter along with the recommendation given below on the gang-chart to the Superintendent of Police/Senior Superintendent of Police.

"Throughly studies the gang-chart and attached evidence. The basis of action under the Uttar Pradesh Gangsters and Anti-Social Activities (Prevention) Act, 1986 exists. Accordingly, forwarded with recommendation."

(2) Forwarding of the gang-chart by the district police in-charge: When the gang-chart along with all the Forms is received by the Senior Superintendent of Police/Superintendent of Police with the clear recommendation of the Additional Superintendent of Police, he will also **thoroughly analyze all the facts and when it is confirmed that all the formalities of the Act have been fulfilled and there is a legal basis for taking action in the case,** then he should forward the gang-chart to the Commissioner of Police/District Magistrate stating that: "I have duly perused the gang-chart and attached forms and I am fully satisfied that all the particulars mentioned in the case are correct and there is a satisfactory basis for taking action under the Uttar Pradesh Gangsters and Anti-Social Activities (Prevention) Act 1986. Accordingly, approved"

(3) Resolution of the Commissioner of Police/District Magistrate: When the gang-chart is sent to be the Commissioner of Police/District Magistrate along with all the Forms, all the facts will also be thoroughly perused by the Commissioner of Police/Districts Magistrate and when **he is satisfied that the basis of action exists in the case, then he will approve the gang-chart** stating therein that: "I duly perused the gang-chart and attached Forms in the light of the evidence attached with the gang-chart, satisfactory grounds exist for taking action under the Uttar Pradesh Gangsters and Anti-Social Activities (Prevention) Act, 1986. The gang-chart is approved accordingly."

It is noteworthy that the words written above are only illustrative. There is no compulsion to write the same verbatim but it is necessary that the meaning of approval should be the same as the recommendations written above, and it should also be clear from the note of approval marked.

32. Satisfaction of the competent authority only means that the competent authority must be in fact satisfy and not a dishonest satisfaction, which will be no satisfaction at all. The satisfaction contemplated by the Gangster Rule is satisfaction in point of fact on the materials placed before the competent authority. The satisfaction of the competent authority referred to under the Rule is not with respect to the allegations levelled against the gangster but the satisfaction is confined to those allegations that the accused can be prosecuted under the Gangster Act. Whatever may be the nature of charge against the accused, the satisfaction of the competent authority should be with regard to that the materials placed before him and the nature of the accused indulging in community antisocial activities. It is expedient to sanction prosecution under the Gangster Act.

33. The expression satisfied is much narrower than "application of mind'. The competent authority is not to apply his mind and satisfy himself as to whether the material placed before him would be sufficient for convicting the accused under the Gangster Act. The satisfaction is confined within a narrow domain based on the materials placed before the competent authority, the authorities forwarding the gang chart is satisfied that the accused should be prosecuted under the Gangster Act. The expression satisfaction is not satisfaction on evidence but a prima facie

satisfaction based on the representations of the nodal authority and the district police that the accused should be prosecuted under the Gangster Act.

34. Rule 17 mandates that the competent authority is bound to exercise its own independent mind while forwarding the gang chart and should not be on a pre-printed rubber seal gang chart. Rule 17 reads thus:

17 (1) the Competent Authority shall be **bound to exercise its own independent mind while forwarding the gang-chart.**
(2) **A pre-printed rubber seal gang-chart should not be signed** by the Competent Authority; otherwise the same **shall tantamount to the fact that the Competent Authority has not exercised its free mind.**

35. Rule 18 provides that gang chart shall be sent only in the manner as given in Form No. 1 of these rules.

36. Rule 17 and 18 would have to be read together. Gang chart has to be sent in the prescribed Form No. 1. The endorsement to be made by each of the authorities have also been specified in Rule 16. The rule itself prescribes and mandates a printed Form. Rule 17 merely mandates that the competent authority while approving the gang chart should not be swayed by the recommendation of the police authorities mechanically but should satisfy himself independently that the grounds for prosecution is made out. The satisfaction at that stage is subjective and does not rest upon any evidence. The competent authority has to satisfy that the materials placed with the gang chart calls for prosecution. The stage of collecting evidence follows thereafter. The scope of judicial review is miniscule, the accused cannot challenge the FIR without challenging the gang chart. The question as to whether the antisocial activities of the proposed accused is that of a gang or gangster is a matter of investigation.

37. Rule 22 clarifies and specifies that a single act/omission will also constitute an offence under the Act and a first information report must be registered on the basis of a single case. Rule 22(1) reads thus:

22(1) **A single act/omission will also constitute an offence under the Act, and First Information Report may be registered on the basis of a single case** i.e., it is not mandatory that any criminal history must be recorded and alleged before registering an offence under the Act.

38. Further, sub-rule (2) of Rule 22 necessarily provides prosecution on certain class of cases, on a single offence which includes Section 302, 376D, 395, 396 or 397 of Indian Penal Code out of the offences mentioned in sub-clause (i) or clause (b) of Section 2 of the Act.

39. Rule 27 clarifies that if the accused are minors, and their age is less than 18 years, then they should not be included in the gang chart, however, the proviso to the Rule clarifies that if the act of juvenile falls under the category of offences mentioned in Rule 22 and his age is more than 16 years, then action can be taken against him. Rule 27 reads thus:

27. If the accused are minors, and their age is less than 18 years, then they should not be included in the gang-chart:

Provided that if the act of a juvenile falls under the category of offences

mentioned in rule 22 and his age is more than 16 years, then action can be taken against him under the relevant provisions of the Act, subject to the decision of the District Level Supervision Committee mentioned in rule 64.

40. Reverting to the facts of the case in hand, the gang leader and the members of the gang have been charge-sheeted in the base cases shown in the gang chart. But that alone is not the basis for prosecution under Gangster Act, the Act provides for prosecution of such persons for engaging in anti-social activities which has been made an offence under the Gangster Act. The gang leader claims to be a practising lawyer, one of the gang members is well educated, but that would not mean that they are not indulging in anti social activities for worldly gain. The Gangster Rules merely spells out the guiding principle to lodge prosecution. The steps of collecting evidence follows thereafter.

41. The submission of the learned counsel for the petitioners that there was no "discussion' by the competent authority with the police officers before approving the gang chart would not be fatal to the prosecution of the petitioners. The expression "discussion' has to be followed mandatorily by the competent authority in every case does not follow from reading of the Rule, though the rule employs the word "shall'. The Gangster Rule no where mandates the consequence of not following "discussion' by the competent authority. In our opinion the rule mandating discussion is directory. It is left to the discretion of the competent authority, having regard to the material placed before him for approval of the gang chart. In a case, on the materials, the competent authority is convinced and prima facie satisfied that a case for prosecution is made out he may approve the gang chart bypassing discussion with the police officials. But in a case where the competent authority is not convinced or in two mind, on the material placed by the police authorities, the competent authority may necessarily decide to call for a discussion to prima facie satisfy himself that prosecution is warranted. The FIR that follows the approval of the gang chart cannot be faulted or quashed merely for want of discussion.

42. The purpose of the Gangster Act is to check the antisocial activities of gangster. The anti-social activity need not necessarily be violent. The court is not oblivious of the fact that for temporal and worldly gain, the modus operandi of a gangster can be effected on merely a phone call or through a messenger to intimidate or coerce a resident to part with property or demand ransom. There is no overt act of violence, but it tantamounts to organised antisocial activity. It is pleaded by the petitioners that in one of the base case, the complainant has given her affidavit to withdraw the case against the accused/gang member. The conduct of the complainant in handing over the affidavit to the petitioners could appear to be a voluntary act, but at the same time the act could be resting upon tacit threat, intimidation or coercion by the gang. It is to be gone into during investigation. The petitioners would have to face prosecution.

43. In view thereof, the writ petitions being devoid of merit are, accordingly, **dismissed.**

CIVIL SIDE
DATED: ALLAHABAD 05.12.2022

BEFORE

THE HON'BLE SUNEET KUMAR, J.
THE HON'BLE SYED WAIZ MIAN, J.

Criminal Misc. Writ Petition No. 20563 of 2019

Gayyur Hasan & Anr. ...Petitioners
Versus
State of U.P. & Ors. ...Respondents

Counsel for the Petitioners:
Sri Nipun Singh

Counsel for the Respondents:
A.G.A.

A. Criminal Law - Constitution of India, 1950.-.Article 226-Criminal Procedure Code, 1973 - Sections 110,111 & 116 - Prevention of Damage to Public Property Act, 1984-Section 3/4-Violation of principle of natural justice-Petitioners were not given an opportunity to defend themselves with regard to contents of the notice-Show cause notice was not issued prior to issuing of the impugned notice cum order-Proceedings u/s 110 Cr.P.C. was initiated on the strength of a solitary case u/s ¾ Prevention of Damage to Public Property Act, 1984, that single case would not make the petitioners habitual offender.(Para 1 to 12)

B. Since the person to be proceeded against has to show cause, it is but natural that he must know the grounds for apprehending a breach of the peace or disturbance of the public tranquility at his hands. Although the section speaks of the 'substance of the information' it does not mean the order should not be full. It may not repeat the information bodily but it must give proper notice of what has moved the Magistrate to take the action. (Para 10)

The writ petition is allowed. (E-6)

List of Cases cited:

1. Mohan Lal Vs St. of U.P.(1977) All Cri. 333

2. Madhu Limaye Vs S.D.M. Mongyr (1971) AIR 2486

(Delivered by Hon'ble Suneet Kumar, J. & Hon'ble Syed Waiz Mian, J.)

1. Heard Sri Nipun Singh, learned counsel for the petitioners and learned A.G.A. for the State.

2. Petitioner by the instant petition is seeking quashing of the impugned notices under section 110 of the Code of Criminal Procedure, 1973 (for short "Code') dated 01.07.2019, issued by the third respondent, Sub Divisional Magistrate, Kairana, District Shamli.

3. The conduct of the State-respondent in not cooperating with the present proceeding is writ large, that inspite several opportunities counter affidavit was not filed, accordingly, vide order dated 14.09.2022, the Court was restrained to impose Rs. 10,000/- cost on the State-respondent. Counter affidavit on behalf of the third respondent thereafter has been filed.

4. The thrust of the argument of learned counsel for the petitioner rests on two assertions, viz, that the notice under Section 110 of the Code is in violation of the principle of natural justice as no show cause was issued prior to issuing of the impugned notice cum order. Further, proceedings under Section 110 of the Code was initiated on the strength of a solitary case being Case Crime No. 52 of 2019, under section 3/4 Prevention of Damage to

Public Property Act, 1984. That single case would not make the petitioners habitual offender.

5. The assertions made in paragraphs 13 and 19 of the writ petition reads thus:

"13. That impugned order/notice under section 11 of Cr.P.C. is in violation of principle of natural justice and therefore the impugned notice dated 01.07.2019 deserves to be quashed. The impugned order is based on solitary report of Station House Officer, police Station Jhinjhana, District Shamli dated 08.06.2019 without applying any mind.
19. That section 110 of Cr.P.C. applies only to habitual offenders, which means the consistent in committing offence, therefore on a solitary case no order could be passed under section 110 of Cr.P.C., the same is meant for habitual offender."

6. Learned A.G.A., on instructions, submits that charge sheet has been filed in the aforenoted criminal case.

7. The reply to the aforesaid paragraphs has been given in paragraphs 18 and 20 of the counter affidavit, wherein, there is no denial that the mandate of Section 110 of the Code was not complied by issuing a show cause notice, further, it is submitted that on a single case provisions of Uttar Pradesh Gangsters and Anti Social Activities (Prevention) Act, 1988 (for short "Gangster Act'), is attracted. Paragraph 18 and 20 is extracted:

"18. That, the contents of paragraphs No. 12, 13 and 14 of the writ petition as stated are wrong and incorrect hence denied. In reply thereto, it is submitted that the local police who are well familiar with the activities of their territorial limit who submitted the adverse report against the petitioners holding that due to fear of the petitioners no one dare to make complaint against them and therefore, the then Sub Divisional Magistrate rightly issued the notice under section 110 of Cr.PC. Moreover, on the application of the petitioners the then Sub Divisional Magistrate further directed for enquiry and the report filed by the Revenue Authority were found against the petitioners and therefore, the notice under section 110 of Cr.P.C. does not suffer from any illegality or infirmity.
20. That, the contents of paragraphs No. 16, 17, 18, 19 and 20 of the writ petition as stated are not admitted hence denied. In reply thereto it is submitted that this Hon'ble Court as well as the Hon'ble Apex Court have constantly held in catena of cases that even on the basis of only one case crime the provisions of Gangsters Act is attracted and in view of the above, the order under section 110 of Cr.P.C. is just and proper."

8. Section 110 of the Code mandates security for good behaviour from habitual offenders. It appears that where the Executive Magistrate receives information that there is within his local jurisdiction a person who is habitual of committing offence, the Magistrate, in the manner provided, requires such person to show cause why he should not be ordered to execute a bond, with sureties, for his good behaviour for such period, not exceeding three years, as the Magistrate thinks fit.

9. Section 111 provides that when a Magistrate acting under Section 110 deems it necessary to require any person to show cause under such section, he shall make an order in writing, setting forth the substance of the information received, the amount of

the bond to be executed, the term for which it is to be in force, and the number, character and class of sureties (if any) required.

10. Thereafter, the Code mandates that the Executive Magistrate under Section 116 would make an enquiry as to the truth of the information. Sub-clause (3) of Section 116 contemplates that the Magistrate if he considers that immediate measures are necessary for the prevention of a breach of the peace or disturbance of public tranquillity or the commission of any offence or for the public safety, may, for reasons to be recorded in writing, direct the person in respect of whom the order under section 111 has been made to execute a bond, with or without sureties, for keeping the peace or maintaining good behaviour until the conclusion of the inquiry. Sub-clause (3) of Section 116 is extracted:

"(3) After the commencement, and before the completion, of the inquiry under sub- section (1), the Magistrate, if he considers that immediate measures are necessary for the prevention of a breach of the peace or disturbance of the public tranquillity or the com3mission of any offence or for the public safety, may, for reasons to be recorded in writing, direct the person in respect of whom the order under section 111 has been made to execute a bond, with or without sureties, for keeping the peace or maintaining good behaviour until the conclusion of the inquiry, and may detain him in custody until such bond is executed or, in default of execution, until the inquiry is concluded: Provided that-

(a) no person against whom proceedings are not being taken under section 108, section 109, or section 110 shall be directed to execute a bond for maintaining good behaviour;

(b) the conditions of such bond, whether as to the amount thereof or as to the provision of sureties or the number thereof or the pecuniary extent of their liability, shall not be more onerous than those specified in the order under section 111."

11. After following the aforesaid procedure as mandated under the Code, an order to give security can be passed by the Magistrate under Section 117. Section 117 reads thus:

"117. Order to give security. If, upon such inquiry, it is proved that it is necessary for keeping the peace or maintaining good behaviour, as the case may be, that the person in respect of whom the inquiry is made should execute a bond with or without sureties, the with Magistrate shall make an order accordingly:

Provided that-

(a) no person shall be ordered to give security of a nature different from, or of an amount larger than, or for a period longer than, that specified in the order made under section 111;

(b) the amount of every bond shall be fixed with due regard to the circumstances of the case and shall not be excessive;

(c) when the person in respect of whom the inquiry is made is a minor, the bond shall be executed only by his sureties."

12. On perusal of the procedure contemplated and mandated under the Code, it appears that by the impugned order the third respondent bypassing the procedure under section 111, 116 and 117

directly passed the order in the form of notice calling upon the petitioner to furnish security for good behaviour. In other words, the third respondent without making an enquiry on the report, and/or, on the objection of the petitioners, had directed the petitioners to give security. There is no reference of any pending enquiry or of any objection of the petitioners.

13. In the case of **Mohan Lal Vs. State of U.P., 1977 All Cri C 333**, this Court observed:-

"There are a series of decisions in which it has been held that the provisions contained in Section 111 of the Code are mandatory and that the non-compliance thereof vitiated the entire proceedings."

14. In the case of Madhu Limaye v. S. D. M. Mongyr, 1971 AIR 2486, the Apex Court, in para 36 of its judgment observed:

"36. We have seen the provisions of Section 107. That section says that action is to be taken in the manner here-in-after provided and this clearly indicate that it is not open to a Magistrate in such a case to depart from the procedure to any substantial extent. This is very salutary because the liberty of the person is involved and the law is rightly solicitous that this liberty should only be curtailed according to its own procedure and not according to the whim of the Magistrate concerned. It behooves us, therefore, to emphasise the safeguards built into the procedure because from there will arise the consideration of the reasonableness of the restrictions in the interest of public order or in the interest of the general public."

15. In this very case the Apex Court went on to observe in para 37.

"37. Since the person to be proceeded against has to show cause, it is but natural that he must know the grounds for apprehending a breach of the peace or disturbance of the public tranquillity at his hands. Although the section speaks of the `substance of the information' it does not mean the order should not be full. It may not repeat the information bodily but it must give proper notice of what has moved the Magistrate to take the action. This order is the foundation of the jurisdiction and the word 'substance' means the essence of the most important parts of the information."

16. In this backdrop, it is submitted by learned counsel for the petitioner that petitioners were not given an opportunity to defend themselves with regard to the contents of the notice. It is further submitted that the counter affidavit filed by the third respondent is without application of mind and a case of casual approach, as it reflects from the averment made in para 20 of the counter affidavit, that for a single case crime the provisions of Gangster Act is attracted. The matter does not pertain to prosecution of the petitioner under the Gangster Act. The proceedings are under section 110 of the Code arising from a case registered under the Prevention of Damage to Public Property Act, 1984. The writ petition accordingly is liable to be allowed.

17. The writ petition is allowed. The impugned notice dated 01.07.2019, issued by the third respondent, Sub Divisional Magistrate, Kairana, District Shamli, is set aside and quashed. A cost at Rs. 20,000/- is imposed upon the third respondent having regard to the casual approach adopted in the matter, to be deposited with the High Court Legal Services Committee

Allahabad, within four weeks from the date of order.

18. Learned A.G.A. to communicate the order and ensure compliance.

1. Sanjay Singh & ors.. Vs St. of U.P & ors.. Civil Appeal No. 8300 of 2016

2. Vinod Kumar Yadav Vs St. of U.P. Writ-A No 95 of 2011

3. St. of Punj. & anr. Vs Devans Modern Dreweries Ltd. & anr. (2004) 11 SCC 26

(Delivered by Hon'ble Om Prakash Shukla, J.)

1. Heard Shri H.J.S. Parihar, learned Senior Counsel assisted by Mrs. Meenakshi Singh Parihar for the petitioner. Shri Ashish Kumar Pathak, Mrs. Alka Verma, Shri Anand Dubey, Shri Anupam Shukla, Shri I.P. Singh, Shri R.D. Shahi, Shri S.S. Rajawat, Shri Bhanu Bajpai, Shri Pradeep Kumar Singh, Shri Firoz Ahmad Khan, Shri Chandrashekhar Singh, , Shri Alok Srivastava, Shri Prashant Kumar Singh, Shri S. Chandra, Shri Vinod Kumar Gupta, Shri Ravikant Mishra, Shri Ajay Kumar Singh, Shri P.K. Singh, Shri Pawan Kumar Pandey, Shri G.C. Verma, Shri Y.K. Mishra, Shri Ansuman Singh, Shri Ashutosh Shahi, Shri Ganesh Nath Mishra, Shri Sanjay Mishra, Shri Ramchandra Gupta, Shri Rajendra Pratap Singh, Shri Alok Pandey, Shri Udai bhan Pandey, Shri Shashank Singh, Shri Kshemenda Shukla, Shri Jitendra Kumar Pandey, Shri Vinod Kumar Srivastava, Shri Anupam Mehrotra, Shri Krishna Kumar Dubey are present for the petitioners. Shri Badrish Kumar Tripathi, learned Counsel Shri V.P. Nag & Shri Gopal Kumar Srivastava, learned Standing Counsel are present for the opposite parties.

2. The Petitioners in this leading Writ Petition claim to be Teachers L.T Grade and as such have knocked the door of this Court, thereby seeking regular payment of

salary, arrears of salary from their respective date of joining and non-interference by the respondents in regular functioning of these Writ Petitioners on the post of Assistant Teachers L.T. Grade in their respective institution.

3. Since common issue has been raised in this bunch of matter, they are being taken up together for disposal. In order to appreciate the controversy in these bunch of writ petition, it would be appropriate to curl the facts of any writ petition and for the limited purpose, the fact of leading Writ Petition bearing no. 1223 of 2006 (Sushil Kumar Dubey vs. State of U.P & Ors.), is being taken for consideration. The Petitioner in the said Writ Petition claims to be fully qualified for appointment to the post of Assistant Teacher L.T Grade and having been appointed on a vacant post. The Petitioner claims pursuant to the arising of the said vacancy, the post was advertisement and he applied in view of the said advertisement. It is the case of the petitioner that he had been post on the post of Assistant Teacher L.T Grade pursuant to a resolution dated 15.07.2003 issued by the managing committee of the intermediate college, Newadhiya District Jaunpur. The Petitioner claims to have been issued appointment letter on 16.07.2003 and joined on the said post on 18.07.2003 and his name being sent to the office of the District Inspector of schools on 21.07.2003. In view of his said appointment, the petitioner claimed that although several request were made by him to the Manager and Principal of Institution for payment of salary however the same was not released and on his inquiry to the District Inspector of Schools, Jaunpur he was told that the Secretary of Secondary Education, Government of Uttar Pradesh has issued circular dated 10.05.2002 mentioning therein that no approval to the adhoc appointments be made as there was no provision for making adhoc appointment by the management.

4. Although, this court finds on fact that the petitioner ought to be bound by the circular as it was issued much prior to his appointment and was commensurate to the existing law relating to appointment under the U.P Education Act, however the petitioner claims that the Government has no power to make adhoc appointment under the rules or regulations framed under U. P Secondary Education Service Selection Board (U.P Act no. 5 of 1982) as well as U.P Intermediate Education Board Act as it is the Managing committee of an institution, which has been vested with the said power. Thus, it is the case of the petitioner that the state government has no power and authority to stop the management of its essential functions of appointment of Teachers and Principal in the name of grant in aid as his appointment has been made by the Committee of Management in exercise of powers conferred under Section 16 E (11) of U. P Intermediate Education Board Act read with Regulation 9 of Chapter II of the U.P Intermediate Education Board Act. He also claims that since the post in question is under grant in aid it is the responsibility of the State Government to make payment of his salary and any violation thereof is in the teeth of the provisions contained under the U. P High School and Intermediate Colleges (payment of salaries to teachers and other employees) Act, 1971. Thus, it has been prayed by the petitioner that since he has been continuously and regularly working in the said post of Assistant Teacher L.T Grade, he is entitled for salary and arrears thereof.

5. This court finds profitable to quote, section 16 E of the U. P Intermediate Education Board Act, 1921, which provides procedure for filling of temporary vacancy of teachers and head of institutions. Sub -

section 11 of Section 16 E inter alia provides as under: -

"Notwithstanding anything contained in the foregoing sub sections, appointments in the case of a temporary vacancy caused by the grant of leave to an incumbent for a period not exceeding six months or 1 [by death, termination or otherwise] of an incumbent occurring during an educational session, may be made by direct recruitment or promotion without reference to the Selection Committee in such manner and subject to such conditions as may be prescribed.

[Provided that no appointment made under this sub-section shall, in any case, continue beyond the end of the educational session during which such appointment was made."

6. The aforesaid clause is an exception to the general rule that recruitment or promotion can be made by reference to the selection committee only for all grant-in aid institutions. The said non-obstante clause makes it loud and clear that no doubt a temporary vacancy can be filled by the management of the institution in case of an exigency like death or termination etc., during an educational session, however it is also equally clear that the same can be done for a period not exceeding 6 months and in any case no appointment can continue beyond the end of the educational session during which such appointment was made. Thus, on facts of the case, it seems apparently the petitioner could not allowed to be continue on the said post for perpetuity without his appointment having been referred to selection committee.

7. However, this court finds that the controversy relating to the issue being raised in this bunch of matters has been decided by the Hon'ble Supreme Court vide Judgment dated 20.08.2020 passed in ***Civil Appeal no. 8300 of 2016 (Sanjay Singh & Ors. vs. State of U.P & Ors.),*** wherein the Hon'ble Supreme Court in the said judgment gave a slew of directions to the commission in paras 7 to 11 of the judgment relating to conducting of one single examination, interview, weightage to the persons who have worked as TGT or Lecturers etc. etc. Seeing the number of petitions engaging the attention of this court on an issue, which stands already decided by the Apex Court, it would be pertinent to mention Para 7(e) of the said direction which clearly says that the decision taken by the commission shall be final and no further litigation will be entertained in respect thereof.

8. It is also reported that an M.A no. 818/2021 was also filed in the said Civil Appeal no. 8300 of 2016 which was decided on 07.12.2021 wherein the court clarified that weightage will be given to only those who have been found appointed on adhoc basis following procedure as prescribed under section 16 E (11) of the Act. The Ld. Standing Counsel has submitted that in compliance to the directions passed by the Hon'ble Supreme Court in the aforesaid Sanjay Singh's case an advertisement was issued for selection to the post of Assistant Teacher for which test/interview was held on 07/08 of August, 2022 and similar advertisement was issued for selection to the post of Lecturer for which test/interview was held on 17/18 of August, 2021. It is the further submission of the Ld. Standing Counsel that after holding the selection process which was participated by total 1455 (1446 TGT and 9 Lecturer) candidates, who claimed to be working on adhoc basis, only 126 adhoc

teachers on being verified were found to be working and appointed as per Section 16 E (11) of the Act. The Ld. Counsel submits that due weightage were given to these successful candidates and accordingly panel has been sent to DIOS concerned. Thus, he submits that in view of the direction of the Hon'ble Apex court the selection process were initiated, completed and names of successful adhoc teachers whose services could be verified has been already sent to the DIOS and as such nothing remains in the present bunch of Writ Petitions as the writ petitioners have no legally enforceable right to continue in the respective institutions nor they may be granted salary from the public ex chequer.

9. This court finds that a similar writ petition as the present bunch of the writ petition has been decided by a coordinate bench of this court based on the judgment passed by the Hon'ble Court in the aforesaid Sanjay Singh's Case. The Ld. Coordinate Bench in ***Writ - A No. 95 of 2011 (Vinod Kumar Yadav vs. State of U.P)***, after extensively quoting the judgment passed by the Hon'ble Supreme Court in Sanjay Singh's case has held as follows: -

"The petitioner has been working as LT Grade Teacher in the opposite party no. 4-Institutoin in terms of the interim order dated 11.01.2011, however, his rights, if any, are now restricted in terms of the judgment of Hon'ble the Supreme Court in the case of Sanjay Singh (supra).

On being asked as to whether the petitioner appeared in the selection held by the Board in pursuance to the said judgment vide advertisements No. 1 and 2 of 2021, learned counsel fairly submitted that the petitioner did not appear.

In these circumstances, it is difficult to pass any order in favour of the petitioner.

At this stage, learned counsel for the petitioner submitted that the State Government proposes to frame some policy for adjustments of ad hoc teachers such as the petitioner on honorarium basis. He says that policy will be applicable only to those Teachers who are still working on the date of issuance of the policy.

On being asked, learned counsel for the State and the petitioner's submitted that the matter is still under consideration and no policy has been issued by the State Government as yet.

In this view of the matter, there is nothing that this Court can do anything in favour of the petitioner. The matter stands concluded by the decision of Hon'ble the Supreme Court in Sanjay Singh's case quoted hereinabove, therefore, this writ petition is disposed of in terms thereof."

10. Thus, this court is of the considered opinion that all the issues raised by the petitioner stands decided by the Hon'ble Apex Court as well as by this court in one matter or the other and the issues raised are no longer res integra. Moreover, this court cannot be oblivious of the law of precedents, which forms the foundation of administration of Justice and it has been held time and again that a single Judge of a High Court is ordinarily bound to accept as correct judgments of Courts of coordinate jurisdiction and of Division Benches and of the Full Benches of his Court. The rule of precedent is binding for the reason that there me view as has been taken earlier. The earlier decision of the coordinate bench is binding upon any latter coordinate bench deciding the same or similar issues. If the latter bench wants to take a different view than that taken by the earlier bench, the proper course is for it to refer the matter to a larger bench. The Apex Court in the judgment reported in the ***State of Punjab***

and another versus Devans Modern Breweries ltd. and another, (2004) 11 SCC 26, held at paragraph 339 as follows:-

"339. Judicial discipline envisages that a coordinate Bench follow the decision of an earlier coordinate Bench. If a coordinate Bench does not agree with the principles of law enunciated by another Bench, the matter may be referred only to a Larger Bench. (See Pradip Chandra Parija v. Pramod Chandra Patnaik, (2002) 1 SCC 1 followed in Union of India Vs. Hansoli Devi, (2002) 7 SCC 273. But no decision can be arrived at contrary to or inconsistent with the law laid down by the coordinate Bench. Kalyani Stores (supra) and K.K. Narula (supra) both have been rendered by the Constitution Benches. The said decisions, therefore, cannot be thrown out for any purpose whatsoever; more so when both of them if applied collectively lead to a contrary decision proposed by the majority."

11. In view of the above and keeping in mind the Judgment passed by the Hon'ble Apex Court in ***Sanjay Singh's case*** and the compliances made by the respondent-State leading to the conducting of examination/interview and preparation of panel sent to the DIOS, nothing survives to be decided in these bunch of matters and as such the present bunch of writ petitions are DISPOSED OF in the said terms. It is made clear that this court has not expressed its view on any individual matters, which nonetheless shall be guided on their own merits and may also be entitled for the benefits, if any, in case accrued to them as per the judgment in ***Sanjay Singh's case*** and the subsequent compliances made by the State as aforesaid. There shall be no order as to costs. is a desire to secure uniformity and certainty in law. It is expected that a coordinate bench must follow the decision of another coordinate bench and take the same view as has been taken earlier. The earlier decision of the coordinate bench is binding upon any latter coordinate bench deciding the same or similar issues. If the latter bench wants to take a different view than that taken by the earlier bench, the proper course is for it to refer the matter to a larger bench. The Apex Court in the judgment reported in the ***State of Punjab and another versus Devans Modern Breweries ltd. and another, (2004) 11 SCC 26***, held at paragraph 339 as follows:-

"339. Judicial discipline envisages that a coordinate Bench follow the decision of an earlier coordinate Bench. If a coordinate Bench does not agree with the principles of law enunciated by another Bench, the matter may be referred only to a Larger Bench. (See Pradip Chandra Parija v. Pramod Chandra Patnaik, (2002) 1 SCC 1 followed in Union of India Vs. Hansoli Devi, (2002) 7 SCC 273. But no decision can be arrived at contrary to or inconsistent with the law laid down by the coordinate Bench. Kalyani Stores (supra) and K.K. Narula (supra) both have been rendered by the Constitution Benches. The said decisions, therefore, cannot be thrown out for any purpose whatsoever; more so when both of them if applied collectively lead to a contrary decision proposed by the majority."

12. In view of the above and keeping in mind the Judgment passed by the Hon'ble Apex Court in **Sanjay Singh's** case and the compliances made by the respondent-State leading to the conducting of examination/interview and preparation of panel sent to the DIOS, nothing survives to be decided in these bunch of matters and

as such the present bunch of writ petitions are **DISPOSED OF** in the said terms. It is made clear that this court has not expressed its view on any individual matters, which nonetheless shall be guided on their own merits and may also be entitled for the benefits, if any, in case accrued to them as per the judgment in ***Sanjay Singh's*** case and the subsequent compliances made by the State as aforesaid. There shall be no order as to costs.

6. Writ A No. 6583 of 2022; Dr. Anil Kumar Singh Vs St. of U.P. & ors. decided on 30.09.2022

(Delivered by Hon'ble Neeraj Tiwari, J.)

1. Heard learned counsel for the petitioner and learned Standing Counsel for the State-respondents.

2. Present petition has been filed with the following prayer:-

(i) Issue a writ, order or directing in the nature of mandamus commanding the opposite parties to calculate pension and other post retiral benefits from the date of his appointment as Ad-hoc employee i.e. from 13.7.1978 and give the pension on the basis of recalucated period of service and furnish the arrears accumulated till date alongwith time scale prescribed by the Government of U.P."

3. At the very outset, learned counsel for the petitioner submitted that he is not pressing his prayer so far relate to grant of time scale. He further requested that he may be permitted to pursue his remedy

before the authorities for which learned standing counsel has no objection.

4. Learned counsel for the petitioner submitted that petitioner was initially appointed on 3.7.1978 on the post of Junior Engineer in Irrigation Department on Ad-hoc basis. His services were regularized on 1.4.1985. After retirement, while fixing the pension, his adhoc services has not been taken into consideration. He next submitted that alongwith petitioner by the same appointment letter dated 3.7.1978, one Shiv Shankar Vajpayee was also appointed on the said post and his services has also not been considered while fixing the pension. Thereafter, he has approached this Court by filing ***Service Single No. 5433 of 2013 (Shiv Shankar Vajpayee vs. State of U.P.),*** which was allowed vide order dated 21.11.2014 directing the respondents to consider the services of petitioner on adhoc capacity while fixing the pension. In compliance of the order dated 21.11.2014, adhoc services of Shiv Shankar Vaypayee was considered and acccordingly, pension was fixed. He further submitted that State Government has published Ordinance on 21.10.2020 named as ***Uttar Pradesh Qualifying Service For Pension and Validation Ordinance, 2020*** (hereinafter referred to as Ordinance, 2020). The said Ordinance was enacted by U.P. Act No.1 of 2021 on 5.3.2021 as the ***Uttar Pradesh Qualifying Service For Pension and Validation Act, 2021*** (hereinafter referred to as Act, 2021). He also submitted that the Ordinance, 2020 as well as Act, 2021 is under the definition of qualifying service, but the same are not having the provision for adhoc services.

5. After publication of Ordinance, 2020, one Bhanu Pratap Singh has approached this Court by filing ***Writ-A No. 35301 of 2017 (Bhanu Pratap Singh vs. State of U.P. & others)***, which was allowed vide order dated 6.10.2020 directing the respondent to consider the Ad-hoc services of petitioner in light of judgment of Apex Court in the matter of ***Prem Singh Vs. State of U.P. and others*** passed in ***Appeal No. 6798 of 2019***. Against the said order, State Government has preferred ***Special Appeal No. 152 of 2021 (State of U.P. Through Secretary, Lok Niram Vibhag and 3 others vs. Bhanu Pratap***) and Appellate Court considering the Ordinance, 2020 & Act, 2021, has dismissed the said appeal vide order dated 14.7.2021 affirming the order of learned Single Judge dated 6.10.2020 directing the respondents to consider the services of petitioner as work charge employee while calculating the pension.

6. Against the very same order, State Government has also preferred SLP No. 10381 of 2022, which was also dismissed vide order dated 11.7.2022. Again, this issue came before this Court in the matter ***Dr. Ram Sharan Tripathi vs. State of U.P. and Another in Writ-A No. 15529 of 2018*** and Court after considering the all provisions and judgments has held that while calculating the qualifying services for the purpose of pension, Ad-hoc services shall also be taken into consideration.

7. Learned counsel for the petitioner further submitted that once again this issue was raised before this Court in the matter of ***Dr. Anil Kumar Singh vs. State of U.P. thru. Addl. Chief Secy Ayush Anubhag-1 Civil Sectt. Lko. And 4 others in Writ- A No. 6583 of 2022*** and this Court after relying upon the judgment of ***Dr. Ram Charan Tripathi (supra)*** and Act, 2021, has allowed the petition. He further submitted that his appointment was made

against substantive vacancy and also in accordance with Rules. He firmly and lastly submitted that controversy so involved about not having provision of Ad-hoc service as qualifying service in Ordinance, 2020 or Act, 2021 has already been decided by the Apex Court and also followed by this Court in different judgments, therefore, petitioner is also entitled for the same relief and petition may be allowed.

8. Learned Standing Counsel though opposed the submission, but could not dispute the controversy settled by the Apex Court as well as this Court.

9. I have considered the rival submissions advanced by the learned counsel for the parties and perused the judgments as well as record. There is no dispute on the fact that while fixing the pension, Ad-hoc services of petitioner has not been considered. Prior to publication of Ordinance, 2020 & Act, 2021 in the similarly situated matter of ***Shiv Shankar Vaypayee (supra)***, Court has taken clear cut view that Adhoc services shall be taken into consideration. Relevant paragraph of the said judgment is quoted hereinbelow:-

"21. On a scrutiny of the facts of the instant case, what transpires is that it is not in dispute that ever since initial appointment on ad hoc basis, the petitioner held a substantive office of the post of Junior Engineer in the Irrigation Department in its permanent establishment. Thus, I am of the considered opinion that except for the period, the petitioner remained on deputation in Betwa River Board, under the Ministry of Agriculture & Irrigation, Government of India i.e. w.e.f. 22.07.1978 till 31.07.1981, the services rendered by him in ad hoc capacity before regularization of his service by means of order dated 26.02.1998 ought to have been taken into account for the purpose of counting qualifying service for reckoning the pension."

10. This fact is also undisputed that State Government has published Ordinance, 2020 on 21.10.2020 and considering the same, this Court in the matter of ***Bhanu Pratap Singh (supra)*** has directed the respondents to consider the services of petitioner as work charge employee while calculating the pension in light of judgment of Apex Court in the matter of Prem Singh (supra). Relevant paragraph of the said judgment is quoted hereinbelow:-

"Sofar as the aforesaid averment of the counter affidavit is concerned, the Apex Court has settled the controversy in Appeal No. 6798 of 2019 (Prem Singh vs. State of U.P. and others) & connected petitions wherein the Apex Court has held that the services rendered as work-charge employee are liable to counted for the purposes of counting qualifying service for pension.

In this view of the fact, the plea taken by the respondents that the services rendered by the petitioner as work charge employee are not liable to be counted for the pension is misconceived and not sustainable.

Thus, for the reasons given above, the writ petition is allowed and mandamus is issued upon the respondent No. 3-Engineer in Chief, Department of Irrigation Government of U.P. Lucknow to pay all the pensionary benefits to the petitioner in terms of the judgment of Apex Court in the case of Prem Singh (supra) within a period of four months from the date of filing of copy of the order."

11. Thereafter, Appellate Court in the case of ***State of U.P. Through Secretary, Lok Niram Vibhag (supra),*** has considered

the provisions of Ordinance, 2020 & Act, 2021 and dismissed the appeal vide order dated 14.7.2021 affirming the order of learned Single Judge dated 6.10.2020 with direction to respondents to consider the service of petitioner as work charge employee while calculating the pension. Relevant paragraphs of the aforesaid judgment are quoted hereinbelow:-

"It is informed that this Ordinance has been enacted by U.P. Act No.1 of 2021 on 05.03.2021 as the Uttar Pradesh Qualifying Service for Pension and Validation Act, 2021. It is clear from the perusal of Section 2 of the Act of 2021 that it would have effect notwithstanding anything contained in U.P. Retirement Benefit Rules, 1961 or Regulation 361 and 370 of the Civil Service Regulation. Careful reading thereof, however, reveals that "Qualifying Service" has been defined to mean the services rendered by an officer appointed on a temporary or permanent post in accordance with the provisions of the service rules prescribed by the Government for the post.

Admittedly, the petitioner was appointed on 10.05.1989 as work charge employee at Azamgarh. His services were however regularised on 15.6.2011. The regularisation of service was against the permanent post and it is not that his initial appointment was not in accordance to service Rules.

In light of the aforesaid, period spent in service may be on temporary basis while working as a work charge employee, proceeded with regularisation, benefit of past services cannot be denied.

The impugned order when tested on the anvil of above analysis cannot be faulted with.

In view whereof no indulgence is caused.

Consequently, appeal fails and is dismissed. No costs."

12. Apex Court has also dismissed the SLP No. 10381 of 2022 vide order dated 11.7.2022 preferred by the State Government against the appellate order.

13. This issue was again came before this Court in the matter of ***Dr. Ram Sharan Tripathi (supra),*** and this Court has held that while fixing the pension, adhoc services shall be considered. Paragraph nos. 8 to 10 of the aforesaid judgment are quoted hereinbelow;-

"8. In the facts of the present case, the admitted position, inter se parties is, (i) petitioner came to be appointed against substantive vacancy; (ii) the salary was borne by Government; (iii) petitioner was entitled to all benefits as applicable to a State employee. 9. The expression "qualifying service", as defined under Act, 2021, would mean service rendered by an officer appointed on a temporary or permanent post in accordance with the provisions of service rules prescribed by the Government for the post. In the present case, the Government, having regard to the large number of vacancies existing in State of U.P. of Ayurvedic and Unani Medical Officer, took a conscious decision to curtail the long procedure of appointment through the Public Service Commission by directly issuing advertisement inviting applications from eligible candidates for the post and on the recommendation of the selection committee, candidates were selected. The appointment letter were issued after obtaining approval from Hon'ble Governor. It cannot be said in the circumstances that the rules applicable for appointment were not followed. The rules, as were made applicable for appointment on ad-hoc basis

was duly complied and followed and petitioner, admittedly, came to be appointed against substantive vacancy, thereafter, his service came to be regularized under Rule, 1979. In the circumstances, it cannot be said that appointment of the petitioner was against the service rules prescribed by Government. Under the pension rules a temporary government servant appointed against a substantive post is entitled to pension. The nomenclature ''ad-hoc' would have no bearing to non-suit the petitioner towards pension. The nature of appointment is temporary appointment against a substantive post after following the procedure laid down to appoint such ad-hoc/temporary Medical Officer. In the opinion of the Court, the petitioner's service would fall within the expression "qualifying service" as petitioner came to be appointed against substantive post by following procedure prescribed by the State Government. It is not in dispute that appointing authority of the petitioner is the Hon'ble Governor.

10. In the result, the writ petition is allowed. Impugned order dated 04.01.2018, is hereby set aside and quashed. It is held that the service rendered by petitioner on ad-hoc basis would count towards "qualifying service", consequently, petitioner is held entitled for pension. The first respondent is directed to compute pension and other post retiral dues admissible to the petitioner by adding the period of ad-hoc service rendered by him. Petitioner shall be entitled to pension on month to month basis with effect from the date of his superannuation. The arrears of pension would be computed and released within the period of three months, along with simple interest at the rate of 6% per annum from the date of retirement till actual payment."

14. In the present case, it is undisputed that appointment of petitioner was made against substantive vacancy and in accordance with rules. Once the appointment is made against the substantive vacancy following the rules, service rendered in the adhoc capacity must have been considered while fixing the pensionary benefits. The same preposition of law is also laid down by this Court as well as Apex Court, therefore, non consideration of adhoc services is bad and contrary to settle proposition of law.

15. Accordingly, the writ petition is **allowed**. A writ of mandamus be issued to respondent nos. 1 & 2 to re-fix the pension of petitioner considering the services of petitioner rendered in adhoc capacity with effect from 3.7.1978 to 1.4.1985 and also pay arrears of pension alongwith 6 % interest from due date to the date of actual payment.

BEFORE

THE HON'BLE J.J. MUNIR, J.

Writ-A No. 16730 of 2022

Subhash Chand ...Petitioner
Versus
State of U.P. & Ors. ...Respondents

Counsel for the Petitioner:
Sri Surendra Kumar Chaubey, Sri Marjeet Mishra

Counsel for the Respondents:
C.S.C., Sri Sanjeev Singh, Sri Sumit Suri

A. Service Law – UP Recruitment to Services (Determination of Date of Birth) Rules, 1974 – Compulsory retirement from

the post of Safai Nayak – Determination of Age – No High School certificate available – Certificate of below High School, how far relevant – Age as recorded in Service book on the basis of medical test, can it be ignored – Held, all that is relevant for the purpose of recording a government servant's date of birth is his High School Certificate or a certificate of an equivalent examination and in a case, where the government servant has not passed any such examination, the date of birth or age recorded in his service-book at the time of entry into service shall be deemed to be correct – Transfer certificate relating to Class VII is not at all relevant to determine the petitioner's age – Now, what remains relevant about the petitioner's age is the entry at the time of his appointment recorded in the service-book and nothing else. The said entry is immutable and cannot be imperiled by sundry complaints from busy bodies. (Para 12)

Writ petition allowed. (E-1)

List of Cases cited:

1. Mohan Singh Vs U.P. Rajya Vidyut Utpadan Ltd.& ors., 2012 SCC OnLine All 28

(Delivered by Hon'ble J.J. Munir, J.)

1. Parties have exchanged affidavits.

2. Admit.

3. Heard Mr. Surendra Kumar Chaubey, learned Counsel for the petitioner and Mr. Sanjeev Singh, learned Counsel appearing on behalf of respondent Nos.3 and 4. Learned Standing Counsel has been heard on behalf of respondent Nos.1 and 2.

4. This writ petition challenges the order dated 03.10.2022 jointly passed by the Chairman and the Executive Officer of the Nagar Palika Parishad, Kairana, District Shamli, compulsorily retiring the petitioner from service as a Safai Nayak; or at least purporting to do so.

5. The case of petitioner is that he was appointed to the post of a *Safai Karmi* after his father resigned from the employ of Nagar Palika. The petitioner was appointed vide letter of appointment dated 4.12.1991. He has worked for a long period of time to the satisfaction of his employers and was never subjected to any disciplinary action. It is the petitioner's case that at the time of his appointment, he was required to submit his age and fitness certificates. The petitioner appeared before the Executive Officer of the Nagar Palika way back in the year 1991 and produced his Transfer Certificate relating to Class VII from the school that he had last attended. The Executive Officer asked the petitioner to appear before the Chief Medical Officer for the purpose of determination of his age. The Chief Medical Officer, by a Certificate dated 23.12.1991, that is on record as Annexure No.2, opined the petitioner to be aged about 25 years. In the year 2010, there was a complaint about the petitioner's age and he was required to submit an explanation. The petitioner submitted his explanation on 18.06.2010, wherein he mentioned the facts that had transpired at the time of his appointment. The petitioner submitted an explanation stating therein that he did not play any fraud, but the Chief Executive Officer at the time of his appointment asked him to go to the Chief Medical Officer for a medical examination to estimate his age. The petitioner further said that he would have no objection if his date of birth is determined according to his transfer certificate relating to Class VII. The petitioner's reply dated 18.06.2010 is on record.

6. Acting upon the complaint that was before the Nagar Palika in the year 2010, the Executive Officer sought guidance of

the Assistant Director, Local Bodies, who opined by his Memo No.462 dated 20.09.2011 that under the Uttar Pradesh Recruitment to Services (Determination of Date of Birth) Rules, 1974 (for short "the Rules of 1974'), whatever age of the employee had been entered in the service-book at the time of his appointment was immutable and could not be changed. No representation or objection to the recorded date of birth can be entertained. After the aforesaid guidance by the Assistant Director Local Bodies, proceedings against the petitioner were dropped. Now, a complaint has been made by one Deepak Kumar Chandra against the petitioner by approaching the Minister in the concerned Department reiterating the complaint about petitioner's date of birth. In this regard, a show cause notice was issued to the petitioner on 16.09.2022. The petitioner submitted a reply to the show cause with the specific assertion that the complaint has been made on account of animosity. The petitioner had never concealed his date of birth, but his plea based on the pre-High School date of birth was not accepted by the Nagar Palika. It was also pointed out that on an earlier occasion when the same question arose, after the guidance on the issue by the Assistant Director, Local Bodies, the matter was dropped and the petitioner's date of birth in his service-book was regarded as one that could not be changed.

7. By the impugned order dated 03.10.2022, jointly signed by the Chairman and the Executive Officer of the Nagar Palika Parishad, the petitioner's date of birth, on the basis of his Transfer Certificate from Class VII has been considered to be his correct date of birth, and further, taking note of the fact that the petitioner's younger brother has retired from service, it was held that the petitioner had deliberately not produced the T.C. that he held at the time of his appointment and got his age lesser than what it is recorded on the basis of medical opinion secured from the Chief Medical Officer. It is also recorded that a Transfer Certificate was produced by the petitioner when he sought promotion to the post of Safai Nayak. Now, the Nagar Palika has accepted his date of birth based on the Transfer Certificate from the school relating to his Class VII acknowledging his date of birth as 07.01.1961 instead of 23.12.1966 recorded in his service-book. On that basis, the Nagar Palika, acting through the two Authorities above mentioned, have passed an order queerly described as an order of "compulsory retirement' from service with a direction that all salary drawn by the petitioner after the age of superannuation reckoned from his date of birth going by his T.C. i.e. 07.01.1961, be recovered.

8. Mr. Surendra Kumar Chaubey, learned Counsel for the petitioner has assailed the order impugned, and amongst other things, submitted that the date of birth once entered in the service-book cannot be changed. He submits that whatever date of birth is recorded in the service-book is binding not only upon employee but also upon the employer as well. Just as the employee cannot later on produce evidence about his correct date of birth, the employer also cannot act on complaints or fish out evidence about the employee's date of birth and alter the employee's recorded date of birth in the service record to his disadvantage. The Rule about the immutability of date of birth recorded in the service record, according to the learned Counsel for the petitioner, works both ways, that is to say, for the employer and employee.

9. Mr. Sanjeev Singh, Advocate appearing for the Nagar Palika, on the other hand, states that though it is trite law that the date of birth recorded in the service record is not to be altered, but in a case where the employee has played fraud, nothing prevents the employer from correcting the date of birth. He submits that there is an admission by the petitioner that his date of birth recorded in the transfer certificate from his school relating to Class VII is 07.06.1961 and not what is entered in the service record on the basis of medical examination done by the Chief Medical Officer. According to Mr. Sanjeev Singh, there is absolutely no impediment in a case of this kind where there is patent fraud and also an acceptance on the petitioner's part for a correction of his date of birth. Mr. Sanjeev Singh, however, accepts that the order impugned should not have been characterized as one of compulsory retirement. It is an order declaring the petitioner to have retired upon attaining the age of superannuation and asking him to go home.

10. Upon hearing learned Counsel for the parties, this Court finds that there is no denying the fact that the petitioner's date of birth admittedly recorded in his transfer certificate relating to Class VII is 07.01.1961. However, at the time of the petitioner's appointment, he was sent for his medical examination to determine his age to the Chief Medical Officer. The Chief Medical Officer determined his age estimating it to be 25 years and on that basis, the petitioner's date of birth in his service-book has been recorded as 23.12.1966 i.e. the date of birth which is recorded in the petitioner's service-book way back on 15.07.1992. Now, the question is: Can the petitioner's age recorded in his transfer certificate relating to Class VII be looked into in order to hold an old entry relating to his age in the service-book wrong; or one based on fraud in this regard? The Rules of 1974 are a short statutory instrument and read as under:-

"GOVERNMENT OF UTTAR PRADESH

NIYUKTI ANUBHAG (4)

In pursuance of the provisions of clause (3) of Article 348 of the Constitution, the

Governor is pleased to order the publication of the following English translation of notification no. 41/2/69 Niyukti (4), dated May 28, 1974;

No. 41/2/69-Niyukti (4)

May 28, 1974

In exercise of the powers under the proviso to Article 309 of the Constitution, the Governor is pleased to make the following rules:

Uttar Pradesh Recruitment to Services (Determination of Date of Birth) Rules, 1974.

1. Short title and commencement:-(1) These rules may be called the Uttar Pradesh Recruitment to Services (Determination of Date of Birth) Rules, 1974

(2) They shall come into force at once.

2. Determination of correct date of birth or age.- The date of birth of a Government servant as recorded in the certificate of his having passed the High School or equivalent examination, or where Government Servant has not passed any such examination as aforesaid, the date of birth or the age recorded in his service book at the time of his entry into Government service, shall be deemed to be his correct date of birth or age, as the case may be, for all purposes in relation to his service, including eligibility for promotion, superannuation, premature retirement or retirement benefits, and no application or

representation shall be entertained for correct- ion of such date or age in any circumstances whatsoever.

3. Overriding effect.-These rules shall have effect, notwithstanding anything contrary contained in the relevant service rules or orders.

By order,

GHULAM HUSAIN,

Ayukt Evam Sachiv."

11. By the first amendment to the Rules made in the year 1980, it was provided as under :-

"2. Determination of correct date of birth or age.- The date of birth of a Government servant as recorded in the certificate of his having passed the High School or equivalent examination at the time of his entry into the Government service or where a Government servant has not passed any such examination as aforesaid or has passed such examination after joining the service, the date of birth or the age recorded in his service book at the time of his entry into the Goverment service shall be deemed to be his correct date of birth or age, as the case may be, for all purposes in relation to his service, including eligibility for promotion, superannuation, premature retirement or retirement benefits, and no application or representation shall be entertained for correction of such date or age in any circumstances whatsoever]."

12. Apparently, the first amendment does not apply to the petitioner's case because he never passed his High School either before or during service. When the petitioner entered service, he was not a matriculate and had not passed his High School or an equivalent examination. A perusal of Rule 2 of the Rules of 1974 makes it pellucid that all that is relevant for the purpose of recording a government servant's date of birth is his High School Certificate or a certificate of an equivalent examination and in a case, where the government servant has not passed any such examination, the date of birth or age recorded in his service-book at the time of entry into service shall be deemed to be correct. A perusal of the Rules of 1974 would show that any certificate from an educational institutions below the Grade of High School is not at all relevant to determine a government servant's age. It is perhaps for this reason that when the petitioner appeared before the Appointing Authority at the time of appointment, and as he says, produced his transfer certificate, he was directed to appear for his medical examination before the Chief Medical Officer. Apparently, when any school certification below the High School or an equivalent examination is not relevant to determine the employee's age, the Appointing Authority would not have looked into a transfer certificate relating to Class VII. These are circumstances which show that what the petitioner asserts is correct. Even if it was incorrect, the transfer certificate relating to Class VII is not at all relevant to determine the petitioner's age. Now, what remains relevant about the petitioner's age is the entry at the time of his appointment recorded in the service-book and nothing else. The said entry is immutable and cannot be imperilled by sundry complaints from busy bodies, or may be sworn enemies. A government servant's age of retirement cannot be subjected to perpetual uncertainty on account of disgruntled complainants questioning his date of birth and laying complaints to the Appointing Authority, saying that the government servant's recorded date of birth in the service record is incorrect. If that were permitted, it would introduce a pernicious

uncertainty about the tenure of government servants and much affect their efficiency.

13. Quite apart, Rule 3 of Rules of 1974 indicate that the said Rule gives the 1974 Rules overriding effect over any other service rules or orders. Therefore, what Rule 2 provides has to be given its fullest effect. The result is that the petitioner's date of birth recorded in his service-book cannot be questioned. It cannot be questioned by the petitioner; and likewise, it cannot be questioned by the employers as well. This Court, therefore, is of opinion that the impugned order dated 03.10.2022 is manifestly illegal and without jurisdiction.

14. The view that this Court takes is buttressed by the opinion of a Division Bench of this Court in **Mohan Singh v. U.P. Rajya Vidyut Utpadan Ltd. and others, 2012 SCC OnLine All 28**, where Rule 2 of the Rules of 1974 concerning a change to the recorded date of birth in the service-book by a non-matriculate was considered by their Lordships. In **Mohan Singh (supra)**, it was held:

"12. From a perusal of the above Rule, it transpires that if a person enters into service after passing the High School examination, then the date of birth recorded in the High School certificate shall be deemed to be his correct date of birth. However, in case, the employee has entered into service before passing the High School examination, then the date of birth recorded in the service book shall be deemed to be his correct date of birth. The said Rule also provides that no application or representation shall be entertained for correction of such date or age in any circumstances whatsoever. Thus, in relation to correction of date of birth, a legal fiction has been made which means that the date of birth recorded in either of the circumstances referred to under Rule 2 of the Rules of 1974 shall be deemed to be correct for all purposes particularly for the purpose of determining the age of retirement. The effect of deeming provision/legal fiction has been considered time and again. The Apex Court in the case of Sant Lal Gupta v. Modern Co-operative Group Housing Society Ltd., (2010) 13 SCC 336, has observed as under:

".....It is the exclusive prerogative of the legislature to create a legal fiction meaning thereby to enact a deeming provision for the purpose of assuming the existence of a fact which does not really exist...."

13. Further reference may be made to the decision of the Apex Court in Manorey alias Manohar v. Board of Revenue (U.P.), 2003 (51) ALR 341 (SC).

14. Taking note of the dictum of the Apex Court as well as Rule 2 of the Rules of 1974, it is abundantly clear that if a person has entered into service without passing the High School examination, then the date of birth recorded in his service book shall be deemed to be correct and in case the employee has entered into service after passing the High School examination, the date of birth recorded in the High School certificate shall be deemed to be correct."

15. In the result, this petition succeeds and is **allowed** with costs. The impugned order dated 3.10.2022, jointly passed by the Chairman and the Executive Officer of the Nagar Palika Parishad, Kairana, District Shamli is hereby **quashed.**

16. The petitioner shall be reinstated in service forthwith and permitted to continue on the basis of his date of birth recorded in his service-book. He shall be

paid all arrears of salary which have remained unpaid during this period of time within a month. Regular payment of salary shall be resumed forthwith.

16. Let this order be communicated to the Chariman of Nagar Palika Parishad, Kairana, Shamli and the Executive Officer of the Nagar Palika Parishad, Kairana, Shamli by the Registrar (Compliance).

BEFORE

THE HON'BLE ASHUTOSH SRIVASTAVA, J.

Writ-A No. 18689 of 2022

Ramesh Chandra Yadav ...Petitioner
Versus
State of U.P. & Ors. ...Respondents

Counsel for the Petitioner:
Sri Ashwani Kumar Yadav

Counsel for the Respondents:
C.S.C., Sri Ram Prakash Shukla

A. Service Law – UP Government Servants Conduct Rules, 1956 – Suspension – Working as Head Master – Charge of posting objectionable posts regarding Hindu Gods and Goddesses and Bhramins – Suspension, when may be justified – Held, order of suspension should not normally depend merely on the gravity of charges but should depend upon a consideration of the question whether it is necessary to keep the delinquent away from his post he occupies. The effect of passing an order of suspension is to keep such delinquent away from his office temporarily – There may be cases where suspension may be justified also to avoid misuse of the authority of his office, misuse which may result in obstruction to the proper trial of the charges against him – High Court, although directed the enquiry to be continued and restrained the petitioner from making such post, but found no need to keep the petitioner under suspension. (Para 5, 9 and 11)

Writ petition allowed. (E-1)

(Delivered by Hon'ble Ashutosh Srivastava, J.)

1. Heard Shri Ashwani Kumar Yadav, learned counsel for the petitioner, learned Standing Counsel for the State-respondent and Shri Ram Prakash Shukla, learned counsel for respondent Nos. 2 to 4.

2. The challenge laid in this writ petition is to an order dated 3.11.2022 passed by Basic Shiksha Adhikari, Bhadohi-respondent No. 3 whereby the petitioner has been placed under suspension.

3. Learned counsel for the petitioner submits that petitioner is working as Incharge Head Master in Composite School Bhiriura, Block Gyanpur, District Bhadohi. The work and conduct of the petitioner has throughout remained satisfactory and there is no complaint whatsoever in his discharge of duties as Incharge Headmaster. The petitioner has received the impugned suspension order on his WhatsApp number and without giving any show cause notice or opportunity of hearing, he has been suspended. The allegations levelled against the petitioner is vague. Learned counsel for the petitioner submits that meantime a first information report dated 4.11.2022 being Case Crime No. 0213 of 2022, under Sections 395A, 505 (2) IPC, Police Station Gyanpur, District Bhadohi has been lodged against the petitioner. Learned counsel for the petitioner submits that there is election of Teachers Association and due to political

rivalry upon an oral complaint, the petitioner has been suspended by the impugned order.

4. Shri R. P. Shukla, learned counsel for the respondent Nos. 2 to 4 has passed-on a copy of complaint/application dated 4.11.2022 filed by Ambrish Tiwari addressed to the District Basic Education Officer, Bhadohi along with photostat copies of WhatsApp conversation, which are taken on record.

5. Learned counsel for the respondents submits that petitioner has rightly been suspended. He has made a WhatsApp Group in the name and style of Poorva Madhyamik Shiksha Sangh, Bhadohi and is its Group Admin. The petitioner is charged with posting objectionable posts regarding Hindu Gods and Goddesses and Bhramins and such conduct has been found to violate the provisions of U.P. Government Servants Conduct Rules, 1956. Besides certain general charges have been levelled against the petitioner regarding discharge of his duties as Incharge Headmaster of the Institution.

6. A perusal of the impugned suspension order dated 3.11.2022 reveals that it is founded on the complaint filed by one Ambrish Tiwary. An inquiry has also been contemplated against the petitioner and the Block Education Officer, Nagar Chetra, Bhadohi and the Block Education Officer, Aurai have been appointed as Enquiry Officers and the petitioner has been attached to BRC, Gyanpur.

7. Shri R. P. Shukla, learned counsel appearing for respondents has placed on record the complaint of Shri Ambrish Tiwari which is dated 4.11.2022 annexing the objectionable material. Surprisingly, the suspension order dated 3.11.2022 just one day before and appears to have been passed without application of mind and looking into the objectionable material. It is the case of the petitioner that he is a victim of political rivalry on account of elections of the Teachers Association.

8. The Court has gone through the complaint dated 4.11.2022 and the material annexed thereto placed on record by Shri R. P. Shukla, learned counsel for the respondents. The Court is of the opinion that the post on the WhatsApp Group by the petitioner appears to be an emotional outburst of a disgruntled person. Whether it constitutes a misconduct perhaps is the subject matter of the inquiry contemplated against the petitioner. It would be inappropriate for this Court to deal with that issue now.

9. The petitioner is under suspension since 3.11.2022. Suspension cannot be used as a weapon to penalize the petitioner. Continuation of suspension must be in larger public interest. The continuation, if pose threat to an ongoing inquiry such delinquent employee need not be reinstated pending such inquiry. In the opinion of the Court the order of suspension should not normally depend merely on the gravity of charges but should depend upon a consideration of the question whether it is necessary to keep the delinquent away from his post he occupies. The effect of passing an order of suspension is to keep such delinquent away from his office temporarily. Its objective is to remove him from his sphere of influence during the investigation into and treat of the charges levelled against him. It may be that some or many of the records which are in his custody may have to be looked into. His

colleagues or subordinates or sometimes even his superiors in office may have to be questioned. There may be cases where suspension may be justified also to avoid misuse of the authority of his office, misuse which may result in obstruction to the proper trial of the charges against him. The situation could be met by the officer being kept under suspension or in many cases merely by transferring the delinquent away from the scene, the choice necessarily depending upon the exigencies of the situation.

10. In the case at hand, there is absolutely no need to keep the petitioner under suspension. The respondents are required to respond to the matter in an unpassionate manner. What could be gathered as a misconduct is already there on his WhatsApp group. There is no scope for the petitioner to interfere with any material now gathered. Larger public interest demands that the petitioner should not be continued under suspension. This Court is not interfering with the legality of the suspension which is left open for consideration in future. This Court is also not adverting to the fact as to whether such postings constitute a misconduct or not. The Court has merely observed that there is no imminent danger that would effect the ongoing process of inquiry if the petitioner is ordered to be reinstated. However, the petitioner is restrained from making any such posts on the WhatsApp group or any portal on social media touching upon the inquiry or any disciplinary action initiated against him till the conclusion of the inquiry against him.

11. Accordingly, the petitioner is ordered to be reinstated in service. The impugned suspension order dated 3.11.2022 passed by the District Basic Education Officer, is set aside. The inquiry initiated against the petitioner shall go on and the same shall be brought to its logical end within two months from the date of service of certified copy of the order of this Court.

12. Needless to say that the petitioner shall cooperate in the ongoing inquiry.

13. With the aforesaid observation, the writ petition stands ***allowed***.

A. Constitution of India – Article 73 – Executive power and legislative power – Co-

extensive – Executive instructions dated 15.12.2008, 30.09.2010 and 21.03.2013 issued by Central Govt., how far hold good law – Held, in the absence anything to the contrary, the executive power of the Union is co-extensive with legislative power of the Parliament – Since there is neither any contrary legislation by Parliament on the subject in question referable to Entry-66, List-I nor subject matter of executive instruction in question has been assigned by the Constitution to other authorities or bodies nor it encroaches upon legal rights of any member of the public, therefore, the executive instructions dated 15.12.2008, 30.09.2010 and 21.03.2013 issued by the Government of India exercising the powers under Article 73 of the Constitution of India, shall hold the field. (Para 27)

B. Constitution of India – Article 73 and 309 – VIIth Schedule – List I, Entry 65 and 66 – List III, Entry 25 – Union's legislation and St.'s legislation – Repugnancy – Effect – Held, both the Union as well as St.s have the power to legislate on education/ medical education subject – St. has the right to control education including medical education so long as the field is not occupied by any Union Legislation but the St. cannot, while controlling education in the St., impinge on standards in institutions for higher education or research and scientific and technical institutions which is exclusively within the domain of the Parliament. (Para 28)

C. Technical education – Same standard and uniformity in all technical institution – How far necessary for national progress – St.'s liability to maintain the uniformity, explained – Held, the object of providing same standards in all technical educational institutions in the country for appointment in Industrial Training Institutes, is to maintain uniform standard which may not be lowered by any particular St. or St.s to the detrimental of national progress. (Para 30)

D. Constitution of India – UP Government Industrial Training Institute (Instructors) Service Rule, 2014 – Rule 9(B), its proviso, Rule 15(3), its proviso, and Rule 17(3) – Constitutional validity challenged – Challenge on the ground of its being inconsistence to the executive order – Permissibility – Held, the constitutional validity of an Act can be challenged only on two grounds, viz. (i) lack of legislative competence; and (ii) violation of any of the Fundamental Rights guaranteed in Part III of the Constitution or of any other constitutional provision. Except the above two grounds, there is no third ground on the basis of which the law made by a competent legislature can be invalidated – Held further, the impugned Rules, not being in conflict with the Executive Orders dated 15.12.2008 and 30.09.2010 occupying the field; are not ultra vires to any of the provisions of the Constitution of India – High Court held the impugned advertisement valid and in conformity with the U.P. Service Rules, 2014 and Executive Orders dated 30.09.2010. (Para 37 and 47)

Writ petition dismissed. (E-1)

(Delivered by Hon'ble Surya Prakash Kesarwani, J.)

1. Heard Sri A.N. Tripathi, learned Senior Advocate assisted by Sri Arvind Kumar Mishra, Sri C.B. Yadav, learned Senior Advocate assisted by Sri Govind Kumar Saxena and Sri Shashinandan, learned Senior Advocate assisted by Sri Ankur Sharma and other learned counsels for the petitioners, Sri S.P. Singh, learned Additional Solicitor General of India assisted by Sri Bal Mukund, Ram Dular, Om Prakash Gupta, Arvind Goswami, Ajay Singh, Gaya Prasad Singh, Raj Kumari Devi, Neeru Devi, Chandra Prakash Yadav, Manoj Kumar Singh, Pankaj Kumar, Purnendu Kumar Singh, Shitla Prasad Gaur, Sudarshan Singh, Rizwan Ahmad and Arvind Singh, learned Central Government Standing Counsels for Union of India, Sri Ajeet Singh, learned Additional Advocate General assisted by Sri Sudhanshu Srivastava, learned counsel for the State-respondents, Sri Ashok Khare, learned Senior Advocate assisted by Sri Siddharth Khare and Sri Jigar Khare, learned counsels for the newly impleaded respondent Nos.8 to 13/ successful candidates in the leading Writ-A No.63110 of 2014 and Sri G.K. Singh, learned Senior Advocate assisted by Sri Avanish Kumar Rai, learned counsel for the newly impleaded respondent Nos.4 to 7 in the leading Writ-A No.63110 of 2014.

2. Learned counsels for the parties have jointly stated that facts and controversy involved in this bunch of writ petitions is similar. Therefore, with their consent, all the writ petitions have been heard together on several occasions and the Writ-A No.63110 of 2014 (Berojgar Audyogik Kalyan Samiti And 39 Ors vs. State Of U.P. And 2 Ors) is treated as the

leading writ petition, which has been filed praying for the following relief:

"i) to issue a writ, order or direction in the nature of Certiorari quashing illegal advertisement No.2 of 2014 dated 07.11.2014 issued by respondent no.2 and subsequent proceeding for filling 2498 post of instructor in Govt. post of Industrial Training Institute in U.P. (Annexure No.4 to the writ petition);

ii) issue a writ, order or direction declaring the ***Rule 9(B) including proviso, Rule 15(3) and its proviso and Rule 17(3)*** *of U.P. Government Industrial Training Institute (Instructors) Service Rule, 2014 (Annexure No.3) be declared* ***as ultra vires said Rule 16(3) (iii) and Articles 14 and 16 and*** *specifically the constitutional provision of Article 73 readwith entry 65 and 66 of Union list which override entry 25 of concurrent list of constitution and against order of Central Govt. dated 24.07.1996 issued after accepting recommendation of N.C.V.T. and being also in teeth and in contempt of judgement of Hon'ble Single Judge dated 08.08.2006 and Judgment dated 10.12.2006 of Division Bench in Special Appeal in which State of U.P. wsa party and is binding upon State Government as such.*

Iii) any other suitable writ, order or direction as this Hon'ble Court may deem fit and proper under the facts and circumstances of the case;

iv) Award costs of the writ petition petitioners throughout."

3. All the petitioners claim that they hold CITS certificate which is an essential qualification as per Government Order dated 24.07.1996 issued by the Union of India in exercise of powers conferred under Article 73 of the Constitution of India with respect to matters of Entry 66 List-I of the VIIth Schedule to the Constitution and which was incorporated by the State Government in "The U.P. Industrial Training (Instructors) Services Rules, 1991 (hereinafter referred to as "the Rules, 1991") framed in exercise of powers conferred under Article 309 of the Constitution of India as amended by the **Second Amendment Rules** dated 08.08.2003. By the **Third Amendment Rules,** the aforesaid essential qualification was lowered which was challenged in **Civil Misc. Writ Petition No.1822 of 2004 (Upendra Narain Singh & Ors. Vs. State of U.P. & Anr.) and by judgment dated 08.08.2006**, reported in **2006 (64) ALR 845 (All.)**, the Amendment made in Rule 8 of the Rules, 1991 by the Third Amendment Service Rules, 2003 was held to be unconstitutional, which was affirmed by the Division Bench judgment in **Special Appeal No.1078 of 2006 (Pawan Kumar Sagar and others vs. State of U.P. and others)**, **decided on 12.10.2006.** By the impugned newly enacted "The Uttar Pradesh Industrial Training Institutes (Instructors) Service Rules, 2014" (hereinafter referred to as "The U.P. Service Rules, 2014') **in supersession of all existing rules and orders on the subject** framed in exercise of powers conferred by the proviso to Article 309 of the Constitution of India, the **aforesaid essential qualification of CITS has been again lowered** and it has been **made merely preferential** for recruitment on the post of instructors. Under the circumstances, the petitioners have filed the present writ petitions seeking the relief as noted above.

4. The petitioners have chosen not to file rejoinder affidavits to the counter affidavits of the respondent Nos.4 to 7 and 8 to 13. Statement of learned counsels for

the petitioners in this regard is recorded in the order dated 01.12.2022 passed in the leading Writ-A No.63110 of 2014.

SUBMISSIONS ON BEHALF OF THE PETITIONERS:-

5. **Submission by Sri A.N. Tripathi, learned Senior Advocate for the petitioners:-**

(i) The Uttar Pradesh Industrial Training Institution (Instructor) Service Rules, 1991 (hereinafter referred to as the "Rules, 1991") were initially enacted by the State Government in exercise of powers conferred under Article 309 of the Constitution of India. Rule 9 (B) of the Rules, 1991 provided the **successful training from Central Training Institute (hereinafter referred to as "CTI") in respective trades, as preferential qualification.** Subsequently, the Central Government issued a direction vide DGE&T-19 (20) / 95 - OD dated 24.07.1996 indicating that the Government of India has accepted the recommendation of the council and accordingly, requested all the State Governments / Union Territories to amend the recruitment Rules providing the **C.T.I. certificate as essential qualification** for the post of instructor. Consequently, the State Government accepted the recommendation / direction of the Government of India and amended Rules 1991 by the **second amendment Rules** dated 08.08.2003, whereby Craft Instructor Training certificate (CTI certificate) was made essential qualification for recruitment on the post of Instructor. However, by the **third amendment Rule 2003**, the aforesaid essential qualification of CTI certificate was made preferential by amending Rule 8 of Rules, 1991. Hence, the amendments were challenged in various writ petitions. The leading writ petition was Writ-A No.1822 of 2004 (Upendra Narayan Singh vs. State of U.P. and another) which were allowed by Hon'ble Single Judge by judgement dated 08.08.2006. **The amendment made in Rule 8 of the Rules, 1991 by third amendment Service Rules, 2003 was held to be violative of Constitutional Scheme of distribution of legislative powers, as also Articles 14 and 16 of the Constitution of India.** The advertisement dated 13.12.2003 was also quashed with a direction that those, who have obtained qualification up to the date of fresh advertisement shall also be considered for selection and that all those candidates, who were within the age limit on the last date of receiving applications pursuant to advertisement dated 20.08.2003, shall also be eligible to apply for selection in pursuance of fresh advertisement. The aforesaid judgement of Hon'ble Single Judge dated 08.08.2006 was upheld by the Division Bench judgement dated 12.10.2006 in Special Appeal No. 1078 of 2006 (Pawan Kumar Sagar vs. State of U.P. and others). Thus, it stood settled that CITS shall be an essential qualification for recruitment on the post of instructors and yet by the impugned Rule 9(B) and its proviso, Rule 15(3) and its proviso and Rule 17(3) of Uttar Pradesh Industrial Training Institution (Instructors) Service Rules, 2014 (hereinafter referred to as the "the Rules, 2014"), has been enacted the State Government, providing the "CITS certificate" as a **preferential qualification.**

(ii) Apart from above, the impugned Rules, 2014, also accommodates even those, who do not possess the preferential qualification, by making a provision that if they are appointed then they may acquire qualification within three years, else they

shall not be entitled to first increments. Thus, the essential qualification as prescribed by Government of India, has been completely done away and even prescribed preferential qualification is merely an eye wash and just to appoint incompetent and ineligible persons to obtain Government employment, contrary to the Rules and the Constitutional scheme.

(iii) By **Rule 16(3)** of the Rules, 2014, it has been provided that in making selection by direct recruitment, the merit list of the eligible candidates shall be prepared by awarding marks as under :- **(a)** 50% of the percentage of marks secured in High School examination and, **(b)** 20 % of the marks secured in national trade certificate test / national apprentice training test or 20% of the percentage of marks secured in diploma and degree examination and **(c) 15 % of the percentage of the marks secured in CITS and POT test.** Thus, the quality point marks for determination of merit for the purposes of preparation of select list is wholly arbitrary and is in the teeth of the direction of the Government of India and the very basic object behind creation of ITI. Very little marks i.e. 15% of the marks has been provided for the most essential qualification of CITS whereas 50% marks has been provided for the academic qualification which has nothing to do with the merits of the candidates and suitability for the employment.

(iv) Thus, the impugned provisions of the Rules, 2014 are violative of Constitutional Scheme as well as the field occupied by the Government of India, and the impugned Rules being arbitrary, are also violative of Article 14 and 16 of the Constitution of India.

(v) Reliance is placed upon the judgement of learned Single Judge and Division Bench judgement of this Court referred above and the judgement of Hon'ble Constitutional Bench of Hon'ble Supreme Court in the case of **Madan Mohan Pathak vs. Union of India and others, AIR 1978 SC (803) (Para 24, 25 and 26)**.

(vi) When the present writ petitions were filed, an interim order was granted by this Court providing that "meanwhile selection process will go on but the result of selection will be subject to the final decision of this writ petition." Despite this interim order, the State Government, in its wisdom, has issued appointment letters and appointed number of candidates, who do not possess the basic essential qualification. None of the candidates so appointed conditionally, have not come forward to oppose these writ petitions.

(vii) The degree and diploma holders cannot be tested together. Therefore, Rule 9 of the Rules, 2014 read with the appendix, is arbitrary and thus violative of Article 14 of the Constitution of India.

(viii) The letters of the Government of India dated 26.05.2014, 27.05.2014 and 07.01.2016 are not relevant for the purposes of the present controversy and they do not dilute the essential qualification of CITS certificate. Therefore, the reliance as may be placed by Sri S.P. Singh, learned Additional Solicitor General of India and the learned Additional Advocate General would be of no help to the respondents.

6. **Submission by Sri C.B. Yadav, learned Senior Advocate for the petitioners:-**

(i) The Rules in question are referable to subject matter provided in Entry 65 and 66, List-I of Union List or Entry 25 of List-III of Concurrent List of the 7th Schedule to the Constitution of India. Therefore, by issuing directions to include CITS as

essential qualification, the Union of India has occupied the field. Therefore, the Rules framed by the State Government providing the CITS as essential qualification is in conflict with the field occupied by the Union of India. Thus, the Rules under challenge framed by the State Government lack legislative competence and are hit by Article 246 (1)/(2) of the Constitution of India.

(ii) Reiterating the submission No.(viii) as noted in the order of this Court dated 10.11.2022, it is submitted that these letters are not relevant since Rules under challenge, i.e. the Rules, 2014 were notified on 30.01.2014. Therefore, the aforesaid letters dated 26.05.2014, 27.05.2014 and 07.01.2016 subsequently issued by the Government of India are not relevant for the purposes of the present controversy. The above referred government letters are not binding. The earlier Government Order dated 24.07.1996 has now been incorporated in the new Rules, i.e. Uttar Pradesh Government Industrial Training Institute (Instructors and Foreman Service) Rules, 2021 notified on 03.01.2022.

SUBMISSIONS ON BEHALF OF RESPONDENTS:-

7. **Sri S.P. Singh, learned Additional Solicitor General of India** submits as under:

(i) As per Article 73 of the Constitution of India, the executive power of the Union of India shall not, save as expressly provided in the Constitution or in any law made by the Parliament extend in any State to matters with respect to which the legislature of the State has also power to make law. Since the Rules, 2014 has been enacted in legislative exercise of power by the State Government, therefore, even if there is any conflict between the executive instructions under Article 73 of the Rules, 2014, still the Rules, 2014 shall prevail. So far as the question of validity of Rules, 2014 is concerned, that is for the State to defend. The letters of the Central Government dated 15.12.2008, 30.09.2010 and 21.03.2018 filed as Annexure CA-1, CA-2 and CA-3 with the counter affidavit of the State-respondents, at best may be said to be referable to Article 73 of the Constitution of India and would bind the State only in the absence of statutory provisions. Since the Rules, 2014 have been enacted, therefore, that shall hold the field and the aforesaid three letters of the Government of India would not come in the way of the Rules, 2014.

8. **Sri Ajeet Singh, learned Additional Advocate General** assisted by Sri Sudhanshu Srivastava submits that he has adopted the submissions of Sri Ashok Khare, learned Senior Advocate as aforenoted. He further submits that the impugned Rules neither lack legislative competence by the State Government in view of Article 309 of the Constitution of India nor it infringes any of the fundamental rights guaranteed under Part-III of the Constitution of India. Therefore, the impugned Rules are wholly valid and the impugned advertisement being in conformity with the Rules, 2014 are also valid. Most of the petitioners have participated in the selection process but after being unsuccessful, they have filed the present writ petition. Therefore, they cannot be permittied to maintain the writ petition. Reliance is placed upon the Division Bench judgment of this Court in Writ Tax

No.760 of 2022 {M/s K. Jain (P) Ltd. vs. Union of India and 4 others (para-24)}.

9. **Sri Ashok Khare**, learned Senior Advocate assisted by Sri Siddharth Khare and Sri Jigar Khare, learned counsels for the newly impleaded respondents/ successful candidates, submits as under:-

(a) Replying to submission No.(i) of learned counsel for the petitioners, it is submitted that the Government Order dated 24.07.1996 issued by the Government of India was the subject matter of consideration in Writ-A No.1822 of 2004, decided on 08.06.2006 and the Special Appeal No.1078 of 2006, decided on 12.10.2006. Therefore, the aforesaid government order dated 24.07.1996 issued by the Government of India has been subsequently superseded by subsequent Government Orders dated 15.12.2008 and 13.09.2010 (Annexure CA-1 and 2 to the counter affidavit filed on behalf of the respondent Nos.8 to 13 in Writ-A No.63110 of 2014). Therefore, neither the Government Order dated 24.07.1996 nor the aforesaid two judgments of this Court have any relevance on facts of the present case. On the contrary, the ratio of decision of the aforesaid two judgments supports the case of the respondents. By aforesaid Government Order dated 15.12.2008 issued by the Government of India, "Passed Principal of Teaching (POT)" course from DGE&T which is equivalent to CITS, has been made **desirable qualification and not essential qualification**. Similarly by aforesaid Government Order dated 30.09.2010, the aforesaid qualification of **CITS has been made desirable qualification** and not the essential qualification. Thus, CITS is not the essential qualification of recruitment in question.

(b) Replying to submission No.(ii) of learned counsel for the petitioners, it is submitted that since CITS/ POT is a desirable qualification in terms of the aforesaid government orders of the Government of India followed by letters dated 21.03.2013 (Annexure CA-3), letter of the Director Training and Employment dated 21.10.2014 (Annexure CA-5), therefore, to give weightage to it, Rule 16(3)(a)(iii) of the Rules, 2014 provides for weightage marks as 15% of the percentage of mark secured in CITS/ POT test to each candidate. Thus, for having the desirable qualification, provision for awarding certain marks as aforesaid have been made in aforesaid sub-Clause (a)(iii) of Rule 16 of the Rules, 2014, notified on 30.01.2013 subsequent to which the impugned advertisement dated 07.11.2014 was issued. Thus, the impugned advertisement is in conformity with the Rules, 2014 and directives issued by the Central Government as existing on the date of enactment of the Rules, 2014 and issuance of impugned Advertisement dated 07.11.2014. It is well settled that selection process has to be completed in accordance with the Rules existing as on the date of advertisement. Reliance is placed upon the judgment in Civil Appeal No.9746 of 2011 (State of Himanchal Pradesh vs. Raj Kumar, decided on 20.05.2022.

(c) Replying to submission No.(iii) of learned counsel for the petitioners, it is submitted that provision providing for marks is exclusively within the domain of the employer. Therefore, submission No.(iii) of the petitioners is contrary to all settled principles of law. The argument of petitioners is based on the presumption as if the government order dated 24.07.1996 is still operating whereas it is a fact evident on record that the said government order does not hold the field inasmuch as it has

been superseded and that apart, the new Rules, 2014 hold the field. For the same reasons, the submission Nos.(iv), (v) and (vi) also do not hold good.

(d) Replying to submission No.(vii) of learned counsel for the petitioners, it is submitted that the argument No.(vii) is based on misreading and mis-interpretation. There is no prohibition providing diploma or degree in mechanical engineering as minimum technical qualification. It does not violate the fundamental rights guaranteed under Article 14 of the Constitution of India.

(e) Replying to the arguments advanced by Sri C.B. Yadav as noted in the order dated 09.11.2022 and also in today's order, it is submitted that the training manual extract of eligibility qualification mentioned in paragraph-8 of the writ petition and filed as Annexure-2 to the writ petition is the part of earlier training manual and not the training manual holding the field. The aforesaid paragraph-8 has been replied in paragraph-8 of the counter affidavit and the relevant extracts of 2014 Training Manual has been filed as Annexure CA-7 which itself discloses that CITS qualification has been specified only as a desirable qualification and not as essential qualification. Thus, Rules, 2014 are in conformity with the training manual published in the year 2014, before the issuance of the impugned advertisement. **The petitioners have made a statement before this Court not to file rejoinder affidavit to the aforesaid counter affidavit.** Therefore, the aforesaid averments made in paragraph-8 of the counter affidavit is liable to be treated as correct. That apart, in paragraph-5 of the rejoinder affidavit dated 13.02.2015 (in reply to the counter affidavit of the State-respondents), the petitioners have stated that Rule 9A(2) read with Column 4 of the Appendix to the Rules, 2014 provides NPC as defined in Rule 2(k) and NAC as defined in Rule 2(l) as essential qualification whereas preferential qualification has been prescribed in Rule 9B read with Column 5 of the Appendix as CITS defined in Rule 2(f) read with Rule 2(e) of the Rules, 2014. Thus, an additional qualification has been prescribed in Rule 9B which is not essential qualification but a preferential qualification. Therefore, to hold a CITS certificate is merely a preferential qualification for which 15% of the marks obtained in CITS has been provided to be added in awarding quality point marks. Rule 17(3) makes this position further clear. NTC and NAC is the essential qualification for taking admission for acquiring the preferential qualification of CITS. Thus, both the qualifications are different. While, the former is the essential qualification, the later is the preferential qualification as provided in Rule 9A and 9B respectively of the Rules, 2014.

10. **Sri G.K. Singh**, learned senior advocate assisted by Sri Avanish Kumar Rai, learned counsel for the respondent Nos.4 to 7 in Writ-A No.63110 of 2014, adopts the arguments advanced by Sri Ashok Khare, learned Senior Advocate.

11. **Sri Inder Raj Singh,** learned counsel for impleadment-applicant in Writ-A No.63110 of 2014 submits that he adopts the arguments advanced by Sri Ashok Khare, learned Senior Advocate. Additionally he submits that Article 309 of the Constitution of India confers power upon the Union of India and the State Government to make subordinate legislation. Since there is no conflict between the Rules, 2014 and any sub-ordinate legislation enacted by the Union of India, therefore, the Rules, 2014 shall hold

the field. The applicant-respondent are all serving as government employee and have also completed the CITS training.

Submissions in Rejoinder by counsels for the petitioners:-

12. **Sri A.N. Tripathi,** learned counsel for the petitioners submits as under:-

(i) Entry 25 of the concurrent list of Schedule 7 is subject to Entries 63, 64, 65 and 66 of List 1. Entry 64(a) of the Union List provides for provisional, vocational or technical training. Entry 66 of the Union List provides for coordination and determination of standards institutions for higher education or research and scientific and technical institutions. **Therefore, Craft Instructor Training Scheme is a matter falling under the Entry 65 and 66 of the Union List. Therefore, executive instructions, i.e. the Government Order dated 24.07.1996** issued by the Government of India **would be binding** upon the State Government under Article 73 of the Constitution of India, in so far as the essential qualification for recruitment on the post of instructors is concerned. **Since Rule 9B does not contain the CITS as essential qualification, therefore, the Rule 9B, Rule 15(3) and Rule 17(3) lack legislative competence inasmsuch the field of legislation is referable to Entries 65-66 and has been occupied by the Union of India by issuance of Executive Order 24.07.1996 under Article 73 of the Constitution of India. This question has already been settled by a learned Single Judge (Paras-21 to 27, 31, 32 and 33) and also by the Division Bench in Special Appeal (paras - at Page 5 and 6**) as referred in the submissions made on 10.11.2022. Therefore, in view of the law settled by this Court, the aforesaid Government Order dated 24.07.1996 is mandatory in nature and the **State Government cannot, by Rules, lower the essential qualification of CITS and make it as a preferential qualification**. The State lacks legislative competence to enact the Rules lowering the essential qualification to lower the essential qualification by CITS. Reliance is also placed upon the Constitution Bench judgment of Hon'ble Supreme court in the case of **Madan Mohan Pathak and another vs. Union of India and others, AIR 1978 SC 803 (Paras 24, 25 and 26),** in which it has been held that mandamus issued by the High Court cannot be nullified by any legislative act.

13. **Sri Ankur Sharma**, learned counsel for the petitioners in Writ-A No.5517 of 2019, 21295 of 2019 and 5345 of 2015 submits in rejoinder as under:

(i) The **letter of the Government of India dated 15.12.2008 does not relate to qualification for recruitment** on the post of Instructors. It provides only "norms for instructor qualification for trades under Craftsman Training Scheme". Therefore, the qualification provided under the executive order of the Government of India dated 15.12.2008 is with respect to a particular scheme i.e. for trade under Craftsman Training Scheme for the purposes of instructor (CA-1). Similarly **subsequent letter of the Government of India** (Annexure-CA-2) relates to instructor qualification for "Advance Module of Multiskilled Courses being implemented in ITIs upgraded COE." **Therefore, the said letter only provides for qualification of instructors specifically only for Advance Module of Multiskilled Courses, which are run by**

ITIs upgraded Centre of Excellence. Therefore, it does not provide qualification for instructors. Thus, it provides for qualification of instructors for a trade course/ module and not for regular courses as are involved in the present writ petition. **The petitioners have not participated in the selection process and have filed writ petition challenging the advertisement itself.**

Discussion and Findings:-

14. Before we proceed to consider the controversy, it would be useful to reproduce the **relied upon Government Orders and Rules,** as under:-

(A) Executive Instructions dated 24.07.1996 issued by Government of India Ministry of Labour (DGE & T), New Delhi providing essential qualification for recruitment on the post of Vocational Instructors:-

श्रम मंत्रालय

MINISTRY OF LABOUR

NO. DGE&T-10(20)/95-CD(रो0 एवं प्र0 महानिदेशालय)

Goverment of India (D.G. E. & T.)
Ministry of Labour नई दिल्ली .110001
(D.G.E. & T.) NEW DELHI-110001
New Delhi, dated 24th July 1996

To,

All the Secretaries of Governments/UT Administrations (Dealing with Craftsman Training Scheme)

Subject: ***To enhance the recruitment qualifications for the post of Vocational Instructor***

Sir,

I am directed to inform you *that the proposal to enhance the recruitment qualifications for post of Vocational Instructor was placed as item No.14 of Agenda during the* ***31st Meeting*** *of the NCVT held on 30-11-95.*

After deliberation the council recommended the following:

The proposal to have two separate streams of Vocational instructors (Vis) one for teaching theory subjects including Workshop Calculation and Science and Engineering Drawing and another for conducting practicals having separate recruitment qualifications and norms, as proposed (as per Annexure-I) was agreed to.

Government of India has accepted, the above recommendation for implementation under CTS. You are requested to take necessary action to amend the Recruitment Rules in respect of V.I.s *(Theory & Practical) accordingly* ***latest by 31.7.97. The recruitment of V.I.s may be done in accordance with the revised Recruitment Rules w.e.f. 1-8-97 onwards****, as approved by NCVT during its above stated meeting.*

These norms are also applicable to private ITIs of your State and they may, therefore, be requested to recruit V.I.s as per revised qualifications w.e.f. 1.8.97 onwards. ***Institute not recruiting V.I.s as per the revised qualifications after 1.8.97 are liable to be de-affiliated*** *for non-engineering trade, status-quo would be maintained.*

Yours faithfully,
Sd-ill

Legislative History of NCVT & Rules:-

15. Prior to the year 1991 the service conditions of the Vocational Instructors were regulated by Government Orders and Administrative Instructions. The Rules of 1991 replaced these orders and provided for amongst other, the qualifications and method of recruitment. Rule 5 of the Rules of 1991 provides for recruitment through U.P. Public Service Commission on the basis of competitive examination and interview. The Rules were amended in 1994 by 1st Amendment to these rules providing for source of recruitment through the Subordinate Services Selection Commission, under the Rules known as U.P. Procedure for Direct Recruitment for Group 'C' Posts (Outside the Purview of U.P. Public Service Commission) Rules, 1998, read with U.P. Procedure for Direct Recruitment to Group 'C' Posts of Technical Nature Or For Which Specific Qualifications are Prescribed (Outside the Purview of the U.P. Public Service Commission), Rules, 2001.

16. The **National Council of Vocational Training (NCVT) was established under the administrative order of the Central Government, with Cabinet approval.** It made recommendations to the Central Government to enhance the qualifications required for the post of Vocational Instructors in Industrial Training Institutes. **The NCVT proposed that for Vocational Instructors teaching, Theory** including Workshop, Calculation, Science and Engineering Drawing, should be possessed apart from the minimum academic qualifications of 10+2 system of education, and three years diploma, in appropriate branch of engineering from recognized institutions and **in addition the teaching qualification namely Certificate under Draft Instructor Training Scheme (one year course)** or should have successfully completed minimum two modules, teaching methodology module (three months duration) (six months duration) under Draft Instructor Training Programme on module pattern, or should have passed one year course from Technical Teachers Training Institute (TTTI) under Ministry of Human Resource Development.

17. **The NCVT further proposed that for Vocational Instructor (Practical)** apart from the academic qualification of 10+2 system of education **the candidate should possess technical qualification of NTC/CAC for Trade; (1)** a certificate under regular draft instructor training scheme of one year duration; or (2) the principles of teaching module in trade not having facilities for instructors training, necessary practical be provided after the appointment within three years; and (3) a minimum of two years experience in an industry or a training/ teaching institution either before or after obtaining instructor training.

18. **The recommendations of NCVT, were accepted by the Central Government and that by letter dated 24.7.1996 of Director General/ Joint Secretary (DGE & I), Ministry of Labour, Government of India, the Central Government, issued directions to all Secretaries of the Government/ UT Administration (dealing with Draftsman Training Scheme), for necessary amendments in recruitment rules by 31.7.1997**. The institutions not recruiting instructors as per revised qualifications after 01.8.1997 were liable to be de-affiliated. **The Central Government extended the period for amending the rules. The last such extension was given upto August, 2001.**

19. The Government of Uttar Pradesh accepted the recommendations and amended the Rules of 1991 by 2nd Amendment notified on 08.8.2003 and advertised the vacancies on 20.8.2003 inviting applications from the candidates possessing the higher teachers training qualifications provided in the amended rules. The petitioners in writ petition No. 1822 of 2004 applied for these vacancies in pursuance of the advertisement. The State Government by a notice in the newspapers on 29.9,2003 by the Director, Vocational Training, cancelled the advertisement.

20. **The State Government, then, amended the Rules of 1991 again by 3rd Amendment to the Rules of 1991 notified on 09.12.2003, deleting enhanced teaching qualifications, directed by the Central Government on recommendations of the National Council of Vocational Training**. A fresh advertisement was issued on 13.12.2003 inviting applications for 742 vacancies of Instructors existing in ITI's in 34 Trades.

21. **Constitutional Validity of the** aforesaid **Third Amendment Rules** was challenged in the case of **Upendra Narain Singh (supra)** and it was struck down holding as under:-

"21. The short point for determination in these writ petitions is ***whether the directions issued by the Central Government on the recommendations of NCVT are mandatory and are binding upon the State Government, which has the powers under proviso toArticle 309to frame service rules subject to the provisions of the Constitution and acts of appropriate legislature*** *and further having acted upon these recommendation whether the State Government could have again amended the Rules of 1991 to lower these qualifications arbitrarily without a valid and justiciable reason. In all the judgments cited by Shri A.N. Tripathi, learned Counsel for the petitioners, the Supreme Court was dealing with recommendations made by statutory bodies namely Medical Council of India, established underMedical Council of India Act, 1956 and the National Council of Teachers Education Act, established under the Act of 1993. In Ajay Kumar Singh (Supra) the Supreme Court considered the regulation of admission to postgraduate medical courses by Medical Council of India providing for reservation for SC/ ST etc. and found that theMedical Council Actdoes not empower the council to regulate or prescribe qualifications for admission to postgraduate courses. However, by virtue of Entry 66 of List I, which overrides Entry 25 of List III, the States are denuded of all and every power to determine and coordinate the standards of higher education, which must necessarily take in, regulating the admission to these courses. The regulations do not provide for any reservation and the regulations being a species of delegated legislation bind all the institutions imparting medical education.*

22. In Dr. Preeti Srivastava (Supra) it was held that universities must necessarily be guided by the standards underSection 70(1)of the Medical Council of India, if their degrees and diplomas are to be recognized, It was found that Medical Council regulations have statutory force and are mandatory.The Actcontemplates Medical Council of India as an expert body to control the minimum standards of education. This view was reiterated in Harish Verma's case (Supra) in 2003.In Union of India v. Shah Goverdhan L. Kabra Teachers College (Supra) the Supreme Court upheld the legislative competence of the Central Government to enact National Council for Teachers Education Act, 1993 and held that the opinion of the National Council, which is an expert body should not be likely tinkered with. The High Court's order setting aside de-recognition was quashed. In St. Johns Teachers Training Institute (Supra) the same view was followed with regard to recognition for the courses by the National Council for Teachers Education and the regulations were held an ultra vires the Act.

23. ***The National Council of Vocational Training has not been established under any statute.*** *Entry 25 in List III (concurrent list) of Schedule 7, as amended by 42ndAmendment Act, 1976 deals with education including technical education, medical education in universities, subject to provision of Entry 63, 64, 65 and 66 of List-I; vocational and technical training of labour. Entry 65 and 66 of List I of Schedule VII refers to union agencies and institutions for professional, vocational and teachers training and coordination and determination of*

standards in institutions for higher education or research and scientific and technical institutions.Article 73, empowers the Central Government to exercise executive powers in the matters with respect to which the Parliament has powers to make laws. Entry 65 and 66 of List I reads as follows:

"65. Union agencies and institutions for-

(a) ***professional, vocational or technical training****, including the training of police officers; or*

(b) the promotion of special studies or research; or

(c) scientific or technical assistance in the investigation or detection of crime.

66. Co-ordination and determination of standards in institutions for *higher education or research and scientific and* ***technical institutions."***

24. Shri Ashok Khare, learned Senior Advocate did not dispute that coordination and determination of standards in technical institutions in Entry 66 in List I of Schedule VII will include laying down the standards for teaching and teaching qualifications. The power of the Central Government as such underArticle 246to legislate and to issue executive orders on the subject is not in doubt. The point, however, is whether in the absence of legislation, the administrative order made underArticle 73of the Constitution of India on the subject would still be binding on the State Government. The executive power of the union underArticle 73extends to matters with respect to which parliament has power to make laws. In the absence of legislation by parliament, the State may in its executive power deal with matters enumerated in concurrent list. Specific legislation is not required for exercise of executive power relating to a particular subject and that in many spheres the executive functions by exercising executive power. The exercise of power, however, is subject to provisions of the Constitution.Article 309provides for regulating the recruitment in conditions of service of the persons appointed in public services and posts in connection with the affairs of the union or any of the state, until provision in that behalf are made by the legislation. The President in the case of the Union and the Governor in case of the State have been authorized to make regulations, which are legislative in character.Article 309does not prohibit the prescription of rules for selection or for qualification for appointment. (Pandu Ranga Rao v. A.P. Public Service Commission, AIR 1993 SC 268).

25. In the present case there is no conflict between power exercised by the Governor, who acts on the advise of the State Government in making service rules or regulations under the proviso toArticle 309of the Constitution and the executive order issued by the Central Government. The coordination and determination of standards in technical education, which includes teachers' qualification, fall under Entry 66 in List I in the exclusive domain of the Union. The education including technical education falls within Entry 25 of List III, So long as Central Government had not issued any direction accepting recommendations of the NCVT, it was open to the State Government to prescribe qualification for appointment in Industrial Training Institutes, which are technical institutions. The executive order issued underArticle 73, in respect of matters on which parliament has exclusive power to make laws have the same force as laws made by Parliament. *The proviso to Clause (1) ofArticle 73shall not, save as expressly provided in the Constitution, or in any law made by parliament, extend in*

any state to matters with respect to which the Legislature of the State has also power to make laws.

26. The interrelation between Entry 25 of List III and Entry 66 of List I was subject matter of consideration inUnion of India v. Shah Goverdhan L. Kabra Teachers College. The Supreme Court held as under:

Bearing in mind the aforesaid principles of rule of construction, if the provisions of the impugned statute namely, theNational Council of Teacher Education Act, 1993 are examined and more particularlySection 17(4)thereof which we have already extracted, the conclusion is irresistible that the statute is one squarely dealing with coordination and determination of standards in institutions for higher education within the meaning of Entry 66 of List I of the Seventh Schedule. ***Both Entries 65 and 66 of List I empower the Central Legislature to secure the standards of research and the standards of higher education. The object being that the same standards are not lowered at the hands of the particular State or States to the detriment of the national progress and the power of the State legislature must be so exercised as not to directly encroach upon power of Union under Entry 66. The power to co-ordinate*** *does not mean merely the power to evaluate but it* ***means to harmonise or secure relationship for concerted action. A legislation made for the purpose of co-ordination of standards of higher education is essentially a legislation by the Central legislature in exercise of its competence under Entry 66 of List 1 of the Seventh Schedule*** *and Sub-section (4) ofSection 17merely provides the consequences if an institutions offers a course or training in teacher education in contravention of the Act though the ultimate consequences under Sub-section (4) ofSection 17may be that unqualified teacher will not be entitled to get an employment under the State or Central Government or in a university or in a college. But by no stretch of imagination the said provision can be construed to mean a law dealing with employment as has been held by the High Court in the impugned Judgment.*

In our considered opinion, the High Court committed gross error in construing the provisions of Sub-section (4) ofSection 17of the Act to men that it is a legislation dealing with recruitment and conditions of services of persons in the State service within the meaning of Proviso toArticle 309of the Constitution. The High Court committed the aforesaid error by examining the provisions of Sub-section (4) on its plain terms without trying to examine the true character of the enactment which has to be done by examining the enactment as a whole, its object and scope and effect of the provisions. Even the High Court does not appear to have applied the doctrine of "pith and substance" and, thus, committed the error in interpreting the provisions of Sub-section (4) ofSection 17to mean to be a provision dealing with conditions of service of an employee under the State Government.

32. I find substance in the submissions of Shri A.N. Tripathi. The State Government having acted upon the directions of the Central Government and amended the rules, was not competent to again amend the rules lowering the higher teaching qualifications and making them preferential. The State Government rightly understood its legal obligations and the constitutional scheme. Having accepted the position, the State Government acted grossly illegally and arbitrarily in amending the rules by the 3rd Amendment, in violation ofArticle 14and16of the Constitution, The Court takes judicial

notice of the fact in the State of U.P. the teaching standards in all the educational institutions are falling gradually. In order to improve these standards, the national level teaching institutions have been established offering higher teaching qualifications and the Central Government is insisting the State Government to appoint only such teachers, who have higher and specific teaching qualifications. The candidates possessing such higher teaching qualifications have legitimate expectation to be considered for appointment on teaching posts. In case the State Government allows the persons having lower teaching qualifications to hold the posts, the rights of candidates having higher teaching qualifications will be violated. It will give rise to invidious discrimination and violate their constitutional right of equality before law.

33. The amendment in Rule 8 by the U.P. Industrial Training Institute (Instructor) (3rd Amendment) Service Rules, 2003, is thus held to be violative to the Constitutional Scheme of distribution of legislative powers, as also Article 14 and16of the Constitution of India. The writ petitions challenging the advertisement dated 13.12.2003 are thus liable to be allowed and the advertisement dated 13.12.2003 is consequently quashed.

34. The State Government is directed, in addition, and in modification to the direction issued by Lucknow Bench of this Court in its judgment and order dated 05.3.2003, in writ petition No. 6565 (SS) of 2001,Kalyan Rai v. State of U.P. and Ors. to advertise, hold and complete the selection process on all the vacancies within a period of four months from the date of delivery of this judgment. Now since directions have to be issued for fresh advertisement for these vacancies and all those vacancies, which may have arisen subsequently, the rights of those candidates, who have obtained these higher/ teaching qualifications as recommended by the Central Government and provided in the rules by the 2nd Amendment to the Rules of 1991, on 08.08.2003 cannot be ignored. It is as such further directed that all those candidates, who have obtained qualifications upto the date of fresh advertisement shall also be considered for selections and that all those candidates, who were within the age limit on the last date of receiving application in pursuance of advertisement dated 20.8.2003, shall also be eligible to apply for selections in pursuance of the fresh advertisement.

35. All the writ petitions except writ petition No. 13724 of 2006 are allowed. The writ petition No. 13724 of 2006 is dismissed. The successful petitioners are entitled for cost from the State."

22. The aforesaid judgment in the case of **Upendra Narain Singh (supra)** was challenged in **Special Appeal No.1078 of 2006 (Pawan Kumar Sagar and others vs. State of U.P. and others)** and by **judgment dated 12.10.2006**, the Division Bench upheld the aforequoted judgment of learned Single Judge after noticing Entry 66 of List-I and Entry 25 of List-III of the 7th Schedule, observing as under:

"There cannot be any two opinions about what the essentiality qualification of a training Instructor in a Government Industrial Training Institute actually is. It has everything to do with the standard of a technical institution; that is the main and guiding factor. No doubt it is also a qualification, necessary for obtaining service, but service is not the main factor. Also it is much more relatable to Entry 66 rather than Entry 25 which contains

vocational and technical training of labour. The reason for our concluding to this effect is that the Training Instructors should be looked upon more, and much more, as those entrusted with the responsibilities of maintaining the standard of instruction rather than merely as part of a labour force. Even in a List III matter, the central exercise of power would prevail, on the principles akin to those contained in Article 254, as Presidential assent thereof.

On this basis it would not be right to permit the State of U.P. to make out a different standard for this State alone within India and to have Instructors who do not have the required advanced training. A State is not permitted in an all India matter lo cut out a pocket for itself and suit its own needs even if it might be practical and of benefit to some powerful sections. The necessity of maintaining technical standard specially in, current the days, falling standards has been emphasised by the Hon'ble Singe Judge and we would respectfully repeat the sentiments of Ourselves also."

23. Thereafter, the U.P. Service Rules, 2014 was enacted by the State Government in exercise of powers conferred by the proviso to Article 309 of the Constitution of India

24. **Rule 3(e), 3(f), 3(g), 3(i), 3(j), 3(k), 3(l), 3(s), 3(t), Rule 4, 7, 8, 9, 16, 17 and Appendix (in part only upto Sl. No.12) of the U.P. Rules, 2014**, are reproduced below:-

"3(e) "Crafts Instructor Training Scheme (CITS)' means the training scheme of the National Council for Vocational Training (NCVT) for preparing trained Instructors for Industrial Training Institutes.

3(f) "CITS Certificate' f*or a trade means a* ***certificate awarded by NCVT upon successful completion of one year training*** *under the CTTS or in case of modular pattern the combined certificate awarded by NCVT upon successful completion of all the prescribed modules*

3(g) "Government' means the State Government of Uttar Pradesh;

3(i) "'member of the service' means a person substantively appointed under these rules or the rules or orders in force prior to the commencement of these rules to a post in the cadre of the service,

3(j) "National Council for Vocational Training ***(NCVT)' means the council set up by Director General of Employment and Training (DGET). Government of India for regulating the vocational training throughout India:***

3(k) National Trade Certificate (NTC) in a trade means the certificate awarded by the NCVT upon successfully passing the All India Trade Test in that trade. For a candidate who has undergone training in any sector under the Centre of Excellence Scheme, certificates awarded by NCVT upon successful completion for all the three modules, namely Broad Based Basic Training, Advanced Module and the Specialized Module, together, shall constitute the National Trade Certificate for the purpose of these rules;

3(l) National Apprenticeship Certificate (NAC) in a trade means the certificate awarded by the NCVT upon successfully passing the National Apprenticeship Test;

3(n) "Principles of Teaching (POT) Certificate' means the certificate awarded by NCVT upon successful completion of the relevant training or the completion of the module on Training Methodology under the modular pattern of CITS.

3(s) "Trade' means a vocation or occupation which is notified by the National Council for Vocational Training or the State Council for Vocational Training in Industrial Training Institutes under the Craftsmen Training Scheme;

3(t) "year of recruitment' means a period of twelve months commencing on the first day of July of a calendar year.

Part-III
Cadre

4. (1) All posts of Instructors for various Trades/Subjects in which Training/Instructions are provided in Industrial Training Institutes shall together constitute the Cadre of Service.

(2) The number of posts of Instructors for various Trades/Subjects in the service shall be such as may be determined by the Government from time to time.

(3) The number of posts of Instructors for various Trades Subjects in the service shall, until orders varying the same are passed under sub-rule (2), be as given in column 3 of the Appendix.

Provided that:-

(i) the appointing authority may leave unfilled or the Governor may hold in abeyance any vacant post, without, thereby entitling any person to compensation;

(ii) the Governor may create such additional permanent or temporary posts as he may consider proper.

Part-IV
Qualification

7. A candidate for recruitment to a post in the Service must be

(a) citizen of India; or

(b) Tibetan refuge who came over to India before the 1st January, 1962 with the intention of permanently settling in India; or

c) a person of Indian origin who has migrated from Pakistan, Burma, Sri Lanka or any of the East African countries of Kenya, Uganda and the United Republic of Tanzania (formerly Tanganyika and Zanzibar) with the intention of permanently settling in lndia:

Provided that a candidate belonging to category (b) or (c) above must be a person in whose favour a certificate of eligibility has been issued by the State Government;

Provided further that a candidate belonging to category (b) will also be required to obtain a certificate of eligibility granted by the Deputy Inspector Genural of Police, Intelligence Branch, Uttar Pradesh;

Provided also that if a candidate belongs to category (c) above, no certificate of eligibility will be issued for a period of more than one year and the retention of such a candidate in service beyond a period of one year, shall be subject to his acquiring Indian citizenship.

NOTE-A candidate in whose case a certificate of eligibility is necessary but the same has neither been issued nor refused, may be admitted to an examination or interview and he may also be provisionally appointed subject to the necessary certificate being obtained by him or issued in his favour.

8. A candidate for recruitment to the post of Instructor in the service must have attained the ***age of*** *21 years and must not have attained the age of more than 40 years on the first day of July of the calendar year in which vacancies for recruitment are advertised:*

Provided that the upper age limit in the case of candidates belonging to the Scheduled Castes, Scheduled Tribes and such other categories as may be notified by

the Government from time to time shall be greater by such number of years as may be specified.

***9. (A)** A candidate for recruitment to the post of Instructor in the service must possess the following qualifications:*

(1) Must have passed the High School Examination of the Board of High School and Intermediate Education, Uttar Pradesh or an Examination recognised by the Government as equivalent thereto;

(2) Must possess the technical qualifications for different trades/subjects as prescribed in column 4 of the Appendix.

***(B)** Should **possess the preferential qualification t**o provide training/teaching in relevant trades/subjects as prescribed for different trades/subjects in column 5 of the Appendix.*

Provided that the candidates who do not possess the preferential qualification as prescribed for different trades/subjects in column 5 of the Appendix, shall also be considered for selection and if selected, they shall be required to obtain the said qualification in the prescribed period as per rule 17(3).

15. (1) Subject to the provisions of sub-rules (2) and (3), of this rule the appointing authority shall determine the number of vacancies to be filled during the course of the year of recruitment as also the number of vacancies to be reserved for candidates belonging to Scheduled Castes, Scheduled Tribes, and other categories under rule 6. For making direct recruitment the appointing authority shall notify the vacancies in the following manner:-

(i) by issuing advertisement in at least two daily newspapers having wide circulation and in Employment News paper,

(ii) by pasting the notice on the notice board of the Directorate and subordinate offices

(iii) by notifying vacancies to the Employment Exchange, and

(iv) by publishing the notice on the website of the office of the appointing authority.

(2) The posts of Instructors for a trade/subject shall be filled from amongst candidates from two streams, namely (i) National Trade Certificate/ National Apprenticeship Certificate holders, and (ii) Diploma/ Degree holders in the proportion laid down in column 4 of the Appendix.

(3) The number of vacancies of the post of the Instructor for each trade/subject shall be determined separately for posts which are to be filled from amongst National Trade Certificate/National Apprenticeship Certificate holder candidates and which are to be filled from amongst Diploma or Degree holder candidates, in the proportion as laid down in the column 4 of the Appendix:

Provided that if in any trade/ subject the existing strength of Instructors from any stream is in excess of the proportion laid down for that stream, the said proportion shall be gradually achieved by adjusting such excess numbers in future recruitments, without affecting the incumbents:

Provided further that the sum of the vacancies for both the streams shall not exceed the total number of vacancies for that trade/ subject.

16. (1) Direct recruitment shall be made by a Selection Committee comprising:-

Procedure for direct recruitment

(i)Appointing Authority Chairman

(ii)An officer belonging to the Scheduled Castes or Scheduled Tribes,

nominated by the Chairman, if the Chairman does not belong to Scheduled Castes or Scheduled Tribes. If the Chairman belongs to the Scheduled Castes or Scheduled Tribes an officer other than belonging to the Scheduled Castes or Scheduled Tribes, or Other Backward Classes shall be nominated by the Chairman.

Member

(iii)

An officer belonging to the Other Backward Classes nominated by the Chairman, if the Chairman does not belong to Other Backward Classes. If the Chairman belongs to the Other Backward Classes, an officer other than belonging to Other Backward Classes or Scheduled Castes or Scheduled Tribes shall be nominated by the Chairman.

Member

(iv)

Two officers as subject experts nominated by the appointing authority

Members

NOTE - The appointing authority may, on his behalf. nominate an officer senior to other members as Chairman of the Selection Committee and he may constitute more than one Selection Committee for holding interview only.

(2) Applications for being considered for selection shall be invited by the appointing authority in the form published in the advertisement issued under rule 15.

(3) In making selection for direct recruitment, the merit list of the eligible candidates shall be prepared in the following manner:-

(a) For academic qualifications prescribed for the post, the marks shall be awarded to each candidate in the following manner:

(i) Fifty percent of the percentage of marks secured in the High School Examination shall be given to each candidate.

(ii) Twenty percent of the percentage of marks secured in the National Trade Certificate Test /National Apprenticeship Certificate Test shall be given to each candidate,

Or

***Twenty percent** of the percentage of marks, secured in Diploma or Degree Examination shall be given to each candidate.*

(iii) Fifteen percent of the percentage of the marks secured in CITS/POT test shall be given to each candidate.

(b) (i) After the results of the evaluations under clause (a) have been received and tabulated, the Selection Committee shall hold an interview. If the applications received are large in numbers, then in such situation the number of candidates to be called for interview shall be four times the number of vacancies. For this purpose the merit list of candidates shall be prepared separately on the basis of aggregate of marks obtained by them under clause (a).

(ii) The interview shall carry one hundred marks Fifteen percent of the marks obtained at the interview shall be given to each candidate

(4) The marks obtained by each candidate under clause (a) of sub-rule (3) shall be added to the marks obtained by him under clause (b) of sub-rule (3). The final select list shall be prepared on the basis of aggregate of marks so arrived. If two or more candidates obtain equal marks in the aggregate, the candidate obtaining higher marks under clause (a) of sub-rule (3) shall be placed higher in the select list. In case two or more candidates obtain equal marks under clause (a) of sub-rule

(3) also, the candidate senior in age shall be placed higher in the select list.

(5) The select list referred to in sub-rule (4) shall be forwarded to the appointing authority.

PART-VI

Appointment, Probation, Confirmation and Seniority

17. (1) Subject to the provisions of sub-rule (3) of this rule, the appointing authority shall make appointment by taking the names of candidates in the order in which they stand in the list prepared under rule 16.

(2) If more than one order of appointment are issued in respect of any one selection, a combined order shall also be issued, mentioning the names of the persons in order of seniority as determined in the selection.

(3) The appointed persons will have to complete the CITS/POT and CCC Courses referred to in column 5 of the Appendix and obtain the requisite Certificates at their own expenses within three years from the date of joining *and leave shall be granted to them for the said period.* ***If a person is unable to complete the same due to reasons beyond his control, he shall be allowed one more year to complete the said. courses***

If a person is unable to obtain CITS/POT and CCC certificates within the prescribed period as mentioned in above, he shall not be allowed his first increment.

APPENDIX

[See rules 4 and 9]

Technical qualifications for the post of Instructor for different trades/ subjects shall be as follows:

Serial No.	***Trade/ Subjects***	***Total Sanctioned posts***	***Minimum Technical Qualifications***	***Preferential Qualification to provide training / teaching in the relevant trades***
1	***2***	***3***	***4***	***5***
1	Fitter	287	(1) 50% posts in each trade to be filled from amongst candidates having National Trade Certificate (NTC) in the relevant trade OR National Apprenticeship Certificate (NAC) in the relevant trade. (2) 50% posts in each trade to be filled from amongst	Certificate under one year Craft Instructor Training Scheme (CITS) in the relevant trade and Certificate in Course on Computer Concepts (CCC) from NIELIT (Formerly DOEACC Society
2	Welder (Gas & Electric)	194		
3	Sheet Metal Worker	13		
4	Turner	216		
5	Machinist	137		
6	Machinist (Grinder)	19		
7	Mechanic Machine Tools Maintenance	02		
8	Foundryman	13		

9	Tool & Die Maker (Dies & Moulds)	06	the candidates having Diploma in Mechanical Engineering from the Board of Technical Education, Uttar Pradesh or equivalent OR Degree in Mechanical Engineering from recognised Institute/ University.	of India) or from other equivalent recognised Institution.
10	Tool & Die Maker (Press Tools, Jigs & Fixtures)	07		
11	Carpenter	10		
12	Plumber	38	(1) 50% posts to be filled from amongst the candidates having National Trade Certificate (NTC) in the relevant trade OR National Apprenticeship Certificate (NAC) in the relevant trade. (2) 50% posts to be filled from amongst the candidates having Diploma in Civil/ Mechanical Engineering from the Board of Technical Education, Uttar Pradesh or equivalent OR Degree in Civil/ Mechanical Engineering from a recognised Institute/ University.	Certificate of Training Methodology/Principles of Teaching Module (POT) under Craft Instructor Training Scheme (CITS) and Certificate in Course on Computer Concepts (CCC) from NIELIT (Formerly DOEACC Society of India) or from other equivalent recognised Institution.

"

Constitutional Provisions and Legislative Fields:-

25. **Entry 65(a) and Entry 66 of List-I, Union List and Entry 25 of List-III, Concurrent List,** of the VIIth Schedule to the Constitution of India read as under:

*"**65. Union agencies and institutions for-***

*(a) **professional, vocational or technical training,** including the training of police officers; or*

***66. Co-ordination and determination of standards in institutions for** higher education or research and scientific and technical institutions.*

***25 .** Education, including technical education, medical education and universities, subject to the provisions of entries 63, 64, 65 and 66 of List I; vocational and technical training of labour."*

26. Perusal of aforequoted entries reveal that Entries 65 and 66 of List-I and Entry 25 of List-III operate in different fields. The field of legislation on the subject of Co-ordination and determination of standards in technical institutions for higher education or research and scientific and technical institutions, is specifically assigned to the Parliament. Technical education includes teachers' qualification which squarely falls under Entry 66 of List-I in the exclusive domain of the Union. Entry 25 of List-III is subject to provisions of Entry 66 of List-I. Therefore, so long as the Central Government has not issued any directions or has not enacted a law with respect to coordination and determination of standards in technical education, it shall be open to the State Government to prescribe qualifications for appointment in Industrial Training Institutes which are technical institutions. Since, in the the present set of facts, the standards in technical education which includes the prescribing of qualification for appointment in Industrial Training Institutions has been occupied by the Union of India by issuing Executive Orders dated 24.07.1996, 15.12.2008 and 30.09.2010 exercising the executive power vested in it by virtue of Article 73 of the Constitution of India, therefore, the Rules framed by the State Government has to be in conformity with the aforesaid executive orders. It is well settled that executive orders issued under Article 73 on matters on which Parliament has exclusive power to make laws, have the same force as laws made by Parliament.

27. Article 73 of the Constitution of India provides that subject to the provisions of the Constitution, the executive power of the Union of India shall extend inter alia to the matters with respect to which Parliament has power to make laws. Thus, in the absence anything to the contrary, the executive power of the Union is co-extensive with legislative power of the Parliament. Since there is neither any contrary legislation by Parliament on the subject in question referable to Entry-66, List-I nor subject matter of executive instruction in question has been assigned by the Constitution to other authorities or bodies nor it encroaches upon legal rights of any member of the public, therefore, the executive instructions dated 15.12.2008, 30.09.2010 and 21.03.2013 issued by the Government of India exercising the powers under Article 73 of the Constitution of India, shall hold the field.

28. In the case of **Preeti Srivastava vs. State of M.P., (1999) 7 SCC 120**, a

Constitution Bench of Hon'ble Supreme Court dealt with the State competence under List-III Entry 25 to control or regulate higher eduction which is subject to standards laid down by the Union of India, and held that both the Union as well as States have the power to legislate on education/ medical education subject, inter alia, to Entry 66 of List-I which deals with laying down standards in institutions for higher education or research and scientific and technical institutions. **Thus, State has the right to control education including medical education so long as the field is not occupied by any Union Legislation but the State cannot, while controlling education in the State, impinge on standards in institutions** for higher education or research and scientific and technical institutions which is exclusively within the domain of the Parliament. Similar view was taken by Hon'ble Supreme Court in the case of **Annamali University vs. Secretary to Government Information and Tourism Department, (2009) 4 SCC 590 and Kalyani Mathivanan vs K V Keyaraj And Ors, (2015) 6 SCC 363 (paras 50 to 53) and State of Tamilnadu and another vs. Adhiyaman Educational & Research Institute and others, (1995) 4 SCC 104 (Para-12).**

29. In the case of **R. Chitralekha and another vs. State of Mysore and others, (1964) 6 SCR 368 : AIR 1964 SC 1823 (para-39),** a Constitution Bench of Hon'ble Supreme Court reiterated the similar principles with reference to Article 162 of the of the Constitution of India, relating to States' executive power and held, as under:

"Again, here what we have is not a State law but merely what is claimed to be an -executive fiat. It is true that Article 162 says that the executive power of the State is co-extensive with the power of the legislature to legislate and this Court has held in Rai Sahib Ram Jawaya Kapur & Ors. v. The State of Punjab, (1995) 2 SCR 225 that the power of the State is not confined to matters over which legislation has already been passed. But neither Article 162 nor the decision of this Court goes so far as to hold that the State's power can be exercised in derogation of a law made by a competent legislature. On the other hand the Court appears to have approved of the view taken by two learned Judges of the Allahabad High Court in Motilal v. The Government of the State of Uttar Pradesh, AIR 1951 Allahabad 257 (FB) that an act would be within the executive power of the State if -it is not an act which has been assigned by the Constitution to other authorities or bodies and is not contrary to the provisions of any law and does not encroach on the legal rights of any member of the public. Here we have the Mysore University Act, Section 23 of which provides that the Academic Council shall have power to prescribe the conditions for admission of students to the University. Now since a competent legislature has conferred this power on a particular body the State cannot encroach upon that power by its executive act. Thus this is a case where there is not merely an absence of legislative sanction to the action of the State but there is an implied limitation on its executive power in regard to this matter."

30. **The object of providing same standards in all technical educational institutions in the country for appointment in Industrial Training Institutes, is to maintain uniform standard which may not be lowered by any particular State or States to the**

detrimental of national progress. The power of coordination as provided in Entry-66 of List-I does not mean merely the power to evaluate but it also means to harmonise or secure relationship for concerted action. Therefore, a legislation made for the purpose of co-ordination and determination of standards in institutions for higher education or research in scientific and technical institutions, is essentially a legislation in the field reserved for Union under Entry 66 of List-I, Union List of the VIIth Schedule to the Constitution of India. Therefore, executive orders dated 24.07.1996, 15.12.2008 and 30.09.2010 are well within the executive powers of the Government of India under Article 73 of the Constitution of India, on the subject matter referable to Entry 66.

Essential and Preferential Qualification (CITS) under Rules/ Executive Orders:-

31. The Rules, 1991 as amended by the IInd Amendment Rules notified on 08.08.2003 incorporating the academic qualification of vocational instructors provided by the executive order dated 24.07.1996, are the Service Rules enacted by the State Government in exercise of powers under the proviso to Article 309 of the Constitution of India. Since, subsequently by the Third Amendment to the U.P. Rules, 1991 notified on 09.12.2003, the essential qualification of CITS for the post of instructors was lowered as opposed to the G.O. dated 24.07.1996 then holding the field, therefore, a learned Single Judge of this Court in the case of **Upendra Narain Singh (supra)** held the Third Amendment to the U.P. Rules, 1991 as ultra vires, which was affirmed by the Division Bench in Special Appeal in the case of **Pawan Kumar Sagar (supra)**. Thus, the qualification for the post of instructors was governed by the G.O. dated 24.07.1996 till the issuance of the G.Os. dated 15.12.2008 and 30.09.2010.

32. In its 37th Meeting the NCVT under the Chairmanship of Hon'ble Minister of State for Labour and Employment (IC) held on 23rd November, 2008, resolved and approved norms for instructor qualification for trades under Craftsman Training Scheme vide Agenda Item Nos.3 and 4. The qualification so approved by NCVT, has been reproduced in paragraph-2 of the aforequoted executive order dated 15.12.2008. The recommendation of the NCVT was accepted by the Government of India vide para-3 of the aforequoted executive order dated 15.12.2008. Subsequently, in its 38th Meeting, the NCVT under the Chairmanship of Hon'ble Minister of State for Labour and Employment held on 31.05.2010 resolved/ recommended qualification for instructor of "Advance Module of Multiskilled Courses being implemented in ITIs upgraded COE," which have been extracted in the aforequoted executive order of the Government of India dated 30.09.2010, which was accepted by the Government of India and a direction was issued to implement it. It appears that subsequently, vide DO letter No.614/PSTV/2013 dated 15.02.2013, the State Government had requested for review of the aforequoted executive instructions. **The Government of India vide aforequoted D.O. letter dated 21.03.2013 informed** that after due consideration of the demands of the labour market and industry, the qualification for ITI instructors was determined. However, it provided that **those instructors who were**

working, may complete the CITS within three years. It was concluded that there is no need for review of the qualification recommended by the NCVT as prescribed by the aforesaid executive orders. Consequently, the Government of India has required the States to amend the State Rules and accordingly to fill up vacancies. Thereafter, the State Government has enacted the impugned U.P. Service Rules, 2014 incorporating the academic qualification of instructuors as determined by the aforesaid two executive orders of the Government of India dated 15.12.2008, 30.09.2010 and the letter dated 21.03.2013. Thus, the impugned provisions of the U.P. Service Rules, 2014 are not in conflict with the executive orders issued by the Government of India dated 15.12.2008 and 30.09.2010 read with the letter dated 21.03.2013 which in fact have superseded the executive order dated 24.07.1996. Thus, the judgment of Hon'ble Single Judge in the case of **Upendra Narain Singh (supra)** as affirmed by the Division Bench in the case of **Pawan Kumar Sagar and others (supra)** are of no help to the petitioners in the changed circumstances.

33. **Rule 3(j)** of the U.P. Service Rules, 2014, itself defines the words **"National Council for Vocational Training (NCVT)"** to mean the Council set up by Director General of Employment and Training (DGE&T), Government of India **for regulating the vocational training throughout India.** The word "**CITS Certificate**' for a trade has been defined in Rule 3(f), means a certificate issued/ awarded by NCVT upon successful completion of one year training under the CTTS or in case of modular pattern the combined certificate awarded by NCVT upon successful completion of all the prescribed modules. The word "**Trade**' has been defined in **Rule 2(s)** of the U.P. Service Rules, 2014. The words ""**Crafts Instructor Training Scheme (CITS)**" have been defined under Rule 3(e) to mean the training scheme of the **National Council for Vocational Training (NCVT) for preparing trained Instructors for Industrial Training Institutes. Thus, CITS certificate is a certificate of training granted by the NCVT for preparing trained instructors for Industrial Training Institutes, upon completion of one year training under the CITS or in case of modular pattern, the combined certificate awarded by NCVT upon successful completion of all the prescribed modules. The NCVT has been created by the Government of India for regulating the vocational training throughout India.**

34. Rule 9(A) provides for essential qualifications of candidates for recruitment to the post of instructors. As per Rule 9(B), a candidate should possess the preferential qualification to provide training/ teaching in relevant trades/ subjects as prescribed for different trades/ subjects in column-5 of the Appendix. Column-5 of the Appendix to Rule 9 of the U.P. Service Rules, 2014 provides preferential qualification of one year certificate of CITS in the relevant trade and CCC certificate from NIELIT, for trades at Sl. No.1 to 11. The aforequoted executive order of the Government of India dated 15.12.2008 provides POT certificate as a desirable qualification for appointment of vocational instructors in ITIs/ ITCs for trades under CTS as approved by the Council. The executive order dated 30.09.2010 prescribes qualification of candidates for the post of instructor for Advance Module of Multiskilled Courses

implemented in ITIs upgraded as COE, which includes "Pass NCVT approved Training Methodology Module of Craft Instructor Programme" as a desirable qualification. The word "POT" has been defined in Rule 3(n) of the U.P. Service Rules, 2014 to mean the certificate awarded by the NCVT upon successful completion of relevant training or the completion of the module on Training Methodology under the modular pattern of CITS. Thus, CITS certificate has been made a desirable qualification as per aforequoted executive orders dated 15.12.2008 and 30.09.2010 which have been incorporated in Rule 9(B) and Rule 15(3) of the U.P. Service Rules, 2014.

35. The proviso to Rule 9(B) of the U.P. Service Rules, 2014 provides that the candidates who do not possess the preferential qualification as prescribed for different trades/ subjects in Column-5 of the Appendix shall also be considered for selection and if selected, they shall be required to obtain the said qualification in the prescribed period as per Rule 17(3). The proviso to Rule 9(B) and Rule 17(3) are in fact the incorporation of last paragraph of the executive order of the Government of India dated 30.09.2010 and executive order dated 15.12.2008 as reiterated by the letter of the Government of India dated 21.03.2013, as under:

"..... इस सम्बन्ध में सूचित करना है कि राष्ट्रीय व्यावसायिक प्रशिक्षण परिषद् की बैठकों मे सम्यक् विचारोंपरांत तथा श्रम बाजार एवं उद्योग की मांगो को ध्यान में रखते हुए आई.टी.आई. अनुदेशकों के पद हेतु डिप्लोमा/डिग्रीधारक की अर्हता निर्धारित की गयी है। उसमें यह भी प्रावधान किया गया है कि आई0 टी0 आई0 अनुदेशकों के पद पर भर्ती डिप्लोमा/डिग्रीधारकों को कार्यभार ग्रहण करने की दिनांक से तीन वर्ष की अवधि के भीतर डीजीईटी के एडवांस्ड प्रशिक्षण संस्थाओं से शिल्प अनुदेशक प्रशिक्षण योजना (सी.आई.टी.एस.) के अंतर्गत प्रशिक्षित किया जा सकता है जिससे उन्हे व्यवहारिक कौशल में भी निपुणता प्राप्त हो सके। इसलिये इसके पुर्नविचार की आवश्यकता प्रतीत नही होती।

2. अतः मैं अनुग्रहीत हूंगा यदि कृपया उपरोक्तानुसार सेवा नियमावली में तत्काल संशोधन कर अनुदेशकों के रिक्त पदों को भरने का कष्ट करें और की गयी कार्यावाही से इस कार्यालय को भी अवगत करा दें।"

36. It is also relevant to mention that technical qualification for appointment of Vocational Instructor in ITIs/ ITCs for trades under CTS as prescribed by the aforequoted executive order dated 15.12.2008 is the degree in Engineering/ three year diploma in appropriate branch of trade concerned OR National Apprenticeship Certificate OR National Trade Certificate in relevant trade. The words "National Apprenticeship Certificate (NAC)" have been defined in Rule 3(l) of the U.P. Service Rules, 2014 to mean the certificate awarded by the NCVT upon successfully passing the National Apprenticeship Test. The words "National Trade Certificate (NTC)" have been defined in Rule 3(k) to mean the certificate awarded by the NCVT upon successfully passing the All India Trade Test in that trade and a candidate who has undergone training in any sector under the Centre of Excellence Scheme, certificates awarded by NCVT upon successful completion for all the three modules, namely Broad Based Basic Training, Advanced Module and the Specialized Module, together, shall constitute the National Trade Certificate. The third column of executive order dated 15.12.2008 prescribes experience in trade as one year for degree-holder, two years for diploma holders and three years for NAC/ NTC. In addition to these essential qualification and experience, a desirable qualification has been prescribed as "POT". P**erusal of the proviso to rule 9(B) read with Rule 17(3) of the U.P. Service Rules,**

2014 further makes it clear that the desirable qualification is not simply a desirable one and if it is not possessed by a selected candidate then he has to possess it within three years and in circumstances beyond his control within a further period of one year, at his own expense, failing which he shall not be allowed his first increment. Thus, the impugned Rules provide for certain period to a selected candidate who does not possess CITS Certificate, to complete CITS mandatorily within a definite time frame, which is in fact incorporation of the aforementioned executive orders of Government of India in the impugned rules.

37. **Thus, the Rules impugned in the present writ petitions are in fact incorporation of the aforequoted executive orders dated 15.12.2008 and 30.09.2010 read with the letter dated 21.03.2013, in the U.P. Service Rules, 2014. Therefore, the impugned Rules, not being in conflict with the Executive Orders dated 15.12.2008 and 30.09.2010 occupying the field; are not ultra vires to any of the provisions of the Constitution of India. Since the impugned advertisement is in conformity with the U.P. Service Rules, 2014 and the Executive Orders of the Government of India dated 15.12.2008 and 30.09.2010, therefore, the impugned advertisement is wholly valid.**

38. We also find it relevant to mention that after the U.P. Service Rules, 2014 was notified on 30.01.2014, the Government of India has accepted the recommendation of 41st Meeting of the NCVT vide Executive Order dated 27.05.2014, which is reproduced below:

"DGSAT-18 703 2014-CD

Government of India
M/o Labour & Employment
Directorate of Employment & Training
Shram Shakti Bhavan

New Delhi, dated 27 May, 2014

To,

1.Secretaries/Principal Secretaries of all the State Govts/UT Administrations dealing with Vocational Training
2. Directors dealing with Vocational Training of all States/UT Administrations

Subject: Norms for Vocational Instructor qualification for trades under Craftsmen Training scheme.

Sir,

The 41st meeting of the National Council for Vocational Training (NCVT) under the Chairmanship of Hon'ble Minister of Labour & Employment was held on 30th April, 2014, Norms for Instructor qualification for trades under Craftsmen Training scheme was discussed vide Agenda item No 41031 in the meeting.

2. A Working Group was constituted by M/o Labour & Employment for examining all aspects of the various DGE&T schemes including Craftsmen Training Scheme (CTS) and suggesting improvements therein. Working Group recommended that for every unit in a trade, one of the instructors appointed should be with professional qualification as ITI pass-outs with National Craft Instructor Certificate(CITS) (for trades where Craft Instructor Training Scheme was available) and one should be with professional qualification as degree / diploma holder, ***who will be trained in CITS in prescribed time.*** *The recommendations of working group were further put up for the approval*

of the NCVT at its 41st meeting held at New Delhi,

3. Council approved that for every unit in a trade, one of the instructors appointed should be with professional qualification as ITI pass-outs ***with National Craft Instructor Certificate (for trades where Craft Instructor Training courses was available) and*** *one should be with professional qualification as degree / diploma holder, who will be trained in CITS in prescribed time as per following academic as well as technical qualification.*

Qualification		Experience in trade relevant field after technical qualification
Academic	Technical	
10th class pass or equivalent	* Four years degree in Engineering/ Three years Diploma in **appropriate branch of engineering or National Apprenticeship Certificate in trade of National Trade Certificate in trade and National Craft Instructor Certificate (for those trades where courts under Crafts Instructor Training courses are available)	One year for degree and two years for Diploma. Three years for NAC/NTC.

Degree/Diploma holders will have to undergo only second semester of CITS training, if they pass the direct test of first semester, within three years of appointment, as outlined in office order No. DGE&T- 19/07/(2)/2014-CD dated 26th May,2014

*****As specified in syllabus of respective trades.***

4. Council also recommended that every instructor who has already joined ITIs must complete CITS course within three years of joining. This shall be made mandatory condition for the purpose of affiliation and promotion.

5. Council, further recommended that the contractual appointment to the post of instructors should be for a period of one year, and also that within the period of this one year, vacancies should be filled through regular recruitment with the objective of ensuring commitment of the Instructors for quality training on the basis of a career in this field.

6. Government of India has accepted the above recommendation of Council for Implementation with immediate effect. Henceforth, instructors for two units of a trade as per norms given in para 3 above, be appointed in Government and Private ITIs. The above academic as well as technical qualification be followed while appointing new instructors in Government

and Private ITIs and same would be strictly monitored for grant of affiliation of these institutes. The norms given in para 4&5 above shall also be followed by all concerned strictly.

6. This supersedes previous orders on above subject.

Yours faithfully
(R.L, Singh)
Dy. Director General of Training
Member secretary NCVT

Dy. Director of Training"

39. Perusal of the aforenoted Executive Order dated 27.05.2014 shows that **neither the impugned Rules nor the impugned advertisement is in conflict with it. The appointed candidates who have joined, have to complete CITS Course within three years.**

40. By another subsequent Executive Order dated 07.01.2016, the Government of India has issued "Guidelines for recruitment of Instructors for ITIs by respective States and road map for Mandating CITS for all Instructors" as under:-

"MSDE 19/03(8)/2015-CD
Government of India
Directorate General of Training
Ministry of skill Development & Entrepreneurship (MSDE)

Shram Shakti Bhawan, Rafi Marg
New Delhi, dated 7th January, 2016

To,

1. Secretaries/Principal Secretaries of all the State Govts/UT Administrations dealing with Craftsmen/Vocational Training

2. Directors dealing with Craftsman/ Vocational Training of all States/ UT Administrations

Subject:- Norms for "Recruitment of the Instructor in ITIs" and "mandating Crafts Instructor Training Scheme (CITS) for all ITI instructors".

Sir/Madam

A Working Group was constituted comprising of Secretaries of the 04 States on the "Care Progression of ITI Instructors and changes in CTS programme." Three meetings of the Working were held to discuss on the Career Progression of ITI Instructors and changes in CTS programme.

The recommendations of working group on recruitment of the instructors and mandating CITS for all instructors of ITIs was discussed vide agenda item No.9 in the meeting of Sub Committee of NCVT dealing with Norms & Courses held on 17.12 2015, at New Delhi. After detailed discussion, the Sub-committee approved following guidelines for recruitment of the instructors for ITIs by respective State Governments and roadmap for "Mandating CITS for all instructors":

I. Guidelines for recruitment of the instructors for ITIs:

i. 60% weightage fixed for marks in relevant technical qualifications i.e. Degree/ Diploma or CTS.

ii.30% weightage fixed for marks in CITS qualification to ensure that CITS passed candidates are engaged as instructors

iii.Maximum 10% weightage for interview

iv.The threshold condition for experience criteria prevails as given in NCVT norms

v.The above criteria will also apply for contractual employment

II. Roadmap for "Mandating CITS for all instructors"

i. For affiliation /re-affiliation for all ITIs:

- By 2018-Availability of at least 40% instructors with CITS

- By 2020-Availability of at least 60% instructors with CITS

By 2022- Availability of at least 80% instructors with CITS

ii. ***No promotion for instructors without CITS in Govt. ITI's.***

Iii. Separate scheme for part-funding of training expenses for the training of trainers working in Private ITIs.

*All State Governments/UT Administrations are requested to follow above guidelines as given at Sl. No. I and II above, with immediate effect. *

Yours faithfully

(D.Mallick)

Dy Director General of Training"

41. Thus, perusal of the aforequoted subsequent Executive Order of Government of India dated 07.01.2016 also makes it clear that appointed Instructors in Government ITIs who have not completed CITS, shall not be given promotion. Therefore, if any of the appointed candidate does not complete CITS then he shall be dis-entitled for promotion in Government ITIs. Thus, even in view of these Executive Orders, the appointment of the selected candidates cannot be quashed.

42. We also find that now the Rules in question, i.e. U.P. Service Rules, 2014 has been superseded by the Uttar Pradesh Government Industrial Training Institute (Instructors and Foreman Service) Rules, 2021.

No valid reason to interfere with the impugned Advertisement and Recruitment:-

43. We also find that by the impugned advertisement, 2498 vacancies for the post of instructors were advertised for recruitment and the petitioners applied for recruitment. According to the learned Additional Advocate General about 2300 candidates could be selected against the 2498 vacancies. The petitioners, by electing not to file rejoinder affidavits, have admitted the contents of counter affidavits filed by the selected candidates, i.e. the respondent Nos.4 to 7 and the respondent Nos.8 to 13. Thus the petitioners have admitted that there has been no breach of Articles 14 and 16 of the Constitution of India, reservation laws in the recruitment in question have been observed and Rule 16 regarding method of preparation of merit list of the eligible candidates in making selection for direct recruitment, does not suffer from any infirmity. The petitioners have also admitted the contents of paras 8 and 15 of the counter affidavit of the respondent Nos.8 to 13 that the Training Manual, 2014 issued by the Government of India issued for Industrial Training Institutes shortly prior to framing of the

U.P. Rules, 2014 prescribes CITS as desirable qualification. Also, undisputedly the selected candidates were appointed and they are working since their appointments in the Year, 2016. Thus there is no valid reason to interfere with recruitment pursuant to the impugned advertisement and appointments of the selected candidates on the post of Instructor.

Presumption of the Constitutional Validity:-

44. In the case of **Anant Mills Vs. State of Gujarat reported in AIR 1975 SC 1234 (para 20)**, the Hon'ble Supreme Court has held that :-

*"20. **There is a presumption of the constitutional validity of a statutory provision.** In case any party assails the validity of any provision on the ground that it is violative of Article 14 of the Constitution, it is for that party to make the necessary averments and adduce material to show discrimination violative of Article 14. No averments were made in the petitions before the High Court by the petitioners that the assessments before the coming into force of Ordinance 6 of 1969 bad been made by taking into account the rent restriction provisions of the Bombay Rent Act. Paragraph 2B and some other paragraphs of petition No. 233 of 1970 before the High Court, to which our attention was invited by Mr. Tarkunde, also do not contain that averment. No material on this factual aspect was in the circumstances produced either on behalf of the petitioners or the Corporation. The High Court, as already observed, decided the matter merely on the basis of a presumption. It is, in our opinion, extremely hazardous to decide the question of the constitutional validity of a provision on the basis of the supposed existence of certain facts by raising a presumption. The facts about the supposed existence of which presumption was raised by the High Court were of such a nature that a definite averment could have been made in respect of them and concrete material could have been produced in support of their existence or non-existence. Presumptions are resorted to when the matter does not admit of direct proof or when there is some practical difficulty to produce evidence to prove a particular fact. When, however, the fact to be established is of such a nature that direct evidence about its existence or non- existence would be available, the proper course is to have the direct evidence rather than to decide the matter by resort to presumption. A pronouncement about the constitutional validity of a statutory provision affects not only the parties before the Court, but all other parties who may be affected by the impugned provision. There would, therefore, be inherent risk in striking down an impugned provision without having the complete factual data and full material before the court. It was therefore, in our opinion, essential for the High Court to ascertain and field out the correct factual position before recording a finding that the impugned provision is violative of article 14. The fact that the High Court acted on an incorrect assumption is also borne out by the material which has been adduced before us in the writ petitions filed under article 32 of the Constitution."*

(Emphasis supplied by us)

45. In **Charanjit Lal Choudhary Vs. Union of India and others, AIR 1951 SC 41 (para 10),** Hon'ble Supreme Court has held that there is presumption that the legislature understands and correctly appreciates the need of its people. In **Union**

of India Vs. Elphinstone Spinning and weaving Co. Ltd. and Ors., AIR 2001 SC 724 (para 9), Hon'ble Supreme Court has held that there is presumption that the legislature does not exceed its jurisdiction. In State of **Bihar and others Vs. Smt. Charusila Dasi, AIR 1959 SC 1002 (para 14)**, the Hon'ble Supreme Court has laid down the law that there is presumption that the legislature does not intend to exceed its jurisdiction. In **Kedar Nath Singh Vs. State of Bihar, AIR 1962 SC 955 (para 26)**, Hon'ble Supreme Court held that provision should be construed in the manner as will uphold its constitutionality. In **Corporation of Calcutta Vs. Libery Cinema, AIR 1965 SC 1107**, Hon'ble Supreme Court has laid down the law that the provision should be read in the manner as will make it valid. Similar view has been expressed by the Constitution Bench of Supreme Court in **Anandji Haridas and Co. (P) Ltd. Vs. S.P. Kasture and ors., AIR 1968 SC 565 (para 32). In Sunil Batra Vs. Delhi Administration and ors., AIR 1978 SC 1675,** Hon'ble Supreme Court observed that the legislature expresses wisdom of community. In **State of Bihar VS. Bihar Distilleries, AIR 1997 SC 1511 (para 18)**, Hon'ble Supreme Court observed that an Act made by legislature represents the will of people and cannot be lightly interfered with. In **Zameer Ahmad Latifur Rehman Sheikh Vs. State of Maharashtra and ors., J.T. 2010 (4) SC 256 (para 34),** Hon'ble Supreme Court observed that every legally possible effort should be made to uphold the validity. **In Greater Bombay Co-operative Bank Ltd Vs. United Yarn Tex (P) Ltd. and others, (2007) 6 SCC 236 (paras 82 to 85),** Hon'ble Supreme Court observed as under :

" 82 ***The constitutional validity of an Act can be challenged only on two grounds,*** *viz. (i) lack of legislative competence; and (ii) violation of any of the Fundamental Rights guaranteed in Part III of the Constitution or of any other constitutional provision. In State of A. P. & Ors. v. McDowell & Co. & Ors. [(1996) 3 SCC 709], this Court has opined that except the above two grounds, there is no third ground on the basis of which the law made by the competent legislature can be invalidated and that the ground of invalidation must necessarily fall within the four corners of the afore-mentioned two grounds.*

83. Power to enact a law is derived by the State Assembly from List II of the Seventh Schedule of the Constitution. Entry 32 confers upon a State Legislature the power to constitute cooperative societies. The State of Maharashtra and the State of Andhra Pradesh both had enacted the MCS Act 1960 and the APCS Act, 1964 in exercise of the power vested in them by Entry 32 of List II of the Seventh Schedule of the Constitution. Power to the enact would include the power to re-enact or validate any provision of law in the State Legislature, provided the same falls in an entry of List II of Seventh Schedule of the Constitution with the restriction that such enactment should not nullify a judgment of a competent court of law. In the appeals / SLPs/petitions filed against the judgment of the Andhra Pradesh High Court, the legislative competence of the State is involved for consideration. Judicial system has an important role to play in our body politic and has a solemn obligation to fulfil. In such circumstances, ***it is imperative upon the courts while examining the scope of legislative action to be conscious to start with the presumption regarding the constitutional validity of the legislation. The burden of proof is upon the shoulders of the the incumbent who challenges it.*** *It is true that it is the duty of*

the constitutional courts under our Constitution to declare a law enacted by Parliament or the State Legislature as unconstitutional when Parliament or the State Legislaturehad assumed to enact a law which is void, either for want of constitutional power to enact it or because the constitutional forms or conditions have not been observed or where the law infringes the fundamental rights enshrined and guaranteed in Part III of the Constitution.

84. As observed by this Court in CST v. Radhakrishnan in considering the validity of a Statute the presumption is always in favour of constitutionality and the burden is upon the person who attacks it to show that there has been transgression of constitutional principles. For sustaining the constitutionality of an Act, a Court may take into consideration matters of common knowledge, reports, preamble, history of the times, objection of the legislation and all other facts which are relevant. It must always be presumed that the legislature understands and correctly appreciates the need of its own people and that discrimination, if any, is based on adequate grounds and considerations. *It is also well- settled that the courts will be justified in giving a liberal interpretation in order to avoid constitutional invalidity. A provision conferring very wide and expansive powers on authority can be construed in conformity with legislative intent of exercise of power within constitutional limitations. Where a Statute is silent or is inarticulate, the Court would attempt to transmutate the inarticulate and adopt a construction which would lean towards constitutionality albeit without departing from the material of which the law is woven. These principles have given rise to rule of "reading down" the provisions if it becomes necessary to uphold the validity of the law.*

85. In State of Bihar & Ors. v. Bihar Distillery Ltd. & Ors. [(1997) 2 SCC 453], this Court indicated the approach which the Court should adopt while examining the validity/constitutionality of a legislation. It would be useful to remind ourselves of the principles laid down, which read: (SCC p.466, para 17):

"The approach of the court, while examining the challenge to the constitutionality of an enactment, is to start with the presumption of constitutionality. The court should try to sustain its validity to the extent possible. It should strike down the enactment only when it is not possible to sustain it. The court should not approach the enactment with a view to pick holes or to search for defects of drafting, much less inexactitude of language employed. Indeed, any such defects of drafting should be ignored out as part of the attempt to sustain the validity/constitutionality of the enactment. After all, an Act made by the legislature represents the will of the people and that cannot be lightly interfered with. The unconstitutionality must be plainly and clearly established before an enactment is declared as void. The same approach holds good while ascertaining the intent and purpose of an enactment or its scope and application."

In the same para, this Court further observed as follows:

"The Court must recognize the fundamental nature and importance of legislative process and accord due regard and deference to it, just as the legislature and the executive are expected to show due regard and deference to the judiciary. It cannot also be forgotten that our Constitution recognizes and gives effect to

the concept of equality between the three wings of the State and the concept of "checks and balances" inherent in such scheme."

(Emphasis supplied by us)

46. In the case of **Promoters and Builders Association Vs. Pune Municipal Corporation (2007) 6 SCC. 143 (para 9),** Hon'ble Supreme Court has held that while exercising legislative function, unless unreasonableness and arbitrariness is pointed out it is not open for the Court to interfere.

Principles of Constitutional Validity:-

47. The constitutional validity of an Act can be challenged only on two grounds, viz. (i) lack of legislative competence; and (ii) violation of any of the Fundamental Rights guaranteed in Part III of the Constitution or of any other constitutional provision. Except the above two grounds, there is no third ground on the basis of which the law made by a competent legislature can be invalidated. The ground of invalidation must necessarily fall within the four corners of the aforementioned two grounds. In considering the validity of a Statute the presumption is always in favour of constitutionality and the burden is upon the person who attacks it to show that there has been transgression of constitutional principles. For sustaining the constitutionality of an Act, Court may take into consideration matters of common knowledge, reports, preamble, history of the times, object of the legislation and all the other facts which are relevant. It must always be presumed that the legislature understands and correctly appreciates the need of its own people and that discrimination, if any, is based on adequate grounds and considerations. The courts will be justified in giving a liberal interpretation in order to avoid constitutional invalidity. Where a Statute is silent or is inarticulate, the Court would attempt to transmutate the inarticulate and adopt a construction which would lean towards constitutionality albeit without departing from the material of which the law is woven. These principles give rise to rule of "reading down" the provisions if it becomes necessary to uphold the validity of the law. While examining the challenge to the constitutionality of an enactment, the court is to start with the presumption of constitutionality and try to sustain its validity to the extent possible. The court cannot approach the enactment with a view to pick holes or to search for defects of drafting, much less inexactitude of language employed. An act made by the legislature represents the will of the people and that cannot be lightly interfered with. It is presumed that the legislature expresses wisdom of the community, does not intend to exceed its jurisdiction and correctly appreciates the need of its own people.

Principles governing validity of subordinate legislation:-

48. Apart from the aforenoted principles to determine constitutional validity, one additional ground is available to test the validity of a subordinate legislation. The additional ground is that **the authority making subordinate legislation must act within the limits of its power and cannot transgress the same.** Reference with regard to these settled principles of validity of a subordinate legislation can be found in the judgments of Hon'ble Supreme Court in **Hukum Chand vs. Union of India, (1972) 2 SCC 601, General Officer**

Commanding-in-Chief vs. Subhash Chandra Yadav and another, (1988) 2 SCC 351, Additional District Magistrate (Rev.) Delhi Administration vs. Siri Ram, (2000) 5 SCC 451, Sukhdev Singh and others vs. Bhagatram Sardar Singh Raghuvanshi and another, (1975) 1 SCC 421, State of Karnataka and another vs. H. Ganesh Kamath and others, (1983) 2 SCC 402, Kunj Behari Lal Butail and others vs. State of H.P. and others, (2000) 3 SCC 40, Union of India vs. M/s G.S. Chatha Rice Mill, (2021) 2 SCC 209 and judgment dated 16.12.2022 in Civil Appeal Nos.9252-9253 of 2022 (Kerala State Electricity Board and others vs. Thomas Joseph @ Thomas M.J. and others). In the present set of facts, we have found that the State Government has not transgressed the power in framing the impugned Rules. The impugned Rules are well in terms with the Executive Orders of Government of India issued under Article 73 of the Constitution of India.

49. In view of the settled principles of law and discussion made above with regard to the U.P. Service Rules, 2016, we hold that the impugned Rules 9(B), 15(3) and 17(3) of U.P. Government Industrial Training Institute (Instructors) Service Rule, 2014 neither suffer from lack of legislative competence nor it is violative of Articles 14, 16 or 21 of the Constitution of India nor it suffers from any invalidity. These provisions are wholly valid. The impugned advertisement is also wholly valid.

50. It has been stated on behalf of the selected candidates before us that all the appointed Instructors were either possessing CITS certificates prior to their selection/appointment OR have completed CITS subsequently during the period provided under the U.P. Service Rules, 2014 and subsequent executive orders.

51. For all the reasons aforestated we hold that the impugned Advertisement No. 2 of 2014 dated 07.11.2014 and the impugned Rule 9(B), 15(3) and 17(3) are valid. All the writ petitions lack merit and are, hereby, dismissed.

(2023) 1 ILRA 406
ORIGINAL JURISDICTION
CIVIL SIDE
DATED: ALLAHABAD 11.01.2023

BEFORE

THE HON'BLE SAURABH SHYAM SHAMSHERY, J.

Writ-C No. 294 of 2023

Smt. Sajida ...Petitioner
Versus
S.D.M., Kairana, Shamli & Ors. ...Respondents

Counsel for the Petitioner:
Sri Nipun Singh, Sri Sumit Suri

Counsel for the Respondents:
C.S.C., Sri Vineet Singh Parmar

(A) Civil Law - Election - U.P. Panchayat Raj Act, 1947 - Section 12 (C) - Application for questioning the elections, Section 12-C(6) - revision , Order of recounting cannot be passed only for the sake of it and on the basis of vague allegation without specifying any particular irregularity in counting as well as how it would affect election result materially - As a rule relief not founded in pleadings should not be granted.(Para - 16,)

In body of election petition - vague assertions made - regarding illegal rejection of valid votes - not substantiated - either in examination of election petitioner or otherwise on the basis of record available - Parties to take proper

pleadings by adducing evidence - by particular irregularity of illegality result of election has been materially affected.**(Para -16)**

HELD:-Sub-Divisional Magistrate exercised its jurisdiction of recounting only on basis of roving inquiry without substantial ground or evidence on record. Conclusions arrived by Sub-Divisional Magistrate are based on vague submissions and without any substantial material produced by the election petitioner. Impugned order suffers from illegality. Order Quashed.**(Para - 17,18)**

Petition Allowed. (E-7)

9. Bhabhi Vs Sheo Govind & ors., AIR 1975 SC 2217

10. Ram Sewak Yadav Vs Hussain Kamil Kidwai & ors. , AIR 1964 SC 1249

(Delivered by Hon'ble Saurabh Shyam Shamshery, J.)

1. Petitioner before this Court is a returned candidate (Village Pradhan of Village Panchayat Pawatikalan, Kairana, District Shamli) whereas contesting Respondent-2/ Election Petitioner (Smt. Anita) is runner up candidate and the margin of victory was only three votes.

2. The election petitioner (Respondent-2) filed an election petition under Section 12-C of U.P. Panchayat Raj Act, 1947 (hereinafter referred to as "Act, 1947") wherein after exchange of pleadings following five issues were framed:

"1. क्या पेटीशनर व अन्य प्रतिवादीगण ने ग्राम पावटीकलां से प्रधान पद हेतु विधि अनुसार आवेदन प्रस्तुत किया था यदि ना तो प्रभाव क्या?

2. मतगणना के दौरान वादी के एजेन्टों द्वारा क्या-2 आपत्ति उठायी गयी। क्या इन्हे प्रतिवादी सं. 15 व 16 द्वारा अस्वीकार किया गया यदि हाँ तो प्रभाव?

\ 3. उक्त याचिका में किये गये कथनों के अनुसार मतगणना विधि व नियम के अनुसार नहीं की गयी यदि हां तो प्रभाव?

4. क्या याचिका में किये गये कथन के अनुसार पुनः मतगणना किया जाना है?

5. क्या वादी अन्य कोई अनुतोष पाने का हकदार है यदि हां तो क्या?"

3. Sub-Divisional Magistrate, Kairana after considering material on record by impugned order dated 23.12.2022 accepted election petition and disposed of same with direction of recounting. Petitioner has approached this Court directly without availing alternative remedy provided under Section 12-C(6) of Act, 1947.

4. A preliminary objection was raised by Sri Bhupendra Kumar Tripathi, Advocate holding brief of Sri Vineet Singh Parmar, learned counsel appearing for Respondent-2, with regard to maintainability of writ petition and he

placed reliance on a Constitution Bench decision of Supreme Court in **Hari Vishnu Kamath vs. Ahmad Ishaque, AIR 1955 SC 233** and relevant para 23 is reproduced as under:

"23. It may therefore be taken as settled that a writ of certiorari could be issued to correct an error of law. But it is essential that it should be something more than a mere error; it must be one which must be manifest on the face of the record. The real difficulty with reference to this matter, however, is not so much in the statement of the principle as in its application to the facts of a particular case. When does an error cease to be mere error, and become an error apparent on the face of the record? Learned Counsel on either side were unable to suggest any clear-cut rule by which, the boundary between the two classes of errors could be demarcated."

5. In reply to preliminary objection Sri Anurag Khanna, learned Senior Advocate assisted by Sri Nipun Singh and Sri Raghav Dev Garg, learned counsel for petitioner, placed reliance on a judgment passed by Division Bench of this Court in **Mohd. Mustafa vs. U.P. Ziladhikari, Phoolpur, Azamgarh and others, 2007(7) ADJ 1 (DB)** and he referred the answers to the question referred by learned Single Judge. Relevant para 27 is mentioned hereinafter:

27. We answer the questions referred to by the learned Single Judge as follows:

(I) A revision under Section 12-C(6) of the Act shall lie only against a final order passed by the Prescribed Authority deciding the election application preferred under Section 12-C(1) and not against any interlocutory order or order of recount of votes by the Prescribed Authority.

(II) The judgment of the learned Single Judge in the case of Abrar v. State of U.P. and Ors. (2004) 5 AWC 4088 does not lay down the law correctly and is, therefore, overruled to the extent of the question of maintainability of a revision petition, as indicated hereinabove.

(III) As a natural corollary to the above, we also hold that a writ petition would be maintainable against an order of recount passed by the Prescribed Authority while proceeding in an election application under Section 12-C of the U.P. Panchayat Raj Act, 1947."

6. Learned Senior Advocate also referred that facts of the matter under reference are similar to present case wherein election petition was finally disposed of with direction of recounting of votes and as such writ petition is maintainable against order of recounting passed by Sub-Divisional Magistrate, Kairana.

7. In order to consider the preliminary objection, I have carefully perused the judgment passed by Division Bench in **Mohd. Mustafa (supra)** as well as **Abrar vs. State of U.P. and others, 2004(5) AWC 4088** and found that facts of present case are similar, therefore, preliminary objection is rejected by holding that present writ petition is maintainable.

8. Sri Anurag Khanna, learned Senior Advocate further submits that impugned order is ex facie illegal and arbitrary and based on non-application of mind. Sub-Divisional Magistrate has committed manifest error of law by passing order of

recounting of votes particularly when no details or any particular with regard to allegations as levelled in plaint has been provided by election petitioner. The assertion made in election petition was absolutely vague, baseless, bald and scandalous and lacking material facts and particulars which are essential for seeking any relief in election petition. Learned Senior Advocate placed reliance on Full Bench judgment of this Court in **Ram Adhar Singh vs. District Judge and others, 1985 AWC 246** that before an authority hearing election petition under Act, 1947 can be permitted to look into or to direct inspection of ballot papers except when following two conditions must co-exist:

"(1) that the petition for setting aside an election contains the grounds on which the election of the Respondent is being questioned as also the summary of the circumstances alleged to justify the election being questioned on such ground; and

(2) the authority is, prima facie, satisfied on the basis of the materials produced before it that there is ground for believing the existence of such ground and that making of such an inspection is imperatively necessary for deciding the dispute and for doing complete justice between the parties."

9. Learned Senior Advocate also placed reliance on Supreme Court's judgment in **Arikala Narasa Reddy vs. Venkata Ram Reddy Reddygari and another (2014) 5 SCC 312; T.A. Ahammed Kabeer vs. A.A. Azeez (2003) 5 SCC 650; Satyanarain Dudhani vs. Uday Kumar Singh and others 1993 Supp. (2) SCC 82; and, M.R. Gopalalkrishnan vs. Thachady Prabhakaran and others, 1995 Supp (2) SCC 101.**

10. Per contra, learned counsel appearing for Respondent-2 has referred the findings on Issues No. 1, 2, 3, 4 and 5 that election petitioner has raised objection at the time of counting, however, she was ignored and during hearing of election petition Government Respondents have not come up with any explanation, why complaints made by election petitioner were rejected. Learned counsel further submits that returned candidate has made an assertion on affidavit that she has no objection for recounting.

11. I have heard learned counsel for parties and perused the material available on record as well as the judgments cited at Bar.

12. It is well settled that it is important to maintain secrecy of ballot which is sacrosanct and it should not be allowed to be violated on frivolous, vague and indefinite allegations and before inspection is allowed, the allegations made against elected candidate must be clear and specific and must be supported by adequate statements of material facts (See, **Bhabhi vs. Sheo Govind and others, AIR 1975 SC 2217 and Ram Sewak Yadav vs. Hussain Kamil Kidwai and others, AIR 1964 SC 1249)**. The discretion conferred on Courts should be not exercised in such a way so as to enable election petitioner to indulge in a roving enquiry in order to fish out materials for declaring election to be void.

13. Election petitioner has made a assertion in election petition that vote given in her favour were placed in the bundle of votes given in favour of returned candidate and during counting when election petitioner came to know that number of votes given in her favour are 990 and in

favour of elected candidate are 993 and number of rejected votes are 157, she raised an objection and prayed for recounting but Election Officer has not paid attention. A further assertion has been made that bundle of 157 rejected votes included some valid votes also.

14. As referred above, the Sub-Divisional Magistrate framed five issues. During proceedings witnesses appears and they were cross-examined also. Sub-Divisional Magistrate while considering Issues No. 2 and 3 has accepted version of election petitioner that counting was not done properly as well as that no proper explanation was afforded by Election Officer, why request of recounting was denied. However, in the impugned order there is no evidence that there are a good ground for believing that there is mistake in counting. Sub-Divisional Magistrate has accepted bald statement of election petitioner which was not supported by any material or evidence and for reference relevant part of impugned order is mentioned hereinafter:

"इस कथन से यह स्पष्ट होता है कि याचिकाकर्ता व विपक्षी नं. 1 जो 3 वोट से निर्वाचित घोषित हुई सन्तुष्ट नहीं है तथा जवाबदावा के पैरा नं. 19 में मतगणना की समस्त प्रक्रिया नियमानुसार पूरी कराकर परिणाम घोषित किया। इस प्रकार प्रतिवादी नं. 1 का कथन स्वयं विरोधाभाषी है। एक तरफ मतगणना नियमानुसार न किये जाने का कथन किया है तथा दूसरी तरफ मतगणना सही होना बताया इसलिये प्रतिवादी नं. 1 का कथन विरोधाभाषी व संदिग्ध है तथा विपक्षी नं. 15 जो निर्वाचन अधिकारी था उसने अपने लिखित उत्तर में मतगणना सही होना बताया तथा परिणाम सही घोषित करने का कथन किया। किसी के द्वारा पुनः मतगणना के लिए कोई प्रार्थना पत्र नहीं दिया गया। पुनः मतगणना किये जाने हेतु प्रार्थना पत्र देने का कथन अस्वीकार किया गया है। लेकिन विपक्षी नं. 15 ने अपने जवाबदावे में किये गये कथन की पुष्टि न्यायालय में उपस्थित होकर नहीं की है जबकि विपक्षी नं. 15 को साक्ष्य देने का अवसर दिया गया इसलिये विपक्षी नं. 1 के द्वारा दिये गये लिखित कथन की पुष्टि न होने के कारण कथन सही मानने का आधार पर्याप्त नहीं है।

विपक्षी नं 1 ने साक्ष्य में शपथ पत्र दिया तथा यह कथन किया कि मतगणना के समय वह उपस्थित नहीं थी उसका अभिकर्ता उसका पति डी0 डब्लू0 2 उपस्थित था तथा विपक्षी नं. 1 ने अपनी जिरह में यह भी कथन किया कि पुनः मतगणना किये जाने में मुझे कोई आपत्ति नहीं है।"

15. I have carefully perused the statements of witnesses recorded before Sub-Divisional Magistrate. Petitioner has not mentioned in categorical terms that she raised any objection during counting including the prayer to recount on specific ground and that her husband was not present at counting centre though in later part of cross-examination she referred about complaint that her polling agent has communicated her that some votes were wrongly rejected. Therefore, there is no specific averment with regard to number of votes which have been declared wrongly invalid and could materially affected the election. In this regard following paragraph of judgment passed by Supreme Court in **M.R. Gopalalkrishnan (supra)** would be relevant:

"20. We now come to the third ground advanced by the learned counsel for the appellant that invalid votes were counted in favour of the returned candidate respondent No. 1 and that out of the total rejected votes of 1375, quite a large number of valid votes in

favour of the appellant were rejected, which materially affected the result of the election. Learned counsel for the respondent submitted that the appellant has not set forth the concise statement of material fact with regard to the allegation of counting invalid votes in favour of the respondent No. 1 nor has given any particulars of such invalid votes which are alleged to have been counted in favour of respondent No. 1 He also submitted that similarly there are no particulars with regard to the rejection of valid votes in favour of the appellant nor number of such votes in order to support the allegation that such rejection of valid votes in favour of the appellant materially affected the result of the election. In our opinion there is no substance in these submissions made by the learned counsel for the appellant. In fact the appellant has neither pleaded the details and the number of such invalid votes which were counted in favour of respondent No. 1 nor has given the particulars of the number of such valid votes in favour of die, appellant which were wrongfully rejected during the course of counting. This apart, the Returning Officer, Supervisors and other officials were also present in the counting hall throughout the process of counting and the observers also visited the counting hall, but neither the appellant nor any of his counting agents pointed out or objected either orally or in writing that invalid votes were counted in favour of the respondent No. 1 or valid votes in favour of the appellant were rejected. The evidence of the Returning Officer, PW 16 clearly goes to show that no such complaint was made by any one during the course of counting. In these facts and circumstances it is difficult to accept the allegations made by the appellant which seem to be only an after thought and without any evidence or material to support the same."

16. It is settled that order of recounting cannot be passed only for the sake of it and on the basis of vague allegation without specifying any particular irregularity in counting as well as how it would affect election result materially. In the present case in the body of election petition vague assertions have been made regarding illegal rejection of valid votes which are not substantiated either in examination of election petitioner or otherwise on the basis of record available. Parties have to take proper pleadings by adducing evidence that by particular irregularity of illegality result of election has been materially affected. There is no dispute to the settled legal proposition that as a rule relief not founded in pleadings should not be granted [See, **Arikala Narasa Reddy (supra)]**.

17. In the present case, Sub-Divisional Magistrate has exercised its jurisdiction of recounting only on the basis of roving inquiry without substantial ground or evidence on record. Conclusions arrived by Sub-Divisional Magistrate are based on vague submissions and without any substantial material produced by the election petitioner, therefore, the order impugned suffers from illegality and liable to be set aside.

18. In the result, writ petition is allowed. Impugned order dated 23.12.2022 passed by Sub-Divisional Magistrate, Kairana, District Shamli, is hereby quashed.

THE HON'BLE PRAKASH PADIA, J.

Writ-C No. 27289 of 2022

HDFC Standard Life Insurance Co. Ltd.
...Petitioner

Versus

Permanent Lok Adalat Moradabad & Anr.
...Respondents

Counsel for the Petitioner:
Sri Aditya Bhardwaj

Counsel for the Respondents:

(A) Civil law - Companies Act, 1956 - The Insurance Act, 1938 - Section 3 , The Insurance Regulatory and Development Authority of India (Protection of Policy Holder's Interest) Regulations, 2002 - Clause 8 (3), The Legal Services Authorities Act, 1987 - Section 22 - Powers of Lok Adalats , Section 22(C) - Cognizance of cases by Permanent Lok Adalat - In the absence of following the prescribed procedure as specially provided under Section 22(C)(7) of the Legal Services Authorities Amendment Act by the Permanent Lok Adalat, the order/award is vitiated . (Para - 19)

Quashing of award - order passed by Permanent Lok Adalat - without providing opportunity of hearing to petitioner - no reasons given while allowing petition filed by claimant-respondent - Permanent Lok Adalat does not follow procedure - provided under the Legal Services Authorities Amendment Act.**(Para -15)**

(B) The Legal Services Authorities Act, 1987 - Section 22-C(7) & 22-C(8) - Section 22-C(8) comes into effect once an agreement under Section 22-C(7) has failed - proposed terms of settlement under Section 22-C(7), and the conciliation proceedings preceding it, are mandatory - If Permanent Lok Adalats are allowed to bypass this step just because a party is absent, it would be tantamount to deciding disputes on their merit ex parte and issuing awards which will be final, binding and will be deemed to be decrees of civil courts - Conciliation proceedings under Section 22-C of the Legal Services Authorities Amendment Act are mandatory in nature. (Para -18)

HELD:-Permanent Lok Adalat does not follow the procedure as provided under the Legal Services Authorities Amendment Act, therefore, the award is vitiated and illegal in the eyes of law, the same is liable to be set aside and is hereby set aside. Direction to Permanent lok Adalat to pass fresh order after following the complete procedure under the law as well as the law laid down by the Hon'ble Apex Court in the case of ***Canara Bank.*** **(Para -20,22)**

Petition Allowed. (E-7)

7. L.I.C. of India, Kanpur Nagar Vs Syed Zaigham Ali & anr. , 2016 (3) AllLJ289

8. Canara Bank Vs G.S. Jayarama , (2022) 7 SCC 776

(Delivered by Hon'ble Prakash Padia, J.)

1. The petitioner has preferred present writ petition inter-alia with the prayer to quash the award dated 08.12.2021 passed by respondent no.1 namely Permanent Lok Adalat, Moradabad, U.P.

2. The facts in brief as contained in the writ petition are that petitioner namely H.D.F.C. Standard Life Insurance Company Ltd. is a company registered under Companies Act, 1956 and as per Section 3 of the Insurance Act, 1938 carrying on life insurance business. The life assured namely

late Ravi Kiran has approached the petitioner- insurance company for issuance of insurance policy in the year 2018 and has submitted the proposal form and other required documents to obtain the insurance policy. Upon his instructions and the declaration made thereunder, the petitioner considering the same to be true and correct in all aspect issued the policy. The salient features of the policy are as under :-

Policy no	20043201
Date of proposal received	01.02.2018
Date of RCD	02.02.2018
Date of death	27.03.2018
Policy duration	1 month 25 days
Plan	HDFC Life ProGrowth Plus
Life Assured	Late Ravi Karan

3. On 04.08.2018 petitioner received the claim intimation form, from the respondent No.2 informing that the life assured died on 27.03.2018. Since the death of the life assured occurred within two months from the risk commencement date of the subject policy, the petitioner has conducted a statutory investigation as per Clause 8 (3) of the Insurance Regulatory and Development Authority of India (Protection of Policy Holder's Interest) Regulations, 2002. During investigation it was revealed that life assured has submitted incorrect income and occupation in the proposal form.

4. It is argued that life assured has no permanent job and was absconding from home since past two months and he died due to unknown accident on 27.03.2018. According to panchanama death was due to falling from a vehicle & sustaining injury, leading to death. No FIR was registered and only a general diary bearing number GD No.017, dated 27.03.2018 was recorded on the basis of statements of Sunil Kumar, son-in-law of respondent, along-with respondent three sons and complainant went to police station and gave a statement that insured is a habitual chronic alcoholic & is always intoxicated and insured never listened to family member's advice of giving up alcohol. In the post-mortem report cause of death was recorded as hemorrhage & shock. The immediate cause was mentioned as shock due to anti-mortem injury. It has been mentioned in the post-mortem report that stomach contents smell of alcohol. It is argued that life assured had taken policy by concealing the material information from the petitioner. Due to non disclosure of material facts and untrue statement contained in the proposal form petitioner repudiated the claim of the respondent and refunded the fund value of Rs.56,521.55/- and intimated the said facts to the respondent No.2 vide letter dated 30.11.2018.

5. Being aggrieved by the repudiation of the claim, respondent No.2 filed a complaint on 9.7.2019 before the respondent no.1. After receiving the summons petitioner company assigned the matter to the local counsel. The insurance company was under the impression that local counsel is attending the matter regularly and written arguments were filed by him. However, on receipt of the impugned order it was revealed that the local counsel did not appear in the said matter, therefore, complaint was decided ex-parte.

6. A contract of insurance is one of utmost good faith. A proposer who seeks to

obtain a policy of life insurance is duty bound to disclose all material facts bearing upon the issue as to whether the insurer would consider it appropriate to assume the risk which is proposed. It is with this principle in view that the proposal form requires a specific disclosure of pre-existing ailments, so as to enable the insurer to arrive at a considered decision based on the actuarial risk.

7. In the present case as indicated above, the proposer failed to disclose the fact that he is habitual chronic alcoholic & is always intoxicated and insured never listened to family member's advice of giving up alcohol. In the post-mortem report cause of death was recorded as hemorrhage & shock. The immediate cause was mentioned as shock due to anti-mortem injury. It has been mentioned in the post-mortem report that stomach contents smelled alcoholic.

8. This brings the ground for repudiation squarely within the principles which have been formulated by the Hon'ble Apex Court in series of decisions. In the case of **Life Insurance Corporation of India Vs Asha Goel reported in (2001) 2 SCC 160**, it was held by the Hon'ble Apex Court that :-

"12...The contracts of insurance including the contract of life assurance are contracts uberrima fides and every fact of material (sic material fact) must be disclosed, otherwise, there is good ground for rescission of the contract. The duty to disclose material facts continues right up to the conclusion of the contract and also implies any material alteration in the character of risk which may take place between the proposal and its acceptance. If there is any misstatements or suppression of material facts, the policy can be called into question. For determination of the question whether there has been suppression of any material facts it may be necessary to also examine whether the suppression relates to a fact which is in the exclusive knowledge of the person intending to take the policy and it could not be ascertained by reasonable enquiry by a prudent person."

9. This has been reiterated by the Hon'ble Apex Court in the case of ***P. C. Chacko & another Vs. Chairman, Life Insurance Corporation of India and others*** reported in ***(2008) 1 SCC 321***. It has been held by the Hon'ble Apex Court that proposal can be repudiated if a fraudulent act is discovered. The relevant paragraph namely paragraph 17 is reproduced hereinbelow :-

"17. The purpose for taking a policy of insurance is not, in our opinion, very material. It may serve the purpose of social security but then the same should not be obtained with a fraudulent act by the insured. Proposal can be repudiated if a fraudulent act is discovered. The proposer must show that his intention was bona fide. It must appear from the face of the record. In a case of this nature it was not necessary for the insurer to establish that the suppression was fraudulently made by the policy-holder or that he must have been aware at the time of making the statement that the same was false or that the fact was suppressed which was material to disclose. A deliberate wrong answer which has a great bearing on the contract of insurance, if discovered may lead to the police being vitiated in law."

10. In the case of ***Satwant Kaur Sandhu Vs. New India Assurance***

Company Ltd., reported in ***(2009) 8 SCC 316 a***t the time of obtaining the Mediclaim policy, the insured suffered from chronic diabetes and renal failure, but failed to disclose the details of these illnesses in the policy proposal form. Upholding the repudiation of liability by the insurance company, Hon'ble Apex Court held that :-

"25. The upshot of the entire discussion is that in a contract of insurance, any fact which would influence the mind of a prudent insurer in deciding whether to accept or not to accept the risk is a "material fact". If the proposer has knowledge of such fact, he is obliged to disclose it particularly while answering questions in the proposal form.

Needless to emphasise that any inaccurate answer will entitle the insurer to repudiate his liability because there is clear presumption that any information sought for in the proposal form is material for the purpose of entering into a contract of insurance."

11. Recently, Hon'ble Apex Court in the case of ***Reliance Life Insurance Co. Ltd. Vs. Rekhaben Nareshbhai Rathod*** reported in ***(2019) 6 SCC 175,*** has set aside the judgement of the NCDRC, whereby the NCDRC had held that the failure of the insured to disclose a previous insurance policy as required under the policy proposal form would not influence the decision of a prudent insurer to issue the policy in question and therefore the insurer was disentitled from repudiating its liability. Hon'ble Apex Court, while allowing the repudiation of the insurance claim, held that :-

"30. It is standard practice for the insurer to set out in the application a series of specific questions regarding the applicant's health history and other matters relevant to insurability. The object of the proposal form is to gather information about a potential client, allowing the insurer to get all information which is material to the insurer to know in order to assess the risk and fix the premium for each potential client. Proposal forms are a significant part of the disclosure procedure and warrant accuracy of statements. Utmost care must be exercised in filling the proposal form. In a proposal form the applicant declares that she/he warrants truth. The contractual duty so imposed is such that any suppression, untruth or inaccuracy in the statement in the proposal form will be considered as a breach of the duty of good faith and will render the policy voidable by the insurer. The system of adequate disclosure helps buyers and sellers of insurance policies to meet at a common point and narrow down the gap of information asymmetries. This allows the parties to serve their interests better and understand the true extent of the contractual agreement.

31. The finding of a material misrepresentation or concealment in insurance has a significant effect upon both the insured and the insurer in the event of a dispute. The fact it would influence the decision of a prudent insurer in deciding as to whether or not to accept a risk is a material fact. As this Court held in Satwant Kaur (supra) "there is a clear presumption that any information sought for in the proposal form is material for the purpose of entering into a contract of insurance". Each representation or statement may be material to the risk. The insurance company may still offer insurance protection on altered terms."

12. The same view was again taken by the Hon'ble Apex Court in the case of

Branch ***Manager, Bajaj Allianz Life Insurance Company Ltd. and others Vs. Dalbir Kau*** reported in ***AIR 2020 SC 5210.***

13. The Division Bench of Madras High Court in ***All India General Insurance Co., Ltd. V. S. P. Maheshwari*** reported in ***AIR 1960 Mad 484*** after taking into consideration the history of insurance laws in United States of America, in England and in India stated in paragraph 10, which reads as follows :-

"(10) One great principle of insurance law is that a contract of insurance is based upon utmost good faith Uberrima fides; in fact it is the fundamental basis upon which all contracts of insurance are made. In this respect there is no difference between one contract of insurance and another. Whether it be life or fire or marine the understanding is that the contract is uberrima fides and though there may be certain circumstances from the peculiar nature of marine insurance which require to be disclosed, and which do not apply to other contracts of insurance, that is rather an illustration of the application of the principle than a distinction in principle. From the very fact that the contract involves a risk and that it purports to shift the risk from one party to the other, each one is required to be absolutely innocent of every circumstance which goes to influence the judgment of the other while entering into the transaction."

14. A Single Judge Bench of this Court in the case of ***Life Insurance Corporation of India, Kanpur Nagar Vs. Syed Zaigham Ali and another*** reported in ***2016 (3) AllLJ289*** was pleased to held that the provisions contained under Section 22 (C) of the Act, 1987 are mandatory and it was incumbent upon the PLA to have conducted conciliation proceeding to settle the dispute. In paragraph 27 of the aforesaid judgement it was held that the Court is constrained to observe that PLAs in the state are not functioning within the parameter of the 1987 Act, erratic orders are being passed even on matters which do not fall within their domain. In paragraph 27 certain guidelines were framed in the aforesaid judgement, which reads as follows :-

"(27) This Court is constrained to observe that the PLAs in the State are not functioning within the parameter of the 1987 Act, erratic orders are being passed even on matters which do not fall within their domain, it is, therefore, expected that the PLA while exercising power under 1987 Act would observe the following points and must at the outset formulate the questions before proceeding to adjudicate. The guidelines are not exhaustive but merely illustrative.

(1) Whether PLA has jurisdiction on the subject matter;

(2) Primary role of PLA is that of conciliation upon failure of the parties to reach an agreement, PLA mutates into an adjudicatory body;

(3) PLA should not give an impression to the disputants that it from the beginning has an adjudicatory role;

(4) PLA being a Tribunal lacks the inherent power of a Court, therefore, cannot grant injunction/interim orders;

(5) The role assigned to PLA is to settle/adjudicate "most of the petty cases which ought not to go in the regular courts would be settled in the pre-litigation stage itself";

(6) Matters where genuineness of the claim itself is in dispute, parties have taken extreme positions, the same, prima facie, may not be the subject matter of conciliation/adjudication,

(7) Whether or not an offence, which is non compoundable or compoundable in

nature, has indeed been committed would fall outside the jurisdiction of PLA;"

15. Apart from the same, from perusal of the order passed by the Permanent Lok Adalat, Moradabad, it appears that the same has been passed without providing opportunity of hearing to the petitioner. Further after going through the aforesaid order, the Court is of the firm opinion that no reasons whatsoever has been given while allowing the petition filed by the claimant-respondent.

16. A complete procedure has been prescribed under Section 22(C) of the Legal Services Authorities Act, 1987 (In short "Act, 1987") to decide the dispute by the Permanent Lok Adalat and Section 22 (C) of the Act, 1987 provides that conciliation proceedings are mandatory, thereafter the Permanent Lok Adalat have adjudicatary function under Legal Services Authorities Act, 1987. Section 22 outlines the powers of the Lok Adalats and Permanent Lok Adalats. Section 22 is extracted below:

"Section 22. Powers of Lok Adalats.-

(1) The Lok Adalat or Permanent Lok Adalat shall, for the purposes of holding any determination under this Act, have the same powers as are vested in a civil court under the Code of Civil Procedure, 1908 (5 of 1908) while trying a suit in respect of the following matters, namely:-

(a) the summoning and enforcing the attendance of any witness and examining him on oath;

(b) the discovery and production of any document;

(c) the reception of evidence on affidavits;

(d) the requisitioning of any public record or document or copy of such record or document from any court or office; and

(e) such other matters as may be prescribed.

(2) Without prejudice to the generality of the powers contained in sub-section (1), every Lok Adalat or Permanent Lok Adalat shall have the requisite powers to specify its own procedure for the determination of any dispute coming before it.

(3) All proceedings before the Lok Adalat or Permanent Lok Adalat shall be deemed to be judicial proceedings within the meaning of Sections, 193, 219 and 228 of the Indian Penal Code (45 of 1860) and every Lok Adalat shall be deemed to be a civil court for the purpose of Section 195 and Chapter XXVI of the Code of Criminal Procedure, 1973 (2 of 1974)."

17. Section 22-C of the Legal Services Authorities Act, 1987 stipulates the instances in which Permanent Lok Adalats can take cognizance of cases. Section 22-C provides as follows:

"22-C. Cognizance of cases by Permanent Lok Adalat.- *(1) Any party to a dispute may, before the dispute is brought before any court, make an application to the Permanent Lok Adalat for the settlement of dispute:*

Provided that the Permanent Lok Adalat shall not have jurisdiction in respect of any matter relating to an offence not compoundable under any law:

Provided further that the Permanent Lok Adalat shall also not have jurisdiction in the matter where the value of the property in dispute exceeds ten lakh rupees:

Provided also that the Central Government, may, by notification, increase the limit of ten lakh rupees specified in the second proviso in consultation with the Central Authority.

(2) After an application is made under sub-section (1) to the Permanent Lok

Adalat, no party to that application shall invoke jurisdiction of any court in the same dispute.

(3) Where an application is made to a Permanent Lok Adalat under sub-section (1), it-

(a) shall direct each party to the application to file before it a written statement, stating therein the facts and nature of dispute under the application, points or issues in such dispute and grounds relied in support of, or in opposition to, such points or issues, as the case may be, and such party may supplement such statement with any document and other evidence which such party deems appropriate in proof of such facts and grounds and shall send a copy of such statement together with a copy of such document and other evidence, if any, to each of the parties to the application;

(b) may require any party to the application to file additional statement before it at any stage of the conciliation proceedings;

(c) shall communicate any document or statement received by it from any party to the application to the other party, to enable such other party to present reply thereto.

(4) When statement, additional statement and reply, if any,have been filed under sub-section (3), to the satisfaction of the Permanent Lok Adalat, it shall conduct conciliation proceedings between the parties to the application in such manner as it thinks appropriate taking into account the circumstances of the dispute.

(5) The Permanent Lok Adalat shall, during conduct of conciliation proceedings under sub-section (4), assist the parties in their attempt to reach an amicable settlement of the dispute in an independent and impartial manner.

(6) It shall be the duty of every party to the application to cooperate in good faith with the Permanent Lok Adalat in conciliation of the dispute relating to the application and to comply with the direction of the Permanent Lok Adalat to produce evidence and other related documents before it.

(7) When a Permanent Lok Adalat, in the aforesaid conciliation proceedings, is of opinion that there exist elements of settlement in such proceedings which may be acceptable to the parties, it may formulate the terms of a possible settlement of the dispute and give to the parties concerned for their observations and in case the parties reach at an agreement on the settlement of the dispute, they shall sign the settlement agreement and the Permanent Lok Adalat shall pass an award in terms thereof and furnish a copy of the same to each of the parties concerned.

(8) Where the parties fail to reach at an agreement under sub-section (7), the Permanent Lok Adalat shall, if the dispute does not relate to any offence, decide the dispute."

18. Taking into consideration the aforesaid aspect of the matter, very recently the Hon'ble Supreme Court in the case of **Canara Bank Vs. G.S. Jayarama (2022) 7 SCC 77**6, it was held that Section 22-C(8) is amply clear that it only comes into effect once an agreement under Section 22-C(7) has failed. The corollary of this is that the proposed terms of settlement under Section 22-C(7), and the conciliation proceedings preceding it, are mandatory. **If Permanent Lok Adalats are allowed to bypass this step just because a party is absent, it would be tantamount to deciding disputes on their merit ex parte and issuing awards which will be final, binding and will be deemed to be decrees of civil courts.** This was simply not the

intention of the Parliament when it introduced the Legal Services Authorities Amendment Act. Its main goal was still the conciliation and settlement of disputes in relation to public utilities, and a decision on merits always being the last resort. In this view of the matter, it was held that conciliation proceedings under Section 22-C of the Legal Services Authorities Amendment Act are mandatory in nature. Paragraph 37 of the aforesaid judgement is reproduced below:-

"37. Section 22-C(8) is amply clear that it only comes into effect once an agreement under Section 22-C(7) has failed. The corollary of this is that the proposed terms of settlement under Section 22-C(7), and the conciliation proceedings preceding it, are mandatory. If Permanent Lok Adalats are allowed to bypass this step just because a party is absent, it would be tantamount to deciding disputes on their merit ex parte and issuing awards which will be final, binding and will be deemed to be decrees of civil courts. This was simply not the intention of the Parliament when it introduced the Legal Services Authorities Amendment Act. Its main goal was still the conciliation and settlement of disputes in relation to public utilities, with a decision on merits always being the last resort. Therefore, we hold that conciliation proceedings under Section 22-C of the LSA Act are mandatory in nature."

19. From perusal of the aforesaid, this Court is of the opinion that the law is now well settled that in the absence of following the prescribed procedure as specially provided under Section 22(C)(7) of the Legal Services Authorities Amendment Act by the Permanent Lok Adalat, the order/award is vitiated.

20. In the present case, Permanent Lok Adalat Moradabad does not follow the aforesaid procedure as provided under the Legal Services Authorities Amendment Act, therefore, the award is vitiated and illegal in the eyes of law, the same is liable to be set aside and is hereby set aside.

21. Since no reply has been filed by the petitioner before the Permanent Lok Adalat, Moradabad, he is directed to file reply in the aforesaid case along-with copy of this order expeditiously.

22. Permanent Lok Adalat Moradabad is directed to pass fresh order after following the complete procedure under the law as well as the law laid down by the Hon'ble Apex Court in the case of ***Canara Bank (supra)*** most expeditiously and preferably within a period of four months from the date reply filed by the petitioner.

23. In view of the facts as narrated above, writ petition is liable to be allowed and the same is hereby allowed.

24. No order as to costs.

25. Registrar (Compliance) is directed to communicate this order to the Permanent Lok Adalat, Moradabad immediately.

3. Sanjeev Agrawal Vs St. of U.P. , 2011 (6) AWC 5502

4. Girish Chand Srivastava Vs St. of U.P. & ors. , 2007 AWC (6) 6051

5. Umesh Baijal & ors. Vs St. of U.P. & ors. , (2004) 2 UPL BEC 1235

(Delivered by Hon'ble Manoj Kumar Gupta & Hon'ble Jayant Banerji, J.)

1. Heard Shri Shashi Nandan, learned Senior Counsel assisted by Shri Vivek Mishra, for the petitioner, Sri M.C. Chaturvedi learned Additional Advocate General, for the State Respondent, Shri Anurag Khanna, learned Senior counsel assisted by Shri Nipun Singh, for the Intervenor and Shri Atul Tej Kulshrestha, learned counsel for respondent nos. 5 & 6.

2. The petitioner is challenging the order dated 10.10.2022 by which she has been removed from the office of President of Nagar Palika Parishad, Muzaffar Nagar. The order has been passed by respondent no. 1 in exercise of power under section 48 of the U.P. Municipalities Act, 1916 (hereinafter referred to as the Act).

3. Initially, an order was passed on 19.07.2022 ceasing the financial power of the petitioner, pending inquiry in relation to charges of irregularities in award of contract, defalcation of accounts, failure to perform duties attached to her post and causing damage to the property of municipality . The said order was subjected to challenge by the petitioner in Writ -C No. 24233 of 2022 on the ground that the explanations submitted by her on 2.5.2022 and 8.7.2022 in response to show cause notice dated 28.03.2022 were not considered. During course of hearing of the said writ petition, a statement was made on

behalf of the State respondents that the reply submitted by the petitioner on 08.07.2022 had been received on 21.07.2022, after passing of the order impugned in the writ petition. The submission on behalf of the petitioner was that the order ceasing her financial power did not consider even the reply submitted by her on 02.05.2022 and there was no independent application of mind to the material available on record. The writ petition was decided by order dated 2.9.2022. The order impugned was quashed with liberty to respondent no. 1 to pass a fresh order in accordance with law. While giving the aforesaid liberty, it was clarified that respondent no. 1 shall consider the reply submitted by the petitioner on 02.05.2022 as well as the reply dated 08.07.2022, which had concededly been received by that time.

4. On 23rd September, 2022, a notice was issued to the petitioner requiring her to remain present on 26.09.2022 for personal hearing before respondent no. 1. The petitioner appeared on that date and submitted a written note and requested that copies of the comments/reports obtained by respondent no. 1 from the District Magistrate in response to her reply be made available to her to enable her to rebut the same. It is her specific case that on that date, no hearing took place. The petitioner has also specifically alleged that the State Government did not supply copy of the report of the District Magistrate dated 19.09.2022 to her, despite written request made by her and proceeded to pass the impugned order removing her from the office of President, Nagar Palika Parishad, Muzaffar Nagar.

5. The submissions made by Shri Shashi Nandan, learned Senior Counsel appearing for the petitioner are recorded in our order dated 22.11.2022, which is as follows:-

" Shri Shashi Nandan, learned Senior Counsel assisted by Shri Vivek Mishra, learned counsel for the petitioner submits that the impugned order directing removal of the petitioner from the post of Chairperson, Nagar Palika Parishad, Muzaffarnagar is ex-facie illegal inasmuch as; (a) no enquiry has been held, (b) there is no independent application of mind by the State Government to the explanation submitted by the petitioner, and (c) the report obtained from the District Magistrate dated 19.9.2022 has been blindly relied upon without providing its copy to the petitioner."

6. Shri M.C. Chaturvedi, learned Additional Advocate General has received instructions from the State respondents. He admits that report of the District Magistrate dated 19.09.2022 was not made available to the petitioner. He places reliance on para 19 of the counter affidavit, wherein it is alleged that the petitioner never requested for copy of the said report being made available to her. He, however, does not dispute that the primary consideration in removing the petitioner from the post of President is the report of the District Magistrate dated 19.09.2022. He also could not dispute that apart from calling for explanation of the petitioner and thereafter obtaining report from the District Magistrate in reference to the reply submitted by the petitioner, no oral inquiry was held.

7. As noted above, the charges are of serious nature. The petitioner has specifically denied the charges and had offered a detailed explanation to each charge.

8. In **Shaila Tahir vs. State of U.P. and 2 others**1 decided on 13.10.2022, this

Court, while dealing with a case of a similar nature relating to removal of President of Nagar Palika Parishad, examined the scope of inquiry to be held under Section 48 of the Act. Taking notice of the amendment made in the Constitution by the Constitution (Seventy Fourth Amendment) Act, 1992 and relying on the judgement of the Supreme Court in **Ravi Yashwant Bhoir vs. District Collector, Raigad and others**2, and Division Bench judgements of this Court in **Sanjeev Agrawal vs. State of U.P.**3, **Girish Chand Srivastava vs. State of U.P. and others**4, and **Umesh Baijal and others vs. State of U.P. and others**5, it has been held that removal of elected head of a local self-government castes stigma on that person and has the effect of taking away valuable rights. Such a person is not only removed from the office held by him/her but the electoral college is also deprived of the representation by such person. He/she also stands disqualified to contest election for a stipulated period.

9. The standard of proof in any enquiry held for removal of an elected representative is of a much higher degree as compared to the case of a Government Servant. The principles of natural justice are required to be given full play and proper opportunity of placing the defence is a must.

10. The recording of reasons in writing is also mandatory to fulfil the requirements of Article 14 and 21 of the Constitution and Section 48 (2-A) of the Act. Some of the relevant observations made in this behalf in **Shaila Tahir** (supra) are reproduced below:-

"23. In the instant case, the petitioner, who is President of Municipality, would stand disqualified from contesting a re-election as President or Member for a period of five years from the date of her removal in view of Section 48 (4) of the U.P. Municipalities Act, 1916 [the removal being under clause (a) and sub-clause (vi), (vii) and clause (b) of sub-section (2) of Section 48].

24. Sub-section (2-A) of Section 48 contemplates making of such inquiry as may be considered necessary by the State Government after considering the explanation that may be offered by the President. An order of removal should be in writing and contain reasons for removal of the President from office. The said provision is quoted below for convenience of reference:-

(2-A) After considering any explanation that may be offered by the President and making such enquiry as it may consider necessary, the State Government may, for reasons to be recorded in writing, remove the President from his office.

26. What is nature and scope of inquiry which is required to be held under Section 48 was considered by this Court in Umesh Baijal and others Vs. State of U.P. and another6. It has been held that there could be cases where the charges are admitted and in which event, it would not be necessary to hold a regular inquiry and examine witnesses etc. There may be cases where the allegations are based on complaint made by certain persons. In such cases, if the State intends to rely on affidavit filed by the complainant, it has to give opportunity of hearing to the Chairperson to cross-examine the complainant. In a given case, the allegations may be of a very serious nature and which have to be proved by documentary as well as oral evidence and in such cases, full fledged inquiry would be

required, as merely calling for explanation and considering the same would not meet the requirements of law. The relevant paragraphs from the said judgment are as follows:-

"13. Thus, it is evident that if a Chairman is removed under these provisions, it would have a very serious repercussion and consequence not only on the Chairman but also on the constituency, which he represented because he is being removed from the membership also, therefore, it cannot be permissible in law to remove him without complying with the requirement of law, as required under the facts and circumstances of a particular case. Sub-section (2A) of Section 48 of the Act, 1916 provides for a procedure of removal stipulating that after considering any explanation that may be offered by the President and making such enquiry as it may consider necessary, the State Government may, for reasons to be recorded in writing, remove him. The law does not permit or give unfettered powers to the State Government for passing an order of removal of the Chairman merely after considering his explanation to the show cause. It would depend upon the facts of each case as to whether an enquiry is required. There may be a case of admission by the President himself or the case against him is of such a nature for which he can furnish no explanation or the facts of a case are so admitted or admittedly such that no explanation is required at all, in such eventuality, it will not be necessary to hold a regular enquiry and examine the witnesses etc. giving an opportunity of cross-examination of the witness. There may be a case where the State is considering the affidavits filed by certain persons complaining against the misconduct of the Chairman, if State wants to take into consideration the said affidavits and in his explanation the Chairman denies the allegations, the affidavit cannot be relied upon without giving an opportunity to the Chairman to cross-examine the deponents, as required under the provisions of Order XIX, Rule 2 of the Code of Civil Procedure, for the reason that the Code itself is nothing but codification of the principles of natural justice. The provisions of Order XIX, Rule 2 of the Code become mandatory.

39. Thus, in view of the above, it cannot be held that in each and every case, non-observance of principles of natural justice would vitiate the order. It has to be understood in the context and facts-situation of each case and requirement of statutory Rules applicable therein. However, in a given case, if the allegations are of a, serious nature and has to be proved on a documentary as well as on oral evidence, it is desirable to have a fulfledged enquiry for the reason that removal only on asking the explanation and consideration thereof, would not be sufficient to meet the requirement of law unless the facts are admitted or undeniable. It is not possible to lay down any strait-jacket formula as in what cases the fulfledged enquiry is to be held and in what cases removal is permissible on asking office bearers to furnish the explanation to the charges. It will depend on the facts of an individual case."

27. In Sanjeev Agrawal (supra), after considering the Division Bench judgment in Umesh Baijal and another Division Bench judgement in Shamim Ahmad (Dr.) Vs. State of U.P. and another7, it was concluded as follows:-

10. Thus, in our view, it is clear that once an explanation is submitted by the President denying the charges, it is incumbent upon the State Government to make "such enquiry as it may consider

necessary" before passing an order of removal. The word "inquiry" contemplates investigation. Therefore, where the President denies the charges and offers his explanation, the State Government is required to consider his explanation. If the State Government is satisfied with the explanation offered by the President, in that case, nothing further is required to be done other than passing a consequential order dropping the proceedings. However, if the State Government is not satisfied with the explanation, in that case, the State Government is required to enquire into the matter by holding a full-fledged enquiry.

28. In Ravi Yashwant Bhoir Vs. District Collector, Raigad and others, the Supreme Court also considered the issue as to whether recording of reasons is mandatory while passing an order of removal. The Supreme Court placed reliance on its previous judgements in case of Krishna Swami Vs. Union of India8, Sant Lal Gupta Vs. Modern Coop. Group Housing Society Ltd9 and thereafter concluded by holding as follows:-

46. The emphasis on recording reason is that if the decision reveals the `inscrutable face of the sphinx', it can be its silence, render it virtually impossible for the courts to perform their appellate function or exercise the power of judicial review in adjudging the validity of the decision. Right to reason is an indispensable part of a sound judicial system, reasons at least sufficient to indicate an application of mind of the authority before the court. Another rationale is that the affected party can know why the decision has gone against him. One of the salutary requirements of natural justice is spelling out reasons for the order made. In other words, a speaking out, the inscrutable face of the sphinx is ordinarily incongruous with a judicial or quasi-judicial performance.

29. The quotation from Krishna Swami (supra) relied upon in the said judgment reads thus:-

"Reasons are the links between the material, the foundation for their erection and the actual conclusions. They would also demonstrate how the mind of the maker was activated and actuated and their rational nexus and synthesis with the facts considered and the conclusions reached. Lest it would be arbitrary, unfair and unjust, violating Article 14 or unfair procedure offending Article 21."

30. In Sant Lal Gupta (supra), it was held as follows:-

. "27. It is a settled legal proposition that not only administrative but also judicial order must be supported by reasons, recorded in it. Thus, while deciding an issue, the Court is bound to give reasons for its conclusion. It is the duty and obligation on the part of the Court to record reasons while disposing of the case. The hallmark of order and exercise of judicial power by a judicial forum is for the forum to disclose its reasons by itself and giving of reasons has always been insisted upon as one of the fundamentals of sound administration of the justice - delivery system, to make it known that there had been proper and due application of mind to the issue before the Court and also as an essential requisite of the principles of natural justice.

"3. The giving of reasons for a decision is an essential attribute of judicial and judicious disposal of a matter before Courts, and which is the only indication to know about the manner and quality of exercise undertaken, as also the fact that the Court concerned had really applied its mind."

The reason is the heartbeat of every conclusion. It introduces clarity in an order and without the same, the order becomes

lifeless. Reasons substitute subjectivity with objectivity. The absence of reasons renders an order indefensible/unsustainable particularly when the order is subject to further challenge before a higher forum. Recording of reasons is principle of natural justice and every judicial order must be supported by reasons recorded in writing. It ensures transparency and fairness in decision making. The person who is adversely affected must know why his application has been rejected."

31. The consistent judicial opinion thus is that recording of reasons in writing is not merely an attribute of the principles of natural justice but also essence of transparency and fairness in decision making process. It has been held to be a hallmark of sound and objective exercise of power. An order bereft of reasons violates Article 14 and 21 of the Constitution. ".

11. Coming to the facts of the instant case, as noted above, the petitioner had twice submitted detailed explanation (dated 02.05.2022 and 08.07.2022). In her explanation, she has specifically denied the charges. The charges are of serious nature and are based on disputed facts as well as the record. However, respondent no. 1 instead of examining these issues independently in the light of the explanation offered and the material available on record, proceeded to quote from the report of the District Magistrate dated 19.09.2022 in extenso (in Paragraph 6 of its order) and thereafter it has abruptly been concluded that the charges are found proved and accordingly, she has been removed. There is no independent application of mind.

12. In **Shaila Tahir** (supra), we have held that the report of District Magistrate called for by the State government in response to the reply submitted by the person charged is only an opinion which could have been considered by the State Government alongwith the defence and evidence of the person charged. It is not the final word nor a substitute to the statutory requirement of holding a full-fledged inquiry and recording of reasons by the State Government while passing an order of removal of the President in view of Section 48(2-A) of the Act. Despite exposition of law in the recently delivered judgement, the State Government has repeated the mistakes while passing the instant order in a most casual manner.

13. Even the plea taken in paragraph no. 19 of the counter affidavit that the petitioner had not asked for the report of District Magistrate dated 19.09.2022, consequently, it was not supplied to her, is not worthy of acceptance, firstly, for the reason that it was the obligation of the State Government to have supplied said report to the petitioner if it was intending to rely on the same, and second, because the petitioner had specifically asked for a copy of the said report in the written brief submitted by her on 26.09.2022, the date fixed for hearing.

14. Since the State Government has merely endorsed the report of the District Magistrate dated 19.09.2022, without applying its own independent mind, the impugned dated 10.10.2022 is held to be untenable in law.

15. We accordingly quash the impugned order dated 10.10.2022, leaving it open to the State Government to pass a fresh order in accordance with law.

16. As a result of the removal order being quashed, it is further provided that

the respondent shall not interfere in the working of the petitioner as President of Nagar Palika Parishad, Muzaffar Nagar except in accordance with law.

17. The writ petition stands allowed to the extent indicated above.

ORIGINAL JURISDICTION
CIVIL SIDE
DATED: LUCKNOW 05.01.2023

BEFORE

THE HON'BLE RAMESH SINHA, J.
THE HON'BLE MANISH KUMAR, J.

Writ-A No. 47 of 2023

Babu Ram & Ors. ...Petitioners
Versus
State of U.P. & Ors. ...Respondents

Counsel for the Petitioners:
Sri Shiv Nath Goswami, Sri Santosh Kumar Ramakant Upadhyay

Counsel for the Respondents:
C.S.C., Sri Shikhar Anand

A. Service Law – Selection grade salary – Similarly situated employees were granted selection grade – Benefit of GO dated 17.10.1985 claimed – There was delay of 32 years in approaching the authority – Effect – Held, in case the respondents did not pay any heed to the claim of the petitioners, then, they should have agitate the issue forthwith by preferring appropriate application/representation or to approach a Court of law but approaching the authority concerned after a period of almost 32 years seeking selection grade w.e.f. 01.07.1982 to them, cannot stand judicial scrutiny. (Para 13)

Writ petition dismissed. (E-1)

List of Cases cited:

1. C. Jacob Vs Director of Geology and Mining & anr.; (2008) 10 SCC 115

(Delivered by Hon'ble Ramesh Sinha, J.)

1. The instant writ petition under Article 226 of the Constitution of India has been filed by the petitioners, **Babu Ram, Atar Singh, Juglal, Sadhu Ram, Ram Singh, Ravidutt and Phool Singh,** challenging the judgment and order dated 25.01.2021 passed by the State Public Services Tribunal in Claim Petition No. 24 of 2019 : Babu Ram and 13 others Vs. State of U.P. and others as well as judgment and order dated 28.09.2022 passed in Review Petition No. 15 of 2021 by the State Public Services Tribunal, whereby the Tribunal dismissed the claim petition as well as review petition.

2. Shri Shiv Nath Goswami, learned Counsel for the petitioner has sent an illness slip. It appears that along with Shri Shiv Nath Goswami, Advocate, the name of Shri Santosh Kumar and Ramakant Upadhyay has also been shown in the cause list as Counsel for the petitioner but neither they are present nor there is any request to pass over or adjournment of the case. In these backdrops, we proceeds to hear the matter with the assistance of learned Standing Counsel.

3. Heard Shri Anil Kumar Singh Bisen, learned Standing Counsel for the State/respondents no. 1 to 4 and perused the impugned judgments as well as material brought on record.

4. Brief facts of the case are that petitioners were appointed on the post of Vaccinator in the Health Department on 18.09.2067, 09.06.1973, 25.07.1962, 28.09.1971, 22.09.1978, 29.03.1971,

18.06.1971, respectively. Petitioners no. 1, 2, 3, 4, 6 and 7 were retired from the post of Health Inspector on 30.09.2004, 31.07.2010, 31.01.1996, 30.09.2011 and 31.07.2012, respectively, whereas petitioner no.5-Ram Singh appears to be still in service.

5. According to the petitioners, the Government of U.P. had issued a Government Order dated 04.02.1983 in regard to granting the selection grade to those employees who have completed his 10 years satisfactory services but the petitioners, even after completion of 10 years satisfactory services, were not granted the selection grade because they were already drawn higher pay scale. Subsequently, Government of U.P. had issued another Government Order dated 17.10.1985, by which the benefit of selection grade has been granted to those employees, who have been given the higher pay-scale before 01.07.1982 but the petitioners were not given the benefit of the aforesaid Government Order dated 17.10.1985 also.

6. It has been stated in the writ petition that several similarly situated persons have filed the claim petition before the Tribunal, claiming selection grade w.e.f. 01.07.1982, which was allowed and they have been granted selection grade w.e.f. 01.07.1982 in compliance of the judgment and order passed by the Tribunal, but the petitioners were not granted the selection grade w.e.f. 01.07.1982 and as such, they preferred a joint representations dated 03.04.2017 to the authority concerned but as no heed was paid, the petitioners had preferred claim petition, bearing No. 1613 of 2018, before the Tribunal, which was disposed of vide judgment and order dated 11.09.2018, directing to decide the petitioners' representation dated 03.04.2017 within three months.

7. In compliance of the aforesaid order dated 11.09.2018, the petitioners' representation dated 03.04.2017 was considered by the authority concerned and the same was rejected vide order dated 18.12.2018, which was challenged by the petitioners before the Tribunal in Claim Petition No. 24 of 2019. The Tribunal, after hearing the parties and going through the record, opined that the petitioners have filed the representation claiming selection grade after 32 years and further claim petition raising the issue of grant of selection grade w.e.f. 01.07.1982 is also barred by limitation and the same is not maintainable, dismissed the claim petition vide judgment and order dated 25.01.2021. Not satisfied with the judgment and order dated 25.01.2021, the petitioners have preferred Review Petition No. 15 of 2021 before the Tribunal, which was also dismissed by the Tribunal vide judgment and order dated 28.09.2022.

8. Feeling aggrieved by the aforesaid orders dated 25.01.2021 and 28.09.2022 passed by the Tribunal, the instant writ petition has been filed by the petitioners.

9. Learned Standing Counsel, on placing reliance upon the judgment of the Apex Court in **C. Jacob Vs. Director of Geology and Mining and Anr.** : (2008) 10 SCC 115, contended that the repeated approach by the petitioners to the respondents for the redressal of their grievances cannot explain the laches inasmuch as any such order which was sought to be challenged by the petitioners should have been challenged within a reasonable time. He also contended that in

C. Jacob (supra), the Apex Court, after considering the modus of representation as submitted by the employees, has held that repeated representations would not revive a stale claim. Hence, the Tribunal has rightly dismissed the claim petition as well as review petition preferred by the petitioners by means of the impugned orders.

10. We have examined the submission advanced by the learned Standing Counsel and perused the impugned judgments as well as the material brought on record.

11. The ground in the petition is that similarly situated persons were granted the selection grade in compliance of the order of the Tribunal passed in a claim petition but the petitioners? claim was rejected by the authority concerned vide order dated 18.12.2018, which was challenged before the Tribunal by filing claim petition No. 24 of 2019 but the Tribunal, without going into the merits of the case, has erred in rejecting the claim of the petitioners by means of the impugned orders on the grounds that the petitioners have moved the representation for grant to selection grade after 32 years.

12. It transpires from the impugned judgment passed by the Tribunal that the Tribunal, after hearing the parties and going through the record, has recorded specific finding of facts that when the Government Order dated 17.10.1985 was issued by the State Government, granting selection grade to those employees who have drawn higher pay scale, the petitioners did not submit any representation for granting the benefit of the aforesaid order dated 17.10.1985 and kept mum. After 32 years, the petitioners woke up in a deep slumber and preferred a representation on 03.04.2017, claiming to grant them selection grade in the light of the Government Order dated 17.10.1985. The said representation was rejected by the authority concerned on 18.12.2018 by observing that the petitioners are not entitled to get selection grade. Accordingly, the claim petition as well as review petition was dismissed by the Tribunal by means of the impugned orders.

13. On due consideration, we are of the view that in case the respondents did not pay any heed to the claim of the petitioners, then, they should have agitate the issue forthwith by preferring appropriate application/ representation or to approach a Court of law but approaching the authority concerned after a period of almost 32 years seeking selection grade w.e.f. 01.07.1982 to them, cannot stand judicial scrutiny. The Tribunal has placed reliance upon the judgment of the Apex Court in **C. Jacob (supra)**. For the sake of convenience, the relevant observations of the Apex Court in **C. Jacob (supra)** are

"8. Let us take the hypothetical case of an employee who is terminated from service in 1980. He does not challenge the termination. But nearly two decades later, say in the year 2000, he decides to challenge the termination. He is aware that any such challenge would be rejected at the threshold on the ground of delay (if the application is made before Tribunal) or on the ground of delay and laches (if a writ petition is filed before a High Court). Therefore, instead of challenging the termination, he gives a representation requesting that he may be taken back to service. Normally, there will be considerable delay in replying such representations relating to old matters. Taking advantage of this position, the ex-employee files an application/writ petition

before the Tribunal/High Court seeking a direction to the employer to consider and dispose of his representation. The Tribunals/High Courts routinely allow or dispose of such applications/petitions (many a time even without notice to the other side), without examining the matter on merits, with a direction to consider and dispose of the representation.

9. The courts/tribunals proceed on the assumption, that every citizen deserves a reply to his representation. Secondly they assume that a mere direction to consider and dispose of the representation does not involve any `decision' on rights and obligations of parties. Little do they realize the consequences of such a direction to 'consider'. If the representation is considered and accepted, the ex-employee gets a relief, which he would not have got on account of the long delay, all by reason of the direction to `consider'. If the representation is considered and rejected, the ex-employee files an application/writ petition, not with reference to the original cause of action of 1982, but by treating the rejection of the representation given in 2000, as the cause of action. A prayer is made for quashing the rejection of representation and for grant of the relief claimed in the representation. The Tribunals/High Courts routinely entertain such applications/petitions ignoring the huge delay preceding the representation, and proceed to examine the claim on merits and grant relief. In this manner, the bar of limitation or the laches gets obliterated or ignored.

10. Every representation to the government for relief, may not be replied on merits. Representations relating to matters which have become stale or barred by limitation, can be rejected on that ground alone, without examining the merits of the claim. In regard to representations unrelated to the department, the reply may be only to inform that the matter did not concern the department or to inform the appropriate department. Representations with incomplete particulars may be replied by seeking relevant particulars. The replies to such representations, cannot furnish a fresh cause of action or revive a stale or dead claim.?

14. Considering the facts and circumstances of the case, we are of the view that there is no illegality or infirmity in the impugned judgments passed by the Tribunal.

15. The instant writ petition is, accordingly, **dismissed.**

BEFORE

THE HON'BLE RAJESH BINDAL, C. J.
THE HON'BLE VIKRAM D. CHAUHAN, J.

Special Appeal Defective No. 253 of 2022

State of U.P. & Ors. ...Appellants
Versus
Rohit Bhatt & Ors. ...Respondents

Counsel for the Appellants:
Sri Pranab Kumar Ganguli, S.C.

Counsel for the Respondents:
Sri Ram Tiwari

A. Service Law – Primary Teacher – Selection – Recruitment Examination – Possession of minimum qualification – Respondent-candidate duly passed the

BTC course – Mistake was at the behest of appellant in preparation of result of BTC course – Effect – Held, on account of mistake, the respondent No. 1-petitioner was declared as failed by the Appellants. The mistake is attributable to the Appellants and for such a mistake the respondent No. 1-petitioner cannot be made to suffer – The delay in correction of the mark sheet of the respondent No. 1-petitioner is at the behest of the Appellants – The respondent No. 1-petitioner's candidature for Primary Teachers Recruitment Examination, 2019 cannot be faulted. (Para 16 and 17)

Special Appeal dismissed. (E-1)

(Delivered by Hon'ble Rajesh Bindal, C. J.
&
Hon'ble Vikram D. Chauhan, J.)

1. The present special appeal is preferred by the Appellants challenging the judgement and order dated September 8, 2020 passed by learned Single Judge in Civil Misc. Writ Petition No. 5910 of 2020 (Rohit Bhatt Vs. State of U.P. and others) and judgement and order dated July 30, 2021 passed by the learned Single Judge in Civil Misc. Review Application No. 158 of 2021.

2. The brief facts are that the respondent No.1-petitioner secured admission in BTC Training Course 2015 in Jaymurti College Nagla Ball, Sirsaganj, Firozabad. The respondent No.1-petitioner passed the first semester examination. Thereafter the respondent No.1-petitioner has also passed the second semester written exam of BTC Training Course (Batch 2015) and was sent for internship on August 31, 2017 to Primary School Chandari, Vikas Khand Madanpur, Firozabad. The Respondent No.1-petitioner appeared before aforesaid college on September 4, 2017 and completed his internship on October 13, 2017. Result of internship was declared on October 13, 2017 and respondent No.1-petitioner obtained 97/100 marks. The Respondent No.1-petitioner on October 13, 2017 submitted the above-mentioned result in the office of the Principal, District Institute of Education and Training, Firozabad and thereafter the result of the second semester of BTC Course-2015 was declared on March 21, 2018, in which the respondent No.1-petitioner was found unsuccessful due to absence in internship.

3. Thereafter, respondent No.1-petitioner on enquiry came to know that the marks of internship of second semester was not available with the Principal, District Institute of Education and Training, Firozabad (Appellant No.4) although the same was submitted on October 13, 2017. On September 19, 2018, respondent No.1-petitioner submitted an application along with the photocopy of the result of the internship of second semester and other documents before the Secretary, Examination Regulatory Authority, Uttar Pradesh, Allahabad (Appellant No.2), however, the result of the respondent No.1-petitioner was not corrected by the respondent authorities.

4. On October 28, 2018, Principal, District Institute of Education and Training, Firozabad (Appellant No.4) has issued a letter to the Secretary, Examination Regulatory Authority, Uttar Pradesh, Allahabad (Appellant No.2) and informed that the marks of the respondent No.1-petitioner of the internship of second semester of BTC 2015 have not been shown in the marksheet and requested to correct the marks of the respondent No.1-petitioner in respect of second semester internship and issue a correct mark sheet to the respondent No.1-petitioner.

5. In the meantime, the Appellants invited online application for Primary

Teachers Recruitment Examination, 2019. The last date for submission of the online application was December 22, 2018. The respondent No.1-petitioner applied for the Primary Teachers Recruitment Examination, 2019.

6. There was inaction on the part of Appellants in issuing corrected mark sheet and as such the respondent No.1-petitioner preferred Civil Misc. Writ Petition No.89 of 2019 (Rohit Bhatt Vs. State of U.P. and others) before this Court. On January 4, 2019 an order was passed in Writ Petition No. 89 of 2019 as an interim measure permitting the respondent No.1-petitioner to provisionally appear in the Primary Teachers Recruitment Examination 2019.

7. In compliance of the above-mentioned order dated January 4, 2019 passed by this Court, respondent No.1-petitioner was permitted to appear in the examination of Primary Teachers Recruitment Examination, 2019 on January 6, 2019. The result of the aforesaid examination was declared on May 12, 2020 in which the result of the respondent No.1-petitioner has not been shown due to pendency of the above-mentioned writ petition before this Court.

8. Under the circumstances, respondent No.1-petitioner has filed Writ Petition No. 5910 of 2020 before this Court seeking mandamus commanding the respondents to declare the result of the respondent No.1-petitioner in respect of the examination of Primary Teachers Recruitment Examination 2019 and in case the respondent No.1-petitioner is successful in the aforesaid examination, he may be permitted to participate in selection proceedings of the primary teachers in Uttar Pradesh.

9. In the meantime, Appellants have issued the corrected mark sheet to the respondent No.1-petitioner in respect of BTC Course-2015 in which the respondent No.1-petitioner has been shown to have passed.

10. The above-mentioned Writ Petition No.5910 of 2020 along with Writ Petition No.89 of 2019 was finally decided by impugned judgment and order dated September 8, 2020 with the direction that as the mark sheet has been issued and respondent No.1-petitioner has appeared in the examination and result has also been declared, further steps shall be taken in terms of the result so declared. It is further directed that steps shall be taken in accordance with result declared in respect of the respondent No.1-petitioner expeditiously preferably within a period of four weeks from the date of filing of the application before the respondent ? Appellant No. 3.

11. It is submitted on behalf of Appellants that the respondent No.1-petitioner was declared unsuccessful in the training course in respect of second semester and the result of the fourth semester of the BTC training course was declared on December 12, 2018 and the net result of the total semester of the respondent No.1-petitioner concluded to have failed and as such it is argued that on the last date for submission of the online application in respect of Primary Teachers Recruitment Examination 2019, respondent No.1-petitioner did not possess the minimum qualification as prescribed under the relevant rule. It is also submitted on behalf of the Appellants that the opposite party has submitted a false declaration in respect of the result of BTC Training

Course at the time of submission of online form.

12. It is submitted on behalf of Respondent no.1 that the marks of the internship was not declared by the Appellants despite the fact that the respondent No.1-petitioner successfully completed the internship for the second semester and the marks were duly forwarded to the concerned authority. It is submitted that the mistake of not taking into consideration the marks in the internship of second semester is at the behest of the Appellants for which the respondent No.1-petitioner cannot be faulted and any such corrected mark sheet being issued to the respondent No.1-petitioner subsequently would relate back to the date of the result.

13. The result of BTC examination was declared on March 21, 2018 in which the respondent No.1-petitioner was shown as unsuccessful on account of absence in the internship of second semester despite the fact that the respondent No.1-petitioner had successfully completed the internship and the marks were also submitted on October 13, 2017. The respondent No.1-petitioner thereafter had applied before the authority concerned for issuance of corrected mark sheet by showing the marks of the respondent No.1-petitioner in respect of internship of second semester in BTC course. It is not dispute between the parties that the respondent No.1-petitioner would have passed the BTC course in case the aforesaid marks of internship would have been included in the result prepared by the authority concerned.

14. The mistake in preparation of the result of the BTC course was at the behest of the Appellant. Although respondent No.1-petitioner had successfully completed the internship in the second semester of the BTC course and thereafter has further successfully completed the remaining semesters, when the result of the BTC course was declared, the respondent No.1-petitioner was shown as failed solely on account of non consideration of the marks obtained by the respondent No.1-petitioner in internship in second semester. On October 28, 2018 the Principal, District Institute of Education and Training, Firozabad has written a letter to the Examination Regulatory Authority, Uttar Pradesh, Allahabad (Appellant No.2) for issuance of the corrected mark sheet by including the marks already obtained by the respondent No.1-petitioner in the internship completed in the second semester.

15. It is not the case of the Appellants that on account of any fraud or misrepresentation, respondent No.1-petitioner has claimed the eligibility qualification in the Primary Teachers Recruitment Examination, 2015. The mistake in not considering the marks of internship of second semester by the Appellants was brought to the notice of the examining body immediately by the respondent No.1-petitioner.

16. It is further not in dispute that subsequent to the cut off date the mark sheet of the respondent No.1-petitioner has been corrected by the Appellants thereby accepting the mistake in issuance of the earlier mark sheet. The respondent No.1-petitioner had duly passed the BTC course before cut off date, however, on account of mistake, the respondent No.1-petitioner was declared as failed by the Appellants. The mistake is attributable to the Appellants and for such a mistake the respondent No.1-petitioner cannot be made to suffer.

17. The Appellants have submitted that the respondent No.1-petitioner had filed a false declaration in the application form for Primary Teachers Recruitment Examination, 2019 as on the cut off date the respondent No.1-petitioner did not have prescribed qualification for applying in the aforesaid examination. In this respect, it is to be noted that prior to the cut off date the mistake/error in the result of BTC Course 2015 of the respondent No.1-petitioner was brought to the notice of the Appellants by the respondent No.1-petitioner. Appellant No.4 by his communication dated October 28, 2018 has acknowledged the aforesaid mistake and has recommended to Appellant No.2 for issuance of the corrected mark sheet. The delay in correction of the mark sheet of the respondent No.1-petitioner is at the behest of the Appellants and for no fault of the respondent No.1-petitioner, the respondent No.1-petitioner candidature for Primary Teachers Recruitment Examination, 2019 cannot be faulted. Once the respondent No.1-petitioner has duly passed the BTC course on the relevant date. The Appellants cannot be permitted to take benefit of their own mistake and subsequently objected to the candidature of the respondent No.1-petitioner for Primary Teachers Recruitment Examination 2019.

18. In the result, we do not find any error in the impugned judgment and order passed by the learned Single Judge and as such the present Special Appeal lacks merit and is dismissed

&
Special Appeal. No. 466 of 2022

U.P. Subordinate Services Selection Commission Lko. ...Appellant
Versus
Poonam Dwivedi ...Respondent

Counsel for the Appellant:
Sri Gaurav Mehrotra

Counsel for the Respondent:
Sri Alok Mishra, Sri Abhay Pratap Singh, C.S.C., Priyanka Singh

A. Service Law – UP Public Service (Reservation for Economically Weaker Sections) Act, 2020 – Post of Health workers (female) – Selection – Reservation under Economic Weaker Section (EWS) segment claimed – Income certificate was issued prior to the date of issuance of advertisement – Relevance – Petitioners were considered under General category – Legality challenged – Held, the action of the appellants ignoring the certificates and considering the case of the writ petitioners in open category which they did not make the cut-off for the open category cannot be faulted. (Para 38)

B. Procedural law – Non-impleadment of last selected candidate – Objection raised in the counter affidavit filed in writ petition – However, no effort to cure the defects was made – Effect – Held, the writ petitioners did not implead the last selected candidates of the open category rather some randomly selected candidates have been impleaded, this shall not cure the defect of not impleading the last appointed candidates from the open category – *Ranjan Kumar's case* relied upon. (Para 36 and 40)

Special Appeal allowed and Writ petition dismissed. (E-1)

(Delivered by Hon'ble Ramesh Sinha, J.
&
Hon'ble Jaspreet Singh, J.)

1. This is a bunch of four special appeals which arise out of a common judgment and order dated 19.10.2022 passed by the learned Single Judge in writ petitions no. 5392 (Writ-A) of 2022 (Poonam Dwivedi Vs. State of U.P. and others); Writ Petition No. 6974 (Writ-A) of 2022 (Divya Awasthi Vs. State of U.P. and others); Writ Petition No. 6911 (Writ-A) of 2022 (Archana Saxena Vs. State of U.P. and others); Writ Petition No. 5264 (Writ-A) of 2022 (Komal Vs. State of U.P. and others) and Writ Petition No. 6357 of 2022 (Shanu Tiwari Vs. State of U.P. and others as well as in Writ Petition No. 2109 of 2022 (Thakura Devi and Another Vs. State of U.P. and others). Since the issue of fact and law is common in all the four appeals, hence, they are being decided by this common judgment.

2. In order to appreciate the controversy involved in the instant appeals, certain facts leading up to the appeals are being noticed hereinafter. For the sake of convenience, the facts are being noted from leading Special Appeal No. 467 of 2022, however, wherever required the respective data and dates relating to the contesting respondents/writ petitioners will be noted at the appropriate place.

3. The U.P. Subordinate Service Selection Commission had issued an advertisement on 15.12.2021 for filling up 9212 posts of health workers (female). The last date for submission of the application form was 05.01.2022. In pursuance of the said advertisement, the main written examination was conducted on 08.05.2022 wherein the petitioners before the writ court had all appeared. The results were declared on 26.05.2022 and all the petitioners before the writ court were declared successful in the main examinations and then they were required to appear in the next level examination which was held between 09.06.2022 to 18.06.2022 and after the eligibility documents were verified, the final results were declared on 06.08.2022 where the names of the petitioners before the writ court did not find mention and it is in the aforesaid backdrop that the writ petitions came to be filed.

4. The issue raised before the writ court was that all the writ petitioners before the writ court were claiming the benefit of reservation under the Economic Weaker Section segment.

5. It has been the specific case of the writ-petitioners before the writ court that they all possess the requisite income certificate which clearly indicated that they were covered by the eligibility criteria for the grant of such reservation for economically weaker section and that the Commission had arbitrarily ignored the said certificates.

6. It is in light thereof it was prayed by the writ petitioners that the final select list made on 06.08.2022 be set aside and further direction was sought that the said select list may not be given effect to prior to considering the case of the petitioners who were eligible to be given the benefit of reservation under the EWS segment.

7. The U.P. Subordinate Service Selection Commission contested the claim

of the writ petitioners before the writ court by filing a counter affidavit and raised the plea that the certificate submitted by the writ petitioners was not in accordance with the advertisement and was defective.

8. It was also pleaded that the EWS certificate was neither in consonance with the format issued by the Government of Uttar Pradesh which was in furtherance of the Government Orders dated 18.02.2019 and 14.03.2019 and that the said EWS certificate did not relate to the financial year in question, hence, the same was not found appropriate for being considered. It was also pleaded that since the certificate was not found valid of the writ petitioners, consequently, they were considered in the open category and as they did not meet the cut-off in the open category, hence, their names did not find place in the select list. It was also urged that the writ petitions were bad for non-impleadment of the necessary parties as the persons who have been selected had not been impleaded and the petitions were also defective on the aforesaid count.

9. The writ court taking note of the respective submissions and the material on record held that since the details and income of the candidate and his/her family member was filled up by the Competent Authority and that the advertisement was vague and the Government Order dated 14.03.2019 as well as the advertisement did not mention the word 'financial year' and used the words "previous year' hence, the previous year would normally be taken to be the calender year and found that there appeared to be some confusion and considering the aforesaid, the writ petitions were partly allowed and the writ court directed the concerned Tehsildar to issue fresh certificates to the writ petitioners correctly indicating the income of the candidates and that the said certificates be issued for the period 2021-22 and documents pertaining to the financial year 2021 shall be issued by the Competent Authority. The said exercise was required to be completed within a period of two weeks with a further direction that after having received the fresh certificates, the same were to be submitted before the U.P. Subordinate Service Selection Commission within a week thereafter and the Commission was required to proceed considering the candidature of the writ-petitioners on their merits before finalizing final results/issuing appointment letters. A further direction was issued to the State Government to look into the matter and issue necessary clarification with regard to the contents of the EWS certificates and instruct the Competent Authorities to fill up the same as it is incorrect issuance which affects the innocent candidates.

10. The relevant paras of the impugned judgment reads as under:-

"18. In view of above, it is directed that the concerned Tehsildar who is the competent authority and who has issued EWS certificates to the petitioners shall issue fresh certificate correctly indicating the income of the candidate and his/her family members, the said income certificate shall be issued for period 2021-22 and documents pertaining to financial year 2020-2021 shall be issued by the competent authority.

19. Let aforesaid exercise be completed within a period of two weeks from the date of production of certified copy of this order before the competent authority and fresh certificate shall be issued in the light of observations made

herein above and same shall be submitted to the U.P. Subordinate Service Selection Commission, within one week thereafter on issuance of the same. On receipt of such certificate(s) the Commission shall proceed to consider candidature of the petitioners on their merits before finalising the final results/issuing appointment letters.

20. Before parting with the matter this Court is of the considered view that the State Government should also look into the matter and issue necessary clarification with regard to the contents of EWS certificate and instruct the competent authorities to fill up the same legally and properly, as its incorrect issuance will adversely impact innocent candidates, who rely on the wisdom of the competent authority and presume that the certificate issued is valid and correct and in accordance with law. "

11. It is being aggrieved against the aforesaid judgment and order dated 19.10.2022 that the U.P. Subordinate Service Selection Commission have assailed the said judgment in the aforesaid four appeals which as noticed above is being decided by this common judgment.

12. We have heard Sri Gaurav Mehrotra, learned counsel appearing for the U.P. Subordinate Service Selection Commission, the appellants of the appeals, Sri Alok Mishra, learned counsel for the Poonam Dwivedi who is the respondent no. 1 in Special Appeal No. 467 of 2022, Sri Sandeep Kumar Srivastava, learned counsel for the respondent no. 1 in Special Appeal No. 465 of 2022, Sri Shobh Nath Pandey, learned counsel appearing for Ms. Komal, the respondent no. 1 of Special Appeal No. 464 of 2022 and Sri Durga Prasad Shukla, learned counsel for Sri Shanu Tiwari, the respondent no. 1 in Special Appeal No. 466 of 2022 and the learned Standing Counsel for the State-respondents.

13. Sri Alok Mishra, learned counsel appearing for the respondent Smt. Poonam Dwivedi in Special Appeal No. 467 of 2022 has filed a preliminary objection which is taken on record.

14. Sri Gaurav Mehrotra, learned counsel for the appellants in all the appeals has strenuously urged that the impugned order dated 19.10.2022 is bad for the reasons that admittedly the date of the advertisement inviting applications was 15.12.2021 and the last date of submission of the application was 05.01.2022. The advertisement clearly indicated that in case of any modification, the same could be made latest by 12.01.2022. In so far as the issue in hand is concerned, it related to the grant of benefit of EWS Reservation to the writ petitioners. In terms of the advertisement which was issued, a copy of which was annexed as Annexure No. 8 to the writ petition in Clause-8 clearly required the candidates to furnish the necessary documents claiming the benefit of reservation which included the EWS certificate and its profarma was also annexed with the advertisement.

15. It has been further submitted that since the selection for the post of Health Worker (female) was being done in the year 2022, hence, the EWS certificate which was required of the previous year ought to be that of the year 2021 which commenced on 01.04.2020 and ended on 31.03.2021.

16. It has further been pointed out that in so far as the case of Ms. Poonam Dwivedi is concerned, her certificate is

dated 12.01.2021 and it is urged that the same has been furnished and it does not relate to the financial year 2021 as on the date of issuance of the said certificate i.e. 12.01.2021, the financial year 2020-21 had yet not ended and therefore there could not have been a proper estimation regarding the income of the candidate and his/her family which could only be issued after the end of the said financial year.

17. In order to further buttress his submissions, the learned counsel for the appellants has drawn the attention of the Court to the Government Order dated 18.02.2019 which was filed as Annexure No. 9 with the short counter affidavit by the appellant before the writ court also to the Government Order dated 14.03.2019 which was filed as Annexure No. 10 with the counter affidavit before the writ court and to the provisions of the Uttar Pradesh Public Service (Reservation for Economically Weaker Sections) Act, 2020 (hereinafter referred to as "Act of 2020) which was filed as Annexure No. 8 to the counter affidavit before the writ court.

18. The thrust of the submission is that the certificate which is issued by the Tehsildar was being done in terms of the Government Order dated 18.02.2019. The said Government Order clearly referred to the notification issued by the Central Government in this regard dated 19.01.2019 which also specified the criteria which determined the eligibility of a person seeking the benefit of reservation for economically weaker sections.

19. It has been submitted that in Clause-IV of the said Government Order dated 18.02.2019, it is clearly mentioned that an application for seeking such certificate claiming reservation on the ground of economically weaker sections will refer to a year prior from the year when the application is made. Even in the subsequent Government Order dated 14.03.2019, the certificate would be issued in the format which was appended to the said Government Order of 14.03.2019 which also clearly had a column indicating the financial year for which it was valid.

20. It is further pointed out that the Act of 2020 clearly defined the word "Economically Weaker Sections of Citizens" in Section 2(b). Attention has been drawn to Section 7 of the Act of 2020 to indicate that the certificate was to be issued by the officer not below the rank of Tehsildar and there is a clear reference that the Government Orders dated 18.02.2019 shall be deemed to have been issued under the aforesaid Sections.

21. In the aforesaid backdrop, it is urged that where the EWS Certificate which was being issued was in pursuance of the powers conferred earlier in terms of the Government Order dated 18.02.2019 and 14.03.2019 and later after the promulgation of the Act of 2020 in terms of the Act both had a prescribed format and it was required to be mentioned that the said certificate would be valid for which financial year.

22. In the instant case, in the case of Poonam Dwivedi, the certificate as furnished by the writ petitioner was dated 12.01.2021 and was on record as Annexure No. 12 with the writ petition. It clearly stated that the said certificate was for of the financial year 2020-21. The certificate further indicated that Poonam Dwivedi belonged to an economically weaker section as for the financial year 2020-21 and the annual income of his/her family was less than Rs. 8,00,000/-.

23. As far as the certificate of Shanu Tiwari is concerned, a copy of which was

brought on record as Annexure No. 9 with the writ petition filed by her it was dated 21st of January, 2021 and it was valid for the year2019-20.

24. In so far as the EWS certificate of Archana Saxena is concerned, the same was filed as Annexure No. 11 with her writ petition and is dated 05.02.2021 and it was valid for the financial year 2019-20.

25. The certificate of Ms. Komal was filed with her writ petition as Annexure No. 1 dated 06.01.2021, however, in so far as this certificate is concerned, the same mentions only the year 2019.

26. It has also been urged by Sri Mehrotra that apart from this glaring discrepancy which was specifically pleaded by the appellants before the writ court, the petitioners did not chose to file any rejoinder affidavit. The appellants before the writ court had also raised a plea that the writ petitioners had not impleaded the validly selected candidates and thus the petition was bad for non-impleadment for such parties and consequently no relief could have been granted.

27. It is lastly urged that the contentions of the writ petitioners in the writ petition was specific to the extent that the certificate issued was valid and therefore they have been illegally denied the benefit of the reservation for the economically weaker sections. It is not their case that the Tehsildar issued incorrect certificates or that the writ petitioners were prevented from filing better and correct certificates. Neither the Tehsildar was impleaded as a party rather there was a clear contention in the petition that the certificates were absolutely valid and the action of the respondent (the appellants herein) was arbitrary.

28. In the aforesaid backdrop, it is urged that where large number of selections was conducted and appointment letters were due to be issued on account of the order impugned, the entire process has been held up even in respect of such persons who have attained the selection on their merits and for the said reasons, the impugned order deserves to be set aside.

29. Sri Alok Mishra, learned counsel who has argued the matter on behalf of Smt. Poonam Dwivedi and primarily his submissions have also been adopted by the learned counsel appearing for the other respondents (the writ petitioners) has submitted that the appellant-Commission does not have the right to assail the order. It is urged that the direction was issued to the Tehsildar to issue fresh certificates and it is only once the certificate was handed over to the Commission, was the Commission required to look into the aspect and hence at this stage where the Tehsildar has not issued the certificates, the stage for the appellants to assail the order has not arrived.

30. It is further urged that the learned Single Judge has clearly noticed that the parties had agreed that there was a confusion and for the said reason and to put the confusion at naught, the order has been passed which does substantial justice to the parties and as such the order impugned does not require any interference.

31. The Court has considered the rival submissions and meticulously perused the material on record.

32. In so far as the facts in between the parties is concerned, there is hardly any dispute. It is not disputed by the parties that the certificates, the reference of which has been mentioned in the preceding

paragraphs nos. 22 to 25, the details given therein is not correct. Now in the aforesaid backdrop, if the contentions of the respective parties is seen in context with the material available on record including the certificates, the advertisement, it would be clear that the date of issuance of the said advertisement is dated 15.12.2021. The certificates of all the writ petitioners who are before this Court were issued prior to the date of issuance of the advertisement.

33. It is not the case of any of the writ petitioners that the certificates that they have furnished was issued after the date of issuance of the advertisement dated 05.12.2021. It is also to be noticed that the EWS certificates which is issued by the Tehsildar for the purpose of claiming reservation under the Economically Weaker Segment is issued under the Government Orders dated 18.02.2019 and 14.03.2019 which further crystallized in the Act of 2020.

34. It is also not disputed that the certificates which were filed by the respective writ petitioners who were before this Court, all were issued after the promulgation of the Act of 2020 which came into effect on 31st August, 2020, thus, where the Act prescribes a mode to do a thing in a particular manner and it also saves the Government Order dated 18.02.2019 by making a reference in Section 7 of the Act, hence, it cannot be said that there was confusion amongst the candidates or the Authorities. It is also to be noticed that the advertisement clearly provided that the candidates who sought reservations must have their certificates ready which were to be submitted at the time of verification.

35. In the instant case, if the certificates are perused, it would indicate that they have been issued in the month of January, 2021 and February, 2021 as shall be evident from the details mentioned hereinafter:-

(i) In case of Poonam Dwivedi, the certificate is dated 12.01.2021 and is valid for financial year 2020-21. Hence, the certificates cannot be valid for 2020-21 as the year had not been ended by then.

(ii) In the case of Archana Saxena, the certificate dated 05.02.2021 and valid for financial year 2019-20, though, it was required to be filed for the financial year 2020-21, thus, this certificate is not valid.

(iii) In the case of Komal, the certificate is dated 06.01.2021 and is valid for financial year 2019. This certificate also did not relate to the year 2020-21, accordingly not valid.

(iv) In the case of Shanu Tiwari, the certificate is dated 21.01.2021 and valid for financial year 2019-20. This certificate too did not relate to the financial year 2020-21. Hence all the aforesaid certificates are not valid.

36. Thus, for the said reason, we find that this aspect of the matter has not been appropriately considered by the learned Single Judge. From the perusal of the material on record, we further find that the appellants had raised categorical pleas in their counter affidavit regarding non-impleadment of parties which has also not been addressed. Moreover, the writ petitioners also did not make any effort to cure the defect and the plea which had been raised.

37. In so far as the objections raised by the respondents-writ petitioners is concerned that the U.P. Subordinate

Service Selection Commission does not have the locus to file the appeal that also does not impress the Court for the reason that it is the Commission who is required to hold the examination, prepare a final list. In the instant case, the eligibility is to be considered as up to the last date of submission of the applications. The certificates which ought to have been furnished was for the financial year 2020-21 which commenced on 01st of April, 2020 and ended on 31st of March, 2021 and thus, the certificates itself were not valid for being considered and the view adopted by the U.P. Subordinate Service Selection Commission in rejecting the candidature cannot be faulted. This aspect has also not been appropriately considered by the writ court. It would have been a different matter that the certificates were validly issued for the appropriate year but due to some shortcoming of the Authority the petitioners were loosing out the benefit, but it is not the case here. Here in all the cases, since the certificates were issued on the various dates as noticed in para 35 above are not valid.

38. In light of the above, it cannot be disputed that the certificates were invalid and that the action of the appellants ignoring the certificates and considering the case of the writ petitioners in open category which they did not make the cut-off for the open category cannot be faulted.

39. The learned counsel for the private respondents have relied upon a decision of the Apex Court in the case of ***Km. Laxmi Saroj and Others Vs. State of U.P. and others*** in ***Special Leave Petition No. 9040 of 2020*** decided on ***15.12.2022,*** however, from the perusal thereof, it would indicate that the facts were different which are not applicable in the instant case. In the said case, it was found that the candidates were not at fault as the certificate of registration which was applied for in time had not been granted by the Authority concerned and in the aforesaid circumstances, the Apex Court had intervened, however, in the instant case, it is clear from the pleadings of the parties that they had submitted the certificates which were not valid and appropriate for the aforesaid reasons as noticed hereinabove, hence, the said decision of Km. Laxmi Saroj (Supra) does not come to the rescue of the writ petitioners-private respondents.

40. Another fact that needs attention is that 921 posts were reserved for EWS category against which 644 candidates were selected. The remaining 277 posts were filled up by the open category in terms of Section 3 (c) of the Act of 2020 and the writ petitioners did not implead the last selected candidates of the open category rather some randomly selected candidates have been impleaded, this shall not cure the defect of not impleading the last appointed candidates from the open category. This Court is fortified in its view in light of the decision of the Apex Court in the case of Ranjan Kumar and others Vs. State of Bihar and others reported in 2014 (16) SCC 187; Vijay Kumar Kaul and others Vs. Union of India and others 2012 (7) SCC 610.

41. In light of the aforesaid detailed discussions, we have no hesitation to hold that the impugned order passed by the writ court dated 19.10.2022 deserves to be set aside, consequently, the special appeals are allowed. The writ petitions before the Court shall stand dismissed. Costs are made easy.

APPELLATE JURISDICTION
CIVIL SIDE
DATED: ALLAHABAD 30.11.2022

BEFORE

THE HON'BLE RAJESH BINDAL, C.J.
THE HON'BLE J.J. MUNIR, J.

Special Appeal No. 579 of 2022

Rajendra Singh ...Appellant
Versus
State of U.P. & Ors. ...Respondents

Counsel for the Appellant:
Sri Ashok Khare (Sr. Adv.), Sri Ramanuj Yadav

Counsel for the Respondents:
Sri Syed Ali Murtaza, A.G.A., Sri Ankit Gaur, S.C.

A. Service Law – Post of Constable – Selection – Acquittal – Criminal proceeding u/s 376 IPC was initiated against the petitioner after his selection – Prosecutrix admitted that she made wrong St.ment under pressure of her brother and S.H.O. – Appointment claimed in view of acquittal – Writ petition dismissed with the opinion that acquittal was not honourable – Validity challenged – Held, the appellant was not acquitted giving him the benefit of doubt. Rather, the acquittal of the appellant was on account of failure of the prosecution to prove its case as the prosecutrix herself had denied any incident – *Avtar Singh's case* relied upon – Direction for fresh consideration of the appellant's case regarding his appointment and entitlement of service benefits was issued – High Court also issued show cause notice against the prosecutrix and her father and brother for getting a false criminal case registered. (Para 5, 8, 9, 11, 12 and 14)

Special appeal allowed. (E-1)

List of Cases cited:

1. Avtar Singh Vs U.O.I.& ors., (2016) 8 SCC 471

(Delivered by Hon'ble Rajesh Bindal, C.J.
&
Hon'ble J.J. Munir, J.)

1. Order dated July 26, 2022 passed by learned Single Judge has been impugned by filing present intra-Court appeal.

2. The appellant was before this Court impugning order dated November 21, 2020 passed by the Superintendent of Police, Jalaun whereby the representation filed by him was dismissed. It is a case in which the appellant was selected to the post of Constable vide selection list dated May 15, 2018. He received call letter dated June 9, 2018 for medical checkup and completion of other formalities. In terms thereof, the appellant was to appear for medical examination on June 12, 2018. The admitted case of the appellant is that immediately after coming to know about his selection as a Constable, his enemies in the village became active and a false First Information Report (hereinafter referred to as 'FIR') was registered against him on July 3, 2018 under Section 354A(1)(iv) of IPC. The allegation in the FIR is that the present appellant namely, the accused named in the FIR, has enticed the prosecutrix inside his house and used certain obscene words. Even in the statement got recorded by the prosecutrix under Section 161 Cr.P.C., she reiterated the stand taken in the complaint made to the police, on the basis of which FIR was registered. Thereafter, statement of the prosecutrix was recorded under Section 164 Cr.P.C. wherein she improved from the version as contained in the FIR and it was added that she was molested and she was ravished with use of force by the

accused (appellant herein). The aforesaid statement was recorded on July 5, 2018. Thereafter, medical examination of the prosecutrix was conducted on July 7, 2018. No injury was found on any part of her body.

3. The appellant faced trial. While getting her statement recorded in the Court, the prosecutrix stated that nothing, as stated in her statement to the police at the time of registration of FIR or what was stated in her statement recorded under Section 164 Cr.P.C., had happened. She had not lodged complaint and her statements were recorded under pressure of her brother and father. As a result of which, the charges having not been proved, the accused, namely the present appellant was acquitted vide judgment and order dated January 27, 2020 passed by the learned Special Judge, POCSO Act.

4. Immediately after acquittal of the appellant, he made a representation to the competent authority on February 3, 2020 for consideration of his case for appointment as a Constable. As the same was not decided, Writ Petition No. 3076 of 2020 was filed, which was disposed of on March 3, 2020 with a direction to respondent no. 4 therein for decision of the representation made by the appellant within a period of three months. As the representation was not decided in a time bound manner as directed by this Court, Contempt Application (Civil) No. 4159 of 2020 was filed. The same was disposed of on November 2, 2020 giving one more opportunity to the respondents for disposal of the representation within a period of six weeks from the date of production of a copy of the order. Thereafter, the representation was disposed of on November 21, 2020 rejecting the claim of the appellant. It is the aforesaid order, which was challenged before the learned Single Judge.

5. Learned Single Judge, with the opinion that the acquittal of appellant was not honourable. Considering the serious charges levelled against him, who had to become part of a disciplined force, he does not deserve to be given any concession and dismissed the writ petition.

6. The argument raised by Mr. Khare, Senior Advocate is that it is a case in which the prosecutrix improved her statement from what has been made at the time of registration of the F.I.R. and statement recorded under Section 161 Cr.P.C. Initially, there was no allegation of rape and subsequently while getting her statement recorded under Section 164 Cr.P.C., it was added. During the trial, she categorically stated that no incident as reported to the police, initially on the basis of which F.I.R. was registered, or what was stated by her in the statement recorded under Section 164 Cr.P.C., had happened. In fact, her statement was due to the pressure built by her brother and father to settle their personal scores, hence, it was not a case of giving benefit of doubt to the appellant, rather acquittal was honourable as the prosecution has failed to prove the charges. It is further pointed out by learned counsel for the appellant that at the time of registration of FIR the prosecutrix is shown to be a minor, whereas in evidence it was found that on the date of alleged incident, she was 19 years of age.

7. On the other hand, learned counsel for the State could not dispute the aforesaid factual matrix of the matter, however, he still tried to support the order passed by the learned Single Judge.

8. The principles regarding the right to be appointed in government service, where the background of a candidate indicates involvement in a criminal case were laid down by the Supreme Court in **Avtar Singh vs. Union of India and others, (2016) 8 SCC 471. In Avtar Singh's case (supra)**, the following principles have been enumerated :

"38. We have noticed various decisions and tried to explain and reconcile them as far as possible. In view of the aforesaid discussion, we summarise our conclusion thus:

38.1 Information given to the employer by a candidate as to conviction, acquittal or arrest, or pendency of a criminal case, whether before or after entering into service must be true and there should be no suppression or false mention of required information.

38.2 While passing order of termination of services or cancellation of candidature for giving false information, the employer may take notice of special circumstances of the case, if any, while giving such information.

38.3 The employer shall take into consideration the government orders/instructions/rules, applicable to the employee, at the time of taking the decision.

38.4 In case there is suppression or false information of involvement in a criminal case where conviction or acquittal had already been recorded before filling of the application/verification form and such fact later comes to knowledge of employer, any of thefollowing recourses appropriate to the case may be adopted :

38.4.1 In case a trivial in nature in which conviction had been recorded, such as shouting slogans at young age or for a petty offence which if disclosed would not have rendered an incumbent unfit for post in question, the employer may, in its discretion, ignore such suppression of fact or false information by condoning the lapse.

38.4.2 Where conviction has been recorded in case which is not trivial in nature, employer may cancel candidature or terminate services of the employee.

38.4.3 If acquittal had already been recorded in a case involving moral turpitude or offence of heinous/serious nature, on technical ground and it is not a case of clean acquittal, or benefit of reasonable doubt has been given, the employer may consider all relevant facts available as to antecedents, and may take appropriate decision as to the continuance of the employee.

38.5 In a case where the employee has made declaration truthfully of a concluded criminal case, the employer still has the right to consider antecedents, and cannot be compelled to appoint the candidate.

38.6 In case when fact has been truthfully declared in character verification form regarding pendency of a criminal case of trivial nature, employer, in facts and circumstances of the case, in its discretion, may appoint the candidate subject to decision of such case.

38.7 In a case of deliberate suppression of fact with respect to multiple pending cases such false information by itself will assume significance and an employer may pass appropriate order

cancelling candidature or terminating services as appointment of a person against whom multiple criminal cases were pending may not be proper.

38.8 If criminal case was pending but not known to the candidate at the time of filling the form, still it may have adverse impact and the appointing authority would take decision after considering the seriousness of the crime.

38.9 In case the employee is confirmed in service, holding departmental enquiry would be necessary before passing order of termination/removal or dismissal on the ground of suppression or submitting false information in verification form.

38.10 For determining suppression or false information attestation/verification form has to be specific, not vague. Only such information which was required to be specifically mentioned has to be disclosed. If information not asked for but is relevant comes to knowledge of the employer the same can be considered in an objective manner while addressing the question of fitness. However, in such cases action cannot be taken on basis of suppression or submitting false information as to a fact which was not even asked for.

38.11 Before a person is held guilty of suppression veri or suggestio falsi, knowledge of the fact must be attributable to him."

9. After hearing learned counsel for the parties, we find merit in the submission made by learned counsel for the appellant. It is a case in which it is evident from the record that the prosecutrix initially got the F.I.R. registered with the allegation of use of certain obscene words by the accused while taking her to his residence while she was out to trace out her younger brother. The aforesaid stand was reiterated by her while getting her statement recorded under Section 161 Cr.P.C. However, two days thereafter, she got her statement recorded under Section 164 Cr.P.C. where the allegation against the appellant was improved and the case of outraging her modesty was sought to be made out including the allegation under Section 376 Cr.P.C. Initially, FIR was registered under Section 354A(1)(4) of IPC. However, later on, the charges under Section 376 IPC and Section 4 of POCSO Act were added. However, while appearing in the Court as a witness, she stated that on July 2, 2018 at about 3 P.M., no incident happened with her as was reported to the police. As the statement of the prosecutrix recorded under Section 164 Cr.P.C. was not available, her evidence was deferred. On the next date of hearing, she again reiterated that the appellant had not done anything with her and she had got the FIR registered under pressure of her brother on account of certain disputes between the families, as her brother had beaten her up and also threatened to kill her. She also denied her statement made under Section 161 Cr.P.C. though bearing her signature stating that signature was taken on a blank paper. Though, she had admitted her photograph and signature made on the statement under Section 164 Cr.P.C., but when confronted in Court, she stated that the aforesaid wrong statement was also made by her under pressure of her brother and father. She also stated that before getting her statement recorded under Section 164 Cr.P.C., she was threatened even by the Police Constable and S.H.O. that in case, she will not state in the manner as they propose, she will be put to jail. She also

stated that appellant was selected to the post of Constable. He had to join on July 11, 2018. She got the F.I.R. registered under pressure of her family members so that he may not be able to join the service. No incident, as stated by her in the FIR or in the statement under Section 164 Cr.P.C., has ever happened.

10. The stand taken by the prosecutrix in her statement in the Court is corroborated from the medical evidence wherein no injury mark was found on any part of her body.

11. From perusal of the judgment of the learned Special Judge (POCSO Act), it is evident that the appellant was not acquitted giving him the benefit of doubt. Rather, the acquittal of the appellant was on account of failure of the prosecution to prove its case as the prosecutrix herself had denied any incident on the basis of which FIR was registered.

12. Considering the aforesaid facts, in our view, order dated November 21, 2020 passed by the Superintendent of Police, Jalaun rejecting the claim of the appellant for giving appointment after his acquittal in the trial, is illegal. The aforesaid order as well as the order passed by the learned Single Judge dismissing the writ petition are set aside. The respondents are directed to consider the case of the appellant afresh, keeping in view the fact that the appellant was acquitted, within a period of three months from the date of receipt of a copy of the order. It is made clear that the appellant shall be entitled to all service benefits from the date of joining.

13. From the judgment passed by the Special Judge, POCSO Act, it is evident that the appellant was not at all involved in the incident, hence, it cannot be said to be a case in which the appellant was involved in a case of moral turpitude.

14. However, before parting with the case, we deem it appropriate to issue show cause notices to the prosecutrix in FIR No. 0185 of 2018, Police Station-Charkhari, District-Mahoba for getting a false case registered against the appellant, the incident of which she had denied in Court, and as well as to her father Ratan Singh and brother Sandeep, which according to the prosecutrix were instrumental in pressurizing her to get a false case registered, as to why appropriate proceedings may not be initiated against them for getting a false criminal case registered.

15. Let service on the aforesaid persons be effected through Chief Judicial Magistrate, Mahoba.

16. The present Special Appeal is allowed to the extent as mentioned above. However, for considering the notices issued to the prosecutrix, her father and brother, the appeal shall be listed before the Court on January 17, 2023.

APPELLATE JURISDICTION
CIVIL SIDE
DATED: ALLAHABAD 13.12.2022

BEFORE

THE HON'BLE MANOJ MISRA, J.
THE HON'BLE VIKAS BUDHWAR, J.

Special Appeal No. 607 of 2022

Dr. Anju Chaudhary ...Appellant
Versus
State of U.P. & Ors. ...Respondents

Counsel for the Appellant:
Sri Kauntey Singh, Sri Ashok Khare (Sr. Counsel)

Counsel for the Respondents:
C.S.C., Sri Arvind Srivastava III, Sri Gagan Mehta, Sri Manoj Kumar Singh

A. Service Law – UP Higher Education Services Commission Act, 1980 – Ss. 12 (4) and 13 – UP Higher Education Services Commission (Procedure for Selection of Teachers) Regulations, 1983 – Reg. 7 – Posts of Principal – Placement in the colleges, determination thereof – Criteria – Merit list, how far relevant – Principle laid down – The candidate placed higher in the order of merit would have a first right to be appointed in the college opted than the person/candidate who is lower in the order of merit irrespective of that college being lower in the order of preference than in the preference list of the candidate lower in the order of merit – But, if the person higher in the order of merit is placed in a college which was higher in his order of preference, then his/her claim to the college allotted to the other candidate, lower in the order of merit, would not sustain. (Para 23)

B. Constitution of India – Article 226 – Writ – Selection for the post of Principle was held – Writ for placement in a particular college sought – Non-impleadment of all the selected candidates – Effect – Held, the petitioner was seeking placement in the college where the respondent no. 5 had been appointed though being lower in the order of merit than the petitioner. She was not seeking relief against any other person. In such circumstances, it was not required of her to implead all the selected candidates. (Para 28)

Special Appeal allowed. (E-1)

List of Cases cited:

1. Km. Alka Rani Gupta Vs Director of Education (Higher) & anr.; 2003 (2) ESC 944

2. Dr. Vinay Kumar Vs The Director of Education (Higher)& ors.; (2006) 1 UPLBEC 334: 2006 (62) ALR 808

(Delivered by Hon'ble Manoj Misra, J.)

1. This intra-court appeal is against the judgment and order dated 20.06.2022 passed by the learned Single Judge in Writ A No. 2125 of 2022, whereby the writ petition of the appellant (i.e. the petitioner) has been dismissed.

2. Writ A No. 2125 of 2022 was filed by the appellant for quashing the order dated 20.12.2021 passed by the Director of Higher Education, U.P., Prayagraj (for short the Director) rejecting her representation for her placement as Principal of either Gokul Das Hindu Girls' College, Moradabad or Acharya Narendra Dev Nagar Nigam Kanya Mahavidyalaya, Harsh Nagar, Kanpur.

3. In brief, the facts giving rise to the present appeal are as follows. Pursuant to an advertisement issued by the U.P. Higher Education Service Commission, Prayagraj (for short the Commission), inviting applications for 290 posts of Principal in various graduate and post-graduate colleges in the State of Uttar Pradesh, the petitioner applied for appointment and, after undergoing the selection process, was placed at serial no. 200 in the revised merit / select list dated 05.10.2021. Dr. Charu Mehrotra (respondent no.5), who participated in the same selection process, was placed at serial no. 205, and Dr. Sunita Arya (respondent no. 6), who was placed at serial no 218, were placed in those colleges

which were higher in the order of preference of the petitioner than where the petitioner was placed by the Director. The case of the petitioner is that in her preference /option list of colleges for placement, pursuant to her selection, she had given multiple options in the order of preference. In that list, Gokul Das Hindu Girls' College, Moradabad was at serial no. 20 whereas, Acharya Narendra Dev Nagar Nigam Kanya Mahavidyalaya, Harsh Nagar, Kanpur was at serial no. 34 in the order of preference. However, the petitioner was placed at Mahila Mahavidyalaya, Kidwai Nagar, Kanpur, which was at serial no. 41 in the order of preference given by the petitioner. On the other hand, the respondent no.5 (Dr. Charu Mehrotra), who was placed at serial no. 205 in the merit list, and respondent no.6 (Dr. Sunita Arya), who was placed at serial no. 218 in the merit list, were placed by the Director in Gokul Das Hindu Girls' College, Moradabad and Acharya Narendra Dev Nagar Nigam Kanya Mahavidyalaya, Harsh Nagar, Kanpur, respectively. According to the petitioner, since she was placed higher in the final / revised merit list than the respondents 5 and 6, she ought to have been preferred over respondent no. 5 for her placement in Gokul Das Hindu Girls' College, if not there, then over respondent no.6 for her placement in Acharya Narendra Dev Nagar Nigam Kanya Mahavidyalaya. But since the petitioner was not given the due placement, she filed a representation before the Director. When the representation was not addressed, she filed Writ A No. 17108 of 2021, which was disposed off by order dated 09.12.2021 thereby requiring the Director to decide the claim of the petitioner, in accordance with law, by a reasoned order, after giving opportunity of hearing to the respondent no.5 (Dr. Charu Mehrotra). It was also provided therein that till the representation of the petitioner is not decided, the petitioner shall not be forced to join the allotted college, namely, Mahila Mahavidyalaya, Kidwai Nagar, Kanpur. Pursuant to the order dated 09.12.2021, the representation of the petitioner was decided and rejected by the Director by order dated 20.12.2021 impugned in Writ A No. 2125 of 2022 out of which the present appeal arises.

4. In the writ petition, two counter-affidavits were filed. One was a common counter-affidavit filed on behalf of State-respondents 1, 3 and 4, namely, the State of U.P.; the Director of Higher Education, U.P., Prayagraj and the Joint Director of Higher Education, U.P., Prayagraj. The other was filed on behalf of respondent no.5 (Dr. Charu Mehrotra). In neither of the two counter-affidavits, it was disputed that in the revised merit-list the petitioner was placed higher than Dr. Charu Mehrotra (respondent no.5) and Dr. Sunita Arya (respondent no.6). It was also not disputed in the counter-affidavits that in the list of options (preference list) submitted by the writ petitioner (i.e. the appellant herein), Gokul Das Hindu Girls' College, Moradabad, which was allotted to respondent no.5 (Dr. Charu Mehrotra), was at serial no. 20 and the other college, namely, Acharya Narendra Dev Nagar Nigam Kanya Mahavidyalaya, Harsh Nagar, Kanpur, which has been allotted to respondent no.6 (Dr. Sunita Arya), was at serial no. 34 whereas, the writ petitioner was allotted Mahila Mahavidyalaya, Kidwai Nagar, Kanpur which was at serial no. 41 in her preference list.

5. In the counter-affidavit submitted by the State-respondents, the allotment of colleges was sought to be justified by stating that it has been made in accordance

with the merit and order of preference. In the counter-affidavit filed by the respondent no.5, it is stated that according to the knowledge of the respondent no.5, the petitioner had submitted a wrong preference and therefore she has been allotted Mahila Mahavidyalaya, Kidwai Nagar, Kanpur. In addition to above, another ground was taken that pursuant to the allotment the petitioner had joined on 13.01.2022 therefore, she cannot raise a grievance in respect of the allotment.

6. In the rejoinder-affidavit, the writ petitioner stated that if the petitioner had not joined the allotted college then her candidature would have been cancelled therefore, the petitioner had no option but to join the allotted college. In these circumstances, by joining the college, it can not be said that she waived her right to question the allotment more so, when she had already lodged a protest in respect thereof and had earlier also filed a writ petition questioning the same.

7. Learned Single Judge dismissed the writ petition. The reasons for dismissal can be found in paragraph nos. 7, 8 and 9 of the judgment extracted below:-

"7. After hearing rival contentions, this Court finds that as per Regulation 7(1) of the U.P. Higher Education Services Commission (Procedure for Selection of Teachers) Regulations, 1983, the Commission may recommend three names of the candidates, in order of merit for one post of Principal as per Regulation 7 (2). As per Regulation 7 (3), the post of Principal of degree colleges shall be offered in order of merit with due regard to the options given by the candidates and the post in lower grade shall similarly be offered to candidates standing next in the order of merit. In the present case, admittedly the respondent nos. 5 & 6 are lower in merit than the petitioner and therefore, the petitioner claims to have been offered two institutions in dispute prior to respondent nos. 5 & 6.

8. The preference filled by the petitioner online on 29.07.2021 has been brought on record as Annexure No. 4 to the writ petition which shows that she had given preference to Gokul Das Hindu Girls College, Moradabad (sl.no. 20), Acharya Narendra Dev, Nagar Nigam Mahila Mahavidyalaya, Kanpur Nagar, (sl.no. 34) and third and last preference to Mahila Mahavidyalaya, Kidwainagar, Kanpur Nagar (sl.no. 41). In the counter affidavit filed on behalf of the respondents, the preference given by respondent no. 5 has been brought on record wherein she has given 8th preference to Gokul Das Hindu Girls College, Moradabad (sl.no. 20).

9. It is clear that the 20th preference of the petitioner was Gokul Das Hindu Girls College, Moradabad, while the respondent no. 5 had given 8th preference to the same in her offline option. In her online option, she has also given same preference to Gokul Das Hindu Girls College, Moradabad. Since respondent no. 6 has not appeared nor filed counter affidavit, her preference cannot be examined by this Court but it is clear from the preference of the respondent no. 5 that the petitioner had claimed for appointment in Gokul Das Hindu Girls College, Moradabad by way of 20th preference. In the impugned order passed by the respondent no. 3, Director of Higher Education, it has been mentioned that the placement of the candidates is done by the U.P. Higher Services Selection Commission, Prayagraj. Online

appointment is made by the Director of Higher Education. Further considering the fact that the petitioner gave her 20th preference for Gokul Das Hindu Girls College, Moradabad, and the respondent no.5 gave 8th preference to the aforesaid college, the preference of respondent no. 5 was more for Gokul Das Hindu Girls College, Moradabad, vis-a-vis the petitioner who opted for the aforesaid college by giving 20th preference to the same. Even though the petitioner was above in merit list but since she did not opted for the aforesaid college before the preference of respondent no. 5 (8th preference), therefore, the aforesaid college was rightly allotted to the respondent no. 5. Even otherwise, the petitioner has submitted her joining at Mahila Mahavidyalaya Kidwai Nagar, Kanpur Nagar on 15.01.2022 without any protest as clear from Annexure.C.A.5 to the counter affidavit filed on behalf of the State-respondents. She cannot be permitted to maintain her claim against respondent no. 4 anymore. In the rejoinder affidavit filed on behalf of the petitioner, it has only been stated in paragraph no.12 that the petitioner has been compelled to join at Mahila Mahavidyalaya Kidwai Nagar, Kanpur Nagar. Therefore, it is clear that the petitioner has no cause of action left. Even otherwise her preference for Gokul Das Hindu Girls College, Moradabad, was below the respondent no. 5."

8. We have heard Sri Ashok Khare, learned senior counsel, assisted by Sri Kauntey Singh, for the petitioner; learned Standing Counsel for the respondents 1, 3 and 4; Sri Arvind Srivastava-III for the respondent no.5; and Sri Manoj Kumar Singh for the respondent no.2 (the Commission).

9. Sri Khare appearing for the appellant submitted that placement of selected teachers in the colleges is to be made as per the procedure provided in the U.P. Higher Education Services Commission Act, 1980 (for short 1980 Act). Sub-section (4) of section 12 of the 1980 Act reads as under:-

"The manner of selection of persons for appointment to the posts of teachers of a college shall be such, as may be determined by regulations :

Provided that the Commission shall with a view to inviting talented persons give wide publicity in the State to the vacancies notified to it under sub-section (3):

Provided further that the candidates shall be required to indicate their order of preference for the various colleges vacancies wherein have been advertised."

10. Section 13 of the 1980 Act provides as follows:-

"[13. Recommendation of Commission. - *(1) The Commission shall, as soon as possible, after the notification of vacancies to it under sub-section (3) of Section 12, hold written examination and interview of the candidates and send to the Director a list recommending such number of names of candidates found most suitable in each subject as may be, so far practicable, twenty five per cent more than the number of vacancies in that subject. Such names shall be arranged in order of merit shown in the interview, or in the examination and interview if an examination is held.*

(2) The list sent by the Commission shall be valid till the receipt of a new list from the Commission.

(3) The Director shall having due regard in the prescribed manner, to the order of preference if any indicated by the candidates under the second proviso to sub-section (4) of Section 12, intimate to the management the name of a candidate from the list referred to in sub-section (1) for being appointed in the vacancy intimated under sub-section (2) of Section 12.

(4) Where a vacancy occurs due to death, resignation or otherwise during the period of validity of the list referred to in sub-section (2) and such vacancy has not been notified to the Commission under sub-section (3) of Section 12, the Director may intimate to the management the name of a candidate from such list for appointment in such vacancy.

(5) Notwithstanding anything in the preceding provisions, whereto abolition of any post of teacher in any college, services of the person substantively appointed to such post is terminated the State Government may make suitable order for his appointment in a suitable vacancy, whether notified under sub-section (3) of Section 12 or not in any other college, and thereupon the Director shall intimate to the management accordingly.

(6) The Director shall send a copy of the intimation made under subsection (3) or sub-section (4) or sub-section (5) to the candidate concerned."

11. Under Section 31 of the 1980 Act, the Commission may, with the previous approval of the State Government, make regulations. In exercise of that power, the Commission has made the Uttar Pradesh Higher Education Services Commission (Procedure for Selection of Teachers) Regulations, 1983 (for short 1983 Regulations). Regulation 7 of 1983 Regulations provides as follows:-

*"**7. Recommendation for appointment.** - (1) The Commission may recommend the names of up to three candidates, in order of merit, for each post.*

(2) The post of Principal shall-

(a) in the case of women's colleges, be offered to the candidates in the list of women candidates, and

(b) in the other colleges, be offered to the candidates in the general list after striking out the names of the women candidates who have been offered posts under clause (a).

(3) The posts of the Principal of degree colleges in the higher grade shall be offered in order of merit with due regard to the preference given by the candidates and the posts in the lower grade shall similarly be offered to the candidates standing next in order of merit.

(4) The procedure mentioned in sub-regulations (2) and (3) shall, mutatis mutandis, be followed in respect of the posts of teachers, other than Principal."

12. As to how the provisions of 1980 Act and the Regulations framed therein were to be applied was discussed extensively by a Division Bench of this Court in paragraph 9 of its judgment in the case of ***Km. Alka Rani Gupta v. Director of Education (Higher) and another; 2003***

(2) ESC 944 which was affirmed by a Full Bench of this Court in the case of ***Dr. Vinay Kumar v. The Director of Education (Higher) and Ors.: (2006) 1 UPLBEC 334 equivalent to 2006 (62) ALR 808***.

13. It has been urged that in **Dr. Vinay Kumar's case (supra),** the view taken by Division Bench in **Km. Alka Rani Gupta's case (supra)**, in paragraph 9 of the judgment, has been specifically affirmed in paragraph 42 of the judgment of the Full Bench in Dr. ***Vinay Kumar's case (supra)*** and the Full Bench observed, in paragraphs 36 and 37 of its judgment, that the Director at the time of making intimations is required to take into account only two things, in regard to every candidate, namely, the candidate's merit position as determined under section 13(1), and the preferential list of colleges or institutions given by the candidate himself. In paragraph 37, in ***Dr. Vinay Kumar's case (supra),*** the Full Bench further observed that the Director has to allot the candidates to different colleges on the basis of these two parameters only.

14. In paragraph 9 of Alka Rani's case (supra), it has been held as follows:-

"9. Thus, the legal position which emerges from the above provisions in the Act and Regulations is as follows :

(1) Where a large number of candidates are selected for various institutions by the Commission, the Commission has to prepare a select list in accordance with the merit determined by the Commission.

(2) The candidate who is on the top of the select list will be given his first preference ;

(3) Then the candidate who is at serial position No. 2 in the select list will be considered by the Director. If his first choice has already been filled by the candidate at the top of the select list, then this candidate will be given his second choice, otherwise he will get his first choice.

(4) Then we come to the candidate who is on the third position in the select list. If the choice of his first preference has not been already allotted to a candidate higher than him in the select list, he will be given that institution, otherwise he will be given his second choice, unless that too has been allotted to the candidate above him, in which case he will be allotted the institution of his third choice. In this way, the Director will do the placement."

15. By relying on the aforesaid judgment, the learned counsel for the petitioner submits that the reasoning recorded by the learned Single Judge fails to take into account the law laid down by Division Bench of this Court in ***Alka Rani's case (supra),*** which has been affirmed by the Full Bench in ***Dr. Vinay Kumar's case (supra)*** and therefore, the judgment and order of the learned Single Judge as well as the order impugned in the writ petition i.e. of the Director rejecting the representation of the petitioner is liable to be set aside and the Director must therefore accord fresh consideration to the representation submitted by the petitioner in light of the law laid down by this Court in ***Alka Rani's case (supra)***, affirmed in ***Dr. Vinay Kumar's case (supra).***

16. Per contra, the learned counsel for the respondent no.5 submitted that if the matter of allotment is to be reopened

afresh, several candidates placement would be affected therefore, in absence of they being party to the writ proceeding, relief sought cannot be granted to the petitioner. It has also been urged that the petitioner had joined the allotted institution therefore she has waived her right to challenge her placement. For this reason alone, the writ petition of the petitioner is liable to be dismissed and has rightly been dismissed.

17. Learned Standing Counsel has tried to justify the order passed by the Director and has supported the submissions made by Sri Arvind Srivastava-III, who appeared for the respondent no.5.

18. We have considered the rival submissions and have perused the record.

19. It is not in dispute, inter se parties, that in the order of merit, the writ petitioner (Dr. Anju Chaudhary) was placed at serial no. 200; the respondent no.5 (Dr. Charu Mehrotra) was placed at serial no. 205; and the respondent no.6 (Dr. Sunita Arya) was placed at serial no. 218. It is also not in dispute that in the order of preference submitted by the petitioner Mahila Mahavidyalaya, Kidwai Nagar, Kanpur, the college which has been allotted to the petitioner by the Director, was at serial no. 41 whereas, Gokul Das Hindu Girls' College, Moradabad, which has been allotted to respondent no.5, was at serial no. 20 and Acharya Narendra Dev Nagar Nigam Kanya Mahavidyalaya, Harsh Nagar, Kanpur, which has been allotted to respondent no.6, was at serial no. 34.

20. In ***Dr. Vinay Kumar's case (supra),*** the Full Bench examined the legislative scheme of the 1980 Act to find out as to what legislative intent is spelled out from the amended provisions of sections 12 and 13 thereof. The Full Bench on the use of phrase "**due regard**" in sub-section (3) of Section 13 of the 1980 Act, in ***Dr. Vinay Kumar's case (supra),*** observed, in paragraph 23 of the judgment, as follows:-

"23. From the definition of word "due regard" as noted above given in Black's Law Dictionary and the observations of the apex Court as quoted above it is clear that "due regard" means regard to a factor which is due according to the statutory scheme. It is also to be noted that Section 13(3) refers to " due regard" in the prescribed manner. Thus "due regard" used in Section 13(3) cannot be interpreted as only regard as sought to be canvassed by the counsel for the petitioner. In case the interpretation suggested by the counsel for the petitioner is accepted the placement of the candidate shall only depend on preference indicated by a candidate that will give a go by to the entire merit scheme. The above interpretation cannot be accepted which can be explained by giving a simple illustration. In merit list ten candidates have given their first preference of a particular college. For recommending the name of the candidate for the particular vacancy in a college, the preference of the candidate higher in merit has to be accepted. The amendment made in Sections 12 and 13 does not indicate that merit base scheme of recommendation of names against the particular vacancy has been given a go by. The merit is pivotal factor and the preference of the candidate has to be given effect to as far as possible. In the event for a particular college no one has given preference person lower in merit may get placement in that college when his chance comes for consideration. The interpretation sought to be canvassed by

the counsel for the petitioner does not fall along with the legislative scheme as indicated by amended provision of Sections 12 and 13 of the Act and the Regulations. It is true that those provisions of the regulation which can not stand along with the amended provisions of Sections 12 and 13 has to be treated as not operative but those part of the regulation which is not in conflict with any provisions of the Act, has still to be followed. This view of ours is re-enforced with express provisions of Sections 12 (4) of the amended provision which still refers to and relies the regulation for the manner of selection of persons for appointment."

21. Thereafter, in paragraph 24 of the judgment in ***Dr. Vinay Kumar's case (supra),*** the decision in ***Alka Rani's case (supra)*** was noticed. Paragraph 24 of the judgment in ***Dr. Vinay Kumar's case (supra)*** is extracted below:

*" 24. In the case of **Alka Rani Gupa (supra)**, a Division Bench of this Court said as follows in paragraph 9, which is set out below:-*

9. Thus the legal position which emerges from the above provisions in the Act and Regulations is as follows :

(i) Where a large number of candidates are selected for various institutions by the Commission, the Commission has to prepare a select list in accordance with the merit determined by the Commission.

(ii) The candidate who is on the top of the select list will be given his first preference.

(iii) Then the candidate who is at serial position No. 2 in the select list will be considered by the Director. If his first choice has already been filled by the candidate at the top of the select list then this candidate will be given his second choice, otherwise he will get his first choice.

(iv) Then we come to the candidate who is on the third position in the select list. If the choice of his first preference has not been already allotted to a candidate higher than him in the select list he will be given that institution, otherwise he will be given his second choice, unless that too has been allotted to the candidate above him, in which case he will be allotted the institution of his third choice. In this way the Director will do the placement."

22. In paragraphs 36, 37, 38 and 39 of the judgment of ***Dr. Vinay Kumar's case (supra)***, it was held as follows:-

"36. In our opinion, the Director at the time of making intimation is to take into account only two things, in regard to every candidate, namely, the candidate's merit position as determined under section 13(1), and the preferential list of colleges or institutions given by the candidate himself.

37. How the Director is to allot the candidates to the different colleges on the basis of these two items and these two items only are, with respect, correctly laid down by the Division Bench in paragraph 9 in Alka Rani's case (supra) and we agree with that paragraph in toto.

38. In our opinion the Director does not use a discretionary power in making intimations under sub-section (3) of section 13. Instead of the Director, any

other person with an equally logical mind as the Director will also be able to perform the same act but the Director has been given the authority, so as to carry conviction and to make it safe for the colleges to follow the recommendations and intimations coming under his signature.

39. The working of sub-section (3) of section 13 shows that Director's action is compulsorily prescribed by the said sub-section. Although the said sub-section does not refer to the merit list at all yet as laid down in paragraph 9 of Dr. Alka Rani's case (supra) the merit list must be considered by the Director and in this regard the Director cannot disregard sub-section (1) of section 13 and the exercise performed under that sub-section. The exercise by the Director is performed thereafter and must be performed thereon. "

23. From the decision of the Full Bench, it is clear that the Director has to accord due weightage to the merit list before making allotment of colleges. Thus, if we apply the ratio laid down in Alka Rani's case, affirmed in Dr. Vinay Kumar's case, the position that would emerge is that the candidate placed higher in the order of merit would have a first right to be appointed in the college opted than the person/candidate who is lower in the order of merit irrespective of that college being lower in the order of preference than in the preference list of the candidate lower in the order of merit. But, if the person higher in the order of merit is placed in a college which was higher in his order of preference, then his/her claim to the college allotted to the other candidate, lower in the order of merit, would not sustain.

24. As it is clear from the discussion above that the petitioner had placed Gokul Das Hindu Girls' College, Moradabad in the order of preference at serial no. 20 but was placed in a college which was at Serial No. 41 in the order of preference, whereas respondent no.5, though placed lower in the order of merit, was allotted the said college, in our view, the allotment/placement made by the Director was in the teeth of the law laid down by this Court in ***Alka Rani's case (supra)***, which has been affirmed by the Full Bench in ***Dr. Vinay Kumar's case (supra)***.

25. As the learned Single Judge has failed to take notice of the binding decisions of this Court in ***Alka Rani's case (supra)*** and in ***Dr. Vinay Kumar's case (supra)***, the view taken by the learned Single Judge cannot be sustained.

26. At this stage, we may deal with the other submission of the learned counsel for the respondent, which is, that since the petitioner had already joined the allotted college before filing this petition, she waived her right to challenge the placement made by the Director.

27. The aforesaid submission does not appeal to us because here the petitioner had earlier filed a writ petition, namely, Writ A No. 17108 of 2021, in which she had specifically challenged her placement. That writ petition was disposed off by giving her liberty to represent her cause to the Director who, in turn, was required to pass a speaking order after hearing the concerned respondent (Dr. Charu Mehrotra). It was specifically directed in the order dated 09.12.2021 that till the decision on the representation, the petitioner shall not be forced to join Mahila Mahavidyalaya, Kidwai Nagar, Kanpur. It

is only after the representation was decided that she had joined the college, without specifically giving up her right to challenge the order, because if she had not joined, her candidature would have been cancelled. In these circumstances, where the petitioner had been litigating for her cause, it cannot be said that she had waived her right to challenge the placement.

28. We also do not accept the submission of the learned counsel for the respondent no.5 that all the candidates were required to be impleaded in the writ proceedings. The reason is that the writ petitioner was seeking placement in the college where the respondent no.5 had been appointed though being lower in the order of merit than the petitioner. She was not seeking relief against any other person. In such circumstances, it was not required of her to implead all the selected candidates. Otherwise also, once the allocation/ placement is questioned and adjudicated upon, it is for the Director to adjust the allocation of colleges as per law.

29. For all the reasons recorded above, we are unable to agree with the view taken by the learned Single Judge. The judgment and order of the learned Single Judge dated 20.06.2022 is hereby set aside. The writ petition of the petitioner is allowed. The order of the Director dated 20.12.2021 is set aside and a direction is issued to the Director to pass a fresh order in respect of placement of the petitioner, as represented by her vide representation dated 16.12.2021, in accordance with the law, preferably, within a period of four weeks from the date a copy of this order is placed in his office.

30. The appeal is **allowed as above**.

(2023) 1 ILRA 455
APPELLATE JURISDICTION
CIVIL SIDE
DATED: ALLAHABAD 01.12.2022

BEFORE

THE HON'BLE MANOJ MISRA, J.
THE HON'BLE VIKAS BUDHWAR, J.

Special Appeal No. 671 of 2022
connected with
Special Appeal No.666 of 2022

Vice-Chancellor, Kanpur & Anr.
...Appellants
Versus
Dr. Lallu Singh & Anr. ...Respondents

Counsel for the Appellants:
Sri Rakesh Kumar

Counsel for the Respondents:
Sri Siddhartha Srivastava

A. Service Law – Constitution of India – Article 14 – Right of equality –Intelligible differentia – Pay parity – Junior was given higher pay, though discharging same duty – Effect – Junior obtained Ph.D. degree while in service, whereas the petitioner obtained the same before entry in service – Reason, how far justifiable for discrimination – Legal principle of pay parity laid down – Justifiable grounds, when the senior cannot invoke the equality doctrine, explained – Held, ordinarily, grant of higher pay to a junior would ex facie be arbitrary unless there is an intelligible differentia justifying it. No doubt, if there are justifiable grounds for doing so, the seniors cannot invoke the equality doctrine. Justifiable grounds could be such as (i) when pay fixation is done under valid statutory rules/ executive instructions; (ii) when persons recruited from different sources are given pay protection; (iii) when a senior is stopped at efficiency bar; (iv) when advance increments are given for experience/ passing a test / acquiring

higher qualifications or as incentive for efficiency. (Para 8 and 9)

B. Procedural law – Constitution of India – Article 226 – Writ – Non-joinder of necessary party – Though the University was made party, the St. and ICAR was not made party in writ petition – Effect – No objection regarding non-impleadment of St. was raised before the writ court – Objection for the first time in appeal, how far permissible – Held, the purpose of impleading a person as a party to a proceeding is to ensure that that person gets due opportunity to put its case in the proceeding. In the instant case, the Vice-Chancellor of the University, who is the principal officer of the University and is the best person to put forth the case of the University was party to the writ proceeding – High Court rejected the objection holding it hyper-technical ground. (Para 11)

Special Appeal dismissed. (E-1)

List of Cases cited:

1. St. of Andhra Pradesh & ors. Vs G. Sreenivasa Rao& ors.; (1989) 2 SCC 290

2. Govt. of A.P. & ors. Vs Veera Raghavan; (1999) 9 SCC 266

3. U.O.I. & anr. Vs R. Swaminathan & ors.; (1997) 7 SCC 690

4. Calcutta Municipal Corp. & anr. Vs Sujit Baran Mukherjee & ors.; (1997) 11 463

(Delivered by Hon'ble Manoj Misra, J.
&
Hon'ble Vikas Budhwar, J.)

1. As these two appeals are against a common judgment and order of the learned Single Judge dated 20.9.2022 in Writ-A No. 4194 of 2022, they are connected with each other and, with the consent of learned counsel for the parties, have been heard together and are being decided by a common judgment and order.

2. Writ-A No. 4194 of 2022 was filed by Dr. Lallu Singh (the appellant in Special Appeal No. 666 of 2022, who is also respondent no.1 in Special Appeal No. 671 of 2022) for quashing the orders dated 13.03.2020 and 16.07.2021 of the Director, Administration & Monitoring, Chandrashekhar Azad Krishi & Prodyogik Vishwavidyalay, Kanpur (for short the University) rejecting the claim of the writ petitioner (i.e. Dr. Lallu Singh) for stepping up his pay as to make it at par with his junior. The writ petitioner also prayed for a direction upon the University Authorities to step up the pay of the petitioner and make it at par with that of his juniors with effect from the date the juniors were given higher pay and to pay the arrears with interest.

3. The petitioner claimed for a step up in pay on the ground that by virtue of clause IV (ii) (d) of Indian Council of Agricultural Research (ICAR) circular letter dated March 3, 1999 two advance increments were to be awarded as and when a teacher of University acquires a Ph.D. Degree in his service career. On the basis thereof, the pay of many teachers, who obtained Ph.D degree during their service period, though junior to the writ petitioner, got raised and became higher than that of the petitioner therefore, on principle of pay parity, the writ petitioner was entitled to step up in pay. The University Authorities sought to justify rejection of the claim on following grounds: that the writ petitioner had entered service with Ph.D. degree and got its benefit as was available at that time for such additional qualification; whereas, the juniors with whom the writ petitioner claimed pay parity got Ph.D. degree during their service and, therefore, by virtue of ICAR circular dated March 3, 1999 they got two advance increments w.e.f.

27.07.1998 in the scale revised w.e.f. 01.01.1996; and that, the ICAR clarificatory circular, dated April 19, 2004, prohibited a claim by a senior for step up in his pay if, by such raise provided to his junior, the pay of the junior becomes higher than that of the senior.

4. What is undisputed is that the persons junior to the writ petitioner who were working on the same post were given higher pay only because they obtained Ph. D. degree during their service, which the writ petitioner held since the time of entry in service. It is also undisputed that the increment awarded to writ petitioner's junior was in light of ICAR circular letter dated March 3, 1999 which provided certain incentive for Ph.D./ M.Phil. The relevant clause of the Circular dated March 3, 1999 issued by ICAR is clause IV(ii)(d), which has been extracted below:

"A teacher will be eligible for two advance increments as and when he acquires Ph.D. degree in his service career."

5. The above part of the 1999 ICAR Circular was clarified by ICAR Circular dated April 19, 2004 in terms below: -

Sl No.	*Points of Doubt*	*Clarifications*
1	...	...
2	…	...
3	*Whether the pay of seniors can be stepped up at par with the juniors who get more pay as a result of grant of 4/2 advance increments granted for qualifications*	*The pay of seniors can not be stepped up if a junior drawing more pay on account of advance increments for acquiring Ph.D. Degree/M.Phil Degrees.*
...	...	…

6. The writ petitioner claimed that since the post on which he and his junior were working was same, the functions attached to the post were same, both got appointment through selection, the salary difference was not because any of them entered the cadre from a different stream, or with pay protection, there was no justification for the petitioner to be paid less than his junior only because the petitioner had obtained Ph.D. degree before entering service whereas, the juniors obtained after entering the service. In a nutshell the claim of the petitioner was based on the fundamental principle enshrined in Article 14 of the Constitution of India that there cannot be a class within a class and the differentiation in pay fixation has no rational basis.

7. The learned Single Judge after going through the record and pleadings of the parties took the view that the clarificatory cicular of the ICAR dated April 19,2004 is not to deprive the claim for pay parity by such seniors who hold Ph.D. degree/ M.Phil degree. Rather, it is to clarify that the senior would not have a right to claim pay parity if the junior gets the raise in pay on account of acquiring higher qualification.

8. Before we proceed further, it would be useful to notice legal principles governing pay parity. It is well settled that, ordinarily, grant of higher pay to a junior would ex facie be arbitrary unless there is an intelligible differentia justifying it. No doubt, if there are justifiable grounds for doing so, the seniors cannot invoke the

equality doctrine. Justifiable grounds could be such as (i) when pay fixation is done under valid statutory rules/ executive instructions; (ii) when persons recruited from different sources are given pay protection; (iii) when a senior is stopped at efficiency bar; (iv) when advance increments are given for experience/ passing a test / acquiring higher qualifications or as incentive for efficiency **(vide State of Andhra Pradesh and others v. G. Sreenivasa Rao and others, (1989) 2 SCC 290, reiterated in Govt. of A.P. & Ors. V. Veera Raghavan, (1999) 9 SCC 266)**; (v) where higher pay received by a junior is on account of his earlier officiation in the higher post because of local officiating promotion **(vide Union of India & Anr. v. R. Swaminathan & ors., (1997) 7 SCC 690). In Calcutta Municipal Corporation & Anr. v. Sujit Baran Mukherjee & Ors., (1997) 11 463**, the Supreme Court, in the context of stepping up pay of senior to match that of the junior, observed when all of them discharge the same duties and are under the same responsibility and not in different circumstances, the stepping up principle would apply.

9. In the instant case, there is no dispute that juniors to the writ petitioner were discharging the same duties and similarly circumstanced yet, admitted to higher pay only because they obtained Ph.D degree while in service whereas the writ petitioner held Ph. D. degree since before entry in service. This anomaly according to the learned single Judge was unjustified and discriminatory as there existed no intelligible differentia between the two. In our view, the learned single Judge is justified in taking the above view, because, a person who, in terms of qualifications, holds higher qualification from the very beginning i.e. since the time of entry in service cannot be put at a disadvantageous position qua the person who comes at par with him later. Nothing is shown either in the counter affidavit or in the order impugned in the writ petition that the junior drawing higher pay came from a different stream with pay protection or was discharging different duties or additional functions or had passed a test or was given increments out of additional experience, etc. Only ground taken is the ICAR circular dated March 3, 1999 and clarificatory circular dated April 19, 2004. In so far as 1999 circular is concerned, it provides that a teacher will be eligible for two advance increments as and when he acquires Ph.D. degree in his service career. This does not say that a teacher who is already Ph.D. is not entitled to the benefit. In so far as the clarificatory circular dated April 19, 2004 is concerned, in our view, it would bar a claim of such a senior who does not have Ph.D. degree but not of one who holds Ph.D degree. For the reasons above, we are in agreement with the view taken by the learned single Judge.

10. At this stage, Sri Rakesh Kumar, learned counsel for the University, submitted that the University derives its fund from the State Government as well as from ICAR, but neither the State Government nor the ICAR is a party in the writ petition therefore, the writ petition was liable to be dismissed for non-joinder of necessary parties. It has been submitted that even the University was not impleaded as opposite party. Only, the Vice-Chancellor of the University was impleaded as a party. For this reason alone, the petition was liable to be dismissed.

11. The aforesaid submission is hyper-technical. Had it been raised before

the learned single Judge either in the counter affidavit or orally, it might have reflected in the impugned judgment and order. The counter affidavit filed by the opposite parties in the writ proceedings is on record. A perusal thereof does not reflect that any such ground was taken. Had it been raised, the defect could have been cured by seeking impleadment of proper parties. Otherwise also, the purpose of impleading a person as a party to a proceeding is to ensure that that person gets due opportunity to put its case in the proceeding. In the instant case, the Vice-Chancellor of the University, who is the principal officer of the University and is the best person to put forth the case of the University was party to the writ proceeding and it was his decision which was communicated to the writ petitioner. Notably, he as well as the other officer of the University represented the University and a counter affidavit was also filed putting forth the stand of the University. In such circumstances, we do not find a good reason to set aside the order of the learned Single Judge on that technical ground.

12. In so far as non-impleadment of the State Government and the ICAR is concerned, the writ petitioner was employed by the University and his salary was paid by the University. Wherefrom the University sources its fund is not the concern of the petitioner. In such circumstances, we do not find any justification to set aside the order of the learned Single Judge on that ground.

13. At this stage, Sri Siddhartha Srivastava, who appears for the writ petitioner (Dr. Lallu Singh), presses his Special Appeal No. 666 of 2022 by submitting that the learned Single Judge should have awarded interest on the arrears payable on account of step up in the pay directed by the learned Single Judge.

14. We notice from the order of the learned Single Judge that he has directed step up in the pay of the writ petitioner with retrospective effect i.e. from the date when Dr. Hargyan Prakash, a junior to the writ petitioner, was first paid higher pay than the petitioner. From the submissions made at the Bar, we could assess that Dr. Hargyan Prakash was provided pay higher than what was paid to the writ petitioner from sometimes in the year 2007, may be from a back date. Although it is stated that the writ petitioner had been representing his cause since 2011 but the representation which was pressed was made in the year 2017. No doubt, since then the petitioner had been diligent in pursuing his claim but had been lethargic in pursuing his claim earlier. We, therefore, deny the prayer of the petitioner for interest on the dues from the back date.

15. In light of the discussion above, both the appeals fail and are **dismissed**. The judgment and order of the learned Single Judge is affirmed.

2. Civil Appeal No. 7676 of 2009; M.D., Pradeshik Co-op. Dairy Fedn. Ltd. & anr. Vs V ishwanath Gupta decided on 19.05.2014

3. Vishwanath Gupta Vs Pradeshik Cooperative Dairy Federation & ors.; 1998 (80) FLR 457

(Delivered by Hon'ble Rajesh Bindal, C.J.
&
Hon'ble J.J. Munir, J.)

1. This is a respondents' appeal, arising out of the judgment of the learned Single Judge dated April 1, 2011, allowing the writ petition and setting aside the order of dismissal from service dated June 21, 1996 passed against the writ petitioner-respondent No. 1 to this appeal. By the impugned judgment, the learned Single Judge has further directed payment of 50% back-wages. Liberty was given to the respondents to pass a fresh order in accordance with law.

2. Shorn of unnecessary details, the facts are that the writ petitioner was appointed as a Project Operator with the Pradeshik Cooperative Dairy Federation Limited, Lucknow (for short, "the PCDF'), an Apex Milk Cooperative Society, as envisaged in Section 2(a-4) of the Uttar Pradesh Cooperative Societies Act, 1965 (for short, "the Act of 1965'). A Project Operator in the employ of the PCDF holds a Class-IV post. The writ petitioner was charge-sheeted on charges of embezzlement and misappropriation of the PCDF's money. After a departmental inquiry, he was dismissed from service on June 21, 1996 by an order passed by the Managing Director, PCDF.

3. The writ petition was filed, challenging the order of dismissal from service and for consequential reliefs. After exchange of affidavits, the writ petition was allowed by the learned Single Judge vide order dated April 1, 2011 on the short ground that the order of dismissal could not be passed by the PCDF without the

approval of the U.P. Cooperative Institutional Services Board (for short, "the Board') under Regulation 87 of the Uttar Pradesh Cooperative Societies' Employees' Service Regulations, 1975 (for short, "the Regulations of 1975'). The respondents to the writ petition, who are the Managing Director and two other Officers of the PCDF, have filed appeal against the judgment of the learned Single Judge.

4. Heard Mr. G.D. Mishra, learned Counsel for the PCDF and Mr. S.C. Srivastava, learned Counsel appearing for the writ petitioner-respondent.

5. It is submitted by Mr. G.D. Mishra, learned Counsel for the PCDF that the learned Single Judge has recorded a wrong finding to the effect that in the counter affidavit, the PCDF had taken a stand that the Regulations of 1975 are not applicable to them, whereas what they say in the counter affidavit is that the Regulations of 1975 apply, except the provisions thereof dealing with recruitment, training and disciplinary control, which have been excluded under the statutory Notification dated November 17, 1979, insofar as the PCDF is concerned. The learned Counsel has drawn the Court's attention to Paragraph No. 27 of the counter affidavit at Page No. 120 of the Paper-book. It is argued by Mr. Mishra that the State constituted the Board for recruitment, training and disciplinary control of employees of Apex Level Societies, Central or Primary Societies in the exercise of their powers under Section 122 of the Act of 1965 vide Notification dated March 4, 1972, as amended on February 7, 1973. In terms of the Notification dated March 4, 1972, the Regulations of 1975 in their entirety apply, including Regulation 87. By a subsequent Notification dated November 17, 1979, according to the learned Counsel for the PCDF, the Notification dated March 4, 1972 was modified and the Apex Level Milk Society i.e. the PCDF, Central or Primary Milk Societies, whose area of operation extended to more than one district or State and Cooperative Milk Unions, including Kanpur Cooperative Milk Board, have been excluded from the purview of the Board.

6. It is further argued by Mr. G.D. Mishra that the learned Single Judge has committed an error, in taking the view that the order dismissing the writ petitioner from service, is bad in law, because no prior approval of the Board was obtained as required by Regulation 87 of the Regulations of 1975. The learned Counsel submitted that the learned Judge has reached the aforesaid conclusion following the decision of a Division Bench of this Court in **Special Appeal No. 992 of 1997,** titled as "**Pradeshik Cooperative Dairy Federation Ltd. and another vs. Vishwa Nath Gupta and others**', decided on August 27, 2007 (for short, "Vishwa Nath Gupta-I'), which is clearly distinguishable about the point on which the decision turned and received affirmation of the Supreme Court in **Civil Appeal No. 7676 of 2009, titled as "M.D., Pradeshik Co-op. Dairy Fedn. Ltd. & anr. vs. Vishwanath Gupta**', decided on May 19, 2014 (for short, "**Vishwanath Gupta-II').**

7. The learned Counsel for the writ petitioner, on the other hand, says that the decision of the learned Single is flawless and submits that the decision of the Division Bench in **Vishwa Nath Gupta-I**, which it has followed to hold prior approval by the Board mandatory, before passing the order of dismissal from service, has received the approval of the Supreme

Court in **Vishwanath Gupta-II**. It is submitted that the PCDF has never been excluded from the regime of the Regulations of 1975, which continue to apply to it. Therefore, the mandatory requirement envisaged under Regulation 87 of the Regulations of 1975 obliging the PCDF to obtain prior concurrence of the Board before inflicting the punishment, enumerated in Regulation 84(i)(g) of the Regulations of 1975 continues to apply. It is, particularly, argued by Mr. S.C. Srivastava that a reading of the Notification dated March 4, 1972, as amended by Notification dated February 7, 1973 issued under Section 122 of the Act of 1965 together with Notification dated November 17, 1979, also issued under Section 122, does not spare a shadow of doubt that the provisions relating to disciplinary control under the Regulations of 1975 have not been excluded. It is submitted that an order of dismissal from service cannot be passed by the PCDF against an employee of theirs without prior concurrence of the Board under Regulation 87. It is also emphasized that the judgment of the learned Single Judge is squarely supported by the principles laid down by Division Bench of this Court in **Vishwa Nath Gupta-I.**

8. We have considered the submissions advanced by learned Counsel appearing for the parties and perused the record.

9. There is no issue between parties that the PCDF is an Apex Society, as defined under Section 2(a-4) of the Act of 1965, which is governed by the provisions of the said Act.

10 . Sections 121 and 122 of the Act of 1965, both of which speak about the framing of service regulations for employees of Cooperative Societies and also about establishment of the Board by the State Government for recruitment, training and disciplinary control of employees of Cooperative Societies or a class of Societies, may be quoted. These read as under:

"Section 121 - Power of Registrar to determine terms of employment of society.- (1) The Registrar may, from time to time, frame regulation to regulate the emoluments and other conditions of service including the disciplinary control of employees in a co-operative society or a class of co-operative societies and any society to which such terms are applicable, shall comply with those regulations and with any orders of the Registrar, issued to secure such compliance.

(2) The regulations framed under sub-section (1) shall be published in the Gazette and take effect from the date of such publication.

Section 122. Authority to control employees of co-operative societies.- (1) The State Government may constitute an authority or authorities, in such manner as may be prescribed, for the recruitment, training and disciplinary control of the employees of co-operative societies, or a class of co-operative societies, and may require such authority or authorities to frame regulations regarding recruitment, emoluments, terms and conditions of service including disciplinary control of such employees and subject to the provisions contained in Section 70, settlement of disputes between an employee of a co-operative society and the society.

(2) The regulations framed under sub-section (1) shall be subject to the

approval of the State Government and shall, after such approval, be published in the Gazette, and take effect from the date of such publication and shall supersede any regulations made under Section 121."

11. In exercise of powers under Section 122 of the Act of 1965 read with Rule 389-A of the U.P. Cooperative Societies Rules, 1968, the State Government constituted the Board vide Notification No. 366-C/XII-C-3-36-71, published in the U.P. Gazette, Extra-ordinary dated March 4, 1972, which was amended by Notification dated February 7, 1973. The Board was constituted for the purpose of recruitment, training and disciplinary control of employees of Apex Level Societies, Central or Primary Societies, excluding Cooperative Cane Development Unions as also the U.P. Cooperative Cane Unions Federation Limited, Lucknow. The Apex Level Societies, that were placed under the purview of the Board, are those whose area of operation extended to more than one district or State. Also, placed under the purview of the Board are the District or Central Cooperative Banks, District Cooperative Federations, Cooperative Milk Unions, including Kanpur Milk Board, Cooperative Cane Sugar Factories, Cooperative Textile Mills and Cooperative Housing Federation. The constitution of Board was spelt out by the Notification dated March 4, 1972 and the Board was invested with power to frame regulations regarding recruitment, emoluments, besides terms and conditions of service, including disciplinary control of employees, serving Societies under the purview of the Board. The Board in exercise of its powers, under the Notification creating it, proceeded to frame the Regulations of 1975. The regulations were approved by the Government and published in accordance with sub-Section (2) of Section 122 of the Act of 1965 vide Notification No. 7515 (C)/ XII-C-37-74, in the U.P. Gazette, Extraordinary dated January 6, 1976.

12. Chapter VII of the Regulations of 1975 provides for penalties, disciplinary proceedings and appeals vis-a-vis employees of Cooperative Societies governed by the Regulations.

13. Regulation 84 specifies the various penalties, that may be imposed upon an employee as also the broad grounds, on the basis of which that may be done. Regulation 84(i) reads as under:

"84. Penalties.- (i) Without prejudice to the provisions contained in any other regulation, an employee who commits a breach of duty enjoined upon him or has been convicted for criminal offence or an offence under section 103 of the Act or does anything prohibited by these regulations shall be liable to be punished by any one of the following penalties: -

(a) censure,

(b) with holding of increment,

(c) fine on an employee of Category IV (peon, chaukidar, etc.).

(d) recovery from pay or security deposit to compensate in whole or in part for any pecuniary loss caused to the co-operative society by the employee's conduct,

(e) reduction in rank or grades held substantively by the employee,

(f) removal from service, or

(g) dismissal from service"

14. Regulation 87 mandates that an order inflicting penalties under sub-clauses (e) to (g) of Clause (i) of Regulation 84 shall not be made without the prior concurrence of the Board. The Notification dated March 4, 1972, whereby Apex Level Societies, Central or Primary, were placed under the purview of the Board, was modified by a Notification dated November 17, 1979 issued by the State Government in exercise of their powers under sub-Section (1) of Section 122 of the Act of 1965 read with Rule 389-A of the Rules framed under the Act of 1965 vide Notification No. 4326/XII-P-4-79-3(59)-78 dated November 17, 1979. The Notification dated November 17, 1979 reads as under:

"IN pursuance of the provisions of sub-section (1) of Section 122 of the Uttar Pradesh Co-operative Societies Act, 1965 (U.P. Act no. XI of 1966), read with Rule 389-A of the U.P. Co-operative Societies Rules, 1968 and section 21 of the U.P. General Clauses Act, 1904 (U.P. Act no. 1, 1904) and in partial modification of notification No. 366-C/XII-C-3-36-71 dated March 4, 1972, the Governor is pleased to order that the U.P. Co-operative Institutional Service Board constituted under the said notification shall forthwith cease to operate regarding the recruitment, training and disciplinary control of the employees of the Apex Level Milk Society i.e. the Pradeshik Cooperative Dairy Federation, Central or Primary Milk Societies, whose area of operation extends to more than one district or State and Co-operative Milk Unions, including Kanpur Co-operative Milk Board.

2. Further the Governor, is pleased to constitute a Selection Committee for the recruitment of category I and II employees, as specified by the Registrar from time to time, of the Apex Level Milk Society i.e. the Pradeshik Co-operative Dairy Federation, Central Milk Societies and Co-operative Milk Unions including Kanpur Co-operative Milk Board. The said Selection Committee shall consist of the following members :-

1.	An officer nominated by the State Government	-Chairman
2.	A representative of National Dairy Development Board	Member
3.	Principal, Agricultural Institute, Naini, Allahabad	Member
4.	One Chairman of a Co-operative Milk Union or Central Milk Society in the State nominated by the State Government	Member
5.	Managing Director, Pradeshik Co-operative Dairy Federation	Member-Secretary."

15. It is the writ petitioner's case that the order of dismissal passed against him is bad on account of prior concurrence of the Board having not been obtained by the PCDF.

16. The learned Counsel for the PCDF has urged that in view of the Notification dated November 17, 1979, the PCDF has been excluded from the purview of the Board and their prior concurrence is not required to impose any penalty upon the writ petitioners.

17. We find that the learned Single Judge has based his finding that the writ

petitioner's termination is in violation of Regulation 87 of the Regulations of 1975 on account of absence of prior concurrence of the Board, upon the judgment of the learned Single Judge of this Court in **Vishwanath Gupta vs. Pradeshik Cooperative Dairy Federation & Ors. 1998(80)FLR 457** (for short, "Vishwanath Gupta-III'), that was upheld by the Division Bench in **Vishwa Nath Gupta-I.**

18. In **Vishwanath Gupta-III,** it was held by the learned Single Judge of this Court:

"4. It appears from the notification dated 17.11.1979 that only U. P. Cooperative Institutional Service Board was ceased to operate regarding, recruitment, training and disciplinary control of the employees. It does not say that 1975 Regulations shall cease to operate. On the contrary, it is only the Institutional Service Board which ceased to operate, thereby it means that the jurisdiction which was due to be exercised by the Institutional Service Board, can be exercised by the authority managing such society, whose Jurisdiction was taken away and conferred on the Institutional Service Board by virtue of 1975 Regulations. By reason of the said notification, the jurisdiction of the Committee of Management or controlling authority of the society, was revived and restored within the ambit of 1975 Regulations. The said fact stands clarified by reason of the communication or letter Issued by the Milk Commissioner dated 17th September, 1981 contained in Annexure S.A. 1 to the supplementary affidavit filed today. Even without clarification as observed earlier, the said Regulations remained applicable which was only specifically mentioned. Therefore, it is not that by virtue of the said order (S. A. 1), 1975 Regulation is applicable but by virtue of the notification dated 17.11.1979, the application of 1975 Regulation was never withdrawn. Then again in the counter-affidavit, it has been urged that the services of the petitioner were terminated according to 1975 Regulation on account of absconding of the petitioner from service. During the course of his arguments, learned counsel for the respondent, had drawn my attention to Regulation 85 (ii) (b) of 1975 Regulations that services of an employee can be terminated without holding any disciplinary proceeding if he had absconded within the mantling of clause (b) aforesaid. Therefore, preliminary objection cannot be accepted and is accordingly overruled."

19. The Division Bench in **Vishwa Nath Gupta-I** upheld the learned Single Judge's opinion on the point, observing:

"In view of the aforesaid settled legal position it has to be examined in the facts of the present case as to whether the issuance of the notification dated 17.11.1979 whereby the Pradeshik Co-operative Dairy Federation has been withdrawn from the purview of the U.P. CO-operative Institutional Services Board would have effect of making the provisions of U.P. Co-operative Societies Employees Services Regulation, 1975, inapplicable to the employees of the Society. This Court may record that the Hon'ble Single Judge has specifically held that notification dated 17.11.1979 only provided that the Institutional Board shall have no control qua recruitment training and disciplinary control of the employees of Pradeshik Co-operative Dairy Federation. The notification does not provide that Regulation of 1975 would cease to apply. The aforesaid aspect of the matter stands

clarified by reason of the communication of the Milk Commissioner who is also the Registrar of the Milk Co-operative Societies dated 17.9.1981 which provided that the statutory Regulations of 1975 would continue to be applicable to the employees of Pradeshik Cooperative Dairy Federation.

The Hon'ble Single Judge has rightly held that at no point of time the applicability of Regulation 1975 was withdrawn qua the employees of Pradeshik Co-operative Dairy Federation Ltd. Once it has been found that the statutory Regulations of 1975 were applicable, it would be seen that the impugned order of termination is in teeth of Regulation 85 (II) (b) of the U.P. Co-operative Societies Employees Services Regulation, 1975. This Court, therefore, hold that the judgment of the Hon'ble Single Judge allowing the writ petition is in accordance with law."

20. Upon Appeal by Special Leave, the Supreme Court in **Vishwanath Gupta-II** upheld the learned Single Judge's opinion, as affirmed by the Division Bench and observed:

"The facts are not in dispute. The question that emerges for consideration is whether the interpretation placed by the High Court of Regulation 85 (ii) (b) is correct and whether the High Court has oppositely opined that the terms and conditions enshrined in the said Regulation had not been complied to attract its applicability. To appreciate the controversy, it is necessary to reproduce the said Regulation:

"85. Disciplinary proceedings: (1) the disciplinary proceedings against an employee shall be conducted by the Inquiring Officer (referred to in clause (iv) below with the due observance of the principles of natural justice for which it shall be necessary:-

(ii (a) Where an employee is dismissed or removed from service on the ground of conduct which was led to his conviction on a criminal charge; or

(b) Where the employee has absconded and his whereabouts are not known to the society for more than three months; or

(c) Where the employee refused or fails without sufficient cause to appear before the Inquiry Officer when specifically called upon in writing to appear; or

(d) Where it is otherwise (for reasons to be recorded) not possible to communicate with him, the competent authority may award appropriate punishment without taking or continuing disciplinary proceedings disciplinary proceedings."

On a bare reading of the said Regulation, it is quite vivid that to attract the said Clause, two conditions precedent, namely, absconsion of the employee and, second, the employer i.e. the Society should be in a position to form an opinion that whereabouts of the employee are not known to the employer for more than three months. The High Court has found that the second condition was not satisfied. The reasoning given by the High Court reads as follows:

x x x x x

We find that the reasons assigned by the High Court on the backdrop of the facts are absolutely sound. The conditions precedent were not satisfied and hence, the

employer without holding an enquiry could not have terminated the services of the respondent. Be it noted, it is an exceptional clause and, therefore, the conditions precedent are to be strictly construed."

21. A careful reading of the judgment of the learned Single Judge in **Vshwanath Gupta-III** shows that the decision in that case did not turn on the issue of prior concurrence by the Board to the penalty imposed, but upon the point that the conditions precedent to the exercise of powers under Regulation 85 (ii) (b) were not fulfilled.

22. No doubt, an issue was raised in Vishwanath Gupta-III that a writ petition to challenge the termination of services of an employee of the PCDF was not maintainable, because it was not "State' and by virtue of the Notification dated November 17, 1979, the PCDF was no longer under the purview of the Board, but this Court did not accept the PCDF's contention regarding the maintainability of a writ petition against them by an employee questioning the imposition of a penalty. It was opined that it is only the Board, whose jurisdiction has ceased under the Regulations of 1975 and can now be exercised by the Authority managing the concerned Society, which was earlier taken away and conferred on the Board by virtue of the Regulations of 1975. It was also held that the Notification dated November 17, 1979 has not placed the PCDF beyond the purview of the Regulations of 1975. The other provisions of the Regulations of 1975, including those in Chapter VII were, therefore, held, in the opinion of this Court, to be applicable to the PCDF.

23. The logical corollary of the holding in **Vishwanath Gupta-III** is that after issue of the Notification dated November 17, 1979, prior concurrence of the Board before one or the other specified major penalties were imposed on an employee of the PCDF was no longer necessary. But, that was not the *ratio decidendi*. The Division Bench in Special Appeal No. 992 of 1997 also upheld the learned Single Judge not on the point that prior concurrence of the Board was necessary before termination of services of an employee of the PCDF, but that the Regulations of 1975 continue to be applicable notwithstanding withdrawal of jurisdiction of the Board vide Notification dated November 17, 1979. And, therefore, the termination before the Court in that case was in teeth of Regulation 85(ii)(b) of the Regulations of 1975.

24. The holding of their Lordships of the Supreme Court in Vishwanath Gupta-II upholding both the learned Single Judge and the Division Bench also is to the effect that the termination of the employee in the cause before the Court was in violation of Regulation 85(ii)(b) of the Regulations of 1975, which continue to apply notwithstanding the Notification dated November 17, 1979.

25. In our opinion, therefore, the learned Single Judge was not right in holding that the Division Bench in **Vishwa Nath Gupta-I** having opined that the Regulations of 1975 were applicable to the PCDF, prior concurrence of the Board had to be obtained by the PCDF before passing the impugned order of dismissal. In our opinion, the learned Single Judge has misunderstood the eloquent exposition of the law in **Vishwanath Gupta-III and Vishwanath Gupta-II,** that is, both in the judgment of the learned Single Judge and the Division Bench there, which clearly lay

down that in view of the Notification dated November 17, 1979, the Regulations of 1975 have not been withdrawn and continue to regulate the service conditions of employees of the PCDF, but the control and the jurisdiction of the Board no longer extends to the PCDF. It is this removal of the jurisdiction of the Board under the Regulations vis-a-vis the PCDF by the Notification

26. The learned Single Judge has proceeded to opine on the premise that since the Regulations of 1975 have been held to apply to the PCDF by the learned Single Judge in **Vishwanath Gupta-III** and the Division Bench in **Vishwanath Gupta-I**, the impugned order of dismissal without compliance with Regulation 87, that is to say, without obtaining prior concurrence of the Board is bad. We are afraid that this is not at all so.

27. Upon a careful reading of the Notification dated March 4, 1972 and the subsequent Notification dated November 17, 1979, we are of opinion that it is not that the Regulations of 1975 have ceased to apply to the PCDF, but it is indubitable that the PCDF is no longer under the purview of the Board as regards recruitment, training and disciplinary control of its employees after the issue of the Notification dated November 17, 1979. Therefore, in our considered opinion, while the Regulations of 1975 would continue to apply to the PCDF, Regulation 87, which mandates prior concurrence of the Board before any of the specified major penalties, in sub-clauses (e), (f) and (g) of Clause (i) of Regulation 84 are imposed, would not be applicable to the PCDF. The PCDF would not at all be required to obtain the prior concurrence of the Board before imposing any of the specified major penalties.

28. No other point has been argued before us to support the judgment of the learned Single Judge.

29. In our opinion, therefore, the impugned order passed by the learned Single Judge cannot be sustained.

30. This Special Appeal is allowed, the impugned judgment and order passed by the learned Single Judge is set aside and the writ petition dismissed.

BEFORE

THE HON'BLE SAUMITRA DAYAL SINGH, J.

Writ-A No. 2830 of 2020

Rampyari @ Budhrani ...Petitioner
Versus
State of U.P. & Ors. ...Respondents

Counsel for the Petitioner:
Sri Jitendra Kumar Mishra, Sri Ram Naresh Singh, Sri Sarvesh Singh, Sri Shiv Datta Yadav

Counsel for the Respondents:
C.S.C.

A. Service Law – Compassionate appointment – Live in partner's right – Petitioner was married to someone else – Though the marriage was not dissolved, she claimed herself to be wife of deceased – Claim of compassionate appointment, how far considerable – Held, a legally wedded wife of one person may never be heard to claim compassionate appointment against death of her live in partner, during subsistence of her marriage – Citizens may exercise their free choice in these matters i.e. to live

such life as may not infringe with law yet, the Court can only recognise the legal right and act to protect the same – Though the petitioner's life and liberty was protected despite her choice to live outside her marriage, at present the law may not recognise the right of the petitioner to compassionate appointment for reason of death of her live in partner. (Para 10 and 11)

Writ petition dismissed. (E-1)

(Delivered by Hon'ble Saumitra Dayal Singh, J.)

1. Heard Sri Shive Datta Yadav learned counsel for the petitioner and Dr. Santosh Shukla learned Standing Counsel for the State respondents.

2. Supplementary affidavit filed today, taken on record. Also, learned Standing Counsel has produced original service book of the deceased Ram Sajivan. Original marriage agreement between the petitioner and Ram Sajivan dated 24.6.2006 has also been produced by learned counsel for the petitioner.

3. Present petition has been filed to challenge the order dated 10.8.2019 passed by the District Inspector of Schools, Fatehpur. Thereby the said authority has rejected the application for grant of compassionate appointment made by the petitioner arising from the death of Ram Sajivan who died in harness on 20.1.2014 while working on the post of Peon at Sukhdev Inter College, Khaga, Fatehpur.

4. In rejecting the application made by the petitioner, the District Inspector of Schools, Fatehpur has considered the affidavit of the mother of the deceased namely Phoolmati dated 12.8.2014 wherein she had stated, her son Ram Sajivan died a bachelor. Also, service book of the deceased did not support the claim made by the petitioner that she was the married wife of the deceased.

5. In the present proceedings, learned counsel for the petitioner has first relied upon a compromise stated to have been arrived between the petitioner and the sisters of the deceased Ram Sajivan namely Ms. Durga Devi, Ms. Sharda Devi and Ms. Lakshmi. It is dated 11.7.2018. It may be noted, the mother of the deceased Phoolmati died on 13.1.2017. Therefore, though her name appears in the compromise deed, she is not a signatory thereto.

6. Upon such facts being noted, learned counsel for the petitioner was required to file supplementary affidavit to bring on record the certificate to establish the occurrence of death of Smt. Phoolmati. Further, original of the Marriage Agreement (relied upon by the petitioner), was also required to be produced.

7. Having heard learned counsel for parties and having perused the record, it now transpires, petitioner was first married to one Hori Lal, as has been stated in paragraph-4 of the supplementary affidavit, filed today. During subsistence of that marriage and without its legal dissolution, petitioner claims to have entered into a relationship with the deceased Ram Sajivan pursuant whereto they entered into a written agreement described as Marriage Agreement. It is dated 24.6.2006.

8. Original document produced today indicates, the same has been signed by one in the name Ram Sajivan and the other in the name Budhrani. That document does not mention any alias of

the said Budhrani. It describes that person as daughter of Om Prakash. Signatures affixed to that Marriage Agreement is also in the writing-Budhrani. Then, though the document has been prepared on 24.6.2006, it has been stamped on 26.9.2005. Also, grave doubt exists as to the identity of the petitioner being the same person who may have entered into Marriage Agreement with the deceased. It is so because the signatory of that document did not describe herself as Budhrani @ Ram Pyari. She also did not disclose her parentage in that document.

9. Present petition has been filed by Ram Pyari @ Budhrani. Affidavit thereto is of one Ram Pyari. It does not disclose any alias of the said Ram Pyari. Identity of said Ram Pyari has been claimed on the strength of a photostat copy of Voter ID Card. It also describes the holder of that card to be Ram Pyari and not Ram Pyari @ Budhrani. Facts, noted above may themselves prevent the Court from granting any relief under Article 226 of the Constitution to such a person about whose identity there exists grave doubt.

10. Yet, a more serious objection exists-the petitioner admits to have married one Hori Lal in the year 2006 and further that that marriage was never legally dissolved. Being Hindu, by religion, it is difficult to accept the status of the petitioner as the legally wedded wife of the deceased Ram Sajivan, during lifetime of Hori Lal. No fact disclosure has been made as to the identity of Hori Lal or his current status. A legally wedded wife of one person may never be heard to claim compassionate appointment against death of her live in partner, during subsistence of her marriage.

11. Citizens may exercise their free choice in these matters i.e. to live such life as may not infringe with law yet, the Court can only recognise the legal right and act to protect the same. Thus, though the petitioner's life and liberty was protected despite her choice to live outside her marriage, at present the law may not recognise the right of the petitioner to compassionate appointment for reason of death of her live in partner. That law being Rule driven, the petitioner is found not covered by any category of heirs of the deceased entitled to compassionate appointment. The Service Book of the deceased also does not include the name of the petitioner as a family member of the deceased.

12. For the reasons noted above, writ petition lacks merit and is **dismissed**.

13. The original service book of the deceased has been returned to the learned Standing Counsel and the original Marriage Agreement has been returned to learned counsel for the petitioner after due perusal.

BEFORE

THE HON'BLE PANKAJ BHATIA, J.

Writ-A No. 3042 of 2015

Rajendra Singh ...Petitioner
Versus
State of U.P. & Ors. ...Respondents

Counsel for the Petitioner:
Sri Som Kartik, Sri Piyush Mishra

Counsel for the Respondents:
C.S.C., Sri Abhishek Dwivedi, Sri Ajay Kumar, Sri Dileep Kumar Mishra, Sri Jogendra Nath Verma

A. Service Law – Post of Head Master – Appointment – Requisite qualification, non-possession thereof – Concealment of material fact – Effect – Principle of natural justice, how far applicable – Held, considering the fact that the petitioner never had the requisite qualification for appointment, the non following of principles of natural justice would have no effect on outcome of the petition as it is well settled that in service jurisprudence the allegations of violation of principles of natural justice have to be fortified by the test of prejudice caused on account of violation of principles of natural justice. (Para 16)

Writ petition dismissed. (E-1)

List of Cases cited:

1. Abhiram Vs St. of U.P. & ors.; 2021 (2) ALJ 102

2. Sushil Kumar Dwivedi Vs Basic Shiksha Adhikari, Banda & ors.; (2003) 2 UPLBEC 1216

3. Ram Surat Yadav& ors. Vs St. of U.P.& ors. (2014) 1 UPLBEC 1

4. Ram Surat Yadav& ors. Vs St. of U.P.& ors. (2014) 1 UPLBEC 1

(Delivered by Hon'ble Pankaj Bhatia, J.)

1. Heard learned Counsel for the petitioner, learned Standing Counsel for the respondent no.1, learned Counsel for the respondent no.2, Sri Ajay Kumar, learned Counsel appearing on behalf of the respondents no.3 and 4 and Sri Dileep Kumar Mishra,

2. The present petition has been filed challenging the order dated 11.05.2015 whereby the appeal filed by the Committee of Management against the order of Basic Education Officer rejecting the resolution of termination of the petitioner's services was allowed.

3. Subsequently during the pendency of the writ petition, an amendment application was filed in view of the fact that in pursuance to the appeal being allowed, a fresh order had been passed on 19.09.2015 whereby the Basic Education Officer has accepted the resolution of the Committee of Management for removal of the petitioner from the institution in question.

4. The facts in brief are, that the petitioner claiming to have the requisite qualification applied for being appointed to the post of Headmaster with the College run by the respondent no.5. Initially, the appointment was granted to the petitioner and the appointment of the petitioner was also recognized by the Basic Education Officer and the petitioner continued to work in the institution, for almost 10 years.

5. It is argued that subsequent to the said period, proceedings were initiated against the petitioner for having obtained the appointment as well as the approval by concealing the material facts. The petitioner was served with the charge-sheet dated 10.11.2014 by the Committee of Management calling upon the petitioner to show cause as to why the appointment granted to him may not be cancelled in view of the fact that the same has been obtained by concealing the material facts.

6. In support of the said, the first charge as levelled against the petitioner was for obtaining the employment, the petitioner had placed reliance on two Experience Certificates having been issued by one Indian Public Inter College,

Lucknow, where the petitioner had allegedly worked as an Assistant Teacher from July, 1998 to 10.03.2000 and the certificate issued by one Survodya Public Inter College, Lucknow, where the petitioner had admittedly served as an Assistant Teacher from July, 2000 to 10.08.2003. The petitioner gave a reply to the said show cause notice denying the allegations. The said show cause notice was held by the respondents to be without any merit and orders were passed holding that the appointment of the petitioner in both the said schools were without the requisite qualifications on the date of appointments. It was also recorded that although the Survodya Public Inter College, Lucknow had not responded to the efforts for finding the truth, Indian Public Inter College had given its report. Finding the explanation given by the petitioner to be unacceptable, a resolution came to be passed on 30.11.2014 terminating the services of the petitioner. The said order of termination passed through resolution by the respondent no.5 was sent for approval before the Basic Education Officer who by means of an order dated 16.01.2015 disapproved the resolution of the Committee of Management.

7. The said order rejecting the approval, was challenged in an appeal by the Committee of Management before the Secretary, Board of Basic Education, Prayagraj. The said appeal came to be allowed on 11.05.2015 whereby the disapproval order was set aside. Thereafter the Committee of Management passed an order dated 21.05.2015 stating that services of the petitioner stood terminated and the appointment order was cancelled. In terms of the said order, a fresh order came to be passed by the Basic Education Officer whereby the approval was granted to the resolution of the Committee of Management terminating the services of the petitioner on 19.09.2015. The said order is under challenge by means of filing an amendment application.

8. The contention of the Counsel for the petitioner is that the principles of natural justice were not followed, inasmuch as, from the perusal of the records, it is clear that subsequent to the filing of reply filed by the petitioner to the charge-sheet efforts were made to collect the evidence from the two schools and the petitioner was never confronted with the said evidences before passing of the final orders. He further argues that the provisions of The U.P. Government Servant (Discipline and Appeal) Rules, 1999 (in short 'the 1999 Rules'), applicable to the State Government employees, were never followed, inasmuch as, procedure prescribed under Rule 7 of the 1999 Rules was not followed as no inquiry was held and the mandatory requirement of Rule 7 was not followed in toto.

9. In support of the said submissions, the Counsel for the petitioner places reliance on the judgment of this Court in the case of Abhiram vs State of Uttar Pradesh and others; 2021 (2) ALJ 102 wherein this Court had the occasion to consider the applicability of U.P. Government Servant (Discipline and Appeal) Rules, 1999 and the Court was of the view that without holding of the inquiry as contemplated under the Rule 1999, the dismissal order could not be justified.

10. The Counsel for the petitioner further argues that even by passing the termination order, it has been merely recorded that the reply submitted by the petitioner is not satisfactory, which

according to the petitioner is itself arbitrary and no reasons have been recorded for not accepting the contention of the petitioner. He thus argues that the order impugned is liable to be set aside.

11. The Counsel for the respondent no.5, on the other hand, specifically argues that the appointment to the Headmaster, at the relevant point of time, were governed under the provisions of U.P. Recognized Basic Schools (Junior High School) (Recruitment and Conditions of Service of Teachers) Rules, 1978 (in short 'the 1978 Rules'). He places reliance on Rule 4 to argue that Rule 4(1) prescribes the manner in which an Assistant Teachers of a recognized school can be appointed and Rule 4(2) prescribes for the minimum qualification required for the appointment to the post of Headmaster of a recognized school. Rule 4 of the 1978 Rules is quoted below:

*"**4. Minimum qualifications.** (1) The minimum qualifications for the post of assistant teacher of a recognised school shall be Intermediate Examination of the Board of High School and Intermediate Education, Uttar Pradesh or equivalent examination (with Hindi) and a teacher's training course recognised by the State Government or the Board such as Hindustani Teaching Certificate, Junior Teaching Certificate, Basic Teaching Certificate, or Certificate of Training,*

(2) The minimum qualifications for the appointment to the post of Headmaster of a recognised school shall be as follows: (a) A degree from a recognised University or an equivalent examination recognised as such;

(b) A teacher's training course recognised by the State Government or the Board, such as Hindustani Teaching Certificate, Junior Teaching Certificate, Certificate of Training or Basic Teaching Certificate; and

(c) Three years' teaching experience in a recognised school."

12. This rule quoted above lays down the minimum qualifications both for the post of assistant teachers as well as for post of Headmasters. While a degree from recognised University, training certificate and teaching experience are necessary for being appointed as Headmaster, the essential qualification for the appointment as an assistant teacher is only Intermediate in addition to a teachers' training course.

13. He further draws my attention to the definition of 'Recognized School' as contained in Rule 2(g) to mean as under:

*"2. **Definitions.** - In these rules, unless the context otherwise requires -*

(a) ...

(b) ...

(c) ...

(d) ...

(e) ...

(f) ...

(g). 'Recognised School' means any Junior High School, not being an institution belonging to or wholly maintained by the Board or any local body, recognised by the Board as such."

14. The Counsel for the respondent no.5 argues that admittedly the petitioner

had obtained the training in the year 2003 and thus, even as per the submission of the petitioner, he did not have the requisite qualification for being appointed as an Assistant Teacher of a recognized school which is specified under Rule 4(1) of the 1978 Rules. He further argues that once the petitioner did not have the requisite qualification to be appointed as an Assistant Teacher in terms of Rule 4(1) of the 1978 Rules, he could have produced the experience certificate of teaching in a recognized school, which is required specifically in Rule 4(2) of the 1978 Rules. He thus argues that the petitioner did not possess the requisite qualification for being appointed and had obtained the appointment as well as the recognition to the said appointment on the strength of certificates, which could not have been issued by the schools in question as the petitioner did not have the requisite qualification for appointment as Assistant Teacher. He places reliance on the judgment in the case of ***Sushil Kumar Dwivedi vs Basic Shiksha Adhikari, Banda and others; [(2003) 2 UPLBEC 1216]*** as well as in the case of ***Ram Surat Yadav and others vs State of U.P. and others [(2014) 1 UPLBEC 1].***

15. From the submissions made at the bar, it is culled out that the petitioner got the appointment on the post of Headmaster placing reliance on two experience certificates which were obtained by the petitioner on his having worked on the post of Assistant Teacher from July 1998 to 10.03.2000 as well as the other certificate in which the petitioner claims to work from July, 2000 to 10.08.2003. The petitioner as per his own showing did not have the Teachers Training Course Certificate which is a sine qua non for appointment to the post of Assistant Teacher as specified under Rule 4(1) of the 1978 Rules. The experience certificates issued by the schools which had granted appointment to the petitioner on the post of Assistant Teacher will be of no consequence as the phrase "Teaching Experience" used in Rule 4(2) has to be interpreted to be 'teaching experience in a recognized school'. The three years teaching experience as specified in Rule 4(2)(c) has to be interpreted to mean an experience certificate issued from the recognized school where the appointment is made in accordance with Rule 4(1). Any other interpretation to Rule 4(2)(c) would militate against the whole scheme of providing the requisite qualification under Rule 4(2) and would render the entire purpose of providing qualification under Rule 4(2)(c) as nullity. This issue was dealt with the by the Full Bench of this Court in the case of ***Ram Surat Yadav and others vs State of U.P. and others [(2014) 1 UPLBEC 1]*** wherein the Full Bench in para 7 has observed as under:

"7. Before we deal with the submissions of the appellants, it is necessary to note that Rule 4 (1) provides minimum qualifications for appointment to the post of an Assistant Teacher. Rule 4 (1) as it existed prior to 12 June 2008 prescribed as qualifications of eligibility (i) Intermediate Examination of the Board of High School and Intermediate Education, Uttar Pradesh or an equivalent examination with Hindi; and (ii) a teachers' training course recognized by the State Government or the Board of Basic Education, such as Hindustani Teaching Certificate (HTC), Junior Teaching Certificate (JTC), Basic Teaching Certificate (BTC) or Certificate of Training (CT). The selection process was undertaken in pursuance of an approval which was

received with reference to the Rules of 1978 as they stood prior to the amendment which took place on 12 June 2008 obviously because the selection process was initiated and completed before the amendment had taken effect. ***Where statutory Rules prescribe conditions of eligibility for appointment to a post, a person who does not possess the qualification which is prescribed cannot have a lawful entitlement to hold the post. The appointment of a person who does not fulfill the eligibility qualification would be unlawful, being contrary to the Rules."***

16. The submission of the Counsel for the petitioner with regard to the violation of principles of natural justice, although on the first brush merit acceptance, however, considering the fact that the petitioner never had the requisite qualification for appointment, the non following of principles of natural justice would have no effect on outcome of the petition as it is well settled that in service jurisprudence the allegations of violation of principles of natural justice have to be fortified by the test of prejudice caused on account of violation of principles of natural justice, as such, the submission on that count by the Counsel for the petitioner merits rejection.

17. For all the reasons recorded above, the writ petition lacks merit and is accordingly ***dismissed.***

18. The submission of Counsel for the petitioner with regard to the non-following of the 1999 Rules also merit rejection for the simple reasons that the appointment of the petitioner itself was found to be dehors the Rules and thus, once the appointment is obtained based upon the incorrect facts, the Rules need not to be followed.

THE HON'BLE RAJIV JOSHI, J.

Writ-A No. 40280 of 2011

Raj Kumar ...Petitioner
Versus
State of U.P. & Ors. ...Respondents

Counsel for the Petitioner:
Sri Radha Kant Ojha, Sri A.K. Singh, Sri Pradeep Kumar VI, Sri Shivendu Ojha

Counsel for the Respondents:
C.S.C., Sri Ramesh Chandra Mishra, Sri Govind Narayan Srivastava

A. Service Law - U.P. Recruitments of Dependants of Government Servants Dying in Harness Rules, 1974 - Rule 7-Challenge to- Compassionate appointment-Petitioner father died in harness and younger brother of the petitioner was appointed as an assistant teacher-Petitioner claim was rejected before the Committee headed by the District Inspector of Schools as the petitioner submitted that the wife of younger brother is working as assistant teacher and therefore, he is not in harness and not entitled for appointment-While Rule 7 of the Rules, 1974 provides that if more than one member of the family of the deceased Government servant seeks employment under these rules, the Head of Office shall decide about the suitability of the person for giving employment keeping in view of the overall interest of the entire family-Therefore the compassionate appointment to the younger brother of the petitioner has been passed on the basis of the consent of mother and other family members, hence the same cannot be quashed.(Para 1 to 11)

The writ petition is dismissed. (E-6)

(Delivered by Hon'ble Rajiv Joshi, J.)

1. Heard Sri Shivendu Ojha, Advocate holding brief of Sri R.K. Ojha, learned Senior Advocate appearing for the petitioner and Sri Govind Narain Srivastava assisted by Sri Rajesh Pandey, learned Additional Chief Standing Counsel for the respondents-1 & 2.

2. The instant writ petition under Article 226 of the Constitution has been filed quashing the impugned order dated 20.06.2011 passed by respondent no.2-The Selection Committee, District Maharajganj through its Chairman/District Inspector of Schools, Maharajganj, whereby younger brother of the petitioner was appointed as an assistant teacher under Rule 7 of The U.P. Recruitment of Dependants of Government Servants Dying in Harness Rules, 1974 (hereinafter referred to as the Rules, 1974) on the basis of consent given by the petitioner on account of death of his father, who died in harness.

3. Brief facts of the case are that father of the petitioner namely, Late Paras Nath Singh, who was working as Assistant Teacher in Bapu Shatabdi Inter College, Jahda, Post Basulifarm, District Maharajganj died on 11.12.2004. The respondent no.4-Arun Kumar, who is younger brother of the petitioner got an order in his favour for appointment as Assistant Teacher under the provisions of Regulations 101 to 107 of Chapter III of the U.P. Intermediate Education Act.

4. The petitioner filed a petition bearing Writ Petition No. 37405 of 2008 (Raj Kumar Vs. Joint Director of Education, VII Region, Gorakhpur and others) for his appointment as Assistant Teacher as the petitioner being M.A. in Sociology was eligible for appointment as Art Teacher. This Court vide order dated 1.8.2008 directed the authority concerned to decide the matter. In pursuance of the aforesaid order, the District Inspector of Schools rejected the claim of the petitioner as there was no compromise between the parties.

5. Being aggrieved with the aforesaid order, the petitioner filed a petition before this Court bearing Writ Petition No. 58694 of 2008, which was allowed and the order dated 22.10.2008 passed by District Inspector of Schools, Maharajganj was set aside and the matter was remitted back with direction that committee may consider the matter and pass appropriate order.

6. In pursuance of the aforesaid order, the Committee headed by the District Inspector of Schools, Maharajganj as its Chairman, The Basic Shiksha Adhikari, Maharajganj and the Finance and Account Officer as members vide impugned order dated 20.06.2011 rejected the claim of the petitioner and granted approval for appointment of respondent-4 under The Rules, 1974. Thereafter, the petitioner moved another application before District Inspector of Schools, Maharajganj on 29.6.2011 disclosing the fact that wife of respondent-4 namely, Smt. Poonam Chaudhary is working as Assistant Teacher in Primary School Gaura Nipania, Block Nichlaul, District Maharajganj, therefore, he is not under harness. Hence, this writ petition.

7. Learned counsel for the petitioner submits that petitioner is the eldest son of late Paras Nath Singh and also fully qualified to be appointed as Assistant Teacher. He further submits that the wife of respondent-4, who is younger brother of the

petitioner is working as Assistant Teacher and therefore, he is not in harness and not entitled for appointment under the Rules, 1974.

8. On the other hand, learned Additional Chief Standing Counsel submits that in view of Rule 7 of The Rules, 1974, the order dated 20.06.2011 granting compassionate appointment to the younger brother of the petitioner has been passed on the basis of the consent of other family members, hence, the same cannot be quashed.

9. I have considered the rival submission and perused the record.

10. Rule 7 of the Rules, 1974 provides that if more than one member of the family of the deceased Government servant seeks employment under these rules, the Head of Office shall decide about the suitability of the person for giving employment. The decision will be taken keeping in view also the overall interest of the welfare of the entire family, particularly the widow and the minor members thereof. Rule 7 of the Rules, 1974, is quoted as under:

*"**7. Procedure when more than one member of the family seeks employment.** - If more than one member of the family of the deceased Government servant seeks employment under these rules, the Head of Office shall decide about the suitability of the person for giving employment. The decision will be taken keeping in view also the overall interest of the welfare of the entire family, particularly the widow and the minor members thereof."*

11. I do not find any illegality or infirmity in the impugned order dated 20.06.2011 passed by respondent no.2 granting compassionate appointment to respondent-4 as the same has been passed on the basis of consent of mother of the petitioner and other family members.

12. The writ petition lacks merit and is, accordingly, dismissed.

THE HON'BLE J.J. MUNIR, J.

Writ-A No. 50939 of 2017

Prem Narain Singh ...Petitioner
Versus
State of U.P. & Anr. ...Respondents

Counsel for the Petitioner:
Sri Ashutosh Tripathi

Counsel for the Respondents:
C.S.C., Sri Om Prakash Singh, Sri Sushil Kumar Rao

A. Service Law – Dismissal – Major penalty – Inquiry – Liability of inquiry officer during the enquiry – Failure to discharge it – Effect – Held, the Inquiry Officer, entrusted with the task of holding inquiry, has mandatorily to fix a date, time and venue of the inquiry which he has to intimate to the delinquent before proceeding further – It is the establishment's obligation to produce witnesses and other evidence in support of charges in an oral inquiry held by the Inquiry Officer – High Court directed the Corp. to treat the petitioner continuing in service till the date of his superannuation – However, High Court left it open to the Corp. to examine as to whether after retirement they can proceed against the

petitioner on the basis of the charge-sheet. (Para 12, 13, 20 and 22)

B. Service Law – Dismissal – Inquiry – Charge-sheet issued – No reply could be filed – Effect – Assumption of admission of charges, due to non-filing of the reply – How far permissible – Obligation of establishment to prove the charges – Non-fulfillment – Effect – Held, obligation of the establishment could not be wished away because the petitioner was in default, assuming that he was – The course of action adopted by the Inquiry Officer is absolutely contrary to law for the reason that he did not require the establishment to prove the charges by examining witnesses or producing other evidence in support of the charge. (Para 14)

Writ petition allowed. (E-1)

List of Cases cited:

1. St. of U.P. & ors. Vs Saroj Kumar Sinha; (2010) 2 SCC 772

2. Smt. Karuna Jaiswal Vs St. of U.P. through Secy Mahila Evam Bal Vikas; 2018 (9) ADJ 107 (DB) (LB)

(Delivered by Hon'ble J.J. Munir, J.)

1. This Writ Petition is directed against an order dated 30.06.2015 passed by the Managing Director, U.P. State Warehousing Corporation, Lucknow dismissing the petitioner from service and directing recovery of a sum of Rs. 6,34,369.52. The said order has been affirmed in Appeal by the Appellate Authority vide order dated 12.01.2016. The appellate order is also under challenge.

2. Parties have exchanged affidavits.

3. Admit.

4. Heard Mr. Ashutosh Tripathi, learned counsel for the petitioner, Mr. O.P. Singh, learned Senior Advocate assisted by Mr. Sushil Kumar Rao, learned counsel appearing on behalf of Respondent No. 2 and the learned Standing Counsel appearing on behalf of Respondent No. 1.

5. The petitioner was a Technical Officer posted at the U.P. State Warehousing Corporation Centre, District Allahabad. He was a permanent employee of the Corporation. The petitioner was to superannuate from service of the Corporation on 30.06.2015 upon attaining the age of 60 years. Disciplinary proceedings were instituted against the petitioner on 15.07.2014 on allegation of causing loss of rice-stock at the Ghazipur Centre of the U.P. State Warehousing Corporation (for short 'the Corporation') during the period of 2003-2004 and 2009-2010. An Inquiry Officer was appointed on 15.07.2014 and a letter was issued to the petitioner on 26.05.2015 by the Inquiry Officer, wherein the petitioner was directed to submit a reply to a charge-sheet dated 01.09.2014 and attend before the Inquiry Officer on 8.06.2015 at 3:00 p.m.

6. It is the petitioner's case that he was not served with a copy of the charge-sheet and, therefore, it was not possible for him to submit a reply.

7. Attending at the inquiry would not, according to the petitioner, serve any purpose. The petitioner after receiving the letter dated 26.05.2015 from the Inquiry Officer informed the Deputy Manager, Finance about the non-service of charge-sheet dated 01.09.2014. The Deputy Manager, Finance directed the Inquiry Officer to ensure service of the charge-sheet upon the petitioner. The petitioner was served with the charge-sheet under a letter of the Inquiry Officer dated

28.05.2015. It is the petitioner's case that without a copy of the charge-sheet, the petitioner submitted a reply of sorts dated 28.05.2015, where the stand taken was that copies of the charge-sheet and the documents, that were proposed to be produced against him in evidence, had not been served. The petitioner asserts that he was in a helpless position because he was scheduled to retire on 30.06.2015 and the charge-sheet was served upon him on 2.06.2015, along with the letter dated 28.05.2015.

8. The petitioner has come up with a specific case in paragraph 13 of the Writ Petition that the Inquiry Officer, without fixing any date, time or place for holding the inquiry, submitted his inquiry-report dated 15.06.2015 to the Disciplinary Authority, holding the petitioner guilty. It is the petitioner's case that the Inquiry Officer held the charges proved without the establishment, leading any evidence or examining witnesses to prove them. The charges were held proved by default because the petitioner did not submit a reply to the charge-sheet or produce evidence in defence. The petitioner was held responsible for causing loss of the bulk of rice i.e. subject matter of the charge by the Inquiry Officer.

9. Based on the report of the Inquiry Officer, the petitioner was dismissed from service by the impugned order dated 30.06.2015. The petitioner carried an Appeal from the order of dismissal under Regulation 21 of the Staff Service Regulation of the Corporation to the Executive Committee. The Appellate Authority by its order dated 12.01.2016 dismissed the appeal and affirmed the order of dismissal.

10. Aggrieved, this writ petition has been instituted.

11. It is argued by the learned counsel for the petitioner that the impugned orders are manifestly illegal and vitiated because it is imperative in a case involving the imposition of a major penalty that a date, time and place of inquiry be specified by the Inquiry Officer and intimated to the delinquent. In this case no date, time and place of the inquiry was communicated to the petitioner. It is next submitted that a charge, particularly one involving imposition of a major penalty, cannot be held proved by the Inquiry Officer unless the establishment examine witnesses in support of the charge at an oral inquiry and establish the charge by their evidence. It is urged by learned Counsel for the petitioner that it is not the law that merely because the delinquent does not appear or fails to submit a reply to the charge-sheet or produce evidence in his defence, the charges stand proved by default. The burden of the establishment to prove the charges cannot be cast away. A perusal of paragraph Nos. 16, 17 and 18 of the counter-affidavit shows that the averments in paragraph Nos. 13, 14, 15 and 16 of the Writ Petition have not been denied. The averments in paragraph Nos. 13 to 16 of the Writ Petition carry specific allegation that no date, time and place of the inquiry was fixed by the Inquiry Officer and that no witnesses were examined at an oral inquiry held to establish the charges before the Inquiry Officer. There is in point of fact, therefore, no denial of this position by the respondents.

12. Upon hearing learned Counsel for the parties and perusal of records, this Court finds that indeed no date, place and venue of the inquiry was fixed by the Inquiry Officer, before holding and concluding the inquiry, wherein the petitioner was judged guilty. Also, it is

evident that no witnesses were examined before the Inquiry Officer by the establishment in support of the charge of which the petitioner has been held guilty. It is evident that the petitioner has been held guilty, merely because he was ex-parte and did not respond to the charge-sheet and did not appear before the Inquiry Officer or produce evidence. The legal position is too well settled to brook doubt that in a case involving the imposition of a major penalty upon a public servant, or the servant of a Corporation, whose terms and conditions of service are governed by law, the Inquiry Officer, entrusted with the task of holding inquiry, has mandatorily to fix a date, time and venue of the inquiry which he has to intimate to the delinquent before proceeding further. This requirement is imperative in all those cases, where a major penalty is proposed to be imposed.

13. Here, the admitted position is that the aforesaid requirement of the law was given a go-by. It is also trite law that in any disciplinary proceedings, the outcome of which leads to imposition of a major penalty, it is the establishment's obligation to produce witnesses and other evidence in support of charges in an oral inquiry held by the Inquiry Officer. Though the Inquiry Officer may be an officer of the same establishment, but he is not a party who might identify himself with the establishment. The Inquiry Officer has to act as an impartial arbiter. It is the establishment's obligation to prove, by evidence, the charges against the employee even if he remains ex-parte. It does not absolve the establishment of their obligation to prove the charges by examining witnesses and leading evidence. It is not that the employee's or the delinquent's default in defending himself would lead to the charges being established ipso facto. It would be particularly relevant to refer to the relevant finding of Inquiry Officer figuring in his report on the basis of which the orders impugned have been passed. The finding reads:

"श्री प्रेम नारायण सिंह, प्राविधिक अधिकारी, क्षेत्रीय कार्यालय इलाहाबाद को उपलब्ध कराये गये आरोप पत्र के सन्दर्भ में उनके द्वारा आरोप पत्र का प्रत्युत्तर आज दि० 15.06.2015 तक उपलब्ध नही कराया गया है। श्री प्रेम नारायण सिंह द्वारा उक्त आरोप पत्र के अनुपालन में पत्र सं० 523 दि० 28.05.15 अधोहस्ताक्षरी को प्रेषित किया गया जिसमें उनके द्वारा बिन्दु सं० 01 से 05 तक पर जानकारी चाही गई। प्रधान कार्यालय के पत्र सं० 4313 दिनांक 28.05.2015 द्वारा बिन्दु सं० 01 से 04 के सम्बन्ध में सूचना उपलब्ध कराई गई एवं पत्र सं० 4653 दिनांक 03.06.2015 द्वारा श्री प्रेम नारायण सिंह, प्राविधिक अधिकारी, द्वारा बिन्दु सं० 05 पर तत्समय गाजीपुर केन्द्र पर चार्ज के आदान प्रदान हेतु गठित की गई कमेटी की रिपोर्ट चाही गई जिसे प्राप्ति हेतु उन्हे क्षेत्रीय कार्यालय वाराणसी/गाजीपुर केन्द्र पर जाने की अनुमति दी गई। प्रेषित अनुस्मारक पत्रों पर आरोप पत्र का उत्तर दिनांक 06.06.2015 तक अधोहस्ताक्षरी को प्रेषित करने हेतु निर्देशित किया गया परन्तु उनके द्वारा आरोप पत्र का उत्तर दिनांक 15.06.2015 तक अधोहस्ताक्षरी को उपलब्ध नही कराया गया है एवं ऐसा प्रतीत होता है कि उन्हें इस सम्बन्ध में कुछ नहीं कहना है तथा उनके विरूद्ध लगाया गया आरोप उन्हे स्वीकार है। इस प्रकार श्री प्रेम नारायण सिंह, प्राविधिक अधिकारी, के गाजीपुर केन्द्र पर तैनाती के दौरान वर्ष 2008-09 तथा 2009-10 में खाद्य एवं रसद विभाग के भण्डारित चावल स्टाक में प्रघटित भण्डाण क्षति की मात्रा 382.89.543 कु० कुल कीमत रू० 6,34,369,52 (रूपये छः लाख चौतीस हजार तीन सौ उनहत्तर पैसे बावन) मात्र हेतु उत्तरदायी पाये जाते हैं।"

[Emphasis provided]

14. A perusal of the aforesaid finding by the Inquiry Officer places the matter beyond cavil that the Inquiry Officer has held the petitioner guilty by default on an assumption that since the petitioner has not filed a response to the charge-sheet, he admits the charge. This finding is absolutely contrary to the law. The course of action adopted by the Inquiry Officer, evident from the inquiry report also, is absolutely contrary to law for the reason that he did not require the establishment to prove the charges by examining witnesses or producing other evidence in support of the charge. It has already been said that this obligation of the establishment could not be wished away because the petitioner was in default, assuming that he was. The legal position adumbrated above is fortified by the decision of the Supreme Court in ***State of U.P. and others vs. Saroj Kumar Sinha, (2010) 2 SCC 772,*** wherein it was observed:

"27. A bare perusal of the aforesaid sub-rule shows that when the respondent had failed to submit the explanation to the charge-sheet it was incumbent upon the inquiry officer to fix a date for his appearance in the inquiry. It is only in a case when the government servant despite notice of the date fixed failed to appear that the inquiry officer can proceed with the inquiry ex parte. Even in such circumstances it is incumbent on the inquiry officer to record the statement of witnesses mentioned in the charge-sheet. Since the government servant is absent, he would clearly lose the benefit of cross-examination of the witnesses. But nonetheless in order to establish the charges the Department is required to produce the necessary evidence before the inquiry officer. This is so as to avoid the charge that the inquiry officer has acted as a prosecutor as well as a judge.

28. An inquiry officer acting in a quasi-judicial authority is in the position of an independent adjudicator. He is not supposed to be a representative of the department/ disciplinary authority/ Government. His function is to examine the evidence presented by the Department, even in the absence of the delinquent official to see as to whether the unrebutted evidence is sufficient to hold that the charges are proved. In the present case the aforesaid procedure has not been observed. Since no oral evidence has been examined the documents have not been proved, and could not have been taken into consideration to conclude that the charges have been proved against the respondents."

15. Following the decision in ***Saroj Kumar Sinha*** *(supra)*, a Division Bench of this Court, sitting at Lucknow, in ***Smt. Karuna Jaiswal vs. State of U.P. Through Secy Mahila Evam Bal Vikas, 2018 (9) ADJ 107 (DB) (LB)*** has held:

"14. It is also equally relevant and significant to notice in this case that though the petitioner failed to submit her reply to the charge-sheet, however, the Enquiry Officer did not fix any date, time and place for oral enquiry. It is settled principle that even in a situation where the delinquent officer/employee does not submit reply to the charge-sheet, the Enquiry Officer still needs to prove the charges on the basis of material and evidence available on record and for the said purpose he needs to fix and intimate to the charged officer, the date, time and place for oral enquiry.

15. The law in this regard is very well settled and does not need a reiteration, however, we may refer to a judgment of Hon'ble Supreme Court in the case of State of Uttar Pradesh and others vs. Saroj Kumar Sinha, reported in [(2010) 2 SCC 772], wherein it has clearly been held that Enquiry Officer acts as a quasi judicial authority and his position is that of an independent adjudicator and further that he cannot act as a representative of the department or disciplinary authority and further that he cannot act as a prosecutor neither he should act as a judge; his function is to examine the evidence presented by the department and even in the absence of the delinquent officer, has to see as to whether the unrebutted evidence is sufficient to bring home the charges.

16. Hon'ble Supreme Court has further held in the said judgment of Saroj Kumar Sinha (supra) that it is only in case when the government servant, despite notice, fails to appear during the course of enquiry that Enquiry Officer can proceed ex-parte and even in such circumstances it is incumbent upon the Enquiry Officer to record the statement of witness.

17. In the instant case, no oral enquiry was held, neither the petitioner was given any notice to participate in any oral enquiry by fixing date, time and place for oral enquiry. It is only that the Enquiry Officer after noticing that despite sufficient time having been given to the petitioner, she did not furnish her reply to the charge-sheet, he proceeded to submit ex-parte report without conducting any oral enquiry by fixing date, time and place for such an oral enquiry. Accordingly, the Enquiry Officer, in this case, has violated the aforesaid principles, which clearly vitiates the enquiry proceedings and any punishment order based on such a vitiated enquiry, is clearly not sustainable."

16. In view of settled position of the law and what this Court has found, the impugned orders cannot be sustained as also the Inquiry Report on which these are based.

17. The question that now arises for consideration is whether inquiry proceedings can be resumed against the petitioner from the stage of issue of charge-sheet, the petitioner having retired on the same day on which he was dismissed from service i.e. 30.06.2015.

18. Learned counsel for the petitioner here submits that the relationship of employer and employee has ceased to exist and there is nothing in the Rules of the Corporation entitling them to continue disciplinary proceedings against an ex-employee.

19. Learned Counsel for the petitioner has drawn the Court's attention to the Staff Regulations of the Corporation annexed as Annexure 9 to the Writ Petition to submit that the Corporation has no jurisdiction to continue with the inquiry against the petitioner, post retirement. Upon a perusal of the Rules, it cannot be said with certainty that the Corporation would lack jurisdiction in a matter where the disciplinary proceedings were initiated while the employee was in service. There are both possibilities, but for the purpose, the relevant Rules would have to be examined. It may require something besides the Staff Regulations annexed to the Writ Petition to be considered.

20. In the circumstances, this Court is of opinion that the Corporation ought to be

left free to examine the issue with reference to the relevant Rules whether after retirement they can proceed against the petitioner on the basis of the charge-sheet, already issued, from the stage of inquiry.

21. In the result, this Writ Petition **succeeds** and is **allowed**. The impugned orders dated 30.06.2015 and 12.01.2016 passed by the Disciplinary Authority and the Appellate Authority respectively are hereby **quashed.** The report of the Inquiry Officer dated 15.06.2015 is also **quashed**.

22. The petitioner shall be treated to have continued in service till the date of his superannuation. He shall be paid his post retiral benefits within two months next. However, it will be open to the respondents to conclude the inquiry proceedings initiated against the petitioner from the stage of seeking his reply to the charge-sheet, provided it is permissible under the law to continue disciplinary proceedings against an ex-employee of the Corporation, who superannuates pending proceedings. In the eventuality, disciplinary proceedings are taken afresh against the petitioner, post retiral benefits shall not be paid until conclusion of proceedings, which if permissible and pursued by the Corporation, shall be completed within a period of not more than three months from the date of receipt of a copy of this order.

23. Let this order be communicated to the Managing Director, U.P. Ware Housing Corporation, New Hyderabad, Lucknow by the Registrar Compliance.

24. The original records produced before the Court in sealed cover, which have been opened and examined, are directed to be placed in a sealed cover and returned to the employee of the Corporation, who has produced them before the Court.

(2023) 1 ILRA 483
ORIGINAL JURISDICTION
CRIMINAL SIDE
DATED: ALLAHABAD 16.01.2023

BEFORE

THE HON'BLE SAMIT GOPAL, J.

Application U/S 482. No. 1558 of 2023

Mohd. Haroon ...Applicant
Versus
State of U.P. & Anr. ...Opposite Parties

Counsel for the Applicant:
Sri Deepak Pandey

Counsel for the Opposite Parties:
G.A.

A. Criminal Law - Criminal Procedure Code, 1973 – Section 293 – Sections 227 & 239 – Discharge – Scope – Rejection of discharge application by the Trial Court – Interference, how far warranted – Applicant is named in the FIR as well as in the St.ment u/s 161 Cr.P.C. and 164 Cr.P.C. – Effect – Sajjan Kumar's principle relied upon – At the time of framing of charge, the Court has to look at all the material placed before it and determine whether a prima facie case is made out or not – The court is not required to consider the evidentiary value of the evidence as any question of admissibility or reliability of evidence is a matter of trial – Held, there is prima facie evidence against the applicant which only is to be seen. The truthfulness of the allegations cannot be seen and adjudicated at this stage – At the stage of discharge/framing of charge, the Court is merely required to shift the evidence in order to find out whether or not there is sufficient ground for proceeding against the accused. (Para 13, 26 and 27)

Application dismissed. (E-1)

(Delivered by Hon'ble Samit Gopal, J.)

1. The present application under Section 482 Cr.P.C. has been filed by the applicant- Mohd Haroon with the prayer to quash / set-aside of rejection order of Discharge Application dated 15.11.2022 in Case No. 10417 of 2022 (State Vs. Mohd Haroon) arising out of Case Crime No. 248 of 2022, under Sections 354, 354-A, 354-D and 509 I.P.C., Police Station Kotwali, District Hamirpur with a further prayer to stay the further proceedings of the said case pending in the Court of Civil Judge (Jr. Division), F.T.C. Crime against Women Court, Hamirpur.

2. The facts as set out in the case are that a first information report was lodged on 19.08.2022 by the opposite party no.2 for an incident which took place from 25.07.2022 to 18.08.2022 which was lodged as Case Crime No. 248 of 2022, under Sections 354 (Ga), 354 (Gha) I.P.C., Police Station- Kotwali, District Hamirpur against the applicant Mohd. Haroon, Advocate, Hamirpur. The contents of the said first information report which set out the prosecution case are extracted herein below:-

"नकलप्रा०पत्र- To SHO Police Station Kotwall, Hamirpur, From Harshita Sachan, Civil Judge (J.D.)/F.T.C., Hamirpur. Subject: Complaint against Advocate Mohammad Haroon practicing at District Court Hamirpur Sir, This is to inform that I took charge as Civil Judge (J.D.)/F.T.C., Hamirpur on 05.07.2022. In the fourt week of July (18th July - 24 July), saw an advocate (Mohammad Haroon practicing at District Court Hamirpur) ogling at me through the gap between the wall behind my chamber while I was walking out of my chamber. It happened twice that week. It did not know the name of the Advocate at that point of time but I recognised him as he had appeared in my Courtroom before. On 25th of July, around 8:45 pm, after going for my usual walk at the Yamuna walkway, I had sat down at a bench there. I had earphones on and was listening to music. Two minutes later, I saw the same advocate standing right next to the bench saying something. Out of courtesy, I removed my earphones and exchanges greetingsThen the following conversation took place M. Haroon: आप

हमीरपुर वापस आ गयी है तो अच्छा लग रहा होगा। I nodded M Haroon: आप सरीला चली गयी थी तो मन नही लग रहा था। I was visibly uncomfortable and as he seemed drunk, so I started to stand up from the bench, when he said - मैने आपको डिस्टर्ब तो नही किया। Where I said काफी लेट हो गया है, मुझे निकलना चाहिये। and then I turned around. As I was leaving, he said, वैसे अच्छी लग रही हो। AS it was already quite late. I ignored that comment and I left. I was disturbed by this incident and I stopped going to the walkway for a couple of days. I mentioned that incident to my friends who urged me to report, but believing that it was a one time transgression, I decided to ignore it. A few days later, I saw M. Haroon staring at me again from the wall behind my chamber while I was walking outside. It made me very uncomfortable and anxious and I walked back into my chamber not knowing what to do. I had been avoiding going to the walkway since the inappropriate conversation as well On 01.08.2022, after I had calmed down, I went for a walk on the Yamuna walkway at 8:18 pm, I even sent my live location to a friend because of the fear of any untoward incident happening. At 8.40 pm, I sat on a bench and within a minute, M. Haroon walked towards the bench. The following conversation took place I asked him straightway. आपका नाम क्या है? M. Haroon: मोहम्मद हारून Then I proceeded to warn him, आपके उस दिन के व्यवहार से में काफी डिस्टर्बड हूँ आप जो यहां मेरे पीछे-पीछे चलते हैं और कोर्ट में दीवार से झांकते हैं. यह दोबारा नही होना चाहिये। आज के बाद मुझसे बात करने की जरूरत नहीं है। अगर दोबारा ऐसा हुआ तो मैं फिर कम्पलेन्ट करुंगी। After listening to this, he walked off without saying anything. After that day, he would walk a few beet behind me every time I would go for a walk on the Yamuna walkway. He would also appear in my Courtroom even when there was no mater listed and would seat himself for hours. As he did not engage with me explicitly, I chose to ignore I have a habit of wearing black sweatpants, blue-black checkered shirts and while shoes when I go for a walk I had the same outfit on when I went for a walk yesterday, 18.08.2022 at around 8:00 pm: The moment I walked up the staircase that lies on the road in front of my house toward the walkway. I saw him walk up the staircase as well. I continued on my usual walk. That day, he walked barely two feet behind me I also noticed that he was wearing the same clothes as me, the exact same outfit down to the white shoes. I was terrified and freaked out by this behaviour and in fear called a fried and decided to sit on a bench so that he would stop following me. The moment I sat on the bench, he also stopped walking and sat on a different bench nearby around 8.55 pm. Deciding that I should go back home as I was feeling unsafe, I stood up and watching me stand up, he stood up as well and started walking I sat back down and started filming him. His steps were faltering and it was clear that he was intoxicated. He walked a few steps ahead of me and then turned around towards me After seeing that I had my phone pointed towards him, he started talking to some people there. After that whenever I would walk, he would follow and where I would stop, he would stop as well He would come towards me and mumble something and try to initiate conversation but I kept walking got a whiff of a foul liquor smell coming off him filmed him again turning towards me and then walking to and fro at the same place, waiting for me to walk again. Terrified by the whole thing, I got down at the staircase near my residence as fast as I could and

then around 9:05 pm, called senior Judges to inform about the whole series of incidents. While I was on the call, standing on the road outside Judges Complex, I saw him driving by his car and leaning outside the window staring at me I have been living in fear of further transgressions and misbehaviour on the part of M Haroon Despite my strict warning to back off after his extremely inappropriate comments and his clear intrusion of my privacy, he has resorted to keep stalking and trying to approach me am worried about my safety and well-being in court premises and outside as well. I implore you to take strict action and to ensure my safety. 19.08.2022 Copy forwarded to -1. Superintendent of Police Hamirpur Regards, SD Harshita (Harshita Sachan) Civil Judge (J.D.)/F.T.C. Hamirpur 8368471367 R/o J-6 Judges Colony District Hamirpur, PIN- 210301 Permanent R/o. 174/W-2, Juhi Damodar Nagar, Kanpur Pin-208027 मै का०मु० अखिलेश कुमार प्रमाणित करता हूं कि प्रा० पत्र की नकल मुझ का०मु० द्वारा बोलबोलकर अक्षरश अंकित करवाई गयी। - एस०डी० का०मु० अखिलेश कुमार"

3. A complaint dated 20.08.2022 was sent by the opposite party no.2 to the Chairman, Internal Complaints Committee (POSH Act), District Court, Hamirpur against the accused. On the said complaint notice was issued by the Chairman of the said committee to the accused.

4. The investigation took place in which the statement of the complainant who was the victim was recorded under Section 161 Cr.P.C. and under Section 164 Cr.P.C. Subsequently a charge-sheet dated 08.09.2022 bearing No. 182 of 2022 was submitted against the applicant under Sections 354, 354 (Ka), 354 (Gha), 509 I.P.C.

5. On the said charge-sheet the accused was summoned vide order dated 13.09.2022 passed by Civil Judge (Jr. Div)/F.T.C. (Crime Against Women), Hamirpur.

6. An application dated 12.10.2022 for discharge was moved by the applicant under Section 227 read with Section 239 Cr.P.C. The said application for discharge dated 12.10.2022 was rejected by the trial court vide order dated 15.11.2022. The present petition has thus been filed with the prayers as quoted above.

7. Heard Sri Deepak Pandey, learned counsel for the applicant and Sri B.B. Upadhyay, learned A.G.A. for the State and perused the records.

8. Learned counsel for the applicant argued that the rejection of the application for discharge dated 12.10.2022 of the applicant vide order dated 15.11.2022 is totally illegal. It is argued that the trial court has wrongly rejected the said application for discharge. It is argued that the trial court did not consider the fact that the applicant should be tried only for the offences which are made out but not for all the offences as stated in the charge-sheet. It is argued that there is no allegation of any offence under Sections 354, 354-A I.P.C. and as such the said offences are not made out at all. It is further argued that the entire prosecution case is based on the sole uncorroborated version of the opposite party no.2 / first informant / victim which is without any evidence and there is no independent witness to corroborate the same. The version as given by her in her statement under Section 161 Cr.P.C. is totally vague, baseless and contrary which cannot be relied upon. It is argued that the applicant is a practising Advocate and he

has not committed any offence. It is argued that the charge-sheet as against the applicant is groundless and no case is made out against him and he deserves to be discharged. The present application thus deserves to be allowed and the order impugned dated 15.11.2022 rejecting the application for discharge dated 12.10.2022 be set-aside and the applicant be discharged.

9. *Per contra* learned A.G.A. for the State opposed the prayer for quashing and argued that the applicant is named in the first information report and there are allegations against him. The first informant who is the victim of the present case has corroborated the version of the first information report in her statement given under Section 161 Cr.P.C. and under Section 164 Cr.P.C. The Investigating Officer after investigation has submitted a charge-sheet against the applicant on which he has been summoned to face trial vide order dated 13.09.2022. It is further argued that in so far as the application for discharge of the applicant is concerned, the court at the stage of discharge has to see only the prima facie case against the accused and cannot judge the truthfulness of the allegations made therein. It is argued that the first information report and the version of the first informant / victim during investigation implicates the applicant in the present case and there are prima facie allegations against him. The trial court has by a detailed order on merits rejected the application for discharge of the applicant vide order dated 15.11.2022. The said order takes into account the relevant facts and circumstances of the case and keeping in view of the law as is consistent till date rejected the same.

10. Heard learned counsel for the parties and perused the records.

11. The law with regards to discharge of accused and framing of charge is well settled.

12. An accused can also be discharged as per Section 227, 239 Cr.P.C. They reads as under:

*"**Section 227. Discharge** - If, upon consideration of the record of the case and the documents submitted therewith, and after hearing the submissions of the accused and the prosecution in this behalf, the Judge considers that there is not sufficient ground for proceeding against the accused, he shall discharge the accused and record his reasons for so doing."*

*"**Section 239 Cr.P.C. Discharge** - If, upon considering the police report and the documents sent with it under section 173 and making such examination, if any, of the accused as the Magistrate thinks necessary and after giving the prosecution and the accused an opportunity of being heard, the Magistrate considers the charge against the accused to be groundless, he shall discharge the accused, and record his reasons for doing so."*

13. The Apex Court, in the case of ***Sajjan Kumar Vs. C.B.I.: (2010) 9 SCC 368,*** held that at the time of framing of charge, the Court has to look at all the material placed before it and determine whether a prima faciecase is made out or not, and the court is not required to consider the evidentiary value of the evidence as any question of admissibility or reliability of evidence is a matter of trial. The relevant portion of the judgment is reproduced below:

"21. On consideration of the authorities about scope of Sections 227 and 228 of the Code, the following principles emerge:

(i) The Judge while considering the question of framing the charges under Section 227 of the Cr.P.C. has the undoubted power to sift and weigh the evidence for the limited purpose of finding out whether or not a prima facie case against the accused has been made out. The test to determine prima facie case would depend upon the facts of each case.

(ii) Where the materials placed before the Court disclose grave suspicion against the accused which has not been properly explained, the Court will be fully justified in framing a charge and proceeding with the trial.

(iii) The Court cannot act merely as a Post Office or a mouthpiece of the prose(i) The Judge while considering the question of framing the charges under Section 227 of the Cr.P.C. has the undoubted power to s(i) The Judge while considering the question of framing the charges under Section 227 of the Cr.P.C. has the undoubted power to sift and weigh the evidence for the limited purpose of finding out whether or not a prima facie case against the accused has been made out. The test to determine prima facie case would depend upon the facts of each case.

(iv) If on the basis of the material on record, the Court could form an opinion that the accused might have committed offence, it can frame the charge, though for conviction the conclusion is required to be proved beyond reasonable doubt that the accused has committed the offence.

(v) At the time of framing of the charges, the probative value of the material on record cannot be gone into but before framing a charge the Court must apply its judicial mind on the material placed on record and must be satisfied that the commission of offence by the accused was possible.

(vi) At the stage of Sections 227 and 228, the Court is required to evaluate the material and documents on record with a view to find out if the facts emerging therefrom taken at their face value discloses the existence of all the ingredients constituting the alleged offence. For this limited purpose, sift the evidence as it cannot be expected even at that initial stage to accept all that the prosecution states as gospel truth even if it is opposed to common sense or the broad probabilities of the case.

(vii) If two views are possible and one of them gives rise to suspicion only, as distinguished from grave suspicion, the trial Judge will be empowered to discharge the accused and at this stage, he is not to see whether the trial will end in conviction or acquittal."

14. In ***Amit Kapoor Vs. Ramesh Chander : (2012) 9 SCC 460***, the Apex Court enlisted certain principles with reference to exercise of power under Section 397 and Section 482 of Cr.P.C. by the Courts while deciding as to whether the charges framed against an accused be quashed or not. The principles listed are as under:

"27. Having discussed the scope of jurisdiction under these two provisions, i.e., Section 397 and Section 482 of the Code and the fine line of jurisdictional

distinction, now it will be appropriate for us to enlist the principles with reference to which the courts should exercise such jurisdiction. However, it is not only difficult but is inherently impossible to state with precision such principles. At best and upon objective analysis of various judgments of this Court, we are able to cull out some of the principles to be considered for proper exercise of jurisdiction, particularly, with regard to quashing of charge either in exercise of jurisdiction under Section 397 or Section 482 of the Code or together, as the case may be:

27.1. Though there are no limits of the powers of the Court under Section 482 of the Code but the more the power, the more due care and caution is to be exercised in invoking these powers. The power of quashing criminal proceedings, particularly, the charge framed in terms of Section 228 of the Code should be exercised very sparingly and with circumspection and that too in the rarest of rare cases.

27.2. The Court should apply the test as to whether the uncontroverted allegations as made from the record of the case and the documents submitted therewith prima facie establish the offence or not. If the allegations are so patently absurd and inherently improbable that no prudent person can ever reach such a conclusion and where the basic ingredients of a criminal offence are not satisfied then the Court may interfere.

27.3. The High Court should not unduly interfere. No meticulous examination of the evidence is needed for considering whether the case would end in conviction or not at the stage of framing of charge or quashing of charge.

27.4. Where the exercise of such power is absolutely essential to prevent patent miscarriage of justice and for correcting some grave error that might be committed by the subordinate courts even in such cases, the High Court should be loathe to interfere, at the threshold, to throttle the prosecution in exercise of its inherent powers.

27.5. Where there is an express legal bar enacted in any of the provisions of the Code or any specific law in force to the very initiation or institution and continuance of such criminal proceedings, such a bar is intended to provide specific protection to an accused.

27.6. The Court has a duty to balance the freedom of a person and the right of the complainant or prosecution to investigate and prosecute the offender.

27.7. The process of the Court cannot be permitted to be used for an oblique or ultimate/ulterior purpose.

27.8. Where the allegations made and as they appeared from the record and documents annexed therewith to predominantly give rise and constitute a ''civil wrong' with no ''element of criminality' and does not satisfy the basic ingredients of a criminal offence, the Court may be justified in quashing the charge. Even in such cases, the Court would not embark upon the critical analysis of the evidence.

27.9. Another very significant caution that the courts have to observe is that it cannot examine the facts, evidence and materials on record to determine whether there is sufficient material on the basis of which the case would end in a

conviction, the Court is concerned primarily with the allegations taken as a whole whether they will constitute an offence and, if so, is it an abuse of the process of court leading to injustice.

27.10. It is neither necessary nor is the court called upon to hold a full-fledged enquiry or to appreciate evidence collected by the investigating agencies to find out whether it is a case of acquittal or conviction.

27.11. Where allegations give rise to a civil claim and also amount to an offence, merely because a civil claim is maintainable, does not mean that a criminal complaint cannot be maintained.

27.12. In exercise of its jurisdiction under Section 228 and/or under Section 482, the Court cannot take into consideration external materials given by an accused for reaching the conclusion that no offence was disclosed or that there was possibility of his acquittal. The Court has to consider the record and documents annexed with by the prosecution.

27.13. Quashing of a charge is an exception to the rule of continuous prosecution. Where the offence is even broadly satisfied, the Court should be more inclined to permit continuation of prosecution rather than its quashing at that initial stage. The Court is not expected to marshal the records with a view to decide admissibility and reliability of the documents or records but is an opinion formed prima facie.

27.14. Where the charge-sheet, report under Section 173(2) of the Code, suffers from fundamental legal defects, the Court may be well within its jurisdiction to frame a charge.

27.15. Coupled with any or all of the above, where the Court finds that it would amount to abuse of process of the Code or that interest of justice favours, otherwise it may quash the charge. The power is to be exercised ex debito justitiae, i.e. to do real and substantial justice for administration of which alone, the courts exist.

27.16. These are the principles which individually and preferably cumulatively (one or more) be taken into consideration as precepts to exercise of extraordinary and wide plenitude and jurisdiction under Section 482 of the Code by the High Court. Where the factual foundation for an offence has been laid down, the courts should be reluctant and should not hasten to quash the proceedings even on the premise that one or two ingredients have not been stated or do not appear to be satisfied if there is substantial compliance to the requirements of the offence."

15. In the case of ***Asim Shariff v. National Investigation Agency : (2019) 7 SCC 148,*** it was reiterated by the Apex Court that the trial court is not supposed to divulge the evidence on the record to determine whether the accused would get acquitted or convicted if a particular charge is framed against an accused. The relevant portion of the observation of the court in the case is as under:

"18. Taking note of the exposition of law on the subject laid down by this Court, it is settled that the Judge while considering the question of framing charge under Section 227 CrPC in sessions cases (which is akin to

Section 239 CrPC pertaining to warrant cases) has the undoubted power to sift and weigh the evidence for the limited purpose of finding out whether or not a prima facie case against the accused has been made out; where the material placed before the court discloses grave suspicion against the accused which has not been properly explained, the court will be fully justified in framing the charge; by and large if two views are possible and one of them giving rise to suspicion only, as distinguished from grave suspicion against the accused, the trial Judge will be justified in discharging him. It is thus clear that while examining the discharge application filed under Section 227 CrPC, it is expected from the trial Judge to exercise its judicial mind to determine as to whether a case for trial has been made out or not. It is true that in such proceedings, the court is not supposed to hold a mini trial by marshalling the evidence on record."

16. Further, in the case of ***Vikram Johar v. State of Uttar Pradesh : 2019 SCC OnLine SC 609*** the Apex Court has reiterated that during the stage of charge, the court must not conduct a mini-trial and the decision should be based on the prima facie appreciation of the materials placed on record. The relevant portion of the said judgment is as under:

"19. It is, thus, clear that while considering the discharge application, the Court is to exercise its judicial mind to determine whether a case for trial has been made out or not. It is true that in such proceedings, the Court is not to hold the mini trial by marshalling the evidence."

17. The Apex Court in ***Bhawna Bai Vs. Ghanshyam : (2020) 2 SCC 217,*** has observed as under:-

"13. ...At the time of framing the charges, only prima facie case is to be seen; whether case is beyond reasonable doubt, is not to be seen at this stage. At the stage of framing the charge, the court has to see if there is sufficient ground for proceeding against the accused. While evaluating the materials, strict standard of proof is not required; only prima facie case against the accused is to be seen."

18. In ***M.E. Shivalingamurthy Vs. CBI : (2020) 2 SCC 768***, the Hon'ble Apex Court, while discussing the principles to be followed while dealing with an application seeking discharge, observed as under:

"i. If two views are possible and one of them gives rise to suspicion only as distinguished from grave suspicion, the Trial Judge would be empowered to discharge the accused.

ii. The Trial Judge is not a mere Post Office to frame the charge at the instance of the prosecution.

iii. The Judge has merely to sift the evidence in order to find out whether or not there is sufficient ground for proceeding. Evidence would consist of the statements recorded by the Police or the documents produced before the Court.

iv. If the evidence, which the Prosecutor proposes to adduce to prove the guilt of the accused, even if fully accepted before it is challenged in cross-examination or rebutted by the defence evidence, if any, "cannot show that the accused committed offence, then, there will be no sufficient ground for proceeding with the trial.

v. It is open to the accused to explain away the materials giving rise to the grave suspicion.

vi. The court has to consider the broad probabilities, the total effect of the evidence and the documents produced before the court, any basic infirmities appearing in the case and so on. This, however, would not entitle the court to make a roving inquiry into the pros and cons.

vii. At the time of framing of the charges, the probative value of the material on record cannot be gone into, and the material brought on record by the prosecution, has to be accepted as true.

viii. There must exist some materials for entertaining the strong suspicion which can form the basis for drawing up a charge and refusing to discharge the accused..."

19. The Apex Court decision in ***State of Rajasthan Vs. Ashok Kumar Kashyap : 2021 SCC OnLine SC 314,*** held that the at the stage of framing of the charge and/or considering the discharge application, a mini trial is not permissible. The Court observed that the position of law that emerges is that at the stage of discharge/framing of charge, the Judge is merely required to take note of the material on record in order to find out whether or not there is sufficient ground for proceeding against the accused.

20. In the case of ***State of Rajasthan Vs. Ashok Kumar Kashyap : 2021 SCC OnLine SC 314,*** the Apex Court held that the evaluation of evidence on merits is not permissible at the stage of considering the application for discharge. At the stage of framing of the charge and/or considering the discharge application, a mini trial is not permissible. It has been held as under:

"23. In the case of P. Vijayan (supra), this Court had an occasion to consider Section 227 of the Cr.P.C. What is required to be considered at the time of framing of the charge and/or considering the discharge application has been considered elaborately in the said decision. It is observed and held that at the stage of Section 227, the Judge has merely to sift the evidence in order to find out whether or not there is sufficient ground for proceeding against the accused. It is observed that in other words, the sufficiency of grounds would take within its fold the nature of the evidence recorded by the police or the documents produced before the Court which ex facie disclose that there are suspicious circumstances against the accused so as to frame a charge against him. It is further observed that if the Judge comes to a conclusion that there is sufficient ground to proceed, he will frame a charge under Section 228 Cr.P.C., if not, he will discharge the accused. It is further observed that while exercising its judicial mind to the facts of the case in order to determine whether a case for trial has been made out by the prosecution, it is not necessary for the court to enter into the pros and cons of the matter or into a weighing and balancing of evidence and probabilities which is really the function of the court, after the trial starts."

21 . Further the Apex Court in the case of ***State of Orissa Vs. Pratima Mohanty : 2021 SCC OnLine SC 1222*** decided on 11 December 2021, has comprehensively dealt with the powers exercisable and extent of the jurisdiction of the High Court while deciding a petition under Section 482 of the Cr.P.C. It has been held as under:

"16. It is trite that the power of quashing should be exercised sparingly and with circumspection and in rare cases. As per settled proposition of law while examining an FIR/complaint quashing of which is sought, the court cannot embark upon any enquiry as to the reliability or genuineness of allegations made in the FIR/complaint. Quashing of a complaint/FIR should be an exception rather than any ordinary rule. Normally the criminal proceedings should not be quashed in exercise of powers under Section 482 Cr.P.C. when after a thorough investigation the charge-sheet has been filed. At the stage of discharge and/or considering the application under Section 482 Cr.P.C. the courts are not required to go into the merits of the allegations and/or evidence in detail as if conducing the mini-trial. As held by this Court the powers under Section 482 Cr.P.C. is very wide, but conferment of wide power requires the court to be more cautious. It casts an onerous and more diligent duty on the Court."

22. In the case of ***Hazrat Deen vs. State of Uttar Pradesh: 2022 SCC Online SC 1781*** the Apex Court has in para 6 held as follows:

"6. Discrepancies between the FIR and any subsequent statement under Section 164 of the Cr.P.C. may be a defence. However, the discrepancies cannot be a ground for discharge without initiation of trial."

23. In the case of ***State Through Deputy Superintendentof Police Vs. R. Soundirarasu : 2022 SCC OnLine SC 1150*** the Apex Court has held as under:

"75. The ambit and scope of exercise of power under Sections 239 and 240 of the CrPC, are therefore fairly well settled. The obligation to discharge the accused under Section 239 arises when the Magistrate considers the charge against the accused to be "groundless". The Section mandates that the Magistrate shall discharge the accused recording reasons, if after (i) considering the police report and the documents sent with it under Section 173, (ii) examining the accused, if necessary, and (iii) giving the prosecution and the accused an opportunity of being heard, he considers the charge against the accused to be groundless, i.e., either there is no legal evidence or that the facts are such that no offence is made out at all. No detailed evaluation of the materials or meticulous consideration of the possible defences need be undertaken at this stage nor any exercise of weighing materials in golden scales is to be undertaken at this stage - the only consideration at the stage of Section 239/240 is as to whether the allegation/charge is groundless.

76. This would not be the stage for weighing the pros and cons of all the implications of the materials, nor for sifting the materials placed by the prosecution the exercise at this stage is to be confined to considering the police report and the documents to decide whether the allegations against the accused can be said to be "groundless".

77. The word "ground" according to the Black's Law Dictionary connotes foundation or basis, and in the context of prosecution in a criminal case, it would be held to mean the basis for charging the accused or foundation for the admissibility of evidence. Seen in the context, the word "groundless" would connote no basis or foundation in evidence. The test which may, therefore, be applied for determining

whether the charge should be considered groundless is that where the materials are such that even if unrebutted, would make out no case whatsoever."

24. In the case ***of Manendra Prasad Tiwari Vs. Amit Kumar Tiwari : 2022 SCC OnLine SC 1057,*** the Apex Court has explained the well-settled law on exercise of powers under Section 397 and 482 Cr.P.C. as under:

"21. The law is well settled that although it is open to a High Court entertaining a petition under Section 482 of the CrPC or a revision application under Section 397 of the CrPC to quash the charges framed by the trial court, yet the same cannot be done by weighing the correctness or sufficiency of the evidence. In a case praying for quashing of the charge, the principle to be adopted by the High Court should be that if the entire evidence produced by the prosecution is to be believed, would it constitute an offence or not. The truthfulness, the sufficiency and acceptability of the material produced at the time of framing of a charge can be done only at the stage of trial. To put it more succinctly, at the stage of charge the Court is to examine the materials only with a view to be satisfied that prima facie case of commission of offence alleged has been made out against the accused person. It is also well settled that when the petition is filed by the accused under Section 482 CrPC or a revision Petition under Section 397 read with Section 401 of the CrPC seeking for the quashing of charge framed against him, the Court should not interfere with the order unless there are strong reasons to hold that in the interest of justice and to avoid abuse of the process of the Court a charge framed against the accused needs to be quashed. Such an order can be passed only in exceptional cases and on rare occasions. It is to be kept in mind that once the trial court has framed a charge against an accused the trial must proceed without unnecessary interference by a superior court and the entire evidence from the prosecution side should be placed on record. Any attempt by an accused for quashing of a charge before the entire prosecution evidence has come on record should not be entertained sans exceptional cases.

22. The scope of interference and exercise of jurisdiction under Section 397 of CrPC has been time and again explained by this Court. Further, the scope of interference under Section 397 CrPC at a stage, when charge had been framed, is also well settled. At the stage of framing of a charge, the court is concerned not with the proof of the allegation rather it has to focus on the material and form an opinion whether there is strong suspicion that the accused has committed an offence, which if put to trial, could prove his guilt. The framing of charge is not a stage, at which stage the final test of guilt is to be applied. Thus, to hold that at the stage of framing the charge, the court should form an opinion that the accused is certainly guilty of committing an offence, is to hold something which is neither permissible nor is in consonance with the scheme of Code of Criminal Procedure

23. Section 397 CrPC vests the court with the power to call for and examine the records of an inferior court for the purposes of satisfying itself as to the legality and regularity of any proceedings or order made in a case. The object of this provision is to set right a patent defect or

an error of jurisdiction or law or the perversity which has crept in the proceeding."

25. In the case of ***Kanchan Kumar Vs. State of Bihar : (2022) 9 SCC 577*** the Apex Court while considering the judgement in the case of Dipakbhai Jagdishchandra Patel Vs. State of Gujarat summarised the principles on discharge under Section 227 Cr.P.C. and held as follows:

"15. Summarising the principles on discharge under Section 227 CrPC, in Dipakbhai Jagdishchandra Patel v. State of Gujarat [Dipakbhai Jagdishchandra Patel v. State of Gujarat, (2019) 16 SCC 547 : (2020) 2 SCC (Cri) 361] , this Court recapitulated : (SCC p. 561, para 23)

"23. At the stage of framing the charge in accordance with the principles which have been laid down by this Court, what the court is expected to do is, it does not act as a mere post office. The court must indeed sift the material before it. The material to be sifted would be the material which is produced and relied upon by the prosecution. The sifting is not to be meticulous in the sense that the court dons the mantle of the trial Judge hearing arguments after the entire evidence has been adduced after a full-fledged trial and the question is not whether the prosecution has made out the case for the conviction of the accused. All that is required is, the court must be satisfied that with the materials available, a case is made out for the accused to stand trial. A strong suspicion suffices. However, a strong suspicion must be founded on some material. The material must be such as can be translated into evidence at the stage of trial. The strong suspicion cannot be the pure subjective satisfaction based on the moral notions of the Judge that here is a case where it is possible that the accused has committed the offence. Strong suspicion must be the suspicion which is premised on some material which commends itself to the court as sufficient to entertain the prima facie view that the accused has committed the offence."

(emphasis supplied)"

26. After having heard the learned counsel for the parties, perusing the record and as per the law relating to discharge, it is apparent that the applicant is named in the first information report, the statement of first informant / victim recorded under Section 161 Cr.P.C. and under Section 164 Cr.P.C. There is prima facie evidence against the applicant which only is to be seen. The truthfulness of the allegations cannot be seen and adjudicated at this stage.

27. Thus, the position of law that emerges is that at the stage of discharge/framing of charge, the Court is merely required to shift the evidence in order to find out whether or not there is sufficient ground for proceeding against the accused i.e. whether a prima facie case is made out against the accused.

28. Looking to the facts of the case, the prima facie allegation against the applicant and the law as stated above, no case for interference is made out.

29. The present application under Section 482 Cr.P.C. is thus ***dismissed***.

30. A copy of this order be sent to the trial court by the Registrar (Compliance) of this Court within a week.

(2023) 1 ILRA 496
ORIGINAL JURISDICTION
CRIMINAL SIDE
DATED: LUCKNOW 16.01.2023

BEFORE

THE HON'BLE RAJESH SINGH CHAUHAN, J.

Application U/S 482 No. 42 of 2023

Arvind Kejriwal ...Petitioner
Versus
State of U.P. & Anr. ...Opposite Parties

Counsel for the Petitioner:
Mahmood Alam, Anjani Kumar Mishra, Manmohan Singh, Nadeem Murtaza, Sheeran Mohiuddin Alavi

Counsel for the Opposite Parties:
G.A.

A. Constitution of India,1950 – Article 19(1)(a) – Freedom of speech and expression – Protection, extent of – Reasonable restriction – Test to determine – Extent of protection of speech would depend on whether, such speech would constitute a propagation of ideas or would have any social value. If the answer to the said question is in affirmative, such speech would be protected under Article 19 (1) (a); if the answer is in native, such speech would not be protected under Article 19 (1) (a). (Para 22)

B. Criminal Law – Representation of the People Act, 1951 – Section 125 – Offence – Elements – Knowledge and Mens rea – Allegation against a Chief Minister of making the appeal for vote on the basis of religion and promoting the enmity between the classes of people; Voters of Congress was termed as 'Gaddar of the country' – How far constitute offence – Held, if the feelings of enmity or hatred between different classes of citizens of India is promoted, that shall be treated as an offence under such section and punishable u/s 125 of the Act, 1951. (Para 24 and 25)

C. Criminal Law – Criminal Procedure Code, 1973 – Section 482 – Scope of interference – Inherent power of High Court – Held, the power enshrined u/s 482 Cr.P.C. is an inherent power to secure the ends of justice or to prevent any abuse of the process of any Court. This is an extra-ordinary power of the High Court like Article 226 of the Constitution of India but at the same time, the Court must be much careful and cautious before invoking this power to ensure that if this power is not invoked, the litigant would suffer irreparable loss and injury and it would be manifest injustice and abuse of the process of the Law. (Para 27)

Application dismissed. (E-1)

(Delivered by Hon'ble Rajesh Singh Chauhan, J.)

1. Heard Sri H.G.S. Parihar, learned Senior Advocate, assisted by Sri Nadeem Murtaza, Sri Mahmood Alam, Sri Man Mohan Singh, learned counsel for the petitioner and Sri Alok Saran along with Sri Rajesh Kumar Singh, learned Additional Government Advocates for the State.

2. By means of this application, the applicant has made following main prayers:-

"Wherefore, it is most respectfully prayed that this Hon'ble may graciously be pleased to:

i) Quash and set aside the impugned revisional order dated 21.10.2022 passed by the Ld. Court of Sessions Judge, Sultanpur in Criminal Revision No.219 of 2022 (Arvind Kejriwal vs State of UP) arising out of Case Crime No.608/2014 registered at Police Station Musafirkhana, District Amethi, whereby, the criminal revision preferred by the Applicant has been dismissed.

ii) Quash and set aside the impugned order dated 04.08.2022 passed by the Ld. Court of ACJM Room No.18 (Special Judge MP/MLA), Sultanpur in Criminal Case No. 360/2014 (State vs Arvind Kejriwal) arising out of Case Crime No.608/2014 registered at Police Station Musafirkhana, District Amethi, whereby, application of the Applicant seeking discharged under Section 239 CrPC has been dismissed."

3. Precisely, the applicant has assailed the judgment and order dated 21.10.2022 passed by the learned Sessions Judge, Sultanpur in criminal revision rejecting the revision filed by the present applicant upholding the order dated 04.08.2022 passed by the learned trial Court i.e. Additional Chief Judicial Magistrate, Court No.18/Special Judge, MP/MLA/Sultanpur, who has rejected the discharge application of the present applicant.

4. Notably, this is the third petition/application filed under Section 482 Cr.P.C. before this Court.

5. Before adverting to earlier orders being passed in the petitions/ applications filed by the present applicant under Section 482 Cr.P.C. before this Court, it would be apt to discuss the brief facts of the present case. One Prem Chandra, Flying Squad Magistrate, lodged an FIR bearing Case Crime No.608 of 2014, under Section 125 of the Representation of the People Act, 1951 (hereinafter referred to as "the Act, 1951"), Police Station- Kotwali Musafirkhana, District Amethi, alleging inter-alia that the accused-applicant flouted the Model Code of Conduct by making public statement *"Jo Congress ko vote dega, mera manana hoga, desh ke saath gaddari hogi. Bhajpa per katakch karte hue kaha ki jo Bhajpa ko vote dega use Khuda bhi muaf nahin karega, des ke sath gaddari hogi"*. After completion of investigation, the Investigating Officer has submitted the charge sheet against him. Learned trial court has taken cognizance against the accused on 06.09.2014 under Section 125 of the Act, 1951 and summoned him.

6. The present applicant has filed a petition under Section 482 Cr.P.C. bearing U/S 482/378/407 No.3662 of 2015; Arvind Kejriwal Vs. State of U.P. and Ors, seeking prayer for quashing the entire proceedings of Case No.360 of 2014 arisen out of Case Crime No.608 of 2014 (supra). He has also prayed for quashing the charge sheet, which has been filed in the aforesaid case. The aforesaid petition was disposed of finally vide order dated 03.08.2015 giving liberty to the applicant to file appropriate application before the learned court below taking all pleas and ground including the ground for exemption of his personal appearance and such application was directed to be considered strictly in accordance with law. For a period of four weeks, the bailable warrant which was issued against the present applicant was stayed. For the convenience, the order dated 03.08.2015 is being reproduced hereunder:-

"Heard Shri Mahmood Alam, learned counsel appearing on behalf of applicant along with Shri C.L. Gupta, Advocate and Shri Rishad Murtaza, learned Government Advocate on behalf of State.

By means of of the instant petition under Section 482 Cr.P.C., the applicant has prayed for quashing of the entire criminal proceedings of Case No. 360 of 2014 arising out of Case Crime No. 608 of 2014, under Sections 125 of the Representation of the People Act, 1951 relating to the Police Station, Musafir Khana, District Amethi which is pending in the Court of Judicial Magistrate, Musafir Khana, District Amethi. The applicant has further prayed for quashing of the chargesheet filed in the aforesaid Case Crime No. 608 of 2014.

The learned counsel for the applicant, after some arguments, submits that the applicant had sought exemption from personal appearance by moving an application before the Court concerned on 20.07.2015 but the same was dismissed. He further submits that Section 317 Cr.P.C. empowers the Court to pass appropriate order for exemption. The learned counsel for the applicant further submits that the applicant intends to file an application for discharge but in the mean time, the bailable warrant issued against the applicant may be kept in abeyance.

The learned Government Advocate has submitted that although one application moved on behalf of the applicant for exemption from personal appearance has been rejected on technical ground but it is still open for the applicant to move fresh application for exemption from personal appearance on proper grounds and he has no objection in this regard. In case, the Court below considers the application for exemption from personal appearance proper, fresh order may be passed in accordance with law. So far as application for discharge is concerned, the said application has not yet been moved and therefore, no direction for expeditious disposal thereof can be passed at this stage.

In view of the above, the present application is disposed of with the observation that the grounds taken by the applicant in the instant application under Section 482 Cr.P.C. may be taken at appropriate stage before the Court below and it will be open for the learned Court below to pass appropriate order. It is further observed that if the applicant applies for exemption from personal appearance, the same shall also be considered by the Court below in accordance with law.

The bailable warrant issued against the applicant shall remain in abeyance for a period of four weeks from today.

The petition stands finally disposed of.

Copy of this order may be provided to the learned counsel for the applicant within 24 hours on payment of usual charges."

7. Perusal of the aforesaid order dated 03.08.2015 reveals that the learned counsel for the applicant had argued that the applicant had sought exemption from personal appearance by moving an application before the court concerned on 20.07.2015 but the same was dismissed. Learned counsel further argued in such petition that the applicant intends to file an application for discharge, therefore, the bailable warrant being issued against the applicant may be kept in abeyance.

8. After rejection of the application of the present applicant by the learned trial

court on 20.07.2015 whereby he had sought exemption from personal appearance, another application was filed by the applicant in compliance of the order dated 03.08.2015 passed by this Court and the learned court below rejected such application vide order dated 12.08.2015. Therefore, the present applicant has filed second petition under Section 482 Cr.P.C. bearing U/S 482/378/407 No.4136 of 2015; Arvind Kejriwal Vs. The State of U.P. and Ors., with the same prayer which has been made in the first petition filed under Section 482 Cr.P.C. with another prayer that the order dated 12.08.2015 whereby the exemption application of the present applicant had been rejected may be quashed.

9. In the second petition, considering the prayers of the present applicant and noticing the fact that the present applicant has not appeared before the learned court below and has not filed any personal bond with or without sureties and has filed two applications for exemption under Section 205 Cr.P.C., which have been rejected by orders dated 20.07.2015 and 12.08.2015 framed the question for adjudication to the effect that "Whether after taking cognizance and issuance of the process, may be summons or warrant, the exemption application under Section 205 or 317 Cr.P.C.is maintainable without personal appearance and without furnishing bail bonds? The aforesaid petition was disposed of finally vide order dated 27.08.2015, which reads as under:-

"Heard learned counsel for the petitioner, Shri Rishad Murtza, learned Government Advocate and perused the record.

This petition has been filed with the following prayers:-

(i) to quash the order dated 12.08.2015 in Criminal Case No.360 of 2014, "State of U.P. vs. Arvind Kejriwal" in pursuance of the Charge Sheet No.122 of 2014 dated 09.07.2014 in Case Crime No.608 of 2014, under Section 125 of the Representation of People Act, 1951, Police Station-Kotwali Musafirkhana, District-Amethi, pending before the learned Judicial Magistrate, Musafirkhana, District-Amethi.

(ii) to stay the entire criminal proceedings in Criminal Case No.360 of 2014, "State of U.P. vs. Arvind Kejriwal" in pursuance of the Charge Sheet No.122 of 2014 dated 09.07.2014 in Case Crime No.608 of 2014, under Section 125 of the Representation of People Act, 1951, Police Station-Kotwali Musafirkhana, District-Amethi, pending before the learned Judicial Magistrate, Musafirkhana, District-Amethi, during pendency of the present case.

(iii) to order to concerned Hon'ble Court for deciding the pending application of the applicant filed under the proviso of Section 239 Cr.P.C. in Criminal Case No.360 of 2014, "State of U.P. vs. Arvind Kejriwal" bearing Case Crime No.608 of 2014, under Section 125 of the Representation of People Act, 1951, Police Station-Kotwali Musafirkhana, District-Amethi, pending before the learned Judicial Magistrate, Musafirkhana, District-Amethi.

Learned counsel for the petitioner has submitted that the petitioner is the Chief Minister of Delhi against whom a case under Section 125 of Representation of People Act has been registered. The application for discharge under Section 239 Cr.P.C. has been moved which has not yet been decided and the application for personal exemption filed under Section 205 Cr.P.C. has wrongly been rejected. It has also been submitted that the petitioner is ready to file the undertakings before the Court that whenever his personal

appearance is required, he shall appear personally.

Learned counsel for the petitioner has relied upon the provisions of Section 88 Cr.P.C., which reads as under:-

"88. Power to take bond for appearance. When any person for whose appearance or arrest the officer presiding in any Court is empowered to issue a summons or warrant, is present in such Court, such officer may require such person to execute a bond, with or without sureties, for his appearance in such Court, or any other Court to which the case may be transferred for trial".

The main question for consideration is that whether after taking cognizance and issuance of the process, may be summons or warrant, the exemption application under Section 205 or 317 Cr.P.C.is maintainable without personal appearance and without furnishing bail bonds?

In the present case, it is admitted that till now the petitioner has not appeared before the court below and has also not filed any personal bond with or without sureties. The application for exemption under Section 205 Cr.P.C. was moved, which has been rejected by order dated 12.08.2015. The similar application was also moved previously, which was also rejected on 20.07.2015.

Learned counsel for the petitioner has relied upon the judgment of this Court rendered in Santosh Chauhan & others vs. State of U.P. & another reported in [(2011) (4) ALJ 121], in which, this Court has considered the scope of Section 205 Cr.P.C. but nowhere it has been held that without submitting the personal bond or sureties, the exemption under Section 205 Cr.P.C. can be granted.

Learned counsel for the petitioner has further relied upon the case Roitong Singpho vs. Sajjan Kumar Agarwal reported in AIR 2009 (NOC) 129 (GAU), in which, the Hon'ble Gauhati High Court has held that the Court has to take into account the magnitude of sufferings, which a particular accused person may have to bear with, in order to make himself present in the Court and the discretion must be exercised judiciously. The Gauhati High Court as well as Allahabad High Court have relied upon the case M/s. Bhasker Industries Ltd. vs. M/s. Bhiwani Denim and Apparels Ltd and others reported in AIR 2001 (SC) 3625.

In the case of M/s. Bhasker Industries Ltd. vs. M/s. Bhiwani Denim and Apparels Ltd and others reported in AIR 2001 (SC) 3625, the Hon'ble Apex Court has considered the scope of Sections 205 (2), 251 and 317 Cr.P.C. and has held in paras-12, 13, 14, 15, 16, 17 and 19 as under:-

"12. We cannot part with this matter without advertising to the plea made by the second accused before the trial court for exempting him from personal appearance. He highlighted two factors while seeking such exemption. First is that the offence under Section 138 of the Negotiable Instruments Act is relatively not a serious offence as could be seen from the fact that the legislature made it only a summons case. Second is, the insistence on the physical presence of the accused in the case would cause substantial hardships and sufferings to him as he is a resident of Haryana. To undertake a long journey to reach Bhopal for making his physical presence in the court involves, apart from great hardships, much expenses also, contended the counsel. He submitted that the advantages the court gets on account of the presence of the accused are far less than the tribulations the accused has to suffer to make such presence in certain

situations and hence the court should consider whether such advantages can be achieved by other measures. Therefore, he relied on Section 317 of the Code. It reads thus:

"317 provision for inquiries and trial being held in the absence of accused in certain cases.- (1) At any stage of an inquiry or trial under this Code, if the Judge or Magistrate is satisfied, for reasons to be recorded, that the personal attendance of the accused before the Court is not necessary in the interests of justice, or that the accused persistently disturbs the proceedings in Court, the Judge or Magistrate may, if the accused is represented by a pleader, dispense with his attendance and proceed with such inquiry or trial in his absence, and may, at any subsequent stage of the proceedings, direct the personal attendance of such accused.

(2) If the accused in any such case is not represented by a pleader, or if the Judge or Magistrate considers his personal attendance necessary, he may, if he thinks fit and for reasons to be re corded by him, either adjourn such inquiry or trial, or order that the case of such accused be taken up for tried separately."

13. Sub-section (1) envisages two exigencies when the court can proceed with the trial proceeding in a criminal case after dispensing with the personal attendance of an accused. We are not concerned with one of those exigencies i.e. when the accused persistently disturbs the proceedings. Here we need consider only the other exigency. If a court is satisfied that in the interest or justice the personal attendance of an accused before it need not be insisted on, then the court has the power to dispense with the attendance of that accused. In this context a reference to Section 273 of the Code is useful. It says that "except as otherwise expressly provided, all evidence taken in the course of the trial or other proceeding shall be taken in presence of the accused or, when his personal attendance is dispensed with, in the presence of his pleader." If a court feels that insisting on the personal attendance of an accused in a particular case would be too harsh on account of a variety of reasons, can't the court afford relief to such an accused in the matter of facing the prosecution proceedings?

14. The normal rule is that the evidence shall be taken in the presence of the accused. However, even in the absence of the accused such evidence can be taken but then his counsel must be presence in the court, provided he has been granted exemption from attending the court. The concern of the criminal court should primarily be the administration of criminal justice. For that purpose the proceedings of the court in the case should register progress. Presence of the accused in the court is not for marking his attendance just for the sake of seeking him in the court. It is to enable the court to proceed with the trial. If the progress of the trial can be achieved even in the absence of the accused the court can certainly take into account the magnitude of the sufferings which a particular accused person may have to bear with in order to make himself present

15. These are days when prosecutions for the offence under Section 138 are galloping up in criminal courts. Due to the increase of inter-State transactions through the facilities of the banks it is not uncommon that when prosecutions are instituted in one State the accused might belong to a different State, sometimes a far distant State. Not very rarely such accused would be ladies also. For prosecution under Section 138 of the NI Act the trial should be that of summons case. When a magistrate feels that

insistence of personal attendance of the accused in a summons case, in a particular situation, would inflict enormous hardship and cost to a particular accused, it is open to the magistrate to consider how he can relieve such an accused of the great hardships, without causing prejudice to the prosecution proceedings.

16. Section 251 is the commencing provision in Chapter XX of the Code which deals with trial of summons cases by magistrates. It enjoins on the court to ask the accused whether he pleads guilty when the "accused appears or is brought before the magistrate". The appearance envisaged therein can either be by personal attendance of the accused or through his advocate. This can be understood from Section 205(1) of the Code which says that "whenever a magistrate issues a summons, he may, if he sees reason so to do, dispense with the personal attendance of the accused and permit him to appear by his pleader."

17. Thus, in appropriate cases the magistrate can allow an accused to make even the first appearance through a counsel. The magistrate is empowered to record the plea of the accused even when his counsel makes such plea on behalf of the accused in a case where the personal appearance of the accused is dispensed with. Section 317 of the Code has to be viewed in the above perspective as it empowers the court to dispense with the personal attendance of the accused (provided he is represented by a counsel in that case) even for proceeding with the further steps in the case. However, one precaution which the court should take in such a situation is that the said benefit need be granted only to an accused who gives an undertaking to the satisfaction of the court that he would not dispute his identity as the particular accused in the case, and that a counsel on his behalf would be present in court and that he has no objection in taking evidence in his absence. This precaution is necessary for the further progress of the proceedings including examination of the witnesses.

19. The position, therefore, bogs down to this: It is within the powers of a magistrate and in his judicial discretion to dispense with the personal appearance of an accused either throughout or at any particular stage of such proceedings in a summons case, if the magistrate finds that insistence of his personal presence would itself inflict enormous suffering or tribulations to him, and the comparative advantage would be less. Such discretion need be exercised only in rare instances where due to the far distance at which the accused resides or carries on business or on account of any physical or other good reasons the magistrate feels that dispensing with the personal attendance of the accused would only be in the interests of justice. However, the magistrate who grants such benefit to the accused must take the precautions enumerated above, as a matter of course. We may reiterate that when an accused makes an application to a magistrate through his duly authorised counsel praying for affording the benefit of his personal presence being dispensed with the magistrate can consider all aspects and pass appropriate orders thereon before proceeding further."

I have gone through the judgment and considered the law laid down by the Hon'ble Apex Court in the aforesaid case. The aforesaid case relates to the proceedings under Section 138 N.I. Act, which is a summon case, while in the present case, the charge-sheet has been filed against the petitioner for the offence punishable under Section 125 of Representation of People Act, 1951 and the

offence punishable under Section 125 of Representation of People Act is punishable with a term of three years or with fine or with both. Therefore in view of the provisions of Section 2 (x) of Cr.P.C., it is a warrant case because the term of imprisonment is exceeding two years. It is not disputed that the provisions of Code of Criminal Procedure are applicable regarding the offence punishable under the Representation of People Act, 1951.

As far as the provisions of Section 88 Cr.P.C. are concerned, as quoted above, such provisions can be availed only in case the person for whose appearance or arrest the summon or warrant has been issued to present in such Court. Section 88 Cr.P.C. also does not speak to exempt the accused without executing the bond with or without sureties for his appearance in the Court. In view of the provisions of Section 90 Cr.P.C., this provisions is also applicable only to every summon and every warrant of arrest issued under this Code. Admittedly, the petitioner has not yet appeared personally before the Court. Therefore, he cannot get the benefit of Section 88 Cr.P.C.

Article 14 of the Constitution of India provides equality before the law and equal protection of laws. When the Constitution has not distinguished between the powerful and powerless persons, then certainly the courts also cannot grant any special concession to any powerful person like in this case where the petitioner is the Chief Minister of N.C.T. Delhi. Law is equal for all and equal protection has to be granted to all. There is no such provision in the Code of Criminal Procedure which provides that the trial of warrant case can proceed even in the absence of the accused or without his appearing personally and submitting the bail bonds. It is not disputed that on the subsequent dates of hearing, the personal appearance of the accused may be exempted if sufficient cause is shown provided the accused is represented by a pleader. But at the same time, the Code of Criminal Procedure empowers the Trial Court to direct the personal attendance of such

In the present case, the First Information Report was lodged against the petitioner regarding the offence punishable under Section 125 of Representation of People Act and after the investigation, the charge-sheet has been filed against him for the offence punishable under Section 125 of Representation of People Act. Section 125 of Representation of People Act, 1951 reads as under:-

"125, Promoting enmity between classes in connection with election. Any person who in connection with an election under this Act promotes or attempts to promote on grounds of religion, race, caste, community or language, feelings of enmity or hatred, between different classes of the citizens of India shall be punishable with imprisonment for a term which may extend to three years, or with fine, or with both."

The present case relates to the alleged speech of the petitioner on 02.05.2014 in connection with an election which allegedly attempts to promote feelings of enmity or hatred between different classes of the citizens of India. The politicians are required to observe more caution in their speeches as they have to rule the country and they should promote the spirit of common brotherhood, fraternity and harmony amongst all the people of India transcending religious, linguistic and regional or sectional diversities. The politicians as a citizen of India have also to abide by fundamental duties as provided in Article 51-A of the Constitution of India, apart from the restrictions and guidelines imposed by Representation of People Act, 1951,

because they are not above the Constitution.

But what we are experiencing now a days is that some of the politicians have no control over their fire-brand speeches with a view to attract or misguide the voters in their favour. Such tendency should be discontinued because the public of India has now become much more aware about the real truth. The politicians must use the Parliamentary Language. However, these observations shall not affect the merits of the present case.

The procedure for trial of warrant case by the Magistrate is contained in Chapter-XIX of the Code. Section 238 Cr.P.C. Specifically provides that when in any warrant case instituted on a police report, the accused appears or brought before the Magistrate, on the commencement of trial, the provisions of Section 207 Cr.P.C. shall be complied. The language of the aforesaid provision of Section 238 Cr.P.C. also envisaged that either the accused should appear or he should be brought before the Magistrate. This provision also does not classify that on the commencement of warrant trial, the accused has liberty to appear through counsel. Because it is a warrant trial, therefore, the accused has to appear in the Court and the accused cannot claim exemption under Section 205 Cr.P.C. till he has furnished bonds with or without sureties as per the direction of the Trial Court.

The question whether after taking cognizance and issuance of the process, may be summon or warrant, the exemption application under Section 205 or under Section 317 Cr.P.C. is maintainable without personal appearance and without furnishing bail bonds is, therefore, decided accordingly that in case of an accused is warrant trial, the provisions of Section 205 or Section 317 Cr.P.C. will not apply unless the accused has been granted bail and he has furnished bail bonds.

This petition has been filed under Section 482 Cr.P.C.. The scope of 482 Cr.P.C. has been considered by Hon'ble the Apex Court in various judgments.

The power under Section 482 Cr.P.C. is not to be exercised in a routine manner, but it is for limited purposes, namely, to give effect to any order under the Code, or to prevent abuse of process of any Court or otherwise to secure ends of justice. Time and again, Apex Court and various High Courts, including ours one, have reminded when exercise of power under Section 482 Cr.P.C. would be justified, which cannot be placed in straight jacket formula, but one thing is very clear that it should not preampt a trial and cannot be used in a routine manner so as to cut short the entire process of trial before the Courts below. If from a bare perusal of first information report or complaint, it is evident that it does not disclose any offence at all or it is frivolous, collusive or oppressive from the face of it, the Court may exercise its inherent power under Section 482 Cr.P.C. but it should be exercised sparingly. This will not include as to whether prosecution is likely to establish its case or not, whether the evidence in question is reliable or not or whether on a reasonable appreciation of it, accusation would not be sustained, or the other circumstances, which would not justify exercise of jurisdiction under Section 482 Cr.P.C. I need not go into various aspects in detail but it would be suffice to refer a few recent authorities dealing all these matters in detail, namely, State of Haryana and others Vs. Ch. Bhajan Lal and others 1992 Supp (1) SCC 335, Popular Muthiah Vs. State represented by Inspector of Police (2006) 7 SCC 296, Hamida vs. Rashid @

Rasheed and Ors. (2008) 1 SCC 474, Dr. Monica Kumar and Anr. vs. State of U.P. and Ors. (2008) 8 SCC 781, M.N. Ojha and Ors. Vs. Alok Kumar Srivastav and Anr. (2009) 9 SCC 682, State of A.P. vs. Gourishetty Mahesh and Ors. JT 2010 (6) SC 588 and Iridium India Telecom Ltd. Vs. Motorola Incorporated and Ors. 2011 (1) SCC 74.

In Lee Kun Hee and others Vs. State of U.P. and others JT 2012 (2) SC 237, it was reiterated that Court in exercise of its jurisdiction under Section 482 Cr.P.C. cannot go into the truth or otherwise of the allegations and appreciate evidence, if any, available on record. Interference would be justified only when a clear case of such interference is made out. Frequent and uncalled interference even at the preliminary stage by High Court may result in causing obstruction in the progress of inquiry in a criminal case which may not be in public interest. It, however, may not be doubted, if on the face of it, either from the first information report or complaint, it is evident that allegation are so absurd and inherently improbable on the basis of which no fair-minded and informed observer can ever reach a just and proper conclusion as to the existence of sufficient grounds for proceeding, in such cases refusal to exercise jurisdiction may equally result in injustice, more particularly, in cases, where the complainant sets the criminal law in motion with a view to exert pressure and harass the persons arrayed as accused in the complaint.

However, in this matter, after investigation, Police has found a prima facie case against accused and submitted charge-sheet in the Court below. After investigation the police has found a prima facie case of commission of a cognizable offence by accused which should have tried in a Court of Law. At this stage there is no occasion to look into the question, whether the charge ultimately can be substantiated or not since that would be a subject matter of trial. No substantial ground has been made out which may justify interference by this Court under Section 482 Cr.P.C.

In view of the above, I do not find any error of law or perversity in the order dated 12.08.2015, by which, the application for exemption has been rejected.

As far as the prayer to stay the entire criminal proceedings is concerned, I also do not find any sufficient ground to stay the aforesaid criminal proceedings because in view of the provisions of Chapter-XIX of Code of Criminal Procedure, the accused has a right to move the application for discharge under Section 239 Cr.P.C. and if that application is rejected then certainly the Magistrate is empowered to frame the charge as provided under Section 240 Cr.P.C. Therefore, the prayer no. (ii) is also misconceived.

As far as prayer (iii) is concerned, there is already specific provision of Section 239 Cr.P.C. to decide the application for discharge and for that the orders of this Court are not required. But certainly, before deciding the application under Section 239 Cr.P.C., the appearance of the accused in the Court for filing of the bond with or without sureties is necessary. Therefore, this prayer is also misconceived.

In the last, learned counsel for the petitioner has prayed that the accused is ready to appear personally in the Court and file the bail bonds, therefore, some protection may be granted to him.

Considering the request of learned counsel for the petitioner, it is provided that if the petitioner, Arvind Kejriwal, surrenders before the court below within four weeks from today and moves an application for bail, the same shall be

considered and disposed of expeditiously in accordance with law and in terms of law laid down in the case of Smt. Amrawati and another vs. State of U.P., 2005; Cr.L.J.755, which has been affirmed by Hon'ble the Apex Court in Lal Kamlendra Pratap Singh vs. State of Uttar Pradesh and Ors. reported in (2009) 4 SCC 437. Till then, no coercive action shall be taken against the petitioner.

The petition stands disposed of accordingly."

10. While disposing of the aforesaid petition, this Court has observed that after investigation police has found a prima facie case against the accused and submitted charge sheet in the court below. After investigation, the police has found a prima facie case for commission of cognizable offence by the accused, which should have been tried in a court of law. The Court further observed that at this stage, there is no occasion to look into the question whether the charge ultimately can be sustained or not since that would be subject matter of the trial court. In view of the above, this Court has held that no substantial ground has been made out which may justify interference by this Court under Section 482 Cr.P.C. and there is no error of law or perversity in the order dated 12.08.2015 by which the application for exemption has been rejected. Accordingly, prayer no.1 of that petition has been rejected.

11. So as to decide the second prayer of that petition, this Court has held that since the accused has right to move an application for discharge under Section 239 Cr.P.C. and if that application is rejected, then certainly the Magistrate is empowered to frame the charge as provided under Section 340 Cr.P.C., so the prayer no.(ii) is misconceived.

12. Deciding prayer no.(iii) of the said petition, this Court has held that there is already specific provision of Section 239 Cr.P.C. to decide the application for discharge and for that, the orders of this Court are not required but certainly, before deciding the application under Section 239 Cr.P.C., appearance of the accused in the court for filing bond with or without sureties is necessary, therefore, that prayer is also misconceived.

13. Thereafter, learned counsel for the petitioner has given undertaking that the present applicant is ready to appear personally in the court and file the bail bonds, therefore, some protection may be given to him. Considering that request, this Court granted four weeks' time to the present applicant to surrender before the learned court below and file application for bail and the same was directed to be considered and disposed of strictly in accordance with law in terms of the law laid down in the case of **Smt. Amrawati and another vs. State of U.P., 2005; Cr.L.J.755,** which has been affirmed by Hon'ble the Apex Court in **Lal Kamlendra Pratap Singh vs. State of Uttar Pradesh and Ors., (2009) 4 SCC 437.**

14. The aforesaid order dated 27.08.2015 has been assailed before the Apex Court by filing Petition for Special Leave to Appeal (Crl.) No.7989 of 2015; Arvind Kejriwal Vs. State of U.P. & Ors., and the Hon'ble Apex Court passed the order dated 22.09.2015, which reads as under:-

"Taken on board.

Issue notice.

The attendance of the petitioner before the trial court is dispensed with until further orders."

15. By means of aforesaid order, the Hon'ble Apex Court issued notices and directed that attendance of the petitioner before the trial court is dispensed with until further orders. The petitioner has challenged the order dated 04.08.2022 whereby the discharge application of the present applicant has been rejected by the learned trial court before the revisional court and the revisional court dismissed the revision vide order dated 21.10.2022 upholding the order dated 04.08.2022 passed by the learned trial court. Both the aforesaid orders have been assailed in this application on the ground that the applicant has not made any appeal for vote on the ground of religion etc. and he has not promoted enmity between the classes of the people, therefore, he may not be held liable for the offence under Section 125 of the Act, 1951. In support of his aforesaid argument, learned counsel for the applicant has placed reliance upon the judgment of the Apex Court in re; ***Ramakant Mayekar v. Celine D'Silva (Smt.),*** **(1996) 1 SCC 399,** citing para 27, which reads as under:-

"27. What is forbidden by law is an appeal by a candidate for votes on the ground of "his' religion or promotion etc. of hatred or enmity between groups of people, and not the mere mention of religion. There can be no doubt that mention made of any religion in the context of secularism or for criticising the anti-secular stance of any political party or candidate cannot amount to a corrupt practice under sub-section (3) or (3-A) of Section 123. In other words, it is a question of fact in each case and not a proposition of law as understood and enunciated by the High Court."

16. However, learned counsel for the applicant has informed the Court that the present applicant being a law abiding citizen appeared before the learned court of Magistrate on 25.10.2021 and has been granted bail. Recital to this effect has been given in item no.13 of the dates and events.

17. In para-9 of the discharge application of the present applicant (Annexure No.8), it has been stated that whatever statement was made by the applicant during his speech, that was merely based upon his personal opinion and such statement is protected under Article 19 of the Constitution of India i.e. "Freedom of Speech and Expressions". In para-8 of the discharge application, he has stted that his statement may not be considered as an offence under Section 125 of the Act, 1951.

18. As per learned counsel for the applicant, learned trial court as well as learned revisional court below has committed manifest error of law and fact both while rejecting the discharge application and the revision of the present applicant. Therefore, the aforesaid orders may be set aside and quashed.

19. Per contra, Sri Alok Saran, learned AGA, has opposed this application filed under Section 482 Cr.P.C. by submitting that this is the third petition/application under Section 482 Cr.P.C. in the same matter. He has also stated that as per the observation of this Court in the second petition filed under Section 482 Cr.P.C., the police has found prima facie case against the accused and submitted charge sheet in the court below after completion of the investigation and the trial court has taken cognizance of the offence, therefore, that charge could be proved or disproved before the learned trial court and at this stage, no interference would be required invoking inherent

powers of the High Court under Section 482 Cr.P.C., therefore, the trial of the present case should be conducted and concluded strictly in accordance with law.

20. Sri Saran has further submitted that the Hon'ble Apex Court has not stayed the trial pending against the present applicant; only his presence before the learned trial court has been dispensed with, therefore, the trial of the present case may not be stalled or stayed, rather directions may be issued to conduct and conclude the trial with expedition, strictly in accordance with law. He has further submitted that the statement so given by the applicant is apparently violative of Section 125 of the Act, 1951 inasmuch as his sentence that whosoever would cast vote in favour of Congress, would be branded as Gaddar and whosoever would cast vote in favour of Bhartiya Janta Party shall not be pardoned by Khuda. As per Sri Saran, the applicant could have used the word "Bhagwan' but he deliberately and intentionally used the word "Khuda' for those voters, who cast their votes to the Bhartiya Janta Party. During investigation, sufficient material has been collected by the Investigating Officer in support of the allegation, therefore, the intention of the present applicant to use the word "Khuda' for those voters, who cast their votes to Bhartiya Janta Party and also as to why the voters of Congress would be branded as "Gaddar of the country' may be determined during the course of the trial. Sri Saran has stated that both the learned court below i.e. learned trial court as well as revisional court has considered the arguments of the present applicant thoroughly and carefully and returned their findings strictly in accordance with law, therefore, there is no infirmity or illegality in those order, so the present petition may be dismissed and the applicant may be directed to participate in the trial proceedings so that the trial may be conducted and concluded with expedition. Since he has already been protected by the Hon'ble Apex Court, therefore, he has got no reasonable apprehension of his arrest in any manner whatsoever.

21. Heard learned counsel for the parties and perused the material available on record.

22. Article 19 of the Constitution of India gives all citizens the rights regarding freedom of speech and expression but subject to reasonable restrictions for preserving inter-alia public order, decency or morality. This is trite that the extent of protection of speech would depend on whether, such speech would constitute a propagation of ideas or would have any social value. If the answer to the said question is in affirmative, such speech would be protected under Article 19 (1) (a); if the answer is in native, such speech would not be protected under Article 19 (1) (a). Further, reasonable restrictions are meant for preserving inter-alia public order, decency or morality. Prima facie, it is not decent for a person, who is the Chief Minister of one State, to utter any sentence or word which has any hidden meaning. As per the contents of his speech, the voters of the Congress would be termed as "Gaddar of the country' whereas the voters of the Bhartiya Janta Party would not be pardoned by "Khuda'. It is true that Khuda, Bhagwan or God are one and the same but using the word "Khuda' by one Hindu leader only for those voters, who cast their votes to the Bhartiya Janta Party not to the Congress can only be clarified by the applicant during the course of the trial about his intent to use such word. I am unable to comprehend as to how such speech would

constitute a propagation of ideas or would have any social value. Since credible evidences to that effect are said to have been collected during investigation and charge sheet has been filed, therefore, veracity of charge may not be examined or tested by this Court by invoking its inherent power under Section 482 Cr.P.C.

23. For the convenience, Section 125 of the Act, 1951 is being reproduced herein below:-

"125. Promoting enmity between classes in connection with election. *Any person who in connection with an election under this Act promotes or attempts to promote on grounds of religion, race, caste, community or language, feelings of enmity or hatred, between different classes of the citizens of India shall be punishable with imprisonment for a term which may extend to three years, or with fine, or with both."*

24. From the perusal of Section 125 of the Act, 1951, it appears that if the feelings of enmity or hatred between different classes of citizens of India is promoted, that shall be treated as an offence under such section and punishable under Section 125 of the Act, 1951. The statement so given by the applicant is not so plain and simple inasmuch as for one set of voters, he is uttering the term "Gaddar of the country' and for the other set of voters, he is saying that "Khuda shall not pardon them'. Prima facie, it appears that he is threatening the later voters in the name of Khuda knowing fully well that if he uses the term "Khuda', some set of voters belonging to different religion might have severely been influenced.

25. So far as the submission of learned counsel for the applicant is that the speech of the applicant is based on his personal opinion, therefore, no offence under Section 125 of the Act, 1951 may be constituted as it lacks mens-rea, so he will have to clarify his opinion before the trial court as to what is his source of knowledge that if any one who believes in "Khuda' casts votes to Bhartiya Janta Party, those would not be pardoned by "Khuda' and as to why this thing would not be applicable for the voters, who cast vote to Congress. In certain cases, the Courts have considered the "knowledge' as an essential element of offence, not the "mens rea'. Therefore, if during course of investigation some credible evidences/materials have been collected, charge sheet has been filed, cognizance has been taken, discharge application has been rejected by the learned trial court by speaking and reasoned order and that order has been upheld by the revisional court, that too by speaking and reasoned order, then the applicant must participate in the trial proceedings.

26. Notably, the Hon'ble Apex Court has not stayed the proceedings pending against the present applicant before the trial court and only his presence has been dispensed with keeping the appeal pending, therefore, the trial/proceedings of the present case may not be stayed or quashed.

27. The power of this Court enshrined under Section 482 Cr.P.C. is an inherent power to secure the ends of justice or to prevent any abuse of the process of any Court. This is an extra-ordinary power of the High Court like Article 226 of the Constitution of India but at the same time, this Court must be much careful and cautious before invoking this power to ensure that if this power is not invoked, the litigant would suffer irreparable loss and injury and it would be manifest injustice

and abuse of the process of the law. Therefore, the Apex Court has observed in catena of cases that this power should be invoked very sparingly and cautiously.

28. The High Court of Uttarakhand at Nainital has considered almost the similar and identical case in re; **Rajendra Singh Bhandari Vs. State of Uttarakhand and Another, 2020 SCC OnLine Utt 551**, and considering the relevant dictums of the Apex Court, that petition was dismissed. Relevant paragraphs no.10 to 18 of the said judgment are required to be reproduced hereunder:-

"10. The scope of Section 482 of the Code has been considered by the Hon'ble Supreme Court in various judgments.

*11.In **Madhu Limaya v. State of Maharashtra,(1977) 4 SCC 551 : AIR 1978 SC 47,** the Hon'ble Apex Court has held that the following principles would govern the exercise of inherent jurisdiction of the High Court -*

(1) Power is not to be resorted to, if there is specific provision in Code for redress of grievances of aggrieved party.

(2) It should be exercised sparingly to prevent abuse of process of any Court or otherwise to secure ends of justice.

(3) It should not be exercised against the express bar of the law engrafted in any other provision of the Code.

*12. In **Pepsi Food Limited v. Special Judicial Magistrate, (1998) 36 ACC 20,** the Hon'ble Supreme Court has observed that the power conferred on the High Court under Article 226 and 227 of the Constitution of India, and under Section 482 of the Code have no limits, but more the power more due care and caution is to be exercised in invoking these powers.*

*13. In **Lee Kun Hee v. State of U.P., JT (2012) 2 SC 237**, the Hon'ble Supreme Court held that the Court in exercise of its jurisdiction under Section 482 of the Code cannot go into the truth or otherwise of the allegations and appreciate evidence, if any, available on record.*

*14. In **State of Haryana v. Bhajan Lal, 1992 Supp (1) SCC 335,** the Hon'ble Supreme Court of India considered in detail the provisions of Section 482 of the Code. The Hon'ble Supreme Court summarized the legal position by laying the following guidelines to be followed by High Courts in exercise of their inherent jurisdiction:*

"(1) Where the allegations made in the first information report or the complaint, even if they are taken at their face value and accepted in their entirety do not prima facie constitute any offence or make out a case against the accused.

(2) Where the allegations in the first information report and other materials, if any, accompanying the FIR do not disclose a cognizable offence, justifying an investigation by police officers under Section 156(1) of the Code except under an order of a Magistrate within the purview of Section 155(2) of the Code.

(3) Where the uncontroverted allegations made in the FIR or complaint and the evidence collected in support of the same do not disclose the commission of any offence and make out a case against the accused.

(4) Where, the allegations in the FIR do not constitute a cognizable offence but constitute only a non-cognizable offence, no investigation is permitted by a police officer without an order of a Magistrate as contemplated under Section 155(2) of the Code.

(5) Where the allegations made in the FIR or complaint are so absurd and

inherently improbable on the basis of which no prudent person can ever reach a just conclusion that there is sufficient ground for proceeding against the accused.

(6) Where there is an express legal bar engrafted in any of the provisions of the Code or the concerned Act (under which a criminal proceeding is instituted) to the institution and continuance of the proceedings and/or where there is a specific provision in the Code or the concerned Act, providing efficacious redress for the grievance of the aggrieved party.

(7) Where a criminal proceeding is manifestly attended with mala fide and/or where the proceeding is maliciously instituted with an ulterior motive for wreaking vengeance on the accused and with a view to spite him due to private and personal grudge.

15. In the instant case, cognizance has been taken in the offence punishable under Section 125 of the Act, 1951. Section 125 of the Act, 1951 reads as under:--

"Section 125. ***Promoting enmity between classes in connection with election.--****Any person who in connection with an election under this Act promotes or attempts to promote on grounds of religion, race, caste, community or language, feelings of enmity or hatred, between different classes of the citizens of India shall be punishable with imprisonment for a term which may extend to three years, or with fine, or with both."*

16. It is the fundamental duty of every citizen to promote harmony and the spirit of common brotherhood and fraternity amongst all the people of India transcending religious, linguistic and regional or sectional diversities. For fair and peaceful election, during the election campaign, party or candidate should not indulge in any activity which may create mutual hatred or cause tension between different classes of the citizens of India on ground of religion, race, caste, community or language.

17. In the present case, the learned Chief Judicial Magistrate took the cognizance after considering the evidences available on the record. It is well settled that at the time of considering of the case for cognizance and summoning, merits of the case cannot be tested and it is wholly impermissible for this Court to enter into the factual arena to adjudge the correctness of the allegations. This Court would not also examine the genuineness of the allegations since this Court does not function as a Court of Appeal or Revision, while exercising its jurisdiction under Section 482 of the Code. In this matter it cannot be said that there are no allegations against the applicant. Apart this, learned counsel for the applicant could not able to show at this stage that allegations are so absurd and inherently improbable on the basis of which no prudent person can ever reach a just conclusion that there is sufficient ground for proceeding against the applicant.

18. The use of expression "promotes or attempts to promote" in Section 125 of the Act, 1951 shows that there has to be mens rea on the part of the accused to commit the offence of promoting disharmony amongst different religions under Section 125, whereas, the case of the applicant is that this matter is launched by the political opponents. These allegations are required to be tested only at the time of trial. This Court cannot hold a parallel trial in an application under Section 482 of the Code."

29. In view of the trite law as settled by the Apex Court (supra), facts and circumstances as considered above, the

present case does not fall in any category set out in the judgment of **State of Haryana v. Bhajan Lal, 1992 Supp (1) SCC 335**. Further, I find no infirmity, illegality or perversity in the impugned orders dated 21.10.2022 passed by the revisional court and in the order dated 04.08.2022 passed by the learned trial court as both the impugned orders are well considered, reasoned and speaking orders. Accordingly, the prayers made in this application are refused.

30. Since the case has to be tried, so I make it clear that the observations made in the preceding paras of this order are only for the disposal of this application, filed under Section 482 Cr.P.C. These observations will not influence the trial court while deciding the case.

31. In the aforesaid terms, the application, filed under Section 482 Cr.P.C., is **dismissed.**

32. No order as to costs.

33. Before parting with, I appreciate the hard work and research done by my Law Intern Mr. Mudit Singh for finding out the case laws applicable in the present issue.

(2023) 1 ILRA 512
ORIGINAL JURISDICTION
CIVIL SIDE
DATED: ALLAHABAD 13.01.2023

BEFORE

THE HON'BLE VIVEK CHAUDHARY, J.

Writ-A No. 4900 of 2022

Dr. Rakesh Kumar Bajpai & Ors.
...Petitioners
Versus
State of U.P. & Ors. ...Respondents

Counsel for the Petitioners:
Sri Neerav Chitravanshi, Sri Mrinal Chandra, Sri Om Prakash Pandey

Counsel for the Respondents:
C.S.C., Sri Mrinal Chandra, Pallavi Vatsala, Sri Vishal Kumar Upadhyay

Civil Law - Uttar Pradesh Homeopathic Medical Service Rules, 1990 - Appointment of Deputy Directors (Homeopathic), District Homeopathic Medical Officers, Senior Homeopathic Medical Officers - grade of the Deputy Directors (Homeopathic), District Homeopathic Medical Officers & Senior Homeopathic Medical Officers, is same - Rules only provides for appointing four senior most persons as Deputy Directors (Homeopathic) - G.O. dated 03.01.2017, provided that the senior most Homeopathic Medical Officers would be appointed as Deputy Directors (Homeopathic) and the next 75 senior most persons shall be appointed as District Homeopathic Medical Officers in the 75 districts - Subsequently, another G.O. dated 20.07.2022, altered this policy, withdrawing the previous arrangement - State Government reserved the right to appoint any Senior Medical Officer as a District Homeopathic Medical Officer, irrespective of their seniority - Held - the conditions laid out in the G.O. dated 20.07.2022, self-defeating, arbitrary, and in violation of Article 14 of the Constitution of India - G.O. dated 20.07.2022, quashed.

Allowed. (E-5)

(Delivered by Hon'ble Vivek Chaudhary, J.)

1. Heard learned counsel for the petitioner and Sri V.K. Shahi, learned Additional Advocate General assisted by Sri Prafull Yadav, learned Standing Counsel and perused the record.

2. The petitioners have approached this Court challenging the impugned order dated 20.07.2022 passed by the respondent

no.1 (Annexure No.1, to the writ petition) as well as the Government Order of the same date i.e. 20.07.2022 filed as Annexure No.2 to the writ petition.

3. Facts of the case are that the petitioners who are working as Senior Homeopathic Medical Officers claimed that they belong to one and common cadre, from amongst them persons are also appointed as District Homeopathic Medical Officers and Deputy Directors (Homeopathic). Earlier by a Government Order dated 03.01.2017, it was provided that the senior most Homeopathic Medical Officers would be appointed as Deputy Directors (Homeopathic) and the next 75 senior most persons shall be appointed as District Homeopathic Medical Officers in the 75 districts. The remaining persons shall work as Senior Homeopathic Medical Officers. The same was done as the administrative duties of the Deputy Directors (Homeopathic) and the District Homeopathic Medical Officers were much superior and they were also entitled to write the ACARs of their subordinate officers including the Senior Homeopathic Medical Officers working under them.

4. Surprisingly, by the impugned Government Order dated 20.07.2022, the said policy was modified and it was provided that the said condition of appointing four senior most persons as Deputy Directors (Homeopathic) and next 75 persons as District Homeopathic Medical Officers and the same was withdrawn. The State Government retains itself the discretion to appoint any senior Medical Officer irrespective of his seniority to work as District Homeopathic Medical Officer and the said Government Order was withdrawn to the said extent. The reasons for the same are given in Paragraph 5 of the Government Order, which reads as under:-

"यह उल्लेखनीय है कि होम्योपैथिक चिकित्साधिकारीयों का मुख्य कार्य रोगियों का उचित प्रकार से उपचार किया जाना है। वरिष्ठ एवं अनुभवी होम्योपैथिक चिकित्साधिकारयों की आवश्यकता प्रत्येक जनपद के रोगियों को है। यदि सभी वरिष्ठ होम्योपैथिक चिकित्साधिकारियों को वरिष्ठता क्रम में जिला होम्योपैथिक चिकित्साधिकारी (प्रशासनिक पद) बना दिया जाता है तो उनकी योग्यता और अनुभव का लाभ आम जनता/रोगियों को प्राप्त नहीं हो पायेगा। उक्त के दृष्टिगत आयुष अनुभाग–2 के उक्त आदेश संख्या–3141/71–आयुष–2–2016–158/2016, दिनांक 03.01.2017 को अवक्रमिक करते हुए व्यपाक जनहित में यह निर्णय लिया जाता है कि प्रदेश के समस्त जनपदों में तैनात होम्योपैथिक चिकित्साधिकारियों में से वरिष्ठतम वरिष्ठ होम्योपैथिक चिकित्साधिकारी को जिला होम्योपैथिक चिकित्साधिकारी के रूप में तैनात किया जायेगा और यह सुनिश्चित किया जायेगा कि जनपद का कोई भी वरिष्ठ चिकित्साधिकारी किसी कनिष्ठ जिला होम्योपैथिक चिकित्साधिकारी के अधीन कार्यरत न हो।'"

5. The reasons given that the senior Homeopathic Medical Officers, who are experienced are required in every district. It also states that in a district, a person senior to the District Homeopathic Medical Officer shall not be appointed as Senior Homeopathic Medical Officer. The reasons and conditions provided in Paragraph 5 of the Government Order, defeats the very purpose which is provided in this regard. Once a junior person is appointed in a district as the District Homeopathic Medical Officer, no person senior to him would be appointed. Thus, only further junior persons would be appointed in the said district as Senior Homeopathic Medical Officer. The earlier policy of the State Government which provides that 75 senior most persons be appointed as District Homeopathic Medical Officers in 75 districts, gave sufficient flexibility to the Government to appoint senior persons from

amongst Senior Homeopathic Medical Officers also in every district. The conditions provided in the impugned Government Order is self defeating and being arbitrary is hit by Article 14 of the Constitution of India. Therefore, the Government Order dated 20.07.2022, is hereby quashed.

6. Learned Standing Counsel states that the rules provide sufficient discretion to the State Government to appoint Senior Homeopathic Medical Officers, as they desire, as there is no condition placed in the rules except for appointing four senior most persons as Deputy Directors (Homeopathic). He further submits that the grade of the Deputy Directors (Homeopathic) and District Homeopathic Medical Officers and Senior Homeopathic Medical Officers, is the same.

7. I do not find any force in the submissions of learned Standing Counsel. To fill up the gap in the rules, the State Government itself has issued a Government Order dated 03.01.2017 and filled the said gap. The procedure provided in the Government Order 03.01.2017 in itself is sufficiently provided the procedure which was not arbitrary and was in consonance of Article 14 of the Constitution of India.

8. Since the Government Order dated 20.7.2022 is set aside, hence the impugned order dated 20.07.2022, whereby the persons have been appointed in furtherance of the Government Order dated 20.07.2022, also cannot stand and is hereby set aside. The State Government is directed to appoint the persons in accordance with the Uttar Pradesh Homeopathic Medical Service Rules, 1990, duly amended from time to time as well as the Government Order dated 03.01.2017. The said modification in the posting shall be made, positively within a period of four weeks from today.

9. The writ petition is ***allowed.***

State of U.P. & Ors. ...Respondents

Counsel for the Petitioner:
Sri Pratik Srivastava, Sri Abhishek Bhushan, Sri Anil Bhushan Sr. Advocate

Counsel for the Respondents:
C.S.C., Sri Abhishek Srivastava, Sri Krishna Agarwal

A. Civil Law - Constitution of India, Art. 16 - Compassionate Appointment - Dying in Harness Rules, 1974 - Married Daughter - Dying in Harness Rules, 1974 on 04.05.2022 and now married daughters are also entitled for compassionate appointment – However, the Corporation is governed by its own Polices and Regulations & that the Board of the Corporation has not yet adopted amendments made in the Rules of 1974 by the Government in 2021 - compassionate appointment is an exception to the general rule of direct recruitment under Article 16 - No aspirant has a right to compassionate appointment & it can be considered only after all the norms laid down in the State Policies/Regulations are satisfied by such family members, on the date of consideration of application, which has to be strictly observed for

consideration of claim for compassionate appointment (Para 11, 12)

B. Compassionate Appointment - Married Daughter - Petitioner father was a Class III employee, who died in harness - Respondent Corporation denied the petitioner's claim for compassionate as she was married daughter, residing at her matrimonial home, her brother was a government employee, her sister was also married to a government employee - mother of the petitioner was getting family pension and has also been given all terminal benefits on the death of his father - *Held* - Only because the mother of the petitioner has started living with the petitioner and the petitioner's husband in unemployed, it cannot be said that family is facing financial crisis - petitioner unable to show that she was dependent on her father's income at the time of his death (Para 16)

Dismissed. (E-5)

List of Cases cited:

1. St. of U.P. & anr. Vs Madhavi Mishra & ors. Special Appeal No. 223 of 2021 dt 23.09.2021

2. The Director of Treasuries in Karnataka & anr. Vs Somyashree Civil Appeal No. 5122 of 2021 dt 13.09.2021

3. Smt. Vimla Srivastava Vs State of U.P. 2016 1ADJ page No. 21

4. V Sunithakumari Vs K.S.E.B. & ors., 1992 SCC online KER145

(Delivered by Hon'ble Mrs. Sangeeta Chandra, J.)

1. Heard learned counsel for the petitioner and Shri Abhishek Srivastava, learned counsel for the contesting respondents.

2. This petition has been filed challenging the order dated 25.06.2022 passed by the respondent no. 3 rejecting the petitioner's application for compassionate appointment.

3. It is the case of the petitioner that her father late Girish Chandra was a Class III employee working in the office of respondent no. 3 and he died in harness on 15.09.2020, he was survived by his widow and two daughters and a son. The petitioner is the second daughter, the first daughter is married to a government employee working in Amroha and the son Amit Kumar is a government employee posted in Moradabad. Late Girish Chandra was a permanent resident of Moradabad and therefore when he died his widow started living in Moradabad. The petitioner is married in Moradabad and living with her in-laws but her husband Rahul Kumar is un-employed. The petitioner's mother started living with the petitioner and her husband and in-laws after the death of her father and she has been looking after the widowed mother and therefore, she is entitled for appointment on compassionate ground.

4. The petitioner filed an application for compassionate appointment on 22.04.2022 saying that she is a Graduate and has "CCC" certificate and therefore, eligible for appointment on Class III post, when the petitioner's representation was not decided, she again made a representation this time to the Chief Engineer and also to the Chairman of the Corporation. Now, the representation of the petitioner has been rejected by the respondent No. 3, the Executive Engineer, Electricity Distribution Division, Bijnor on 25.06.2022 by a non speaking order without considering that even a married daughter is entitled for compassionate appointment, but by only stating that such a appointment

cannot be given to the petitioner in view of the Circular dated 05.07.2012 issued by the Corporation.

5. It has been submitted by the counsel for the petitioner that Dying in Harness Rules, 1974 applicable to U.P. Government Servants and their Dependents was amended in the year 2021 on the basis of judgment rendered by this Court and confirmed by the Supreme Court and now even a married daughter is included within the definition of family.

6. The counsel for the respondent Nos. 2 to 4 have filed a counter affidavit wherein they have denied the petitioner's right for compassionate appointment saying that the petitioner is married daughter and residing at her matrimonial home and her brother is a government employee and her sister is also married to a government employee. Only because the mother of the petitioner has started living with the petitioner and the petitioner's husband in unemployed, it cannot be said that family is facing financial crisis which is necessary prerequisite for appointment of dependents of deceased employee on compassionate ground. The mother of the petitioner is getting family pension and has also been given all terminal benefits on the death of late Girish Chandra. If the State Government has issued any amendment to the Rules of 1974 they shall not be automatically applicable to the Corporation as the employees of Corporation are governed by their own Rules/Regulations and Policies framed by the Board of Directors of the Company.

7. The counsel for the respondents have placed reliance upon a judgment rendered by a Division Bench of this Court in ***Special Appeal No. 223 of 2021 (State of U.P. and Another vs. Madhavi Mishra and 2 Ors.)*** decided on 23.09.2021 and also judgment of the Supreme Court in ***Civil Appeal No. 5122 of 2021 (The Director of Treasuries in Karnataka & Anr. vs. Somyashree)*** decided on 13.09.2021 to say that the petitioner not being a dependent on her deceased father and the family not being in financial crisis after the death of the employee her case for compassionate appointment cannot be considered.

8. Shri Krishna Agarwal, learned counsel for the respondents says that mistakenly a separate counter affidavit has been filed on behalf of respondent No. 3 which may be ignored by this Court as it shall be governed by the counter affidavit filed on behalf of the Corporation.

9. Learned counsel for the petitioner in his rejoinder affidavit has submitted that the petitioner's father was working as Class III employee in Bijnor and her two siblings her sister and her brother are not looking after their widowed mother. The widowed mother is living with the petitioner and she is taking care of the widowed mother and therefore she is entitled for compassionate appointment. It has also been submitted in terms of the judgment of this Court and the Supreme Court that Dying in Harness Rules, 1974 have been amended in the State of U.P. on 04.05.2022 and married daughters are also entitled for compassionate appointment. A copy of the amended Government Order dated 04.05.2022 has been filed as R.A.-1 to the rejoinder affidavit.

10. This Court having perused the notification dated 04.05.2022, finds that it refers to entitlement are of married daughters and also widowed daughter-in-laws and clarifies that the 12th Amendment

to the Dying in Harness Rules, 1974 shall be applicable with effect from 1993. It has also clarified that the State Government in cases of genuine difficulty may condone the delay in filing an application for compassionate appointment beyond 5 years also.

11. This Court after going through the Circular issued by the Corporation is clearly of the opinion that the Corporation is governed by its own Polices and Regulations. The Board of the Corporation has not yet adopted amendments made in the Rules of 1974 by the Government in 2021. That apart, the petitioner has been unable to show that she was dependent on her father's income at the time of his death. It is apparent from the pleading on record that her elder sister is married to a government employee living in Amroha. The petitioner's brother is also a government employee in Moradabad. The widowed mother of the petitioner for reasons best known to the family has not been residing with her employed son. After getting family pension and terminal benefits of late Girish Chandra she has chosen to go and live in the matrimonial home of the petitioner, may be because the petitioner's husband is allegedly unemployed, and it is the family pension of the widowed mother which is being used for taking care of the petitioner and her unemployed husband.

12. This Court has also gone through the judgment rendered by the Division Bench of this Court in Second Appeal No. 223 of 2021 (Supra) where this Court having considered the case of ***Smt. Vimla Srivastava vs. State of U.P. 2016 1ADJ page No. 21*** and the amendment to the definition of family carried out by State Government thereafter, has taken into account the criteria for compassionate appointment to dependents of deceased employees. It has been observed by the Division Bench that the death of the wage earner during service will entitle dependents for compassionate appointment only in case the family members were dependent upon the income of the wage earner and would face financial crisis in the absence of any one to look after them. This Court had placed reliance upon the judgment of Supreme Court in T***he Director of Treasuries in Karnataka & Anr. vs. Somyashree*** decided on 13.09.2021 where the Supreme Court had observed that compassionate appointment is an exception to the general rule of direct recruitment under Article 16 of the Constitution of India. No aspirant has a right to compassionate appointment. In case compassionate appointment is sought by family member of deceased employee it can be considered only after all the norms laid down in the State Policies/Regulations are satisfied by such family members. The norms prevailing on the date of consideration of application shall be strictly observed for consideration of claim for compassionate appointment.

13. The Division Bench after considering the facts in the case of ***State of U.P. and Another vs. Madhavi Mishra*** (supra) observed that nowhere in her application Madhavi Mishra had disclosed any fact about her mother getting family pension and as to how she was dependent on her father even after her marriage. The object of the scheme was to provide employment to the unemployed member of the deceased employee who died in harness. Only because the married daughter has not been excluded from the definition of family now, it could not be said that Smt. Madhavi Mishra was in anyway

dependent on her father after her marriage. The law enjoins that it is duty of the husband to maintain his wife and enables her to claim alimony in case he refuses to maintain her. Therefore, the dependency on the father ceases the moment the daughter is given in marriage and that is the justification for excluding married daughters from the category of dependents.

14. The Court also considered judgment rendered by the ***High Court of Kerela in a similar case in V Sunithakumari vs. K.S.E.B. and Others, 1992 SCC online KER145***

15. The Division Bench thereafter observed in the case of Madhavi Mishra (Supra) that petitioner cannot claim for compassionate appointment as a matter of right specially when she has deliberately omitted to mention eligibility of her mother to get family pension, thus not leaving her in penury and also not making her dependent on the present applicant. There is the tradition also that a married daughter is dependent on her husband and not on her father.

16. This Court has gone through the pleadings on record and finds that there is no pleading regarding the mother of the petitioner getting family pension and other terminal benefits on the death of late Girish Chandra. There is also no denial of such a statement made by the respondents in their counter affidavit in the rejoinder affidavit filed by the petitioner. It has not come out from the pleadings that the petitioner was in anyway dependant on the income of her father at the time he was alive. Only because the husband of the petitioner is allegedly unemployed and the mother of the petitioner is living with the petitioner and her husband and in-laws in petitioner's matrimonial home, it cannot be said that the petitioner has any right for compassionate appointment.

17. This Court finds no good ground to show interference in the order impugned. The writ petition stands dismissed.

18. No order as to cost.

State of U.P. & Ors. ...Respondents

Counsel for the Petitioner:
Sri Manoj Kumar Singh, Sri Awadhesh Kumar Malviya

Counsel for the Respondents:
C.S.C., Sri Omkar Dutt Malviya

A. Civil Law - Constitution of India, Art. 226 - Code Of Civil Procedure, 1908 - Allahabad High Court Rules 1952, Rule 7 of Chapter XXII - Second Writ petition - maintainability - principles of Order II Rule 2 & constructive res judicata would apply to writ jurisdiction - If a plea could have been taken by a party in a proceeding between him and his opponent, he would not be permitted to take that plea against the same party in a subsequent proceeding which is based on the same cause of action - Even if the petitioner has withdrawn the earlier writ petition or it is dismissed as infructuous, without leave to file a fresh petition, a second writ petition for the same cause of action is not maintainable - Once the relief is framed in a particular manner in one

writ petition and such relief is not granted at the time of final disposal of the writ petition by the Court, it shall be presumed that relief so claimed stands rejected - In the present case, a previous petition was filed praying for retiral benefits alongwith admissible interest - In the said petition, petitioner made a statement before the Court that nothing further survives in the petition as respondents have paid post retiral benefits to him and, accordingly, the writ petition was dismissed as infructuous - Second writ petition filed for directing the respondents to pay 9% interest on retiral dues - Held, no second writ petition claiming interest on delayed payment is maintainable. (Para 7, 8,9,10)

Dismissed. (E-5)

List of Cases cited:

1. Devilal Modi Vs STO 1965 (1) SCR 686

2. Surya Deo Mishra Vs St. of U.P. 2007 (1) SLR 546 (All)

(Delivered by Hon'ble Mrs. Sangeeta Chandra, J.)

1. This petition has been filed with the following prayer:

"(a) To, issue a writ, order or direction in the nature of mandamus directing the respondents to pay 9% interest to the amount of Rs.15,00,000/- of retiral dues since 30.06.2017 till date to the petitioner, within stipulated period."

2. The learned counsel for the respondent has raised preliminary objection regarding maintainability of the writ petition. He states that the petitioner had earlier filed Writ-A No.9556 of 2020 before this Court praying for retiral benefits alongwith admissible interest and with further direction to the respondents to decide the representation of the petitioner dated 17.08.2020.

3. This Court initially entertained the said writ petition on 11.11.2020 directing the respondents to obtain instructions with regard to the payment of retiral dues of the petitioner. This Court directed the matter to be listed on 18.08.2021 and further directed that post retiral benefits of the petitioner may be paid to him, failing which, the Secretary (Water Supply) U.P. at Lucknow shall file his personal affidavit on or before the date fixed or otherwise, the Court would be forced to summon the Officer concerned in person. When the matter was taken up on 18.08.2021, the petitioner made a statement before the Court that nothing further survives in the petition as respondents have affected compliance with the order dated 12.07.2021 and, accordingly, the writ petition was dismissed as infructuous on the same day.

4. The copy of the order dated 18.08.2021 has been placed before this Court.

5. The counsel for the respondent says that once the petitioner had made a prayer for grant of retiral benefits alongwith the admissible interest in his earlier writ petition, which writ petition was disposed of having become infructuous, no second writ petition claiming interest of delayed payment is maintainable.

6. The counsel for the petitioner states that interest admittedly has not been paid by the respondents.

7. The Supreme Court in the case of ***Devilal Modi vs. STO 1965 (1) SCR 686*** was considering whether the principles of Order II Rule 2 and constructive res judicata would apply to writ jurisdiction and it observed that though the Courts dealing with the questions of infringement

of fundamental rights must consistently endeavour to sustain the said rights and should strike down their unconstitutional invasion, it would not be right to ignore the principle of res judicata altogether in dealing with writ petitions filed by citizens alleging the contraventions of their fundamental rights. If a plea could have been taken by a party in a proceeding between him and his opponent, he would not be permitted to take that plea against the same party in a subsequent proceeding which is based on the same cause of action, because the principle of constructive res judicata is based on sound public policy of finality of judgments.

8. The Supreme Court in its Full Bench decision in ***Surya Deo Mishra vs. State of UP 2007 (1) SLR 546 (All)*** has held that the Rules of the Court prohibit second writ petition for the same cause of action. Rule 7 of Chapter XXII of the Allahabad High Court Rules 1952 provides that where an application has been rejected, it shall not be competent for the applicant to move a second application on the same facts. Even if the petitioner has withdrawn the earlier writ petition or it is dismissed as infructuous, without leave to file a fresh petition, a second writ petition for the same cause of action is not maintainable.

9. Once the relief is framed in a particular manner in one writ petition and such relief is not granted at the time of final disposal of the writ petition by the Court, it shall be presumed that relief so claimed stands rejected.

10. Thus, writ petition therefore, stands dismissed.

11. Thus, the writ petition is rejected as not maintainable.

THE HON'BLE RAJIV JOSHI, J.

Writ-A No.23396 of 2014

Narsingh Rawat ...Petitioner
Versus
State of U.P. & Ors. ...Respondents

Counsel for the Petitioner:
Sri Msanjay Kumar Srivastava, Sri Siddharth Khare

Counsel for the Respondents:
C.S.C.

A. Civil Law - Compassionate Appointment - Claim - Delay - mother of the petitioner worked as Class IV employee (Sweeper) in the Institution who died on 29.6.1999 in harness during service period and at that time, age of the petitioner was 15 years four months and 16 days - Upon attaining the age of majority the petitioner applied for compassionate appointment - Principal forwarded the application on 22.06.2002 to the D.I.O.S. for consideration which remained pending – writ petition filed in year 2014 - Held - there was no delay or negligence on the part of the petitioner, but the delay was on the part of the state - respondents directed to consider the case of the petitioner for appointment on compassionate ground (Para 16)

Allowed. (E-5)

List of Cases cited:

1. Malaya Nanda Sethy Vs State of Orissa & ors. (S.L.P. (Civil) No. 936 of 2022) dt 20.05.2022

2. St. of Mah. & anr. Vs Ms. Madhuri Maruti Vidhate 2022 0 Supreme (SC) 1001

3. Govt. of India & anr. Vs P Venkatesh 2019 (15) SCC 613

4. Central Bank of India Vs Nitin Manu/SC/1151 of 2022

(Delivered by Hon'ble Rajiv Joshi, J.)

1. Heard Sri Siddharth Khare, learned counsel for the petitioner and Sri Govind Narain Srivastava, learned Standing counsel for the State respondent.

2. By means of the present writ petition, the petitioner seeks a direction in the nature of mandamus commanding the respondent nos. 3 and 4 to appoint the petitioner under Dying in Harness Rules on any Class IV post in the Institution namely Amar Shahid Bhagat Singh Inter College, Rasra, Ballia, District- Ballia.

3. The brief of facts of the present case are that the mother of the petitioner namely Janki Devi was working as Class IV employee (Sweeper) in the Institution namely Amar Shahid Bhagat Singh Inter College, Rasra, Ballia, District- Ballia who died on 29.6.1999 in harness during service period. After the death of his mother, petitioner applied for appointment on compassionate ground under the U.P. Recruitment of Dependents of Government Servants Dying in Harness Rules, 1974 (herein after referred to as the 'Rules of 1974') before the Principal Amar Shahid Bhagat Singh Inter College, Rasra, Ballia, District- Ballia on several occasions thereafter, Principal of the Institution forwarded the application of the Petitioner on 22.06.2002 to the District Inspector of Schools, Ballia for consideration of appointment of the petitioner on compassionate grounds, which remain pending till date.

4. Learned counsel for the petitioner further submits that the petitioner has completed all the required formalities for his compassionate appointment under the Rules of 1974. however, the respondent-authorities did not give any response with regard to the same. It is further submitted that there was no delay or negligence on the part of the petitioner, but the delay on the part of the state-respondent, the petitioner was fulfilled all the conditions for appointment on compassionate ground under the Rules of 1974. In support of his contention he placed reliance upon the recent judgment of Hon'ble Apex Court in **Malaya Nanda Sethy Vs. State of Orissa and Ors (S.L.P. (Civil) No. 936 of 2022) decided on 20th May, 2022.**

5. On the other hand, learned Standing counsel submits that at the time of death, petitioner was minor and his age was 15 years, 4 four month and 16 days. It is next submitted that application of the petitioner for appointment of compassionate ground has been received in the office of District Inspector of Schools, Ballia in the year-2020, there is no questions of delay on the part of the respondent authority i.e. District Inspector of Schools, District- Ballia. In support of his contention he placed reliance upon the judgment of Hon'ble Apex Court in **State of Maharashtra & Anr Vs. Ms. Madhuri Maruti Vidhate reported in 2022 0 Supreme (SC) 1001; Govt. of India & Anr. Vs. P Venkatesh reported in 2019 (15) SCC 613 and Central Bank of India Vs. Nitin reported in Manu/SC/1151 of 2022** in which, it is held that appointment on compassionate ground after a number of years from the death of deceased employee shall not be entitled.

6. I have heard the learned counsel for the parties and perused the record.

7. The mother of the petitioner died in harness on 26.9.1999 and at that time, age of the petitioner was 15 years four months and 16 days. The petitioner applied for appointment on compassionate ground in place of his mother on attaining the majority before the Principal of the Institution, who forwarded the said application along with the relevant records to the District Inspector of Schools, Ballia on 22.6.2002, which is apparent from the annexure no.3 to the counter affidavit. The annexure C.A.-2 filed along with counter affidavit is not the report/comment which was alleged to be sought from the Principal of the Institution on 26.9.2020, it is only information after filing the present writ petition and in the said letter, report was sought form the Principal of the Institution within one week which is apparent from the paragraph no.8 to the counter affidavit.

8. The letter of District Inspector of Schools, Ballia dated 22.9.2020 is quoted as under:-

10. In turn, Principal of the Institution replied to the District Inspector of Schools, Ballia vide letter dated 17.11.2020, in which, it is stated that the then Principal namely Mohd. Baseer Ansari has already forwarded the application of the petitioner for appointment on compassionate ground on 22.6.2002 which is pending in the office of District Inspector of Schools, Ballia.

11. The relevant portion of the letter dated 17.11.2020 forwarded by the Principal of Institution to the DIOS, Ballia is quoted as under:-

"उक्त के संबंध में अवगत कराना है कि श्रीमती जानकी देवी इस विद्यालय में चतुर्थ कर्मचारी के रूप में स्वीपर के पद पर कार्यरत थी। सेवाकाल में इनकी मृत्यु दिनांक 26.06.1999 को हो गयी। नियमानुसार श्रीमती जानकी देवी को मृत्यु उपरान्त परिवारिक पेंशन आदि इनके पति का पूर्व में ही मृत्यु होने के कारण नही दिया गया लेकिन मृतक आश्रित नियमानुसार के अनुसार मृतक के पाल्य श्री नरसिंह रावत का प्रस्ताव तत्कालीन प्रधानाचार्य मु0 वसीर अंसारी द्वारा मृतक आश्रित कोटे में दिनांक 22.06.2002 को प्रेषित किया गया जो अद्यतन आपके यहॉ अन्स्तारित रहा। (छायाप्रति संलग्न)

यहॉ यह भी अवगत कराना है कि श्री नरसिंह रावत द्वारा कई बार इस विद्यालय को एवं आपके कार्यालय को प्रत्यावेदन प्रस्तुत किया गया। नियमानुसार मृतक के कुटुम्ब के एक सदस्य को सेवा योजित करने का प्राविधान है। विद्यालय में परिधारक के कुल 15 की जनशक्ति शासन द्वारा निर्धारित है। वर्तमान में कुल 6 परिचारक कार्यरत है। इन 6 कर्मचारियो में स्वीपर के पद पर कोई कार्यरत एवं नियुक्त नही है। विद्यालय के साफ सफाई एवं आवश्यकता को दृष्टिगत रखते हुए श्री नरसिंह रावत को सेवायोजित किया जाना संस्था हित मे होगा।

अतः आपके आदेश के क्रम में श्री नरसिंह रावत को मृतक आश्रित के अन्तर्गत सफाई कर्मी/ स्वीपर के रिक्त पद पर चयन किये जाने की संस्तुति की जाती है।''

12. From the letter of the Principal, it is apparent that there is six posts of Class-IV employees, but no one is working on the post of Sweeper in the Institution.

13. It is apparent from the counter affidavit of the State that there was no fault or delay on the part of the petitioner and there was a delay on the part of the department/authorities, the petitioner should not be made to suffer.

14. The Hon'ble Apex Court in **Malaya Nanda Sethy (Supra)** has held as under:-

"7. Thus, from the aforesaid, it can be seen that there was no fault and/or delay and/or negligence on the part of the appellant at all. He was fulfilling all the conditions for appointment on compassionate grounds under the 1990 Rules. For no reason, his application was kept pending and/or no order was passed on one ground or the other. Therefore, when there was no fault and/or delay on the part of the appellant and all through out there was a delay on the part of the department/authorities, the appellant should not be made to suffer. Not appointing the appellant under the 1990 Rules would be giving a premium to the

delay and/or inaction on the part of the department/authorities. There was an absolute callousness on the part of the department/authorities. The facts are conspicuous and manifest the grave delay in entertaining the application submitted by the appellant in seeking employment which is indisputably attributable to the department/authorities. In fact, the appellant has been deprived of seeking compassionate appointment, which he was otherwise entitled to under the 1990 Rules. The appellant has become a victim of the delay and/or inaction on the part of the department/authorities which may be deliberate or for reasons best known to the authorities concerned. Therefore, in the peculiar facts and circumstances of the case, keeping the larger question open and aside, as observed hereinabove, we are of the opinion that the appellant herein shall not be denied appointment under the 1990 Rules. The appellant has become a victim of the delay and/or inaction on the part of the department/authorities which may be deliberate or for reasons best known to the authorities concerned. Therefore, in the peculiar facts and circumstances of the case, keeping the larger question open and aside, as observed hereinabvove, we are of the opinion that the appellant herein shall not be denied appointment under the 1990 Rules.

15. The judgment cited on behalf of the State is not applicable in the present case as there were a delay on behalf of the dependents of the deceased employee and the said judgment are not applicable in the present case.

16. In view of the above, discussions, the respondents are directed to consider the case of the petitioner for appointment on compassionate ground under the Rules of 1974 as per his application which was received in the office of District Inspector of Schools, Ballia on 22.6.2002 and if the petitioner is otherwise found to eligible to appoint him on the Class-IV in the Institution namely Amar Shahid Bhagat Singh Inter College, Rasra, Ballia, District-Ballia.

17. The aforesaid exercise should be completed by the concerned respondents within period of four weeks from today and the petitioner is entitled to all the benefits from the date of his appointment only.

18. In view of the above, writ petition stands allowed. There shall be no order as to costs.

ORIGINAL JURISDICTION
CIVIL SIDE
DATED: ALLAHABAD 11.01.2023

BEFORE

THE HON'BLE J.J. MUNIR, J.

Writ-A No. 26963 of 2018

Rajesh Kumar Yadav ...Petitioner
Versus
State of U.P. & Ors. ...Respondents

Counsel for the Petitioner:
Sri Siddharth Khare

Counsel for the Respondents:
C.S.C.

Civil Law - Service Jurisprudence - Arrear of salary - principle of "no work no pay" - when not applicable - where the employee remains out of service on account of the unilateral act of the employer which is subsequently found not valid and lawful, the employer cannot deny his salary on the principle of "no work no pay (Para 15)

Petitioner was appointed as Nalkoop Mistri in 2004, but his services were terminated by an order dated 14.09.2011, consequently he instituted Writ petition - said petition was allowed & the matter was remitted to the respondents to take a decision afresh - Respondents, vide order dated 28.04.2017, set aside the earlier order dated 14.09.2011 and reinstated him with immediate effect - Petitioner made an application for the arrears of salary for the period 14.09.2011 to 01.05.2017, which was rejected relying on the principle of "no work no pay" - Held - Petitioner reinstatement was unconditional and does not carry any condition subject to which the petitioner has been granted reinstatement - But for the respondents' decision to terminate his services on 14.09.2011, the petitioner would have continued in service and served the respondents - Petitioner was forced to stay away - Respondents directed to sanction and disburse arrears of the petitioner's salary for the period 14.09.2011 to 1.05.2017.

Allowed. (E-5)

List of Cases cited:

1. Shobha Ram Raturi Vs Haryana Vidyut Prasaran Nigam Ltd. & ors., 2016 (16) SCC 683

2. Prayag Narain Dubey Vs U.P.S.R.T.C. & ors., Writ-A No.40927 of 2004, dt 29.03.2018

3. U.P. State Road Transport Corporation & anr. Vs Prayag Narain Dubey in Special Appeal Defective No. 405 of 2018 dt 23.08.2018

(Delivered by Hon'ble J.J. Munir, J.)

1. This writ petition is directed against an order dated 29.10.2018 whereby the respondents have declined payment of petitioner's arrears of salary for the period 14.9.2011 to 1.5.2017 on the principle of "no work no pay". A mandamus is further sought ordering the respondents to sanction and disburse arrears of salary for the period 14.9.2011 to 1.5.2017 with interest at such rate as the Court may specify. There is a further direction sought commanding the respondents to sanction Assured Career Progression for the petitioner also, within a specified period of time.

2. Parties have exchanged affidavits.

3. Admit.

4. By consent of parties, heard forthwith.

5. Heard Mr. Siddharth Khare, learned Counsel for the petitioner and Mr Praveen Ojha, learned Additional Chief Standing Counsel appearing on behalf of the state.

6. The short facts giving rise to this petition are that the respondents who are the Government of U.P. issued an advertisement for the post of Nalkoop Mistri (for short 'the post in question) on 09.08.2004. The petitioner was duly selected, and consequent upon selection, appointed to the post in question on 12.10.2004. His services were regularized by an order dated 15.07.2010 w.e.f. 08.10.2007. The petitioner was served a show cause notice on 10.12.2010 founded on a complaint to the effect that the petitioner did not possess the necessary Trade Certificate from the I.T.I. which vitiated his eligibility for appointment as a Nalkoop Mistri. The petitioner submitted a reply saying that he had been selected after following the due procedure. It was pointed out that in the advertisement there was a stipulation as regards the essential qualifications which said: "High School/I.T.I. with five years experience". The petitioner's case is that he is a Matriculate and therefore, he fulfils one of the alternate conditions. The petitioner's services were terminated by an order dated

14.09.2011. In substance, the order dated 14.09.2011 is not an order of termination, in the sense it is understood in the disciplinary jurisdiction. It is in substance an order of cancellation of appointment on account of the petitioner not fulfilling requisite qualifications owing to the respondents' stand taken at the relevant time. The petitioner's appeal and review to the departmental authorities met with failure. Consequently he instituted Writ-A No. 52876 of 2012. The said petition was heard and allowed by an order dated 07.12.2016 holding that the order of cancellation of appointment impugned in the writ petition did not show that the authorities had considered the petitioner's case about his eligibility founded on what was mentioned in the advertisement. The matter was remitted to the respondents to take a decision afresh, bearing in mind the guidance in the judgment and after hearing the petitioner.

7. Consequent upon the matter being placed before the respondents, they passed an order dated 28.04.2017 holding that indeed the petitioner fulfilled the qualifications as advertised, though he did not fulfil the qualifications as provided under the Rules. The respondents proceeded by their order dated 28.04.2017 to set aside the earlier order dated 14.09.2011 terminating the petitioner's services and reinstated him with immediate effect to the post in question. There is no further condition, limitation or inhibition attached to the order dated 28.04.2017, reinstating the petitioner. At that stage, the petitioner made an application on 07.10.2017 followed by another dated 3.05.2018, whereby he said that he had been forced to stay away from his duties, in consequence of the order dated 14.09.2011 for no fault of his, and was therefore, entitled to the arrears of salary for the period 14.09.2011 to 01.05.2017. By the order impugned, the said application has been rejected.

8. Mr. Siddharth Khare, learned Counsel for the petitioner submits that the impugned order is manifestly illegal because the petitioner remained out of service on account of an ill-advised action of the respondents cancelling his appointment, which later on they themselves found, on a remand by this Court, to be specious.

9. Mr. Praveen Ojha, learned Additional Chief Standing Counsel, on the other hand, submits that since the petitioner did not hold the necessary I.T.I. certificate and his services were terminated on that ground by the order dated 14.09.2011, he is not entitled to arrears of salary for the relevant period. Mr. Ojha also relied on the principle of "no work no pay" which is the foundation of the impugned order.

10. Upon hearing learned Counsel for the parties, this Court finds that the respondents cannot take a vacillating stand so far as the qualifications of the petitioner go. May be, under the Service Rules, an I.T.I. trade certificate is essential but the advertisement did not mention it. The petitioner applied according to the advertisement. He was duly selected and appointed. He functioned on that basis drawing salary. His appointment was cancelled relying on the Service Rules, but without paying heed to what was mentioned in the advertisement about the essential qualifications that the petitioner fulfils. This Court set aside the order cancelling the petitioner's appointment and sent back the matter for re-consideration to the respondents. At this stage, the

respondents have taken the view that since what was advertised cannot be changed and the petitioner possessed requisite qualifications according to that advertisement, their earlier order cancelling the petitioner's appointment was wrong. The respondents acknowledged their mistake in cancelling the petitioner's appointment and ordered his unconditional reinstatement. It has been remarked above that that the reinstatement was unconditional and we emphasize that the order reinstating the petitioner in service is unqualified and does not carry any condition subject to which the petitioner has been granted reinstatement.

11. In the circumstances, to attribute the petitioner any blame for not performing his duties between the period 14.09.2011 to 01.05.2017 would be patently arbitrary. But for the respondents' decision to terminate his services on 14.09.2011 on a particular view about the essential qualification that the petitioner ought to have possessed, the petitioner would have continued in service and served the respondents. However, later on, when this Court sent the matter back to the respondents to reconsider the issue, the respondents acknowledged their mistake and held that cancellation of the petitioner's appointment, was for the reason indicated, not tenable. Therefore, the petitioner remaining out of job or not rendering work cannot be made the basis of denying him his emoluments for the period that he was forced to stay away It becomes all the more relevant in this case because the respondents have acknowledged their mistake while reinstating the petitioner, and, done so, without any limitation regarding the terms of reinstatement.

12. In this regard, reference may be made to the decision of the Supreme Court in **Shobha Ram Raturi vs. Haryana Vidyut Prasaran Nigam Ltd. and others, 2016 (16) SCC 683** where it has been held:

"1. It is not a matter of dispute, that the appellant was retired from service on 31.12.2002, even though he would have, in the ordinary course, attained his date of retirement on superannuation, only on 31.12.2005. The appellant assailed the order of his retirement dated 31.12.2002 by filing writ petition no. 751 of 2003. The same was allowed by a learned Single Judge of the Punjab and Haryana High Court, on 14.09.2010. The operative part of the order is extracted here under: "Accordingly the present writ petition is allowed; order dated 31.12.2002 (Annexure P-4) is quashed. The petitioner would be treated to be in continuous service with all consequential benefits. However it is clarified that since the petitioner has not worked on the post maxim of "no work, no pay" shall apply and the consequential benefits shall only be determined towards terminal benefits. However there will be no order as to costs."

2. The denial of back wages to the appellant by the High Court vide its order dated 14.09.2010 was assailed by the appellant by filing Letters Patent Appeal No. 489 of 2011. The High Court rejected the claim of the appellant, while dismissing the Letters Patent Appeal on 26.5.2011. The orders dated 14.09.2010 and 26.5.2011 passed by the High Court limited to the issue of payment of back wages, are subject matter of challenge before this Court.

3. Having given our thoughtful consideration to the controversy, we are satisfied, that after the impugned order of retirement dated 31.12.2002 was set aside,

the appellant was entitled to all consequential benefits. The fault lies with the respondents in not having utilized the services of the appellant for the period from 1.1.2003 to 31.12.2005. Had the appellant been allowed to continue in service, he would have readily discharged his duties. Having restrained him from rendering his services with effect from 1.1.2003 to 31.12.2005, the respondent cannot be allowed to press the self serving plea of denying him wages for the period in question, on the plea of the principle of "no work no pay". (emphasis by Court)

13. This decision has been followed by this Court in **Prayag Narain Dubey Vs U.P.S.R.T.C. and others, Writ-A No.40927 of 2004, decided on 29.03.2018**. The decision in **Prayag Narain Dubey** (supra) has been upheld by the Division Bench in **U.P. State Road Transport Corporation and another vs. Prayag Narain Dubey in Special Appeal Defective No. 405 of 2018, decided on 23.08.2018**. The principle in all these decisions is crystal clear and that is that where the employee remains out of service on account of the unilateral act of the employer which is subsequently found not valid and lawful, the employer cannot deny his salary on the principle of "no work no pay".

14. There is a further grievance that the petitioner has raised and that is about non-grant of the Assured Career Progression, taking into account the period that he remained out of service. I am of opinion that, that is a decision which the respondents have to take and not this Court; at least, in the first instance.

15. In view of the aforesaid position of the law and facts obtaining here, this petition **succeeds** and is **allowed.** The impugned order dated 29.10.2018 passed by Executive Engineer, Nalkoop Anurakshan Khand, Bhadohi (Sant Ravidas Nagar) is hereby **quashed.**

16. Let a mandamus issue ordering each of the respondents to sanction and disburse arrears of the petitioner's salary for the period 14.09.2011 to 1.05.2017 within a month of receipt of a copy of this order.

17. The respondents are further directed to consider the petitioner's case for grant of Assured Career Progression taking into account the period of service between 14.09.2011 to 01.05.2017, treating the petitioner to be in service continuously. The decision in this regard shall be taken within six weeks of the date of receipt of a copy of this order by respondent no.2.

18. There shall be no order as to costs.

19. Let this order be communicted to the Executive Engineer, Nalkoop Anurakshan Khand, Bhadohi (Sant Ravidas Nagar) by the Registrar (Compliance)

THE HON'BLE SUNEET KUMAR, J.
THE HON'BLE VIKRAM D. CHAUHAN, J.

Jail Appeal No. 7728 of 2010
With
Criminal Appeal No. 7484 of 2010

Kailash ...Appellant
Versus
State of U.P. ...Opposite Party

Counsel for the Appellant:

From Jail, Sri Gagan Pratap Singh (A.C.)

Counsel for the Opposite Party:
A.G.A.

A. Criminal Law – Indian Penal Code,1860 – Section 302/45, 394 & 422 – Arms Act, 1959 – Section 25 – Murder – Life imprisonment – Appeal against conviction and Sentence – Sustainability – Death was caused due to firearms injury – Contradiction in the St.ment, how far relevance – Held, unless a contradiction is proved by putting it to the person who records the original St.ment, such contradiction is of no consequence – While appreciating the evidence, the Court must examine the evidence in its entirety, upon reading the St.ment of a witness as a whole, and if the Court finds the St.ment to be truthful and worthy of credence, then every variation or discrepancy particularly which is immaterial and does not affect the root of prosecution case, would be of no consequences. (Para 31 and 32)

B. Criminal Law – Indian Evidence Act, 1972 – Section 9 – Relevant fact – Identity – Collateral evidence, when receivable – Held, a fact which establishes the identity of anything or person whose identity is relevant are relevant fact. The principle in the section is a exception to the general rule that the evidence of collateral facts is not usually receivable – It is often important to establish the identity of a person who witness testifies that he saw on the particular occasion. Sometimes, a witness may not recognise the person but he may still testify that on subsequent event he was able to identify the person he had initially seen on the particular occasion. (Para 35 and 36)

C. Criminal Law – Indian Evidence Act, 1972 – Section 9 – Test Identification Parade – Object and necessity – Held, necessity for holding an identification parade can arise only when the accused persons are not previously known to the witnesses. The whole idea of a test identification parade is that witnesses who claim to have seen the culprits at the time of occurrence are to identify them from the midst of other persons without any aid or any other source. The test is done to check upon their veracity – Test identification parade is not substantive evidence and it can only be used as corroborative of the St.ment in court. (Para 52 and 54)

D. Criminal Law – Indian Penal Code – Section 34 – Scope – Common intention – Vicarious responsibility and constructive liability – Explained – Section 34 IPC carves out an exception from general Law that a person is responsible for his own act, as it provides that a person can also be held vicariously responsible for the act of others if he has the "common intention" to commit offence. This section has been enacted on the principle of joint liability in the doing of a criminal act. The section is only a rule of evidence and does not create a substantive offence – It recognises the principle of constructive liability and essence of that liability is the existence of a common intention. (Para 66 and 67)

E. Criminal Law – Indian Penal Code – Sections 300 – Murder and culpable homicide – Distinction – Culpable homicide is murder under section 300 of the Indian Penal Code where the act is done intentionally or with the knowledge or means of knowing that is the natural consequences of the act – No prior enemity has been shown between prosecution witness and the Appellants – The firearm wound of deceased as per the post-mortem report shows blackening and tattooing which is indicative of the fact that firing was made by Appellant at a close range – Death was due to shock and hemorrhage – High Court held the trial court justified in convicting the appellants. (Para 58, 78, 82 and 85)

Appeal dismissed. (E-1)

(Delivered by Hon'ble Vikram D. Chauhan, J.)

1. Heard Sri Gagan Pratap Singh, learned Amicus Curiae for the Appellant in Jail Appeal No.7728 of 2010 and Sri Anadi Krishna Narayana, learned counsel for the Appellant in Criminal Appeal No.7484 of 2010 and learned A.G.A. for the State and perused the record.

2. The present appeal is filed by Appellants challenging judgment and order dated 20th October, 2010 passed by the Special Judge (DAA), Agra. By means of impugned judgment, Appellants-Kailash and Baba Thakur @ Prawesh Kumar Singh has been convicted under Section 394 I.P.C. and sentenced to undergo 10 years rigorous imprisonment and Rs.5000/- fine. Further, Appellants have been convicted under Section 302/34 I.P.C. and sentenced to undergo life imprisonment and Rs.10,000/- fine; Appellant-Kailash has also been convicted under Section 411 I.P.C. and sentenced to undergo 2 years rigorous imprisonment; Appellant-Kailash has further been convicted under Section 25 of Arms Act and sentenced to undergo 3 years rigorous imprisonment and Rs.10,000/- fine.

3. The prosecution case as per first information report is that on 23rd June, 2005 at about 6.30 pm, informant (PW1) Babua along with his son Aslam (PW2) were going to tempo stand Mantola road to meet informant's second son Arif. When they reached near Subhash Road then one cloth agent Amar Nath (PW4) made distress call that his belongings have been taken away forcefully and on aforesaid distress call, informant and his son saw that two persons were running towards the powerhouse in which one was having

countrymade pistol and a bag and the other accused was having countrymade pistol. On hearing distress call of Amar Nath, the son of informant deceased-Arif and Aslam (PW2), Shahid Anwar, Mohd. Shahid, Fateh Singh (Tempo Driver), Ilbas, Rakesh Sharma, Muhiuddin and Amar Nath started running to catch aforesaid accused persons and caught hold of one of the accused-person, who on being caught, fired which hit son of informant, namely, Arif, who suffered firearm injury and as a result of the same, accused person was led free and on the same occasion one tempo driver hit his tempo with the accused person, as a result of same, he sustained injury and fell down. Thereafter, Amar Nath got back his bag, which was forcefully taken by accused person and when informant and his son Aslam reached the spot, accused was having countrymade pistol in his hand and there were four live cartridges in his pocket, which was taken in custody. Accused person informed that his name is Kailash s/o Asharfi Lal. Injured-Arif was brought to the hospital by Aslam and other persons and in intervening period police personnel came. The weapon cartridges and bag of Amar Nath was deposited in the police station and first information report was lodged after being scribed by Nasruddin and on the basis of the same, Case Crime No.98 of 2005, under Section 394, 411, 302 I.P.C. and Case Crime No.99 of 2005 under Section 25 Arms Act was registered at 19.20 hours on the same day.

4. The investigation in present case was carried on and panchayatnama of deceased was prepared on 23rd June, 2005. The panchayatnama was held at the S.N. Hospital, Agra on 23rd June, 2005 at 20.20 pm and same was completed at 22.05 pm. The panch witnesses of panchayatnama were Haji Mohd. Gulfam, Abdul Haneef, Mohd. Muim, Shamimoddin, Allauddin and as per opinion of panch witnesses deceased Arif died on account of firearm injury. Thereafter, body was sent for post mortem examination and post mortem held on 24th June, 2005 at 10.00 am. The post mortem was conducted by Dr. A.P. Singh (PW-6). The following injuries were found in the post mortem report:-

"Firearm wound of entry 0.4 cm X 0.4 cm situated on the anterior wall of stomach in the upper part 0.5 cm left to the midline at a level 2 cm below xephisterum. Cavity deep on probing probe reaches on the peritoneal cavity. Blackening and tatooing present.

Fracture of 3rd lumber vertebra. Metallic bullet 3 cm X 0.8 cm recovered from this bone."

5. As per post mortem report deceased Arif died due to shock and haemorrhage as a result of ante-mortem injury. Investigating Officer prepared the site plan of place of incident on 23th June, 2005. On 8th September, 2005 identification proceeding in respect of accused Baba Thakur @ Prawesh Kumar Singh was held by Investigation Officer.

6. After investigation, chargesheet was submitted against the Appellants by the Investigation Officer.

7. The trial court framed charge on 23rd January, 2006 against Appellant-Kailash under Section 25 Arms Act and Section 411 I.P.C. The trial court further framed charges against Appellants Kailash and Baba Thakur @ Prawesh Kumar Singh under Sections 394 and 302 read with Section 34 I.P.C. Appellants denied the charges and claimed to be tried.

8. The prosecution in support of its case produced following witness:-

(a) Babua (P.W.1), who is informant of case, has stated that on 23rd June, 2005 at about 5.30 pm informant and his son Aslam went to meet his second son Arif, who was working at Tempo Stand Mantola and when they reached Shubhas Nagar then they heard distress call of agent Amar Nath shouting that he has been looted and then informant and his son saw two accused persons running towards the powerhouse in which one was having countrymade pistol and a bag in his hand and other person was having countrymade pistol. On hearing distress call, his son Arif and Aslam and other persons Shahid and Anwar and Mohd. Shahid Qureshi, Fateh Singh (Tempo Driver), Mohd. Ilyas and others ran towards aforesaid accused persons; person whose bag was forcefully taken away also ran behind accused persons. While running towards accused persons his son Arif caught hold of one of the accused person. However, he fired on his son Arif and as a result of the same, Arif sustained firearm injury; aforesaid accused person was let of from the custody of the Arif. Later on one tempo driver has hit aforesaid accused person with his tempo as a result of same, he was injured and fell down. In the intervening period, Amar Nath took the bag from injured accused person. Informant took away countrymade pistol and four live cartridges from the pocket of injured accused person. Injured accused person informed his name as Kailash, s/o Asharfi Kashyap and further informed that other accused person is Baba Sindhi resident of Gurudwara Etah.

Infomant (PW1) thereafter, send his injured son Arif to hospital for medical treatment with the help of his second son Aslam and other persons. Police personnel came on place of occurrence and on his instructions first information report was scribed by Nuruddin and countrymade pistol, live cartridges and bag of Amar Nath recovered from accused Kailash was taken to police station Rakabganj and first information report was lodged. The witness has identified the first information report dated 23rd June, 2005 and same was marked as Ex.Ka.1 before trial court; recovered countrymade pistol and live cartridges were also handed over to police and a recovery memo was prepared and recovered articles were sealed in presence of the informant (P.W.1.) Informant has also stated that Mustaqeem and Sajid had signed and informant had given his thumb impression; witness has identified recovery memo dated 23rd June, 2005 and the same was marked as Ex.Ka.2 before the trial court. Witness has further testified that accused person who ran away from the place of occurrence was Baba Sindhi and he is also known as Baba Thakur. After incident he along with his son Aslam, Shahid, Anwar and Rakesh Sharma went to jail for identifying Baba Sindhi @ Baba Thakur; All the four persons had identified the accused and the identification memo is marked as Ex.Ka.3. Countrymade pistol and four live cartridges was exhibited as Ex.Ka.6 and the bag of Amar Nath was exhibited as Ex.Ka.8. Witness has further stated that both the accused persons are present in the court and as such he has identified the accused person before the trial court.

(b)Aslam (P.W.2), s/o Haji Babua has stated that on 23rd June, 2005, occurrence took place. He along with his father Haji Babua went to tempo stand, to meet his brother at about 6.30 pm and when they reached Subhash Bazar, they heard

distress call of Amar Nath who shouted that he has been looted and witness saw that two accused persons ran towards powerhouse in which one was having countrymade pistol and a bag and the other accused was having a countrymade pistol. On hearing distress call, Arif, Shahid, Anwar and Shahid Qureshi and other persons went behind aforesaid accused persons and when they caught hold of one of the accused persons, said accused person with the intention to kill fired and as a result of the same his brother Arif sustained firearm injury. Accused person was let out of custody and was trying to run away, in the meantime, one tempo driver dashed with accused person, as a result of the same, accused person sustained injury and fell down. Amar Nath (PW4) thereafter, took his bag; witness further stated that his father took the countrymade pistol and four live cartridges from injured accused. Injured accused informed that his name is Kailash and accused person who has ran away from the spot his name is Baba Sindhi. In the meantime, police came and witness took his brother with the help of other persons to the S.N. Hospital where the doctors have declared his brother dead. Witness has identified Appellants in court.

(c) Mahavir Singh Chauhan (P.W.3), S.O. Nai Ki Mandi, Agra has stated that on 23rd June, 2005 he was posted as Chowki In-charge Fort under Police Station Rakabganj. He has stated that on the said date he had conducted panchayatnama of the deceased Arif at S.N. Medical College in front of panch witnesses. Witness has identified panchayatnama and same was marked as Ex.Ka.4 before the trial court. Witness has further submitted that letter to the C.M.O., photo lash, challan nash was filled by the aforesaid witness and was duly signed and the same was marked as Ex.Ka.5, Ex.Ka.6 and Ex.Ka.7 respectively.

(d) Amar Nath (P.W.4), s/o Late Sri Sewaram has stated that on 23rd June, 2005 he went to Etah and after recovering money from cloth retailers he kept money in his bag and was going to Subhash Bazar; When he reached near tempo stand at about 6.30 pm two persons who were carrying countrymade pistols and one of the accused person hit with butt of the countrymade pistol and thereafter, forcefully took away the bag and ran towards the powerhouse. Witness made distress call and on hearing the same, some persons came and ran towards the accused person to catch them and as a result of the same, one of accused person fired; present witness and Arif sustained injuries and accused person was let off. Later on, one tempo hit one of the accused person and bag of witness was recovered. Family members of the person who sustained firearm injury in the meantime came and from the custody of one of accused person countrymade pistol and four live cartridges were recovered; accused person who was caught on the spot disclosed his name as Kailash and he also disclose the name of other accused as Baba Thakur. Injured was taken to the hospital and father of the deceased went to the police station. He has also stated that police has also prepared papers in respect of recovery of countrymade pistol, live cartridges and bag. Witness has not been able to identify the accused person as the occurrence is old.

(e) Manoj Kumar Shukla (P.W.5), S.P., Police Station Maniyaon, Lucknow has stated that on 23rd June, 2005 he was posted at Police Station Rakabganj as H.M. and chik FIR in the present case on the basis of the first

information report was lodged by Babua. He has identified the chik FIR and the same was exhibited as Ex.Ka.9 before the trial court.

(f) Dr. A.P. Singh (P.W.6), District Women Hospital, Hathras Mahamaya Nagar has stated that on 24th June, 2005 he was posted at District Women Hospital, Agra and on the aforesaid date he had conducted post mortem of deceased Arif at 10.00 am; deceased died on account of ante-mortem firearm injures; injuries could have been sustained on 23rd June, 2005 at 6.30 pm and were firearm injuries.

(g) Baleshwar Prasad Tripathi (P.W.7), S.I., Police Station Kotwali has stated that on 23rd June, 2005 he was posted at Police Station Rakabganj as S.I. and was the Investigating Officer; On the same day he had prepared the nakal chik, nakal rapat and recorded the statement of Head Moharrir Manoj Kumar, informant Haji Babua and also prepared site plan after visiting the place of occurrence. Statement of accused Kailash was also recorded on 26th June, 2005: Statement of panchayatnama witness was recorded and statement of S.I. Mahavir Singh was also recorded in the case diary: On 1st July, 2005 recorded statement of Aslam and Mustaqeem, Mohd. Sajid and Rakesh Sharma.

(h) Sri Ambesh Chand Tyagi (P.W.8), Dy. S.P., Gautam Budh Nagar has stated that on 9th July, 2005 he was posted as In-charge Inspector, Police Station Rakabganj. On 11th July, 2005 statement of S.I. Mahavir Singh was recorded. On 16th July, 2005 accused Baba Thakur was arrested and his statement was recorded and he was kept hidden. On 10th August, 2005 statement of Mustaqeem and on 15th August, 2005 statement of Mohd. Sajid was recorded. On 12th September, 2005 recovered articles were sent for forensic examination. On 15th August, 2005 chargesheet was filed against accused Kailash. On 8th September, 2007 identification of Baba Thakur was held and thereafter, chargesheet was submitted, which is Ex.Ka.15.

9. The accused persons did not examine any witness in support of their defence and their statement under Section 313 Cr.P.C. was recorded by the trial court on 26th July, 2010.

10. Appellant-Kailash in his statement under section 313 of the criminal procedure code has denied charges/allegations against him and has stated that he had come to meet his relative and one tempo has hit him and as a result he sustained injury and all the tempo drivers assembled. He has not fired on deceased nor he has any revolver.

11. The Appellant-Baba Thakur in his statement under section 313 of the criminal procedure code has denied the charges and stated that he was not present at the place of occurrence and has no knowledge with regard to the occurrence. It is further stated that the witness has not identified the Appellant.

12. As per prosecution case on 23rd June, 2005 at about 6:30 PM when P.W.4 - Amarnath was travelling near powerhouse area, police station - Rakabganj, District - Agra along with bag containing tiffin in which cash was kept then Appellant - Kailash and Baba Thakur alias Prawesh Kumar snatched away bag of Amarnath. At the same time informant (PW1) Babua along with his son namely Aslam (PW2) were going to tempo stand Mantola road to

meet informant's second son Arif. On hearing distress call of Amarnath that accused persons has forcibly taken away bag containing cash; informant and his son saw accused persons running towards Powerhouse, one was having country-made pistol & a bag and other accused person was having country made pistol.

13. On hearing distress call, son of informant deceased-Arif and Aslam (PW2), Shahid Anwar, Mohd. Shahid, Fateh Singh (Tempo Driver), Ilbas, Rakesh Sharma, Muhiuddin and Amar Nath started running to catch the aforesaid accused persons and caught hold of one accused-person, who on being caught, fired which hit son of informant, namely, Arif, who sustained firearm injury and as a result of same, aforesaid accused person was let free and at the same time one tempo driver hit his tempo with accused person, as a result of the same, he sustained injury and fell down. Thereafter, Amar Nath got back his bag, which was forcefully taken by accused person and when informant and his son Aslam reached the said place, accused was having countrymade pistol in his hand and there were four live cartridges into his pocket, which was taken in custody.

14. The aforesaid accused person informed that his name is Kailash, s/o Asharfi Lal. Accused Kailash disclosed the name of other accused person as Baba Sindhi, Near Gurudwara Colony, Etah who ran away from place of occurrence. Injured Arif was brought to hospital by Aslam and other persons and in intervening period police personnel came. Countrymade pistol, cartridges and bag of Amar Nath was deposited in police station and first information report was lodged after being scribed by Nasruddin.

15. Prosecution witnesses has supported the prosecution story. P.W.4 - Amarnath supporting prosecution case has stated that on 23rd June, 2005 he went to Etah and after recovering cash from cloth merchants which was kept in a bag; came back by bus from Etah to Agra. After he de-boarded the bus and was travelling through Subhash baazar at about 6:30 PM, two persons with country made pistol came. One person hit him with the butt and second person snatched away the bag and ran towards powerhouse. When Amarnath made distress call then common people ran towards accused person and caught hold of one person who fired on being caught and as a result of the same, Arif got injured and person who was caught was let off but fell down after being dashed with tempo. The bag of Amarnath was recovered and country made pistol and live cartridges were also recovered from the aforesaid person, who was caught; aforesaid person disclosed his name as Kailash and disclosed the name of accused who ran away as Baba Sindhi. The aforesaid statement of P.W.4 is supported by P.W.1 who is father of the deceased and P.W.2 who is brother of the deceased. P.W.1 & P.W.2 identified the Appellants before the trial court. Accused Baba Thakur was identified by prosecution witness in jail also.

16. The post-mortem of deceased was held on 24th June, 2005 by P.W.6 - Dr A.P.Singh; aforesaid witness has proved post-mortem report and same was marked as Ex Ka - 11 before trial court. As per post-mortem report deceased - Arif died due to shock and haemorrhage as a result of anti-mortem firearm injury. The deceased suffered firearm injury in stomach. Blackening and tattooing was present. Lumber Vertebra was fractured and a bullet

was recovered from body of deceased. P.W.6 has further testified that death was possible from firearm injury. The opinion of said witness was that death could have occurred at 6 PM.

17. It is submitted by learned counsel for Appellants that in present case P.W.1 - father of the deceased and P.W.2 - Aslam (Brother of deceased) are not the independent witness and testimony of P.W.4 does not prove prosecution case. The trial court has recorded finding that no enmity has been shown between Appellants and P.W.1 & P.W.2. Trial court has further recorded finding that presence of the aforesaid witnesses have been shown on the basis that they had gone for talks of marriage of sister of deceased which is natural event.

18. A witness is normally to be considered independent unless he or she springs from sources which are likely to be tainted and that usually means unless the witness has cause, such as enmity against the accused, to wish to implicate him falsely. Ordinarily a close relative would be the last to screen the real culprit and falsely implicate an innocent person. It is often the case that offence is witnessed by a close relative of the victim, whose presence on the scene of offence would be natural. The evidence of such a witness cannot automatically be discarded by labelling witness as interested. It is worthy to note that there is a distinction between a witness who is related and an interested witness. A relative is a natural witness. The Apex Court in Kartik Malhar Vs. State of Bihar, (1996) 1 SCC 614 has opined that a close relative who is a natural witness cannot be regarded as an interested witness, for the term "interested" postulates that the witness must have some interest in having the accused, somehow or the other, convicted for some animus or for some other reason.

19. Merely because the witnesses are family members their evidence cannot per se be discarded. When there is allegation of interestedness, the same has to be established. Mere statement that being relatives of the deceased they are likely to falsely implicate the accused cannot be a ground to discard the evidence which is otherwise cogent and credible. Relationship is not a factor to affect credibility of a witness. It is more often than not that a relative would not conceal actual culprit and make allegations against an innocent person. Foundation has to be laid if plea of false implication is made. There is no bar in law on examining family members as witness. Evidence of a related witness can be relied upon provided it is trustworthy.

20. The Supreme Court in **State of Uttar Pradesh Vs. Samman Dass, (1972) 3 SCC 201** observed as under:-

"23...It is well known that the close relatives of a murdered person are most reluctant to spare the real assailant and falsely involve another person in place of the assailant..."

21. In **Khurshid Ahmed Vs. State of Jammu and Kashmir (2018) 7 SCC 429,** Supreme Court on the issue of evidence of a related witness observed as under :-

"31. There is no proposition in law that relatives are to be treated as untruthful witnesses. On the contrary, reason has to be shown when a plea of partiality is raised to show that the witnesses had reason to shield actual culprit and falsely implicate the accused."

22. The Apex Court in **Mohd. Rojali Ali v. State of Assam, (2019) 19 *SCC 567*** in respect of related witness has observed as under :-

"13. As regards the contention that all the eyewitnesses are close relatives of the deceased, it is by now well-settled that a related witness cannot be said to be an "interested" witness merely by virtue of being a relative of the victim. This Court has elucidated the difference between "interested" and "related" witnesses in a plethora of cases, stating that a witness may be called interested only when he or she derives some benefit from the result of a litigation, which in the context of a criminal case would mean that the witness has a direct or indirect interest in seeing the accused punished due to prior enmity or other reasons, and thus has a motive to falsely implicate the accused (for instance, see State of Rajasthan v. Kalki [State of Rajasthan v. Kalki, (1981) 2 SCC 752 : 1981 SCC (Cri) 593] ; Amit v. State of U.P. [Amit v. State of U.P., (2012) 4 SCC 107 : (2012) 2 SCC (Cri) 590] ; and Gangabhavani v. Rayapati Venkat Reddy [Gangabhavani v. Rayapati Venkat Reddy, (2013) 15 SCC 298 : (2014) 6 SCC (Cri) 182]). Recently, this difference was reiterated in Ganapathi v. State of T.N. [Ganapathi v. State of T.N., (2018) 5 SCC 549 : (2018) 2 SCC (Cri) 793] , in the following terms, by referring to the three-Judge Bench decision in State of Rajasthan v. Kalki [State of Rajasthan v. Kalki, (1981) 2 SCC 752 : 1981 SCC (Cri) 593] : (Ganapathi case [Ganapathi v. State of T.N., (2018) 5 SCC 549 : (2018) 2 SCC (Cri) 793] , SCC p. 555, para 14)

"14. "Related" is not equivalent to "interested". A witness may be called "interested" only when he or she derives some benefit from the result of a litigation; in the decree in a civil case, or in seeing an accused person punished. A witness who is a natural one and is the only possible eyewitness in the circumstances of a case cannot be said to be "interested"."

14. In criminal cases, it is often the case that the offence is witnessed by a close relative of the victim, whose presence on the scene of the offence would be natural. The evidence of such a witness cannot automatically be discarded by labelling the witness as interested. Indeed, one of the earliest statements with respect to interested witnesses in criminal cases was made by this Court in *Dalip Singh v. State of Punjab [Dalip Singh v. State of Punjab*, 1954 SCR 145 : AIR 1953 SC 364 : 1953 Cri LJ 1465] , wherein this Court observed: (AIR p. 366, para 26)

"26. A witness is normally to be considered independent unless he or she springs from sources which are likely to be tainted and that usually means unless the witness has cause, such as enmity against the accused, to wish to implicate him falsely. Ordinarily a close relative would be the last to screen the real culprit and falsely implicate an innocent person."

15. In case of a related witness, the Court may not treat his or her testimony as inherently tainted, and needs to ensure only that the evidence is inherently reliable, probable, cogent and consistent. We may refer to the observations of this Court in *Jayabalan v. State (UT of Pondicherry) [Jayabalan v. State (UT of Pondicherry)*, (2010) 1 SCC 199 : (2010) 2 SCC (Cri) 966] : (SCC p. 213, para 23)

"23. We are of the considered view that in cases where the court is called

upon to deal with the evidence of the interested witnesses, the approach of the court, while appreciating the evidence of such witnesses must not be pedantic. The court must be cautious in appreciating and accepting the evidence given by the interested witnesses but the court must not be suspicious of such evidence. The primary endeavour of the court must be to look for consistency. The evidence of a witness cannot be ignored or thrown out solely because it comes from the mouth of a person who is closely related to the victim."

23. The Apex Court in ***Kulwinder Singh v. State of Punjab, (2015) 6 SCC 674*** held that the case of the prosecution cannot be rejected solely on the ground that independent witnesses have not been examined when, on the perusal of the evidence on record the Court finds that the case put forth by the prosecution is trustworthy. When the evidence of the official witnesses is trustworthy and credible, there is no reason not to rest the conviction on the basis of their evidence.

24. In ***Harbans Kaur v. State of Haryana, (2005)*** **9 SCC 195,** the Hon'ble Supreme Court observed that:

"6. There is no proposition in law that relatives are to be treated as untruthful witnesses. On the contrary, reason has to be shown when a plea of partiality is raised to show that the witnesses had reason to shield actual culprit and falsely implicate the accused."

25. It is held in recent judgement rendered in ***Surinder Kumar v. State of Punjab AIR 2020 Supreme Court 303*** that merely because prosecution has not examined any independent witness, same would not necessarily lead to the conclusion that the appellant has been falsely implicated.

26. In **M. Nageswara Reddy v. State of Andhra Pradesh (SC) - 2022 CrLJ 2254** the Apex Court has observed that merely because the witnesses were the relatives of the deceased, their evidence cannot be discarded solely on the aforesaid ground.

27. It is further to be seen that in the present case no material has been shown to demonstrate that there was any prior enmity between P.W.1 and P.W.2 and accused person. No reasons have been assigned as to why aforesaid witness would falsely implicate the Appellant's. There is one more aspect of the matter that in the present case P.W.4 - Amarnath is an independent witness who was travelling with the money bag and incident had occurred in presence of aforesaid witness. The said witness is the eyewitness of the aforesaid incident and as such it cannot be said that there is no independent witness to support the prosecution case.

28. It is further submitted by learned counsel for the Appellant that in present case, scribe of first information report - Nooruddin and tempo driver who had hit accused Kailash has not been examined and an important evidence has been detained by the prosecution and as such the Appellant could not have been convicted for the alleged offence. In the present case, first information report was scribed on the dictation of the first informant and informant has testified on oath before the trial court and has proved the first information report, under the aforesaid circumstances non-production of the scribe of first information report will not

adversely affect prosecution case. Further, tempo driver who had hit the Appellant - Kailash with the Tempo was seen by PW-1, PW-2 and PW-4 and Appellant-Kailash were caught at the place of occurrence with countrymade pistol and bag and same has been proved by prosecution by testimony of prosecution witnesses and as such the non-examination of the Tempo Driver will not affect the prosecution case.

29. It is further submitted by counsel for the Appellant that there is a contradiction in the statement of witnesses. It is submitted that one witness has stated that he was hundred metre away and caught hold the accused person by running whereas the other witness has stated that witness was near the place of occurrence. It is also submitted that informant has stated that the alleged occurrence is of 5:30 PM whereas other witness has stated that alleged incident is of 6:30 PM and as such there is contradiction. It is to be noted that the statement of the prosecution witness no 1 and 2 was recorded before the trial court in the year 2008 and incident has taken place on 23rd June, 2005 and as such the statement itself are recorded after three years of the date of occurrence. It is further to be noted that in first information report being Exhibit Ka.-1, time of alleged incident has been stated to be 6:30 PM. The memory of the witness fades with the passage of time and as such unless the contradiction is material the same by itself cannot demolish the prosecution case specifically when the first information report has been duly proved by the prosecution witness no 1. It is also to be noted that contradiction in the statement of witness has not been confronted with aforesaid witness in cross examination.

30. Minor variations in the accounts of witnesses are often the hallmark of the truth of their testimony. When the discrepancies were comparatively of a minor character and did not go to the root of prosecution story, they need not be given undue importance. Mere congruity or consistency is not the sole test of truth in the depositions. In the depositions of witnesses there are always normal discrepancy, however honest and truthful they may be. Such discrepancies are due to normal errors of observation, normal errors of memory due to lapse of time, due to mental disposition such as shock and horror at the time of occurrence, and the like. Material discrepancies are those which are not normal, and not expected of a normal person. Corroboration of evidence with mathematical niceties cannot be expected in criminal cases. Minor embellishment, there may be, but variations by reason therefor should not render the evidence of eye witnesses unbelievable.

31. Unless a contradiction is proved by putting it to the person who records the original statement, such contradiction is of no consequence.

32. The very purpose of putting the contradiction to the witness is to give an opportunity to him/her to explain contradictory statement, if any. While appreciating the evidence, the Court must examine the evidence in its entirety, upon reading the statement of a witness as a whole, and if the Court finds the statement to be truthful and worthy of credence, then every variation or discrepancy particularly which is immaterial and does not affect the root of prosecution case, would be of no consequences.

33. It is further submitted by learned counsel for Appellant that P.W.1 is father of the deceased and P.W.2 is brother of deceased however the P.W.1 went to the police station after his son was injured by gunshot injury nor blood stain clothes of the brother has been recovered and as such the testimony of aforesaid witnesses is not natural. The trial court has rejected the aforesaid contention raised by counsel for the Appellant. In the present case P.W.1 in his testimony has stated that deceased was taken by his son and other persons to hospital and in the meantime the police personnel came at the place of occurrence and as such the first information report was scribed on the dictation of the informant and he went to the police station for lodging of first information report. Police personnel had already come to the place of occurrence and as such once the deceased was sent to the hospital along with son of the informant and other persons then it is in the natural course of event that informant went to the police station for lodging the first information report immediately. It is further to be noted that just because the prosecution has not collected evidence with regard to blood stain on the clothes of the P.W.1 and P.W.2 would not demolish the prosecution case specifically when there are eyewitness of the alleged incident who have supported prosecution case before the trial court.

34. It is submitted by learned counsel for the Appellant-Baba Thakur that as per the prosecution case two accused persons were involved in the alleged occurrence. Appellant-Kailash was caught hold by prosecution witnesses and other persons at the place of occurrence. While the other accused person had fled away from the place of occurrence. Appellant-Kailash when caught by mob has disclosed name of other accused person as Baba Sindhi. The statement of the co-accused as per learned counsel for the Appellant is not of substantive evidence against the other co-accused in the trial but can only be used for lending reassurance if there are any other substantive evidence. In this reference learned counsel for the Appellant has relied upon the judgement of the apex court in **Paramhans Yadav and Sadanand Tripathi Vs State of Bihar and others, AIR 1987 SC 955.** It is submitted that the Appellant is Parvesh kumar Singh and it is not proved that Baba Sindhi, Baba Thakur and Parvesh Kumar Singh are one and the same person.

35. As per section 9 of the Evidence Act, a fact which establishes the identity of anything or person whose identity is relevant are relevant fact. The principle in the section is a exception to the general rule that the evidence of collateral facts is not usually receivable.

36. It is often important to establish the identity of a person who witness testifies that he saw on the particular occasion. Sometimes, a witness may not recognise the person but he may still testify that on subsequent event he was able to identify the person he had initially seen on the particular occasion. The subsequent event may be formal such as test identification parade or informal for instance seeing a person on a road or receiving information with regard to identity from some other person who was present at the time of occurrence. The fact of identification of the accused person is relevant fact as the same points towards the person who has committed the offence.

37. In the present case, two persons are alleged to have participated in the

alleged occurrence as per the prosecution case. One accused person namely Appellant-Kailash was caught on the place of occurrence by the prosecution witnesses. The occurrence is of a public place. When Appellant-Kailash was caught by P.W.1, 2 and 4, Appellant-Kailash has disclosed the identity of the other accused person as Baba Sindhi. The aforesaid disclosure of identity of other accused person was made by Appellant-Kailash at the place of occurrence just after he was caught by the prosecution witness.

38. P.W.1 and P.W.2 has identified accused person-Appellants' before the trial court. In the first information report dated 23rd June, 2005, name of the Appellants' have been disclosed. The first information report has been lodged by P.W.1-Babua who is father of the deceased and was present at the time of alleged occurrence.

39. Appellant-Baba Sindhi was seen by the prosecution witness at the time of alleged occurrence. The identity of the aforesaid Appellant was disclosed by accused Kailash. The fact regarding disclosure of identity by the accused Kailash is proved by the statement of prosecution witness no 1, 2 & 4. The fact relating to identity of accused person is relevant and has been proved by prosecution witnesses before trial court. It is to be noted that evidence may be given under section 3 of the evidence act in any proceedings of existence or non-existence of every fact in issue and such other facts as our declared relevant. The fact with regard to identity of the Appellant - Baba Sindi as has been disclosed by Appellant - Kailash is a relevant fact and as such the evidence in respect of the same can be given to prove the aforesaid fact. It is also important to note that the identity of the Appellant - Baba Sindhi has been disclosed at the place of occurrence just after the incident has occurred. The name of the Appellant - Baba Sindhi is stated as co-accused in the first information report lodged by P.W.1. The Appellants were seen by prosecution witnesses at the time of occurrence however the name of the aforesaid persons were disclosed when Appellant - Kailash was caught and he has disclose the name of other accused person.

40. It is further to be noted that Appellants including Baba Sindhi has been identified before trial court by the eyewitnesses and the same is corroborated by the identification of the accused person at the time of identification parade. The fact relating to identity of a person who is involved in the alleged crime is a relevant fact which conforms the presence of the Appellant at the time of occurrence. Once the accused person have been identified by the eyewitnesses as perpetrator of crime before the trial court and the same is corroborated by the test identification parade then it is not open for Appellants to submit that disclosure of co-accused cannot be a foundation for conviction of the Appellant.

41. It is further submitted by learned counsel for Appellant-Baba Sindhi that name of the Appellant is Prawesh Kumar Singh and he is not known by any other name, namely, Baba Sindhi and Baba Thakur. In this respect, counsel for the Appellant submits that P.W.1 has stated that the co-accused Kailash has disclosed the name of Appellant who has fled the place of occurrence as Baba Sindhi. He has further stated that the Appellant is also known as Baba Thakur. Similarly, P.W.4 has stated that the accused who fled from the place of occurrence was Baba Sindhi

however how he come to know that the name was Baba Thakur is not known.

42. One of accused persons namely Appellant - Kailash was caught at place of occurrence by prosecution witnesses. The occurrence is a public place. When Appellant - Kailash was caught by P.W.1, 2 and 4, the aforesaid Appellant - Kailash has disclosed the identity of other accused person as Baba Sindhi.

43. On the aforesaid basis, first information report was lodged by P.W.1 against Appellant's. Name of Appellant was disclosed as Baba Sindhi in the first information report.

44. After the lodging of the first information report, investigation was carried on by Investigating Officer and in case diary dated 26th June, 2005 it has been recorded by the Investigating Officer that Sub- Inspector Jitendra Singh along with other police officials went in search of accused Baba Sindhi however on reaching the place where the aforesaid accused was residing it has come to knowledge that the correct name of the accused is Baba Thakur and was also known as Baba Sindhi in the area.

45. The Appellant in a statement under section 313 of the Code of Criminal Procedure has got recorded his name as Baba Thakur alias Pravesh kumar. In a statement under section 313 Cr.P.C. the aforesaid accused - appellant has not stated that he is not known as Baba Sindhi. The memo of appeal has been filed by Appellant in name of Baba Thakur alias Parvesh Kumar Singh before this court. The P.W.7 in his cross examination has stated that in his investigation the name of accused Baba Thakur has come during investigation. P.W.1 in his statement has identified Appellant Baba Thakur alias Sindhi alias Parvesh Kumar. Under the circumstances, Baba Sindhi, Baba Thakur and Parvesh Kumar are same person who has been identified by prosecution witness before the trial court as the person who is one of the accused involved in alleged crime.

46. It is further submitted on behalf of the Appellant-Baba Thakur that none of the witnesses of the alleged occurrence has seen the Appellant at the place of incident.

47. The testimony of the prosecution witness who are the eyewitness of alleged incident is a substantive piece of evidence before the trial court. P.W.1 has identified the Appellants' before the trial court. P.W.1 was present at the place of occurrence on 23rd June, 2005 as he had gone to to meet his son Aslam. The alleged occurrence has taken place in presence of P.W.1. Appellants have also been identified by the aforesaid witness in the identification parade.

48. Similarly, P.W.2 has also identified the Appellants' before the trial court. The aforesaid witness has further stated that he had seen the accused persons; accused person who ran away from the place of incident was seen by him from a distance of 20 steps; both the accused persons were involved in the alleged occurrence. It is to be noted that prosecution witness no 1 and 2 are the relative of the deceased.

49. The P.W.4 has supported the prosecution story however has stated that the co-accused Kailash has disclosed the name of Baba Thakur and has further stated that he is not in a position to recognise the

accused person before the trial court as sufficient time has passed when the alleged occurrence took place. It is to be noted that the alleged incident is of 23rd June, 2005 and the statement of P.W.4 was recorded on 16th March, 2010 and as such in case there is a minor variation in the statement of prosecution witness the same will not in any manner affect the prosecution case specifically when P.W.1 and P.W.2 have identified accused persons and have supported the prosecution case.

50. It is further submitted on behalf of Appellant-Baba Thakur that identification parade was held on 8th September, 2005 whereas the alleged occurrence has taken place on 23rd June, 2005. He submits that there is inordinate delay in holding the test identification parade and as such the identification itself loses its credibility. Learned counsel for the Appellant has further relied upon the judgement of the apex court in **Hari Nath Vs State of U.P., AIR 1988 SC 345** in this respect.

51. In the present case, alleged occurrence has taken place on 23rd June, 2005 and thereafter the Appellant - Baba Sindhi was arrested on 16th July, 2005 and test identification parade was held in jail on 8th September, 2005. The accused person have been identified by P.W.1 and 2 before the trial court. The aforesaid witness were present at the time of alleged occurrence and are related to the deceased.

52. The necessity for holding an identification parade can arise only when the accused pers ons are not previously known to the witnesses. The whole idea of a test identification parade is that witnesses who claim to have seen the culprits at the time of occurrence are to identify them from the midst of other persons without any aid or any other source. The test is done to check upon their veracity. In other words, the main object of holding an identification parade, during the investigation stage, is to test the memory of the witnesses based upon first impression and also to enable the prosecution to decide whether all or any of them could be cited as eyewitnesses of the crime.

53. The identification parades belong to investigation stage and they serve to provide investigating authority with materials to assure themselves if the investigation is proceeding on the right lines. In other words, it is through these identification parades that investigating agency is required to ascertain whether the persons whom they suspect to have committed the offence were the real culprits. There is no provision in the Code which obliges the investigating agency to hold or confers a right upon the accused to claim, a test identification parade. They do not constitute substantive evidence and these parades are essentially governed by Section 162 of Code of Criminal Procedure. Failure to hold a test identification parade would not make inadmissible the evidence of identification in Court.

54. Test identification parade is not substantive evidence and it can only be used as corroborative of the statement in court. The facts, which establish the identity of the accused persons, are relevant under Section 9 of the Evidence Act. As a general rule, the substantive evidence of a witness is the statement made in Court.

55. In ***Malkhansingh v. State of M.P., (2003) 5 SCC 746*** a three-Judge Bench of Apex Court observed as under:-

"7. It is trite to say that the substantive evidence is the evidence of identification in court. Apart from the clear provisions of Section 9 of the Evidence Act, the position in law is well settled by a catena of decisions of this Court. The facts, which establish the identity of the accused persons, are relevant under Section 9 of the Evidence Act. As a general rule, the substantive evidence of a witness is the statement made in court. The evidence of mere identification of the accused person at the trial for the first time is from its very nature inherently of a weak character. The purpose of a prior test identification, therefore, is to test and strengthen the trustworthiness of that evidence. It is accordingly considered a safe rule of prudence to generally look for corroboration of the sworn testimony of witnesses in court as to the identity of the accused who are strangers to them, in the form of earlier identification proceedings. This rule of prudence, however, is subject to exceptions, when, for example, the court is impressed by a particular witness on whose testimony it can safely rely, without such or other corroboration. The identification parades belong to the stage of investigation, and there is no provision in the Code of Criminal Procedure which obliges the investigating agency to hold, or confers a right upon the accused to claim a test identification parade. They do not constitute substantive evidence and these parades are essentially governed by Section 162 of the Code of Criminal Procedure. Failure to hold a test identification parade would not make inadmissible the evidence of identification in court. The weight to be attached to such identification should be a matter for the courts of fact. In appropriate cases it may accept the evidence of identification even without insisting on corroboration."

56. The value to be attached to test identification parade would depend on the facts and circumstances of the case and no hard and fast rule can be laid down. Where, however, court is satisfied that witnesses had ample opportunity of seeing the accused at the time of commission of offence and there is no chance of mistaken identity, delay in holding test identification parade may not be held to be fatal.

57. In ***Lal Singh v. State of U.P., (2003) 12 SCC 554***, the Apex Court in paras 28 and 43 dealt with the value or weightage to be attached to test identification parade and the effect of delay in holding such test identification parade.

"28. The next question is whether the prosecution has proved beyond reasonable doubt that the appellants are the real culprits. The value to be attached to a test identification parade depends on the facts and circumstances of each case and no hard-and-fast rule can be laid down. The court has to examine the facts of the case to find out whether there was sufficient opportunity for the witnesses to identify the accused. The court has also to rule out the possibility of their having been shown to the witnesses before holding a test identification parade. Where there is an inordinate delay in holding a test identification parade, the court must adopt a cautious approach so as to prevent miscarriage of justice. In cases of inordinate delay, it may be that the witnesses may forget the features of the accused put up for identification in the test identification parade. This, however, is not an absolute rule because it depends upon the facts of each case and the opportunity which the witnesses had to notice the features of the accused and the circumstances in which they had seen the accused committing the offence. Where the

witness had only a fleeting glimpse of the accused at the time of occurrence, delay in holding a test identification parade has to be viewed seriously. Where, however, the court is satisfied that the witnesses had ample opportunity of seeing the accused at the time of the commission of the offence and there is no chance of mistaken identity, delay in holding the test identification parade may not be held to be fatal. It all depends upon the facts and circumstances of each case.

43. It will thus be seen that the evidence of identification has to be considered in the peculiar facts and circumstances of each case. Though it is desirable to hold the test identification parade at the earliest-possible opportunity, no hard-and-fast rule can be laid down in this regard. If the delay is inordinate and there is evidence probabilising the possibility of the accused having been shown to the witnesses, the court may not act on the basis of such evidence. Moreover, cases where the conviction is based not solely on the basis of identification in court, but on the basis of other corroborative evidence, such as recovery of looted articles, stand on a different footing and the court has to consider the evidence in its entirety."

58. In the present case, the alleged occurrence took place on 23rd June, 2005 and the Appellant was arrested on 16th July, 2005 and the test identification parade was held on 8th September, 2005. P.W.1 and 2 in their testimony before the trial court has identified Appellants as persons involved in the alleged crime on 23rd June, 2005. P.W.1 and 2 are related to the deceased. Witnesses are not known to the Appellants prior to the alleged occurrence. No prior enemity has been shown between prosecution witness and the Appellants. Prosecution witnesses were involved in catching hold one of the Appellant namely Kailash and the other Appellant namely Baba Sindhi fled away from the place of occurrence. Appellants have been identified by the prosecution witness in the test identification parade held on 8th September, 2005. As per P.W.1 they were present in the market when the Appellants took bag of P.W.4 and started running towards powerhouse. On the distress call of P.W.4, son of the Appellant namely Arif (deceased) and Aslam went to catch the appellants. One of the Appellant's, namely, Kailash fired on Arif (deceased) as a result of same he sustained injuries and subsequently died. The firearm wound of deceased as per the post-mortem report shows blackening and tattooing which is indicative of the fact that firing was made by Appellant at a close range.

59. P.W.1 has stated that when accused person was caught he had fired. The fire was made from 2 to 3 steps. Further, P.W.2 has also stated that when accused person was caught one of them fired and arif was injured. He has further stated that the bag was being taken back from the accused person when he fired. The said witness has stated that he had seen the incident from 20 steps. P.W.8 was one of the investigating officer when the test identification parade was held. He has stated that the Appellant's face were hidden (baparda).

60. There is one more aspect of the issue, in the cross examination of prosecution witnesses accused has not put any question with regard to delay in holding the test identification parade. It was the duty of the accused to question the Investigating Officer, if any advantage was

sought to be taken on account of the delay in holding the test identification parade. The burden of establishing the guilt is on the prosecution but that theory cannot be carried so far as to hold that prosecution must lead evidence to rebut all possible defences. If test identification parade was held in an irregular manner then Investigating Officer ought to have been cross-examined in that behalf. The purpose of cross-examination is to test evidence of a witness, to expose weaknesses where they exist and if so, to undermine the account the witness has given. This gives prosecution witness the opportunity to respond to the defence case and either agree or disagree with it. Once such an opportunity to respond to the defence case is not given to prosecution witness by not cross-examining in that behalf then it would not be open to accused person to challenge the veracity of the test identification parade at the appellate stage. In the present case we find that defence has not imputed any motive to the prosecution for the delay in holding the test identification parade, nor has the defence alleged that there was any irregularity in the holding of the test identification parade before the trial court. The evidence of investigating officer has gone unchallenged in this respect.

61. In ***Pramod Mandal v. State of Bihar, (2004) 13 SCC 150***, the Apex Court has observed as under:-

"18. Learned counsel for the State submitted that in the instant case there was no inordinate delay in holding the test identification parade so as to create a doubt on the genuineness of the test identification parade. In any event he submitted that even if it is assumed that there was some delay in holding the test identification parade, it was the duty of the accused to question the investigating officer and the Magistrate if any advantage was sought to be taken on account of the delay in holding the test identification parade. Reliance was placed on the judgment of this Court in Bharat Singh v. State of U.P. [(1973) 3 SCC 896 : 1973 SCC (Cri) 574] In the aforesaid judgment this Court observed thus: (SCC p. 898, para 6)

"6. In Sk. Hasib v. State of Bihar [(1972) 4 SCC 773 : AIR 1972 SC 283] it was observed by the Court that identification parades belong to the investigation stage and therefore it is desirable to hold them at the earliest opportunity. An early opportunity to identify tends to minimise the chances of the memory of the identifying witnesses fading away due to long lapse of time. Relying on this decision, counsel for the appellant contends that no support can be derived from what transpired at the parade as it was held long after the arrest of the appellant. Now it is true that in the instant case there was a delay of about three months in holding the identification parade but here again, no questions were asked of the investigating officer as to why and how the delay occurred. It is true that the burden of establishing the guilt is on the prosecution but that theory cannot be carried so far as to hold that the prosecution must lead evidence to rebut all possible defences. If the contention was that the identification parade was held in an irregular manner or that there was an undue delay in holding it, the Magistrate who held the parade and the police officer who conducted the investigation should have been cross-examined in that behalf."

In the instant case we find that the defence has not imputed any motive to

the prosecution for the delay in holding the test identification parade, nor has the defence alleged that there was any irregularity in the holding of the test identification parade. The evidence of Magistrates conducting the test identification parade as well as the investigating officer has gone unchallenged. Learned counsel for the State is, therefore, justified in contending that in the facts and circumstances of this case the holding of the test identification parade, about one month after the occurrence, is not fatal to the case of the prosecution as there is nothing to suggest that there was any motive for the prosecution to delay the holding of the test identification parade or that any irregularity was committed in holding the test identification parade.

20. It is neither possible nor prudent to lay down any invariable rule as to the period within which a test identification parade must be held, or the number of witnesses who must correctly identify the accused, to sustain his conviction. These matters must be left to the courts of fact to decide in the facts and circumstances of each case. If a rule is laid down prescribing a period within which the test identification parade must be held, it would only benefit the professional criminals in whose cases the arrests are delayed as the police have no clear clue about their identity, they being persons unknown to the victims. They, therefore, have only to avoid their arrest for the prescribed period to avoid conviction. Similarly, there may be offences which by their very nature may be witnessed by a single witness, such as rape. The offender may be unknown to the victim and the case depends solely on the identification by the victim, who is otherwise found to be truthful and reliable. What justification can be pleaded to contend that such cases must necessarily result in acquittal because of there being only one identifying witness? Prudence therefore demands that these matters must be left to the wisdom of the courts of fact which must consider all aspects of the matter in the light of the evidence on record before pronouncing upon the acceptability or rejection of such identification."

62. In **Raja v. State By The Inspector of Police**, Criminal Appeal No. 740 of 2018 decided on 10.12.2019 the Apex Court has observed:-.

"It is, thus, clear that if the material on record sufficiently indicates that reasons for "gaining an enduring impression of the identity on the mind and memory of the witnesses" are available on record, the matter stands in a completely different perspective. This Court also stated that in such cases even non-holding of identification parade would not be fatal to the case of the prosecution."

63. In the facts and circumstances of the present case, witnesses had ample opportunity of seeing the accused at the time of the commission of the offence and there is no chance of mistaken identity, delay in holding the test identification parade may not be held to be fatal. Further, facts and circumstances are indicative of enduring impression of the identity on the mind and memory of the witnesses.

64. It is further submitted by learned counsel for Appellant-Baba Sindhi that even assuming that Appellant was present with accused at place of occurrence even then Appellant could not have been convicted under section 302 read with 34 of Indian Penal Code. He submits that there was no intention to commit murder and

common intention was to commit robbery and run away. There was no premeditation to commit murder. It is further submitted that the co-accused in order to save himself has fired which resulted in death of the deceased as such the provisions of section 34 of Indian Penal Code would not be attracted to convict Appellant-Baba Sindhi under section 302 of Indian Penal Code.

65. Section 34 of the Indian Penal Code provides that when criminal act is done by several persons in furtherance of the common intention of all, each of such person is liable for the act in the same manner as if it were done by him alone.

66. Section 34 IPC carves out an exception from general law that a person is responsible for his own act, as it provides that a person can also be held vicariously responsible for the act of others if he has the "common intention" to commit offence. This section has been enacted on the principle of joint liability in the doing of a criminal act. The section is only a rule of evidence and does not create a substantive offence. The distinctive feature of the section is the element of participation in action. The liability of one person for an offence committed by another in course of criminal act perpetrated by several persons arises under Section 34 if such criminal act is done in furtherance of a common intention of the persons who join in committing the crime.

67. The section recognises the principle of constructive liability and essence of that liability is the existence of a common intention. It is to be noted that section 34 of the Indian penal code has used the expression "criminal act" and not "offence". Section 33 of the Indian Penal Code provides that the word "act" denotes as well a series of acts as a single act. Section 34 of the Indian Penal Code is to be read along with the preceding section 33 which makes it imperative that the act referred to in section 34 of the Indian penal Court includes series of acts as a single act. All such acts which were either contemplated and were to be done in furtherance of the common intention will be included in criminal act.

68. In **Krishnamurthy @ Gunodu v. State of Karnataka (SC) : Criminal Appeal No.288 of 2022** (Arising out of Special Leave Petition (Crl.) No.6893 of 2021), decided on 16.2.2022, the Apex Court has observed as under:-

"10. Appropriate at this stage would be reference to an earlier decision of this Court in Afrahim Sheikh and Others v. State of West Bengal, AIR 1964 SC 1263, which referred to with approval the following quote on the expression "act" explained by Judicial Commissioner in Barendra Kumar Ghosh v. The King-Emperor, ILR (1925) 52 Cal. 197:

"criminal act means that unity of criminal behaviour, which results in something, for which an individual would be punishable, if it were all done by himself alone i.e. a criminal offence".

This "criminal act" under Section 34 IPC, it was held, applies where a criminal act is done by several persons in furtherance of common intention of all. The criminal offence is the final result or outcome but it may be through achievement of individual or several criminal acts. Each individual act may not constitute or result in the final offence. When a person is assaulted by a number of accused, the "ultimate criminal act"

normally will constitute the offence which finally results or which may result in death, simple hurt, grievous hurt, etc. This is the final result, outcome or consequence of the criminal act, that is, action or act of several persons. Each person will be responsible for his own act as stipulated in Section 38 IPC. However, Sections 34 and 35 expand the scope and stipulate that if the criminal act is a result of common intention , every person, who has committed a part of the criminal act with the common intention, will be responsible for offence."

69. In case of **Sudip Kr. Sen @ Biltu and others v. State of W.B. & Ors. (2016) 3 SCC 26**, Supreme Court has held as under :-

"14. Section 34 IPC embodies the principle of joint liability in the doing of a criminal act and essence of that liability is the existence of common intention . Common intention implies acting in concert and existence of a pre-arranged plan which is to be proved/inferred either from the conduct of the accused persons or from attendant circumstances. To invoke Section 34 IPC, it must be established that the criminal act was done by more than one person in furtherance of common intention of all. It must, therefore, be proved that:-

(i) there was common intention on the part of several persons to commit a particular crime and

(ii) the crime was actually committed by them in furtherance of that common intention."

70. In **Balu @ Bala Subramanium and Anr. v. State (UT of Pondicherry) (2016) 15 SCC 471**, the Supreme Court has observed as under :-

"14. Common intention is seldom capable of direct proof, it is almost invariably to be inferred from proved circumstances relating to the entire conduct of all the persons and not only from the individual act actually performed. The inference to be drawn from the manner of the origin of the occurrence, the manner in which the accused arrived at the scene and the concert with which attack was made and from the injuries caused by one or some of them. The criminal act actually committed would certainly be one of the important factor to be taken into consideration but should not be taken to be the sole factor."

71. In **Krishnamurthy @ Gunodu v. State of Karnataka (SC) : Criminal Appeal No.288 of 2022** (Arising out of Special Leave Petition (Crl.) No.6893 of 2021), decided on 16.2.2022, the Supreme Court has observed as under:-

"19. Section 34 IPC also uses the expression "act in furtherance of common intention". Therefore, in each case when Section 34 is invoked, it is necessary to examine whether the criminal offence charged was done in furtherance of the common intention of the participator. If the criminal offence is distinctly remote and unconnected with the common intention, Section 34 would not be applicable. However, if the criminal offence done or performed was attributable or was primarily connected or was a known or reasonably possible outcome of the preconcert/contemporaneous engagement or a manifestation of the mutual consent for carrying out common purpose, it will fall within the scope and ambit of the act done in furtherance of common intention. Thus, the word "furtherance" propounds a wide scope but should not be expanded beyond

the intent and purpose of the statute. Russell on Crime, (10th edition page 557), while examining the word "furtherance" had stated that it refers to "the action of helping forward" and "it indicates some kind of aid or assistance producing an effect in the future" and that "any act may be regarded as done in furtherance of the ultimate felony if it is a step intentionally taken for the purpose of effecting that felony." An act which is extraneous to the common intention or is done in opposition to it and is not required to be done at all for carrying out the common intention, cannot be said to be in furtherance of common intention."

72. In the present case the prosecution case based on the fact that the Appellants took away the bag of one Amar Nath (P.W.4) from the marketplace and deceased and other prosecution witness ran towards the Appellants to catch them and one of the Appellant-Kailash was caught by the prosecution witness who has disclosed the name of other Appellant-Baba Sindhi. When one of the Appellant, namely, Kailash was caught he fired as a result of the same deceased Arif sustained firearm injury and later he died in the hospital. Appellant Kailash has disclosed the name of the Appellant-Baba Thakur alias Baba Sindhi. The two Appellants were engaged in a robbery of bag of Amarnath from a public place and when Kailash was caught by the prosecution witnesses, he fired on deceased.

73. The common intention of both the accused person was to commit robbery and the act of firing on the deceased was done at the time when Appellant-Kailash was caught by the deceased while both the Appellants were running away with the bag of Amarnath. The criminal offence was attributable or connected or possible outcome of the preconcert/ contemporaneous engagement or a manifestation of the mutual consent for robbery and it will fall within the scope and ambit of the act done in furtherance of common intention. The Appellant - Kailash has fired on the deceased in the act of committing robbery and as such co-accused baba Thakur will be liable for such act has been done in furtherance of the common intention of committing an offence and would come within the scope of Section 34 of the Indian Penal Code. It is to be noted that the Appellant-Kailash was carrying a fire arm while committing robbery itself is indicative of intention of the Appellants at the time of committing of crime. The manner of the origin of the occurrence, manner in which the accused arrived at the scene and concert with which attack was made and from the injuries caused by one of them leaves no doubt that accused person had common intention to commit crime and acts done in furtherance of common intention would come within the ambit of section 34 of the Indian Penal Code.

74. The Apex Court in ***State of A.P. v. M. Sohan Babu,*** **(2010) 15 SCC 69 : (2013) 2 SCC (Cri) 123 : 2010 SCC** has observed as under:-

"9. We find that in the facts of the case, the observations given above are not correct. It cannot be ignored that the two accused had entered the premises at midnight duly armed with the intention of committing robbery. They were also charged under Section 460 IPC on that account. It is also in evidence that the deceased had managed to pin A-2 down to the ground and A-2 had caused one injury in the stomach of the deceased while he lay

on top of him. Two injuries were thereafter caused on the thigh of the deceased by A-2 and the other accused. It is also in evidence that when the neighbours arrived on the scene they too were caused injuries and threatened with dire consequences. To say, therefore, that there was no intention on the part of the accused to cause death would be carrying the matter a little too far.

10. The High Court has been influenced by the fact that there was no common intention on the part of the accused to commit murder. We see, however, that the common intention can be inferred from the circumstances of the case and that the intention can be gathered from the circumstances as they arise even during an incident. The initial purpose was to commit robbery, but as the accused were armed with knives which they had used repeatedly and effectively, they were willing to kill as well and that they could not cause more damage as they were overwhelmed and pinned down."

75. It is further submitted by learned counsel for the Appellant-Baba Sindhi that the Appellant-Kailash cannot be held guilty for an offence under section 302 of the Indian penal code. It is submitted that the act of firing from country made pistol by Appellant-Kailash in worst-case scenario was done with the knowledge that it is likely to cause death but the act was not done with any intention to cause death or to cause such bodily injury as is likely to cause death. He submits that the act of firing was without premeditation and in a sudden fight in the heat of passion upon sudden quarrel. In view of the aforesaid the appellant Kailash is liable to be convicted under section 304 (II) of the Indian penal code.

76. Homicide is killing of a human being by another human being. It may either the lawful or unlawful. The lawful homicide includes several cases falling under the general exceptions provided under chapter IV of the Indian penal code. The unlawful homicide includes culpable homicide not amounting to murder (section 299), murder (section 300), rash or negligent homicide (section 304A), suicide (section 305 and 306).

77. Section 299 of the Indian Penal Code provides that whoever causes death by doing an act with intention of causing death or with the intention of causing such bodily injury as is likely to cause death or with the knowledge that he is likely by such act to cause death, commits the offence of culpable homicide.

78. Culpable homicide is murder under section 300 of the Indian Penal Code where the act is done intentionally or with the knowledge or means of knowing that is the natural consequences of the act. The intention or knowledge necessary in order to render culpable homicide must be clearly proved by the prosecution which can usually be done by proof of the circumstances which prove the act or omission in question for the presumption that the person knows the probable result of his conduct. An offence cannot amount to murder unless it falls within the definition of culpable homicide but an offence may also amount to culpable homicide without amounting to murder. To render culpable homicide to be murder, the case must come within the provisions of clause 1, 2, 3 or 4 of section 300 of the Indian penal code.

79. In ***Satish Narayan Sawant v. State of Goa, (2009)*** **17 SCC 724 : (2011) 2 SCC (Cri) 110 : 2009 SCC OnLine SC 1638 at page 738**, the Apex Court has observed as under:-

35. Section 299 and Section 300 IPC deal with the definition of culpable homicide and murder respectively. Section 299 defines culpable homicide as the act of causing death (i) with the intention of causing death, or (ii) with the intention of causing such bodily injury as is likely to cause death, or (iii) with the knowledge that such act is likely to cause death. The bare reading of the section makes it crystal clear that the first and the second clauses of the section refer to intention apart from the knowledge and the third clause refers to knowledge alone and not intention. Both the expressions "intent" and "knowledge" postulate the existence of a positive mental attitude which is of different degrees. The mental element in culpable homicide i.e. mental attitude towards the consequences of conduct is one of intention and knowledge. If that is caused in any of the aforesaid three circumstances, the offence of culpable homicide is said to have been committed.

36. Section 300 IPC, however, deals with murder although there is no clear definition of murder provided in Section 300 IPC. It has been repeatedly held by this Court that culpable homicide is the genus and murder is species and that all murders are culpable homicide but not vice versa. Section 300 IPC further provides for the exceptions which will constitute culpable homicide not amounting to murder and punishable under Section 304. When and if there is intent and knowledge then the same would be a case of Section 304 Part I and if it is only a case of knowledge and not the intention to cause murder and bodily injury, then the same would be a case of Section 304 Part II. The aforesaid distinction between an act amounting to murder and an act not amounting to murder has been brought out in the numerous decisions of this Court.

80. In ***Abdul Waheed Khan v. State of A.P.*** **[(2002) 7 SCC 175 : 2005 SCC (Cri) 1301]** observed as follows: (SCC pp. 184-87, paras 13-22)

"13. Clause (b) of Section 299 corresponds with clauses (2) and (3) of Section 300. The distinguishing feature of the mens rea requisite under clause (2) is the knowledge possessed by the offender regarding the particular victim being in such a peculiar condition or state of health that the internal harm caused to him is likely to be fatal, notwithstanding the fact that such harm would not in the ordinary way of nature be sufficient to cause death of a person in normal health or condition. It is noteworthy that the "intention to cause death' is not an essential requirement of clause (2). Only the intention of causing the bodily injury coupled with the offender's knowledge of the likelihood of such injury causing the death of the particular victim, is sufficient to bring the killing within the ambit of this clause. This aspect of clause (2) is borne out by Illustration (b) appended to Section 300.

14. Clause (b) of Section 299 does not postulate any such knowledge on the part of the offender. Instances of cases falling under clause (2) of Section 300 can be where the assailant causes death by a fist-blow intentionally given knowing that the victim is suffering from an enlarged liver, or enlarged spleen or diseased heart and such blow is likely to cause death of that particular person as a result of the rupture of the liver, or spleen or the failure of the heart, as the case may be. If the assailant had no such knowledge about the disease or special frailty of the victim, nor an intention to cause death or bodily injury sufficient in the ordinary course of nature to cause death, the offence will not be

murder, even if the injury which caused the death, was intentionally given. In clause (3) of Section 300, instead of the words "likely to cause death' occurring in the corresponding clause (b) of Section 299, the words "sufficient in the ordinary course of nature' have been used. Obviously, the distinction lies between a bodily injury likely to cause death and a bodily injury sufficient in the ordinary course of nature to cause death. The distinction is fine but real and if overlooked, may result in miscarriage of justice. The difference between clause (b) of Section 299 and clause (3) of Section 300 is one of degree of probability of death resulting from the intended bodily injury. To put it more broadly, it is the degree of probability of death which determines whether a culpable homicide is of the gravest, medium or the lowest degree. The word "likely' in clause (b) of Section 299 conveys the sense of probable as distinguished from a mere possibility. The words "bodily injury ... sufficient in the ordinary course of nature to cause death' mean that death will be the "most probable' result of the injury, having regard to the ordinary course of nature.

15. For cases to fall within clause (3), it is not necessary that the offender intended to cause death, so long as the death ensues from the intentional bodily injury or injuries sufficient to cause death in the ordinary course of nature. *Rajwant Singh v. State of Kerala* [AIR 1966 SC 1874] is an apt illustration of this point.

20. Thus, according to the rule laid down in Virsa Singh case [AIR 1958 SC 465] even if the intention of the accused was limited to the infliction of a bodily injury sufficient to cause death in the ordinary course of nature, and did not extend to the intention of causing death, the offence would be murder. Illustration (c) appended to Section 300 clearly brings out this point.

21. Clause (c) of Section 299 and clause (4) of Section 300 both require knowledge of the probability of the act causing death. It is not necessary for the purpose of this case to dilate much on the distinction between these corresponding clauses. It will be sufficient to say that clause (4) of Section 300 would be applicable where the knowledge of the offender as to the probability of death of a person or persons in general as distinguished from a particular person or persons being caused from his imminently dangerous act, approximates to a practical certainty. Such knowledge on the part of the offender must be of the highest degree of probability, the act having been committed by the offender without any excuse for incurring the risk of causing death or such injury as aforesaid."

81. In ***State of A.P. v. Rayavarapu Punnayya [State of A.P. v. Rayavarapu Punnayya,*** **(1976) 4 SCC 382 : 1976 SCC (Cri) 659]** the distinction between the two provisions was noted by apex court in paragraph 12 and 13 which is quoted herein below.

"12. In the scheme of the Penal Code, "culpable homicide" is genus and "murder" its specie. All "murder" is "culpable homicide" but not vice-versa. Speaking generally, "culpable homicide" sans "special characteristics of murder", is "culpable homicide not amounting to murder". For the purpose of fixing punishment, proportionate to the gravity of this generic offence, the Code practically recognises three degrees of culpable homicide. The first is, what may be called,

"culpable homicide of the first degree". This is the greatest form of culpable homicide, which is defined in Section 300 as "murder". The second may be termed as "culpable homicide of the second degree". This is punishable under the first part of Section 304. Then, there is "culpable homicide of the third degree". This is the lowest type of culpable homicide and the punishment provided for it is, also, the lowest among the punishments provided for the three grades. Culpable homicide of this degree is punishable under the second part of Section 304.

13. The academic distinction between "murder" and "culpable homicide not amounting to murder" has vexed the courts for more than a century. The confusion is caused, if courts losing sight of the true scope and meaning of the terms used by the legislature in these sections, allow themselves to be drawn into minute abstractions. The safest way of approach to the interpretation and application of these provisions seems to be to keep in focus the keywords used in the various clauses of Sections 299 and 300."

In *Pulicherla Nagaraju v. State of A.P., (2006) 11 SCC 444*, this Court had an occasion to consider the case of culpable homicide not amounting to murder and the intention to cause death. It was observed and held by this Court that the intention to cause death can be gathered generally from a combination of a few or several of the following, among other, circumstances:

(i) nature of the weapon used;

(ii) whether the weapon was carried by the accused or was picked up from the spot;

(iii) whether the blow is aimed at a vital part of the body;

(iv) the amount of force employed in causing injury;

(v) whether the act was in the course of sudden quarrel or sudden fight or free-for-all fight;

(vi) whether the incident occurs by chance or whether there was any premeditation;

(vii) whether there was any prior enmity or whether the deceased was a stranger;

(viii) whether there was any grave and sudden provocation, and if so, the cause for such provocation;

(ix) whether it was in the heat of passion;

(x) whether the person inflicting the injury has taken undue advantage or has acted in a cruel and unusual manner;

(xi) whether the accused dealt a single blow or several blows.

82. In the present case, the appellant's forcefully took away the bag of one Amar Nath and while they were running away they were caught by the prosecution witness and deceased whereafter accused Kailash has opened fire on the deceased as a result of the same the deceased sustain firearm injury in the abdomen. The post-mortem of the deceased was conducted on 24th June, 2005 and as per the post-mortem report the death of the deceased was due to shock and haemorrhage as a result of antemortem injury.

83. The doctor who has conducted the post-mortem in his testimony before the trial court has stated that the death could have occurred as a result of antemortem injuries sustained by the deceased. It is to be noted that the blackening and tattooing was present on the injury sustained by deceased. The aforesaid is indicative of the fact that the firearm weapon was used from close range. The nature of injury sustained by the deceased and place where the injuries have been sustained it can be said that the Appellant-Kailash fired on the deceased with the intention of causing injury as is likely to cause death or the injuries were sufficient in the ordinary course of nature to cause death. Further the injuries and act of the Appellant-Kailash was imminently dangerous that it must in all probability cause death or such bodily injury as is likely to cause death.

84. It is further to be noted that carrying firearm weapon at the place of occurrence is itself indicative of intention of accused person to cause death or such injury as is likely to cause death. The injury has been caused on the vital part by accused person. Under the circumstances the Appellant-Kailash is liable to be convicted under section 302 of the Indian penal code for the act of murder.

85. Considering the overall circumstances and submissions of learned counsel for the Appellants, learned A.G.A. for the State and after going through the evidence and lower court record, we are unable to persuade ourselves in taking a different opinion from that of trial court. The trial court was fully justified in convicting the Appellants.

86. Learned counsel for the Appellants failed to point out any illegality, infirmity or perversity in the judgment of the trial court.

87. Both the appeals lack merit and are, accordingly, **dismissed**.

88. Registrar General of this Court is directed to pay an honorarium of Rs. 25,000/- to Sri Gagan Pratap Singh, learned Amicus Curiae for rendering effective assistance in the appeal

89. Let the lower court record be transmitted back to court below along with a copy of this order.

(2023) 1 ILRA 555
ORIGINAL JURISDICTION
CIVIL SIDE
DATED: ALLAHABAD 13.01.2023

BEFORE

THE HON'BLE CHANDRA KUMAR RAI, J.

Writ-A No. 921 of 2020

Deep Narayan Prasad ...Petitioner
Versus
Board of Revenue, U.P. at Alld. & Ors. ...Respondents

Counsel for the Petitioner:
Sri Surendra Kumar Chaubey

Counsel for the Respondents:
C.S.C., Sri Jitendra Kumar Yadav, Sri R.K.R. Sharma, Shri Rakesh Pandey(Sr. Advocate)

Civil Law - U.P. Land Revenue Act, 1901 - Section 34 - Mutation - Petitioner's name recorded on the basis of compromise decree of the Civil Court - Mutation court ordered to expunge the petitioner's name from the revenue records - Held - As the compromise decree had not been recalled, set aside, or modified by any court, therefore, the name of the petitioner cannot be expunged from the revenue records - Respondents directed to record

the petitioner's name in the revenue records based on the compromise decree passed by the Civil Court in Civil Suit (Para 19)

Allowed. (E-5)

(Delivered by Hon'ble Chandra Kumar Rai, J.)

1. Heard Shri Surendra Kumar Chaubey, Counsel for the petitioner, Shri Rakesh Pandey, learned Senior Advocate, assisted by Shri Jitendra Kumar Yadav, Counsel for respondent No. 4.

2. The brief facts of the case are that petitioner and respondent No. 4 are real brothers. A registered will deed was executed by petitioner's father Vijay Prasad on 17.01.2002 in favour of petitioner in respect of his entire property situated in Village Sonvarsha, Bahuara and Araji Mafi Bal Govind Ram Upadhaya. Petitioner's father Vijay Prasad died on 12.10.2009, accordingly petitioner applied for mutation of his name on the basis of registered will deed executed on 17.01.2002 by late Vijay Prasad. The cases were registered as Case Nos. 552, 553 and 554. Respondent No. 4 also applied for mutation of his name on the basis of a will deed executed on 28.01.2002 which were registered as Case Nos. 626, 627 and 628. During pendency of the mutation case, respondent No. 4 filed a civil suit No. 333 of 2010 challenging the validity of the will deed dated 17.01.2002 executed in favour of the petitioner. However, respondent No. 4 and petitioner have entered into a compromise on 02.01.2015 in Civil Suit No 333 of 2010. Accordingly, Civil Suit No. 333 of 2010 was decreed in terms of compromise vide judgement dated 20.01.2015. A compromise was also entered into between both parties in aforementioned mutation cases 552 553 and 554 accordingly, an order was passed by respondent No. 3 in the mutation proceeding to record the name of petitioner in place of deceased tenure holder Vijay Prasad vide order dated 26.05.2016. After passing of order dated 26.05.2016, a recall application has been filed by respondent No. 4 before the respondent No. 3 and vide order dated 17.05.2018 respondent No. 3 ordered to expunge the name of petitioner and to record the name of petitoner as well as respondent No. 4 being natural heirs of deceased Vijay Prasad. Against the order dated 17.05.2018 petitioner filed an appeal before respondent No. 2 taking specific ground that civil suit in respect to the registered will deed in question has been decided in favour of petitioner vide order dated 20.01.2015 but the appellate court without considering the same has dismissed the petitioner's appeal vide order dated 31.12.2018 on the ground that will deed has not been proved in accordance with law. Petitioner challenged the order of the Tehsildar as well as order of the appellate court before Board of Revenue through revision before the Board of Revenue. Board of Revenue has entertained the revision filed by petitioner and granted an interim order in the pending revision but after hearing both parties Board of Revenue has dismissed the petitioner's revision vide order dated 04.03.2020, hence this writ petition.

3. This Court while entertaining the writ petition, has passed the following order dated 06.08.2020:-

"Shri R.K.R. Sharma, Advocate has filed his power on behalf of respondent no. 2 after having obtained the no objection of Shri Jitendra Kumar Yadav, who had filed a caveat in this case.

The contention of learned counsel for the petitioner is that his mutation application stands dismissed by the impugned order, although, the parties had entered into a compromise before the civil court, which is an admitted fact. The compromise admitted petitioner's claim.

Counsel appearing for the respondent no. 4 may file a counter affidavit within three weeks.

Petitioner will have two weeks thereafter to file rejoinder affidavit.

List thereafter for admission/final disposal."

4. On 20.09.2022 this Court passed the following interim order dated 20.09.2022:-

"Heard learned counsel for the parties.

Since the civil court has decided the civil suit filed by contesting respondent in respect to will deed in question on the basis of compromise which has attained finality and in the subsequent suit filed by contesting respondent, no injunction is operating.

Accordingly, till the next date of listing, no alienation shall be made by the parties in respect to property in dispute.

List this petition on 10.10.2022."

5. On 14.10.2022 interim order granted on 20.09.2022 was extended till further orders of this Court.

6. Respondent No. 4 has filed his counter affidavit and the petitioner has filed his rejoinder affidavit also.

7. Counsel for the petitioner submitted that petitioner has claimed the right on the basis of registered will deed dated 17.01.2002. He further submitted that civil suit filed by respondent No. 4 for cancellation of the petitioner's registered will deed has been decided on the basis of compromise entered into between the parties in the Civil Court vide judgement dated 20.01.2015 and the compromise application dated 02.01.2015 has been made part of the judgment and decree. He further submitted that in the compromise application signed by both the parties it is specifically mentioned that defendant of the Civil Suit No. 333 of 2010 namely Deep Narayan will be recorded on the basis of registered will deed dated 17.01.2002 and the plaintiff Prem Chandra will have no objection regarding the same. He further submitted that unless the compromise decree of the Civil Court is recalled/ set aside/ modified the mutation Court has no jurisdiction to alter the revenue entry in respect to the plot in dispute. He further submitted that impugned orders have been passed arbitrarily as such, the same are liable to be set aside.

8. On the other hand, learned senior counsel for the respondent No. 4 submitted that will deed in question is a fictitious document. He further submitted that earlier suit No. 333 of 2010 filed by petitioner was an act of petitioner in order to obtain fraudulent compromise decree. He further submitted that compromise decree is vague decree and the same cannot be relied upon in any proceeding. He further submitted that mutation of the petitioner as well as contesting respondent No. 4 has been rightly ordered by the mutation court and petitioner have no right to challenge the same before this Court under Article 226 of the Constitution of India as the impugned order has been passed in the summary proceedings as such writ petition is not maintainable and liable to be dismissed.

9. I have considered the argument advanced by the learned counsel for the parties and perused the record.

10. Petitioner claims the right on the basis of registered will deed dated 17.01.2002 executed by petitioner's father Vijay Prasad, who died on 12.10.2009. According to petitioner, compromise decree has been passed by the civil court in Civil Suit No. 333 of 2010, by which right has been given to petitioner to get his name recorded in the revenue record on the basis of registered will deed dated 17.01.2002, although respondent No. 4 is denying the validity of the decree of civil court passed in Suit No. 333 of 2010 as such, respondent No. 4 has filed subsequent Civil Suit No. 1037 of 2020 for declaration to the effect that plaintiff Deep Narayan Prasad be declared legal heir of ½ share and will deed dated 17.01.2002 be declared void and ineffective, it is also prayed in the suit that compromise decree dated 04.02.2015 passed in Civil Suit No. 333 of 2010 be also declared void and ineffective. The mutation court initially passed the order for recording the name of the petitioner only but subsequently passed the order to record the name of the petitioner as well as of respondent No.4 being natural heir of declared Vijay Prasad.

11. Since, the Civil Suit No. 333 of 2010 filed by respondent No. 4 for declaration and injunction has been decided on the basis of compromise entered into between Prem Chandra and Deep Narayan and the suit was decided on the basis of compromise application dated 02.01.2015. The averments made in the paragraph No.4 of the compromise application dated 02.01.2015 is as under:-

"न्यायालय सिविल जज सीनियर डिवीजन बलिया
मु.न. 333/10 96 क
प्रेमचन्द्र बनाम दीपनारायण

4. एकरार व बयान मुझ वादी यह है कि प्रतिवादी को सभी अधिकार हासिल है जो पिता वादी को हासिल थे। प्रतिवादी अपना नाम कागजात सरकारी में मुताबिक पंजीकृत वसीयत दिनांक 17.01.2002 के आधार पर दर्ज करा लेंगे। इसमें मुझ वादी को कोई उज व एतराज न होगा।"

12. The oral statement of Prem Chand (plaintiff) recorded in Suit No. 333 of 2010 is as under:-

"न्यायालय सिविल जज सीनियर डिवीजन बलिया
मु.न. 333/10 94 क 2
प्रेमचन्द्र बनाम दीपनारायण
दिनांक .5.01.2015
सीक्षी:. प्रेमचन्द्र उम्र लगभग 50 वर्षए पेशे से दुकानदारए पुत्र स्व0 विजय प्रसाद सा0 चिरंजी छपरा परगना द्वाबा जिला बलिया।
हलफनामा बयान किया गया है कि.
विजय प्रसाद के दो लड़के प्रेमचन्द्र व दीपनारायण हैं। लालगंज बाजार में हम लोगों की दुकान है। उसे प्रेमचन्द्र चलाते हैं। पिताजी ने जो वसीयत किया था वह सही है। उसी वसीयत के बावत मैंने मुकदमा किया था। वसीयत में मेरे पिता जी द्वारा दिनांक 17.01.02 को रजिस्टर्ड दीपनारायण के पक्ष में लिखा गया था। अब गाँव के प्रतिष्ठित व्यक्ति सुमेर सिंह व सुनील सिंह की गवाहान से सुलह हो गया है। सुलहनामे का कागज जो पंचों ने लिखा हैए वह मेरे पास है। इस मुकदमे में मैंने सुलहनामा दाखिल किया हैए उसके अनुसार मुकदमे का फैसला कर दिया जाए।
सुनकर तसदीक किया गया है।
प्रेमचन्द्र प्रसाद
बयान मेरे बोलने पर पेशकारद्वारा लिखा गया है।

ह0 – सी0 जी0 एस0 डी0
05.01.2015"

13. The compromise application dated 02.01.2015 contains very specific Paragraph No. 4 to the effect that defendant Deep Narayan will get his name recorded on the basis of registered will dated 17.01.2002 in the revenue records and the plaintiff Prem Chandra will have no objection regarding the same. In the oral Statement of plaintiff Prem Chand dated 05.01.2015 he admitted the compromise between plaintiff and defendant accordingly civil suit was decided on the basis of compromise decree dated 02.01.2015. The operative portion of the compromise decree passed by civil Court is as follows:-

"न्यायालय सिविल जज सीनियर डिवीजन बलिया
मु.न. 333/10 98 क1 98 क1
1 4
प्रेमचन्द्र बनाम दीपनारायण

" प्रेमचन्द्र प्रसाद उम्र अंदाजी 45 वर्ष पुत्र स्व. विजय प्रसाद उर्फ छोटकन प्रसाद, सा. चिरंजी छपरा पत्रालय सूर्यभानपुर, परगना द्वाबा जिला बलिया।
....वादी
बनाम

दीप नारायन प्रसाद उम्र अंदाजी 52 वर्ष पुत्र स्व. विजय प्रसाद उर्फ छोटकन प्रसाद, सा. चिरंजी छपरा पत्रालय सूर्यभानपुर, परगना द्वाबा जिला बलिया।
....प्रतिवादी आदेश

वादी का वाद पक्षों के बयानात एवं कागजात दिनांकित 02.01.2015 में वर्णित कथन के आधार पर डिक्री किया जाता है। बयानात एवं कागजात दिनांकित 02.01.2015 डिक्री का भाग होगा। उभय पक्ष अपना वाद व्यय स्वयं वहन करेंगे।
दिनांकः- 20-01-2015
(एस.एन.सिंह)
सिविल जज (वरिष्ठ वर्ग),
बलिया।"

14. It is also relevant to mention that, respondent No. 4 Prem Chandra instituted Civil Suit No. 1037 of 2020 for declaration and injunction to the effect that will deed dated 17.01.2002 as well as the compromise decree dated 20.01.2015 be declared void and ineffective. The subsequent Suit No. 1037 of 2020 is still pending for adjudication before the civil court between the parties, the copy of the plaint of Civil Suit No.1037 of 2020 has been annexed by respondent No.4 himself along with counter affidavit as Annexure C.A.-1, the relief clause of plaint will be relevant which is as follows:-

"न्ययालय सिविल जज (जू0 डि0) पूर्वीबलिया
वाद संख्या 1037/2020
प्रेमचन्द्र उम्र तख0 55 साल पुत्र स्व0 विजय प्रसाद उर्फ छोटकन प्रसाद, ग्राम चिरंजी छपरा, पो0 सूयीानपुर, परगना द्वाबा, जिला बलिया।?
वादी मो0 नं0 8896725495
बनाम
दीप नारायण प्रसाद उम्र तख0 62 साल पुत्र स्व0 विजया प्रसाद उर्फ छोटकन प्रसाद, ग्राम चिरंजी छपरा, पो0 सूयीानपुर, परगना द्वाबा, जिला बलिया

"11- उपरोक्त वादी निम्नलिखित अनुतोष पाने का अधिकारी हैः-

अ- यह कि डिक्री घोषणात्मक वहक वादी खिलाफ प्रतिवादी पारित किया जाये कि वादी सम्पत्ति जिसका विवरण वाद पत्र के अन्त में दिया गया है का वरासतन वकदर ½ का हिस्सेदार है तथा यह भी घोषित किया जावे कि वसीयतनामा दिनांक 07.01.2002 एवं दिनांक 17.01.2002 निष्पादक स्व. विजय प्रसाद उर्फ छोटकन वहक प्रतिवादी शून्य वो

निष्प्रभावी है तथा यह उद्घोषित किया जावे कि सुलहनामा डिक्री दिनांक 04.02.2015 पारित न्यायालय सिविल जज (सी.डी.) बलिया मु.नं. 333/2010 प्रेमचन्द्र बनाम दीपनारायन प्रसाद शून्य व निष्प्रभावी है तथा उक्त डिक्री का असर वादी के राईट, टाइटिल व इन्टरेस्ट पर नहीं पड़ता है।

ब- यह कि वजरिये हुक्म इम्तनाई दवामी प्रतिवादी को मना किया जावे कि उपरोक्त दोनो वसीयतनामा दिनांक 07.01.2002 व 17.01.2002 निष्पादक विजय प्रसाद उर्फ छोटकन वहक प्रतिवादी के आधार पर जायदाद जिसका विवरण वाद पत्र के अन्त में दिया गया है के हक व हिस्सा वकदर ½ भाग के अनुसार वादी के कब्जा दखल में न तो किसी भी प्रकार से कोई मुजाहिमत करे न कराये न उसके किसी भाग का विक्री करे न किसी प्रकार का अंतरण करे न ही कोई ऐसा कार्य करे जिससे उक्त सम्पूर्ण जायदाद पर हम वादी के तन्हा कब्जा दखल में कोई मुजाहिमत व व्यवधान न डाले।

स- यह कि खर्चा मुकदमा हम वादी को प्रतिवादी से दिलवा दिया जावे।

द- यह कि अलावे ख्वाह बजाय दादरसी बाला के जिस किसी दीगर दादरसी के मुश्तहक हम वादी वनजदीक राय अदालत करार पाये जावे उसकी भी डिक्री वहक वादी विरूद्ध प्रतिवादी सादिर फरमायी जावे।"

15. In view of the aforementioned fact that decree of civil court dated 20.01.2015 has not been recalled/set aside/modified by any Court as such, the name of the petitioner could not be expunged from the revenue records unless the decree of the civil court dated 20.01.2015 is recalled/set aside/modified.

16. The courts below in exercise of power under Section 34 of the U.P. Land Revenue Act arbitrarily ordered vide order dated 17.05.2018 for recording the name of respondent No. 4 along with petitioner and expunged the name of the petitioner, who was recorded exclusively on the basis of compromise decree of Civil Court dated 20.01.2015 in place of their father Vijay Prasad. The order of Tehsildar dated 17.05.2018 has been maintained in appeal and revision arbitrarily, which is against the order passed by the civil court in Civil Suit No. 333 of 2010.

17. Considering the entire facts and circumstances the case, the impugned order dated 04.03.2020 passed by respondent No. 1 Board of Revenue, U.P. Allahabad, order dated 31.12.2018 passed by respondent No. 2 Up-Ziladhikari, Bairiya, District-Ballia and order dated 17.05.2018 passed by respondent No. 3- Tehsildar, Tehsil-Bairiya, District-Ballia are liable to be set aside and are hereby set aside.

18. **The writ petition stands allowed.**

19. Respondents are directed to record the name of the petitioner in the revenue records on the basis of compromise decree dated 20.01.2015 passed by civil court in Civil Suit No. 333 of 2010, which shall be subject to the final adjudication of subsequent Civil Suit No.1037 of 2020 filed by respondent No.4 in the civil court at Ballia.

20. No order as to costs.

2. Brief facts of the case are that old Plot No.138m area 0.9 acre and 520m area 0.14 acre, allotted plot no.262 (New Plot No.448m area 0.17 hectare situated in Village Illahabad, Tappa Banki, Pargana, Haveli Tehsil - Sadar, Gorakhpur, now Maharajganj. Petitioners are in possession over Plot Nos.138 and 520 (new Plot No.448) even prior to the consolidation operation and also during consolidation operation, petitioners are in possession of the aforementioned plot and are cultivating the same. During consolidation operation allotted plot No.262 (new Plot No.448) was carved out. C.H. Form No.41 has been annexed along with the writ petition as Annexure No.1 to the writ petition. Aforesaid old Plot No.138m area 14 decimal and 520m area 14 decimal was recorded as matrook. Consolidation Officer, Gorakhpur, vide order dated 4.7.1984 passed the order in favour of petitioner and expunged the entry of matrook in respect to disputed plot. Consolidation Officer has also ordered that the plot be recorded in the name of the Jai Nath Singh s/o Ram Raj (father of the petitioner No.1 and grandfather of petitioner No.2). Order dated 4.7.1984 passed in Case No.14570/452 has been implemented and reference Case No.649 dated 20.4.1985 was initiated and on the basis thereof, revision No.649 was registered before the Deputy Director Consolidation. Deputy Director

Consolidation approved the report referred to him by Consolidation Officer. In pursuance of the order of Deputy Director Consolidation approving the report, the Old Plot No.262m (New Plot No.448) was entered in Chak No.80 of the petitioners. Area was accordingly deducted from ***naveen parti*** of Chak No.294. In pursuance of the order dated 4.7.1984 and implementation order dated 25.4.1985 passed in Case No.2091 as well as Reference Order dated 29.5.1985 passed in Revision No.649, the final records have been prepared in the name of the petitioners.

3. Copy of the Khatauni has been annexed as Annexure No.4 to the writ petition in order to demonstrate that plot No.448m area 0.17 has been recorded in the name of Jai Nath (father of petitioner No.1). Plot No.448 was not recorded as Gram Sabha land nor it was vacant land even then the patta was alleged to be executed in favour of respondents No.4 to 10 under Section 19(5) of the U.P.Z.A. & L.R. Act. According to petitioners, contesting respondents Nos.4 to 10 are not in possession of disputed Plot No.448 nor patta was executed in the name of contesting respondent. Petitioners filed an application for cancellation of patta on 13.2.1985 against the alleged allotment order made in favour of respondent Nos.4 to 10 taking specific ground that disputed plot was not vacant nor disputed plot was recorded as Gaon Sabha plot at the relevant point of time as such the patta is liable to be cancelled. Respondent No.3, vide order dated 31.12.1987, rejected the application filed by petitioners for cancellation of patta. Petitioners filed revision No.710 of 1995 on 16.1.1988 before the Commissioner against the order dated 31.12.1987, the Commissioner, Gorakhpur Division, Gorakhpur through its order dated 27.8.1988 dismissed the revision filed by petitioners. Petitioners challenged the order of the Additional Commissioner through revision before the Board of Revenue in which initially interim order was granted but subsequently, Board of Revenue after hearing the parties dismissed the revision vide order dated 25.5.2002. Petitioners filed review petition before the Board of Revenue against the order dated 25.5.2002 which was rejected vide order dated 28.2.2018 on the ground of limitation. Hence, this writ petition.

4. This Court while entertaining the writ petition passed the following interim order dated 23.5.2018 which was extended from time to time :-

"It is stated that the Board of Revenue has granted status quo order while admitting the revision on 8.1.1991 and it was continuing till the disposal of the revision.

Learned Standing Counsel appears for respondent nos. 1, 2 & 3 and Sri Tariq Maqbool Khan, learned Advocate has put in appearance on behalf of respondent no. 11.

Issue notice to respondent no. 4 to 10 returnable on 5.9.2018.

Steps be taken within ten days.

Respondents may file counter affidavit counter affidavit on or before the next date of listing.

List this case on 5.9.2018. Till then parties are directed to maintain status quo and they shall not create third party interest without leave of the Court."

5. Counsel for the petitioner submitted that the petitioner is owner in possession of the disputed plot as such, patta cannot be executed in favour of respondents No.4 to 10

as plot in dispute is neither Gram Sabha plot nor it was vacant at the relevant point of time as provided under Section Section 19(5) of the U.P.Z.A. & L.R. Act. He further submitted that in pursuance of the order dated 4.7.1984 along with implementation order dated 25.4.1985 passed in Case No.2091 as well as reference order dated 29.5.1985 passed in Revision No.649, the final records have been prepared in the name of the petitioner as such, there was no occasion for allotment of plot in dispute in favour of respondents No.4 to 10. He further submitted that application filed by petitioner under Section 198(4) of the U.P.Z.A. & L.R. Act., the grant of patta prior to the publication of notification under Section 52 of the U.P. Consolidation of Holdings Act, is wholly illegal as disputed plot was not vacant plot, petitioner is in possession of the same, Gaon Sabha was not owner of the disputed plot No.448 nor in possession of the same coupled with the fact that there was no publication of notification under Section 52 of the U.P.C.H. Act. He further submitted that respondent Nos.1, 2 and 3 have arbitrarily rejected the revision appeal and application for cancellation of patta filed by petitioners without considering the point raised by petitioners in accordance with law. He further submitted that Board of Revenue has further committed illegality in rejecting the review application filed by the petitioners. He placed reliance upon the following judgments of this Court ;

(i) 2011 I.B.R.D. 201 Balbir Singh and others vs. State of U.P. and others.

(ii) (2003) 5 AWC 3808 Benimadho vs. Deputy Director Consolidation Deoria and others.

6. On the other hand, counsel for the contesting respondents Nos.4 to 10 submitted that petitioner has not impleaded all the necessary parties in the proceedings as such writ petition filed by petitioners cannot be entertained. He further submitted that plot in dispute was recorded in favour of the Gram Sabha as such the allotment was made in accordance with law to the respondent No.4 who belonged to Scheduled Caste community. He further submitted that the name of respondent No.4 has been accordingly recorded in the revenue record. He further submitted that Appellate Court and Revisional Court have rightly dismissed the appeal and revision filed by petitioners. He further submitted that plot No.448, area 0.41 hectare was recorded as naveen parti in the C.H. Form 45 accordingly, the patta was executed in favour of respondents in accordance with law. He further submitted that order passed by the Deputy Director Consolidation dated 30.3.1992 appears to be fictitious, as such, no reliance can be placed upon the same. He next submitted that petitioners have filed Civil Suit No.915 of 2012 which was dismissed for non-prosecution, vide order dated 21.4.2014, as such, no interference is required against the impugned order. He finally submitted that allotment was made to the contesting respondent much before the order passed by Deputy Director Consolidation, the land was admittedly recorded as matrook which means nobody's land vested in the Gaon Sabha. As such, no case for cancellation of patta granted in favour of the contesting respondent is made out and writ petition is liable to be dismissed.

7. I have considered the arguments advanced by learned counsel for the parties and perused the records. There is no dispute about the fact that application for cancellation of lease filed by petitioners under Section 198(4) of the U.P.Z.A. & L.R. Act has been dismissed by the

respondent No.3 and the order has been maintained in appeal and revision by respondent No.2 and 1 respectively. According to petitioners in the consolidation proceedings, Deputy Director Consolidation, vide order dated 25.04.1985 approved the reference submitted in the proceeding by which the plot in dispute was ordered to be recorded in the name of the petitioners' father and the entry of matrook has been expunged. Although contesting respondents are denying the fact and submitting that orders passed by Consolidation Court are not genuine order.

8. Since Consolidation Court has passed the order dated 4.7.1984, 25.4.1985 and 29.5.1985 by which the entry of matrook has been expunged and the name of petitioners' father was ordered to be recorded and the order has attained finality, as such, mere denial by the contesting respondents about the genuineness of the order of Consolidation Court is not sufficient. The case cited by counsel for the petitioners with respect to the order passed by the Consolidation Court and its binding affect in the other proceedings are relevant for consideration. Paragraph No.11 of the judgment rendered in **Balbir Singh (Supra)** is as follows :-

"11. Admittedly, when the ceiling proceedings were initiated against the tenure holder Jaswant, the consolidation proceedings stood completed in the village and Jaswant became the absolute owner of the property in his individual capacity. In Jaswant Kumar v. State of U.P. and others, it was held that the findings recorded by the Consolidation Courts in consolidation proceedings is final and binding on all the parties and, such findings cannot be re-adjudicated or challenged in any Civil or Revenue Court. The Court further held that section 49 of the Consolidation Act in a way laid down a rule of res-judicata in so far as the question relating to declaration and adjudication of the rights of a tenure holder in respect of his holdings. The Court further held that the ceiling authorities had a right to take the land from the tenure holder as it was declared surplus by the Consolidation Court.

9. Para No.14 of the judgment rendered in **Benimadho (Supra)** is as follows :-

"14. Another ground for not interfering is that the parties have been given full opportunity to contest their matter on merits in appeal in the consolidation proceedings where rights are settled finally and after such orders neither civil court nor revenue court could interfere in such adjudication. The consolidation disputes are disputes which arise on notification under Section 4 of the U.P. Consolidation of Holdings Act. Parties willing or not willing are compelled to go to this forum compulsorily in order to get their rights finally settled. In such a situation, the technical view in the matter of limitation could not be taken and all such technical matters are required to be construed liberally. I do not consider it a fit case for interference on this additional ground also."

10. All the three Courts have arbitrarily rejected the petitioners' application for cancellation of patta and approved the patta granted in favour of the contesting respondents on the ground that at the time of grant of patta, plot-in-dispute was recorded as naveen parti and vacant land. The Courts below have failed to

consider the effect of the order passed by the Consolidation Court. Courts below have failed to consider that order passed by the Consolidation Court cannot be ignored at all but the Courts below have arbitrarily rejected the petitioners' application for cancellation of lease executed in favour of contesting respondents.

11. It is also relevant to mention that petitioners are claiming themselves to be in possession since before the Consolidation operation, as such, the land was not vacant at all at the time of grant of patta and the entry which was illegally made in respect to the petitioner's plot that was corrected by the order of Deputy Director Consolidation, as such, there was no occasion to grant the lease to the contesting respondent.

12. Considering the entire facts and circumstances as well as ratio of law laid down in Balbir Singh (Supra) as well as **Benimadho (Supra),** the impugned orders dated 28.2.2018 and 25.5.2002 passed by Board of Revenue, 27.8.1988 passed by Additional Commissioner and 31.12.1987 passed by Additional District Magistrate, Finance and Revenue, Gorakhpur are liable to be set aside and the same are hereby set aside.

13. **The writ petition stands allowed** and matter is remitted back before the respondent No.3 ? to decide the petitioners' application under Section 198(4) which was registered as Case No.382 of 1985 afresh on merit in the light of the observations made in the body of the judgment expeditiously, preferably within a period of three months from the date of production of certified copy of this order.

14. No order as to costs.

ORIGINAL JURISDICTION
CIVIL SIDE
DATED: ALLAHABAD 19.11.2022

BEFORE

THE HON'BLE CHANDRA KUMAR RAI, J.

Writ-B No. 6490 of 2002

Smt. Manorama ...Petitioner
Versus
Board of Revenue & Ors. ...Respondents

Counsel for the Petitioner:
Sri S.K. Chaturvedi

Counsel for the Respondents:
C.S.C.

Civil Law - Indian Stamp Act, 1899 - Section 47-A - Under-Valuation of the instrument - deficiency of stamp duty - Collector is not permitted to launch upon a speculative inquiry about the prospective use to which a land may be put to use at an uncertain future date - market value of the property has to be determined with reference to the use to which the land is capable reasonably of being put to immediately or in the proximate future - In the instant case disputed plot recorded as agricultural plot in the revenue record on the date of execution of sale deed in favour of petitioner i.e. on i.e. 23.03.1995 - Naib Tehsildar submitted report dated 06.11.1995 that plot in dispute is an agricultural plot and no building is situated over the same - However, Stamp duty imposed by Additional Collector on the ground of future potential of the land - Held - imposition of residential/ abadi rate for determining the valuation of land on the ground of future potential of the land in dispute is illegal - there was no evidence on record to hold that land in dispute is not an agricultural land - impugned orders cannot be sustained in the eye of law (Para 9, 10)

Allowed. (E-5)

List of Cases cited:-

1. Chhotey Lal Vs St. of U.P. & ors. 2021 (152) RD 141

2. Smt. Pushpa Sarin Vs St. of U.P. 2015 (127) RD 855

(Delivered by Hon'ble Chandra Kumar Rai, J.)

1. Heard Mr. S. K. Chaturvedi, counsel for the petitioner and learned Standing Counsel for respondent Nos.1 and 2.

2. The brief facts of the case are that petitioner has purchased agricultural plot No.26 area 5 biswa 6 dhoor situated at village-fautapar, Tappa-Haveli, District-Basi through registered sale-deed executed on 23.03.1995 for Rs. 47,200/- The stamp of Rs. 15370/- has been paid on the value of Rs. 1,06,000/-. Proceeding under Section 47-A of Indian Stamp was initiated in respect of petitioner's aforementioned sale deed which was registered as Stamp Case No.899/301/1994 under Section 47A Stamp Act State Vs. Manorama. A report was called for in the case accordingly Naib Tehsildar submitted his report dated 06.11.1995 before Collector in Stamp Case No.899/301/1994 mentioning that disputed sold plot is agricultural property and no building is situated in the disputed plot, the disputed plot is not of residential/commercial importance. The user of land has not been changed and there is no declaration under Section 143 of U.P.Z.A. & L. R. Act in respect of disputed plot No.26. Petitioner appeared in the aforementioned case after notice and Additional Collector heard the matter. The additional collector without considering the report of Naib Tehsildar dated 06.11.1995 and without making the spot inspection himself fixed the rate of Rs. 1000/- per square meter accordingly Stamp duty of Rs. 97,585 was fixed hence deficiency of Rs. 82,215 and penalty of Rs. 82,215 was imposed vide his order dated 29.01.1996. Petitioner challenged the order passed by additional collector dated 29.01.1996 through revision before Board of Revenue/Chief Controlling revenue authority taking specific ground in the ground of revision that land in dispute is agricultural land and surrounded by agricultural land on all sides but Board of Revenue in arbitrary manner allowed the revision party setting aside the order imposing penalty only but the order of deficiency of stamp duty was maintained, hence this writ petition on behalf of petitioner.

3. This Court while entertaining the writ petition passed the following interim order dated 13.02.2002:

"The learned Standing Counsel has appeared for respondent Nos.1 and 2. He prays for and is allowed six weeks' time to file a counter affidavit.

Subject to petitioner giving security of the equal amount of deficiency of Stamp duty of Rs.82,215/- to the satisfaction of respondent no.2 within a period of six weeks from today, the recovery proceedings against the petitioner in pursuance of the impugned order shall remain stayed."

4. In spite of the interim order dated 13.02.2002 passed by this Court no counter affidavit has been filed by Standing Counsel on behalf of State denying the averment made in the writ petition.

5. Counsel for the petitioner submitted that the proceeding under

Section 47-A of the Indian Stamp Act has been arbitrarily initiated against the petitioners. He further submitted that Naib Tehsildar has submitted his report dated 06.11.1995 that disputed plot is an agricultural plot and building is not situated over the disputed plot but Additional Collector without considering the report of Naib Tehsildar dated 06.11.1995 has ordered for payment of stamp duty and penalty without any evidence on record to that effect. he further submitted that revisional court although set aside the order of imposition of penalty but on the ground of probability maintained the order of payment of stamp duty. He further submitted that proper opportunity of hearing was also not afforded by revisional Court. He further submitted that no declaration has been made under Section 143 of U.P.Z.A. & L. R. Act in respect to disputed plot No 26 area 5 biswa 6 dhoor.

6. Counsel for the petitioner has placed reliance upon the judgment of this court reported in **2021 (152) RD 141 Chhotey Lal Vs. State of U.P. and others,** in which this Court has held that valuation has to be done on the date of execution of the sale deed and not on the grounds of its potential use subsequently for a different purpose. Paragraph No.8 of the judgment has been relied upon which is as follows:

On the basis of the submissions made, the short question that arises are as to whether levy of stamp duty can be justified on the basis of land not being used for the purposes for which it was purchased and whether stamp duty can be levied on the ground that in the vicinity, lands are being used for residential purposes, the above two referred judgments give a clear answer to the questions raised in the present writ petition. These aspects have been duly considered by this Court. Even otherwise in the Rules provided for valuation of the property, it is clear that the valuation has to be done on the date of execution of the sale deed and not on the grounds of its potential use subsequently for a different purpose. There is nothing on record to demonstrate that on the date of the execution of the sale deed, the land was not agricultural property referred in the revenue records. There is further nothing on record to demonstrate that the land in question was declared fit for residential use under Section 143 of the U.P. Z.A. & L.R. Act. That being the case, it is a simple case of improper exercise of jurisdiction vested in the A.D.M. and an improper exercise of jurisdiction vested in the Revisional Court.

7. On the other hand learned Standing Counsel submitted that revisional court has partly allowed the revision of petitioner setting aside the order of imposition of penalty against the petitioner and the order of imposition of stamp duty has been rightly affirmed by revisional court on the ground of future potential of the land in dispute although learned stand Counsel failed to satisfy the quarry of the court that if revenue record, sale deed and the report of Naib-Tehsildar dated 06.11.1995 fully demonstrate that plot in dispute is an agricultural land on the date of execution of sale deed dated 23.03.1995 then under what circumstances the rate of residential plot can be imposed for fixation of stamp duty against the petitioner.

8. I have considered the argument advanced by learned counsel for the parties and perused the records.

9. There is no dispute about the fact that disputed plot No.26 area 5 biswa 6 dhoor was recorded as agricultural plot in the revenue record on the date of execution of sale deed i.e. 23.03.1995 in favour of petitioner. There is also no dispute about the fact that Naib Tehsildar has submitted his report dated 06.11.1995 in Case under Section 47-A of Indian Stamp Act that plot in dispute is an agricultural plot and no building is situated over the same. Additional Collector ordered to deficient stamp duty as well as penalty against the petitioner without considering the report of Naib Tehsildar dated 06.11.1995 and revisional court although set aside the order of imposition of penalty against the petitioner but affirmed the order of payment of stamp duty on the ground of future potential of the land.

10. Since the plot in dispute was recorded as agricultural plot in the revenue record on the date of execution of sale deed coupled with the fact that report of Naib Tehsildar submitted on 06.11.1995 that is after about more than 7 months from the date of execution of sale deed the plot in dispute was found to be agricultural land in all respect as such the imposition of residential/ abadi rate for determining the valuation of land on the ground of future potential of the land in dispute is illegal.

11. Paragraph Nos. 6, 7 and 8 of the writ petition is relevant for perusal which are as under:

"6. That Naib Tehsildar has reported the following things land in question is agricultural land and is surrounded by agricultural land user and purpose is also agriculture. Land situate 500 meter away from Block road and situate at Siwan, Not use full for Abadi purposes. Nature of the land is 'Doras-4' valuation also fixed and found to be Rs.50,880/-

7. That it is pertinent to mention here that apart of inspection report dated 06.11.1995 (Annexure 2) there is no other report nor Presiding Officer ever visited the spot or gave its own valuation report. Nor there is any report by the Collector/Presiding Officer on record.

8. That it is also very much pertinent to state that nature of the land and it/s user has also not been changed till today. As is required under Section 43 of U.P.Z.A. & L.R. Act, for the use of land other than the agricultural purposes. it is further stated that land in question is still being used as agricultural purposes."

12. State has not controverted the allegation made in the above mentioned paragraph by filing counter affidavit in spite of expiry of 20 years as such the allegations made in paragraph Nos. 6, 7 and 8 of the writ petition is deemed to be correct.

13. The full Bench of this Court in the case reported in **2015 (127) RD 855 Smt. Pushpa Sarin Vs. State of U.P.** has held as under in paragraph Nos. 27, 28 and 29:-

"27. The true test for determination by the Collector is the market value of the property on the date of the instrument because, under the provisions of the Act, every instrument is required to be stamped before or at the time of execution. In making that determination, the Collector has to be mindful of the fact that the market value of the property may vary from location to location and is dependent upon a large

number of circumstances having a bearing on the comparative advantages or disadvantages of the land as well as the use to which the land can be put on the date of the execution of the instrument.

28. Undoubtedly, the Collector is not permitted to launch upon a speculative inquiry about the prospective use to which a land may be put to use at an uncertain future date. The market value of the property has to be determined with reference to the use to which the land is capable reasonably of being put to immediately or in the proximate future. The possibility of the land becoming available in the immediate or near future for better use and enjoyment reflects upon the potentiality of the land. This potential has to be assessed with reference to the date of the execution of the instrument. In other words, the power of the Collector cannot be unduly circumscribed by ruling out the potential to which the land can be advantageously deployed at the time of the execution of the instrument or a period reasonably proximate thereto. Again the use to which land in the area had been put is a material consideration. If the land surrounding the property in question has been put to commercial use, it would be improper to hold that this is a circumstance which should not weigh with the Collector as a factor which influences the market value of the land.

29. The fact that the land was put to a particular use, say for instance a commercial purpose at a later point in time, may not be a relevant criterion for deciding the value for the purpose of stamp duty, as held by the Supreme Court in State of U.P. and others vs. Ambrish Tandon and another11. This is because the nature of the user is relatable to the date of purchase which is relevant for the purpose of computing the stamp duty. Where, however, the potential of the land can be assessed on the date of the execution of the instrument itself, that is clearly a circumstance which is relevant and germane to the determination of the true market value. At the same time, the exercise before the Collector has to be based on adequate material and cannot be a matter of hypothesis or surmise. The Collector must have material on the record to the effect that there has been a change of use or other contemporaneous sale deeds in respect of the adjacent areas that would have a bearing on the market value of the property which is under consideration. The Collector, therefore, would be within jurisdiction in referring to exemplars or comparable sale instances which have a bearing on the true market value of the property which is required to be assessed. If the sale instances are comparable, they would also reflect the potentiality of the land which would be taken into consideration in a price agreed upon between a vendor and a purchaser"

14. In the present case except the Naib Tehsildar report dated 06.11.1995, revenue record and the sale deed in question there was no evidence on record to hold that land in dispute is not an agricultural land as such the impugned orders cannot be sustained in the eye of law in which on the point of future potential of the land without any basis the stamp duty paid by the petitioner was found deficient.

15. The case law cited by learned counsel for the petitioner in **Chotey Lal (Supra)** is also applicable in the present controversy in which the full bench

decision rendered in **Smt. Pushpa Sarin (Supra)** has been also considered.

16. Considering the facts and circumstances of the case as well as ratio law laid down in **Smt. Pushpa Sarin(supra)** and **Chhotey Lal (Supra)** the impugned order dated 29.01.1996 passed by the Additional Collector and order dated 14.05.2001 passed by the Board of Revenue Allahabad cannot be sustained in the eye of law as such the same are hereby set aside. The writ petition stands allowed. No order as to costs.

THE HON'BLE CHANDRA KUMAR RAI, J.

Writ-B No. 45796 of 2017

Birendra Singh & Ors. ...Petitioners
Versus
Board of Revenue U.P. at Allahabad & Ors. ...Respondents

Counsel for the Petitioners:
Sri Suneel Kumar Rai, Sri Basant Kumar Upadhyay, Sri Saket Mani Tripathi

Counsel for the Respondents:
C.S.C., Sri Madan Mohan, Sri Prem Sagar Verma

Civil Law - Indian Stamp Act, 1899 - Section 47-A - Instruments undervalued - valuation has to be done on the date of execution of the sale deed and not on the grounds of its potential use subsequently for a different purpose - Petitioner purchased agricultural plot vide registered sale deed for Rs. 47,200 - stamp of Rs. 15370/- was paid on the value of Rs. 1,06,000 - Proceeding under Section 47-A of Indian Stamp was initiated - Naib Tehsildar submitted his report dated 06.11.1995 that plot in dispute is an agricultural plot and no building is situated over the same - Additional Collector ordered to deficient stamp duty as well as penalty against the petitioner - order of imposition of stamp duty affirmed by revisional court on the ground of future potential of the land in dispute - Held - imposition of residential/ abadi rate for determining the valuation of land on the ground of future potential of the land in dispute is illegal - Impugned order set aside (Para 10, 14, 16)

Allowed. (E-5)

List of Cases cited:

1. Chhotey Lal Vs St.of U.P. & ors. 2021 (152) RD 141

2. Smt. Pushpa Sarin Vs St of U.P. 2015 (127) RD 855

(Delivered by Hon'ble Chandra Kumar Rai, J.)

1. Heard Sri Suneel Kumar Rai, learned counsel for the petitioner, Sri Madan Mohan, learned counsel for contesting respondent Nos.6 and learned Standing Counsel for the State-respondents.

2. Brief facts of the case are that Khasara No.395 M measuring 1.06 hectare (2.68 acre) situated in Mauja Basai Sher Ghar, Bangar, Tehsil-Chhata, District-Mathura belong to one Munshi son of Ghanturi, who executed a registered sale deed on 21.11.1991 in favour of Basanta son of Bhajana. Another sale deed was executed by Basanta with respect to 0.82 acre in favour of Bhagwat son of Ghanturi and for 0.62 acre area sale deed was executed by Basanta in favour of Balram son of Maunsi. On 21.06.1993 Balram executed sale-deed in favour of respondent No.6 Basanta executed another sale deed

on 07.02.1992 with respect to 0.62 acre area in favour of Harveer son of Munshi. On 07.05.1994 Mushi further executed sale deed with respect to 0.62 acre area in favour of one Bhanwar Singh and others who executed the sale deed in favour of respondent No.6 on 29.08.2000. Due to violation of Section-168-A of U.P.Z.A. & L. R. Act the mutation applied by respondent No.6 were rejected by Tehsildar vide order dated 30.06.2006. The revision filed by respondent No.6 against the order of Tahildar dated 30.06.2006 was dismissed by Additional Commissioner vide order dated 26.06.2008. Balram and others (Vendor of respondent NO.6 executed two sale deed in favour of petitioner's father on 23.07.2008 and 01.08.2008, the name of petitioner's father was accordingly mutated vide order dated 09.09.2008. Respondent No.6 filed an application to recall the order dated 09.09.2008 passed by the Tehsildar which was rejected vide order dated 09.06.2009 on the ground of pendency of writ petition No.47211 of 2008 Bhagwat versus State of U.P. And others, the order of status quo has been also passed by this Court in Writ Petition No.47211 of 2008. Respondent No.6 filed another mutation application dated 05.05.2010 on the basis of Government Notification dated 05.02.2010 by which bar of Section-168-A was lifted with condition of payment of Rs. 1000/- or 2% of the cost of the land whichever is higher accordingly Upziladhikar vide order dated 22.05.2010 ordered that if respondent No.6 will deposit Rs. 14420/- in treasury the sale-deed executed in his favour will become regular and legal.

3. Petitioners filed an application under Order 9 Rule 13 C.P.C. For recalling the ex parte order dated 22.05.2010 but the same was rejected vide order dated 04.04.2012 by Upziladhihar. Petitioners challenged the order dated 04.04.2012 through Revision before Board of Revenue which was dismissed in default on 16.11.2016 accordingly petitioners filed restoration application on 30.01.2017 which was dismissed by Board of Revenue vide order dated 04.08.2017 on the ground earlier passed on 30.11.2016 was on merit as such no interference was made against the order dated 30.11.2016 hence this writ petition.

4. This Court while entertaining the writ petition has passed the following orders dated 22.09.2017:-

"Heard learned counsel for the petitioner as well as learned Standing counsel appearing for the State respondents no. 1 to 5.

Issue notice to the respondents no. 6 to 10 fixing at an early date by registered post AD. Steps be taken within a week.

All the respondents are granted six weeks time to file counter affidavit. The petitioner shall have three weeks thereafter to file rejoinder affidavit.

List immediately thereafter. "

5. In pursuance of the order dated 22.09.2017 respondent No.6 has put in appearance and filed his counter affidavit to the writ petition. Petitioners have filed their rejoinder affidavit also.

6. Counsel for the petitioners submitted that amendment made in Section 168-A of U.P.Z.A.& L.R. Act in 2010 does not have any retrospective effect as such mutation of respondent No.6 cannot be allowed on the basis of sale deed executed in favour of respondent No.6 which was void according to Section 168-A of U.P.Z.A.& L.R. Act. He further submitted

that sale deed prior to amendment of Section 168-A of U.P.Z.A.& L.R. Act were void and non existent coupled with the fact their mutation was also rejected as such the same cannot be validated through subsequent deposit. He further submitted that impugned order passed by respondent Nos.1 and 4 suffers from irregular exercise of jurisdiction as such are liable to be set aside. Counsel for the petitioner in support of his argument on the point of Section 168-A of U.P.Z.A.& L.R. Act has placed reliance upon two judgments which are as follows:

[1] 1991 (2) JT 75 = 1991 RD 184

Mithilesh Kumar Vs. Fateh Bahadur Singh

[II] 2000 (4) AWC 2891

Fateh Bahadur Singh Vs. Jang Bahadur Gupta and others

7. Counsel for the petitioner further submitted that suit No.84 of 2006 filed by respondent Nos. 7, 9 and 10 (Harveer and two others) for declaration to declare the sale deed dated 21.12.1991, 08.05.1992, 21.06.1993, 07.05.1994 and 29.08.2000 in respect to Plot No. 395 M as void and ineffective is pending in Civil Court in which respondent no.6 (Bhagwat) and respondent no.8 (Balram) are defendant nos. 1 and 2, one Civil Suit No.120 of 2005 filed by respondent Nos.7, 9 and 10 for injunction in respect of disputed plot is also pending in civil court, as such impugned orders be set aside which shall be subject to decision of Civil Suit.

8. On the other hand Counsel for respondent No.6 submitted that in view of the Gazette Notification dated 05.04.2010 issued by the State of Uttar Pradesh the sale deed which became barred by the provisions of Section-168-A of U.P.Z.A.&L.R. Act has been validated on certain deposit within stipulated time as such the entire argument advanced by counsel for the petitioners is misconceived, the notification dated 05.04.2010 is the complete reply to the controversy involved in the matter. He further submitted that respondent No.6 complied the condition of government notification dated by depositing Rs.14,420/- (2% of the cost of the land) on 24.05.2010 as such the order dated 22.05.2010 was passed by Sub Divisional Officer for validating the sale deed in favour of respondent No.6. He further submitted that since Munshi had already transferred the entire land as such heirs of Munshi i.e. Respondent Nos.7 to 10 could not succeed any land of his father accordingly, respondent Nos. 7 to 10 had no right and title to transfer the disputed plot No. 395M to any person, the sale deed alleged to be executed on 23.07.2008 by respondent Nos.7 to 10 in favour of predecessor in interest of petitioners is null and void so they cannot acquire any title in the disputed plot. He further submitted that Writ Petition No.47211 of 2008 filed by respondent No.6 was dismissed as withdrawn by order dated 14.12.2018 due to validation of sale-deed executed in favour of respondent No.6 under Notification dated 05.04.2010 issued by State Government. Counsel for the respondent No.6 in support of his argument placed following judgments:-

(i) 2011 (4) ADJ 796 = 2011 (4) AWC 3366, Smt. Sumitra Devi vs. Sushila Devi and others

(ii) 2011 (114) R.D. 767, Deep Chand vs. Board of Revenue U.P. at Allahabad and others.

(iii) Second Appeal No.1138 of 2011, Vijai Bahadur vs. Lakshmi Devi, decided on 02.02.2012

9. I have considered the argument advanced by learned counsel for the parties and perused the record.

10. There is no dispute about the fact that three sale deeds were executed by Basanta, Balram and Bhanwar Singh in favour of respondent No.6 in respect to disputed plot No.395M total area 2.06 acre and remaining area of 0.62 acre was transferred in favour of Harveer. The sale deed executed in favour of respondent No.6 could not be included in the mutation proceedings in view of provisions contained under Section 168-A of U.P. Zamindari Abolition and Land Reforms Act but due to State Government Notification dated 05.04.2010 the sale deed became validated and the mutation of the petitioners has been ordered accordingly.

11. In order to appreciate the controversy involved in the instant writ petition, the perusal of the provision of Section 168-A of U.P.Z.A & L.R. Act before 23.08.2004 and after 23.08.2004 as well as Government Notification dated 05.04.2010 will be necessary which are as follows:

Before 23.08.2004:-

(1) "168-A. Transfer of fragments.-

(1) Notwithstanding the provisions of any law for the time being in force, no person shall transfer whether by sale, gift or exchange any fragment situate in a consolidated area except where the transfer is in favour of tenure-holder who has a plot contiguous to the fragment or where the transfer is not in favour of any such tenure-holder the whole or so much of the plot in which the person has bhumidhari rights, which pertains to the fragment is thereby transferred.

(2) The transfer of any land contrary to the provisions of sub-section (1) shall be void.

(3) When a bhumidhar has made any transfer in contravention of the provisions of sub-section (1) the provisions of Section 167 shall mutatis mutandis, apply."

Since 23.08.2004:-

*(2) **"Section 168-A: Prevention of Fragmentation" "omitted"***

168-A Transfer of fragments- Statutory Amendments

Section 168-A was inserted by U.P. Act 18 of 1956. But it was omitted by U.P. Act 27 of 2004 with effect from 23 August, 2004. Before its deletion, Section 168 -A stood as under:

(1) Notwithstanding the provisions of any law for the time being in force, no person shall transfer whether by sale, gift or exchange any fragment situate in a consolidated area except where the transfer is in favour of tenure-holder who has a plot contiguous to the fragment or where the transfer is not in favour of any such tenure-holder the whole or so much of the plot in which the person has bhumidhari rights, which pertains to the fragment is thereby transferred.

(2) The transfer of any land contrary to the provisions of sub-section (1) shall be void.

(3) When a bhumidhar has made any transfer in contravention of the provisions of sub-section (1) the provisions of Section 167 shall mutatis mutandis, apply.".

आज्ञा से

शम्भु नाथ शुक्ला

"In Pursuance of the provision of clause (3) of Article 348 of the Constitution the Governor is pleased to order the publication of the following English translation of notification no. 605/1.1 2010-12(7)2003-31. dated April 05, 2010 for general information.

No. 605/1-1-2010-12(7)2003-31
Dated Lucknow April 05, 2010

In exercise of the powers under section 2 of the Uttar Pradesh Zamidari Abolition and Land Reforms (Special Provision) Act 2010 (U.P. Act no. IV of 2010) the Governor is pleased to apply that the fee for validation of any transfer of a fragment which had become void under section 168-A of the Uttar Pradesh Zamindari Abolition and Land Reforms Act 1950 (U.P. Act no. 1 of 1951) as it stood before the commencement of the Uttar Pradesh Zamindari Abolition and land Reforms (Amendment) Act. 2004 (U.P. Act no. XXVII of 2004) and had not been entered in revenue records in favour of the State Government shall be deemed to have been divested shall be rupees one thousand or two percent of the cost of the land whichever is higher to be deposited under the head "0029 BHU-RAJASVA-800-ANYA PARPTIYA-08-MALIKANA RAJASVA-0806 PRAKIRN PRAPTIYA" An application for validation shall be submitted before the Assistant Collector In-Charge of sub-division with in six months from the date of publication of this notification in the Gazette. The cost of the land shall be such as determined by the collector for the Stamp Duty and applicable on the date of such application"

12. From the provisions quoted above it is established that the provisions of

Section 168-A of U.P.Z.A. & L.R. Act has been omitted by U.P. Act No.27 of 2004 with effect from 23.08.2004 and the notification of the State Government issued on 05.04.2010 has validated the sale-deed which were barred by Section 168-A of the U.P.Z.A. & L.R. Act on certain terms and conditions.

13. Respondent No.6 in compliance of Government Notification dated 05.04.2010 deposited Rs.14,420/- on 05.05.2010 which is 2% of the cost of the land in dispute within time period of six month. Accordingly, mutation was also ordered in favour of petitioners and restoration application as well as revision filed by petitioners were dismissed in accordance with law.

14. The judgment cited by counsel for the respondent No.6 are applicable in the present controversy. Paragraph Nos.4 and 7 of the judgment rendered in Smt. Sumitra Devi (supra) will be relevant which is as follows:-

"4. I fully agree with the contention of the learned Counsel for the petitioner that after dismissal of the civil suit and appeal, it was not permissible for Additional Collector or the revisional authority/Court to take a contrary view and it was an abuse of process of Court by respondent No. 2 to approach them. Moreover as held by the Appellate Court/A.D.J. plea of sale-deed being hit by section 168-A of the Act under the facts and circumstances of the case, could be raised only by the State or Gaon sabha and respondent No. 2 had absolutely no locus standi to agitate the matter. The sale-deed was executed by respondent No. 5 in favour of petitioner and both of them were fully satisfied and the Gaon Sabha or the State Government had not challenged the same. In the scenario, no other person had any authority to agitate the matter.

7. Moreover provisions of section 168-A were quite harsh. The section has also been deleted. U.P. Act No. 27 of 2004 which deleted section 168-A made the previous transactions hit by the said section voidable (in stead of void) and curable (capable of being validated) on payment of some nominal fees within a particular period which has now expired (Section 11). Accordingly, for these two reasons the section shall be interpreted (for the sake of past transactions) liberally, in favour of vendor and vendee."

15. Another judgment Deep Chand (supra) cited by learned counsel for the respondent No.6 is also relevant. Paragraph Nos.6, 7 & 8 of the judgment rendered in Deep Chand (supra) are as follows:-

"6. Learned counsel for the respondent no. 4, Sri Gupta submits that the answering respondent had his adjoining Chak over Khasra No. 518 belonging to him and his brother Murli and accordingly the petitioner vide sale dated 8.10.1985 transferred fifteen Biswas of land out of Chak No. 521 to the father of the answering respondent. The petitioner never challenged the execution of the sale deed. On the contrary, the petitioner turned dishonest and he moved an application that the proceedings should be initiated as the transfer amounted to a transfer of a fragment of land, hence was invalid. On coming to know about the same, the answering respondent moved before the Additional Collector and orders were passed. Accordingly, the name of the father of the answering respondent was also mutated on 18.8.1987 and while passing the order dated 9th July, 1987, there was full compliance of the principles of natural

justice. It is only the dishonest intention of the petitioner which was reflected in the proceedings that were sought to be pursued by him. Even otherwise, assuming if the land was a fragment then too it would vest in the State and petitioner would not gain anything to the contrary. It has also been submitted that as a matter of fact, the State Government has issued Notifications that in case, there is a fragmentation then the same can be regularized by making certain deposits and, therefore, the sale deed would not be void.

7. Having heard learned counsel for the parties and having perused the counter and rejoinder affidavits, it is evident that the rights of the petitioner stood extinguished with the execution of the sale deed. The petitioner had never challenged the sale deed, as such it appears that the petitioner has somehow the other tried to cause damage to the answering respondent for no valid reason. The petitioner would not stand to gain anything except causing sheer harassment to the respondent no. 4. The contention of the respondent that the petitioner would not stand to gain anything appears to be correct.

8. In view of the fact that the petitioner has been unable to make out any case for interference in view of the facts that have been brought on record and the findings recorded by the authorities, I am not inclined to interfere in the exercise of jurisdiction under Article 226 of the Constitution of India. The writ petition lacks merit and it is accordingly dismissed. Interim order granted earlier stands discharged."

16. The judgment cited by learned counsel for the petitioners are not applicable in the present controversy as both the judgment are of year 1991 & 2000 while the Section 168-A of U.P.Z.A. & L.R. Act has been omitted by U.P. Act No.27 of 2004 w.e.f. 23.08.2004 and State Government notification for validation of sale deed which was hit by Section 168-A of U.P.Z.A. & L.R. Act came into force on 05.04.2010.

17. It is also material that Civil Suit No.4 of 2006 has been filed by respondent Nos.7, 9 and 10 (vendor of petitioners) to declare the sale-deed of respondent No.6 as illegal, void and ineffective which is pending for adjudication before civil court.

18. Considering the entire facts and circumstances of the case as well as ratio of law laid down by this Court in Smt. Sumitra Devi (supra) and Deep Chand (supra) coupled with the provisions of validation of sale-deed in view of Government notification dated 05.04.2010, no interference is required against the impugned orders.

19. The writ petition is devoid of merit and the same is accordingly dismissed.

20. No order as to cost.

(2023) 1 ILRA 576
APPELLATE JURISDICTION
CRIMINAL SIDE
DATED: LUCKNOW 22.12.2022

BEFORE

THE HON'BLE RAMESH SINHA, J.
THE HON'BLE MOHD. ASLAM, J.

Criminal Appeal No. 500 of 1984

Ram Shankar & Ors. ...Appellants
Versus
The State of U.P. ...Opposite Party

Counsel for the Appellants:

Subudh, K. Shukla, Kr. M. Rakesh, Kr. Mukul Rakesh, Shanti Prakash, Prachi

Counsel for the Opposite Party:
G.A.

A. Criminal Law – Criminal Procedure Code, 1973 – Section 374(2) – Appeal against conviction and Sentence – Scope of hearing – Principle explained – Held, the First Appellate Court while deciding the criminal appeal on facts must apply its independent mind and record its own findings on the basis of its own assessment, the evidence is appreciated for our independent assessment of evidence and recording the findings if we reach to the findings that the findings recorded by the trial court is in consonance of our findings, the appeal could be dismissed and if two views are possible after appreciation of the evidence and one view is in favour of acquittal, the appeal would be allowed or on the basis of appreciation of evidence if we find that trial court has not appreciated the evidence while recording the findings of guilt and it is illegal, the appeal would be allowed. (Para 24)

B. Criminal Law – First Information Report – Delay, how far affects its authenticity – *Anjan Dasgupta's case* relied upon – A promptly lodged FIR reflects the first hand account of what has actually happened, and who was responsible for the offence in question – Held, trial court has rightly held that first information report was lodged promptly which rules out any sort of concoction and deliberation and it gives assurance regarding the truth of informant's version. (Para 25 and 26)

C. Criminal Law – First Information Report – Omission of few facts, how far fatal for prosecution – Held, certain omission like non-mentioning of covering of the face by Shyam Bihari by scarf and certain other minor omissions in FIR does not go to the root of the prosecution case, therefore, that is not fatal. Moreover, the FIR cannot be said to be an encyclopedia. It is not expected that all the details must find in FIR. Therefore, it will not affect the prosecution case. (Para 29)

D. Criminal trial – Interested witness – Reliability – Held, the ground that the witness being a close relative and consequently being a partisan witness, should not be relied upon, has no substance – Dalip Singh's case relied upon. (Para 37)

E. Criminal trial – Indian Penal Code,1860 – Sections 302 – Murder – Injured witness – St.ment of witnesses that the appellant opened fire on the injured – Reliability – Nothing came in his cross-examination which makes his testimony unreliable – Relevance – Held, the factum that accused were identified in the light of lantern and in the light of torch of the accused was not challenged in the cross-examination. Therefore, the testimony of this witness inspires confidence and is liable to be relied on – Prosecution has proved its case beyond reasonable doubt against the accused-appellants for offence punishable under Sections 302/149, 307/149, 148, 323/149 and Section 449 I.P.C. The learned lower court has rightly convicted and sentenced the appellants. (Para 31 and 40)

Appeal dismissed. (E-1)

(Delivered by Hon'ble Mohd. Aslam, J.)

1. Heard Ms. Prachi Trivedi, learned counsel for applicant No.3, Sri Dharm Trivedi, learned counsel for appellant No.4 as well as Sri Umesh Chandra Verma, learned Additional Government Advocate for State of U.P. and perused the record.

2. This criminal appeal is preferred on behalf of the appellants (1) Ram Shankar, (2) Gokaran Shukla, (3) Jageshwar, (4) Sabit, and (5) Mukaddar under Section 374 (2) Cr.P.C. against the impugned judgment of conviction and order of sentence dated 27.06.1984 passed by learned Additional Sessions Judge, Court No.1, Lakhimpur Kheri in Sessions Trial No. 168 of 1984 (State of U.P. Vs. Ram Shanker and 4 others), arising out of Case Crime No. 146 of 1981, Police Station- Dhaurahra, District- Lakhimpur Kheri, whereby the appellants were convicted for offence punishable under Section 302/149 Indian Penal Code (in short "I.P.C") and were sentenced to undergo imprisonment for life, they were also convicted for offence punishable under Section 148 I.P.C. and were sentenced to undergo rigorous imprisonment for one year, also convicted for offence punishable under Section 307/149 I.P.C. and sentenced to undergo rigorous imprisonment for seven years and they were also convicted for offence punishable under Section 449 I.P.C. and were sentenced to undergo rigorous imprisonment for eight years, further convicted for offence punishable under Section 323/149 I.P.C. and were sentenced to undergo rigorous imprisonment for one month. It was further directed that all the sentences shall run concurrently.

3. During the pendency of appeal, appellant no.(1) Ram Shankar, (2) Gokaran Shukla and (5) Mukaddar died and the appeal in respect of them was dismissed as abated vide order dated 29.09.2021, now the present appeal survives only against appellant no. (3) Jageshwar and (4) Sabit.

4. In brief, the prosecution case is that informant Devi Charan Mishra (PW-1) son of Ram Swaroop Mishra, resident of village Shekhan Purwa, Police Station- Dhaurahra, District- Lakhimpur Kheri lodged the first information report on 06.07.1981 at 7.00 a.m. at Police Station- Dhaurahra alleging therein that he was living with his cousin Lalji Prasad son of Santram in the same house. His second marriage took place about 12 years ago with Vidya, daughter of Babu Ram Shukla, resident of village Murasa, Police Station- Mitauli. His wife Vidya was a lady of easy virtue on account of which his relation with her was not good and she parted company with him and was living at her paternal house. It is also alleged that due to this his father-in-law, brother-in-law Ram Shankar and others had suspicion that Lalji Prasad and his wife Smt. Ram Shree were behind all this trouble so that they made repeated unsuccessful attempt to persuade Devi Charan to separate himself from Lalji Prasad. One year before the incident, his wife had also exhorted that as long as Lalji and his wife would not die or be killed she

would not come to her matrimonial home. His wife Vidya had developed illicit relation with accused Sabit and Mukaddar, who were living in the neighborhood, and on account of this unholy activity the aforesaid accused had exchange of words with Lalji Prasad. In the night of 5/6.07.1981 he and his cousin Lalji Prasad were sleeping in the courtyard after taking dinner and his sister-in-law (Bhauji) Ram Shree, niece Shravan Kumari and nephew Dinesh Kumar were sleeping on the terrace and his another brother Shrikant and his servant Arjun Lodh (PW-3) were sleeping in the western side of the same courtyard. A lantern (lamp) was burning in the courtyard (ANGAN). In the mid of night, informant woke up and sat down on CHAUKI and at around 12:30 hrs. in the night, 5-6 persons infiltrated from the north side of TATIHAR (thatched) gate flashing torches, thereupon, informant accosted them, then the miscreants commanded him to sit quietly. Then he saw in the flashes of torch that his brother-in-law Ram Shankar armed with gun, Shyam Bihari Shukla armed with country made Addhi and his brother-in-law's son Jageshwar armed with stick, Sabit armed with spade, Mukaddar armed with stick. Accused Sabit and Mukaddar caught hold of him but as soon as his brother-in-law and Shyam Bihari said not to kill him otherwise his sister will become a widow, they had to kill Lalji Prasad and his wife. On his alarm, Shrikant and Arjun Lodh woke up and Basudev flashed torch from adjacent terrace, then Sabit exclaimed that Lalji Prasad was sleeping nearby on which Ram Shankar and Shyam Bihari opened fire on Lalji Prasad resultantly he died, then Sabit said that wife of Lalji Prasad is sleeping on the terrace, thereupon, all the miscreants run towards the terrace. Informant and Arjun Lodh also went on the terrace to save his sister-in-law (BHABHI), then Ram Shankar opened fire on his BHABHI. The informant Debi Charan hugged his BHABHI then Jageshwar and Mukaddar assaulted with stick as a result of which he, his BHABHI Ram Shree and niece sustained injury. Meanwhile, Sunder Lal Tiwari and many other people of the village came armed with stick, flashing torches and raised alarm. Then all the accused persons fled towards north while firing. They identified the accused persons clearly and by their names also. His brother's dead body was lying at home and the injured were also at home. He prayed that his first information report be lodged and legal action be taken against accused persons.

5. Head Constable Raghunath Singh scribed the chick report (Exhibit-Ka-5) on 06.07.1981 at 7 a.m. at Police Station-Dhaurahra on the basis of Tehir (Exhibit-Ka-1) of informant and by making necessary entry in GD vide report No. 9 at 7 a.m. on 06.07.1981, registered Case Crime No. 146 under Sections 147, 148, 149, 449, 302 I.P.C. at Police Station-Dhaurahra.

6. Investigation of the case was entrusted to Sub-Inspector Sardar Singh. He copied the chick report and GD registering the case in the case diary and recorded the statement of Head Constable Raghunath Singh, scriber of the chick and GD, on 06.07.1981. Sub-Inspector Sardar Singh along with Sub-Inspector Irshad, Constable Ram Prakash, Constable Ragini, Constable Gayatri Prasad Yadav and Constable Uday Narayan proceeded for the place of occurrence thereafter. He appointed Shrikanth, Basudev, Sri Krishna,Vansh Gopal and Parashuram as witnesses of the Panchayatnama. The dead body of the deceased Lalji Prasad was

found lying in a room of the house of informant. The head of the dead body was towards South and the foot was towards North. The elbow was found on side of dead body. The fingers were found bend. Eyes were opened and mouth was closed. Blood stained Janeu, Kurta and Dhoti were found on the body of deceased. The matting (Kathari) and cot were found blood stained. Blood stained firearm injury was found on the left side of the chest. Injury with blood-stain was also found on the right side of the chest. The Panch witnesses opined that deceased died due to injury and for ascertaining the exact cause of death postmortem of the dead body is needed. Sub-Inspector Sardar Singh prepared the Panchayatnama (Exhibit-Ka-7), photo nash (Exhibit-Ka-8), Challan lash (Exhibit-Ka-9), sample seal (Exhibit-Ka-10), letter to CMO (Exhibit-Ka-11) and sent the dead body for postmortem examination by Constable Ram Prakash (PW-4) and village Chowkidar Kunj Bihari. He also took plain soil and blood stained soil from the place of occurrence and sealed them into containers. He also took blood stained towel, piece of matting, piece of rope of cot and sealed them. He further took a used old lady's Dhoti and sealed it. He took four empty cartridges (red in colour) and two tickles of cartridge and sealed it. The investigation of the case was later on undertaken by Station Officer Sub-Inspector K.D. Singh (PW-5). On 06.07.1981 he recorded the statement of informant Debi Charan (PW-1) who supported the prosecution case, inspected the place of occurrence at the instance of Debi Charan and prepared the site-plan (Exhibit-Ka-13). On 07.07.1981 Sub-Inspector K.D. Singh recorded the statement of eyewitness Shrikant, Arjun Lodh (PW-3), Smt. Ram Shree (PW-2), Shravan Kumari, daughter of the deceased.

7 . Injured Shravan Kumari, daughter of Lalji, aged about 14 years was medically examined by Dr. R.P. Rathore, Medical Officer, in-Charge Primary Health Center, Dhaurahra on 06.07.1981 at 02:45 p.m. At the time of medical examination, following injuries were found on her body:

"(i). Contusion 5 cm x 4 cm on the middle of the forehead.

(ii) C/o pain both buttocks."

Dr Rathore prepared the injury report in his own handwriting (Exhibit-Ka-2) and had identified the thumb impression RTI of Sharvan Kumari.

8. On the same day at 03:00 p.m. he also examined Ram Shree, wife of Lalji Prasad, aged about 40 years. Following injuries were found on her body:

"(i) contusion 5 cm x 4 cm on back of left forearm, 4 cm below left elbow,

(ii) abrasion 4 cm x 2 cm on the back of left ankle,

(iii) contusion 7.5 cm x 2.5 cm on the front of left knee,

(iv) gunshot wound of entry 8 cm x 4 cm x muscle deep on the inner and lower quadrant of left buttock extending upto vulva, charring and tattooing present, and

(v) gunshot wound of entry 5 cm x 3 cm x muscle deep on the lower and inner quadrant of right buttock, charring and tattooing present."

Dr. Rathore prepared the injury report of Ram Shree (Exhibit-Ka-3) in his own

handwriting. He also identified the RTI of Ram Shree on the injury report.

9. Dr. R.P. Rathore on the same day at 3:15 p.m. also medically examined Debi Charan aged about 30 years. At the time of medical examination, following injuries were found on his body:

"(i) contusion 4.5 cm x 1 cm on the upper face right angle, and

(ii) contusion with abrasion 10 cm x 1.5 cm."

10. Dr R.P. Rathore prepared the injury report of injured Debi Charan (Exhibit-Ka-4) in his own handwriting. He also identified the RTI of Debi Charan.

11. The postmortem of the deceased Lalji Prasad was conducted by Dr. Kamlesh Kumar (PW-6) on 07.07.1981 at 2:40 p.m. At the time of post-mortem examination, the age of the deceased was found to be 55 years. The deceased was found having average body built. Rigor mortis passed off from upper parts and present in the lower parts. Post-mortem staining was found present over back. Body of the deceased was found distended. Blister present all over body. Skin peeled off at certain places. Eyes were found opened. Following ante-mortem injuries were found on the body of the deceased Lalji Prasad:

"(i) gunshot wound of entry 9 cm x 5 cm x chest cavity deep over front of upper part of left side chest just below inner end of collar bone. Blackening and tattooing were found present around the wound, margins were irregular, everted. Clotted blood present in the wound.

(ii) gunshot wound of exit 11 cm x 7 cm x chest cavity deep over front of left side chest and shoulder, 2 cm to the left of injury no.1. Margins irregular, everted. Clotted blood present.

Injury No. 1 is communicating with injury No. 2 while track of wounds contains clotted blood, bone fragments from broken ribs and extensive laceration of muscles, vessels and nerves as found on dissection of wounds 1st to 6th ribs of left side found fractured into multiple pieces. 75 small irregular metallic shots found embedded in the posterior muscle of left side axila muscle of inner side of left arm, shoulder joint, muscle of arm on back portion of shoulder and arm and taken out the injuries and muscles in which shots were embedded contains clotted blood.

(iii) penetrating wound 4 cm x 2 cm x chest cavity deep over front of upper part of left side chest, 3 cm below right collar bone, elliptical in shape, margins clear-cut sharp, clotted blood found present."

12. Doctor opined that the deceased died due to shock and hemorrhage as a result of ante-mortem injuries at about one and a half day before. Dr. Kamlesh Kumar (PW-6) prepared the post-mortem report (Exhibit-Ka-16) in his own handwriting. He handed over one sealed bundle containing Dhoti-1, Kurta-1, Janeu-1, all blood stained to constable who took the dead body for post-mortem. He also sealed one envelope containing 75 small metallic shots (pellets) recovered from the body of the deceased and sent it to S.P., Kheri.

13. On 17.07.1981, the Investigating Officer came to know that accused Jageshwar and Ram Shankar surrendered in the court of Additional Munsif Magistrate, Court No.8 and accused Shyam Bihari,

Gokaran, Mukaddar and Sabit were arrested and sent to the jail. On 05.08.1981, he recorded the statement of Basudev Tiwari. Later on, investigation was transferred to the Station Officer, Sub-Inspector Laeeq Ahmed. He recorded the statement of witnesses Sunder Lal Tiwari and Babu Ram Tiwari on 01.03.1982. Investigating Officer also recorded the statement of Ram Shankar and Shyam Bihari wherein they denied the incident. The Investigating Officer recorded the statement of witnesses of the Panchayatnama, namely, Vansh Gopal, Shrikanth, Parashuram and Sri Krishna on 20.05.1982 and also recorded the statement of Dinesh Kumar. The Investigating Officer after investigation submitted the charge-sheet against the accused Sabit and Mukaddar (Exhibit-Ka-14) and another charge-sheet against accused Ram Shankar, Gokaran Shukla and Jageshwar (Exhibit-Ka-15) in Case Crime No. 146 of 1981, under Sections 147, 148, 149, 302, 449 I.P.C.

14. The cognizance of offence on the basis of aforesaid charge-sheet was taken on 18.06.1982 by Additional Judicial Magistrate, Lakhimpur Kheri and after complying the provision of Section 207 Cr.P.C. the case was committed to the Court of Sessions for trial. The charges for offence punishable under Section 148 I.P.C., 302 I.P.C. read with 149 I.P.C., 307 I.P.C. read with Section 149, 323 read with 149, and section 449 I.P.C. were framed against Ram Shankar, Gokaran Shukla, Jageshwar, Sabit and Mukaddar. The accused-appellants pleaded not guilty and claimed to be tried.

15. In order to prove its case, prosecution has examined informant Debi Charan (injured) as PW-1 who proved the Tehrir report (Exhibit-Ka-1). Witness Ram Shree, widow of deceased Lalji Prasad, as PW-2 and Arjun Lodh as PW-3, alleged eyewitness of the occurrence. As formal witness, prosecution has examined Constable Ram Prakash who carried the dead body for postmortem as PW-4, Investigating Officer K.D. Singh as PW5. The Investigating Officer proved the steps taken in the investigation and the check report (Exhibit-Ka-5), GD registering the case (Exhibit-Ka-6) by secondary evidence. He also proved that Panchayatnama of the deceased was done in his presence by S.I. Sardar Singh and proved the Panchayatnama (Exhibit-Ka-7), photo lash (Exhibit-Ka-8), challan lash (Exhibit-Ka-9), sample sale (Exhibit-Ka-10), letter to CMO for post-mortem (Exhibit-Ka-11) which was prepared in the handwriting of Sub-Inspector Sardar Singh. He also proved that from the place of occurrence Sub-Inspector Sardar Singh had taken in possession a blood-stained bed sheet, Towel and piece of matting (Kathari), piece of rope of cot (baan) and plain soil and blood stained soil, blood stained lady's Dhoti, four empty cartridges and two ticklies and sealed them separately. He produced the sealed packet in the court from which a piece of Kathari and a towel that was alleged to have been found and taken in possession from the place of occurrence by S.I. Sardar Singh and the sealed bundle was exhibited as Material Exhibit-1. He also produced the sealed container having plain soil and blood-stained soil as Material Exhibits- 2 & 3. He also produced a sealed container having four empty cartridges and two ticklies as Material Exhibit-4 before the Court below. He also proved that these articles were taken in possessed by Sub-Inspector Sardar Singh from the place of occurrence. He also proved the site-plan (Exhibit-Ka-13).

He also proved that he was transferred from Police Station Dhaurahra and later on investigation was conducted by Sub-Inspector Laeeq Ahmed who had filed charge-sheet (Exhibit-Ka-14) and (Exhibit-Ka-15) against the accused persons. The prosecution has examined Dr. Kamlesh Kumar, Medical Officer to prove the post-mortem report (Exhibit-Ka-6). He also produced sealed packet from which 75 shots (pellets) were found and stated that these metallic shots were taken out from the body of the deceased. He also proved a sealed bundle from which blood stained Janeu, Kurta and Dhoti were found and it was exhibited as Material Exhibit-6. The genuineness of medical report of Shravan Kumari (Exhibit-Ka-2), Ram Shree (Exhibit-Ka-3) and Debi Charan (Exhibit-Ka-4) was admitted by learned counsel for the accused-appellant before the Court below.

16. The statement of the accused-appellant under Section 313 Cr.P.C. was recorded by learned Court below wherein they denied the prosecution case and stated that they were falsely implicated due to enmity with police. They stated that they have enmity with Basudev regarding land and dispute took place. They did not produce any oral evidence in their defence and filed following documents in their defence and closed their evidence:

"(i). copy of remand application dated 05.07.1981 moved by Investigating Officer in the court of Munsif Magistrate East in relation to Crime No. 117 of 1981, Police Station- Beniganj, District- Hardoi, under Section 60 Excise Act (Exhibit-Kha-1).

(ii) copy of order dated 12.04.1983 passed by Munsif Magistrate East, Hardoi in Case Crime No. 117 of 1981, under Section 60 Excise Act, Police Station- Beniganj, District Hardoi (Exhibit-Kha-2).

(iii) copy of charge-sheet dated 01.08.1981 (State vs Shyam Bihari) under Section 60 Excise Act in Case Crime No. 117 of 1981, Police Station- Beniganj, District Hardoi (Exhibit-Kha-3).

(iv) copy of first information report dated 04.07.1981 registered as Case Crime No. 117 of 1981 against accused Shyam Bihari under Section 60 of Excise Act (Exhibit-Kha-4).

(v) copy of bail application dated 08.07.1981 moved on behalf of accused Shyam Bihari in Case Crime No. 117 of 1981 under Section 60 Excise Act (Exhibit-Kha-5).

(vi) copy of bail order passed by the Munsif East, Hardoi in Case Crime No. 117 of 1981 under Section 60 Excise Act, Police Station- Beniganj, Hardoi (Exhibit-Kha-6).

(vii) copy of order of remand dated 08.07.1981 in Case Crime No. 117 of 1981 under Section 60 Excise Act, Police Station- Beniganj, Hardoi (Exhibit-Kha-7).

(viii) copy of surety bond dated 08.07.1981 filed by surety Raja Baksh in Case Crime No. 117 of 1981 under Section 60 Excise Act, Police Station- Beniganj, Hardoi (Exhibit-Kha-8)."

17. Learned lower court held that after close scrutiny of the circumstances and the evidence adduced the charges against the accused are established beyond reasonable doubt. It was also held that there was no dispute that Lalji Prasad was

murdered. On this point there is more than sufficient evidence, (Exhibit-Ka-1) the Tehrir corroborates this fact. The evidence and paper relating to the inquest proceeding give utmost support to it because doctors found gunshot wounds of entry and exit in the chest communicating with each other. Ribs were found broken. Muscles, vessels, and nerves also extremely lacerated and 75 small irregular metallic shots were found embedded in the pectoral muscle left side, axilla muscle of inner side of left arm, shoulder joint, muscle of arm and taken out. The wound and muscles in which shots were embedded contains clotted blood. PW-6 Dr. Kamlesh Kumar proved the post-mortem report (Exhibit-Ka-16) and proved the antemortem injuries of the deceased found at the time of post-mortem. He has also proved that punctured wound on the chest of deceased. It is further held by learned court below that witness Debi Charan PW-1, Ram Shree PW-2 and Arjun Lodh PW-3 have proved the murder of the deceased Lalji Prasad. Sub-Inspector K.D. Singh PW-5 proved the formalities of the investigation. Constable Ram Prakash had taken the dead body in sealed condition to mortuary for post-mortem examination. The defence suggested the witnesses of the fact that dacoity was committed at the house of complainant and in dacoity the murder was committed. In this way murder of Lalji at the given time and place is asserted by the defence also. Blood stained articles were also found on the spot. Blood stained lady's dhoti and empty cartridges were also found at the place of occurrence. The assessment of the time of death as stated by the doctor is also corresponds with the manner in which the occurrence has taken place and the time of incident. Learned court below recorded the finding that all appellants, namely, Ram Shankar, Gokaran Shukla, Jageshwar, Sabit and Mukaddar have committed murder of the deceased Lalji Prasad, attempted murder of Ram Shree, and voluntarily assaulted and caused simple injury to injured in furtherance of common object, unlawful assembly and also committed the offence of rioting armed with deadly weapons and has committed house trespass in order to commit offence punishable with death and held them guilty for offence punishable under Sections 148, 302 read with Section 149 I.P.C., 307 read with Section 149 I.P.C., 323 read with Section 149 I.P.C. and 449 I.P.C. and each were sentenced to undergo rigorous imprisonment for a term of one year for offence punishable under Section 148 I.P.C., imprisonment for life for offence punishable under Section 302 read with Section 149 I.P.C., rigorous imprisonment for a term of seven years for offence punishable under Section 307 read with Section 149 I.P.C., to undergo rigorous imprisonment for one month for offence punishable under Section 323 read with Section 149 I.P.C., and to undergo imprisonment for a term of eight years for offence punishable under Section 449 I.P.C. It was directed that all the sentences shall run concurrently. Feeling aggrieved by it, appellants/convicts Ram Shankar, Gokaran Shukla, Jageshwar, Sabit and Mukaddar have preferred this appeal under Section 374 (2) Cr.P.C against conviction and sentence awarded by learned lower court.

18. Learned counsel appearing for the appellants has submitted that it is admitted position that there is prior enmity among the deceased and appellants. It is also an admitted position that the witnesses of fact, namely, Debi Charan PW-1, Ram Shree PW-2 are closely related to the deceased and witness Arjun Lodh PW-3 is the servant of brother of the deceased Shrikant,

and therefore, they are most interested witnesses and no reliance can placed on their testimony. It is also submitted that the first information report is ante-timed and is lodged after due deliberation and consultation to falsely implicate the appellants/convicts after delay of about six and a half hours of the incident. It is also submitted that since no independent witness has been examined by the prosecution and only on the basis of uncorroborated testimony of PW-1, PW-2 and PW-3, the conviction of the appellants is not warranted. It is further submitted that during autopsy, the doctor has found the stomach of the deceased empty. It is also submitted that the empty stomach suggests that the murder of the deceased has taken place in the early morning and not in the midnight. It is also submitted that the occurrence is alleged to have taken place in the midnight, whereas the first information report has been lodged at 7:00 a.m. in the morning after a delay of about six and a half hours. The delay has not been explained by the prosecution and in above circumstances non-explanation of the delay leads to conclusion that the first information report is concocted. In view of the aforesaid facts, it is submitted by learned counsel for the appellants that the aforesaid finding of the doctor goes to show that the deceased had died about 10 hours after he took his meal. Accordingly, it is submitted that the time of death could not have been at 12:30 a.m. in night, rather the same might have taken place at 5-6 a.m. in the early morning. Accordingly, the evidence of PWs. 1, 2 and 3 are not reliable and the same cannot become the basis for conviction of the appellants. It is further submitted that PW-1 Debi Charan in his statement has admitted that Investigating Officer has not prepared any supurdiginama regarding lantern. It is further submitted that the statement regarding availability of light is not mentioned in the statement under Section 161 Cr.P.C. In the statement before the court, witnesses have stated that there was light of torches of the appellants and light of lantern was also there. Investigating Officer K.D. Singh (PW-5) has deposed that while giving the statement under 161 Cr.P.C. Ram Shree stated that she was weeping badly and could not tell other facts. It is further submitted that in above circumstances it is not established that there was any source of light as to recognize the appellants/convicts. It is also submitted that statement of the witnesses was recorded by the Investigating Officer with delay, therefore, no reliance can be placed on the testimony of prosecution witnesses. It is also submitted that post-mortem examination of the deceased and medical examination of the injured were conducted with delay which cast doubt on the prosecution case. It is further submitted that Investigating Officer had not prepared any Supurdginama of lantern and torches. It is further submitted that for the first time in the court the witnesses deposed that Shyam Bihari had covered his face and his face could not be seen by them. This fact is not mentioned in the Tehrir (Exhibit-Ka-1) and in the statement of the witnesses recorded under Section 161 Cr.P.C. It is further submitted that appellants/convicts Shyam Bihari was arrested on 04.07.1981 in Hardoi under Section 60 Excise Act and remained in jail to 08.07.1981 and Ram Shankar was at police duty. It is further submitted that in above circumstances, it is proved that Shyam Bihari and Ram Shankar were not present at the place of occurrence. Shyam Bihari was detained in jail and appellant Ram Shankar was on duty at the place of his posting. It is further submitted that learned lower court has not

considered the documentary evidence produced by defence and has not properly appreciated the evidence on record in right prospective. It is further submitted that there is no mention of injury by Ballam in Tehrir (Exhibit-Ka-1), but in the statement under Section 161 Cr.P.C. the complainant and witnesses have stated that Sabit has given Ballam blow to the deceased. It is further contended that this was an improvement made after seeing the post-mortem report, therefore, the statement of the witnesses are not reliable. It is further submitted by learned counsel for the appellants that admittedly the occurrence took place in the night but there is nothing on record to show that there was any source of light for identification. Accordingly, it is submitted that in the absence of any source of identification of appellants/convicts, as such claim of PWs 1, 2 and 3 appears to be doubtful. It is also submitted that the prosecution has not been able to bring home the charges levelled against the appellants beyond the shadow of all reasonable doubts. Therefore, the impugned judgment of learned court below cannot be sustained in this appeal.

19. On the other hand, learned Additional Government Advocate has submitted that it is well settled that only because the witnesses are related to each other, their evidence cannot be brushed aside. The law only demands that their evidences shall be scrutinized with all care and caution. It is submitted that the court below, keeping in view the aforesaid law, has carefully evaluated the evidence of PWs 1, 2 and 3 and come to the conclusion that their evidences are wholly reliable and acceptable. It is further submitted that on careful scrutiny of the evidence of PWs 1, 2 and 3, it is clear that their statement is consistent with regard to the genesis of occurrence, manner of occurrence, place of occurrence, time of occurrence and during cross-examination the defence has not been able to elicit any material from their evidence on which their credibility can be impeached. It is further submitted that only because of empty stomach of the deceased it cannot be said that the occurrence took place at later point of time than the time stated by the witnesses PWs 1, 2 and 3. It is submitted that as per the Medical Jurisprudence, the process of digestion in normal, healthy person may completed within three hours and passed to intestine. It is submitted that admittedly in the instant case, the post-mortem was conducted on 07.07.1981 at about 2:40 p.m. and fecal matter was found in small and large intestine, thus, the food consumed by the deceased might have been digested during that period and it has passed to small and large intestine. In above circumstances, the aforesaid submission of learned counsel for the appellants appears to be misconceived. It is further submitted that the Doctor (PW-6) has found huge collection of blood and blood clots within the chest cavity. It is further submitted that it has come in evidence that deceased was immediately removed from the place of occurrence and taken to hospital on the motorcycle. It is also submitted that the occurrence took place on 05/06.07.1981 in the night at about 12.30 a.m., thus it is apparent that the occurrence took place during summer, and therefore, the deceased must have been wearing scarf clothes apart from other clothes. Accordingly, it is submitted that because of the aforesaid circumstance, the blood had fallen on the ground, cot, Kathri and baan and the Investigating Officer has collected the same from the place of occurrence. Investigating Officer has also collected four empty cartridges and two ticklies near from the place of occurrence.

Under the aforesaid circumstance, it cannot be said that the occurrence might had not taken place at the place of occurrence as claimed by the prosecution witnesses. It is further submitted that it has come in evidence of PWs 1, 2, 3 and 4 that the occurrence also took place at terrace of the house of the complainant. It is also submitted that at the time of occurrence, the deceased was sleeping in courtyard. It has also come in evidence that at that time 5 to 6 persons entered in the house from thatched door to the courtyard where informant PW-1 along with his brother Shrikant, Arjun Lodh (PW-3) and Lalji Prasad were sleeping and lantern was burning there. It is further submitted that in courtyard and at terrace they saw the accused committing the offence in the light of torches of appellants/convicts, lantern and light of torch of neighbours. It is further submitted that the aforesaid circumstance shows that lantern was burning in the courtyard. Accordingly, it is submitted that since the deceased, informant and Shrikant were residing in the same house, therefore, in the said source of light the appellants/convicts can easily be identified by PWs 1, 2 and 3. It is further submitted that the pellets which were taken out from the body of the deceased were also produced in the court below, consequently in view of the fact that the direct ocular evidence coupled with the medical evidence fully supports and establishes the case of prosecution. It is further submitted that learned court below has rightly held that the document produced by appellants/convicts could not be related to Shyam Bihari. Moreover, appellant/convict Ram Shankar, against whom appeal has been dismissed as abated, could not prove that he was on duty at the place of his posting, and accordingly, it cannot be said that surviving appellants were falsely implicated. Accordingly, it is submitted that there is no illegality or irregularity in the judgment of the Court below which may warrant any interference by this Court.

20 . We have given thoughtful consideration to the contentions raised on behalf of the parties and have also gone through the record.

21. First of all we find it necessary to enumerate the principal and the procedure governing the hearing of appeal against conviction by First Appellate Court. Hon'ble Apex Court in ***Majjal vs. State of Haryana***, *reported in (2013) 6 SCC 798* has held in paragraph 7 as under:

"7. It was necessary for the High Court to consider whether the trial court's assessment of the evidence and its opinion that appellants must be convicted deserves to be confirmed. This exercise is necessary because the personal search holiday report state its reason why it is accepting the evidence on record. The High Court's concurrence with the trial courts view would be acceptable only if it is supported by reasons. In such appeals it is the court of first appeal. Reasons cannot be cryptic. By this, we do not need that High Court is expected to write and unduly long treaties. The judgement may be short but must reflect proper application of mind to vital evidence and important submissions which go to the root of the matter. Since this exercise is not conducted by the High Court, the appeal deserves to be remanded for fresh hearing after setting aside the impugned order."

22. Hon'ble Apex Court in ***Bakshish Ram and Another vs. State of Punjab,*** *reported in AIR 2013 SC 1484* has laid

down the law regarding manner for disposal of criminal appeal by First Appellate Court. It has been held that the First Appellate Court has to apply its independent mind and record while making independent assessment of evidence and in absence of independent assessment by the court, its ultimate decision cannot be sustained and has observed in paragraph 14 as under:

"14. The High Court, as a First Court of Appeal, on facts must apply its independent mind and record its own findings on the basis of its own assessment of evidence. Mere reproduction of assessment of the trial court may not be sufficient and in absence of independent assessment by the High Court, its ultimate decision cannot be sustained. The same view has been reiterated by this Court in Sakatar Singh and Others vs. State of Haryana, (2004) 11 SCC 291:"

23. Hon'ble Apex Court in ***"Phula Singh vs. State of Himachal Pradesh,*** reported in AIR 2014 SC 1256" has held that where two views on the evidence available on record are possible, one of conviction and other of acquittal, the beneficial to the accused should be taken by the Appellate Court.

24. Keeping in view the law laid down by the Apex Court that the First Appellate Court while deciding the criminal appeal on facts must apply its independent mind and record its own findings on the basis of its own assessment, the evidence is appreciated for our independent assessment of evidence and recording the findings if we reach to the findings that the findings recorded by the trial court is in consonance of our findings, the appeal could be dismissed and if two views are possible after appreciation of the evidence and one view is in favour of acquittal, the appeal would be allowed or on the basis of appreciation of evidence if we find that trial court has not appreciated the evidence while recording the findings of guilt and it is illegal, the appeal would be allowed.

25. In the instant case, now we will proceed to consider the submission of learned counsel for the appellants regarding ante-time as well as delay in lodging the F.I.R. In this case, the occurrence is alleged to have taken place on 5/6.7.1981 in the midnight at about 12:30 a.m., whereas, the first information report is alleged to have been lodged by PW-1 Debi Charan on 06.07.1981 at about 7 a.m. on the basis of written Tehrir (Exhibit-Ka-1) which was scribed outside the police station and handed over to Munshi of police station Dhaurahra, District Lakhimpur Kheri. PW-1 Debi Charan has deposed that in the morning he had gone to police station Dhaurahra and has ascribed the written complaint (Exhibit-Ka-1) outside the police station, and thereafter, handed over the same to Constable Clerk of police station Dhaurahra for lodging of the report. The Chick report (Exhibit-Ka-5) and GD registering the case (Exhibit-Ka-6) were proved by formal witnesses. Perusal of the chick report shows that the place of occurrence is six miles away from the police station Dhaurahra. In his written complaint, he has narrated the entire story and has specifically mentioned that the dead body of his brother was laying at his house. The injured were also at his house. PW-1 has further deposed that after lodging of the FIR, Sub-Inspector of the police station took him to place of occurrence by jeep. He has further deposed that from the place of occurrence he along with other injured was sent to hospital for medical

examination along with police constable. Perusal of the inquest report (Exhibit-Ka-7) shows that it finds mention that FIR was lodged at 7 a.m. in the morning and Sub-Inspector reached at the place of occurrence for inquest at about 9 a.m. In this case the inquest of dead body was conducted in the morning after lodging of the FIR and the dead body was handed over to Constable Ram Prakash and Village Chowkidar for carrying it for post-mortem at about 11 a.m. Learned counsel for the appellants/convicts has not challenged the time of lodging of the FIR in cross-examination. In above circumstances, it cannot be said that FIR was ante-timed. From the perusal of the chick report, it appears that it finds no mention of time and date of the receipt in the Court of Magistrate. The Hon'ble Apex Court in the case of ***Anjan Dasgupta vs. State of West Bengal and Others***, *(2017) SCC 2022* has held that delay in forwarding the FIR to court is not fatal in a case in which investigation has commenced promptly on its basis. It is also held that it is only extraordinary and unexplained delay, which may raise doubts regarding the authenticity of the FIR. The Apex Court in ***Criminal Appeal Nos. 525-526 of 2012 "Jai Prakash Singh vs. State of Bihar and Another"***, decided on 14th March, 2012 in paragraphs 11 & 12 has held as under:

"11. Admittedly, the FIR had been lodged promptly within a period of two hours from the time of incident at midnight. Promptness in filing the FIR gives certain assurance of veracity of the version given by the informant/complainant.

12. The FIR in criminal case is a vital and valuable piece of evidence though may not be substantive piece of evidence. The object of insisting upon prompt lodging of the FIR in respect of the commission of an offence is to obtain early information regarding the circumstances in which the crime was committed, the names of actual culprits and the part played by them as well as the names of eye- witnesses present at the scene of occurrence. If there is a delay in lodging the FIR, it looses the advantage of spontaneity, danger creeps in of the introduction of coloured version, exaggerated account or concocted story as a result of large number of consultations/deliberations. Undoubtedly, the promptness in lodging the FIR is an assurance regarding truth of the informant's version. A promptly lodged FIR reflects the first hand account of what has actually happened, and who was responsible for the offence in question. (Vide: Thulia Kali v. The State of Tamil Nadu, AIR 1973 SC 501; State of Punjab v. Surja Ram, AIR 1995 SC 2413; Girish Yadav & Ors. v. State of M.P., (1996) 8 SCC 186; and Takdir Samsuddin Sheikh v. State of Gujarat & Anr., AIR 2012 SC 37)."

26. In the case in hand, the occurrence has taken place at about 12:30 a.m. in the midnight. The place of occurrence is six miles away from the police station Dhaurahra. In the occurrence, the brother of the informant was murdered and the wife of the deceased sustained fatal injury and the daughter of the deceased had also sustained injury. In above circumstances, no one could dare to go to police station to lodge first information report due to fear. The counsel of the appellants/convict had only given the suggestion that dacoity has taken place in the night at the house of the informant and they sustained injury in dacoity and due to enmity the appellants were falsely named in the first information report. The time of lodging of the first information report is not challenged by the

counsel of appellants before the trial court. Keeping in view the facts and circumstances of the case, it is proved that the first information report was lodged promptly and the promptness in lodging the FIR is an assurance regarding truth of the informant's version. A promptly lodged FIR reflects the first hand account of what has actually happened, and who was responsible for the offence in question. In above circumstances, learned trial court has rightly held that first information report was lodged promptly which rules out any sort of concoction and deliberation and it gives assurance regarding the truth of informant's version.

27. In this case, the witnesses PW-1 Debi Charan, cousin of the deceased, PW-2 Ram Shree, wife of the deceased and PW-3 Ajun Lodh, servant of his brother Shrikant, are eyewitnesses of the occurrence. The witnesses Debi Charan and Ram Shree are alleged to be injured witnesses.

28. PW-1 Debi Charan has stated in his deposition that he was living with his cousin Lalji Prasad son of Santram in the same house. His second marriage took place about 12 years ago with Vidya, daughter of Babu Ram Shukla, resident of village Murasa, Police Station- Mitauli. His wife Vidya was a lady of easy virtue on account of which his relation with her was not good and she parted company with him and was living at her paternal home. Due to this his father-in-law, brother-in-law Ram Shankar and others had suspicion that Lalji Prasad and his wife Smt. Ram Shree were behind all this trouble so that they made repeated unsuccessful attempt to persuade him to separate himself from Lalji Prasad. One year before the incident, his wife had also exhorted that as long as Lalji Prasad and his wife would not die or be killed she would not come to her matrimonial home. He has further stated that his wife Vidya had developed illicit relation with accused Sabit and Mukaddar, who were living in the neighborhood, and on account of this unholy activity the aforesaid accused had exchange of words with Lalji Prasad. In the night of 5/6.07.1981 he and his cousin Lalji Prasad were sleeping in the courtyard after taking dinner and his sister-in-law (Bhauji) Ram Shree, niece Shravan Kumari and nephew Dinesh Kumar were sleeping on the terrace and his another brother Shrikant and his servant Arjun Lodh (PW-3) were sleeping in the western side of the same courtyard. A lantern (lamp) was burning in the courtyard (ANGAN). In the mid of night, he woke up and sat down on CHAUKI and at around 12:30 hrs. in the night, 5-6 persons infiltrated from the north side of TATIHAR (thatched) gate flashing torches, thereupon, he accosted them, then the miscreants commanded him to sit quietly. Then, in the flashes of torch he saw his brother-in-law Ram Shankar armed with gun, Shyam Bihari Shukla armed with country made Addhi and his brother-in-law's son Jageshwar armed with stick, Sabit armed with spade, Mukaddar armed with stick. Accused Sabit and Mukaddar caught hold of him but as soon as his brother-in-law and Shyam Bihari said not to kill him otherwise his sister would become a widow, they had to kill Lalji Prasad and his wife. On his alarm, Shrikant and Arjun Lodh woke up and Basudev flashed torch from adjacent terrace, then Sabit exclaimed that Lalji Prasad was sleeping nearby on which Ram Shankar and Shyam Bihari opened fire on Lalji Prasad resultantly he died, then Sabit said that wife of Lalji Prasad is sleeping on the terrace, thereupon, all the miscreants run towards the terrace. He and Arjun Lodh also went on the terrace to save his sister-in-law

(BHABHI), then Ram Shankar opened fire on his BHABHI. He hugged his BHABHI then Jageshwar and Mukaddar assaulted with stick as a result of which he, his BHABHI Ram Shree and niece sustained injury. Meanwhile, Sunder Lal Tiwari and many other people of the village came armed with stick, flashing torches and raised alarm. Then all the accused persons fled towards north while firing. They identified the accused persons clearly and by their names also.

29. In cross-examination, he has supported the version of the prosecution that he has no other house. He has further deposed that he and deceased Lalji Prasad were living together in the same house. He has further deposed that his first marriage had taken place in village Naye Gaon and his first wife is alive and one son was born from their wedlock. He has further supported the version of first information report that after his second marriage with Vidya, his first wife had left him and she started living separately. He has denied the suggestion of the accused's counsel that because of his illicit relation with the wife of Lalj Prasaad his first wife had left him. He has further deposed that he had not mentioned that appellant Shyam Bihari had concealed his face by scarf. He has further deposed that he had shown lantern to Daroga ji, but he is not aware whether Daroga ji had prepared the memo regarding it or not. He has further clarified that lantern was burning in the South of Chhapper. He has further clarified that he raised alarm on seeing the accused persons, but Lalji Prasad could not awakened and meanwhile he sustained firearm injury. He has further explained that at that time Lalji Prasad was sleeping facing mouth towards South. He has further deposed that the fire was made from his side on the deceased. He has further explained that the fire was opened on his brother Lalji Prasad from a close range. During cross-examination, he has further explained that when the fire was opened on his brother Lalji Prasad, his brother Shrikant and his servant Arjun Lodh woke up. He has also corroborated that the fire on Ram Shree was opened by Ram Shankar. Certain omission like non-mentioning of covering of the face by Shyam Bihari by scarf and certain other minor omissions in FIR does not go to the root of the prosecution case, therefore, that is not fatal. Moreover, the FIR cannot be said to be an encyclopedia. It is not expected that all the details must find in FIR. Therefore, it will not affect the prosecution case. From the perusal of the statement of PW-1 Debi Charan, it is apparent that nothing came in his cross-examination which makes his testamentary unreliable. The statement of PW-1 Devi Charan is corroborated by the written complaint (Exhibit-Ka-1), injury report of informant, daughter and wife Ram Shree of the deceased genuineness of which were admitted by the counsel of the appellants before the trial court. The statement of PW-1 Debi Charan is also supported by the post-mortem report, site-plan and by the depositions of PW-2 Ram Shee and PW-3 Arjun Lodh. The manner in which the deceased and injured Ram Shree, her daughter and informant sustained injury is corroborated by medical evidence. The statement of PW-1 Debi Charan inspires confidence and the same is liable to be relied on. Therefore, learned lower court has rightly relied on the deposition of witness PW-1 Debi Charan.

30. PW-2 Ram Shree is the wife of the deceased Lalji Prasad. She in her statement has stated that Debi Charan is her cousin (Devar) who was living with her

husband in joint family. Devi Charan had solemnized his second marriage with Vidya who had illicit relationship with accused/appellant Sabit. She has further stated that Devi Charan had left her due to it and she was living at her parental home. She has further deposed that Vidya had organized dacoity many times. When Vidya was about to leave she had said that she will not come to Shekhanpurwa until Ram Shree and her husband Lalji Prasad would be murdered. She was lady of easy virtue and she got angry when she was pointed out. She has also deposed that occurrence has taken place three years ago at about 12 o'clock in the midnight. Her husband Lalji Prasaad and Devi Charan were sleeping in the courtyard. She was sleeping on the terrace along with her daughter Shravan Kumari and son Dinesh Kumar. A lantern was burning in the courtyard. When Devi Charan shouted and fire broke out, she woke up and saw that Ram Shankar, a man concealing his face who was probably Shyam Bihari, Jageshwar, Gokaran, Sabit and Mukkadar was there. Ram Shankar armed with gun, Shyam Bihari armed with big country made pistol, Gokaran armed with country made pistol, Jageshwar armed with lathi, Sabiit having Ballam and Mukaddar armed with lathi were there in the courtyard. Ram Shankar and Shyam Bihari opened fire with gun and big country made pistol on her husband Lalji Prasad due to which he succumbed to injuries. Then, all the accused persons climbed up on the terrace. Debi Charan and Arjun Lodh also followed them on terrace. The accused persons started beating her. Ram Shankar opened fire on her and Jageshwar started beating her with lathi also. She was saved by Debi Charan and Arjun Lodh. Her daughter Sharvan Kumari and Debi Charan had also sustained injuries. Basudev had flashed his torch from his roof on hearing the hue and cry. She had seen the faces of the accused in the light of lantern and torches. After getting down from the terrace, the accused fled from there. She, her daughter and Debi Charan were medically examined. The dead body of her husband was sealed there and sent for post-mortem. During cross-examination, she has denied the suggestion of the accused's counsel that Vidya had strong suspicion that she (Ram Shree) had illicit relation with Debi Charan. If this was the case then why Debi Charan married to second wife Vidyawati? Vidyawati used to taunt her and Debi Charan. Vidyawati had developed illicit relation with Sabit and she (Ram Shree) had seen them with her own eyes. She had also seen Sabit and Mukaddar secretly. They used to visit her secretly. She had also seen her (Vidyawati) secretly in the room locked from inside. These persons used to come as soon as Ram Shree went out for latrine, etc. When she used to go for latrine, etc. Sabit and Mukaddar used to come to courtyard and bungalow and talk to Vidyawati and also used to lock themselves in a room. When she used to tell Vidyawati not to have illicit relationship with them, Vidyawati used to say that she will make her to taste the fruit. Vidyawati used to listen when she rebuked Vidyawati about this. She has denied the suggestion of the accused's counsel that when she reprimanded Vidyawati in this regard she used to say, of course it that she has also illicit relation with Debi Charan. She has further deposed that due to this enmity Vidyawati took away her box, etc. by robbing her. Before occurrence, all the accused persons had also committed robbery at her house ten years before the murder of her husband, in which she was assaulted by Ganasi, but no report was lodged. She has further deposed that after opening fire on her and after assaulting her

daughter and Debi Charan, the accused persons fled from there. She has further deposed that Ram Shankar has fired on her from a distance of only one step. She has further deposed that she had heard three rounds of fire in the courtyard below. She has further deposed that two shots were fired on terrace. Recently ten days back, she had gone to complain that the accused came to her house and threatened that they will throw acid on the witnesses, if they wold depose against them and also said that the witnesses would be killed like they killed her husband and acid would be poured in their eyes. She has further deposed that her blood stained clothes was taken by the Investigating Officer. She has denied the suggestion that Sabit and Mukkadar were falsely implicated due to disputes regarding road (Rasta). Nothing came in her cross-examination which makes her statement unreliable. The statement of PW-2 is corroborated by the first information report, post-mortem report and the injury reports. Therefore, her statement is liable to be relied on and learned lower court has rightly held that the deposition of PW-2 Ram Shree is trustworthy and liable to relied on.

31. The third eyewitness Arjun Lodh PW-3 is the servant of informant's brother Shrikant. This witness as PW-3 has stated on oath that he is living with Shrikant for 25 years. Lalji Prasad, Debi Charan and Shrikant are real brothers and they are living in the same house. He has also stated on oath that occurrence had taken place three years back in the midnight. He and Shrikant were sleeping in the courtyard in the Western side while Lalji Prasad and Debi Charan were sleeping in the Southern side of the same courtyard. Sharvan Kumari, Dinesh and Ram Shree were sleeping on the terrace and a lantern was burning in the South of courtyard. He woke up when he heard the shouting of Debi Charan and sound of shot of the firearm. He saw 5-6 men in the courtyard amongst them a man was covering his face, who was Shyam Bihari. Ram Shankar, Shyam Bihari, Gokaran, Jageshwar, Sabit and Mukaddar were along with him. Except Shyam Bihari, all the accused persons had opened their face. They were flashing their torches. Ram Shankar was armed with gun, Shyam Bihari was armed with a small country made gun, Gokaran was armed with country made pistol, Jageshwar and Mukaddar were armed with lathi and Sabit was armed with Bhali. When he got up, he heard the sound of firearm shot and found Lalji Prasad injured in the courtyard. Then all the accused persons climbed up on the roof. He and Debi Charan had followed them. Ram Shankar had opened fire on the injured Ram Shree and the rest accused had assaulted her with their respective weapons. He tried to save Sharavan Kumari and Debi Charan tried to save Ram Shree in which they also sustained injuries. They had recognized the accused in the flash of torches of the accused who were flashing their torches also on terrace. Meanwhile, Babu Ram and Sunder Lal came on their terrace, which was adjacent to the terrace of the informant, with flashing their torches. Thereafter, accused fled from there. In cross-examination, he has stated that he has two nephews and one brother. His house is situated in the north direction of Lalji's house leaving 10-20 houses. He used to sleep in the courtyard in night to keep eye on the animals. He woke up when he heard the sound of shot of firearm and shout of Debi Charan. When the accused persons climbed up on the terrace they had also followed them. He has further clarified that Ram Shree had sustained firearm and other injuries after their reaching on

terrace. He heard sound of two shots of fire on the terrace. When the fire was shot on Ram Shree, Debi Charan was behind. He has further clarified that they were not hitten by the shot of firearm. Debi Charan and Sharvan Kumari were also assaulted by Sabit and Mukaddar. He has denied the suggestion that he is giving evidence against the accused under the pressure of Ram Shree and police. He has also denied the suggestion of the accused's counsel that he had not seen the incident. From the perusal of the cross-examination, it transpires that the testimony of PW-3 Arjun Lodh was not challenged on the point that he was not sleeping in the courtyard to keep eyes on animals. His testimony was also not challenged that he was not servant of Shrikant, brother of the informant. His presence on the place of occurrence is unshaken. Nothing came in his cross-examination which makes his testimony unreliable. He has given a vivid description of the incident. The factum that accused were identified in the light of lantern and in the light of torch of the accused was not challenged in the cross-examination. Therefore, the testimony of this witness inspires confidence and is liable to be relied on and learned court below has rightly relied on the testimony of PW-2 Arjun Lodh. The testimony of this witness is corroborated by the testimony of injured witnesses PW1 Debi Charan, PW-2 Ram Shree and by the first information report, injury report of the injured and the post-mortem report of the deceased. Therefore, PWs 1, 2 and 3 are also reliable and their depositions can be relied on for recording conviction of the appellants.

32. It is proved by the deposition of Debi Charan PW-1 who has deposed that after the incident in the morning, he had gone to the police station along with village Chowkidar and written the Tehrir (Exhibit-Ka-1) outside the premises of police station and handed over it to the police for lodging of the first information report. Learned counsel for the defence has admitted the genuineness of the injury reports of Sharvan Kumari (Exhibit-Ka-2), PW-2 Ram Shree (Exhibit-Ka-3) and PW-1 Debi Charan (Exhibit-Ka4). It is also proved by the Sub-Inspector K.D Singh PW-5 that the chick report (Exhibit-Ka-5) was scribed by Raghunath Singh Head Constable in his absence on the basis of written Tehrir of informant Debi Charan and registered the after making entry in GD (Exhibit-Ka-6). He has also proved by secondary evidence that investigation of the case was taken up by Sub-Inspector Sardar Singh who had visited the place of occurrence and conducted the inquest proceedings of the deceased and had prepared the Panchayatnama (Exhibit-Ka-7), photo lash (Exhibit-Ka-8), challan lash (Exhibit-Ka-9), sample seal (Exhibit-Ka-10), letter to CMO (Exhibit-Ka-11). PW-5 Sub-Inspector K.D. Singh has also proved that Sub-Inspector Sardaar Singh had also collected Towel, piece of Kathari, baan of cot, blood-stained and simple soil from the place of occurrence and also took in possession the lady's blood stained Dhoti, four empty cartridges and two ticklies and sealed all the articles separately and prepared memo (Exhibit-Ka-12). Before the lower court, the sealed packet was also produced and opened in which there were baan of cot, piece of Kathari, Chadar and he proved it as Exhibit-1, the other sealed bundle containing lady's Dhoti was proved by him as Exhibit-2. The plain and blood stained soil taken from the place of occurrence sealed separately were also produced and proved as Exhibit-3, the empty cartridges and the ticklies were also produced in sealed packet and proved by Sub-Inspector K.D. Singh as Exhibit-4. All

these articles were taken into possession by Sub-Inspector Sardar Singh from the spot in respect of which memo (Exhibit-Ka-12) was prepared. The witness K.D. Singh has further stated that he took up the investigation and inspected the place of occurrence at the instance of Debi Charan and prepared the site-plan (Exhibit-Ka-13). He has also proved that Sub-Inspector Sardar Singh dispatched the dead body in a sealed cover by Constable Ram Prakash and village Chowkidar with police papers and he himself sent the injured Sharvan Kumari, Ram Shree and Debi Charan for medical examination by Constable Uday Narayanan to PHC, Dhaurahra on 07.07.1981. He has also proved that on 19.10.1981 he was transferred and later on the charge-sheet (Exhibit-Ka-14) and (Exhibit-Ka-15) were submitted by Sub-Inspector Laeeq Ahmed.

33. PW-6 Dr. Kamlesh Kumar has proved the post-mortem report of the deceased (Exhibit-Ka-16). He has also proved that 75 shots (pellets) were recovered from the dead body of the deceased which were sent in sealed cover to SSP, Kheri and proved it as Exhibit-5 and also proved blood stained Dhoti, Kurta, Jeneu which were found on the body of the deceased at the time of post-mortem. He has also proved the ante-mortem injuries of the deceased and the cause of death that the ante-mortem injury was caused by fire of firearm and Ballam which was sufficient to cause death in the ordinary course of nature. He has further proved that injury nos. 1 and 2 were caused by firearm and injury no.3 was caused by Ballam. The genuineness of injury report of injuries of Debi Charan, Sharvan Kumari and Ram Shree was admitted by learned counsel for the accused/appellants before the court below. Firearm injuries were found on the body of Ram Shree which was fired from a close range. The post-mortem report of the deceased also establishes that injury no.1 is entry wound, which was also fired from close range, and injury no.3 was caused by Ballam. The details of the injury report and post-mortem report are mentioned above, in the body of judgment. From the statement of Investigating Officer and Dr. Kamlesh Kumar (PW-6) and injury report of injured Debi Charan, Sharvan Kumari and Ram Shree, it is proved that they had sustained injuries in the incident in the manner as alleged by the prosecution. The post-mortem report shows that stomach of the deceased was found empty and fecal matters were found in the small and large intestine, which establishes that the occurrence has taken place more than four hours after taking dinner by the deceased. This fact also establishes that the occurrence has taken place at the time as alleged by the prosecution. The ocular testimony of the eyewitnesses Debi Charan, Ram Shree and Arjun Lodh is corroborated by the injury report of Debi Charan, Sharavan Kumari, Ram Shree, by the post-mortem report of deceased Lalji Prasad and is also corroborated by the version of FIR, therefore, detailed appreciation of the evidence proves that appellants Ram Shankar, Gokaran and Mukaddar (who died during the pendency of the appeal) along with Sabit, Jageshwar and Shyam Bihari in prosecution of common object of the unlawful assembly they had committed murder of the deceased Lalji and had caused injuries to Ram Shree, Devi Charan and Sharvan Kumari, therefore, the offence punishable under Sections 148, 302 I.P.C. read with Section 149 I.P.C. is proved beyond reasonable doubt against Sabit, Jageshwar and Shyam Bihari.

34. So far as the contention of learned counsel for the appellants that all the witnesses PW-1 Devi Charan, brother of the deceased, PW-2 Ram Shree, widow of

the deceased, and PW-3 Arjun Lodh, servant of brother of informant Shrikant are interested witness and no reliance can be placed upon their depositions is concerned, The Apex Court in ***Gangadhar Behera and Others vs. State of Orissa***, *reported in (2002) 8 SCC* has held as under:

".....Relationship is not a factor to affect credibility of a witness. It is more often than not that a relation would not conceal actual culprit and make allegations against an innocent person. Foundation has to be laid if plea of false implication is made. In such cases, the court has to adopt a careful approach and analyse evidence to find out whether it is cogent ad credible."

35. In ***Dalip Singh and Ors. v. The State of Punjab,*** *(AIR 1953 SC 364)*, it has been laid down as under:

"A witness is normally to be considered independent unless he or she springs from sources which are likely to be tainted and that usually means unless the witness has cause, such as enmity against the accused, to wish to implicate him falsely. Ordinarily a close relation would be the last to screen the real culprit and falsely implicate an innocent person. It is true, when feelings run high and there is personal cause for enmity, that there is a tendency to drag in an innocent person against whom a witness has a grudge along with the guilty, but foundation must be laid for such a criticism and the mere fact of relationship far from being a foundation is often a sure guarantee of truth. However, we are not attempting any sweeping generalization. Each case must be judged on its own facts. Our observations are only made to combat what is so often put forward in cases before us as a general rule of prudence. There is no such general rule. Each case must be limited to and be governed by its own facts."

36. The above decision has since been followed in ***Guli Chand and Ors. v. State of Rajasthan,*** *(1974 (3) SCC 698)* in which ***Vadivelu Thevar v. State of Madras***, *(AIR 1957 SC 614)* was also relied upon.

37. We may also observe that the ground that the witness being a close relative and consequently being a partisan witness, should not be relied upon, has no substance. This theory was repelled by this Court as early as in Dalip Singh's case (supra) in which surprise was expressed over the impression which prevailed in the minds of the Members of the Bar that relatives were not independent witnesses. Speaking through Vivian Bose, J. it was observed:

"We are unable to agree with the learned Judges of the High Court that the testimony of the two eyewitnesses requires corroboration. If the foundation for such an observation is based on the fact that the witnesses are women and that the fate of seven men hangs on their testimony, we know of no such rule. If it is grounded on the reason that they are closely related to the deceased we are unable to concur. This is a fallacy common to many criminal cases and one which another Bench of this Court endeavoured to dispel in "Rameshwar v. State of Rajasthan' (AIR 1952 SC 54 at p.59). We find, however, that it unfortunately still persists, if not in the judgments of the Courts, at any rate in the arguments of counsel."

38. Again in ***Masalti and Ors. v. State of U.P.,*** *(AIR 1965 SC 202)* this Court observed: (p, 209-210 para 14):-

"But it would, we think, be unreasonable to contend that evidence

given by witnesses should be discarded only on the ground that it is evidence of partisan or interested witnesses.....The mechanical rejection of such evidence on the sole ground that it is partisan would invariably lead to failure of justice. No hard and fast rule can be laid down as to how much evidence should be appreciated. Judicial approach has to be cautious in dealing with such evidence; but the plea that such evidence should be rejected because it is partisan cannot be accepted as correct. (emphasis supplied)

[38]. Our social system is changing at a rapid pace. In the present social scenario, people refrain from going to police stations and courts due to fear of insult and harassment. Generally, people avoid to become a witness of an incident for the simple reason that deposing against the a culprit involved in a crime would endanger their life. In the present social setup, it is least possible that a third person deposes against the culprit."

39. The Apex Court in ***Sandu Saran Singh v. State of Uttar Pradesh and Others,*** *reported in (2016) 4 SCC 357* has held as under:

"29. .....In these days, civilized people are generally insensitive to come forward to give any statement in respect of any criminal offence. Unless it is inevitable, people normally keep away from the Court as they feel it distressing and stressful. Though this kind of human behaviour is indeed unfortunate, but it is a normal phenomena. We cannot ignore this handicap of the investigating agency in discharging their duty. We cannot derail the entire case on the mere ground of absence of independent witness as long as the evidence of the eyewitness, though interested, is trustworthy."

40. In the wake of aforesaid, the prosecution has proved its case beyond reasonable doubt against the accused-appellants for offence punishable under Sections 302/149, 307/149, 148, 323/149 and Section 449 I.P.C. The learned lower court has rightly convicted and sentenced the appellants for the offences as mentioned above, according to law, which requires no interference.

41. Considering the overall facts and circumstances of the case, we are of the opinion that there is no illegality or perversity in the impugned judgment of conviction and order of sentence dated 27.06.1984 passed by learned Additional Sessions Judge, Court No.1, Lakhimpur Kheri in Sessions Trial No. 168 of 1984 (State of U.P. Vs. Ram Shanker and 4 others), arising out of Case Crime No. 146 of 1981, Police Station- Dhaurahra, District- Lakhimpur Kheri, whereby the accused-appellants have been convicted and sentenced to undergo R.I. for a term of one year under Section 148 I.P.C., R.I. for life under Section 302/149 I.P.C., R.I. for a term of seven years under Section 307/149 I.P.C., R.I. for a term of one month under Section 323/149 I.P.C. and R.I. for a term of eight years under Section 449 I.P.C. Consequently, the impugned judgment of conviction and order of sentence dated 27.06.1984 passed by learned Additional Sessions Judge, Court No.1, Lakhimpur Kheri is, hereby, upheld.

42. The instant criminal appeal in respect surviving appellant no.3- Jageshwar and appellant no.4- Sabit is, accordingly, ***dismissed.***

43. The appellants Jageshwar and Sabit are on bail. Their bail bonds and surety bonds are cancelled and the sureties are discharged. The lower court concerned shall cause them to be arrested and lodge in jail to serve out the remaining sentence awarded to them by court below.

44. Certify this judgment along with lower court record to the lower Court concerned immediately for information and necessary compliance.

(2023) 1 ILRA 598
APPELLATE JURISDICTION
CRIMINAL SIDE
DATED: LUCKNOW 12.01.2023

BEFORE

THE HON'BLE RAMESH SINHA, J.
THE HON'BLE MOHD. ASLAM, J.

Criminal Appeal No. 2735 of 2004

Amitabh Dixit ...Appellant
Versus
The State of U.P. ...Opposite Party

Counsel for the Appellant:
Sri Ram Chandra Singh, Sri Arun Sinha

Counsel for the Opposite Party:
G.A., Sri Bal Keshwar Srivastava, Hari Bux Singh, Sri Izhar Husain Siddiqui, Sri Upendra Kumar Awasthi, Sri Vijay Kishor Mishra

A. Criminal Law – Indian Penal Code ,1860– Section 302 – Murder – Appeal against conviction and Sentence – Fire arm injury were caused by pistol – Two empty cartridges of 315 bore were recovered from spot – Weapon was recovered at the point of accused-appellant – F.I.R. was lodged without delay – Lapse or negligent on the part of I.O., how far favour the accused – Held, lapse on the part of the Investigating Officer should not be taken in favour of the accused, may be that such lapse is committed designedly or because of negligence – High Court found the charges of offence punishable under Section 302 I.P.C. and 25 Arms Act proved beyond reasonable doubt. (Para 6, 9, 16, 31 and 38)

B. Criminal Law – Criminal Procedure Code,1973 – Section 374(2) – Scope – Duty of appellate court while hearing appeal – Explained – It is the duty of first appellate Court to make proper analysis of evidence and to consider whether trial court's assessment of evidence and its opinion regarding conviction deserve to be confirmed because the personal liberty of an accused is curtailed because of conviction. First appellate Court's concurrence with the trial court's view would be acceptable only if it is supported by reason. (Para 23)

C. Criminal Law – Criminal Procedure Code,1973 – Sections 161 & 162(2) – Statement, how far can be treated as the Dying Declaration – Held, St.ment of the deceased recorded under Section 161 Cr.P.C. can be treated as dying declaration as per provision of Section 162(2) Cr.P.C., if from the evidence on record it is proved that the St.ment under Section 161 Cr.P.C. is beyond suspicion – Dalip Singh's case relied upon. (Para 28 and 29)

D. Criminal trial – Criminal Procedure Code, 1973 – Section 293 – Expert report – Admissibility – Not calling the expert for cross examination – Effect – Held, the appellant had not called for the cross-examination of the expert, therefore, it will be presumed that the serological report is admitted to the appellant – Report of expert may be admitted as evidence without formal proof – Bhupinder's case relied upon. (Para 33 and 34)

E. Criminal trial – Interested witness – Reliability – Gangadhar Behera's case relied upon – Relationship is not a factor to affect credibility of a witness. It is more

often than not that a relation would not conceal actual culprit and make allegations against an innocent person. Foundation has to be laid if plea of false implication is made. In such cases, the court has to adopt a careful approach and analyse evidence to find out whether it is cogent ad credible.(Para 39)

Appeal dismissed. (E-1)

1. Heard Sri Arun Sinha, learned counsel for the appellant, Sri Vijay Kishor Mishra, learned counsel for the complainant and Smt. Smiti Sahay, learned Additional Government Advocate for the State/respondent.

2. This criminal appeal has been filed under Section 374(2) Cr.P.C. by the appellant/convict Amitabh Dixit against the impugned common judgment of conviction and order of sentence dated 16.12.2004 passed by Additional District & Sessions Judge, Fast Track Court No.4, Hardoi in Sessions Trial No.673 of 2003 (State Vs. Amitabh Dixit), arising out of Case Crime No.209 of 2003, under Sections 302/307 I.P.C., Police Station- Shahabad, District-Hardoi and Session Trial No. 674 of 2003 (State Vs. Amitabh Dixit), arising out of Case Crime No.266 of 2003, under Section 25 Arms Act, Police Station- Shahabad, District Hardoi, whereby the appellant was convicted for offence punishable under Section 302 I.P.C. and Section 25 Arms Act and was sentenced to undergo imprisonment for life along with fine of Rs.5000/- under Section 302 I.P.C. and further to undergo rigorous imprisonment for two years along with fine of Rs.500/- under Section 25 of Arms Act, in default of payment of fine, to undergo additional simple imprisonment for two years. All sentences were directed to run concurrently.

3. The brief facts necessary for disposal of this appeal are that the informant Kamal Kishore Dixit (PW-1) son of Late Moonga Ram Dixit, resident of Mohalla Budh Bazar, Police Station Shahabad, Hardoi lodged the FIR in Case Crime No.209 of 2003, under Sections 307, 302 I.P.C. on the basis of written Tahrir (Ex.Ka-1) on 25.5.2003 at 15:20 hrs. at Police Station- Shahabad, District Hardoi alleging therein that on 25.5.2003 at 02:45 hrs. his younger brother, Ram Kishore Dixit was returning home by bicycle after getting mustard oil extracted. The informant Kamal Kishore and his another brother Ram Pramod were also coming to home and they were 50 yards behind his brother Ram Kishore. When his brother Ram Kishore Dixit reached near the Mill of Parashuram near Mohallah Budh Bazar, accused Amitabh Dixit, son of Om Parkash Dixit, who was having enmity regarding the division of land property, opened fire at his brother Ram Kishore Dixit by a country made pistol with intention to kill

him. His brother Ram Kishore Dixit left his bicycle and ran towards them to save his life. Meanwhile, Amitabh Dixit fired another shot, till then his brother reached at the door of Ram Shankar Mishra. After chasing, Amitabh Dixit fired another shot by which his brother sustained injury. Witnesses Ramji Tiwari, son of Govind Prasad Tiwari, resident of Mohallah Holi Kalan town and Suresh Kumar Gupta, son of late Raghuwar Prasad Gupta who were passing by the place of incident witnessed the entire incident. On account of continuous firing by Amitabh Dixit on public road, the people around there were horrified. Ladies, gents and children entered into the house and locked their doors, by which the normal life near the place of occurrence, got disturbed, taking advantage of which accused fled from there. With the help of Ramji Tiwari and Suresh Kumar Gupta his injured brother Ram Kishore Dixit was taken to the Government Hospital Shahabad and informant went to the police station to lodge the F.I.R.

4. Head Moharrir, scribed the Chik Report No.71 of 2003 (Ex.Ka-5) under Section 307 I.P.C. at Police Station Shahabad on the basis of written *Tahrir* of informant and registered the Case Crime No.209 of 2003, under Section 307 I.P.C. by making necessary entry in GD report no.26 at 15:20 hrs. on 25.05.2003 (Ex.Ka-6) and investigation of the case was taken by SHO Shahabad, Inspector S.N. Singh PW-7. On 25.05.2003, he copied the Chik report in CD and recorded the statement of injured Ram Kishor Dixit under Section 161 Cr.P.C. (Ex.Ka-25), thereafter, he searched for the accused, but could not find him.

5. On the same day i.e. 25.05.2003 at 16:20 p.m. informant gave another written Tahrir (Ex.Ka-2) alleging therein that after lodging the FIR he had gone to the hospital to see his injured brother. By that time Ram Pramod, Suresh Kumar Gupta and Ramji Tiwari were also reached to the hospital. All of them searched a lot for doctors in hospital, but the doctors were not found, then they took the injured to private nursing home of Dr. Maya Parkash. His brother died before reaching to the clinic of Dr. Maya Parkash. He had taken the dead body of his brother to police station and kept it outside the gate of the police station. The substance of Ex.Ka-2 was entered in GD (Ex.Ka-7) vide Report No.27 at 16:20 hrs. on 25.05.2003 and Section 302 I.P.C. was added. The inquest of the dead body of the deceased was conducted by S.I. S.N. Singh on 25.05.2003. He appointed Naval Kishore Dixit, Suresh Kumar Gupta, Ram Promod, Ramji Tiwari and Kamlesh Gupta as witnesses of the inquest and prepared Panchayatnama (Ex.Ka-12), Challan Lash (Ex.Ka-13), Photo Nash (Ex.Ka-14), letter to CMO (Ex.Ka-15) and sealed the dead body, and prepared sample seal (Ex.Ka-16) and handed over the dead body to Constable Ujair Khan for carrying the dead body to mortuary for post-mortem.

6. On 25.05.2003, Investigating Officer S.N. Singh recorded the statements of injured Ram Kishore Dixit under Section 161 Cr.P.C. (Ex.Ka-25) at Primary Health Centre, Shahabad, and thereafter he recorded the statement of informant Kamal Kishore (PW-1) and inspected the place of occurrence and prepared the site plan (Ex.Ka-17) at the instance of informant. He also recovered two empty cartridges of 315 bore, one pair slipper, plain and blood stained soil, bicycle and cane of oil from which oil had flown on the road and prepared its memo (Ex.Ka-18) and sealed in presence of witnesses Vimlesh Singh and Rajeev Kumar Mishra. He also

prepared the memo of one pair slipper (Ex.Ka-19) and sealed it. He also prepared the supurdginama of bicycle and the container of oil (Ex.Ka-21) and given it in the custody of informant. On 26.05.2003, he recorded the statement of witnesses Rajeev Kumar Mishra, Vimlesh Singh, Ramji Tiwari and Suresh Kumar Gupta. He also recorded the statements Smt. Manju Dixit, wife of the deceased, Laxmi Kant Dixit, son of the deceased and witness Ram Promod.

7. The post-mortem of the deceased was conducted by Dr. J.L. Gautam (PW-5) on 26.05.2003 at 04:00 p.m. The age of the deceased Ram Kishore Dixit was found to be about 40 years, having average body built. Eyes and mouth were found open. Rigor mortis passed off from all over the body. Post-mortem staining was found present on the back and buttock. Abdomen was found distended. Following ante-mortem injuries were found on the body of the deceased:-

(i) firearm wound of entry 2 cm X 1.5 cm through and through present at the right side of abdomen 12 cm away from umbilicus at 10 o'clock, margins inverted, lacerated tattooing 15 cm X 15 cm around the wound present.

(ii) firearm wound of exit 3 cm X 2 cm present on the right back of L-2 level, margins everted, lacerated rapped communicating with injury no.1. Direction front to back towards right side.

(iii) firearm wound of entry 2 cm X 10 cm X through and through present on the left upper part of thigh near ASIS. Margins inverted and lacerated.

(iv) firearm wound of exit 3 cm X 2 cm present on the left thigh posterior aspect near lower part of gluteal region, margins everted , lacerated, communicated with injury no.3.

(v) gutter shaped firearm wound 5 cm X 1.5 cm X muscle deep present on left-hand on palmer part near middle of palm and wrist joint wound in wider on finger root side and tapper on wrist joint side margins inverted lacerated on wrist side.

femaral artery under injury no.3 is lacerated.

8. On internal examination, left chamber of the heart was found empty and right chamber was found full. Abdominal cavity was found containing 2 liters of clotted blood. Stomach was found lacerated and contains two ounce of pasty matter with clotted blood. Small and large intestine were found lacerated and loaded with faecal matter and gases. Liver was found lacerated, gallbladder was found half filled. Doctor opined that deceased died about one day before the post-mortem due to shock and hemorrhage as a result of antemortem injury. Dr. J.L. Gautam (PW-5) prepared the post-mortem report (Ex.Ka-8) in his own handwriting and sealed the clothes of deceased containing shirt, janeyu, underwear, angauchha and kalawa and send it to the Superintendent of Police.

9. On 05.06.2003, the Investigating Officer Inspector S.N. Singh PW-7 received Ropkar regarding surrender of accused Amitabh Dixit in the Court. On 06.06.2003, he recorded the statement of accused Amitabh Dixit in District Jail, Hardoi with the permission of the court wherein he had given disclosure statement that he had concealed the weapon used in the murder of deceased to which he could

get recovered. Thereafter, Investigating Officer applied for police custody of the accused which was allowed, and thereafter, he had taken the accused in police custody. On 11.06.2003 the Investigating Officer recovered the alleged weapon along with two cartridges used by the accused in the murder of deceased at the pointing out of the accused-appellant in presence of witnesses Chhedalal Verma, Ram Vilas Verma and Sanjay and prepared its recovery memo (Ex.Ka-23) and sealed it. He also recorded the statements of witnesses of recovery of country made pistol of 315 bore along with two empty cartridges.

10. On the basis of recovery memo (Ex.Ka-23), the Chik report no. 80 of 2003 (Ex.Ka-3) was scribed by Constable Ram Pratap on 12.6.2003 at 8:30 a.m. and by making necessary entry in GD (Ex.Ka-4) report no.16 at 8:30 a.m. on 12.6.2003 registered the Case Crime No.266 of 2003, under Section 3/25 Arms Act.

11. The investigation of the case under Section 3/25 Arms Act was entrusted to S.I. Ikrar Hussain PW-6 who had recorded the statement of witnesses and prepared the site-plan (Ex.Ka-9) at the instance of recovery officer Inspector S.N. Singh (PW-7). He also obtained sanction for prosecution from the then District Magistrate, Hardoi (Ex.Ka-10) on 04.07.2003 and submitted the charge-sheet (Ex.Ka-11) against accused Amitabh Dixit under Section 3/25 Arms Act.

12. Following articles i.e. (1) Pair of Slipper, (2) blood-stained soil, (3) Pants, (4) shirts, (5) underwear, (6) Scarf, (7) Janeu and (8) Raksha (Kalawa) were sent to the forensic science laboratory by the Investigating Officer, Inspector S.N. Singh for forensic examination regarding which report dated 24.9.2003 (Ex.Ka-26) was received wherein blood was found on the large parts of item nos. 1 to 8. Largest spot of blood was found on item nos. 4 to 6 having length of 50, 20 and 40 cm, respectively. Human blood was found on the item nos. 1 to 8. The two empty cartridges of 315 bore recovered from the place of occurrence and the country made pistol recovered from the accused were sent to Forensic Science Laboratory, Lucknow regarding which report dated 13.10.2003 (Ex.Ka-27) was received where the empty cartridges recovered from the place of occurrence was marked as EC-1 and EC-2, respectively, and two test cartridges TC1 and TC2 were fired from the country made pistol of 315 bore allegedly recovered from the appellant-accused and their marks on the cape of the cartridges were compared from the microscope and found that the EC1 & EC2 and TC1 and TC2 were fired from the same country made pistol of 315 bore allegedly recovered from the accused. After investigation, Inspector S.N. Singh (PW-7) submitted the charge-sheet in Case Crime No.209 of 2003, under Sections 307/302 IPC (Ex.Ka.24).

13. The cognizance of the offence punishable under Section 307/302 IPC against the accused-appellant was taken on 14th July, 2003 by the Chief Judicial Magistrate. The cognizance of offence punishable under Section 3/25 Arms Act against the accused-appellant was also taken on 14.07.2003. Both the charge-sheets were arising out of the same occurrence, therefore, both the cases were committed by the Chief Judicial Magistrate, Hardoi after complying the provision of Section 207 Cr.P.C. to the court of sessions for trial. The case arising out of Case Crime No.209 of 2003, under

Section 307/302 IPC was registered as Sessions Trial No.673 of 2003 (State of UP vs. Amitabh Dixit) and the case arising out of Case Crime No.266 of 2005, under Section 3/25 Arms Act was registered as Sessions Trial No. 674 of 2003 (State of UP vs. Amitabh Dixit).

14. These Sessions trial were later transferred to the Additional Sessions Judge, Fast Track Court No.4, Hardoi for trial. Learned Additional Sessions Judge, Fast Track Court No.4, Hardoi framed the charges of offence punishable under Section 302 I.P.C. and Section 25 Arms Act against the accused-appellant Amitabh Dixit on 07.01.2004. The appellant/accused Amitabh Dixit has pleaded not guilty and claimed to be tried.

15. Both the Sessions trial were consolidated for trial because they were related to the same transaction and the Sessions Trial No. 673 of 2003 (State vs. Amitabh Dixit) under Section 302 IPC was treated as leading case.

16. In order to prove its case, the prosecution has examined informant Kamal Kishore as PW-1 and Ramji Tiwari as PW-2 an eyewitness of the incident. The informant proved the written Tahrir (Ex.Ka-1), information of death of the deceased (Ex.Ka-2). As formal witness, the prosecution examined Constable Ram Pratap as PW-3 to prove chik report of Arms Act (Ex.Ka-3), GD registering the case under Section 3/25 Arms Act (Ex.Ka-4) and by secondary evidence he proved the chick report of FIR No.71 of 2003, under Section 307 IPC (Ex.Ka-5), GD registering the case (Ex.Ka-6) and GD report no. 27 dated 25.05.2003 (Ex.Ka-7) by which the Section 302 IPC was added. Prosecution also examined Chheda Lal as PW-4 to prove the recovery of country made pistol of 315 bore along with two live cartridges from the accused-appellant during police custody remand. The prosecution examined Dr. J.L. Gautam as PW-5 to prove the post-mortem report (Ex.Ka-8). The prosecution examined S.I Iqrar Hussain as PW-6 to prove the steps taken in investigation of case under Section 3/25 Arms Act and to prove site plan (Ex.Ka-9), sanction for prosecution (Ex.Ka-10) and the charge-sheet submitted under Section 3/25 Arms Act (Ex.Ka-11). The prosecution also examined the Investigating Officer Inspector S.N. Singh as PW-7 to prove the steps taken in investigation of the murder of the deceased and recovery of country made pistol of 315 bore and two live cartridges from the place of occurrence. On 25.05.2003, he copied the chik report and GD registering the case and recorded the statement of informant Kamal Kishore PW-1 and on the same day he had gone to Primary Health Centre, Shahabad immediately and recorded the statement of injured Ram Kishore Dixit (Ex.Ka-25) who had supported the prosecution case. He also proved that the inquest of dead body of the deceased was conducted by S.I. Siyaram who prepared the Panchayatnama (Ex.Ka-12), Chalan lash, (Ex.Ka-13), photo Nash (Ex.Ka-14), letter to CMO (Ex.Ka-15), and sealed the dead body and prepared sample seal (Ex.Ka-16) and sent the dead body to mortuary for post-mortem in his presence. He was also examined to prove that he had taken two empty cartridges of 315 bore which was recovered from the place of occurrence and sealed them and prepared memo (Ex.Ka-18) in presence of witnesses Vimlesh Singh and Rajiv Kumar Mishra, memo of taking a pair of slipper from the place of occurrence and sealed it and prepared memo (Ex.Ka-19), he had also taken plain soil and blood stained soil and

sealed them into two containers and prepared memo (Ex.Ka-20) and had taken in possession the bicycle of the deceased and prepared supurdaginama (Ex.Ka-21) and given in custody of informant. He was also examined to prove the site plan (Ex.Ka-17). He was also examined on the point of recovery of country-made pistol of 315 bore along with two cartridges in the presence of witnesses Chhedalal Verma and Sanjay Mishra on 12.6.2003 at about 06:45 hrs. during police custody remand from the appellant/accused and prepared its memo (Ex.Ka-23). He also produced the two empty cartridges recovered from the place of occurrence as Material-Ex-1 and country-made pistol of 315 bore which was recovered from the possession of appellant/accused during police custody remand (Material-Ex-2) and two live cartridges (Material-Ex-3 & 4). He also proved two test cartridges (Material-Ex-5 & 6). He also proved the charge-sheet of Case Crime No.209 of 2003, under Section 307/302 IPC (Ex.Ka-24). The prosecution also tendered the ballistic report of Forensic Science Laboratory (Ex.Ka-27) and the report of serological expert (Ex.Ka-26) and the prosecution closed its evidence.

17. Statement of the appellant/accused under Section 313 Cr.P.C. was recorded wherein he admitted that there was enmity with the family of the deceased regarding division of land property. He denied the allegation of the prosecution and stated that he was falsely implicated by the prosecution, but he did not produce any evidence in his defence.

18. Learned trial court having heard the arguments of learned ADGC for the State and learned counsel for the appellant/accused and going through the record has held that the FIR was lodged promptly and the presence of witnesses informant Kamal Kishore (PW-1) and Ramji Tiwari (PW-2) is proved beyond reasonable doubt. It is also held that although they are related to the deceased, but on the ground of relatives of the deceased their testimony cannot be disbelieved. It is further held that the testimony of the related witness requires close scrutiny. After scrutinizing their testimonies, learned trial court has held that their testimonies are natural and inspire confidence which are corroborated by the FIR, post-mortem report and ballistic expert report. It is further held that the charges of offence punishable under Section 302 IPC and Section 25 Arms Act are proved beyond reasonable doubt against the appellant and recorded the finding that appellant/accused is guilty of murder of the deceased Ram Kishore Dixit and a country made pistol along with two cartridges were recovered from him and sentenced him as above. Feeling aggrieved by the impugned judgment of conviction and order of sentence, the convict/appellant Amitabh Dixit has filed this appeal.

19. It is submitted by learned counsel for the appellant that the FIR was lodged anti-timed after concoction and due deliberation after the death of the deceased. It is further submitted that the FIR under Section 307 is not lodged at 15:20 p.m. on 25.05.2003 as alleged by the prosecution, but it was lodged after the death of the deceased and till the preparation of the inquest report FIR was not lodged and the first information report as being ante-timed only to show false prosecution story and for naming false witnesses in the first information report. It is further submitted that the inquest report shows that the alleged eyewitnesses named in the FIR have been mentioned as inquest witnesses and for eyewitnesses, namely, Kamal

Kishore (wrongly mentioned in inquest report as Nawal Kishore signed in the inquest report as Kamal Kishore), Ram Promod and Ramji Tiwari were shown as witnesses of the inquest also. It is also submitted that perusal of the inquest report shows that the inquest report has not been prepared/written by one person, but some writings are in the handwriting of different persons. It is further submitted that the GD report number regarding reporting of the death of the deceased was left blank which shows that FIR was not in existence at the time of inquest proceeding. It is further submitted that in the inquest report it was mentioned that the information regarding death of the deceased was given by some Nawal Kishore and not by the informant. It is further submitted that the GD report number regarding death of the deceased was purposely left blank in the inquest so that FIR can be lodged ante-timed to accommodate the inquest proceeding by filling in the blanks of GD report number regarding reporting of death of the deceased, but Sub-Inspector conducting the inquest report forgotten to fill up the GD report number regarding reporting of death of the deceased. It is submitted that it establishes that the FIR was lodged after the death of the deceased to falsely implicate the appellant Amitabh Dixit. It is further submitted that not only in the inquest report but also in other police papers allegedly prepared at the time of the inquest i.e. Challan lash etc. It is further submitted that it is apparent that FIR was not in existence at the time of inquest proceeding and incorrect entries in GD report and inquest proceeding. It is further submitted that police paper no.30 challan lash shows that the name of the deceased has been written by different person in different handwriting and other details have been written by some other person. It is further submitted that informant PW-1 Kamal Kishore has admitted in his examination-in-chief that his brother has died at 03:20 p.m. It is also submitted that the first information report under Section 307 IPC is ante-timed and the statement of the deceased under Section 161 Cr.P.C. was fabricated by the Investigating Officer S.N. Singh. It is further submitted that the informant PW-1 has stated that after the death of his brother, he with the help of others brought the dead body of the deceased to the police station and kept it outside the gate, but inquest report shows that the dead body was found by SI Siyaram in the premises of newly constructed Munsif court, Shahabad, which casts doubt on the prosecution case. It is further submitted that the informant has deposed in his statement before the court that the first fire from country made pistol was shot by Amitabh Dixit which hit at the hand of his brother and thereupon his brother ran towards them, thereupon, the second fire was shot by the appellant which hit at the left leg of his brother. It is further submitted that the informant has admitted that after sustaining injury by the first shot fired, his brother left the bicycle there and ran towards them. It is further submitted that the informant has also admitted that his brother Ramji Kishore fell in front of the door of Ram Shankar, meanwhile, appellant Amitabh Dixit shot third fire which hit at the right side of chest of his brother. It is further submitted that the deposition of the informant Kamal Kishore as PW-1 shows that the fire was made from the back side of the deceased which is inconsistent with the injury shown in the post-mortem report, therefore, it appears that the informant was not present at the place of occurrence and had not witnessed the occurrence. It is further submitted that learned trial court has wrongly relied on the

testimony of the informant PW-1. It is further submitted that the witness Ramji Tiwari PW-2 has admitted that the name of his father is Govind Prasad Tiwari. The sister of Govind Prasad Tiwari, namely, Smt. Saraswati was married to Moonga Ram, who is father of the deceased, informant Kamal Kishore Dixit and Ram Promod. It is further submitted that the alleged eyewitnesses, informant PW1 Kamal Kishore and Ramji Tiwari are related to the deceased and there is contradiction in their testimonies, therefore, no reliance can be placed on their testimonies, but learned trial court has wrongly relied on their testimonies. It is further submitted that witness Ramji Tiwari has made improvement in his statement so that injuries mentioned in post-mortem report may corroborate the prosecution case. The PW-2 Ramji Tiwari is an Advocate practicing at Shahabad and he has purposely made improvement in his statement before the trial court because he was well aware as to how he can improve his statement before the court so that the same can be corroborated from the FIR and post-mortem report and can be relied on. It is further submitted that informant PW-1 in his cross-examination has admitted that in his presence no one had touched his injured brother at the place of occurrence and he had also not touched his brother and left for police station to lodge the report, which is an unnatural conduct of the informant which also makes his presence at the place of occurrence doubtful and, therefore, no reliance can be placed on his testimony. It is further submitted that the alleged incident has taken place in public at large, but no independent witness has been examined by the prosecution, therefore, no conviction can be recorded merely on the basis of the testimonies of the interested witness. It is further submitted that in above circumstances the prosecution has miserably failed to prove its case beyond doubt for the charges of offence punishable under Section 302 IPC and 25 Arms Act. Therefore, the impugned judgment and order of conviction is liable to be set-aside and the accused-appellant may be acquitted.

20. It is submitted by learned A.G.A. that the occurrence has taken place on 25.05.2003 at 02:45 p.m. regarding which FIR was lodged on the same day at 15:20 p.m. The chick report (Ex.Ka-5) which is proved by the Constable/Clerk PW-3 Ram Pratap by his secondary evidence deposing that chik FIR was scribed by Head Moharrir Hemraj in whose handwriting he is acquainted with. This fact that the chik report was scribed by Head Moharrir Hemraj was not challenged by the learned counsel for appellant/accused in his cross-examination before the trial court. It is further submitted that the place of occurrence from the police station is shown to be one and half kilometers away and this fact was also not challenged before the trial court. It is further submitted that the PW-1 Kamal Kishore in his deposition has stated that after the occurrence he had gone to police station by rickshaw and handed over the Tahrir at Police Station, Shahabad. It is also submitted that the informant further deposed that he scribed the Tahrir in his own handwriting and under his signature. It is further submitted that PW-1 Kamal Kishore has further deposed that Daroga ji met him at the police station and the deceased has died at about 03:30 p.m. on 25.5.2003 in hospital regarding which he has given Tahrir (Ex.Ka-2) to police station Shahabad in his own handwriting. He has further stated that he has given the information regarding death of his brother. It is further submitted that PW-1 Kamal

Kishore has stated that by mistake he in his statement has said that his brother died at 03:30 p.m. It is further submitted that PW-1 Kamal Kishore has deposed that police station is about 2 km away from the place of occurrence. It is further submitted that PW-1 Kamal Kishore has further stated in his statement before the court that he neither has picked up Ram Kishore nor has taken him to the hospital or police station, but he immediately proceeded to the police station to lodge the FIR. It is further submitted that PW-1 Kamal Kishore has deposed that he has told before lodging of the FIR to Daroga Ji that his brother Ram Kishore has sustained three firearm injuries, and thereafter, Daroga Ji had gone to PHC, Shahabad and found Ram Kishore present and recorded his statement. PW-1 Kamal Kishore has further deposed that the copy of the FIR was given to him on the same day in evening. It is further submitted that in this incident the real younger brother of the informant was murdered, his mental condition can also be adjudged on his deposition that the dead body was sealed in hospital. Meaning thereby, as per the statement of this witness the inquest proceeding was conducted at district hospital. It is further submitted by learned AGA that he was shown as witness of the inquest, but he has stated that he had not signed on the Panchayatnama which shows that he was in shock with the incident and had even lost his mental equilibrium at the time of recording of his statement as eyewitness, so such type of contradiction has occurred in his statement. It is also submitted that so far as the conduct of this witness is concerned regarding not picking up his injured brother and going to police station does not make his statement unreliable because the conduct depends upon his mental condition. It is further submitted that it cannot be said that informant had not lodged the FIR at 15:20 p.m. at police station Shahabad. It is further submitted that it cannot be said that the FIR is ante-timed. It is also submitted that the post-mortem of the deceased was conducted at 04:00 p.m. on 26.5.2003 and post-mortem report was prepared by PW-5 Dr. J.L. Gautam who has deposed as PW-5 that the deceased died on 25.5.2003 at about 3-4 p.m. It is further submitted that at the time of post-mortem two ounce of pasty matter with clotted blood was found in stomach, meaning thereby, the occurrence has taken place about 2-3 hours after taking lunch, therefore, it cannot be said that the deceased had sustained injury in night in robbery committed by unknown persons. It is further submitted by learned AGA that PW-1 Kamal Kishore had denied the suggestion of learned counsel for appellant/accused before the trial court that the deceased Ram Kishore was looted at a lonely place in the darkness of the night. It is further submitted that in the present case the FIR was lodged promptly, therefore, it will rule out any sort of concoctions and deliberations for falsely implicating the appellant. It is further submitted by learned AGA that from the statement of PW-7 Inspector S.N. Singh, it is proved that the investigation was started on the same day after lodging of the FIR without delay. It is also submitted that PW-7 S.N. Singh has deposed that informant had come alone to lodge FIR. It is further submitted that these circumstances also rule out the chances of concoction and false implication of the accused. It is also submitted that from the statement of PW-7, it is also apparent that there was some delay in forwarding the FIR to Circle Officer of the police and court having jurisdiction by itself, which cannot be said that the FIR is ante-timed and the learned A.G.A. has placed reliance on the law laid down by the Apex Court in ***State***

of Punjab versus Hakam Singh, *reported in (2005) SCC 408* wherein it is held that the delay in sending the copy to the area Magistrate is not material where FIR is shown to have been lodged promptly and investigation has started on its basis. It is also submitted that even if there is delay in lodging the FIR and the delay is not material in the event prosecution has given cogent and reasonable explanation for delay and has relied on the law laid down by the Apex Court in ***Ashok Kumar Chaudhari Vs. State of Bihar,*** *2008 (61) ACC 1972 (SC)* wherein it is held that even if there is delay in lodging the FIR and causes are not attributable to any effort to concoct a version and the delay is satisfactorily explained by the prosecution, no consequence shall be attached to mere delay in lodging the FIR and the delay would not adversely affect the case of the prosecution. The delay caused in sending the copy of FIR to Magistrate having jurisdiction would be also immaterial if the prosecution has proved its case by reliable evidence. It is further submitted that the witness PW-7 Inspector S.N. Singh has stated in his statement that 10 minutes time were taken by Constable Moharrir Hemraj in scribing the chik FIR and GD registering the case, and thereafter, he took the copy of the same and proceeded to PHC, Shahabad, which is about 200-300 meters away from the police station where he found Ram Kishore and the person accompanying the injured were searching for doctor. It is further submitted that PW-7 has recorded the statement under Section 161 Cr.P.C. of the injured Ram Kishore, and thereafter, injured was taken to private nursing home for treatment. It is further submitted that Ram Kishore has died on the same day at about 03:30-03:45 p.m. as a result of injuries sustained in the incident, therefore, his statement under Section 161 Cr.P.C. will be treated as dying declaration according to sub-section (2) of Section 162 Cr.P.C. It is further submitted that the statement under Section 161 Cr.P.C. of the deceased was proved by I.O. PW-7 Inspector S.N. Singh as (Ex.Ka-25) in which he has supported the version of FIR. It is further submitted that FIR is supported by dying declaration and also by informant-eyewitness PW-1 Kamal Kishore and eyewitness PW-2 Ramji Tiwari whose presence at the place of occurrence could not be shaken in cross-examination, who have given vivid description of the incident which is corroborated by the FIR and post-mortem report. Therefore, their testimonies are liable to be relied on and he has relied on the law laid down by this Court in ***Om Prakash and Ors. v. State***, *reported in 1995 ALL. L. J. 1210*. It is also submitted that two empty cartridges of 315 bore were recovered from the place of occurrence by the Investigating Officer, who prepared the memo (Ex.Ka-18) and has proved it as PW-7. Investigating Officer Shyam Nath Singh also came to know that accused has surrendered before the court on receiving Robkar and with the permission of the court he interrogated the appellant/accused Amitabh Dixit on 6.6.2003 and recorded his statement wherein he has disclosed that the weapon used in the murder of Ram Kishore was concealed by him after committing murder to which he is ready to get recovered. Thereafter, he was taken in police custody by the order of court on 11.6.2003 and on 12.6.2003 he was taken to the place at the tube-well near Kabristan by following him and came down in the well of the tube-well in presence of witnesses PW-3 Chhedalal Verma and Sanjay Mishra and came out with black polythene from which a country made pistol of 315 bore in running condition along with two live cartridges were taken

out. He also proved that the country made pistol of 315 bore and two cartridges of 315 bore were recovered from the possession of the appellant. He also proved that he had prepared the recovery memo of the same (Ex.Ka-23) and sealed the pistol of 315 bore and two cartridges in presence of witnesses Chhedalal Varma and Sanjay Mishra. The recovery of the pistol of 315 bore and two cartridges from the appellant was also proved by witness PW-4 who has proved that the recovery of the same was made before him and he signed on the same. Although he was declared hostile on the point of giving of the copy of the recovery memo to the appellant and signing of the appellant on recovery memo regarding receipt of copy of recovery memo. It is further submitted that statement of PW4 Chhedalal and PW7 Inspector S.N. Singh remained unshaken on the point of recovery of pistol 315 bore and two live cartridges of 315 bore. It is further submitted by learned A.G.A. that PW-7 Inspector S.N. Singh has also proved that he had send the empty cartridges recovered from the place of occurrence and the pistol along with cartridges recovered at the pointing out of the appellant/accused to forensic science laboratory. The ballistic report dated 13.10.2003 (Ex.Ka.-27) was tendered by the prosecution which proves that the empty cartridges recovered from the place of occurrence were fired by the pistol of 315 bore recovered at the instance of appellant/accused during police custody remand. It is also submitted that PW-7 Inspector S.N. Singh has also produced a sealed bundle containing two empty cartridges of 315 bore marked as EC (examined cartridge) and the other TC (tests cartridge) before the trial court. The EC cartridge was exhibited as Material.Ex.Ka-1 and TC cartridge was exhibited as Material.Ex.Ka-3. From the same bundle a country made pistol of 315 bore was also found. It is also proved by the PW-7 S.N. Singh that it was the same pistol which was recovered at the pointing out of the accused which was exhibited as Material-Ex.Ka-2. The two live cartridges were also produced before the trial court which was recovered along with pistol at the pointing out of the appellant during police custody remand and the same was exhibited as Material.Ex.Ka-4 & 5. It is further submitted that PW-6 Sub-Inspector Ikrar Hussain has proved the steps taken in investigation of the case under Section 25 Arms Act and has proved the site plan (Ex.Ka.9), sanction for prosecution (Ex.Ka-10) and the charge-sheet submitted under Section 3/25 Arms Act (Ex.Ka-11). It is further submitted that witnesses PW-1 Kamal Kishore and PW-2 Ramji Tiwari are related witness. Learned trial court has scrutinized their depositions with great care and caution and found that their statements are reliable which does not suffer from any infirmity. It is further submitted that learned trial court on the basis of evidence available on record has recorded the finding that the charges of offence punishable under Sections 302 IPC and 25 Arms Act are proved beyond reasonable doubt against the appellant which is according to law and has rightly convicted and sentenced the accused-appellant by the impugned judgment and order which requires no interference. In view of above, the instant appeal is liable to be dismissed.

21. Having considered the rival contentions raised by learned counsel for the appellant as well as learned AGA and gone through the record including the impugned judgment and order of the trial court, we find it pertinent to mention the law governing for hearing of the criminal appeal. The Apex Court in ***Bakshish Ram***

and Another versus State of Punjab, reported in AIR 2013 SC 1484: 2013 AIR SCW 14 in paragraphs 10 and 11 has observed as follows:

"10. The High Court, as a First Court of appeals, on facts must apply its independent mind and record its own finding on the basis of its own assessment of evidence. Mere reproduction of the assessment of the trial Court may not be sufficient and in absence of independent assessment by High Court, its ultimate decision cannot be sustained. The same view has been reiterated by this court in ***Shankar Singh and others versus State of Haryana*** *[(2004) 11 SCC 291: (AIR 2004 SC 2570:2004 AIR SCW 2388)].*

11. In ***Arun Kumar Sharma versus State of Bihar*** *[(2010) 1 SCC 108: (AIR SC (Supp) 2882:2009 AIR SCW)], while reiterating the above view, this court held that in its appellate jurisdiction all the facts were open to High Court and, therefore, the High Court was expected to go deep into the evidence and, more particularly, the record as also the proved documents, contrary to above principle, we are satisfied that in the case on hand, the High Court failed to delve deep into the regard of the case and the evidence of witnesses. The role of the Appellant Court in the criminal appeal is extremely important and all questions of fact are open before the appellate Court. The said recourse has not been adopted by the High Court while confirming the judgment of the trial court."*

22. The Apex Court in ***Majjal versus State of Haryana***, *reported in (2013) 6 SCC 798* (Three Judges Bench) has observed regarding duty of appellate court while dealing with the appeal under Section 386 Cr.P.C. and has observed in paragraphs 6 & 7 as follows:

"6. In this case what strikes us is the cryptic nature of the High Court's observation on the merit of the case. The High Court is set out the facts in detail. It has mentioned in the name and number of prosecution witnesses. Particular of all documents produced in the court along with their exhibit numbers have been mentioned. Gist of the trial court's observation and findings are set out in a long paragraph. Then there is a reference to the arguments advanced by the counsel. Thereafter, without any proper analysis of the evidence almost in a summary way the High Court has dismissed the appeal. The High Court's cryptic reasoning is contained in two short paragraphs. We find such disposal of criminal appeal by High Court particularly in a case involving charge under Section 302 IPC where the accused is sentenced to life imprisonment unsatisfactorily.

7. It was necessary for the High Court to consider whether the trial court's assessment of the evidence and its opinion that the appellant must be convicted deserves to be confirmed. This exercise is necessary because the personal liberty of an accused is curtailed because of the conviction. The High Court must state its reason why it is accepting the evidence on record. High Court's concurrence with the trial courts view would be acceptable only if it is supported by reasons. In such appeals it is a court of first appeal. Reasons cannot be cryptic. By this, we do not mean that the High Court is expected to write and unduly long treatise. The judgment may be short but must reflect proper application of mind to vital evidence and important submissions which

go to the root of the matter. Since this exercise is not conducted by the High Court, the appeal deserves to be remanded for a fresh hearing after setting aside the impugned order."

23. The principle emerges for deciding the criminal appeal from the ratio of above mentioned rulings of the Apex Court is that it is the duty of first appellate Court to make proper analysis of evidence and to consider whether trial court's assessment of evidence and its opinion regarding conviction deserve to be confirmed because the personal liberty of an accused is curtailed because of conviction. First appellate Court's concurrence with the trial court's view would be acceptable only if it is supported by reason. Judgment may be short but must reflect proper application of mind to vital evidence and important submissions which go to the root of the matter.

24. In this appeal the informant PW-1 Kamal Kishore Dixit and witness PW-2 Ramji Tiwari are the eyewitnesses of the incident. PW-1 is the real brother of the deceased and PW-2 is a close relative of the deceased. PW-1 has admitted in his cross-examination that Moonga Ram is his father and Govind Prasad is brother-in-law (Saala) of his father and witness PW-2 Ramji Tiwari is the son of Govind Prasad.

25. The informant PW-1 Kamal Kishore Dixit has deposed that the incident took place on 25.05.2003 at 02:45 p.m. The accused Amitabh Dixit a resident of his locality belongs to his family pedigree. There was a dispute between them before the incident regarding partition of land property. He has further deposed that on 25.05.2003 at 02:45 p.m. his brother Ram Kishore Dixit had gone to Mohallah Chowk to get mustard oil extracted and while he was returning back to home on bicycle, he and his another brother Ram Pramod were also coming to home from the market and they were 50 yards behind the deceased and when his brother Ram Kishore reached near the Mill of Parashuram at Budh Bazar, the accused armed with country made pistol of 315 bore came and opened fire on his brother Ram Kishore which hit at his left hand and his brother sustained injury. Then, his brother Ram Kishore ran towards them. On this, appellant Amitabh Dixit followed his brother and again opened fire upon him from about 8-9 paces away behind his brother and again appellant fired another shot which hit in the left leg of his brother. Thereafter, his brother (deceased) in order to save his life tried to enter into the house of Ram Shankar, but the door was closed. Till then appellant accused again opened fire which hit on the right side of chest of his brother (deceased) due to which he fell down. The witnesses PW-2 Ramji Tiwari, Suresh Chandra Gupta and several other persons reached there and challenged the appellant, then the appellant fled from there. Then he went to the police station on rickshaw to lodge the FIR and got the FIR registered on the basis of written Tahrir which was scribed in his own writing and under his signature. After the incident, the Investigating Officer PW-7 S.N. Singh recorded his statement. Later on, the deceased died on the same day, i.e., 25.05.2003 at 03:30 p.m., and thereafter, the informant had given another written Tahrir (Ex.Ka-2) in his own handwriting regarding death of his brother Ram Kishore. The informant has further deposed that prior to the incident the deceased had given an application to the Chowki In-charge, Sardarganj, Shahabad regarding demolition of wall by the accused-appellant

and his associates, carbon copy of which was filed before the trial court which bears the signature of the deceased Ram Kishore.

26 . So far as the submission of learned counsel for the appellant that the dying declaration is not believable because PW-1 Kamal Kishore has admitted in his statement before the court that the deceased has died at 03:30 p.m. on 25.05.2005 and the FIR was lodged at 03:20 p.m. on the basis of written Tahrir (Ex.Ka-1 & Ka-2) at the same time, so the dying declaration can be accommodated.

27. In this regard, we have gone through the deposition of PW-1 Kamal Kishore and PW-7 Inspector S.N. Singh. The informant PW1 has stated before the court that the occurrence has taken place at 02:45 p.m. The chik report no. 71 of 2003 was scribed by Head Moharrir Hemraj on 25.05.2003 at 15:20 p.m. He has deposed that he had left the place of occurrence immediately and had gone to police station to lodge the FIR on rickshaw. The witness PW-3 Constable Ram Pratap by secondary evidence has stated that the chik report under Section 307 IPC (Ex.Ka-5) was scribed by Head Moharrir Hemraj at 15:20 p.m. on 25.05.2003 at police station Shahabad and by making entry in GD report no.26 (Ex.Ka-6) on 25.05.2003 at 15:20 p.m., the Case Crime No. 209 of 2003, under Section 307 IPC was registered. PW-3 Constable Ram Pratap has proved the Ex.Ka-5 and Ex.Ka-6 by secondary evidence. The Investigating Officer PW-7 S.N. Singh has deposed that the case was registered in his presence at the police station. He has further deposed that Head Moharrir Hemraj had scribed the chik report (Ex.Ka-5) and GD registering the case (Ex.Ka-6) within 10 minutes, and thereafter, he had taken the copy of chik report and GD registering the case and proceeded to PHC, Shahabad which is about 200-300 meters away from the police station and recorded the statement of the injrued Ram Kishore under Section 161 Cr.P.C. The witness PW-1 Kamal Kishore has stated in his statement that Daroga Ji had recorded his statement at the police station and later on Daroga Ji had recorded the statement of Ram Kishore at PHC, Shahabad. He has further stated that on reaching the police station he had told Daroga Ji that three shots were fired at his brother which hit him and he is at PHC, Shahabad. He has further deposed that Daroga Ji took him to PHC, Shahabad. Moreover, the report number of GD wherein information of the death was received was left blank in panchayatnama. Therefore, from above discussion it is proved that the FIR was lodged at 15:20 p.m. on 25.05.2003 at Police Station Shahabad. From the statement of informant PW-1 Kamal Kishore, it is proved that his brother has died on 25.05.2003 at 03:20 p.m. The PW-7 Inspector S.N. Singh has admitted in his cross-examination that ten minutes time was taken by the Head Moharrir Hemraj in scribing the chik report and GD registering the case. The informant (PW-1) has admitted that Daroga Ji had recorded his statement, and thereafter, proceeded to PHC, Shahabad. In this respect, we also perused the case diary wherein it is mentioned that on 25.05.2003 at 15:30 hours the Investigating Officer had copied the chik report in case diary, and thereafter, he copied the contents of GD registering the case. Thereafter, he had recorded the statement of injured Ram Kishore. From the close scrutiny of the evidence, it is proved that the deceased has died at 03:20 p.m. as per the statement of PW-1 Kamal Kishore and as per the case diary the Investigating Officer recorded the

chik report and GD registering the case in CD thereafter, therefore in above circumstances as the deceased has died at 03:20 p.m. there was no occasion for the Investigating Officer to record his dying declaration (Ex.Ka-25). In above circumstances, the dying declaration is doubtful and cannot be relied on and we find substance in the arguments of learned counsel for the appellant that the dying declaration is suspicious and it cannot be relied on.

28. So far as the contention of learned AGA regarding treating the statement of the deceased recorded under Section 161 Cr.P.C. as dying declaration is concerned, it can be treated as dying declaration as per provision of Section 162(2) Cr.P.C., if from the evidence on record it is proved that the statement under Section 161 Cr.P.C. is beyond suspicion. The provision of Section 162 Cr.P.C. reads as follows:

*"**162. Statements to police not to be signed: Use of statements in evidence.**- (1) No statement made by any person to a police officer in the course of an investigation under this Chapter, shall, if reduced to writing, be signed by the person making it; nor shall any such statement or any record thereof, whether in a police diary or otherwise, or any part of such statement or record, be used for any purpose, save as hereinafter provided, at any enquiry or trial in respect of any offence under investigation at the time when such statement was made:*

Provided that when any witness is called for the prosecution in such inquiry or trial whose statement has been reduced into writing as aforesaid, any part of his statement, if duly proved, may be used by the accused, and with the permission of the Court, by the prosecution, to contradict such witness in the manner provided by Section 145 of the Indian Evidence Act, 1872 (1 of 1872); and when any part of such statement is so used, any part thereof may also be used in the re-examination of such witness, but for the purpose only of explaining any matter referred to in his cross-examination.

(2) Nothing in this section shall be deemed to apply to any statement falling within the provisions of clause (1) of Section 32 of the Indian Evidence Act, 1872 (1 of 1872), or to affect the provisions of Section 27 of that Act.

Explanation. - An omission to state a fact or circumstance in the statement referred to in sub-section (1) may amount to contradiction if the same appears to be significant and otherwise relevant having regard to the context in which such omission occurs and whether any omission amounts to a contradiction in the particular context shall be a question of fact."

29. The statement of witness under Section 161 Cr.P.C. can amount to dying declaration as held by the Apex Court in ***Dalip Singh versus State of Punjab***, *reported in (1979) 4 SCC 332* in paragraph 8, which reads as follows:

"8....We may also add that although a dying declaration recorded by police officers during investigation is admissible under Section 32 of the Indian Evidence Act in view of exception provided to sub-section (2) of Section 162 of the Code of Criminal Procedure, 1973, it is better to leave such dying declaration out of consideration until and unless the prosecution satisfies the court as to why it

was not recorded by the Magistrate or Doctor. As observed by this court in ***Munnu Raja versus state of MP*** *[(1976) 3 SCC 104], the practice of the investigating officer himself recording a dying declaration during investigation ought not to be encouraged. We do not mean to suggest that such dying declaration are always untrustworthy but what we want to emphasize is that better and more reliable method of recording a dying declaration of an injured person should be taken recourse to and one recorded by the police officer may be relied upon if there was no time or facility available to the prosecution for adopting any better method."*

30. From the position of law settled by the Apex Court that statement recorded by the Investigating Officer under Section 161 Cr.P.C. can be treated as dying declaration, but it should be free from suspicion. As discussed above, the statement under Section 161 Cr.P.C. of the injured recorded by the Investigating Officer is suspicious. Therefore, we find no substance in the contention of learned AGA that the statement of the injured recorded under Section 161 Cr.P.C. was a genuine one and was free from suspicion or doubt, therefore, it cannot be relied on in view of Section 162 Cr.P.C. In above circumstance, we find substance in the contention of learned counsel for the appellant that the dying declaration was not a genuine one and it cannot be relied on, therefore, the same cannot be looked into for the purpose of proof of the case.

31. Now, we are considering the submission of learned counsel for the appellant that FIR was ante-timed. PW-1 Kamal Kishore in his statement has stated that after the incident he without picking up his injured brother Ram Kishore he proceeded to the police station for lodging the FIR on rickshaw. He has further deposed that the incident has taken place at 02:45 p.m. and he lodged the FIR at 15:20 p.m. on 25.05.2003 by handing over written Tahrir which was scribed by him in his own handwriting and under his signature. Perusal of the chik report (Ex.Ka-5) proved by the witness PW-3 Constable Ram Pratap by secondary evidence shows that the distance between the place of occurrence and police station was one and half kilometer. The witness PW-1 Kamal Kishore might have taken some time in writing the Tahrir and might have taken sometime in search of rickshaw, and thereafter, he had gone to the police station via a busy road. Therefore, in above circumstance it is proved that the FIR was lodged without delay. So far as the submission of learned counsel for the appellant that the FIR was lodged after the death of the deceased and in order to create false dying declaration, FIR regarding sustaining of injury by the deceased was lodged ante-time at first and later on the information regarding the death of the deceased was taken by the Investigating Officer for accommodating the recording of statement under Section 161 Cr.P.C. is concerned, it was the lapse on the part of the Investigating Officer which should not be taken in favour of the accused, may be that such lapse is committed designedly or because of negligence, so that it will not infer that FIR was not lodged promptly as held by the Apex Court in Paras Yadav & Ors. versus State of Bihar, [(1999) 2 SCC 126 : 1999 SCC (Cri) 104]. In this case, FIR was lodged on 25.05.2003 at 15:20 p.m., and thereafter, the information regarding death of the deceased was communicated by PW-1 Kamal Kishore by written Tahrir (Ex.Ka.-2) at 16:20 hours at the police station Shahabad which was

entered in GD (Ex.Ka-7) vide report no.27 on 25.05.2003 at 16:20 hours which was proved by the witness PW-3 Constable Ram Pratap by secondary evidence and Section 302 IPC was added. If the police wanted to ante-time the FIR, police might had stopped the GD (Ex.Ka-7). The witness PW-5 Dr. J.L. Gautam has proved the post-mortem report (Ex.Ka-8) and has stated that the deceased might have died one day before the post-mortem. He had found clotted blood and pasty matter in the stomach of the deceased. The post-mortem of the deceased was conducted on 26.05.2003 at about 04:00 p.m., meaning thereby, the deceased had taken lunch in the noon and occurrence has taken place after about two hours of his taking the meal, which also proves that the occurrence has taken place at about 02:45 p.m. on 25.05.2003 and it rules out that deceased was robbed at some lonely place in the dark of night. Because in the interval of an hour of lodging of FIR, the information regarding the death of the deceased was given by the informant PW-1 Kamal Kishore, therefore, SI Siyaram might have left the GD report number while reporting the death of the deceased in panchayatnama to avoid the mistake in writing wrong GD report number in panchayatnama, but due to mistake later on he could not fill in the blanks. At the top of panchayatnama he had written the Case Crime No. 209 of 2003, under Section 307/302 IPC and the name of the informant who had given the information regarding the death was also mentioned as Kamal Kishore in the body of panchayatnama (Ex.Ka-12). He had also mentioned the Case Crime No. 209 of 2003 under Section 307/302 IPC in the Challan Lash (Ex.Ka-13), Photo Nash (Ex.Ka-14). The inquest proceeding was proved by the PW-7 Inspector S.N. Singh by secondary evidence. It is proved that the investigation was started promptly after lodging of the FIR, therefore it is proved beyond reasonable doubt that the FIR was lodged promptly. In above circumstances, we find no merit in the submission of learned counsel for the appellant that FIR was ante-time and was lodged after due deliberation and concoction to falsely implicate the appellant Amitabh Dixit. So far as the conduct of informant PW-1 Kamal Kishore is concerned regarding not picking up his brother after sustaining injury is of no consequence because different person reacts differently in a given situation and he might have thought that there are other person present at the place of occurrence who would pick up his injured brother and take him to the hospital. Therefore, it cannot be said that PW-1 Kamal Kishore was not present at the place of occurrence at the time of incident. Therefore, we find that PW-1 Kamal Kishore had in above circumstances proceeded to lodge the FIR first immediately without losing time so that police help might be extended to his brother for saving his life and for better treatment in the hospital.

32. Now, the question arises whether the incident has taken place at the place of occurrence or at some lonely place and the deceased was robbed at a lonely place and has sustained injuries in robbery?

33. The Investigating Officer PW-7 Inspector S.N. Singh has deposed that he had collected the plain and blood stained soil from the place of occurrence and had prepared its memo (Ex.Ka-20). He had also found two empty cartridges of 315 bore at the place of occurrence and prepared its memo (Ex.Ka-18), a pair of slipper and prepared its memo (Ex.Ka-19) and also found the bicycle of the deceased and a plastic container from which oil had flown on the road and prepared

its memo (Ex.Ka-21). PW-7 has also deposed that he sent the pair of slipper, plain and blood stained soil along with clothes, i.e., scarf, janeyu and Raksha of the deceased to Forensic Science Laboratory, Lucknow in a sealed cover and the report of the forensic science laboratory dated 24.09.2003 (Ex.Ka.26) was tendered by the prosecution. The aforesaid report was prepared by the Government Serologist Expert which was forwarded by Joint Director Forensic Science Laboratory, Lucknow. The appellant had not called for the cross-examination of the expert, therefore, it will be presumed that the serological report is admitted to the appellant. Section 293 of the Code of Criminal Procedure speaks about the reports of certain government scientific expert. Section 293 Code of Criminal Procedure, 1973 reads as follows:-

*"**293. Reports of certain Government Experts:** (1) Any document purporting to be a report under the hand of a Government scientific expert to whom this section applies, upon any matter or thing duly submitted to him for examination or analysis and report in the course of any proceeding under this Code, may be used as evidence in any enquiry, trial or other proceeding under this Code.*

(2) The court may, if it thinks fit, summon and examine any such expert as to the subject matter of his report.

(3) Where any such expert is summoned by a Court and he is unable to attend personally, he may, unless the Court has expressly directed him to appear personally, depute any responsible officer working with him to attend the court, if such officer is conversant with the facts of the case and can satisfactorily depose in court on his behalf.

4. This section applies to the following Government scientific experts namely: -

(a) any Chemical Examiner or Assistant Chemical Examiner to Government;

(b) the Chief Controller of Explosives;

(c) the Director of Finger Print Bureau;

(d) the Director, Haffkein Institute, Bombay;

(e) the Director, [Deputy Director or Assistant Director] of a Central Forensic Science Laboratory or a State Forensic Science Laboratory;

(f) the Serologist to the Government."

(g) [any other Government Scientific Expert specified by notification by the Central Government for this purpose.]"

34. The sub-section merely provides that the report of expert may be admitted as evidence without formal proof as held by the Apex Court in ***Bhupinder versus State of Punjab,*** *reported in AIR 1988 SC 1011*. The word "may' in sub-section (1) makes it clear that it is only an enabling provision. Though the report of Chemical Examiner, when properly admitted is entitled to the same weight as sworn testimonies as held by the Apex Court in Bhupinder versus State of Punjab (supra). The serological expert report was not challenged by the learned counsel for the appellant in the trial court by summoning for cross-examination.

The presence of blood on the blood stained soil and nature of plain soil proves that it was taken from the same place. The presence of human blood on a pair of slipper, plain and blood stained soil proves beyond doubt that the occurrence has taken place at the place as alleged by the prosecution. It also rules out the defence case that the deceased had sustained injury in a robbery in the night at a lonely place and the appellant was falsely implicated due to enmity.

35. Now, we have to analyze whether the motive of the crime is proved beyond reasonable doubt? In this regard, PW-1 Kamal Kishore has deposed that the appellant belongs to the same pedigree and there was a dispute between them regarding partition of the land property before the incident. He has also deposed in cross-examination that the deceased had given an application to the In-charge Chawki Sardarganj regarding the demolition of wall, which was being raised by the deceased, by the appellant and his associates on 08.08.2000. He has also filed the carbon copy of the aforesaid application which is on record. The appellant/accused has admitted in his statement under Section 313 Cr.P.C. that the statement of witness PW-1 Kamal Kishore that the he (appellant) belongs to his pedigree is correct. He has also admitted the statement of PW-1 Kamal Kishore that there was dispute between the family of accused and family of the appellant regarding partition of land property. He has further admitted that the informant and his family member grabbed his house due to this enmity, he has been falsely implicated in this case. From the above discussion, it is proved beyond doubt by the evidence and admission of the appellant in the statement under Section 313 Cr.P.C. that there was enmity between the family of the deceased and the appellant. The enmity is two edged weapon which can be used for false implication as well as provided the reason to commit the offence. The suggestion suggested by the learned counsel for the accused-appellant may be looked into while appreciating the evidence. The suggestion of the appellant's counsel that the deceased was robbed in the darkness of night somewhere at a lonely place and not at the place of occurrence and sustained injury in the robbery is not plausible in this case, therefore, the plea of false implication of the appellant is ruled out in this case. Therefore, the motive to commit the offence by the appellant is proved beyond reasonable doubt.

36. PW-2 Ramji Tiwari is also alleged to be an eyewitness of the incident who has deposed and corroborated at the time of recording of his statement that the occurrence had taken place about 9-10 months ago. He has also deposed that on the day of occurrence while he was returning from his field he had seen Ram Kishore Dixit coming from the market on a bicycle and Amitabh Dixit stopped him and opened fire upon him, then he was at a distance of 10-12 meters from the deceased Ram Kishore, the fire hit at the hand of the deceased. Thereupon, Ram Kishore ran towards back leaving his bicycle, then the appellant Amitabh Dixit again opened fire which hit at the thigh of Ram Kishore. Thereafter, Ram Kishore (deceased) started running towards the house of Ram Shankar and wanted to enter into his house, but the door was closed. Then Ram Kishore (deceased) fell down on the platform outside of the house of Ram Shankar, meanwhile, the appellant Amitabh Dixit again opened fire which too hit him, and thereafter, the appellant fled from there
