

HIGH COURT, LUCKNOW

Date: 13.08.2020

NOTICE

It has often been noticed that some officers/officials of this Hon'ble Court do not wear their face masks while working in the office while some have the habit of keeping their masks below their nose. Further, it has also been observed that officers/officials are not maintaining proper social distance between themselves while working in office. This practice is highly objectionable, specially in the present situation when the COVID-19 cases are increasing day by day.

All officers/officials are hereby directed that they shall wear face masks properly at all times while working in the office and also maintain proper social distancing. Further, all officers/officials are directed not to roam about unnecessarily in the campus and not to visit other sections/offices except strictly for official work.

The distribution of masks, sanitizers etc. will now be done by the Court Officer (Nazarat) w.e.f. 17.08.2020.

All concerned are informed accordingly.
